The lobby gleams with polished marble floors and sleek modern decor. Eleanor, dressed in a stylish business suit,

strides confidently through the entrance.

LITTLE JESSICA (whispering to her mother)

Look! That woman is so ugly! And she's wearing such cheap clothes!

Eleanor catches the remark. Her eyes narrow slightly but she remains composed.

ELENA RAVEN (V.O.)

I don't care what anyone says... I'm here to prove myself.

She approaches the reception desk where two RECEPTIONISTS are chatting quietly.

RECEPTIONIST #1

Oh my god, did you see that? The CEO of Granite Global just arrived!

RECEPTIONIST #2

Yeah! She's stunningdefinitely way out of our league.

Elena smirks inwardly at their ignorance and walks past them without a word toward the elevator bank.

EPISODE 2

ELENA RAVEN

(CALMLY, WITH AUTHORITY)

I'm the new head of sales for Granite Global. My clearance level is 10enough to access any floor I need.

The security guards exchange a skeptical glance, then one of them slowly reaches out to scan her ID badge.

SECURITY GUARD #1 (GRUFFLY)

We'll just make sure that's real.

He taps her badge against a small device. A loud BEEP soundsbut instead of granting access, the elevator suddenly SHUDDERS and comes to an abrupt stop between floors. The lights flicker briefly before returning to normal.

ELENA (UNFAZED)

3

What now?

SECURITY GUARD #2 smirks and leans in closer, his tone dripping with condescension.

SECURITY GUARD #2

Sorry this elevator only responds to clearances above 15. You're not authorized for executive levels yetyou'll have to take the stairs from here.

Elena's eyes flash with irritation as she crosses her arms defiantly.

//END OF EPISODE//

EPISODE 3

ELENA (WITH A SHARP, ICY TONE)

If you think I'll just stand here and take this bullshitthink again.

The two security guards exchange smug glances before turning away, clearly dismissive.

SECURITY GUARD #1

Lady, the rules are the rules. Take the stairs or leave.

Elena clenches her fists, jaw tightening as she watches them walk off. Her eyes narrow to slits as she stares at the elevator doors.

Suddenlyher phone buzzes in her hand. She glances at it: "Nicholas Frost."

4

Her expression softens slightly before hardening again with resolve. She answers immediately.

ELENA (INTO PHONE)

NicholasI need access to floors 11 through 20 for an urgent meeting. Make it happen now.

CUT TO:

speaker without hesitation.

He ends the call with one smooth motionand turns sharply toward where Elena is standing by the elevator.

EPISODE 4

Nicholas's piercing gaze locks onto Elena the moment he reaches her. He takes in her disheveled appearancehair slightly

tousled, suit wrinkled, and shoes scuffed.

NICHOLAS (RAISING AN EYEBROW)

You're not exactly what I expected.

ELENA (CROSSING ARMS DEFIANTLY)

5

What did you expect? A damsel waiting for rescue?

Nicholas smirks faintly, stepping closer with calculated ease. His eyes flicker over her form before settling back on her face.

NICHOLAS

Honestly? Someone who knew their place. This... is a surprise.

Elena meets his gaze without flinching, voice steady but sharp.

ELENA

My place isn't defined by appearances or outdated rules. I belong herejust like anyone else with the drive to succeed.

A brief pause hangs between themthe tension thick enough to cut with a knife. Then Nicholas tilts his head slightly, as if reconsidering something.

NICHOLAS (softening just a fraction)

Impressive audacity... You must be Elena Raventhe new sales director everyone's been talking about.

Elena narrows her eyes suspiciously but nods once firmly.

ELENA

That's right. And you are...

Before she can finish, Dimitri steps forward and clears his throat loudly behind them.

//END OF EPISODE//

EPISODE 5

DIMITRI (grinning, stepping between them)

And you must be Mr. Frostthe one controlling the elevator and blocking Elena.

Nicholas raises an eyebrow, watching Dimitri with interest.

NICHOLAS

You're quite bold for someone who just barged into my office unannounced.

Dimitri crosses his arms confidently, standing firm beside Elena.

DIMITRI

Because she belongs here. And I'm not going to let anyone treat her like she doesn'tespecially not you.

Nicholas lets out a low chuckle, amusement flickering in his eyes as he studies them both.

NICHOLAS (MOCKING)

So... you're her knight in shining armor?

Elena's jaw tightens at his tone. She steps forward and places a hand on Dimitri's arm gently but firmly.

ELENA

He's more than that... He's my partnerin life and work. And unlike some people, we don't need to prove our worth through

dominance or outdated hierarchies.

7

Nicholas tilts his head slightly toward her words before turning back to Dimitri with renewed scrutinybut there is

something different in his gaze now: curiosity mixed with reluctant respect.

//END OF EPISODE//

EPISODE 6

Nicholas's gaze sharpens, a flicker of amusement in his eyes as he leans slightly closer.

NICHOLAS
Oh? And what exactly makes you think she belongs here?

Dimitri doesn't hesitate. His voice is steady, unwavering.

DIMITRI
Because she's the rightful heir to the Luna position. She always has been.

Elena steps forward, her posture straight and confident despite the lingering tension around them.

ELENA
And I've made my decisionI'm not returning to that pack. Not anymore.

Nicholas studies her for a long moment, his expression unreadable. Thenwithout warninghe turns on his heel and strides

toward the elevator control panel again.

NICHOLAS
Well then... it seems we have unfinished business after all. Enjoy your stay at Frost Alpha Pack headquarters.

8

The elevator doors slide open with a soft chime. Nicholas gestures inside before stepping back into view, locking eyes with

Elena one last time before disappearing inside himself without hesitation or explanation

Elena exhales sharplya mix of relief and frustration swirling within herand glances at Dimitri beside her .

ELENA (SOFTLY)
This guy He's more than just an overbearing Alpha...

Dimitri nods slowly , offering quiet reassurance .

DIMITRI
Don't worry .I'll get someone to escort us upstairs right away

As Dimitri lifts his phone , Elena instinctively reaches out - gripping his arm tightly her gaze lingering on their

intertwined hands for one brief second too long before releasing him abruptly

She clears her throat , forcing herself back into composure .

ELENA (FIRMLY )
Let's go . We have no reason to linger here any longer than necessary

Together they turn toward another set of stairs nearbytheir footsteps echoing through empty hallways as they move deeper

into unfamiliar territory leaving Nicholas behind within those sealed walls where secrets remain locked tight beneath cold

steel surfaces.

EPISODE 7

INT. FROST ALPHA PACK HEADQUARTERS - HALLWAY DAY

Elena and Dimitri walk side by side, their footsteps echoing in the quiet corridor. The tension from earlier still lingers.

ELENA (SOFTLY)
Did you feel it? That... vibe between Nicholas and me?

DIMITRI (FROWNING SLIGHTLY)
You mean how he looks at you like you're a threat to his authority? Or something more?

Before Elena can respond, an elegant door opens nearby. A beautiful young woman steps out with perfect timingher gaze

locking onto Elena immediately.

WOMAN
Ah, my dear Luna! You've arrived just as expected.

Elena stiffens instantly, recognizing the voiceand its owner: Jessica Raven, her estranged sister-in-law.

JESSICA

(SMIRKING)
I'm afraid I must escort you personally for tonight's gala on the 50th floor. Follow me closely; we wouldn't want any mishaps along the way.

Jessica turns sharply on her heel without waiting for a responsethen begins strutting down the hallway with calculated

grace. Elena exhales slowly before following suit while exchanging a brief glance with Dimitri behind her.

EPISODE 8

INT. FROST ALPHA PACK HEADQUARTERS - HALLWAY DAY

Elena and Dimitri exchange a brief glance before following Jessica down the corridor.

DIMITRI (V.O.)
Jessica Raven... Elena's sister-in-law. The one who married into the pack after her brother died in war. I've heard she's

ruthless, always stirring up trouble for Elena.

ELENA (LOW, TENSE)
You know her?

DIMITRI
Just enough to be cautious around her.

They catch up to Jessica just as she reaches an elevator bank. She presses the button with deliberate slowness, then

turns back toward them with a tight smile.

JESSICA
This way, ladies and gentleman. First-class only on this floor.

The elevator dings open instantlytoo quickly for anyone else to board first. Jessica steps inside without hesitation,

casting one last sharp look at Elena before pulling the doors closed behind her with a soft *click* of finality.

11

Elena exhales sharply and strides forwardbut before she can reach the buttons herself,

JESSICA (O.S., smug)
Oh no you don't!

A sudden burst of cold wind rushes through the hallway as Jason Winters appears beside them like a shadow sliding across

marblethe same man from earlier who had mocked Elena mercilessly during lunch break confrontation scene 3-1). His smirk

is razor-sharp under his slicked-back hair.)

JASON
Miss Raven? You forgot somethingmy invitation card!

He lifts it high above his head where it glints cruelly in overhead light before flicking it downward onto their feet like

garbage discarded by royalty .

Jason leans closer toward Elena , voice dripping venom:

JASON
Think you're so special because you're Alpha Luna ? Think again . Tonight's gala isn't for rejects like usit's strictly invite-only elite territory . And trust me , your presence won't be welcomed there .

His words hit harda calculated blow meant to humiliateand succeed beyond measure: For an instant , doubt flickers across

both Elena 's eyes . But then

ELENA (COLD STEEL)
I have my own invitation card too.(beat) As will Dimitri Gao .

12

She pulls two cards from beneath her coat each emblazoned boldly with their names in gold lettering against black velvet

background .

ELENA
And we'll see exactly how 'exclusive' tonight really is

Her tone leaves no room for argumentonly icy resolve charging every syllable ; Jason freezes mid-smirk ,

caught off guard by such unwavering confidence coming from someone he clearly underestimated moments ago .

Before he can recover , footsteps thunder down another hallway nearby powerful enough that even stone walls seem ready

crumble beneath impact

NICHOLAS FROST bursts into view without warning : body language radiating dominance mixed equally intimidation ;

eyes locking immediately onto Jason Winters standing between him & Elena like some twisted blockade against rightful

order within Frost Alpha Pack headquarters

Nicholas strides forward swiftly until less than arm length separates himself & Winters; voice low but commanding :

NICHOLAS
Touch Miss Raven again and I guarantee you won't live long enough regret it

Jason stumbles backward instinctively fear flashes briefly across his features followed almost instantly by bitter rage ;

13

he raises fist toward Nicholas hoping land strike first but instead finds himself pushed backwards violently when strong

hand suddenly wraps firmly around wrist gripping hammer-like strength;

WITH BARELY ANY EFFORT AT ALL ,

Nicholas shoves him clean off balance sending him crashing heavily onto polished marble floor below where stunned silence

greets impact soundlessly except faint echo reverberating throughout entire building space itself

Then quietly turning back towards remaining occupants still standing near elevator entrance :

NICHOLAS
Now let's get going shall we ?

Without waiting further response or resistance ,

Alpha Wolf simply gestures once more ;

then leads group smoothly onward deeper into heart Frost Alpha Pack Headquarters while tension hangs thick atmosphere

surrounding every step taken thereafter

DIMITRI

(WHISPERING TO ELENA)

14

I don't like this... something's off.

ELENA

(FIRMLY)
Stay alert. I'm not going down without a fight.

Suddenly, the lights flicker and go out. The hallway plunges into darkness.

JASON (O.S.)
Well, well... looks like I've caught your scent again, Elena.

Jason steps forward, his voice dripping with malicious triumph as he closes in on them. Shadows shift behind him two large

figures emerge: Derek and Jessica flanking him like predators closing in on prey.

JASON (CONT'D)
You really thought you could run from me? From us?

He smirks darkly before snapping his fingers sharply. The sound echoes ominously through the darkened hallways.

JASON (CONT'D)
Let's see if my new toys can teach you some respect...

At that moment headlights blaze back to life. And suddenly Jason is no longer alone; a dozen Frost Alpha Pack guards

appear from every shadowed corner of the hallway surrounding him & Elena alike

NICHOLAS

(COLDLY COMMANDING)
Everyone stay where you are!

15

His voice booms with authority that instantly silences all movement within earshot

NICHOLAS (CONT'D)
This ends now or we will settle it right here and right now

His gaze locks onto Jason Winters' smug expression razor sharp intensity radiates outward sending clear message: any further

step taken against Miss Raven will be met with ruthless consequences

EPISODE 10

Nicholas steps forward, his presence commanding. He reaches out and grabs Elena's hand firmly.

NICHOLAS

(SOFTLY BUT RESOLUTE)
Elena, this is my territory now. You're under my protection.

Elena looks at him in surprise then her eyes narrow as she pulls her hand free with a sharp tug.

ELENA

(COLDLY)
I don't need saving, Nicholas. I can handle myself just fine.

Her tone is firm, unyielding but there's a flicker of something deeper beneath the surface: pride mixed with reluctance to

16

accept help from anyone... especially him.

JASON

(SNEERING)

Oh please! Don't act like you're some kind of hero herewithout me and my pack backing you up, you'd be nothing!

He glances over his shoulder at Derek and Jessica for reinforcement before turning back toward Elena with calculated malice:

JASON (CONT'D)

And that goes double for your little wolf friend Dimitri!

Dimitri stiffens visibly at Jason's words. His jaw tightens as he steps protectively closer to Elena

DIMITRI

(LOW GROWL)

Don't drag him into this...

Before Dimitri can finish speaking Nicholas suddenly turns on Jason Winters without warning. The shift in atmosphere

is instantaneous; tension crackles through the air like electricity

NICHOLAS

(SHARPLY)

You have no right to speak about loyalty or respect when you've caused so much pain already!

His gaze pierces straight through Jason's smug facade every word dripping with authority yet laced in warning.

//END OF EPISODE//

EPISODE 11

17

Nicholas's words cut through the room, his voice low and commanding. The pack members shift uncomfortably under his gaze,

silence falling like a heavy curtain.

JASON

(SNARLING)
You think you can intimidate me? You're nothing but an Alpha wannabe!

NICHOLAS

(FIRMLY)
I am the Alpha of this territory. And I will not tolerate your insolence or disrespect towards anyoneespecially not her.

He gestures toward Elena with a cold intensity that sends a chill down her spine.

ELENA

(COLDLY, RAISING AN EYEBROW)
Wait... are you actually taking my side?

Nicholas turns to face her fully now his expression unreadable for just a moment before he finally speaks:

NICHOLAS

(FLATLY)
Of course I am. You're part of my pack now.

Elena exhales sharply, caught off guard by how easily those words slip from him but she quickly recovers and crosses her arms

defiantly instead of showing gratitude.

ELENA

(MOCKING TONE)

18

Oh great... another overbearing wolf trying to claim ownership over me

Before she can finish, Nicholas steps closer again closing the distance between them in one smooth motion. His hand wraps

around hers without hesitation; fingers interlacing tightly as if it's the most natural thing in the world to do so.

//END OF EPISODE//

EPISODE 12

Nicholas's grip tightens subtly, as if to remind her of the unspoken rules she just broke.

NICHOLAS

(LOW, DELIBERATE)
You're not "another" wolf. You're my Luna now. That means you stand by me and I protect you.

Elena tilts her head slightly, eyes narrowing in challenge. She pulls her hand back with a flick of sharp defiance.

ELENA

(SMIRKING)
Protect? Since when did that become your job?

Her words hang in the air like a daresharp enough to cut through the tension building between them.

NICHOLAS

(VOICE DROPPING EVEN LOWER)
Since I claimed you as part of my pack. That's what an Alpha does for his Luna... and his pack.

19

He steps back smoothly, releasing her hand but never breaking eye contactthe message clear: this is far from over.

Dimitri watches quietly from the side, jaw tightening at their exchange before stepping forward with measured calmness.

DIMITRI

(CALMLY INTERJECTING)
Eleanor Nicholas isn't wrong about protecting you. But

Before Dimitri can finish, Jason scoffs loudly from behind them, cutting through the moment like a knife twisting deeper

into already raw wounds.

JASON

(MOCKING SNEER)
Oh pleasehe probably only cares because he wants something in return!

The crowd murmurs again; some glance toward Elena expectantly while others look at Nicholas with renewed curiosityand

subtle amusement at how easily tensions escalate around him.

NICHOLAS

(LOW, DANGEROUS)
Watch your mouth. That's a direct insult to me.

20

Jason smirks, enjoying the rising tension like it fuels him.

JASON

(SNICKERING)

Oh come oneveryone knows you're just desperate for power. You'd use anyone as a pawn if it meant staying on top.

The crowd stirs again; some side-eye Nicholas with renewed doubt while others glance at Elena with subtle

amusementwaiting to see how this will unfold.

//CUT TO:

Elena steps forward smoothly, her voice cutting through the murmurs like ice sliding over steel.

ELENA

(CALMLY AUTHORITATIVE)

Enough. This isn't about favors or debtsit's about respect and rightful protection. Something clearly lacking in your understanding of leadership, Jason.

Her words land heavily between them; even Jason falters under their weight for a split second before regaining his

composure with an exaggerated laugh.

Before anyone can react further , two of Elena's trusted guards step forward swiftly . They grab hold of Nicholas from

either side , hauling him upright before escorting him out of the hall under heavy watchful eyes .

ELENA RAVEN
(calm composure restored instantly )
No... He missed completely.
She reaches up instinctivelyto rub where she'd been slapped seconds agoand freezes mid-motion when her fingers meet something unexpected: A small silver pendant nestled against her skinthe necklace Maya had given her earlier today.
Her breath catches briefly; realization dawns slowly.
That was close...

A flicker of amusement crosses those stormy gray eyes .

WITH PERFECT TIMING ,
she turns deliberately towards Dimitri and presses a soft kiss against his cheek .
It takes him completely by surprise.

INT. PACK TERRITORY - OUTDOOR TRAINING GROUND - DAY

Elena watches Dimitri retreat, a faint smile lingering on her lips.

ELENA (SOFTLY, TO HERSELF)
Such a gentleman... and yet so shy.

Suddenly, Nicholas storms in, his expression dark and furious. He strides up to Elena without hesitation.

NICHOLAS
You dare kiss him? You think you can just toy with me?

Elena tilts her head slightly, amused by his audacity.

ELENA
Derek humiliated me before the entire pack. I merely returned the gesturetwice over.

103

Nicholas's jaw tightens as he clenches his fists.

NICHOLAS
I will not forgive this insult!

HE RAISES HIS HAND TO STRIKE AGAIN

Before he can land another blow, Elena's eyes flash silver. In an instant, she grabs Nicholas's wrist mid-air and twists

it sharply downward with controlled precision. A loud crack echoes as Nicholas collapses in pain onto the ground behind

her.

The crowd gasps collectively at the sound of broken boneand then falls into stunned silence as they realize what just

happened.

WOLF MEMBER 1 (WHISPERING)
She broke Frost's arm...

WOLF MEMBER 2 (SHOCKED)
That move only an Alpha with supreme control could execute something like that!

Nicholas groans softly but doesn't retaliate; instead he glares up at Elena coldly from where he lies defeated behind

her back utterly humiliated once more before everyone present .

Elena slowly turns toward him , voice calm but filled with authority .

ELENA
This is my territory now . Derek betrayed our trust ; you failed to protect your mate . There will be consequences for those actions no exceptions .

Her gaze settles firmly on both men , leaving no room for dispute or defiance .

ELENA (CONT'D)
Consider yourselves officially banished from Silver Moon Pack until further notice . And if either one of you ever shows weakness again don't expect mercy next time .

distant hills : respect mixed fear

radiating both authority and challenge.

LUNA ABIGAIL

(CALM BUT FIRM)
Elena Raven, you may have claimed leadership by strength todaybut the Silver Moon Pack has always been governed by tradition. And according to our laws... only a full-blooded descendant of the original pack founder can rightfully lead.

ELENA

(SMIRKING LIGHTLY)

105

And you believe that person is you?

Luna lifts her chin slightly, voice steady and unwavering.

LUNA ABIGAIL
I am Luna Abigailgreat-granddaughter of Silver Moon's founding Alpha. Bloodline matters here more than brute force or fleeting victories.

A murmur ripples through the gathered wolves as tension thickens in the air.

WOLF MEMBER 1 (WHISPERING)
If she truly carries that bloodline then this is far from over

WOLF MEMBER 2 (NERVOUS)
But Elena just broke Frost's arm effortlessly no one else could've done that

Elena tilts her head slightly, expression unreadable for a moment before breaking into a slow smilesharp and calculating.

ELENA

(SOFTLY)
Bloodlines? Power? Those are mere tools for control. But true leadership comes from unwavering loyaltyand making choices others won't dare make.

She steps closer to Luna without hesitationtheir gazes locking like two predators sizing each other up for dominance.

ELENA (CONT'D)

106

You claim rightful rule based on heritage alone? Then prove it. Challenge me properlyfor real this timewith everything at stake. If I lose... I'll leave without question or resistance. But if you lose...

Her lips curl into an almost cruel grin before delivering the final blow:

ELENA (CONT'D)

You will relinquish any claim to leadershipand swear fealty to me as your Alpha moving forward.

The crowd gasps again, stunned by Elena's audacity and confidence in issuing such terms so boldly.

Nicholas watches silently from behind her backa flicker of grudging respect crossing his features despite their fractured history.

NICHOLAS FROST

(LOW TONE, BEGRUDGINGLY IMPRESSED)

Even after all we've been through she still thinks ten steps ahead

Abigail stiffens visibly at Elena's challenge but quickly regains composureher own pride flaring fiercely in response.

LUNA ABIGAIL

(FIRMLY ACCEPTING)

So be it. A duel between us shall decide who claims rightful dominion over this pack once and for all.

She turns sharply toward Derek Blackwood standing nearby her gaze razor-sharp .

LUNA ABIGAIL (CONT'D)

Prepare everything necessary immediately . This battle will take place within three days' time . Let there be no excuses , no delays .

Derek nods briskly , already moving swiftly toward fulfilling their command .
As he disappears backstage , Luna returns her full attention back to Elena voice low but resolute .

LUNA ABIGAIL (CONT'D )
Know thisI do not intend hold back . You will either fall under my blade or submit completely thereafter .

Elena simply smiles wider unshaken .
