EP. 1

1 INT. HARRIS' MANSION - BEDROOM - DAY 1

The sound of heavy breathing gradually fills the room. Clothes are scattered across the floor. **SERENA**'s hand's gripping the silky bedsheets.

Serena's fingers trail along **JULIAN**'s chiseled back, stopping to brush the nape of his neck.

SERENA
You're amazing... I'm not sure I'm ready for this to end.

JULIAN leans closer, his voice is deep and sexy.

JULIAN
Then let's keep going.

SERENA
Better save your energy for your next sugar mama.

Serena pushes him gently away and begins dressing. Julian sits up, puzzled.

JULIAN
What's that supposed to mean?

Serena hooks a finger around his belt, pulling him close. Her fingers brush across his defined abs.

SERENA
But I'll miss you, Babe...I can't believe it's been 3 years... How much do I owe you?

She pulls a sleek bank card out from her purse and hands it to him.

SERENA (CONT'D)
Here's one million for the past three years. Take it and we'll call it even.

Julian grabs her wrist, his voice sharp with disbelief.

JULIAN
Wait a minute, are you dumping me?

Serena runs a finger across his chest, leaving him visibly unsettled.

SERENA
It's been fun, darling.
(tucks the card into his waistband))
But too bad my husband's coming back...

She picks up her purse, blows him a kiss, and strides out.

SERENA (CONT'D)
Don't miss me too much. Bye.

Serena exits. Julian stands frozen for a moment before throwing the bank card onto the floor, his expression darkening.

JULIAN
Serena! This isn't over!

His phone buzzes. He picks it up.

MARTIN (V.O.)
Sir, should I come to pick you up?

Julian glances out the window, watching Serena's car speed away.

JULIAN
Yes, follow her. I'd like to see who she's running back to.

EP. 2

2 EXT. AIRPORT PARKING LOT - DAY 2

Serena leans against her car, her sunglasses shielding her expression. CHAD approaches, one arm draped around BIANCA, the other dragging a suitcase.

BIANCA
Hey Serena! I didn't expect you to pick us up.

SERENA
"Us"? I'm here for my husband. I don't recall signing up for two...
(sarcastically)
But you do look like a man...

Chad places the suitcase in the trunk, his protective arm tightening around Bianca.

CHAD
Watch your words, Serena. Bianca's carrying my baby. Show some respect.

Serena stares at the two in shock and anger.

SERENA
What?!...She's carrying YOUR child, not mine! Yes, we agreed to an open marriage, not an open daycare!!You Sleazy pig!

She yanks the car door open.

SERENA (CONT'D)
I agreed to pick you up, but I never said I'd drive you home. (gets in car, slams the door) Bye-bye, assholes!

Serena floors the gas pedal, she flashes a middle finger at them through the window, the car screeching away. The trunk pops open mid-drive, spilling the suitcase onto the ground.

CHAD
(Yelling)
Serena! God damn it!

From a car parked nearby, Julian observes the scene with a sulky face.

JULIAN(V.O.)
You left me for "this"?

MARTIN
That's Chad Wilson— heir to the Wilson conglomerate.

Julian adjusts the ring on his little finger with a calculating expression.

JULIAN
Let's teach the Wilson family a little lesson so she understands what a mistake she's making.

3 INT. WILSON'S MANSION - HOME OFFICE - NIGHT 3

William slams a stack of papers onto his desk, glaring at Chad.

WILLIAM
What the hell have you done? Mr. Harris pulled all his investment the moment you returned from Europe!

Chad shrugs dismissively.

CHAD
So? He's just one of them. We've got other investors.

WILLIAM
"So"? He's not just any investor! His influence keeps our company afloat. If he's out, so are the others.

Serena steps in, her tone measured and calm.

SERENA
William... Stress isn't good for your heart.

WILLIAM
Thank you, Serena. I wish Chad had your sense.

Serena helps him sit. Chad scowls at her.

CHAD
(mocking)
Am I your kid or is she?

WILLIAM
Frankly, I'd prefer her as my heir. Mr. Harris is hosting a gala tomorrow night. You're gonna go fix this mess!

He turns to Serena with a gentle pleading look.

WILLIAM (CONT'D)
Serena, will you attend with him?

SERENA
Of course, William. Anything for the family.

As William leaves, Serena gets up to go, giving Chad a dirty look. Chad grabs Serena's wrist.

CHAD
Always the perfect daughter-in-law, aren't you?

SERENA
And you, are still the good-for-nothing son!

She yanks her arm free and walks out.

4 INT. WILSON'S MANSION - BEDROOM - NIGHT 4

Serena walks out of the bathroom wrapped in a towel, only to find Chad sitting on the edge of the bed.

SERENA
Get out!

CHAD
It's been a while, don't you miss your hubby?

Serena crosses her arms, her tone gets icy.

SERENA
(clearly)
The only reason I married you was to follow my father's will. Remember that.

Chad rises, his eyes trailing over her as he steps closer.

CHAD
I got that, but up to this moment, I'm still your husband.

Serena smirks bitterly, stepping back as she tosses her hair over her shoulder.

SERENA
Three years, Chad. That's all it takes for me to get my inheritance. I'm gonna divorce your sorry ass as soon as it's time!

Suddenly, Chad grabs Serena roughly, pulling her against him.

CHAD
Then I better make the most of my time with you.

He leans in to kiss her, but Serena's hand comes up fast delivering a sharp slap across his face.

5 INT. WILSON'S MANSION - BEDROOM - NIGHT 5

Serena stands face-to-face with Chad, her anger boiling over.

SERENA
Get the hell out of here!! Or I'll tell William you got Bianca pregnant. He'll kill you!

Chad clutches his face, breathing hard, his rage barely contained.

CHAD
Are you threatening me!?

SERENA
We both know your father well enough. You go ahead, give it a try!

Chad lets her go, storms toward the door, fuming. Serena's phone buzzes on the nightstand. The screen is on.

The caller ID reads "Sugar Baby."

She hesitates, then answers.

SERENA (CONT'D)
(Sweetly)
Hey, babe.

Chad pauses at the doorway. Hearing her tone, he turns back.

CHAD
(loudly, suspicion in his eyes)
Who are you talking to? A guy or a girl?

Serena covers the phone's mic and glares at Chad.

SERENA
(in low voice)
None of your business. Get out!

6 INT. HARRIS' MANSION - NIGHT 6

Julian, holding a phone, freezes. His eyes widen as he hears Chad's muffled voice in the background.

JULIAN (V.O.)
I just heard a man's voice. Who is he?!

7 INT. WILSON'S MANSION - BEDROOM - NIGHT 7

Serena rolls her eyes, completely unfazed.

SERENA
Of course it's my husband.

7A JULIAN (V.O.) 7A
What are you doing with him?! Serena, what am I to you?!

7B SERENA 7B
A kept ex-lover. What did you think? You don't get a say in what I do with my husband.

Serena hangs up the phone, cutting Julian off mid-response.

8 INT. HARRIS' MANSION - MASTER SUITE - NIGHT 8

Julian throw his cell phone aside with anger. Martin walks in.

MARTIN
Sir, the Wilsons have RSVP'd for tomorrow.

Julian's lips curl into a sly smile.

JULIAN
Perfect. Tomorrow, Serena will learn exactly what she's giving up.

Julian holds tight the ring on his little finger.

JULIAN (V.O.)
You gonna have to beg me back, baby.

EP. 5

9 INT. HARRIS' MANSION - ENTRANCE - NIGHT 9

Serena steps into the mansion, her gown glimmering under the mansion's lights.

Chad walks pass Serena with Bianca. Bianca clutches his arm.

BIANCA
Serena, I hope it's OK I'm tagging along.

SERENA
You think this is a casual dinner party or something?
(Smirks)
Chad, I doubt Mr. Harris will welcome uninvited guests.

Serena turns and strides confidently into the mansion, leaving Chad and Bianca flustered.

10 INT. HARRIS' MANSION - BANQUET HALL - NIGHT 10

Serena stands amidst a group of elite guests, her charm on full display.

GUEST A
Have you met Mr. Harris? It's said that he's super handsome.

GUEST B
Handsome? His wealth and power are what matter. He's the most wanted sponsor for even president elections!

Guest A grabs Serena's wrist.

GUEST A
We just care the unforgettable handsome face, don't we?

SERENA
If unforgettable faces are your thing, Mr. Harris has competition.

13 INT. HARRIS' MANSION - BANQUET HALL - NIGHT 13

Serena scans the room, speaking to herself with a determined tone.

SERENA
Mr. Harris is such a popular man. I just have to meet him.

Serena starts moving forward. Julian's face emerges from the crowd. She freezes. Loud heartbeats muffle all other sounds.

SERENA (CONT'D)
He's... Mr. Harris?

Serena's eyes stay glued to Julian as he navigates the crowd, smiling politely and mingling with guests, completely ignoring her.

SERENA (CONT'D)
(whispers to herself in disbelief)
Wait, is this a dream?…

Serena nervously pulls out her phone, scrolling to a contact named "sugar baby".

She dials. The phone rings as Julian continues his charming conversations. She exhales, relieved, and turns away.

SERENA (O.S.) (CONT'D)
There's no way Julian is Mr. Harris. Probably they just look alike —

The line suddenly connects. Julian's cold voice cuts through the air.

JULIAN (V.O.)
Speak.

Serena spins around in shock. Julian stands in the crowd, phone to his ear, staring coldly at her.

SERENA
This... This can't be real.

Her phone slips from her trembling hand and crashes to the floor.

SERENA (O.S.) (CONT'D)
My sugar baby... is Mr. Harris, the billionaire? Three years... why would he hide this from me?

Their eyes lock across the crowd in the room.

EP. 7

14 INT. HARRIS' MANSION - BANQUET HALL - NIGHT 14

Julian breaks away from the crowd and walks toward Serena. He picks up her phone and hands it over.

JULIAN

Serena stares at him, stunned.

JULIAN
Miss, you dropped this.

Serena, dazed, touches Julian's face.

SERENA
Oh my god, did I just run into a fallen angel? You're gorgeous.

She grabs his tie, pulling him close with a dreamy smile.

SERENA (CONT'D)
The world sucks, but don't you worry— I'll take care of you.

Julian looks surprised, then grins as she hugs him. They kiss passionately.

END FLASHBACK

16 INT. HARRIS' MANSION - BANQUET HALL - NIGHT 16

Chad pushes through the crowd, overly polite.

CHAD
Thank you, Mr. Harris!

Chad reaches for the phone, but Julian deftly turns his wrist, offering it to Serena instead. He glares briefly at Chad before focusing on Serena.

SERENA
Uh, thank you.

CHAD
Mr. Harris, do you know my wife?

Julian leans closer, studying Serena with a smirk.

JULIAN
She looks familiar. Yeah, like… from my bed?

Serena's eyes widen in panic.

EP. 8

17 INT. HARRIS' MANSION - BANQUET HALL - NIGHT 17

CHAD
What!? You and my wife...!?

Julian watches Serena's alarmed expression and chuckles smugly.

JULIAN
Oh, my bad. Wrong person. My partner is way sexier and... fiery.

Chad laughs awkwardly.

CHAD
I knew it! Easy mistake to make, Mr. Harris. It happens to the best of us. Actually, I'm here to discuss the withdrawal of your investment—

JULIAN
Simple. Your family is just not my favorite.

Julian's words are directed at Chad, but his eyes stay locked on Serena.

Bianca interjects, stepping between Chad and Serena with an air of authority.

BIANCA
Mr. Harris, the Wilson Company has worked with you for years. You can't just cut ties like this.

Julian doesn't even glance at Bianca, his gaze fixed on Serena.

JULIAN
Who's more heartless, Mrs. Wilson? What do you think?

Serena stammers, unsure how to respond.

SERENA
I...

Julian gives her a meaningful look before turning and walking away.

BIANCA (V.O.)
(jealous with a sneer)
Damn! Why would Mr. Harris even notice her?

A waiter walks by with a tray. Bianca shoves Serena, causing her to stumble. Plates crash, and red sauce splatters across Serena's dress.

BIANCA
OH NO, Serena fell!

All guests turn to stare. Bianca smirks as Chad scolds.

CHAD
Serena! Is it that hard to stand properly?

Serena pretends to wobble as she stands, holding her head with hands.

SERENA
Sorry, I might've hit my head. Feeling a bit dizzy...

Suddenly, Serena falls onto Bianca, smearing the sauce all over her. She topples a cake onto Bianca in passing.

BIANCA
(shouting)
Oh my god!

SERENA
Sorry! I just can't stay upright...

Serena grins mischievously as she stumbles. A jacket suddenly drapes over her shoulders. Julian appears, wrapping an arm around her.

JULIAN
Who did this to her?

EP. 9

18 INT. HARRIS' MANSION - BANQUET HALL - NIGHT 18

Bianca trembles, too scared to speak. Julian's voice cuts through the air, cold and threatening.

JULIAN
Messing with my lady right in front of my face? Someone must have some kind of a death wish.

Chad and Bianca look shocked and confused. Julian grabs Serena's hand.

JULIAN (CONT'D)
Let's get you cleaned up.

SERENA
No no, I can...

Ignoring her protests, Julian sweeps Serena off her feet in a bridal carry, leaving the room as everyone stares in astonishment.

19 INT. HARRIS' MANSION - HALLWAY - NIGHT 19

Julian carries Serena toward a guest room. She whispers urgently.

SERENA
Put me down now! People gonna get the wrong idea!

Julian sets her down gently but corners her against the door.

JULIAN
After everything we've done, what's left to hide? Mrs. Wilson.

He pushes the door open and nudges her inside.

20 INT. HARRIS' MANSION - GUEST ROOM - NIGHT 20

Julian lifts Serena onto a cabinet by the door, planting his hands on either side of her.

SERENA
(staring closely)
I need to change. Do you mind step away a minute?

Instead, Julian smiles and reaches for her zipper.

JULIAN
I've helped you dress before, remember?

The gown's straps slide off her shoulders. Julian leans in, trailing kisses from her shoulder to her ear.

SERENA
Stop...

Though flustered, Serena's resistance falters. Julian takes her hand, kissing her palm softly and rubbing his cheek against it.

JULIAN
Do you want me? Just say it, you can have it all.

21 INT. HARRIS' MANSION - GUEST ROOM - NIGHT 21

Serena pulls him into a heated kiss, her hands slipping under his shirt. Julian suddenly grabs her wrists, stopping her.

JULIAN
Wait, I'm not your sugar baby anymore. Why should I do this now?

Serena, irritated and turned on, pushes him away.

SERENA
Fine, forget it. You're not the only man in the world.

She walks toward the door.

JULIAN
Do you have any idea how many women wanna be my girlfriend, Serena? Are you really turning me down?

SERENA
Whomever wants you can have you. I don't care!

She leaves without looking back.

JULIAN
(mutters angrily)
Serena, you'll be back begging, I promise.

Serena descends the stairs, ready for work. William rushes past her, looking panicked.

SERENA
What's happening, William?

WILLIAM
Another shareholder pulled out! But don't worry, I'll handle it.

He hurries out. Serena looks concerned.

SERENA
(mumbling to herself)
Is he really going to ruin the Wilson Company?

Serena dials Julian on her phone.

EP. 11

25 INT. HARRIS' CORPORATION - CEO OFFICE - DAY 25

Martin opens the office door for Serena, then steps out and closes it behind her.

JULIAN
Here you are! Serena.

SERENA
Can you just leave Wilson Company alone? William's health is failing— You are torturing him!

Julian steps closer, a slow, deliberate move.

JULIAN
I'm more interested in torturing you.
(looks her over)
Maybe you should take his place.

SERENA
If you'll spare Wilson Company, I'll do whatever you want.

Julian leans casually against the coffee table, smirking as he watches her.

JULIAN
Take it off.

Serena freezes, unsure if she heard him right.

SERENA
What?

JULIAN
Strip... I used to serve you —now it's your turn.

Serena glances nervously at the partially open blinds.

SERENA
Don't do this...

Julian straightens and turns to leave.

SERENA (CONT'D)
(hurriedly)
Fine! I'll do it!

She takes a deep breath in with eyes shut, starts unbuttoning her blouse slowly, reveals her lingerie while looking at Julian.

SERENA (CONT'D)
You happy now?

Julian's expression hardens. He strides over and pulls her blouse closed.

JULIAN
That's enough. You can leave now.

SERENA
But the deal—

JULIAN
I said go.

Serena leaves. Julian punches the wall in frustration.

JULIAN (V.O.)
She'd really go that far for that bastard?

JULIAN
(shouts toward the door)
Martin!

Martin enters.

JULIAN (CONT'D)
Go ahead put the money back to Wilson Company. That's what I promised her.

26 EXT. MAGAZINE OFFICE - DOWNSTAIRS - DAY 26

Serena walks toward the building. Suddenly, Julian's car swerves to block her path. The window lowers, revealing his smug face.

JULIAN
I've resumed investing in Wilson Company. Don't I deserve a thank-you?

SERENA
Thank you, good master Harris. Let's never meet again.

JULIAN
Oh? I bet you'll be back begging me.

Serena glares, hands on her hips.

SERENA
Not a chance!

Julian steps out, draping his coat over her shoulders. They're inches apart now.

JULIAN
We'll see.

27 INT. MAGAZINE OFFICE - CONFERENCE ROOM - DAY 27

LANDON stands at the head of the table.

LANDON
Today, we have a new team member joining us. Come on in!

Bianca strides in confidently. Serena's jaw drops.

SERENA
Her?!

Bianca scans the room, stopping on Serena with a sly smile.

BIANCA
Hi, everyone. I'm Bianca Foster.

LANDON
Our cover story will be an exclusive interview with billionaire Mr. Julian Harris. Bianca will be in charge of this.

Serena rises, frowning.

SERENA
Bianca's never done an interview. She's not qualified!

Bianca crosses her arms, stepping closer.

LANDON
Do you have an issue with my decision?

SERENA
I have an issue with her!

Serena pushes Bianca into her seat.

SERENA (CONT'D)
This job needs someone more professional.

LANDON
You think you're the expert? Fine. Prove it. But what if you fail?

Serena closes her notebook with a calm smile.

SERENA
You'll see.

Bianca and Serena lock eyes in a silent battle of wills.

28 EXT. MAGAZINE OFFICE - DOWNSTAIRS - DAY 28

Serena exits the building. Julian's car idles nearby, his window down.

JULIAN
I was right. What I do for you?

EP. 13

29 INT/EXT. MAGAZINE OFFICE - JULIAN'S CAR - DAY 29

Serena glares at Julian.

SERENA
Does bullying me make you happy?

Julian opens the car door, yanks her inside.

JULIAN
Seeing you surrender makes me happy.

Serena pulls herself free.

SERENA
You've humiliated me before— Can we call it even?

JULIAN
Then why are you here now?

Serena hesitates.

SERENA
I'm here cuz' I need to interview a jerk.

JULIAN
That's not how you ask for a favor, Miss Rogers.

SERENA
What do you want?

Julian runs a finger along her cheek, tilting her chin up.

JULIAN
Impress me— like I used to impress you in bed.

SERENA
In the car?!

JULIAN
Tick-tock. Three, two...

Serena kisses him. Julian kisses back harder as her colleagues approach.

COLLEAGUE A
Where's Serena? She was just here.

They search for her, her phone rings.

SERENA
(panicked)
Oh no!

Colleague A follows the sound of the phone ringing to search for Serena, leaning down to look inside the car window.

Inside the car, Serena lies on top of Julian, the two of them press closely together.

JULIAN
(whispers in her ear)
If they see us, they'd love knowing their star reporter is cozy up with Julian Harris.

He reaches for the window controls. Serena stops him, panicking.

SERENA
No!

EP. 14

30 INT/EXT. JULIAN'S CAR - DAY - CONTINUOUS 30

In desperation, Serena grabs Julian's shoulders and kisses him hard. Julian smirks, pulling her closer and deepening the kiss.

Outside the car, Serena's colleagues wander off, giving up the search. Serena shoves Julian away.

SERENA
Get off me, asshole!

Julian wipes lipstick from his mouth, amused.

JULIAN
Now I get why you'd keep me for three years— It's quite the experience being served.

Serena clears her throat awkwardly.

SERENA
I've done my part. Now it's your turn.

Julian chuckles, enjoying her frustration.

JULIAN
See you tomorrow morning on Long Island Golf Course.

Serena jumps out of the car, giving him a nasty look.

SERENA
Damn, he's impossible!

After a moment of hesitation, she reluctantly approaches the desk again.

RECEPTIONIST
Yes?

Serena pauses, weighing her options.

SERENA (V.O.)
Ahh...Do I really have to do this?...

34 EXT. GOLF COURSE - DAY 34

Julian checks his watch, sipping tea as he relaxes. Serena suddenly appears in front of him.

JULIAN
That was fast.
(leans closer)
How does it feel to be my woman?

Serena smirks and pulls out a membership card waving in his face.

SERENA
It turns out becoming a member is more affordable than being your woman.

She tucks the card away, lifting her chin.

SERENA (CONT'D)
Now, Mr. Harris, shall we start the the interview?

Julian claps mockingly, a smirk tugging at his lips.

JULIAN
Impressive. But unfortunately, you're not my only option.

He steps aside, revealing Bianca seated behind him with a sly smile. She waves, smugly.

Huh, Who should I pick?

Serena glares at Bianca, fire in her eyes.

Julian gestures toward Bianca with a mocking flourish.

JULIAN (CONT'D)
Ladies, since we're on a golf course,
how about a little competition?
Whoever wins gets to do the interview.

Bianca giggles and playfully taps Julian's arm.

BIANCA
(teasing)
Mr. Harris, you're so naughty!

She leans in suggestively, but Julian shoves her away with obvious distaste.

JULIAN
Game's on.

36 EXT. GOLF COURSE - LATER 36

Serena and Bianca stand side by side, golf clubs in hand, as curious onlookers gather.

BIANCA
(rolling her wrists)
Don't you know that golf is my forte?
You're so over!

SERENA
(mocking)
I thought your forte was hooking up with guys.

Bianca scoffs and steps up, swinging her club with precision. The ball arcs beautifully through the air.

ONLOOKER A
Wow!

ONLOOKER B
Perfect shot!

Bianca beams with satisfaction. Julian saunters up behind Serena and leans in close.

JULIAN
(whispering)
Looks like you're in trouble. If I were you, I'd try bribing the judge. You know how much I enjoy being seduced.

Serena turns her head sharply, their faces almost touching. Julian smirks, leaning in further with his eyes closed.

Hole in one!

The crowd cheers as Serena turns to see Julian clapping slowly, a sly smile on his face.

SERENA (O.S.)
Three years together, all the details said he wasn't just some sugar baby— I ignored all...

Julian steps closer.

JULIAN
Congratulations on earning your interview. But the location is my choice.

He drapes an arm around Serena's shoulder, leading her away.

SERENA
(sneering)
We gonna go chat about the interview. Feel free to stay and practice some more, Bianca.

Bianca seethes as they walk off, throwing her club down in frustration.

40 INT. HOTEL ROOM - NIGHT 40

Julian lounges on the bed as Serena enters, crossing her arms.

SERENA
This doesn't feel like an appropriate place for an interview.

JULIAN
I said the location was my call.

He props himself up on an elbow, smirking.

JULIAN (CONT'D)
I prefer discussing things in bed.

Serena gives Julian a complex gaze.

EP. 18

41 INT. HOTEL ROOM - NIGHT - CONTINUOUS 41

SERENA
(mocking)
THE richest man in New York is so easy to fool.

She steps away, towering over him with a confident glare.

SERENA (CONT'D)
You go through all this trouble just to get me in bed? What's the difference from a spoiled brat throwing tantrums for candy.

JULIAN
I heard you staked your career on this interview. You'd better be nicer to me.

Serena folds her arms, looking closely at him, unintimidated.

SERENA
Pathetic! You can't win a woman's heart even with all that wealth and status, what's so great about you, huh?

Julian, furious, lunges forward, pinning her wrists above her head on the bed. He leans in, his voice low.

JULIAN
If I want to, you gonna be mine right now right here— your body and your heart.

Serena smirks, unflinching.

SERENA
(taunting)
As powerful as you are, all you've got is to push force on women? Sweetheart, that ain't do any good...

Julian moves as if to kiss her, but stops just short. Serena's eyes remain closed, indifferent.

JULIAN
You can't even look at me?

SERENA
Go ahead. Assault me if you must. But don't expect me to entertain your little games.

Julian hesitates, then collapses against her, pulling her into an embrace.

JULIAN
Tell me how to win your heart... Love me, or losing everything you have. It's your choice.

EP. 19

42 INT. HOTEL ROOM - NIGHT - LATER 42

Serena strokes Julian's neck.

SERENA
It takes more than pleasing me in bed ... You gotta keep me happy all the time.

Julian sits up.

JULIAN
You're just tricking me into serving your whims.

Serena slips off the bed, adjusting her clothes and grabbing her bag.

SERENA
Suit yourself.

She walks to the door, then pauses and looks back.

SERENA (CONT'D)
But don't meddle in my life again. If you enjoy hatred more than love.

She exits, leaving Julian frustrated, sitting on the bed. Martin enters.

MARTIN
Sir, shall I drive you home?

Julian stares silently, his expression dark.

MARTIN (CONT'D)
You don't look good Sir... Didn't you get what you wanted?

JULIAN
(cutting him off)
What I wanted? I've just become Serena's pawn again!

He walks to the window, gazing out at the city lights.

JULIAN (CONT'D)
I'm gonna get her this time!

43 INT. WILSON'S MANSION - LIVING ROOM - DAY 43

Serena drags herself into the living room, visibly drained. Chad is heading out the door.

CHAD
Oh, by the way, William suggests celebrating your birthday properly this year. What kind of gift do you like?

Serena brushes past him without slowing down her pace.

SERENA
Anything that's not from you.

Chad rolls his eyes and calls after her.

CHAD
If William hadn't brought it up, who'd care about a stupid birthday!

44 INT. WILSON HOUSE - BEDROOM - DAY 44

Serena collapses onto her bed as her phone rings. She answers.

JULIAN (V.O.)
(irritated)
Your birthday's coming up. What would you like to...?

SERENA
(cutting him off)We're just in a benefit-based relationship. No gifts necessary.

She hangs up before a reply.

EP. 20

45 INT. WILSON'S MANSION - DINING ROOM - DAY 45

The dining table is laden with dishes. William smiles warmly at Serena.

WILLIAM
Happy birthday, my dear.

SERENA
Thank you for preparing all this, William.

Chad walks in, grumbling as he pushes a fancy cake toward her.

CHAD
Here's the cake I ordered especially for you. What do you think?

Serena stares at him, smiles bitterly.

SERENA
I'm gluten free, remember?

William turns at Chad.

WILLIAM
How could you not know that? She doesn't even eat bread! Some husband you are!

Serena's phone rings. She answers quickly.

JULIAN (V.O.)
Come outside. I'm waiting at your door. Even if you don't want to—

SERENA
(cutting him off)
Of course I do!

She grabs her things and rushes out.

46 EXT. WILSON'S MANSION - DOORSTEP - DAY 46

Julian stands outside the gate. Serena sees a cake in his hand.

SERENA
Not another cake! Do you all want me hospitalized for my birthday?

Julian holds the cake with a smug smile.

JULIAN
This one's flourless. I made it myself... Try it.

Serena freezes, stunned. She dips a finger into the frosting, tasting it cautiously.

SERENA
(grumbling)
Hmmm, it's...good. But it's kinda ugly.

JULIAN
That's what happens when I bake. I'm not a professional.

SERENA
(surprised)
You made this? Yourself?

EP. 21

47 EXT. WILSON'S MANSION - OUTSIDE - DAY 47

Serena and Julian eats the cake together.

SERENA (O.S.)
I feel like I've had this before...

BEGIN FLASHBACK

Text: three years ago.

48 EXT. WILSON'S MANSION - OUTSIDE - DAY 48

Serena sees an ugly cake with candles burning on the steps in front of the door. She picks it up, puzzled.

END FLASHBACK

49 EXT. WILSON'S MANSION - OUTSIDE - DAY 49

Serena looks up at Julian.

SERENA
(surprised and puzzled)
So YOU are the one sending me a cake every year? How did you know I'm allergic to flour?...

Julian seductively puts his arm around her shoulders.

JULIAN
Is that so surprising? I even know exactly how many moles are on your body.

Suddenly, the door opens. William walks out and sees them. Serena quickly pushes Julian away.

SERENA
Oh no! William's gonna be so mad!

WILLIAM
Serena, what's going on?

Serena lowers her head, feeling guilty.

WILLIAM (CONT'D)
(laughing)
How come you're not inviting Mr. Harris inside?

Serena looks at Julian in confusion.

50 INT. WILSON'S MANSION - DINING ROOM - DAY 50

Everyone is seated around the table. Julian sits next to William and across from Serena.

WILLIAM
Mr. Harris, have you met Serena?

JULIAN
Hum yeah, Serena and I have been discussing an interview project. We've had some good chats. Now we're practically...

Serena kicks Julian gently under the table.

JULIAN (CONT'D)
Hum... good friends.

WILLIAM
Serena make distinguished friends like Mr. Harris,
(glaring at CHAD)
while Chad only hang out with a bunch of crooked pals!

Julian smiles proudly, stretching his leg under the table to gently touch Serena's leg.

Serena warns him with a look.

CHAD
(dissatisfied)
I know, I'm good for nothing!

Chad angrily throws his utensils down. The fork falls to the floor as he bends down to pick it up.

Serena, alarmed, pulls her leg away from Julian's touch.

CHAD (CONT'D)
(under the table)
Serena! What're you doing!?

51 INT. WILSON'S MANSION - DINING ROOM - DAY - CONTINUOUS 51

Serena sharply steps on Julian's toes, quickly pulling her foot back. Julian winces in pain, furrowing his brow.

CHAD
Did you just step on Mr. Harris!?

SERENA
(stammering)
I...

JULIAN
(quickly, covering)
The table's a bit low, I must have over extended my legs and stepped into her territory. It's really my fault.

Serena looks at Julian in surprise. At that moment, her phone buzzes. She looks down to check the message.

JULIAN (V.O.)
(teasing)
How are you gonna thank me for this?

Serena lifts her gaze. Julian smiles smugly at her.

52 INT. WILSON'S MANSION - BEDROOM - DAY 52

Serena sits in front of a dresser, removing her earrings by the window. Julian enters, closes the door behind him, and walks over to her.

SERENA
You shouldn't be in my room.

Julian leans in and wraps his arms around her waist.

JULIAN
(teasing)
Right, I shouldn't have slept with you either.

Julian gently brushes Serena's face with his fingers and lifts her chin.

JULIAN (CONT'D)
(smooth)
I've just made you happy, right baby?... What're you gonna do for me?

Julian leans in to kiss her. The sound of footsteps is heard from the hallway.

Serena looks toward the door, her eyes widening. Chad opens the door and steps inside.

CHAD
(stern)
Serena!

Chad freezes for a moment, scanning the room.

CHAD (CONT'D)
(confused)
Where is she?...

Serena, holding Julian, ducks behind the curtains, the two of them close together.

JULIAN
(whispers)
Let me kiss you. Or I'll surprise him.

Serena, gives Julian a dirty look, with no choice, wraps her arms around Julian's neck, closes her eyes, and tilts her head up.

EP. 23

53 INT. WILSON'S MANSION - BEDROOM - DAY 53

Serena looks nervous and impatient, her brow furrowed as she waits for him to kiss. Chad exits, and the door closes behind him.

Julian, seeing her expression, loses interest and pushes her away.

JULIAN
(annoyed)
It's just a kiss... Why do you make it so hard?

SERENA
(irritated)
I really don't have the mood for this today.

Serena starts to walk away. Julian grabs her shoulder, stopping her.

JULIAN
(frustrated)
I've been doing everything I can to please you. Everyone's been flattering you all day. What's the problem? Why are you always so miserable?

Serena, clearly annoyed, pushes him away.

SERENA
(coldly)
We're just sharing a bed. That's all. I don't want to share anything else with you.

Serena turns and walks out. Julian, frustrated, clenches his fist.

54 EXT. WILSON'S MANSION - FRONT DOOR - DAY 54

Serena, William, and Chad stand at the door, seeing Julian off.

JULIAN
(politely)
Thank you for the hospitality, Mr. Wilson.

WILLIAM
(nods)
You're too kind, Mr. Harris. See you next time.

Julian gets away but soon turns back.

JULIAN
(seriously)
Serena, I forgot to tell you something. Would you come over for a sec?

Serena, confused, walks over to him.

SERENA
(uncertain)
What is it...?

Before Serena can finish, Julian suddenly kisses her on the cheek.

Serena freezes, stunned.

EP. 24

55 EXT. WILSON'S MANSION - FRONT DOOR - DAY - CONTINUOUS 55

Serena looks around, panic in her eyes, glancing nervously at William and Chad.

William and Chad act unfazed, as if nothing happened.

JULIAN
(whispers, smirking)
I've got the perfect angle. They didn't see a thing.

Serena keeps up a forced smile, playing along for William and Chad.

SERENA
(cheerful)
I got it, Mr. Harris! Thank you for letting me know.

Just as she's about to leave, Julian grabs her arm again.

JULIAN
(whispers)
I can't wait for the day you kiss me first...
(looks at the sky, returning to normal voice)
Better head back inside. Looks like it's about to rain.

Julian leaves.

SERENA (V.O.)
Asshole!...

56 EXT. SERENA'S FAMILY HOME - DAY 56

~~The sound of rain increases, as raindrops fall on Serena's umbrella.~~

Serena holds a bouquet of flowers as she approaches a worn, old gate. The surroundings inside look abandoned, as if no one has lived there for a long time.

Serena notices that a bouquet of flowers has already been placed in front of the gate.

SERENA(V.O.)
(softly)
What's this...?

JULIAN
I knew you'd be here!

Serena turns, surprised, and sees Julian walking toward her, ~~holding an umbrella.~~

JULIAN (CONT'D)
You're upset on your birthday because it's only one day after your father's death anniversary, right?

Serena places the bouquet on the ground in front of the gate and lowers her umbrella, ~~shielding the flowers from the rain.~~

SERENA
Looks like you've done your homework.

JULIAN
If you won't share your feelings with me, I'll have to find other ways.

SERENA
But how? You seem to always know where exactly I am...

Julian steps closer, ~~tilting his umbrella towards her~~, smiling as he approaches.

JULIAN
Well, it just means we've got some secret connection. And I also know that you've already fallen for me, am I right?

EP. 25

57 INT. SERENA'S FAMILY HOME - DAY 57

Serena ignores Julian, even stepping ~~into the rain~~ to avoid him.

SERENA
(shouting)
Can't you just leave me alone?

Julian grabs her wrist, pulling her back ~~under the umbrella~~.

JULIAN
(pleading)
C'mon, haven't I been good to you?

Serena jerks her arm free, pulling away from him.

SERENA
Look! Marrying Chad is my father's will, and I have to do it in order to get my inheritance. He thought Chad was the best man for me, but he has no idea where that got me!

Tears well up in Serena's eyes, but she avoids looking at Julian.

SERENA (CONT'D)
Chad got another woman pregnant... I'm afraid my father is looking down from heaven, worried about me... I don't want look upset in front of his tomb! I'll never trust another man again.

Julian watches her, his heart breaking.

~~The sound of the rain intensifies. Julian wraps his arm around Serena's shoulders.~~

JULIAN
(softly)
Get in the car, I'll drive you home.

Serena pulls away, shaking her head.

SERENA
I'm not getting in. Who knows where you'd take me?

Apparently disappointed for her reaction, Julian wants to say something but stops and leaves off in frustration.

JULIAN
Then stand out here ~~in the rain~~, for all I care!

He walks a few steps, hesitates, then turns back. Without looking at her, he throws the umbrella at her feet and strides away.

Serena stands there, lost in thought, watching him walk off.

SERENA (V.O.)
(whispering to herself)
Can I trust him?

58 INT. HARRIS' CORPORATION - LOBBY- DAY 58

Serena looks up at a large photo of Julian on the screen, then glances down at the interview outline in her hand.

SERENA
(rolling her eyes)
Mr. Harris's ideal type? Who came up with these garbage?

Julian overhears what she's saying, stepping forward from behind.

JULIAN
(grinning)
Great questions!

59 INT. HARRIS' CORPORATION - LOBBY - DAY - CONTINUOUS 59

Serena pulls Julian to the side.

SERENA
(frustrated)
You agreed to the interview. Keep it professional.

JULIAN
(innocently)
I don't see anything wrong with the questions.

SERENA
(raises her voice)
You can't keep getting in the way of my work!

The others in the team looks up at her.

ASSISTANT
(clearly)
Honestly, Serena, Mr. Harris' got be the most cooperative interviewee I've ever seen.

Everyone else nods in agreement.

JULIAN
(smirking)
What's the issue with "my ideal type"? Is it bothering your love life?

Serena rolls her eyes and walks away.

60 INT. HARRIS' CORPORATION - CEO OFFICE - DAY 60

In the interview, Serena sits across from Julian, who is impeccably dressed. The team and photographer are gathered around.

SERENA
(half-smiling)
Alright, a few fun questions. Mr. Harris, what's your favorite color?

Julian glances at Serena's outfit.

JULIAN
(smirking)
I like the color of your outfit.

The TEAM MEMBERS chuckle lightly.

SERENA
(fake laugh)
That's funny, Mr. Harris... What is your ideal type of woman?

Julian leans back, smiling at her.

JULIAN
My ideal type?...Humm, black hair, tall, with a beauty mark on her nose. But most importantly, she's gotta have an incredible sense of pride.

The assistant looks toward Serena, hesitant.

ASSISTANT
(whispering)
Isn't that Serena?

Julian grins, looking at her.

JULIAN
(smiling)
Well then, Miss Rogers is my perfect type after all.

EP. 27

61 INT. HARRIS' CORPORATION - CEO OFFICE - DAY - CONTINUOUS 61

Serena stares at him in disbelief, slamming the interview script onto the desk.

JULIAN
(teasing)
I was just kidding. Miss Rogers is overly proper... I actually prefer women a little more... sexier.

The team snickers quietly. Serena forces a smile, crumpling the script in her hand.

62 INT. HARRIS' CORPORATION - CEO OFFICE - DAY - CONTINUOUS 62

The team packs up their equipment, exiting the office. Serena walks last, maintaining her professional demeanor as she briefly exchanges pleasantries with Julian.

SERENA
(pleasant, business-like)
Thank you, Mr. Harris, this has been very enjoyable. I look forward to working with you again.

As she turns to leave, Julian stops her, locking the door behind her.

JULIAN
(casually)
So when are you going to work with me, again?

Serena turns around, looking at Julian.

Julian suddenly lifts her into his arms and places her on his desk, leaning in for a kiss.

SERENA
(pressing her finger against his lips)
You prefer a sexy seductive woman, not a proper professional one like me, remember?

Julian caresses her leg slowly, sliding his hand under her professional skirt.

JULIAN
You're a sexy lady wrapped in a business suit.

Julian moves closer, their noses almost touching.

JULIAN (CONT'D)
(low, intense)
You're my ideal type. My dream woman.

They're about to kiss as the tension rises.

EP. 28

63 INT. HARRIS' CORPORATION - CEO OFFICE - DAY - CONTINUOUS 63

Suddenly, a knock on the door interrupts.

PHOTOGRAPHER (V.O.)
Mr. Harris, I left some equipment inside. Could you please open the door?

Julian scowls but keeps holding Serena close. He's about to kiss her again.

SERENA
(grinning)
We need to answer the door.

JULIAN
He can get lost!

Serena pushes him away with a grin.

SERENA
(smirking)
Oh, no no no. I'd like to see my ideal type!

Julian looks at her, confused.

JULIAN
What?

Serena leans in close, drawing her finger slowly down his chin to his Adam's apple.

SERENA
(teasing)
Big beard, tattooed arms, 200-pound muscle guy... not some well-dressed corporate guy.

She heads for the door, leaving Julian standing there, in frustration.

64 EXT. HARRIS' CORPORATION - DOWNSTAIRS - DAY 64

~~The team is in the car,~~ chatting animatedly about Julian.

TEAM MEMBER A
Mr. Harris is so hot!

TEAM MEMBER B
I didn't expect him to be so approachable. I love him!

The photographer looks uneasy.

PHOTOGRAPHER
(quietly)
But he gave me the dirtiest look earlier. What did I do wrong?

Serena smiles, stepping into the car.

SERENA
(enthusiastically)
I think you did a great job!

Serena's just about to sit next to the photographer, suddenly, Julian shows up and takes her by one hand, pulling her ~~from the car~~ and walks her to his own without a word. He yanks his car door open and tosses her into his car, slamming the door behind her.

SERENA (CONT'D)
(outraged)
What the hell?!!

Julian forces her to a corner, grabbing her chin.

JULIAN
(fuming)
Am I being too patient with you? Hmm?

EP. 29

65 INT. JULIAN'S CAR - DAY 65

The partition in the car slowly rises as the vehicle begins to move.

Julian, ignoring Serena's struggles, rips off his tie and uses it to tie her hands above her head.

SERENA
(mocking)
You sure have a lot of patience!

JULIAN
(darkly)
Stop testing my patience!

Julian leans in, forcefully kissing Serena. Serena struggles, her makeup becoming smudged. She bites his lip hard.

Julian pulls back in pain, glaring at her.

SERENA
You horny dick! Just like Chad! I swear to god I'll never fall for someone like you!

Julian pants heavily, noticing the red marks on her wrists. He leans forward again.

Serena braces herself, expecting another forceful kiss, but instead, Julian gently unties the tie.

JULIAN
Your hands...

Serena slaps him hard across the face.

SERENA
Let me out!

Julian touches his face and responds impulsively.

JULIAN
Fine! Get out, now!

66 EXT. THE ROADSIDE - DAY 66

Serena stands by the side of the highway as Julian's car drives off.

She looks around, then shouts at the car's retreating tail lights.

SERENA
(angry)
You piece of shit!!

67 INT. CAR - DAY 67

Julian rests his elbow on the car door, his face dark and silent, his fingers nervously tapping on his leg.

Martin glances cautiously at him through the rearview mirror.

MARTIN
Sir, the road is deserted, no taxi will come, and it's getting dark. Not safe out there.

Julian's hand stops tapping. He sighs, clearly frustrated.

JULIAN
(irritated)
Go back.

68 EXT. ROADSIDE - NIGHT 68

Julian worriedly scans the area but doesn't see Serena.

JULIAN
(urgently to Martin)
Split up and search!

Julian walks ahead while frantically dialing his phone, trying to reach Serena, but no one answers.

Two drunk men, leaning on each other, stagger past Julian.

DRUNK MAN A
(shouting)
That pretty girl earlier was something else!

DRUNK MAN B
(smirking)
Haven't had this much fun in a long time...

Julian freezes, his eyes widening.

JULIAN
(gritting his teeth)
Serena... God damn! I'm gonna rip your fucking head off!

Julian charges at drunk man A, punching him hard. Drunk man A collapses to the ground. Drunk man B runs away in terror.

Julian grabs drunk man A by the collar.

JULIAN (CONT'D)
(fiercely)
Where is she?! Tell me!

SERENA (V.O.)
(calling softly)
Julian?

Julian looks up, startled, as Serena stands up from a nearby stairway.

Julian rushes over, pulling Serena into a tight embrace.

JULIAN
(panicking)
Where have you been? Do you have any idea how dangerous it is? I thought you...

Serena shoves him away, pushing him forcefully.

SERENA
(angrily)
Did I choose to be here?! You left me here in the middle of nowhere! I've been waiting for a taxi for so freaking long! Do you even feel sorry at all?

Julian takes a deep breath, calming himself. He straightens his suit, a cool, arrogant look crossing his face.

JULIAN
(coldly)
This is who I am. If you want to leave, go ahead. But you know the consequences.

Serena looks at him in despair, slowly backing away.

SERENA
(softly, with finality)
Don't worry. I won't leave you. Because I was never really by your side.

EP. 31

69 INT. MAGAZINE OFFICE - DAY 69

Serena watches an interview video on her screen, lost in thought as she gazes at Julian.

COLLEAGUE A walks over to Serena's desk.

COLLEAGUE A
(enthusiastically)
Mr. Harris is such a heartthrob! You get to be so close to him, I'm envious!

COLLEAGUE B peeks over from their desk.

COLLEAGUE B
(supportively)
Thanks to Serena, that interview went so well!

Not far away, Bianca, visibly annoyed, crumples a piece of paper and throws it into the trash.

Serena pulls out a storage drive and hands it to colleague A.

SERENA
The footage and the final report are on this. Take it for backup, be careful not to lose it.

Colleague A walks past Bianca, who glares at the backup disk with resentment.

BIANCA(V.O.)
(seething internally)
If I can’t get something, nobody will!

Bianca stands up and follows colleague A.

70 INT. MAGAZINE OFFICE - CONFERENCE ROOM - DAY 70

Landon slams his fist on the table, his face red with fury.

LANDON
(yelling)
You idiots lost the interview materials?!

Bianca discreetly kicks Landon under the table.

Landon glances at Bianca, then immediately turns to Serena

LANDON (CONT’D)
(focused and angry)
If this isn’t resolved, Serena, your entire team can go. You’re all fired!

Landon storms off, fuming.

Bianca follows behind, smugly slamming the door as she exits.

Everyone in the room turns to look at Serena. Colleague A grabs her hand with a pleading expression.

COLLEAGUE A
(sincerely)
Serena, could you please ask Mr. Harris if he has time to reshoot the interview?

SERENA
(reluctantly)
I’m not exactly close with him... especially now.

On the other side, colleague B shakes Serena's arm, almost desperate.

COLLEAGUE B
(pleading)
I really can’t lose this job, Serena.
Pleaaase!

Under the intense gaze of her colleagues, Serena sighs and takes out her phone to call Julian.

The phone rings and rings, but there’s no answer.

SERENA
(frustrated)
He’s not picking up. I have no...

Suddenly, the phone picks up.

JULIAN(V.O.)
(softly)
Serena?

EP. 32

71 INT. MAGAZINE OFFICE - CONFERENCE ROOM - DAY - CONTINUOUS 71

Serena stands still, uncertain, glancing at her colleagues who wait anxiously.

71A JULIAN (V.O.) 71A
(on the phone, curt)
Speak.

71B SERENA 71B
(professional)
Hello, Mr. Harris. It was such a pleasure working with you last time.

CUT TO

72 INT. HARRIS’ CORPORATION - CEO OFFICE - DAY 72

Julian sits behind his desk, adjusting his glasses, a sly smile playing on his lips.

JULIAN
(remembering)
I recall we didn’t exactly part on the best terms last time.

CUT TO

72A Serena grits her teeth, her hands clenched, but she forces a 72A
polite smile.

SERENA
(sweetly)
I was wondering if you have time to reschedule the interview?

72B JULIAN(V.O.) 72B
(immediately)
Again? My schedule is full. But if you beg me, I might...

72C Serena can't hold back any longer. She slams her fist onto the 72C
table.

The room falls silent, everyone now looking nervously at Serena.

SERENA
(gritting her teeth, trying to smile)
Fine, let's meet in person and talk.

Serena presses her phone with force, angrily ending the call.

73 EXT. MAGAZINE OFFICE - NIGHT 73

Serena and her colleagues walk out of the building. They stop when they see Julian standing by his car, waiting.

COLLEAGUE A
(whispering excitedly)
It's Mr. Harris! He's here to see you!

Colleague A eagerly grabs Serena's arm, trying to pull her toward Julian, but Serena resists, leaning back.

SERENA
(annoyed)
Wait... wait!

They reach Julian. Serena, visibly displeased, refuses to look at him.

Julian greets everyone with a gentlemanly smile.

JULIAN
(sincerely)
It's a pleasure to see you all.
(opens the car door) Now, Serena and I will be on our way.

The colleagues eagerly push Serena into the car.

Julian enters the car, closing the door behind him. His charming smile turns into a mocking one. He drapes his arm along the backrest, trapping Serena beside him.

JULIAN (CONT'D)
(smiling darkly)
Serena, you're in my hands again.

EP. 33

74 INT. JULIAN'S CAR - NIGHT 74

The car drives on, the partition rises, separating the front and back seats.

Serena glances coldly at Julian, then begins unbuttoning her shirt, preparing to disrobe.

SERENA
Fine. Whatever you want.

Serena unbuttons her shirt with a sharp motion, revealing a lacy bra. She tosses the shirt at Julian and reaches for the waistband of her skirt.

Julian catches her hands, his gaze lingering on her body.

JULIAN
Don't get me wrong— I'd love to have dinner with you like this, but I doubt the restaurant lets in naked women.

He drapes her shirt over her shoulders and sits upright, eyes fixed forward.

SERENA
(confused)
Are we not going to...?

Julian tugs at the edge of her shirt.

JULIAN
(voice low and teasing)
If you'd rather going to a hotel, I'm more than happy to accompany...

Serena yanks the shirt free from his grip, glaring at him.

SERENA
Restaurant sounds much better!

75 INT. RESTAURANT - NIGHT 75

Serena and Julian sit together at a candlelit dinning table in the restaurant.

JULIAN
This wine’s pretty good. Try it.

Serena remains motionless, her suspicion palpable.

SERENA (O.S.)
Is he trying to get me drunk?

Julian notices her stiff demeanor.

JULIAN
Don’t you like the food?

SERENA (O.S.)
Did he drug the food?

Serena pushes her utensils aside, visibly agitated.

SERENA (CONT’D)
What exactly is going on here? You must have some kind of agenda, right?

JULIAN
Agenda?

Julian slides his plate of steak in front of Serena.

JULIAN (CONT’D)
We’ve always ended up in bed together, but never actually had a meal. I just wanted to have dinner with you, if that’s OK with you.

76 INT. RESTAURANT - NIGHT - CONTINUOUS 76

Serena looks at him skeptically.

JULIAN
We’ll redo the interview after this meal.

SERENA
Is it really that simple?

Julian gestures to the food in front of her.

JULIAN
It’s that simple.

Serena finally picks up her utensils and starts eating.

77 INT. RESTAURANT - NIGHT - LATER 77

The dinner is almost finished.

JULIAN
If you like do the interview again, come to my house tomorrow-- and come alone.

SERENA
(shocked)
To your house?!

Julian laughs, enjoying her reaction.

JULIAN
I only promised to redo the interview after dinner. We didn’t specify where it’ll take place, did we?

Serena, frustrated, drops her forks on the table.

SERENA
I knew it wasn’t that simple! Sly piece of shit!

78 INT. HARRIS' MANSION - BEDROOM - DAY 78

The **MAID** leads Serena to Julian’s bedroom door. Serena is holding her camera bag.

MAID
Sir is waiting inside.

The maid leaves. Serena knocks on the door, but there’s no answer. She knocks again, more patiently this time.

JULIAN (O.S.)
Coming!

The door opens. Julian stands in a towel, his hair damp, water droplets sliding down his neck and dripping onto his abs.

Serena swallows awkwardly.

Julian grabs Serena’s arm and pulls her into his embrace.

JULIAN (CONT'D)
Perfect timing. Help me get dressed.

EP. 35

79 INT. HARRIS' MANSION - BEDROOM - DAY 79

Serena pushes Julian's chest, trying to get away from him, but he grabs her hand and moves it across his chest.

JULIAN
It's been a while since you last touched here.

He grabs her hand and moves it lower.

JULIAN (CONT'D)
And there...

Serena's hand brushes the edge of his towel. She immediately pulls her hand away, frowning as she walks to the wardrobe to pick clothes.

SERENA
I think you look better with some pants on!

She picks a pair of pants and throws them at him.

JULIAN
Sure! Will do.

Julian watches her with a teasing look, about to strip off the towel in front of her.

Serena, calm, opens her camera bag and takes out her camera, pointing it at Julian.

SERENA
Fine. As a reporter, I think I have a responsibility to show your true color to the public.

Julian pauses, then picks up the pants and walks toward the bathroom. As he passes her, he speaks.

JULIAN
You lens cap is on.

Julian enters the bathroom.

Serena lets out a relieved breath, patting her chest.

80 EXT. HARRIS' MANSION - BALCONY - DAY 80

Julian sits in a chair. Serena sits across from him, with the camera on the side.

SERENA
So, I still remember some of your answers from last time, I won't repeat the same questions, like your ideal type etc....

JULIAN
Then why not ask some new questions? Like if I have a girlfriend...

Serena, irritated, tosses the interview outline onto the table.

SERENA
Alright then, Mr. Harris. Do you have a girlfriend?

JULIAN
I don't have a girlfriend.
(looks at her intently.)
But I have a fiancée.

Serena leans back in her chair, slowly sitting up.

JULIAN
I first saw her when I was in high school. It was love at first sight...

82 EXT. ROADSIDE - DAY 82

Text: ten years ago

Julian's car is overturned. Covered in blood, his face unrecognizable, Julian is dragged by Serena to the side of the road.

Serena anxiously slaps his face.

Julian slowly opens his eyes, seeing Serena's face. He grabs her hand.

SERENA
The ambulance is coming. You'll be fine!

END FLASHBACK

83 EXT. HARRIS' MANSION - BALCONY - DAY 83

Julian stares at her face, a soft smile forming.

JULIAN
When she comes back to me, I'll ask her to marry me.

Serena stands up immediately.

SERENA
I'm not interested in your love life!

Serena puts away her camera.

SERENA (CONT'D)
(polite but distant)
Mr. Harris, thank you for your time. Goodbye!

Serena decisively leaves.

84 INT. MAGAZINE OFFICE - DAY 84

Serena, frustrated, throws her camera memory card onto the desk.

SERENA
What fiancé? I couldn't care less!

Her phone chimes with a message, followed by others' phones buzzing as well.

Serena takes out her phone, her eyes widening as she sees a news photo-- DIANA kissing Julian on the cheek.

85 INT. MAGAZINE OFFICE - DAY - CONTINUOUS 85

COLLEAGUE A
(Reading, surprised)
"Mr.
(MORE)

COLLEAGUE A (CONT'D)
Harris may be marrying Diana, the daughter of France's richest man!"
Is this for real?

COLLEAGUE B
Look! Diana looks so much like Serena!

The two colleagues gossip, leaning over to compare the photo with Serena.

COLLEAGUE A
Or, we can put it this way: Serena is really Mr. Harris' ideal type! So Mr. Harris' ideal type has always been her all along!

COLLEAGUE B
Serena, you're so close to Mr. Harris. Did you know about this?

Serena stands up unhappily, her chair scraping across the floor with force.

SERENA
How would I possibly know? I'm not close to him at all!

Serena clenches her teeth and storms away.

86 INT. MAGAZINE OFFICE - BATHROOM - DAY 86

Serena anxiously scrubs her hands, then looks up at her reflection in the mirror, recalling Julian's words.

JULIAN (V.O.)
My ideal type... Humm, long black hair, tall, with a beauty mark on her nose. And most importantly, she's gotta have an incredible sense of pride.

Serena wipes the mirror, the water stains blurring her reflection.

SERENA
(mockingly)
He's quite loyal, isn't he? The type of women he keeps in his bed has been so consistent!

87 INT. MAGAZINE OFFICE - BATHROOM - DAY 87

Serena's phone rings. She picks it up.

JULIAN (V.O.)
Serena, are you free tonight? I'd like to take you out to dinner with some friends. You—

SERENA
(interrupting, sarcastically)
Mr. Harris, that's very kind of you to take your bedmate out to dinner with friends! Unfortunately I won't have any appetite! Go enjoy yourself!

Serena hangs up immediately.

88 INT. COFFEE SHOP - DAY 88

Julian, confused, puts his phone away. **DIANA** sets down her wine glass, leaning forward with a hopeful look.

DIANA
Is she coming? I'd love to meet that girl who looks like me!

JULIAN
I have no idea what she's upset about.
(grumpily)
Whatever. I'm just a bedmate— who am I to expect anything from her?

Diana slams her hand on the table and stands up, shocked.

DIANA
What? You made no progress at all after three years? Julian Harris, your bad temper has completely wasted your good looks!

Diana grabs her glass and drinks a large gulp.

DIANA (CONT'D)
You really don't know how to work with girls! Good thing I'm back in town.
(smiling confidently)
Let me take care it for you!

89 INT. BAR - NIGHT 89

Serena sits at the bar, drinking away her frustration. She's already a little drunk. She finishes her drink and hands the empty glass back.

SERENA
(toward the bartender)
One more please.

As soon as she finishes speaking, a whiskey glass is placed in front of her. Diana appears next to her. Serena looks toward her as Diana enthusiastically greets her with a kiss on the cheek.

DIANA
Hi, I'm Diana, Julian's high school classmate!

SERENA
High school classmate...

Serena recalls Julian's words.

JULIAN (V.O.)
I first saw her when I was in high school. It was love at first sight...

SERENA
So, the woman Julian was talking about is you?

90 INT. BAR - NIGHT 90

DIANA
(surprised)
Julian mentioned me to you? He's got some conscience after all! I thought he'd forgotten all about me!

SERENA
He could never forget you.

Serena forces a bitter smile, lifting her glass.

DIANA
I've been wanting to meet you! Clearly Julian Harris is incapable to set things straight, but I can—

SERENA
(interrupting)
That's enough! I got you....

Serena finishes her drink in one gulp and slams the glass onto the table.

SERENA (CONT'D)
No need to say anything anymore. I know just how disgusting infidelity is! I know... I was a slut, but I'll never have anything to do with Julian Harris ever again... From now on, you don't need to worry about nothing!

Serena turns and leaves decisively.

DIANA
(confused)
What's that all about? What should I be worrying about?

91 EXT. OUTSIDE THE BAR - NIGHT 91

Julian's car parks outside. He and Martin wait inside. Julian impatiently taps his fingers on the car door.

MARTIN
Sir, if you're concerned about Miss Rogers, you could just give her a call.

JULIAN (V.O.)
(gruffly)
What does she have to do with me? I'm here to pick up Diana.

Just as he finishes speaking, Serena stumbles out of the bar. Julian quickly opens the car door and rushes over to support her.

JULIAN
What did you just do to yourself?

Serena, annoyed, pushes him away. She stumbles and falls to the ground. Julian reaches out to help her, but she pushes away.

SERENA
Don't touch me! I'll never fall for someone like you... Play whatever games you like! We're done! I'm leaving you for good!

EP. 40

92 EXT. OUTSIDE THE BAR - NIGHT 92

Julian stares at Serena in shock, sneering as he lifts her chin.

JULIAN
Done? Serena, you don't know what you're talking about! Do you like to see Wilson's company die? And you?... You better be sober when you speak to me.

Serena pushes Julian's hand away and struggles to stand up.

SERENA
I can't be more sober now.

Chad's car stops on the side of the road. Serena stumbles toward it. She turns back toward Julian, resolute.

SERENA (CONT'D)
If you do that, I'll make sure you never find me again. You can take my words!

Serena gets in a car and it drives off. Julian watches, anger flashing in his eyes, and punches the car door.

93 INT. CAR - NIGHT 93

Chad glances at Serena impatiently through the rearview mirror.

CHAD
(complaining)
Look at you! Just call me up whenever you need me?... Did you just piss off Harris? You want him to pull out his investment again?

Serena, frustrated, rolls down the car window. The cold wind messes up her long hair. She brushes it aside and covers her head.

SERENA
Take me to the villa in the suburbs...

CHAD
What? Do You have any idea what time it is?! I'm not gonna drive that far this late!

SERENA
I need some alone time... Take me there, or I'll tell William what you've done!

Chad, annoyed, hits the horn. The sharp sound of the horn fills the dark street as the car drives away.

94 INT. HARRIS' CORPORATION - CEO OFFICE - DAY 94

Julian listens to the phone call, his face dark.

JULIAN
Got it, thank you.

He hangs up the phone and angrily throws it onto the desk.

JULIAN (CONT'D)
Serena hasn't gone home, nor has she shown up at work. She's playing hide and seek with me!
(commands Martin)
Suspend all investments in Wilson's company. Let's see if she'd show up then!

EP. 41

95 INT. HARRIS' CORPORATION - CEO OFFICE - DAY - LATER 95

95A Diana calls Julian. 95A

DIANA
You better not do this! Are you in love with Serena, or with your damn pride?

Diana holds up her phone, showing Julian a news article. The headline features Julian and Diana in a scandalous kiss.

DIANA (CONT'D)
These a-holes turned a simple kiss into a tabloid story! Serena must've seen this and took it wrong. Do you really want to push her further away?

Julian swats Diana's hand away in frustration.

95B JULIAN 95B
But she's already gone missing!

95C DIANA 95C
Then go find her! If you can't, don't claim you love her anymore!

95D Julian slams his hands on the desk, deep in thought. Suddenly, 95D
an idea strikes him.

JULIAN (V.O.)
What if she went there?

96 INT. VACATION VILLA - LIVING ROOM - DAY 96

Serena, wrapped in a blanket, is lying on the couch, looking sick and asleep. Her phone rings. She picks it up.

CHAD (V.O.)
Serena, I'm really busy right now, I can't bring you medicine, sorry!

SERENA
(weakly)
I feel terrible...

97 INT. WILSON'S MANSION - DAY 97

Chad hangs up the phone.

JULIAN
You said you wanted afternoon tea from that café, so I drove to the city and brought some back for you. Get up and enjoy!

100 INT. VACATION VILLA - LIVING ROOM - DAY 100

How do you feel?

101 INT. VACATION VILLA - LIVING ROOM - DAY 101

Serena, still groggy, reaches up and touches Julian's face.

SERENA
Julian… thank you... I like anything you got me.

She closes her eyes again, her hand falling weakly to her side.

JULIAN
Serena!

Julian picks her up, rushing to carry her to the bedroom.

102 INT. VACATION VILLA - BEDROOM - NIGHT 102

Various fever medications scattered around the bedside.

Julian checks Serena's temperature with a thermometer, frowning as he sees it's dangerously high. He picks up a wet towel and gently wipes her face.

SERENA
(in her sleep)
Julian...

Julian leans in close to her.

JULIAN
I'm here.

SERENA
We're...done...

Julian, looking heartbroken, drops the towel and sits on the floor beside the bed.

JULIAN
Do you have to keep breaking my heart?

103 INT. VACATION VILLA - BEDROOM - MORNING - LATER 103

Julian, exhausted, is slumped over the edge of the bed, asleep.

Serena slowly opens her eyes, looks around, and spots Julian sleeping.

SERENA (V.O.)
He was here... the whole night?

She sighs, reaches for the jacket draped over the bed, and covers him with it. Suddenly, Julian stirs and wakes up.

Serena jumps, quickly throwing the jacket aside, it falling to the floor.

Julian glances at her, then at the jacket on the floor.

JULIAN
You just wake up and throw my clothes on the floor?

Serena, momentarily embarrassed, turns away, coldly lying back down and facing away from him.

SERENA
You can leave now. Take your clothes and go.

104 INT. VACATION VILLA - BEDROOM - DAY 104

JULIAN
You couldn't even say thank you?

Julian extends his hand to lift the blanket off of her face.

Serena, frustrated, throws off the blanket and sits up.

SERENA
Thank you for taking care of me all night. Now, can you leave?

JULIAN
Is it really that terrible to see me?

Serena coughs as she gets out of bed, drinking a large glass of water, still facing away from Julian.

SERENA
Sleazy like Chad, I don't like to look at either of you right now.

Julian, enraged, turns his back and puts on his coat.

JULIAN
Fine! I was only here to check if you were dead. Too bad you can still talk shit!

Julian storms out.

105 EXT. VACATION VILLA - DAY 105

Julian slams the door behind him and storms off but stops suddenly after a few steps. He recalls Diana's words.

DIANA(V.O.)
Are you in love with Serena, or just your damn pride?

Julian hesitates, glancing back at the villa.

JULIAN(O.S.)
Am I being too impulsive?

106 INT. VACATION VILLA - LIVING ROOM - DAY 106

Serena stands by the window, swallowing two medicine pills, then hesitates as she looks toward the door.

SERENA(V.O.)
Am I being too harsh?...
(shakes her head)
No, he's engaged. I shouldn't be tangled up in this anymore.

Suddenly, there's a knock on the door. Serena freezes, hesitating before walking toward the door, gripping the handle.

107 INT. VACATION VILLA - LIVING ROOM - DAY 107

Serena opens the door to reveal a Wilson family driver holding a suitcase, greeting her politely with a smile.

SERENA
What're you doing here?

DRIVER
Miss, a cold wave is coming, Mr. Wilson is concerned about you. ~~He sends me to bring you some heating supplies.~~

Serena, vaguely disappointed, nods and lets him in, closing the door behind him.

108 INT. VACATION VILLA - LIVING ROOM - NIGHT 108

The fire crackles in the fireplace.

Serena, wrapped in a blanket, sits in the sofa, sipping hot tea while watching TV.

REPORTER (V.O.)
~~A cold wave is moving in, and temperatures are expected to drop to -4°F tonight...~~

Serena gets up to close the curtains, noticing a car parked outside with its lights on. She leans in closer to the window, shielding the light with her hand, then takes out her phone and calls Julian.

109 INT. JULIAN'S CAR - NIGHT 109

Julian, shivering in the driver's seat, answers the phone.

SERENA (V.O.)
Where are you right now?

JULIAN
(stuttering)
I...Uh...I'm at home, hanging out with some friends. We just finished dinner and are sitting around, having some drinks, yeah, kinda nice and warm inside.

SERENA
You may leave when you're warm enough.

Julian, still wrapped in the blanket, glares at her for a moment before turning his attention to the fireplace.

She sets the cup down and stands up.

SERENA (CONT'D)
Since you're getting married, stop cheating on her! I'll never do what Bianca did. So, get over it!

This isn't betrayal because you ARE my fiancée!

Stop talking nonsense! What about Diana...?

Julian walks over to Serena, sincerely holding both of her shoulders.

JULIAN (CONT'D)
Do you remember ten years ago, when you saved someone in a car accident?

SERENA
Hold on... That was...mine?… I can't recall how I lost it at all...

JULIAN
But I've always remembered.

Julian gently takes Serena's hand and slips the ring onto her finger.

JULIAN (CONT'D)
Serena, I've loved you for so long— longer than you realize. If you can't accept the love of a kept man, can you accept the love of someone who's been secretly in love with you for ten years?

Serena, at a loss for words, pulls her hand away.

SERENA
I... I don't want to hear all this. It's time for you to leave.

Serena picks up his jacket and car keys from the table and throws them at him.

Julian catches the items and hesitates before turning to leave.

JULIAN
I'll wait in the car for your answer. If you don't come by dawn, then... we're done.

120 INT. VACATION VILLA - BEDROOM - NIGHT 120

Serena tosses and turns in bed, then sits up uneasily and reaches for a glass of water on the nightstand.

Beside the glass, various types of fever medicine are scattered.

Julian sighs and rubs his face in disappointment.

JULIAN (V.O.)
Alright. I guess it's over.

Julian grabs his jacket in frustration and opens the car door, stepping out. He suddenly stops when he sees a plate of breakfast including a steaming cup of coffee resting on the front hood of his car. Julian freezes, a surprised smile spreading across his face. He rushes toward the house.

Julian leans in playfully, their noses almost touching.

JULIAN
I promise. Now...can I kiss you again?

Before he can move closer, the door bursts open. Serena quickly shoves Julian away. He stumbles into the coat rack by the door, wincing in pain.

DIANA
The door wasn't locked...

JULIAN
Diana! Terrible timing!

Ignoring Julian, Diana loops her arm around Serena's with a bright smile.

DIANA
Now that all the misunderstandings are cleared up, Serena, will you be my friend? I'd love to have someone to go shopping with!

SERENA
(shy, smiling)
Sure, why not?

125 EXT. VACATION VILLA - DRIVEWAY - DAY 125

DIANA
Serena, did you know that the first time Julian saw me at school, he thought I was you and chased my car like a lunatic? It was hilarious!

Julian trails behind them, trying to cut in but failing.

DIANA (CONT'D)
This silly man put away all his pride in front you.

SERENA
(With a small smile)
Is that right?

Serena steps into one of the cars. Julian hurries into the same one, blocking Diana from getting in.

JULIAN
That's yours, Diane.

The cars pull away. As they drive off, ~~Chad's car approaches and narrowly avoids colliding with them.~~

SERENA
(in low voice)
Let's talk outside.

Chad pulls his arm free, his voice rising.

CHAD
I didn't bring you any medicine, where did the man's jacket come from?!

Serena points behind him. Chad turns just as William slaps him across the face.

WILLIAM
Why didn't you bring her any medicine— where the hell were you?!

Chad stumbles, clutching his cheek, stammering.

CHAD
I...I went...

SERENA
(coldly)
He was at BIANCA's house. He was busy with his pregnant mistress.

SERENA
Wow, this is just like my room back home— the one I grew up in.

She picks up a vintage film camera from a shelf.

SERENA (CONT'D)
An antique camera! I was obsessed with these in college.

Julian steps beside her.

JULIAN
That was back when you were a freshman.

Serena looks puzzled and sets the camera down. Her eyes land on a cute pajama set on the bed, and she laughs softly.

SERENA
I haven't worn something like this in years...not since...

Her smile fades.

SERENA (CONT'D)
...since my dad passed away and I married Chad.

Julian wraps his arms around her from behind, holding her gently.

JULIAN
From now on, this is your home. You can wear whatever you feel like.

SERENA
How come you know me so well? Almost like my how dad did.

Julian sits on the edge of the bed, looking up at her.

JULIAN
Because you're the love of my life, I'm willing to do anything to learn about you.

Serena grins mischievously, trailing her finger along his jaw and hooking it under his chin.

SERENA
Even be my sugar baby?

Julian smiles, nodding.

JULIAN
That's right. I'm the one who knows you the best.

Serena leans in close, her lips brushing his.

SERENA
You still don't know me enough.

She kisses him passionately, pushing him onto the bed. Julian rolls over, pinning her beneath him.

JULIAN
Serena, do you know what it means to sleep with me? I don't just want your body—I want your heart too, I want all of you.

Serena wraps her arms around his neck, pulling him closer.

SERENA
But my heart has been with you all along.

EP. 52

133 INT. HARRIS' MANSION - SERENA'S ROOM - DAY - CONTINUOUS 133

SERENA
Three years of relationship, I have to admit that I do have feelings for you... But you've done some things that are really hurtful...I just couldn't fall for a jerk.

Julian smiles in surprise and sits up, pressing a hand to her shoulder.

JULIAN
So you've actually fallen for me, just didn't want to admit it? God...what have I done?

SERENA
Everything a jerk would do!

Serena suddenly embraces him, her voice softening.

SERENA (CONT'D)
But also everything a lover would do.

They kiss deeply, falling back onto the bed.

JULIAN
Serena, I'll love you with all my heart...

134 INT. HARRIS' MANSION - SERENA'S ROOM - DAY - LATER 134

Morning light filters in. Serena, in her cute pajamas, lies in Julian's arms as the phone rings. She groggily answers.

CHAD (V.O.)
Where the hell are you? Damn it! You're with him again, aren't you?!

Serena sits up, fuming.

SERENA
Let me just make this clear- I didn't go home last night, and I won't be going back tonight— or ever! I never want to see your damn face again!

She hangs up, furious. Julian, shirtless and lazy, rests his chin on her shoulder.

JULIAN
Don't let the idiot ruin the mood.
(kisses her cheek)
How about we go out and have some fun?

135 INT. HARRIS' MANSION - SERENA'S ROOM - DAY 135

Serena sits on the edge of the bed, speaking to Julian.

SERENA
We can't go public with this. William can't be more upset right now.

Julian laughs and pulls her into his arms.

JULIAN
Don't worry. The place we're going… (covers her eyes playfully) no one will recognize you.

136 INT. BAR - NIGHT 136

The bar door swings open. Loud music and bright lights fill the space.

Serena, wearing a cat-woman mask that covers the top half of her face, enters with Julian. She's in a strapless black mini-dress, her makeup bold. Julian, also masked, holds her arm as they walk through the crowd of masked revelers. The room goes silent, eyes turning to her.

A nearby GUEST whispers to his friend.

GUEST A
Damn, look at that nice ass!

Julian quickly drapes his coat over Serena's shoulders, pulling her close possessively. The coat covers her thighs.

SERENA
You gotta manage that possessiveness.

JULIAN
They better manage their eyes.

ANDREW, dressed in an exaggerated outfit, approaches and pulls off Julian's mask, laughing in surprise.

ANDREW
Here's the anti-social guy! Julian!
You finally made to my party!

Andrew's eyes widen as he looks at Serena.

ANDREW (CONT'D)
Whoa! Is this your girlfriend? I never knew you had a woman! Come on, introduce her!

Julian pulls Serena closer, blocking Andrew's view.

JULIAN
No introduction needed. She's MY mysterious little wildcat.

137 INT. BAR - NIGHT 137

Andrew steps closer to Serena, leaning in to whisper.

ANDREW
Hey, did you know? This guy never had a girlfriend. I swear, he might be gay. Watch out.

Serena laughs, gives him a wink. Julian quickly grabs her hand and pulls her away from Andrew.

They pass a table where Chad, unmasked, is drinking with friends.

GUEST B
Come on, man! Don't let your wife's affair ruin your night!

Chad slams his glass down angrily.

CHAD
How can I enjoy myself when my wife is cheating on me?!

Chad storms off.

138 INT. BAR - SECOND FLOOR - NIGHT 138

Serena and Julian sit at the railing, watching the crowd below. Serena nudges Julian with her elbow, grinning.

SERENA
(teasing)
I can see you make a good gay partner, Mr. Harris... You waited for all these years, you must love someone a lot!

Julian chuckles, leaning closer. He traps her in his arms, holding the chair's armrest.

JULIAN
Yeah, I sacrificed so much for you. How are you gonna make up in bed tonight, huh?

Serena looks around nervously.

SERENA
Too many people here. You better not—

Julian cuts her off with a kiss.

139 INT. BAR - SECOND FLOOR - NIGHT - CONTINUOUS 139

Two passersby laugh and chat as they walk by. Serena hurriedly pushes Julian away.

SERENA
I don't want anyone spot us here... There's a hotel nearby. How about we...?

Julian kisses her hand.

JULIAN
Wait for me outside. I'll go get the car.

Julian leaves.

140 EXT. OUTSIDE THE BAR - NIGHT 140

Serena steps out and bumps into Chad, who is smoking. They freeze in surprise.

Chad stares at her, shocked.

CHAD
You...

Serena thinks quickly.

SERENA (V.O.)
Oh no! What is he doing here?!

Chad looks her over, not recognizing her through the mask.

CHAD
You're gorgeous. How about a drink, sweetie?

SERENA(V.O.)
I'm wearing a mask— he can't recognize me!

Serena quickly turns away, but Chad blocks her path.

CHAD
Come on baby, let's have some fun... If you're in the mood for something more, I'm in.

SERENA(V.O.)
Bastard!

Serena clears her throat, responding sharply.

SERENA
Get lost! My boyfriend is waiting for me!

As she tries to walk away, Chad grabs her wrist.

CHAD
That’s OK... Let me show you some more excitement than a boyfriend, huh?

Chad starts dragging her in the opposite direction. Suddenly, Julian appears and kicks Chad to the ground.

141 EXT. OUTSIDE THE BAR - NIGHT 141

Julian grabs Chad by the collar and punches him several times.

JULIAN
Are you trying to knock up another woman!? Keep your dick in check, or you might lose it very soon!

Chad, bloodied, struggles to sit up.

CHAD
Wait a minute... You seem to know a little too much! Who the hell are you?!

Serena quickly pulls on Julian's arm.

SERENA
(whispering)
That’s enough, or...

Julian pulls Serena into the car and drives away.

142 INT. HOTEL - HALLWAY - NIGHT 142

~~Julian's car stops in the underground garage. Serena, sitting in the passenger seat~~, removes her mask, looking at Julian.

SERENA
You don't need to get so worked up over some jerk.

JULIAN
I don't understand what's the big deal for him to know. What's there to fear from an idiot like that!?

Serena hugs Julian's arm, resting her head on his shoulder.

SERENA
If he finds out, he'll definitely tell William. William's angry enough right now.

Julian listens, strokes Serena's arm.

JULIAN
(with a bit jealousy)
The bastard touched your arm earlier!

Serena smiles and raises her arm, brushing it against his lips.

SERENA
Now this arm is all yours!

Julian finally smiles and, with a swift motion, pushes Serena down onto the ~~passenger seat~~ **WALL.**

JULIAN
Is it just your arm that belongs to me?

He touches her face, brushing his fingers over her lips.

JULIAN (CONT'D)
Your face, your lips, they're all mine.

He kisses Serena passionately.

Just then, ~~a sharp car horn blares~~, **a thud of the door.** And Serena quickly pushes Julian away.

SERENA
(panicked)
Shit! We've been spotted!

Julian quickly embraces Serena as they hide, peeking ~~from the car window.~~

JULIAN
Ohhh, we’re not the ones who got caught.

Serena, wide-eyed, stares at the scene ~~outside the car.~~

Not far away, Landon is ~~sitting in the driver’s seat~~ while Bianca straddles him, both passionately kissing. Bianca’s body arches back, pressing against ~~the steering wheel~~. ~~A sharp car horn blares again.~~ **The door of room 603.**

SERENA
(shocked, covering her mouth)
Oh my god! It’s Bianca!

JULIAN
(jokingly)
Looks like she’s bolder than you.

Serena quickly pulls out her phone, switching to camera mode and snapping photos of the couple.

SERENA
If Chad sees this, he’s going to flip!

She snaps several photos rapidly.

Julian looks at the pictures on Serena's phone, thoughtfully.

JULIAN
Why don’t we do the same?

144 INT. WILSON'S MANSION - CHAD'S BEDROOM - DAY 144

Empty bottles are scattered across the floor, and wine spills have formed a puddle. Chad, bruised and battered, lies passed out on the bed with a bottle in his hand. Suddenly, his phone rings, waking him up. He groggily reaches for his phone.

Chad opens the message, his eyes widening in anger as he curses loudly and sits up.

CHAD
(looks at the phone screen, angrily)
Fucking bitch!

The screen shows the pictures of Bianca and Landon in an intimate positions, with words written in red on top of a picture.

Bianca and Landon, both shocked, sit up on the bed. Bianca screams and covers herself with the blanket.

Chad punches Landon, knocking him down, then slaps Bianca across the face.

CHAD
God damn, you slut! How dare you crawl into someone else's bed while carrying my child!?

BIANCA
(stumbles in panic)
I had to do it for my job...for Serena!

Chad's angry shouting and Bianca's screams echo throughout the room.

Serena and Julian, hiding outside the room, listen in, stifling their laughter.

CHAD (V.O.)
I'm breaking up with you, bitch!

Chad yells loudly, and the sound of heavy footsteps can be heard.

146 INT. HOTEL - HALLWAY - DAY 146

Serena pushes Julian into a corner of the hallway. In her panic, she accidentally kicks a flowerpot, causing it to rattle.

Chad hears the noise and steps out of the room to check. He looks to the left, where Serena and Julian are hiding.

CHAD
Who's there?

Julian and Serena, hiding behind a wall, holding their breath as Chad steps closer.

Suddenly, the elevator dings.

Chad stops, turns around, and walks quickly toward the elevator at the end of the hallway.

Serena breathes a sigh of relief.

SERENA
Thank God, he's finally gone.

Julian suddenly kisses her, pushing her back as they retreat from the corner.

Chad, now facing the elevator, stops suddenly as his eyes widen.

In the elevator's reflection, he sees Serena and Julian kissing behind him.

CHAD
(furious, turning around)
Serena!

Serena quickly pushes Julian away.

147 INT. HOTEL - HALLWAY - DAY 147

Chad storms down the hallway, shouting angrily as he approaches Serena.

CHAD
You filthy whore! You all betrayed me!

Chad raises his hand, about to strike Serena. Julian steps in front of her and blocks the hit, slapping Chad hard in return.

JULIAN
You're well deserved, asshole!

Julian pulls Serena behind him, standing protectively.

JULIAN (CONT'D)
Serena is mine. Think twice if you dare to do anything to hurt her again!

Chad stumbles back, fear flashing across his face, but he still raises his voice defiantly.

CHAD
Serena is my wife! And listen up— no matter what, I'll make sure we stay married, even after the 3rd anniversary!

JULIAN
I guarantee you won't live to see that day. Neither you nor your family.

Chad, trying to hold onto some semblance of control, points a shaking finger at Serena.

CHAD
Serena, you gonna regret on this!

With that, Chad storms off, seething with anger.

Julian immediately turns around and embraces Serena, comforting her.

JULIAN
Serena, are you okay? It's over now.

Serena pushes Julian away, looking at him calmly.

SERENA
I'm not scared. But did you set this up, Julian? You wanted Chad to find out about us, don't you?

Julian avoids her gaze, guilty.

Serena steps forward, cupping his face in her hands and making him meet her eyes.

JULIAN
(sighs)
Fine. I did it on purpose. I get that you don't want to make William angry, but he has to know sooner or later.

Serena hesitates for a moment before slowly letting go of his face.

SERENA
William has always been good to me. He's gonna be so mad...

Julian firmly takes her hand, his eyes full of determination.

JULIAN
I'll be with you. We're together on this.

Serena enters the living room, holding Julian's hand. Chad and William are already there. As soon as Chad sees them, he stands up, pointing at Serena with fury.

CHAD
Look at her! She actually brought her lover home! Dad, this is the "good girl" you've been talking about all the time!

WILLIAM
Shut up.

William silences Chad with a sharp glare and steps toward Serena.

Serena bites her lip, glancing at Julian before speaking with newfound resolve.

SERENA
William, Julian Harris is now my boyfriend, and I love him.

William's face darkens as he walks closer to Serena. Julian instinctively steps in front of her, protective.

WILLIAM
Mr. Harris is a good man. I support you in divorcing Chad.

Chad stands frozen, sinking back down onto the couch, stunned.

Serena steps forward and wraps her arms around William.

SERENA
(with tears in her eyes)
I'm sorry.

WILLIAM
Don't apologize. I have always treated you as my daughter. I just want you to be happy.

William pats her back gently. They separate.

Julian quickly grabs Serena's hand and wipes away her tears.

JULIAN
Mr. Wilson, don't worry, I will take good care of Serena.

149 INT. MARRIAGE REGISTRATION OFFICE - DAY 149

TEXT: TWO MONTHS LATER.

Serena smiles brightly, holding her divorce papers as she rushes into Julian's arms.

SERENA
I'm finally free!

Julian, a bit nervous, pulls her hand and suddenly drops to one knee in front of her, holding out a ring.

JULIAN
Serena, will you marry me?

Serena looks around, a little embarrassed by the attention of the onlookers.

SERENA
(laughing nervously)
Are you serious? Right here, right now??

JULIAN
I've waited for ten years. I can't wait another second. Serena, will you marry me? If you say "yes", we'll go straight to the notary and get registered right away!

Serena smiles, touched and happy, and hugs him tightly.

SERENA
I will.

Julian lifts her up in his arms, overjoyed.

JULIAN
This is amazing! The notary's office is right next door!

Julian carries her, and they both laugh as they rush toward the door, happy and in love.

END.
