EPISODE 1 *

INT HONEYMOON SUITE - DAY *

The atmosphere is romantic and sensual. Adam Dawson (27) in his white wedding suit, holds the hand of Phoenix Blunt (27) in her wedding dress. They rush into the honeymoon suite, close the door, and start kissing passionately.

He takes off her wedding dress, revealing her sexy white lace lingerie. She takes off his suit jacket. He rips off his tie. He lifts her up, and her legs wrap around his waist. He carries her, still kissing, towards the table with a delicate, candlelit dinner on a velvet tablecloth.

He sweeps the dinner off the table and places her on it. She tears his shirt open, buttons popping. He removes his shirt, showing off his muscular back. He grabs her thighs, pulling her to him. Her hips slide to the edge of the table. Their bodies press together as they continue to kiss. His hands leave marks on her thighs. Her hands are on his chest and abs. He kisses her shoulder, her collarbone, and continues to kiss lower and lower. She leans back, using her hands to support herself. His head disappears between her legs. Her feet are on his shoulders and back, and her face shows an expression of pure pleasure. Her hands grip the velvet tablecloth.

PHOENIX (VO)
I hid the fact that I'm the daughter of the world's richest man and gave up my painting career to marry Adam. I just wanted our love to be pure.

INT ART GALLERY - DAY *

Subtitle: Five Years Later - Art Exhibition

Phoenix (32), now 15 weeks pregnant, stands in front of a giant oil painting called "True Love." She's wearing a white dress and is stroking her belly with a happy smile on her face.

PHOENIX (VO)
Adam is finally coming back after being away for three months on a business trip. I can finally tell him that I’m 15 weeks pregnant with twins!

A young man and a woman walk over and stand next to Phoenix, carefully looking at the painting.

YOUNG WOMAN
Is this the painting "True Love," the one that won the top art competition, Muse, five years ago and sold for two billion dollars?

Phoenix listens to their conversation.

YOUNG MAN
That's right. The artist, Angel, is a once-in-a-century genius in the history of oil painting. But after finishing "True Love," she retired.

Issac Knight (30, Phoenix's childhood friend) walks over and hears their conversation as well.

YOUNG WOMAN
What a shame. I hope I can see Angel participate in the Muse competition again in my lifetime.

The young couple walks past Phoenix and leaves. Issac walks up behind her.

ISSAC
Did you hear that? Everyone is waiting for you to come back, Angel.

Phoenix turns around, sees Issac, and smiles.

PHOENIX
I'm a full-time housewife now, Mrs. Dawson. I'm not the painter Angel anymore. You know that.

Issac is displeased when he hears Phoenix mention Adam.

ISSAC
He's not worthy of being your husband anyway! Couldn't even bother to come with you for the art show—on your birthday!

PHOENIX
He’s always very good to me. He's just too busy with work. He said he’d come pick me up.

Phoenix's phone rings. She excitedly answers.

PHOENIX (CONT’D)
Adam, are you here?

ADAM (VO)
(Coldly)
I can't come pick you up. Just go home by yourself.

Phoenix's smile disappears, and she freezes. She puts away her phone, looking disappointed and embarrassed.

PHOENIX
I have to go. I still need to prepare dinner for Adam.

With that, Phoenix turns and quickly leaves. Issac reaches out a hand, but stops himself. He looks at Phoenix's retreating back with a pained expression.

ISSAC (VO)
I hope the sacrifices you've made for Adam are worth it.

INT DAWSON'S MANSION - UPSTAIRS, NIGHT *

Phoenix walks up the stairs and just reaches the second floor. Miranda Collins (30, Adam's ex-girlfriend) and Jake Collins (7, Miranda's son) block her way on the stairs.

MIRANDA
(Arrogantly)
Nice to meet you, Phoenix, right?

Phoenix assumes they are guests but is annoyed by their rudeness.

PHOENIX
Are you Adam’s guests?

Miranda doesn't answer but smiles smugly.

JAKE
(Arrogantly)
We're not guests, we're the owners of this house. Adam Dawson is my daddy.

Jake makes a face at Phoenix. Phoenix is shocked.

PHOENIX
What did you just say?

EPISODE 2 *

MIRANDA
It looks like Adam hasn't told you about the divorce yet.

PHOENIX
Divorce?

MIRANDA
I'm Adam's first love, and Jake is his biological son. We were separated for eight years after I lost my memory. Now we're back...

Miranda moves closer to Phoenix.

MIRANDA (CONT'D)
So now there's no place for you in this house. *

Miranda violently shoves Phoenix down the stairs. Phoenix tumbles down. *

INT DAWSON'S MANSION - DOWNSTAIRS, NIGHT *

Phoenix lies at the bottom of the stairs, unable to get up. She clutches her belly, desperately crying for help.

PHOENIX
Help! Help!

Miranda and Jake walk down the stairs. Miranda viciously steps on Phoenix's stomach. Phoenix screams in agony.

MIRANDA
I saw the ultrasound report in your room. Twins, huh? Adam doesn't know yet, does he?

PHOENIX
No! Stop it! Please!

MIRANDA
You stole my man while I was gone! I won't let your babies steal my son's father!

Miranda stomps even harder. The front door opens, and footsteps are heard. Miranda looks toward the door.

INT DAWSON'S MANSION - FRONT DOOR, NIGHT *

Adam opens the door and walks in.

EPISODE 3 *

INT DAWSON'S MANSION - DOWNSTAIRS, NIGHT *

Miranda quickly smashes her forehead against a nearby table. The table falls over. She collapses to the floor, blood flowing from her forehead, and she starts screaming.

MIRANDA
Help! Adam! Help!

INT DAWSON'S MANSION - FRONT DOOR, NIGHT *

Adam, hearing the cries for help, runs toward the stairs in a panic.

INT DAWSON'S MANSION - DOWNSTAIRS, NIGHT *

Adam rushes over and sees both Phoenix and Miranda lying on the floor, looking pained. He hesitates, unsure who to help first. Miranda pretends to be weak.

MIRANDA
Adam, help me...

Phoenix reaches out her hand to Adam, begging for help.

PHOENIX
Adam, my stomach hurts so much...

Adam instinctively reaches for Phoenix's hand. Their hands are about to touch but don't. Jake rushes over and grabs Adam's hand, which was reaching for Phoenix.

JAKE
She faked the fall! She pushed mommy down the stairs! Daddy please, help mommy!

Jake drags Adam over to Miranda. Miranda acts pitiful.

MIRANDA
My leg hurts so badly.

Adam immediately picks Miranda up and starts to carry her away. Phoenix grabs his ankle, weakly trying to explain.

PHOENIX
I didn't push her.

Adam angrily kicks Phoenix's hand away.

ADAM
Stop pretending! I can't believe you're such a vicious person.

EPISODE 4 *

Adam continues to carry Miranda away. Phoenix cries out in pain, stopping him again. * *

PHOENIX
Adam!

Adam stops. Phoenix begs him in a weak whisper.

PHOENIX (CONT'D)
Please, save our babies...

Adam doesn't hear what Phoenix said. Without turning around, he says coldly:

ADAM
Miranda has suffered so much for me. If anything happens to her, I will never forgive you.

Adam carries Miranda away decisively. Miranda smiles as she looks down at Phoenix on the floor. Phoenix watches Adam's back in agony. Blood flows from her lower body, creating a large, red pool on the floor.

PHOENIX (VO)
We've been married for five years, and you have so little faith in me.

Jake walks over to Phoenix and crouches down, whispering to her.

JAKE
Mommy said if your babies die, I'll inherit all of the Dawson family's wealth. Is that true?

Jake says this, then smiles and bounces away. Phoenix faints.

INT HOSPITAL - PHOENIX'S ROOM, DAY *

Phoenix wakes up in a hospital bed. A doctor is next to her, checking her vitals. Phoenix grabs the doctor's hand to ask a question.

PHOENIX
How are my babies?

EPISODE 5 *

DOCTOR
Both are gone. *

Phoenix is shocked. She weakly sits up, grabs the doctor's hands, slides off the bed, and kneels on the floor.

PHOENIX
No, you have to save my babies! I'm begging you!

DOCTOR
The babies were gone before you even arrived at the hospital. I'm so sorry.

The doctor leaves. Phoenix kneels on the floor, crying, clutching her belly.

PHOENIX
This is all my fault. I'm not a good mother. I couldn't protect you.

Adam walks into the room, his expression cold. Phoenix reaches out her hand to Adam in distress.

PHOENIX (CONT'D)
(Sadly)
Adam, we lost our ba...

Before Phoenix can finish saying "babies," Adam grabs her hand.

ADAM
Do you have any idea how close Miranda was to dying?!

PHOENIX
I didn't push her! Why won't you believe me! Because of her, we lost our...

Adam cuts Phoenix off.

ADAM
Miranda lost her memory for eight years! Do you know how much she's suffered? She didn't come back to replace you, so why were you so jealous you pushed her down the stairs?! You need to apologize to her right now!

Adam starts to drag Phoenix out of the room.

INT HOSPITAL - MIRANDA'S ROOM, DAY *

Quinn Dawson (60, Phoenix's Mother-in-law, Adam's mother), Jake, Daniel Dawson (Adam's grandfather), and Daniel's bodyguard Frank are in the room.

Adam drags Phoenix inside, and she, still weak, falls to the floor.

EPISODE 6 *

Quinn turns at the sound and furiously slaps Phoenix three times. * *

QUINN
You barren bitch! You must have been jealous of Miranda having an heir for the Dawson family, so you tried to murder her! She's a world-class artist, nothing like a lazy parasite like you! If Miranda hadn't had that accident, you, a heartless gold-digger, never would have had a chance to marry Adam!

Phoenix, sitting on the floor, tries to explain.

PHOENIX
(Crying)
I didn't... I didn't push her.

Phoenix grabs Adam's hand.

PHOENIX (CONT'D)
Adam, please, you have to believe me, I really didn't push her.

Adam, seeing that Phoenix doesn't seem to be lying, wavers a little.

ADAM
Are you telling the truth?

Daniel slams his cane on the floor twice.

DANIEL
(Angrily)
Jake saw it with his own eyes. How could it be fake? Would a little kid lie?

JAKE
This bad woman pushed my mom down the stairs!

Jake grabs Daniel's hand, crying.

JAKE (CONT'D)
Grandpa! I don't want to be an orphan without a mommy.

DANIEL
Miranda was lost for eight years and raised Jake alone all that time. How can you have the heart to let her be bullied?

Adam clenches his fists, his anger towards Phoenix growing.

ADAM
How long are you going to keep up this act? Will you only be happy when Miranda is dead?

Phoenix grabs Adam's hand again.

PHOENIX
I didn't, I really didn't push her.

Adam shakes Phoenix's hand off, and she loses her balance, falling to the floor.

EPISODE 7 *

Daniel looks at Phoenix on the floor with disdain. *

DANIEL
Don't bother with your fake tears, you gold-digger. Adam! Don't you forget, your company was on the verge of bankruptcy eight years ago. Miranda got into that car accident to get money for you. She's in the emergency room right now. If you keep defending this woman, do you think you're worthy of her?

Adam looks down.

ADAM
It was all my fault.

DANIEL
Jake, which hand did she use to push your mommy?

Jake stares at Phoenix, a barely noticeable smile on his face. He then points to her left hand.

JAKE
This one!

DANIEL
Break it. Adam, you do it yourself.

Adam is hesitant. Phoenix is crying, shaking her head.

PHOENIX
(Pleading)
Please, Adam, don't do this to me. I can't lose my hand.

MIRANDA (OS)
You can't lose your hand, but I can lose my legs?

Everyone looks toward the door.

EPISODE 8 *

Miranda is wheeled into the room by a nurse. Quinn sees Miranda and runs over, grabbing the wheelchair from the nurse and pushing it in front of Adam. * * *

MIRANDA (CONT'D)
The doctor said my legs will never work again. I'm a cripple. I'll have to spend the rest of my life in a wheelchair. What's the point of living? I might as well just die.

Jake throws himself into Miranda's arms, crying and saying:

JAKE
Mommy, please don't die. Mommy, please don't die.

PHOENIX
You were the one who pushed me down the stairs! Why are you lying?!

Quinn rushes over and slaps Phoenix again.

QUINN
Stop twisting the facts! You say Miranda pushed you, but she's the one who's crippled. Why are you completely fine? She's an artist who's going to win a Muse award! Why wasn't it you, the useless one, who became a cripple?

ADAM
Miranda, I'll make this right for you.

Adam turns to Phoenix, his face filled with conflict.

PHOENIX
I never hurt her! She really did push me! I'm not lying!

ADAM
Just admit what you did, and I might be able to help you.

PHOENIX
You have to believe me! I didn't push her! Believe me!

ADAM
You still won't admit your mistake. You disappoint me so much.

PHOENIX
After five years of marriage, you'd rather believe her than me?

ADAM
All the evidence is right in front of me! How am I supposed to believe you? You shouldn't have hurt Miranda.

Adam hesitates again. Miranda takes Jake's hand.

MIRANDA
My poor Jake, you grew up without your daddy, and now your mommy is a cripple. I'm so sorry, sweetie.

Daniel loses his patience.

DANIEL
If you don't have the guts to do it yourself, I'll have Frank do it!

EPISODE 9 *

Daniel's bodyguard, Frank, takes a step forward and pulls out an extendable baton. Phoenix is still pleading with Adam. * *

PHOENIX
No, please, don't...

Adam puts his foot on Phoenix's left hand and grinds down hard. A loud crack is heard as Phoenix's hand breaks. She is terrified.

PHOENIX (CONT'D)
No!

PHOENIX (VO) (CONT'D)
(Despair)
I gave up everything to marry you. And in the end, you want to destroy me.

Miranda smiles sinisterly.

MIRANDA (VO)
I bribed the doctors. So they'll only ever know I broke my leg. They'll never know you had a miscarriage with twins. And they'll never know that Jake isn't Adam's child at all.

Jake runs over to Phoenix and stomps on her other hand a few times.

JAKE
Bad woman! Bad woman!

INT HOSPITAL - CORRIDOR, DAY *

Issac and four bodyguards walk quickly to the door of the hospital room. Issac bursts into the room.

INT HOSPITAL - MIRANDA'S ROOM, DAY *

ISSAC
Stop!

EPISODE 10 *

Issac shoves Adam aside and kneels to check Phoenix's hand. * Daniel is displeased. *

DANIEL
Who are you? This is a family matter. Outsiders shouldn't meddle.

Issac helps Phoenix up.

ISSAC
Anything to do with Phoenix is my business now.

Daniel is so angry he clutches his chest and stumbles. Adam runs to Daniel's side and holds him. Phoenix is very weak and starts to cry.

PHOENIX
Take me with you.

Issac picks Phoenix up and turns to leave. Adam, seeing this, calls out to them.

ADAM
Wait! You're leaving with another man in public. Do you have any respect for me, your husband?

PHOENIX
Let's go.

Issac carries Phoenix away. Adam reaches out to stop them but doesn't say anything. Miranda looks confused. Quinn and Daniel are furious.

QUINN
She's a useless nobody. I'd like to see how she survives without the Dawsons.

INT FINANCE SUMMIT - DAY *

The screen reads "Finance Summit." Five people are seated at a long table. Logan Blunt (55, Phoenix's father, the world's richest man) sits in the center, speaking into a microphone. The audience is packed with reporters.

LOGAN
We're planning to invest fifty billion dollars in Southeast Asia.

Logan's phone rings. He answers, and two seconds later, he stands up abruptly, his expression serious, and he announces to the crowd:

LOGAN (CONT'D)
The summit is canceled! I'm going to see my daughter!

INT AUCTION - DAY *

The screen reads "Carina Fine Jewelry Auction." Carina Blunt (55, Phoenix's mother, a master jewelry designer) is seated in the front row. She answers her phone, and two seconds later, she stands up abruptly, her expression serious, and announces to everyone:

CARINA
The auction is canceled! I'm going to see my daughter!

INT ART MUSEUM OPENING CEREMONY - DAY *

A banner reads "Blunt Art Museum Opening Ceremony." Kate Blunt (70, Phoenix's grandmother) stands in front of a painting, preparing to unveil it. Reporters are taking photos. Kate answers her phone, and two seconds later, she stands up abruptly, her expression serious, and announces to the crowd:

KATE
The ceremony is canceled! I'm going to see my granddaughter!

EPISODE 11

INT BLUNT FAMILY HOME - PHOENIX'S BEDROOM - DAY *

Phoenix lies unconscious in bed. Issac stands nearby. Carina, Logan, and Kate rush into the room.

KATE
My Pheenee! What did they do to you?!

Kate sits on the edge of the bed, with Logan and Carina standing behind her.

CARINA
My baby girl.

Kate gently brushes the hair from Phoenix’s forehead.

LOGAN
(In a serious, questioning tone)
What on earth happened here?

ISSAC
It was Adam Dawson. When I got there, he was abusing Phoenix.

Logan, Carina, and Kate are shocked.

ISSAC (CONT’D)
And... Phoenix just miscarried. It was twins.

KATE
What?! That damn Dawson! Pheenee gave up everything to marry him, and he did this to her?!

Logan clenches his fists.

LOGAN
If it weren't for Phoenix letting me use Blunt Group's resources to support the Dawsons, they would have gone bankrupt years ago! Now they dare to bully my precious daughter!

Logan pulls out his phone and makes a call.

LOGAN (CONT'D)
Tell everyone to cancel all partnerships with the Dawson Group! I want them to go bankrupt! Immediately!

EPISODE 12 *

Phoenix wakes up in bed. Kate helps her sit up. *

KATE
How are you feeling?

PHOENIX
I'm okay. It's just... I couldn't protect my babies.

KATE
Sweetie, don't blame yourself. This is absolutely not your fault.

CARINA
My poor Pheenee, you've never been wronged like this in your whole life.

LOGAN
Adam Dawson is completely unworthy of you. After what he did, I'll make sure he pays.

PHOENIX
I was blind before. I loved the wrong person. From now on, I just want to be myself again and start painting.

LOGAN
Good. Whatever you do, we'll support you.

ISSAC
The Muse competition is starting soon. I'll hold a selection event for you in three days. You can choose your teammates yourself.

PHOENIX
Thank you.

ISSAC
Don't thank me, Angel. Welcome back.

INT DAWSON'S MANSION - STUDY - NIGHT *

Miranda wheels herself into the study, seeing Adam's back as he talks on the phone. Adam sounds anxious.

ADAM
(Panicked)
What? The Blunt Group canceled all of our partnerships? Are you talking about the Blunt Group we've served for five years?!

EPISODE 13 *

MALE VOICE (VO)
Yes, Mr. Dawson. The Blunt Group's orders make up 70% of our revenue. Now the company's cash flow is broken. I suggest you cancel that art exhibition.

ADAM (VO)
Phoenix and I have been married for five years, and the Blunt Group has been giving me orders for five years. Is this a coincidence?

Miranda wheels over to Adam's side.

MIRANDA
Adam, is there a problem with the art exhibition? If there is, just let it go.

Adam lowers the phone and looks at Miranda apologetically.

ADAM (VO)
Phoenix is the one who caused this, I should be the one to compensate Miranda. *

ADAM (CONT'D)
It's fine, don't worry about it.

Adam puts the phone back to his ear.

ADAM (CONT'D)
Ms. Collins' art exhibition will proceed as planned. I will find a way to solve the funding problem.

Adam hangs up the phone.

INT BLUNT FAMILY HOME - LIVING ROOM - DAY

Logan, Carina, Kate, and Issac walk into the living room, laughing. Following them are five maids, all 165cm tall, with good figures, styled hair, and full makeup. They wear identical simple black dresses, black shoes, and white gloves. The first maid holds a tray with ten documents, each with a different mansion on the cover, labeled "Property Ownership Certificate." The second maid's velvet tray holds an imperial jade necklace, bracelet, and earrings. The third maid's tray is filled with various colorful diamond rings, all over 10 carats each. The fourth maid holds an original Van Gogh painting. The fifth maid holds an old sketchbook. The five maids enter in a single file and stand in a neat line in front of Phoenix, all turning to face her at the same time.

The five maids say in unison:

MAIDS
Happy Birthday, Miss Blunt.

ISSAC
Happy Birthday, our beloved Angel.

LOGAN
Honey, we couldn't celebrate your birthday with you a few days ago, but we've had your presents ready for a long time. These are from your dad—ten mansions and luxury homes all over the world. You can travel and relax wherever you want to stay.

Carina playfully rolls her eyes at Logan.

CARINA
How cliché.

Carina takes Phoenix's hand and walks her over to the second and third maids.

CARINA (CONT'D)
Sweetie, come see these. These are the pieces I've designed in the last two years that I'm most proud of.
(MORE)

CARINA (CONT'D)
Someone offered me a billion dollars for them, and I still didn't sell. I saved them just for you.

ISSAC
This original Van Gogh is the birthday gift I promised you. It took me over a year to get the original collector to agree to part with it and sell it to me.

Kate walks over to Phoenix, signaling for the fifth maid to step forward. The maid is holding a sketchbook.

KATE
This is your grandfather's sketchbook. It's also the only belonging he left us. It's time for you to have it.

PHOENIX
(Surprised)
All of Grandpa's paintings were destroyed in a fire when he was critically ill. Only this sketchbook survived. I know how much it means to you. I can't take it.

KATE
Take it. This was your grandfather's wish, too.

Phoenix is moved and hugs Kate.

PHOENIX
Thank you, Granny. Thank you, Mom and Dad. And Issac.

Phoenix looks at Kate.

PHOENIX (CONT'D)
I'm sorry, Grandma. I know you've always hoped I wouldn't waste my talent. Believe me, this time, I will win back my glory and I won't disappoint you again.

Kate and Phoenix hug again. Carina and Logan whisper to each other.

CARINA
Now that Phoenix has made her decision, we don't need to go easy on the Dawsons anymore.

Logan nods. *

I can definitely translate that for you. I'll translate and format the scripts using the scene heading format you requested and polish the dialogue to sound like natural, everyday English. Please send the next batch when you are ready.

EPISODE 14

INT. ANGEL TEAM SELECTION - MANAGER'S OFFICE - DAY

Peter Archer (40), the manager of the Angel team selection event, sits on a sofa with Adam. Miranda is in her wheelchair. A cup of tea sits in front of each of them. Peter leans back confidently, a hint of arrogance in his posture as he crosses his legs.

PETER
So, Mr. Dawson, this is the contestant you're recommending? Don't worry, I'll make sure she gets on Angel's team.

Adam's assistant runs into the office, holding a folder.

ADAM'S ASSISTANT
(Out of breath)
Sir, there's an emergency.

The assistant hands the folder to Adam. Adam opens it, his brow furrowed. After reading, he stands up abruptly.

ADAM
The Blunt Group put pressure on everyone? All our partner companies have terminated their contracts?

Peter grows tense and uncrosses his legs. Adam composes himself.

ADAM (CONT'D)
Something's come up. I have to go. You two carry on.

Adam and his assistant leave. Miranda looks at Peter, her expression fawning.

MIRANDA
Mr. Archer, you're Issac Knight's most capable assistant. You absolutely have to help me with the Angel team selection…

Archer suddenly knocks over the teacup in front of him. *

EPISODE 15

PETER
The Dawson Group is about to go bankrupt. They don’t have enough influence for that. Mr. Knight isn’t just the president of the National Artists Alliance and the person in charge of the Angel team selection, he’s also the sole heir to the Knight Corporation. You want me to put in a word for you with Issac? Your sincerity isn't enough.

Miranda takes Peter’s hand and caresses it, giving him a seductive look.

MIRANDA
Peter, don’t be mad. When Adam gets back, he’ll give you a more satisfactory offer.

Peter looks at Miranda lecherously, lifting her chin with his hand.

PETER
Adam has been waiting on you hand and foot. I must say, you’re pretty good-looking. *

Peter puts his hand down.

MIRANDA
As long as you can help me get into the Angel team, I’ll do whatever you want.

Peter’s lustful gaze scans Miranda from head to toe, stopping on her legs with a look of displeasure.

PETER
What kind of fun can I have with a pair of crippled legs?

Miranda slowly stands up from the wheelchair. She sits on the sofa and wraps her arm around Peter’s arm.

MIRANDA
They’re completely fine.

PETER
(Chuckles)
Then we’ll see how you perform.

MIRANDA (VO)
As long as I get on Angel's team, Adam will eventually give up on Phoenix and marry me.

INT. BANQUET HALL 2 - ANGEL TEAM SELECTION - RECEPTION - DAY

Guests and contestants in formal wear enter the venue. Phoenix holds the sketchbook Kate gave her in one hand and her phone in the other, calling Issac.

PHOENIX
Hi, Issac, I'm at the selection venue. I hope I can find a good teammate this time.

ISSAC (VO)
Good. I'll be there soon.

Phoenix walks to the reception desk. The receptionist stands up and asks Phoenix to sign in.

RECEPTIONIST
Hello, miss, may I have your name, please?

PHOENIX
Angel.

Phoenix smiles, turns, and walks away.

RECEPTIONIST
(To herself, shocked)
Angel? This is Angel, the art superstar who won the Muse competition five years ago with "True Love"!

EPISODE 16

INT. ANGEL TEAM SELECTION - VENUE - DAY

Many oil and ink paintings are displayed. Guests are either chatting or looking at the art. Quinn pushes Miranda’s wheelchair, and Jake follows them into the venue.

MIRANDA
I'm so sorry, Quinn, and thank you and Adam for coming with me to the Angel team selection.

QUINN
(Smiling)
No need to apologize. We're family. I'm just looking for a chance to show off to my old friends. Where on earth did Adam go? He's still not here. Oh, by the way, when is the Angel you've been talking about going to show up?

MIRANDA
(Excited)
A big shot like Angel will definitely make a grand entrance. If she chooses me to be her teammate for the Muse competition, I'll be happy for the rest of my life.

QUINN
(Trying to please her)
Then we must properly introduce ourselves. And get a few autographs.

The doors to the venue open, held by two waiters. Phoenix stands just outside, backlit, exuding an air of nobility. She holds the sketchbook in her hand. Everyone in the room looks toward the door. Phoenix walks in gracefully.

Miranda and the others also look toward the door in anticipation, but when they see it's Phoenix, their expressions turn to disgust.

MIRANDA
I must be seeing things. She looks just like Phoenix.

QUINN
It is her. What a persistent, wretched woman. She's probably just jealous that you're in the competition and followed you here. I'll go teach her a lesson!

Quinn walks up to Phoenix and raises her hand to slap her, but Phoenix grabs Quinn's wrist. Quinn struggles, but Phoenix doesn't let go.

QUINN (CONT'D)
Well, well, you dare to fight back! This is the Angel team selection. This is Angel, the art superstar's, event. A vulgar nobody like you has no right to be here!

Phoenix finally releases Quinn's hand.

PHOENIX
(Sneering)
I'm afraid you're going to be disappointed. I have every right to be at this event.

QUINN
What? Are you a contestant?

EPISODE 17 *

Miranda wheels herself up to Phoenix. *

MIRANDA
Phoenix, I know you've always been jealous of me. But the Muse competition is different from ordinary ones; only the most elite artists can even be considered. And a big shot like Angel, who won the gold prize, wouldn't have just anyone as a teammate.

QUINN
I knew it. A good-for-nothing who only knows how to do chores and spend her husband's money wouldn't know anything about art. So you're just faking it. Don't think that just because you've changed your clothes and your hairstyle, you're a great artist. No matter how much you try to imitate Miranda, you'll still be a pathetic joke. You're so shameless.

JAKE
Liar!

Jake makes a face at Phoenix. Miranda pretends to gently scold Jake to stop him.

PHOENIX
I don't need to imitate anyone. Who I am is something you can find out just by asking any event manager.

QUINN (VO)
She sounds so confident. Could this wretched woman really have some kind of background?

PETER (OS)
Who do you think you are?

Peter walks in from the door. The guests turn to look at him. Quinn fawns over him, running up to him.

QUINN
Good morning, Mr. Archer. This is the manager of the Angel team selection!

Miranda looks at Peter and then glances at Phoenix, hinting for Peter to show Phoenix who's boss. Peter gets the message, raises an eyebrow, and nods.

PHOENIX
(To Peter)
You don't recognize me?

PETER
I know everyone important at this selection. Who do you think you are? You're not worthy of me knowing you.

Miranda covers her mouth and laughs mockingly.

QUINN
Did you hear that? You talk a big game. The door's over there, get lost! You're not even divorced from Adam yet. Don't embarrass the Dawsons here!

PHOENIX
My identity is the top secret of this selection. He isn't worthy of knowing it.

PETER
That's a bold claim. Are you saying your status is higher than the president, Issac Knight?

PHOENIX
What if it is?

EPISODE 18

PETER
Ridiculous! Security!

Two security guards enter and stand behind Peter.

MIRANDA
Wait! Phoenix, if you apologize now, I can put in a good word for you with Mr. Archer. I don't want Adam to be embarrassed because of you.

QUINN
You're just too kind, Miranda. A lying bitch like her should be thrown out to stop her from dirtying the air in here.

Quinn waves her hand in front of her face.

PETER
Go! Get this lying woman out of here.

The two security guards walk behind Phoenix and grab each of her arms, holding them behind her back. The sketchbook falls from Phoenix's hand.

PHOENIX
Let me go! Let me go! My sketchbook!

Quinn picks up the fallen sketchbook and flips to the first page, where the name "Alexander Blunt" is written.

PHOENIX (CONT'D)
My sketchbook! Give it back!

QUINN
Oh, look at that. Pretending to be an artist with a sketchbook? You almost had me fooled.

Quinn makes a motion as if to tear the sketchbook.

PHOENIX
Don't touch it! Give it back!

FLASHBACK TO EPISODE 11: Kate tells Phoenix that the sketchbook is her grandfather's only belonging.

PHOENIX (CONT'D)
Don't you dare touch it!

QUINN
What's this, getting nervous? Alright, then. You can kneel and apologize to Mr. Archer right now. Maybe I'll be generous and give this piece of junk back to you.

Peter looks closely at the sketchbook.

PETER
This is the national treasure artist Mr. Blunt's sketchbook! Are you… his granddaughter, Angel?

EPISODE 19

MIRANDA
Come on, Phoenix, I know you want to prove yourself. But you can't bring a fake to an event like this.

PETER
Don't tell me you're trying to use Mr. Blunt's name to get special treatment from the judges. You should kneel and apologize immediately!

MIRANDA
If you kneel, I'll plead for you. We can just let this go.

PHOENIX (VO)
As long as I can save my grandfather's only belonging, what's a thousand kneels?

Phoenix shakes off the security guards' hands and slowly kneels on the floor. The surrounding guests are all watching. Miranda and Quinn look smug.

PHOENIX (CONT'D)
Can I have the sketchbook back now?

Quinn walks up to Phoenix and pretends to hand her the sketchbook. But as Phoenix is about to touch it, Quinn quickly pulls it back.

QUINN
(Laughs)
Look at how foolish you are. If my son hadn't been bewitched by your face…

Quinn says this while lifting Phoenix's chin with her hand.

QUINN (CONT'D)
He never would have married a lapdog like you!

Quinn violently shoves Phoenix away. Phoenix falls to the floor, but then stubbornly turns her head and glares at Quinn.

PHOENIX
Give me back my property!

Quinn slaps Phoenix twice.

QUINN
Who do you think you are? How dare you use that tone with me! The moment you left the Dawson family, you became a wretched nobody that anyone can insult. Now, apologize to Mr. Archer and slap yourself until I tell you to stop!

MIRANDA
(Piously)
Maybe we should just let it go. Phoenix was just confused for a moment. After this lesson, she won't dare to use fakes to deceive people again. Right, Phoenix?

QUINN
(Scoffs)
I don't think she has realized her mistake at all. She needs to be taught a lesson! Are you deaf?! Slap yourself!

PHOENIX (VO)
Grandpa…

Under the watchful eyes of the crowd, Phoenix slaps herself four times, tears streaming down her face. Miranda looks pleased with herself.

EPISODE 20

PHOENIX
I'm so sorry. This sketchbook is really important to me. Please, I'm begging you to give it back.

QUINN
Who are you trying to play for? You're just cheap, you're crazy for money. You think even a fake is so important. I'll tear it up, and I still won't give it back to you!

Phoenix realizes that Quinn has no intention of keeping her promise and stands up in a rage. But she's quickly controlled by the security guards.

JAKE
Grandma, Grandma, can I see it?

QUINN
Of course, of course. My precious Pumpkin can have whatever he wants.

Quinn smiles and gives the sketchbook to Jake. Jake holds the sketchbook and looks at Phoenix.

JAKE
Auntie Phoenix, is this book really that important to you?

PHOENIX
(Anxiously)
What are you going to do?

Jake smiles as he rips the sketchbook and tears every page of drawing into pieces. Phoenix panics.

PHOENIX (CONT'D)
Don't tear my drawings! Don't tear my drawings! No!

Jake tears the sketchbook into shreds. Phoenix desperately tries to break free from the security guards but fails.

PHOENIX (CONT'D)
Let go of me! Let go!

Jake happily jumps and spins in circles, throwing the pieces of paper into the air, one by one.

PHOENIX (CONT'D)
My drawings! No! No! My drawings!

Quinn, Miranda, and Peter all look triumphant.

Of course. Here is the translated script, with scene headings and dialogue formatted as you requested.

EPISODE 21

INT. VENUE - DAY

Phoenix finally breaks free from the security guards and rushes toward Jake, knocking Quinn over along the way. Quinn falls to the floor.

QUINN
How dare you! You pushed me! Just you wait until I get my hands on you!

Phoenix grabs Jake’s arm, trying to snatch the remaining shreds of paper from his hand.

QUINN (CONT’D)
Let go of Jake! He’s the sole heir of the Dawson family!

Adam walks in through the entrance, tidying his tie with one hand. He hasn't noticed what’s happening in the hall yet. Miranda sees Adam and immediately puts on a pitiful act.

MIRANDA
(Loudly, for Adam to hear)
Phoenix, you can take your revenge on me if you’re unhappy. But Jake is just a child, and Quinn is old. Don't lay a hand on them!

Phoenix raises her hand, about to slap Jake, but Adam intercepts her hand. Adam forcefully pushes Phoenix’s hand away. Jake starts to fake cry, then runs to hide behind Adam. Adam helps Quinn up.

ADAM
You pushed my mother to the ground. What were you thinking? You know she’s old and frail!

PHOENIX
They're the ones who tore up my sketchbook first!

Quinn holds on to Adam’s arm.

QUINN
It was just a fake, and she wanted to kill me and Jake for it! It doesn't matter if an old woman like me dies. But Jake is the only heir to the Dawson family. He suffered so much when we were away, and now that he’s finally back, he has to be bullied by this evil woman!

ADAM
Apologize to them.

EPISODE 22

PHOENIX
Jake tore up my sketchbook. They're the ones who should apologize!

MIRANDA
It's my fault for not raising Jake properly, but that fake shouldn't have been here in the first place! This is a disgrace to Angel.

Jake pulls on Adam’s arm.

JAKE
Daddy, Daddy, that old hag bullied Mom and me, and Grandma too. Please stand up for us!

ADAM
Is a fake worth all this commotion? The harm you’ve caused Miranda can't be made up for by a thousand sketchbooks!

PHOENIX
You have no idea how important this sketchbook is to me.

ADAM
How important could it be? You're a housewife who knows nothing about art. Even if it were real, in your hands it's no different from a piece of scrap paper. Your actions today are beyond disappointing. How much is this fake worth? I'll pay you for it.

PHOENIX
You can’t afford it!

ADAM
A hundred thousand!

PHOENIX
Not enough!

ADAM
How about a million? Is that enough?

PHOENIX
It's worth two billion!

QUINN
(Scoffs)
This trash is worth two billion? Adam, don't let her fool you.

MIRANDA
That's right. Phoenix's sketchbook couldn't possibly be an original by Alexander Blunt. It's obviously worthless junk from a street stall, maybe worth ten bucks at most.

PHOENIX
You're just blind! I won't let you insult it!
(Looks at Adam)
This sketchbook is the only belonging my grandfather, Alexander Blunt, left behind in this world.

ADAM
(Impatient and angry)
How long are you going to keep this up?! Alexander Blunt only had one granddaughter, Angel. Miranda is a professional artist; there’s no way her appraisal could be wrong. I'll transfer a million to your account.

PHOENIX
You have no idea what it means to me.

Phoenix kneels down to pick up the paper shreds. Quinn extends her foot and steps on Phoenix's hand.

EPISODE 23

QUINN
You dare to compare yourself to Miranda. She’s a genius. You're a worthless piece of trash. I suggest you leave quietly. Otherwise, when Angel finds out you're impersonating her and ruined Miranda's chance to be her teammate, I'll make you pay!

Quinn kicks Phoenix's shoulder. Phoenix falls to the ground again. Adam instinctively starts to help Phoenix up. Issac enters with four bodyguards.

ISSAC
Angel!

Miranda looks around curiously.

MIRANDA
Angel? Where is Angel?

Issac walks to Phoenix, helps her up, and asks with concern.

ISSAC
Are you okay?

Phoenix cries as she picks up a single shred of paper from the sketchbook off the ground.

PHOENIX
I'm okay. But Grandpa's paintings are all destroyed.

ISSAC
I will hold them accountable for this.

Quinn looks at Issac, her face full of disdain.

QUINN
Who are you? How dare you help Phoenix impersonate Angel? Mr. Archer here is the manager of this selection event. You're not getting away with this!

ISSAC
Then why don't you ask him if he dares to say a word while I'm here!

Peter is so scared he’s trembling, with his head down. He doesn't dare to move or speak.

QUINN
I know who you are! You're that scumbag who took Phoenix from the hospital the other day!

EPISODE 24

Quinn points at Phoenix.

QUINN (CONT’D)
No wonder you were able to sneak into the selection event! You were impersonating Angel! Turns out you climbed into this man's bed!

MIRANDA
Phoenix, you shouldn't do this to Adam. He’s been so stressed out about you lately.

QUINN
I'm going to kill you both!

Quinn tries to lunge at Phoenix and Issac, but Adam stops her.

ADAM
Mom, this is between Phoenix and me. I'll handle it myself.

QUINN
Son! Are you seriously thinking of keeping a shameless hussy like her as your wife?

ADAM
(Looking at Phoenix)
Phe, if you apologize to Mom and Jake and cut off all ties with this scumbag, I'll let bygones be bygones and let you come home.

ISSAC
(To Adam)
She’s your wife! Did you ever trust her?

Adam falls silent.

PHOENIX
Go home? To continue being your maid and being slandered and humiliated? Adam, from start to finish, you only see the grievances of your mother, your first love, and your son. You never see mine. Jake tore up my painting, and the two of them are accomplices! I’m going to send all three of them to jail! Are you okay with that?

EPISODE 25

QUINN
Adam, look at how vicious this woman is! She wants to send all three of us to jail! I'm an old woman, and she wants me to spend the rest of my life in prison.

MIRANDA
Phoenix, you crippled my legs, and I didn't hold it against you. How can you be so cruel?

JAKE
Daddy, please don't let me go to jail.

ADAM
Don't worry, Daddy won't let you go to jail.

Phoenix looks at Adam as he comforts Jake.

PHOENIX (VO)
Adam, do you know? We had babies once, too.

FLASHBACK: Phoenix lies on the ground after being pushed down the stairs, bleeding, her face contorted in pain.

PHOENIX (CONT'D)
I've already mailed you the divorce papers. From now on, you and I have nothing to do with each other. And I won't let them off the hook for your sake.

ADAM
What are you talking about?! You're just suspicious of Miranda and me and jealous of her painting skills. We were together once, but we're completely innocent now. Besides, your sketchbook is just a fake. There's no point in making a big deal out of this. Apologize and come with me now while you still can.

Adam reaches out to grab Phoenix's hand to leave. Phoenix pulls her hand away.

ISSAC
That's laughable. This sketchbook isn't just a genuine piece, it's the only remaining work of the world-renowned artist Alexander Blunt.

QUINN
(Scoffs)
What right do you have to say it's not a fake? Miranda is a famous painter, the future Muse winner, and Angel's teammate-to-be. She said the manuscript is fake. Are you saying she could be wrong?

ISSAC
Whether I have the right or not, you can ask your friend, Mr. Archer.

Quinn walks to Peter and pulls on his arm. Peter looks incredibly awkward.

QUINN
Mr. Archer, you're well-traveled and knowledgeable. You can definitely expose this scammer. I refuse to believe that a random man could be an artist.

Peter slaps Quinn.

PETER
(Shouting)
Silence! He is the President of the National Artists Alliance and the Chief Director of the Angel Team Selection!

QUINN
You… you must be mistaken. How could he be…?

Peter kneels before Issac.

PETER
President! Please forgive me. I had no idea this young woman was with you!

Issac raises his foot and kicks Peter, sending him tumbling to the ground.

ISSAC
Get lost! Don't let me see you again!

MIRANDA
(Shocked)
President?

Miranda looks at the pieces on the ground.

MIRANDA (CONT'D)
Then… is this manuscript real?

ISSAC
Do you think I would risk my reputation to lie?

MIRANDA
Impossible. Alexander Blunt's only manuscript was passed down to his granddaughter, Angel.
(MORE)

MIRANDA (CONT'D)
Phoenix is just a simple housewife who knows nothing about art. How could she possibly have it?

QUINN
That's right! I think you two are having an affair and you're deliberately covering for her. That's why you're hiding the fact that this manuscript is a fake.

ISSAC
Whether I'm covering for her or not, we'll know as soon as I get a professional appraiser.

QUINN
Fine. But don't think you can fool us laypeople. It has to be a national-level master appraiser.

KATE (OS)
How about I be the appraiser? Will that satisfy you?

Kate walks in through the entrance.

EPISODE 27

GUEST 1
(To Guest 2)
Is that Madam Blunt? She's one of the world's top art appraisers. The art she's appraised is worth hundreds of billions.

GUEST 3
(To Guest 4)
Madam Blunt is Angel's grandmother and Alexander's wife. An appraisal from her won't be wrong.

Quinn hears the guests' whispers, her eyes darting around. She walks over to Miranda.

QUINN
Miranda, you're going to be Angel's teammate. You'll have to get to know such an important person sooner or later. Let's go say hello and leave a good impression.

Quinn pushes Miranda toward Kate.

QUINN (CONT'D)
Hello, Madam Blunt. This is Miranda, Angel's future teammate. Would you two like to exchange contact information?

Kate waves her hand, blocking Quinn.

KATE
Get out of the way.

Quinn, not giving up, points at Phoenix.

QUINN
Madam Blunt, look! It's her! This shameless woman snuck into your granddaughter's selection event with a fake manuscript!

MIRANDA
Madam Blunt, don't blame Phoenix. She just wanted to compete with me, and that's why she made a mistake.

QUINN
Miranda, why are you defending her? It's a good thing the manuscript was torn up. Otherwise, if word got out that someone brought a fake painting and impersonated Angel, it would have been a huge embarrassment for Angel!
(To Kate)
Madam, you have to help Angel get revenge!

KATE
You two idiots. Get out of my way. I'm here to stand up for Phoenix!

QUINN
What?!

MIRANDA
What?!

EPISODE 28

Kate walks over to Phoenix and takes her hand.

KATE
I'm late. You've been wronged, haven't you? You're all tear-streaked.

PHOENIX
I'm sorry, I couldn't protect the manuscript.

Quinn rushes to Phoenix and grabs her arm.

QUINN
You shameless woman! Not only did you bring a fake painting and impersonate Angel, but you're also trying to suck up to Madam Blunt in public! I'm going to kill you!

Quinn reaches out to hit Phoenix. Kate blocks Quinn’s hand and slaps her twice. Adam rushes over to support Quinn.

KATE
A fake painting? Shameless? Do you know who you’re talking to?

QUINN
Madam Blunt! Don't let this woman fool you! She’s so good at playing the victim! You can't let her ruin Angel's selection event with a fake painting!

MIRANDA
That's right! Now that Madam Kate is here, we should appraise the sketchbook to put everyone's mind at ease.

KATE
Is an appraisal even necessary?! This sketchbook was painted by my husband himself, and I gave it to Phoenix myself!

QUINN
What?!

MIRANDA
How is that possible? How could Phoenix be associated with such high-society people?!

QUINN
Madam Blunt, you must be mistaken. Phoenix is just a useless housewife. How could she possibly deserve…?

KATE
Shut up! Phoenix is my…

EPISODE 29

Phoenix quickly reaches out and holds Kate's hand, stopping her from speaking. Kate looks at Phoenix and understands.

KATE (CONT'D)
When my husband was on his deathbed, a fire burned all of his paintings. This manuscript is the only one he left behind in this world. You! Who exactly destroyed this painting?!

Jake hides behind Miranda. Miranda reaches out and blocks Jake behind her.

ADAM
I'm the one who accidentally tore the painting.

PHOENIX
You know exactly who did it! And you're still trying to cover for him!

ADAM
Jake is still a child. Why are you so angry at a kid? He's my son. Can't you, as his supposed mother, just turn a blind eye?

PHOENIX
A child? So a child is innocent? Does that mean he can do whatever he wants?!

ADAM
Jake is my biological son. Your painting is just a dead, inanimate object!

Phoenix raises her hand and slaps Adam. Quinn immediately rushes to check on Adam.

PHOENIX
You have no idea what this sketchbook means to me.

Quinn violently shoves Phoenix.

QUINN
How dare you! You hit my son! It's just a measly sketchbook, isn't it? Miranda will participate in the Muse competition with Angel soon.
(MORE)

QUINN (CONT'D)
When she becomes famous, any painting she makes will be worth more than this!

PHOENIX
She won't get that chance!

QUINN
(Scoffs)
What right do you have to say that? Are you saying a washed-out housewife who only knows how to do laundry and cook has a chance?

KATE
She certainly has a chance! But unlike you worthless people, she has a chance to win the Muse Competition gold prize!

MIRANDA
How is that possible? Why would Madam Blunt think so highly of her?!

KATE
Phoenix, since I gave you this sketchbook, you decide how to punish the person who destroyed it. I will support you.

PHOENIX
A child's mistakes are the parents' fault. I want to send Miranda Collins to jail!

EPISODE 30

Miranda wheels herself over to Adam and grabs his arm.

MIRANDA
Adam, I don't want to go to jail!

ISSAC
Are you not going to admit to it? As long as I'm the president of the National Artists Alliance, I will not allow the destruction of national artistic treasures!

ADAM
I'll pay for the damages to this painting.

PHOENIX
Pay for it? Not needed. I want Collins to repent in prison.

ADAM
Can't you just forgive them, considering she suffered for me for eight years?

PHOENIX
But she crossed my line!

Quinn rushes forward and shoves Phoenix.

QUINN
How dare you! You temptress! Do you think you can get away with anything just because you hooked up with the president of the Artists Alliance and know a few rich people? You're still Adam’s wife, and you’re still one of the Dawsons!

ADAM
I know you've always been jealous of Miranda and that we were together once. But it’s not what you think. Can you please stop being so narrow-minded?!

Miranda gets up from her wheelchair and immediately falls to the ground, crying pitifully as she crawls toward Phoenix. She grabs Phoenix's ankle.

MIRANDA
Phoenix, please, for the sake of my being a mother, forgive me! I can't go to jail!

Jake runs to Miranda and cries, calling for his mom.

JAKE
Mommy!

PHOENIX
You have no right to talk to me about motherhood!

EPISODE 31

ADAM
Phoenix! Miranda has done so much! Enough! You crippled her legs! What more do you want to do to her?

Adam tries to help Miranda up, but she waves him off.

MIRANDA
If Phoenix doesn’t forgive me, I won’t get up from the ground for the rest of my life.

QUINN
(To Miranda)
Why are you doing this to yourself?
(To Phoenix)
You barren tramp! You’ve turned our family upside down and now you're persecuting the person who has done so much for us! Aren't you afraid of karma?

PHOENIX
I’m not! Let the karma come! My conscience is clear!

Phoenix says this and strides out of the room, brushing past Adam. Adam is pushed back slightly. His eyes follow Phoenix as she leaves.

INT. CORRIDOR OUTSIDE BANQUET HALL 2 - DAY

Kate and Phoenix leave together.

KATE
Phoenix, is this how they treated you when you were with the Dawsons? You always told us you were doing great…

PHOENIX
That’s all in the past. They won't hurt me anymore.

KATE
Why didn’t you let me tell them you were Angel, that you were my granddaughter?

PHOENIX
I just want to get divorced as soon as possible. I don't want any more complications because of my identity.

KATE
I understand. I have to go to the art museum. I'll get going now.

Phoenix nods and watches Kate leave. A cold wind blows past Phoenix. She coughs and wraps her arms around herself. Issac appears behind Phoenix, holding a jacket. He's about to drape it over her shoulders when Adam appears, pushing Issac’s hand and the jacket aside.

EPISODE 32

ADAM
Mr. Knight, she is my wife. I hope you will act appropriately.

ISSAC
She's about to be your ex-wife, isn't she?

Adam feels provoked. He takes a step forward, and the two men stare each other down. Phoenix looks at Adam with a cold expression.

PHOENIX
Just say what you have to say.

ADAM
I don’t want any outsiders here.

ISSAC
(To Phoenix)
I’ll wait for you inside.

Issac leaves. Adam unbuttons his jacket, takes it off, and tries to drape it over Phoenix's shoulders. Phoenix pushes Adam's hand and the jacket away.

PHOENIX
No need. It's inappropriate given our relationship. Just say what you want.

ADAM
What will it take for you to leave Miranda alone?

PHOENIX
She’s the one who won't leave me alone! She even let Jake rip up my painting!

ADAM
That's my fault! Miranda had an accident while raising money for my company. She suffered memory loss and raised Jake alone. Jake grew up without a father to guide and discipline him. If you want to blame anyone, blame me. Don't take it out on them.

PHOENIX
You only care about your son, Jake! What about our baby?!

EPISODE 33

ADAM
We'll have our own children. But I can't abandon Miranda and her son. I only feel guilt and gratitude toward Miranda now, not love.

PHOENIX
Stop talking. I can let Miranda off the hook. But I have one condition. As long as you agree to it, I will…

ADAM
I agree.

PHOENIX
Aren't you going to ask what the condition is?

ADAM
I'll agree to anything.

PHOENIX
Good. Let’s get a divorce.

ADAM
What did you say?

PHOENIX
I said we're getting a divorce! I've already sent you the divorce papers. Please sign them as soon as possible so we can get this over with.

Adam grabs Phoenix's shoulders, furious.

ADAM
Are you divorcing me for Issac Knight?!

PHOENIX
Come and question me after you sort out your relationship with Miranda!

ADAM
It's true that she was my first love, and she gave birth to my child. But we’re ancient history now! I just want to fulfill my responsibilities and take care of her and our son!

PHOENIX
I’m tired of your family's disrespect. I can't share my husband or my love with anyone else.

Phoenix says this and walks away, brushing past Adam. Adam stumbles slightly.

EPISODE 34

INT. BLUNT MANSION - PHOENIX’S BEDROOM - NIGHT

Phoenix walks out of the bathroom in her pajamas, towel-drying her hair. She slips, and Issac catches her by the waist. She looks at the backlit Issac and loses herself for a moment, then quickly stands up straight, a little shy.

PHOENIX
What are you doing here?

ISSAC
I have something important for you.

Issac gives the restored manuscript to Phoenix. Phoenix is overjoyed.

PHOENIX
Grandpa's painting!

ISSAC
I hired a master restorer to fix it. It's not as perfect as the original, but it can be preserved.

Phoenix happily hugs Issac.

PHOENIX
Thank you, Issac!

Issac raises his hands, hesitates, wanting to hug Phoenix by the waist, but he doesn't. Phoenix lets go of Issac.

ISSAC
One more thing. The set of twelve rare minerals your grandfather was searching for will be auctioned at the art center tomorrow. The Dawsons, as one of the shareholders of the auction house, will also be there. If you don't want to go, I can bid on it for you.

PHOENIX
This set of rare minerals was my grandfather's lifelong pursuit. He never got to see it. I have to go in person and bid on it tomorrow. I’m going to personally make them into pigments to use in the Muse competition.

Issac nods.

INT. AUCTION HOUSE 2 - DAY

"Across Time and Space - An Art Auction" is displayed on the big screen. The guests are anxiously waiting for the auction to start, whispering to each other. Adam, Quinn, Jake, and Miranda are sitting in the first row. Miranda is in her wheelchair.

QUINN
The auction was supposed to start ten minutes ago. What’s the holdup?

Adam's phone rings. He takes it out, looks at it, and puts it back in his jacket pocket.

ADAM
I just got a message. The heiress of the world’s richest family, the Blunts, is coming to the auction. The auction has been delayed.

QUINN
The world’s richest family? No wonder! Adam, you have to seize this opportunity and get to know that heiress!

EPISODE 35

ADAM
Phoenix and I aren't divorced yet. Don’t say things like that.

QUINN
(Scoffs)
That woman, aside from having the same last name of the richest family, is completely useless. She has no money and no power. All she knows how to do is use men for pity and get what she wants. You should listen to me! If you could get with the Blunt heiress, it would be the greatest honor in the Dawson family’s history.

ADAM
Mom, stop talking. I'm not going to suck up to the heiress.

QUINN
What voodoo did she use on you?

Miranda is deep in thought.

MIRANDA (VO)
The Blunt family is the richest in the world. If I can get close to them, even Issac Knight will be wary of me. Then no one will be able to stand up for that wretched Phoenix.

INT. AUCTION HOUSE 2 - ENTRANCE - DAY

A guest looks toward the entrance.

GUEST 1
Miss Blunt is here!

The doors at the entrance of the auction house are closed. Two waiters with white gloves each hold a doorknob and open the doors. Phoenix makes a grand entrance. (The focus shifts from blurry to sharp.) She is wearing a Chanel suit and a hat, walking into the venue with a calm and confident stride. Inside, three guests approach Phoenix, greeting her warmly.

GUEST 2
Hello, Miss Blunt!

INT. AUCTION HOUSE 2 - DAY

Adam and Quinn are intrigued.

QUINN
I have to go say hello. You can never have too many connections.

MIRANDA
Let's go together.

EPISODE 36

INT. AUCTION HOUSE 2 - ENTRANCE - DAY

Phoenix is still chatting with the three guests who greeted her. Miranda, pushed by Quinn, arrives behind Phoenix. Quinn walks up and greets Phoenix from behind, being overly friendly.

QUINN
Miss Blunt, is this your first time here? Let me introduce you. This is Miranda Collins, a great artist.

Phoenix takes off her hat and turns around.

PHOENIX
Didn't we just meet yesterday?

QUINN & MIRANDA
It's you?!

QUINN
You shameless tramp! Yesterday you were trying to seduce Mr. Knight, and today you're trying to seduce the Blunts. I don't know what you did, but you're trying to impersonate the daughter of the world’s richest family!

MIRANDA
Phoenix, how can you sell yourself for money and power? That’s immoral!

PHOENIX
I think you're talking about yourself.

QUINN
How dare you! You're slandering Miranda! She had an accident while raising money for my son.
(MORE)

QUINN (CONT'D)
She had amnesia for eight years and was forced to raise the Dawson family's only heir all by herself. Aren't you afraid of being struck by lightning for slandering a person like her?!

MIRANDA
Phoenix, I know you're not happy about my return, but I just wanted Jake to see his father. If slandering me makes you happy, then go ahead and say what you want.

PHOENIX
If I remember correctly, you were the one who slandered me first. The auction is about to begin. Please get out of the way.

Phoenix tries to walk to her seat. Quinn blocks her.

QUINN
You must apologize to Miranda.

PHOENIX
Don't block my way.

Phoenix pushes Quinn's hand away. Quinn loses her balance and stumbles backward a few steps. Adam rushes over and catches her.

EPISODE 37

ADAM
Phoenix! How can you push my mother? You know she's old and frail!

PHOENIX
She was the one who started insulting me. I just asked her to get out of the way. I was being very polite.

Quinn exaggerates her crying.

QUINN
Adam, you see? This is the wife you don't want to divorce! She's a disaster!

ADAM
Phoenix, apologize to my mother.

Adam grabs Phoenix's wrist. Phoenix shakes her hand free after two hard tugs.

PHOENIX
I won't apologize to her. And I'm already divorced from you. Everything related to the Dawsons has nothing to do with me.

MIRANDA
It's my fault my legs are crippled, otherwise I would have stood up and helped Quinn. Phoenix, you slandered me first and then pushed Quinn. How can you be like this?

ADAM
Is everything Miranda said true? You won't be satisfied until you destroy the Dawson family, will you? Haven't you hurt Miranda enough?

Phoenix looks at Miranda in her wheelchair.

PHOENIX
You believe everything she says. Would you believe anything I say? Are you even willing to listen? The auction is about to begin. Please step aside.

Phoenix leaves, bumping Adam's shoulder slightly. Adam stumbles backward. Adam turns around to comfort Quinn and Miranda.

ADAM
Mom, Miranda, I promise I'll make Phoenix apologize to you.

EPISODE 38

QUINN
Adam, you’re just too kind. She’s already so heartless. Are you still not giving up on her?

ADAM
She's just been led astray by the glamorous outside world. She'll realize her mistake.

QUINN
How could she realize her mistake? Look at Miranda!
(MORE)

QUINN (CONT'D)
She has crippled legs, and yesterday Phoenix made her lose her chance to be Angel's teammate. Miranda worked so hard to raise her son all by herself, and Phoenix even slandered her for cheating!

ADAM
I will bid on that set of twelve rare minerals for Miranda. Angel's grandfather was searching for this set his whole life. With it, Miranda will definitely impress Angel and get back into the Muse competition.

Miranda nods happily. The auctioneer taps the gavel twice, and the room falls silent.

AUCTIONEER
Next, I'd like to introduce our first item. The oil painting "Ruby" by the Chinese artist Zhao Suji.

The buyers in the audience start buzzing with excitement.

BUYER 1
An oil painting by Zhao Suji? She's a world-renowned artist. No wonder this painting looks so expensive. I can't believe it's here at our auction.

Phoenix looks at "Ruby."

PHOENIX (VO)
Something's not right. The frame is oak, not pine. The colors are too dark, and the brushstrokes are clumsy. This is a fake. I can't believe there are fakes at this auction. It's time to do something about this.

MIRANDA
Quinn, Adam, look at how amazing this painting is! Zhao Suji is my favorite contemporary Chinese artist! I'd be so happy to own one of her paintings.

QUINN
That's nothing. You're the great hero of the Dawson family. If you want it, bid on it!

ADAM
Bid on it.

Miranda happily raises her number 20 paddle.

MIRANDA
Ten million.

EPISODE 39

AUCTIONEER
Lot number 20 bids ten million. Are there any higher bids?

BUYER 1
Ten million right off the bat. She’s so generous!

BUYER 2
I envy that young lady in the wheelchair. I want that painting, too. But I don’t have as much money as she does.

MIRANDA (VO)
Look, Phoenix. Even if you're Adam’s wife, as long as I'm back by his side, I can have anything I want. You'll always be a loser in my eyes.

AUCTIONEER
Ten million going once… ten million going twice… ten million…

The buyers in the audience are whispering. Miranda is certain she’ll win. The auctioneer is about to bring down the gavel. Phoenix raises her number one paddle.

PHOENIX
Wait.

Miranda looks at Phoenix.

PHOENIX (CONT’D)
Thirty million!

QUINN
Where did she get so much money?

MIRANDA
It must be money from Issac Knight. She wants to compete with me for everything. Everything I want, she wants to fight me for.

QUINN
That filthy tramp. Don't worry. If you want the painting, keep bidding. I don’t believe Knight would give her that much money.

ADAM (VO)
Phoenix, where did you get all this money? Did you and Knight really get that serious?

Miranda raises her paddle.

MIRANDA
Fifty million.

EPISODE 40

A huge commotion breaks out in the audience.

BUYER 1
Fifty million? This painting is worth, at most, thirty million.

BUYER 2
Only a vulgar nouveau riche would bid such a high price!

Miranda overhears their conversation and purposely raises her voice.

MIRANDA
I'm an artist. I admire Zhao Suji’s paintings very much. Half of this price is for the value of the painting, and the other half is out of respect for Zhao Suji.

QUINN
Miranda is a great artist. She even participated in the Angel team selection and was a student of the British master, Robert Sterling. The paintings she likes must be of extraordinary value.

BUYER 1
No wonder. She's a great artist. My apologies.

MIRANDA
Phoenix, it’s already at this price. Do you still want to compete with me?

Phoenix raises her paddle again.

PHOENIX
One hundred million!

Miranda is shocked. A huge commotion erupts.

AUCTIONEER
Lot number one bids one hundred million dollars! This is the highest price this painting has ever fetched at an auction! One hundred million going once¦ one hundred million going twice¦

The auctioneer is about to bring down the gavel.

AUCTIONEER (CONT'D)
One hundred and three...

Miranda struggles for a long time, then at the last moment, she quickly raises her paddle and shouts:

MIRANDA
One hundred and ten million!

EPISODE 41

QUINN
(Reluctantly)
Miranda, a few million is one thing, but over a hundred million is too much.

MIRANDA
I'm sorry. If she bids any higher, I'll stop.

QUINN
Okay. Okay.

AUCTIONEER
One hundred and ten million once. One hundred and ten million twice...

Miranda is nervous. Phoenix is calm.

AUCTIONEER (CONT'D)
One hundred and ten million three times. Sold!

The auctioneer strikes the gavel.

AUCTIONEER (CONT'D)
Congratulations to the lady with paddle number 20 for winning the oil painting "Ruby" by Chinese artist Zhao Suji.

Miranda breathes a sigh of relief. Applause erupts from the audience.

MIRANDA
I knew Knight wouldn't give Phoenix that much money. She's just a plaything to him.

Phoenix gets up and walks over to Miranda.

PHOENIX
Congratulations on getting the painting.

MIRANDA
I couldn't have done it without Adam. If he wasn't willing to spend so much money on me, I wouldn't have been able to win it.

Phoenix claps.

PHOENIX
You two really are a lovely couple.

ADAM
You don't need to be so sarcastic. Miranda and I have a clear conscience. She's sacrificed so much for the Dawson family. This is what she deserves.

PHOENIX
I'm not being sarcastic. I sincerely wish the Dawson family to be forever united.

Phoenix returns to her seat. Miranda leans in close to Phoenix.

MIRANDA
Hey, Phoenix, your sugar daddy can only give you so much money? I'm so sorry, but I got the painting.

PHOENIX
That painting is just a piece of trash. Why would I fight with you over trash?

Miranda is angry and speechless.

AUCTIONEER
The next item up for auction is a set of 12 rare colored ores, appearing again after 80 years. The late national treasure artist Alexander Blunt once said that only with pigments made from these ores could one paint the most beautiful scenery on Earth.

An auction employee carries the 12 colored ores onto the stage. Phoenix and Miranda are both very excited when they see the stones.

EPISODE 42

BUYER 1
These are the 12 colored ores that Mr. Blunt spent his whole life searching for. With such a high appraisal from him, these stones must be priceless.

BUYER 2
Indeed. The oldest of these stones can be traced back a thousand years. The collection value is immeasurable.

BUYER 1
I bid one hundred million!

BUYER 2
I bid one hundred and thirty million!

Miranda excitedly raises her paddle.

MIRANDA
One hundred and fifty million!

MIRANDA (VO) (CONT'D)
I have to get this set of ores. Only with them can I have a chance to be Angel's teammate. No matter the result of the Muse competition, my reputation will rise to a new level!

Phoenix glances at Miranda, calmly raises her paddle, and bids.

PHOENIX
One billion dollars!

Everyone in the room looks at Phoenix in shock. Adam is also shocked. The buyers in the room start to whisper excitedly. Miranda looks at Phoenix.

BUYER 1
One billion dollars? That's an astronomical price!

BUYER 2
I've only dreamed of seeing that much money.

Miranda looks at Quinn.

MIRANDA
How can she have that much money?

QUINN
Darling, I know this set of ores is very important to you. But one billion dollars is too much.

MIRANDA
You're right. The Dawsons don't have that much money, and Phoenix certainly doesn't either. When she can't pay, the stones will be mine.

ADAM (VO)
Phoenix has no artistic foundation whatsoever. Why would she want these ores? Is she really just jealous of Miranda and me?

An auction employee walks over to Phoenix with a card machine. Quinn and Miranda are waiting to see her fail.

QUINN
Just you wait. She definitely doesn't have that much money. Let's see how she gets out of this.

Phoenix calmly takes a credit card from her bag and gently taps it on the card machine.

EPISODE 43

CARD MACHINE (VO)
Ten billion dollars transaction successful.

Miranda, Adam, and Quinn look at Phoenix in disbelief.

INT. AUCTION HOUSE 2 - OUTSIDE - DAY

Phoenix holds the box with the ores, looking very happy.

PHOENIX (VO)
I finally have the ores that my grandfather always dreamed of.

Phoenix walks outside the venue, surrounded by buyers who are also leaving. Quinn, pushing Miranda with Jake beside them, walks up to her. Miranda gives Jake a look. Jake immediately runs over to Phoenix, bites her arm hard, and snatches the box from her hand.

PHOENIX (CONT'D)
My stones! Give them back!

Quinn stands in front of Jake, blocking Phoenix.

QUINN
You know-nothing fool! Do you really think you're a respected artist like Miranda?

PHOENIX
These ores are what I bought at the auction. What right do you have to steal them?

QUINN
On the grounds that you crippled Miranda's legs! And caused her to make a fool of herself at the Angel selection!

Jake runs over.

JAKE
Grandma said these ores are for artists to make pigments, not for an ugly woman like you to play with!

Jake makes a face at Phoenix. Quinn puts her arm around Jake's shoulder, smiling indulgently.

QUINN
Jake is so smart! That's right! When we get home, Grandma will give you some chocolate!

Quinn looks at Phoenix with a challenging look. Phoenix reaches for the box in Jake's hand.

PHOENIX
Give me the box!

EPISODE 44

Jake holds on tightly. Phoenix and Jake struggle. Quinn helps Jake.

PHOENIX (CONT'D)
Give it back!

MIRANDA
Phoenix! Jake is just a child, how can you steal from a child!

Quinn swings her arm and slaps Phoenix.

QUINN
Stay away from my baby Jake!

Phoenix falls to the ground. Adam, holding "Ruby," walks out of the venue. Miranda sees Adam and gives Jake another look. Jake takes the box of ores and runs to Adam.

JAKE
Daddy! That bad woman is bullying me! And she's bullying Mom! She even tried to hit me!

Adam asks Phoenix in a relatively gentle tone.

ADAM
What's going on?

PHOENIX
I...

Phoenix is about to speak, but Miranda interrupts her.

MIRANDA
Adam, Quinn and I were just standing up for you and said a few words to her. You were so good to Phoenix, but she still cheated on you with a rich man and left you. She got angry and hit us.

PHOENIX
But they're the ones who stole my...

ADAM
Enough!

EPISODE 45

Before Phoenix can finish, Adam angrily interrupts her.

ADAM (CONT'D)
Jake and Miranda don't lie! And the ores... they're so rare that even the top artist Alexander Blunt struggled to find them. They're useless to you! You know nothing about painting. Why do you have to steal what Miranda wants?

PHOENIX
I bought these ores. What I use them for is none of your business.

ADAM
I know you're suspicious of Miranda and me, and you're jealous of her, but we really are innocent. This set of ores should be for Miranda to use. Because of you, she already lost her chance to be Angel's teammate. If she can't use these ores to make a name for herself, are you just going to let her miss the Muse competition and regret it for the rest of her life?

PHOENIX
Do you think someone who can't even tell a real painting from a fake has the ability to participate in the Muse competition?

ADAM
What do you mean by that?

PHOENIX
The oil painting she just bought at the auction is a fake. Do you think, with her skills, having these ores would actually help her?

Quinn takes "Ruby" from Adam's hand.

QUINN
What nonsense are you talking about? How could this painting be a fake?!

MIRANDA
Phoenix, how can you question my professional judgment! Even if you want to ruin my dreams, you don't need such a terrible excuse!

PHOENIX
It's very easy to prove this painting is a fake.

Phoenix snatches the painting from Quinn, lifts it above her head, and smashes it to the ground. The frame breaks, and the canvas is exposed. Quinn, Miranda, and Adam are all horrified.

EPISODE 46

QUINN
What are you doing! This is a one hundred million dollar oil painting! Can you afford to pay for the damage?

PHOENIX
If you knew anything about the artist Zhao Suji, you'd know that she was an artist who loved to add natural fragrances to her pigments, and she only used sandalwood for her frames. This painting has no fragrance whatsoever, from the inside out.

MIRANDA
You're an amateur, what do you know?

PHOENIX
You can ask any art appraiser, and they'll confirm what I said.

MIRANDA
Adam, look at her. How can she do this to me!

ADAM
You've gone too far! Are you more professional than the auction house's appraiser?

Phoenix takes out a lighter and lights it.

PHOENIX
You don't believe me? Let's verify it!

MIRANDA
What are you doing? That's a one hundred million dollar painting!

Phoenix throws the lighter onto "Ruby" on the ground. A flame ignites. In the firelight, Miranda, Quinn, and Adam are stunned. Phoenix smiles calmly.

QUINN
You're crazy! You crazy woman!

Miranda grips the handles of her wheelchair, almost forgetting she's pretending to be crippled, trying to stand up, but she can't.

MIRANDA
Save the painting!

Quinn and Adam run over to put out the fire.

QUINN
That's a one hundred million dollar painting!

PHOENIX
This painting is worthless! When the painting and frame burn, there's only the smell of smoke and oil paint. There's no fragrance at all, so it can't possibly be real.

After Adam puts out the fire, he turns and slaps Phoenix.

ADAM
You've gone too far! You already made Miranda lose the use of her legs, and now you want to take away her dreams! I'll decide! Those ores are for Miranda!

Phoenix covers her face, looking up at Adam in disbelief. Then she grits her teeth, swings her arm, and slaps Adam back fiercely.

PHOENIX
Have I been too kind and lenient with you, making you think you can ignore my sacrifices and trample on my dignity?

EPISODE 47

Quinn rushes forward and slaps Phoenix. Phoenix falls to the ground.

QUINN
How dare you! You burned my painting and you slapped my son! You deserve a beating.

Quinn kicks Phoenix repeatedly. Adam tries to stop Quinn. Richard Harris (30, the general manager of the auction house) walks over from a distance with six security guards in black suits and sunglasses, scolding the guards as he walks.

RICHARD
Why didn't anyone tell me that Miss Blunt was coming to the auction? This is a very important matter!

Richard stops when he sees Phoenix in the distance.

RICHARD (CONT'D)
Miss Blunt! Miss Blunt!

Richard runs to Phoenix with the security guards. Richard helps Phoenix up from the ground.

RICHARD (CONT'D)
Miss Blunt, are you okay?

QUINN
(Sarcastically)
Look at this shameless bitch!

Quinn reaches out to hit Phoenix, but Richard stops her. Richard shakes her hand off, and Quinn stumbles back a few steps and is caught by Adam.

QUINN (CONT'D)
It's only been a day, and you've already found a new sugar daddy. Phoenix, is there anyone more shameless than you?

MIRANDA
How can you be so cheap? Don't you know that Adam has been waiting for you to come home?

ADAM
We're not divorced yet! Are you that impatient to climb into another man's bed?

EPISODE 48

PHOENIX
Think whatever you want! Today, if you don't give me back the ores, you're not leaving!

QUINN
How dare you talk to us like that! I'm telling you, this set of ores can only reach its full potential with Miranda. In your hands, they're no different from the stones on the side of the road!

Phoenix signals to Richard.

PHOENIX
Do it.

Richard nods and then loudly announces to Adam and the others.

RICHARD
From today on, all the funds the Dawson family has invested in the auction house will be returned. You will no longer be shareholders!

ADAM & QUINN
What?!

Richard signals to the security guards.

RICHARD
Do it!

The security guards form a neat line, separating Phoenix and Richard from Adam and his family. Adam, Miranda, and Quinn are all stunned.

INT. AUCTION HOUSE 2 - EXIT - DAY

Six security guards force Adam, Miranda, Quinn, and Jake out. Jake holds Miranda's hand.

JAKE
Mommy, are you okay?

MIRANDA
I'm fine, sweetie.

ADAM
I'm sorry, Miranda. What happened today was all Phoenix's fault.

MIRANDA
It's okay, Adam. It's my own fault for being useless, for not being able to protect my legs, and for missing the Angel selection. Now I've even lost the ores for pigments.

QUINN
Adam! Phoenix has done so many things to hurt Miranda. Miranda is so pitiful!

ADAM
Tomorrow, I'll take you to the Muse competition venue. As long as we can meet Angel, there's still a chance.

MIRANDA
Okay! If not, I'll be satisfied just to see my idol, Angel, in my lifetime. Thank you, Adam.

QUINN
In the end, it's all that bitch Phoenix's fault. Otherwise, Miranda would have been a candidate for the Muse champion, not just an audience member. Adam! I think Phoenix is only so powerful because she's good at seducing men. You have to divorce her immediately!

ADAM
(Reluctantly)
Okay.

EPISODE 49

INT. AUCTION HOUSE 2 - STAIRCASE - DAY

Phoenix walks down the spiral staircase. Adam walks up the stairs and stops in front of her.

PHOENIX
Please remember who you are. You're just my ex-husband.

Adam puts his hands on Phoenix's shoulders.

ADAM
I'm sorry! I shouldn't have hurt you in a moment of panic.
(MORE)

ADAM (CONT'D)
I don't believe you're with those men. I'll believe you if you say you're not.

PHOENIX
I'm not with them.

Adam gives a relieved smile.

PHOENIX (CONT'D)
But I don't think much of you, either.

Phoenix pulls Adam's hands off her shoulders. Phoenix leaves without looking back. Adam slams his fists on the handrail in frustration.

INT. DAWSON'S MANSION - LIVING ROOM - DAY

Quinn and Miranda stand in front of a floor-to-ceiling mirror. Quinn puts a diamond necklace around Miranda's neck.

QUINN
This diamond necklace suits you so well! If you wear it tomorrow, Angel will definitely be drawn to you!

Adam holds the signed divorce agreement, with both Phoenix and Adam's signatures on it.

MIRANDA
Adam, do I look good?

Adam forces a smile and nods.

ADAM
Yes. It's beautiful.

EPISODE 50

INT. MUSE COMPETITION - LOBBY - DAY

Six reporters crowd the corridor outside the entrance, holding microphones and cameras, vying to interview the contestants entering the venue. Three to five contestants enter the venue through the entrance. Quinn pushes Miranda to the side of the entrance.

QUINN
The Muse Competition is something else. The scale and the decor must be worth hundreds of billions.

MIRANDA
The Muse Competition is sponsored by the world's richest family, the Blunts. Of course, it's a huge production. And the heiress of the Blunt family will also be here today.

QUINN
I finally get to see Miss Blunt's true face!

With that, Quinn takes out her phone and takes a picture of the entrance.

QUINN (CONT'D)
I can get a picture of the Muse Competition contestants!

Phoenix walks into the venue, holding a box of paints and brushes. Quinn sees Phoenix and her smile turns into a look of disgust.

QUINN (CONT'D)
It's her.

Miranda turns to look at Phoenix, her face also turning sour.

MIRANDA
Phoenix? Why is she here?

Phoenix walks inside, not seeing Quinn or Miranda.

QUINN
She must have used some kind of seductive tricks. How else would a housewife who knows nothing about art be qualified to enter the Muse Competition? She had us thrown out of the auction, and I still haven't settled the score with her! This time, I'm going to get her for everything!

Quinn rushes to Phoenix and raises her hand, ready to slap her.

EPISODE 51

INT. MUSE COMPETITION - LOBBY - DAY

Phoenix catches Quinn's raised hand in mid-air and throws it away.

PHOENIX
What are you doing?!

QUINN
What do you mean, 'what are you doing?' You’re so shameless. You must have slept with some men to get a contestant spot, right? How dare you show your face here?

Phoenix ignores Quinn and keeps walking. Quinn blocks her path.

PHOENIX
I don’t need to prove anything to a fool like you. Get out of my way!

MIRANDA
Phoenix, Quinn means no harm. If you hadn't crippled my legs and prevented me from becoming Angel's teammate, she wouldn't be so upset.

PHOENIX
Don't think that just because I can't be bothered to explain, and there are people foolish enough to believe you, you can twist the truth! You were the one who pushed me down the stairs and caused my miscarriage. As for your legs, you and I—and God—know whether they’re really crippled or not!

MIRANDA
I don’t understand what you’re talking about.

QUINN
You've really gone off the rails since you left the Dawson family! Youâ€™re a terrible liar! You caused her miscarriage? Why has she never said anything about it? And you're accusing Miranda of faking her injuries!

Quinn motions for the reporters and onlookers to gather around.

QUINN (CONT’D)
Everyone, come and see! This Phoenix Blunt is a slut who sleeps with powerful and wealthy men for money and special favors! A married woman who has orgies with any man who will have her!

(MORE)

QUINN (CONT'D)
She even tried to murder someone and caused an innocent person to lose the use of her legs! My poor Miranda is a great artist, but today, she's stuck as a spectator at the Muse competition! But her! An outsider who only knows how to cook and do laundry, is a contestant at the Muse competition! Is that fair? She has no right to be here! Today, I'm going to expose her in front of all the reporters! Phoenix Blunt got into the Muse competition by cheating!

The reporters look at each other in shock.

REPORTER 1 & 2
What?!

EPISODE 52

REPORTER 1
(Holding a microphone)
Ma'am, you can't be serious! The Muse Competition is a world-class art contest. Who would dare to cheat?

REPORTER 2
What a baseless lie. No one who lacks skill has ever been a contestant at the Muse Competition.

QUINN
(Scoffs)
Isn't this woman right here one of them? She's the trash that was kicked out of our family for tarnishing the Dawson name! Now, to make money, she's used some dirty tricks to seduce men and steal Miranda's spot.

REPORTER 1
What does that mean?

MIRANDA
It was my dream to participate in the Muse Competition with my idol, Angel. If Phoenix hadn't pushed me down the stairs and prevented me from becoming Angel's teammate at the selection, I wouldn't be a spectator today.

REPORTER 2
Miss Blunt, is what they're saying true?

PHOENIX
I was indeed Adam Dawson's wife. But I have never used dirty tricks to seduce men. They're just spreading rumors. As for her not being able to participate in the Muse competition, it's because she isn't good enough, and it has nothing to do with me.

QUINN
We've seen it countless times! From the Blunt family to the auction house manager, there isn't a man you haven't seduced! You're a whore who sleeps with anyone! You've ruined the Dawson family name!

PHOENIX
Do you have any evidence to prove it?

Miranda nervously clenches her dress. Adam and Jake walk over, laughing, not yet noticing what's happening. Miranda suddenly slaps herself twice, hard.

MIRANDA
Phoenix, I'm so sorry! It's my fault! Jake and I shouldn't have come back! We're the ones who made you angry! But I'm just looking out for you. If you, who know nothing, participate in the Muse competition, you'll embarrass the entire Dawson family and the country!

PHOENIX
What are you putting on a show for now?

Adam grabs Phoenix's hand.

ADAM
What are you trying to do now?! You've gone too far, bullying Miranda in front of all these people!

Jake rushes at Phoenix, hitting and kicking her. Phoenix, seeing that Jake is just a child, doesn't fight back. She just holds onto her art supply box. Adam pulls Jake away.

ADAM (CONT'D)
Jake, Jake.

PHOENIX
When did you see me bully her?

MIRANDA
Phoenix! Please stop saying that! Adam is only taking care of me because he feels sorry for me for Jake's sake. He has such deep feelings for you. How can you betray him like that?!

QUINN
Exactly! Just because you sleep around, you think everyone else is like you? How many men did you sleep with to steal Miranda's spot in the Muse competition?!

EPISODE 53

ONLOOKER 3
I can't believe this woman looks so glamorous, but she’s a tramp behind closed doors! So shameless.

Miranda smirks to herself when she hears what the onlookers are saying.

ONLOOKER 4
If I were her, I'd be too embarrassed to be here. How many men did she have to sleep with to get to the top? Someone like her, who uses tricks, should be kicked out!

Adam grabs Phoenix's wrist.

ADAM
Apologize to Miranda right now, and I’ll give you one last chance to leave the Muse competition.

Phoenix pushes Adam's hand away.

PHOENIX
I came to the Muse competition fair and square. I don’t need anyone’s help. And no one can frame me!

ADAM
What?

MIRANDA
Why are you being so stubborn? The Muse Competition isn't a joke! If you lose on stage, you'll embarrass the entire country!

ONLOOKER 1
This lady is right. Letting a complete outsider participate in the Muse competition is an embarrassment to the entire American Artists Alliance!

ONLOOKER 2
Where are the people from the Blunt family, the sponsors of the Muse Competition? They're protecting a contestant. This can't be brushed under the rug! They have to give us an explanation!

Miranda gives a smug, contemptuous smile.

ADAM
Phoenix, you can still leave now. When the Blunt Group's people get here, with so many people watching, you won't get a good outcome.

PHOENIX
What if the Blunt Group's people get here? So what?

QUINN
Let's see how long you can keep that up! Someone has already gone to inform the organizers! When the Blunt Group's people arrive, they will definitely kick an imposter like you out of the Muse Competition!

MIRANDA
Phoenix, you don't need to compete with me in painting. No matter how jealous you are of me, you can't offend the Blunt Group. Not only will you be blacklisted from the Muse Competition forever, but you'll also drag the Dawsons down, and Adam will be implicated too.

PHOENIX
I guess I should thank you for the reminder.

MIRANDA
It's good that you understand my kind intentions.

PHOENIX
Then I'll just stand right here and wait for the Blunt Group to arrive.

ADAM
(Shouting angrily)
How long are you going to be so stubborn?! Haven’t you caused enough trouble?!

PHOENIX
The situation has gotten so out of control. How can I leave now?

EXT. MUSE COMPETITION - OUTSIDE - DAY

A luxury car carrying Logan and Carina pulls into the driveway. Three bodyguards in black suits and sunglasses run alongside the car. The car stops. The side door opens, and Logan gets out with a cold look in his eyes. The door on Carina’s side opens, and she gets out gracefully. Carina links arms with Logan and they walk into the hotel.

EPISODE 54

Adam grabs Phoenix's hand, trying to force her to leave.

ADAM
Come with me!

Phoenix resists.

PHOENIX
Let go of me! You're hurting me!

ADAM
Phoenix Blunt! Don’t think that just because your name is Blunt, you can get away with this! When they get here, do you want to offend the world's richest family?!

Adam yanks on Phoenix's arm, dragging her away. Phoenix struggles but is too weak. She stumbles a few steps.

PHOENIX
You have no right to meddle in my affairs!

Phoenix forcefully pulls her hand away and falls to the ground. She holds her arm in pain and sits on the floor. Reporters push Adam aside and rush over to Phoenix, taking pictures. Onlookers also gather around Phoenix.

REPORTER 1
Miss Blunt, which man did you sleep with to get into the Muse Competition?

REPORTER 2
You obviously committed attempted murder when you pushed someone down the stairs. Aren’t you afraid of legal consequences?

The reporters shove their microphones in Phoenix's face. Phoenix covers her face with her hands.

PHOENIX
Don't touch me. Don't touch me.

MIRANDA
(Pleased)
Phoenix Blunt, today is the day your reputation is destroyed.

EPISODE 55

The onlookers film Phoenix with their phones.

ONLOOKER 2
Tell us, Miss Blunt!

ONLOOKER 3
We have to expose a shameless woman like her online!

ONLOOKER 4
She's a disgrace to all women and a scumbag in the art world!

PHOENIX
Go away! Don't film me! Go away!

Adam sees Phoenix being tormented and can't bear it. He wants to help her. Miranda grabs Adam's arm.

MIRANDA
Adam! I'm scared. Don't leave me!

Adam glances at Phoenix, hesitates for a second, and doesn't go to help her.

ADAM
Okay, I won't go.

Jake makes a face at Phoenix.

ONLOOKER 1
I say we should strip a whore like her, who slept her way to the top, and see how filthy and disgusting she is!

Miranda smiles triumphantly. The onlookers rush forward and start tearing at Phoenix’s clothes. Phoenix is overwhelmed.

PHOENIX
Let go of me! Let go of me!

Adam still can't bear it. He takes a step forward to help Phoenix, but Miranda pulls his arm, stopping him. Just then, someone shouts.

REPORTER 1 (OS)
The Blunts are here!

REPORTER 2 (OS)
It's Mr. and Mrs. Blunt!

Adam looks at the entrance.

EPISODE 56

Logan and Carina walk in. The reporters and onlookers swarm them. Reporters hold up their microphones to interview them.

REPORTER 1
Mr. Blunt! As the richest family in the world and the organizers and sponsors of the Muse Competition, why are you protecting a person with no artistic foundation?

REPORTER 2
Can you give us an answer?

LOGAN
I don't know what you're talking about. My father is Alexander Blunt. I will respect his reverence for art. Cheating is absolutely not allowed at the Muse Competition.

REPORTER 1
We have on-site witnesses and solid evidence!
(MORE)

REPORTER 1 (CONT'D)
Mr. Blunt, are you trying to deflect? Or are you having an affair with the woman you're protecting?

CARINA
I know exactly what kind of person my husband is. I'll sue you for spreading these rumors!

On the side, Quinn urges Adam to suck up to the Blunts.

QUINN
Adam, if you expose Phoenix, the Blunts will definitely reward us handsomely!

ADAM
Mom! Stop it. I can't do that.

Quinn, seeing she can't convince Adam, walks up to the Blunts herself. Carina asks the reporters to move aside.

CARINA
Excuse me. You're blocking our way.

Quinn rushes forward.

QUINN
Mr. and Mrs. Blunt, I'm the witness! That Phoenix Blunt really did use inappropriate means to get into the Muse Competition and impersonate a contestant! But I believe this has nothing to do with you. That whore just secretly replaced another contestant...

CARINA
What did you say? Phoenix? Where is she?

QUINN
Mrs. Blunt, you don't have to be so eager to scold her.

The reporters and onlookers disperse, and Carina sees a weak Phoenix on the ground, fixing her clothes.

CARINA
Phoenix!

Carina pushes Quinn away.

CARINA (CONT'D)
Get out of the way!

Carina and Logan run to Phoenix and help her up.

CARINA (CONT'D)
Don't be scared. We're here now.

QUINN
Mrs. Blunt, you must have the wrong person. She's the slut who used her connections to get in here!

CARINA
Shut your dirty mouth! Listen, everyone! She's not a cheater, and she's not a woman who clings to the Blunt family. She is my daughter!

EPISODE 57

LOGAN
Who started these rumors?

Quinn looks confused.

QUINN (VO)
Did Phoenix seduce Mr. Blunt too?

The reporters look at each other, afraid to speak. The onlookers also lower their heads, feeling guilty.

REPORTER 1
Mr. Blunt, we're not making things up. It's her ex-husband's family who told us!

MIRANDA (VO)
Is Mrs. Blunt trying to save face by denying that Phoenix got a contestant spot through connections and is now claiming she's a family member?

Miranda goes up to Logan and raises her hand, wanting to shake his hand.

MIRANDA (CONT'D)
Mr. Blunt, it's a pleasure to meet you. I'm Miranda Coll…

LOGAN
Nobody cares what your name is!

Logan interrupts Miranda. Miranda puts her hand down, looking disappointed.

MIRANDA (VO)
If a secondhand item like Phoenix can get it, why can't I?

QUINN
Even if your Blunt family has a peculiar taste for discarded sluts, you can't protect her like this! If you like women like her, I can find you a hundred thousand of them!

Logan is so angry his eyes are bulging. Adam immediately grabs Quinn.

ADAM
Stop talking!

QUINN
Are you still defending this woman?! She's a walking disaster! I already sent out the divorce papers.

Adam is shocked.

ADAM
What did you say? I never said I wanted a divorce!

QUINN
You have nothing to do with her anymore! I did this for your own good!

Carina slaps Quinn hard.

QUINN (CONT'D)
You hit me?

CARINA
I did!

Quinn points at Phoenix.

QUINN
She's the mistress who seduced your husband to get into the Muse Competition! Are you hitting the wrong person?!

CARINA
Mistress? She's my daughter!

ADAM
Mrs. Blunt, how could you hit my mother? She did it for my own good. I've already investigated Phoenix's background. She's an orphan with no parents. Why are you protecting her?

CARINA
Would I mistake my own daughter? Do you think my brain is as empty as yours? You didn't want the wife who dedicated five years of her life to you. My daughter is a human being! You bullied her for five years!

ADAM
She… she's really your daughter?

EPISODE 58

QUINN
How can she be the daughter of the world's richest family? She served me like a maid for five years.

Carina slaps Quinn again. Adam holds Quinn up. Miranda looks nervous.

CARINA
You don't believe it? I'll show you today!

Carina takes out her phone. The wallpaper is a family photo.

CARINA (CONT'D)
This is our family photo! You dared to treat my daughter, whom I cherish, like a maid!

QUINN
She really is the heiress of the Blunt family!

Phoenix holds Carina's hand with the phone in it and tries to calm her down.

PHOENIX
Mom, I'm fine. It's all in the past.

Carina is still furious.

CARINA
It's just not fair!

ADAM
Phoenix, why did you hide your identity from me?

LOGAN
Because she didn't want you to feel pressured! She didn’t want your love to be anything but pure. She was naive enough to think true love could overcome anything.

Logan grabs Adam by the collar. Quinn holds Adam’s arm.

LOGAN (CONT’D)
And you? If the Blunt Group hadn't been secretly helping you all these years, the Dawson family would have gone bankrupt long ago!

Logan shoves Adam away. Quinn holds him.

ADAM
No wonder our partners kept canceling their contracts.

Miranda looks guilty. Quinn immediately slaps herself and then runs over to Phoenix, grabbing her hand.

QUINN
Oh, my Phoenix, why did you wait until now to tell us something so important? You're the heiress of the world's richest family, the Blunt Group. How could I ever agree to you divorcing Adam?!

EPISODE 59

Phoenix pulls her hand away from Quinn.

PHOENIX
Let go! I'm disgusted by you touching me! Weren’t you just spreading rumors and trying to hit me to protect Miranda in front of everyone? Have you forgotten everything you said just now?

Quinn grabs Phoenix's hand again.

QUINN
I apologize! It's all my fault! Your family is so rich; you can definitely cure Miranda's legs.
(MORE)

QUINN (CONT'D)
And for the Muse Competition, as long as your family helps, Miranda can definitely participate.

PHOENIX
You're ridiculous. Just now, you said I was impersonating a contestant, and now you want us to help Miranda get in?

Carina pushes Quinn's hand away from Phoenix.

CARINA
Stay away from my daughter!

Quinn stumbles back, and Adam holds her up. Carina puts her arm around Phoenix's shoulder.

CARINA (CONT'D)
The Dawsons have no right to touch my daughter!

QUINN
I'm so sorry, Adam. This is all my fault. If it weren't for me, you and Phoenix wouldn't be getting divorced.

Phoenix sheds a tear.

ADAM
Mom, it's not your fault.

QUINN
I just regret it so much! Now that I think about it, Phoenix is the most perfect daughter-in-law in the world.

CARINA
It's easy to say that now. When she left the hospital, you had nearly trampled her hands, and she lost her first…

MIRANDA
Mrs. Blunt!

Miranda interrupts Carina.

MIRANDA (CONT'D)
I know you don't like us. But Quinn has apologized.
(MORE)

MIRANDA (CONT'D)
No matter how you feel, for the sake of our sincerity, shouldn't you let Phoenix come back to the Dawson family? After all, a woman who has been abandoned by her husband…

LOGAN
(Shouting)
Silence!

Logan interrupts Miranda.

LOGAN (CONT'D)
My daughter could get divorced a hundred times and still have a long line of suitors! The Dawsons… what do you even amount to?

Adam seems ready to compromise.

ADAM
Phoenix, do you really feel that way?

EPISODE 60

PHOENIX
Yes! If I could choose again, I would never have married you!

Adam takes a step back in pain, clutching his chest.

ADAM
So, you had the means to hire the best doctors to compensate Miranda and fix her legs, but you didn't. You made the Dawson family go through hell just so you could divorce me.

PHOENIX
Listen to yourself. What you're saying is ridiculous!

MIRANDA
We don't need to beg her! So what if they're rich? As long as Angel sees my talent, she'll appreciate me. Then the Dawson family will become famous through the Muse Competition! We will get everything we lost back!

Quinn nods repeatedly.

QUINN
You're so smart!
(Scoffs)
So what if they're the world's richest family? We don’t need them!

CARINA
My daughter is...

PHOENIX
Mom, let's not bother with them. The competition is about to start. I need to get ready.

CARINA
Okay. I almost forgot about what’s important. This is about your grandfather's last wish.

LOGAN
We’ll settle this with you later!

Logan and Carina put their arms around Phoenix's shoulders and hold her hand as they walk into the competition venue.

MIRANDA
So what if she’s the Blunt family heiress? I won't let you shine in this Muse Competition. Instead, I'll make you a laughingstock in the art world!

EPISODE 61

INT. MUSE COMPETITION - VENUE - DAY

HOST (VO)
Please welcome our final contestants!

The aisles are packed with spectators. Phoenix, bathed in spotlights and backlights, walks into the venue, holding her paint box. Many spectators in the audience hold banners and fan signs that read, "Glory to America," "It’s Coming Home," and "Angel Must Win." Many also hold American flags. The large LED screen on the stage reads, "Muse Competition Finals." The host stands in the center of the stage, with easels on both sides. On the right is the French contestant, Jean-Claude Moreau (35), and on the left is Phoenix.

Phoenix caresses her paint box.

PHOENIX (VO)
Grandpa, I will use the most precious ores you spent your life searching for to create the most beautiful scenery on Earth. I will win the Muse Competition and bring the championship trophy home.

Moreau looks at Phoenix with disdain, giving her a thumbs-up but then turning it upside down. Phoenix glances at the provocative Moreau and ignores him. Phoenix opens her paint box and finds that all the pigments, which were originally neatly separated, have been mixed into a dirty gray-black color. The audience below, seeing that Phoenix hasn't started painting, begins to whisper.

SPECTATOR 1
Why is the American contestant taking so long to start painting? It’s been half an hour already.

SPECTATOR 2
Yeah. The French contestant next to her has already finished the rough sketch.

QUINN
I thought she was something. The Blunt family heiress is nothing special after all.

ADAM
Mom, stop with the sarcastic remarks.

QUINN
She humiliated me in front of so many people earlier. If she wants to come back to the Dawson family, she has to give me at least one hundred million! Otherwise, I won’t agree.

ADAM
She's not the same Phoenix anymore.

QUINN
I remember everything she did to Miranda! I'll definitely settle the score with her after the Muse Competition!

MIRANDA (VO)
Even the greatest painter will fall in the art world without paint.

FLASHBACK

INT. MUSE COMPETITION - LOUNGE - DAY

Miranda stands up, walks over to Phoenix’s paint box, and opens it.

MIRANDA
These must be the pigments you made from those rare ores. If I can't have them, you can't either!

Miranda squeezes all the tubes of paint into a single mess and uses a paintbrush to stir them until they become a dirty gray-black color.

**END OF FLASHBACK**

INT. MUSE COMPETITION - VENUE - DAY

On the stage, Moreau is painting quickly, while Phoenix stares at the ruined pigments, motionless.

EPISODE 62

The host stands between the two contestants.

HOST
Only fifteen minutes left until the end of the competition! Please hurry, contestants!

MOREAU
Are there no real artists left in the American art scene? Where's Angel? Let her come and compete with me.

PHOENIX
The time isn’t up yet. I haven’t lost!

MOREAU
My oil painting is the best in the world! No one can beat me unless Angel is here. A country with only two hundred years of history, obsessed with fame and fortune, and filled with drug addicts, could never produce a great artist. Referee! I think you can announce me as the winner now.

REFEREE
Sir, please respect the rules.

MOREAU
Hmph. A loser who refuses to admit defeat!

Moreau places his finished painting in the center of the stage. It is a dead bald eagle with its head facing down.

EPISODE 63

SPECTATOR 3
(Holding an American flag)
The four-time reigning champion of the Muse Award is indeed skilled. But the meaning of this painting is clearly a provocation!

SPECTATOR 4
It's been five years. Is there no one in America who can turn the tide?

MOREAU
This dead bald eagle is the future of the American art world.

Phoenix stares at Moreau, gritting her teeth.

HOST
There are only ten minutes left. Will the American contestant be able to complete her painting?

Phoenix picks up her paintbrush, staring at the blank canvas.

QUINN
I think she can't paint at all. Why else would she hesitate for so long?

ADAM
Mom, there's no need to boost their ego and diminish our own.

QUINN
She's not one of us!

MIRANDA
Phoenix is still too arrogant. I've already tried to warn her. Now she's embarrassing the entire country. It's a shame that I can paint but can't bring honor to our country.

ADAM
You'll definitely be able to participate in next year's Muse Competition.

QUINN
That's right. Next year, you'll be Angel's teammate and the Muse Award champion. You must bring glory to us then.

MIRANDA
Thank you, Quinn, Adam. I will. I'll work twice as hard to bring honor to our country for this missed opportunity.

Adam and Quinn give Miranda encouraging smiles. Miranda looks at Phoenix on the stage with a smug smile.

MIRANDA (VO) (CONT'D)
A contestant who submits a blank canvas will be blacklisted from the industry!

PHOENIX (VO)
I'm sorry, Grandpa. I have to take a risk.

Phoenix dumps all the gray-black oil paints onto the canvas at once.

EPISODE 64

SPECTATOR 1
What's going on? Why is she putting all the paint on the canvas? Is she... giving up?

Phoenix uses her hands to spread the thick gray-black pigments evenly across the canvas.

SPECTATOR 2
This contestant is too much! Is she going to do kid's finger painting? There are only ten minutes left.

On stage, Phoenix uses a palette knife and paintbrush to sketch lines and blend strokes. She is completely focused. Moreau watches her.

MOREAU
(Laughing)
Ha ha! What can you paint with a puddle of mud? I think you should give up! I think you should just paint a white flag with the mud and surrender!

Phoenix's hands move quickly.

PHOENIX
My life has no room for the word "surrender." That’s what my grandpa taught me.

Below the stage, Carina and Logan sit with Issac.

CARINA
Something must have gone wrong. Otherwise, Phoenix wouldn't be using such precious pigments like this.

LOGAN
Our daughter has grown up. After five years of experience, she's become more and more independent. We must have faith in her.

ISSAC
Someone is trying to make the American artist representative lose face in the international art world. I will investigate this thoroughly.

Logan nods.

LOGAN
Good. Go do it.

Issac leaves his seat. On stage, Moreau watches Phoenix finish her last stroke. The host stands in the center of the stage.

HOST
Time is up. The results will be announced shortly.

Below the stage, the audience whispers among themselves.

SPECTATOR 1
What could a painting with only black, white, and gray colors look like?

SPECTATOR 2
The American art scene is completely screwed this time.
(MORE)

SPECTATOR 2 (CONT'D)
This year's champion will probably be Moreau from France again.

MIRANDA (VO)
Phoenix. You've completely lost.

Issac walks over to Miranda with three bodyguards in black suits and sunglasses.

ISSAC
Miss Collins, please come with us.

Miranda, Adam, and Quinn's faces are filled with shock and confusion.

EPISODE 65

Phoenix walks over to Moreau and extends her hand for a friendly handshake. Moreau walks over, looking at her hand with disdain.

MOREAU
A loser's hand will bring me bad luck. Even if you can paint a Palette Knife Painting, the Muse Award champion will still be me!

PHOENIX
Don't jump to conclusions until the very last moment.

MOREAU
The artists America sends to compete get worse every year. Besides being rich, not a single one of you understands art. Your oil paintings look like they were generated by AI. I think I should be the president of your American Artists Alliance.

PHOENIX
Fine! If you win the Muse Award again this year, the position of President of the American Artists Alliance is yours!

Phoenix leaves with confidence. Moreau takes out his phone.

MOREAU
Hurry up and get over here. From today on, the American Artists Alliance is my territory.
(MORE)

MOREAU (CONT'D)
I'm going to make sure the frivolous American oil paintings disappear from the international art scene!

INT. MUSE COMPETITION - LOBBY - DAY

Phoenix and Issac walk into the lobby.

PHOENIX
What's the status of the paint investigation?

ISSAC
It's been thoroughly investigated.

Issac gestures to the outside door. Two bodyguards in black suits and sunglasses push Miranda into the lobby.

MIRANDA
Let go of me! Let me go! Who are you?!

The bodyguards push Miranda in front of Phoenix and Issac.

MIRANDA (CONT'D)
Phoenix? I knew it was you! No matter how much you hate me, you can't kidnap me! Adam will find me.

ISSAC
We're only here for one thing. We've checked the surveillance footage, and you're the only one who entered and exited Phoenix's lounge.

EPISODE 66

Issac hands his phone to Phoenix to show her the surveillance footage.

PHOENIX
With this video, everyone will know that you're faking your injuries.

MIRANDA
I don't know what you're talking about. Adam! Come save me!

PHOENIX
You idiot, how could you be so selfish as to ruin the pigments my grandpa cherished the most?
(MORE)

PHOENIX (CONT'D)
The Muse Competition is about America's international reputation. How could you dare to do something like this?!

Phoenix holds the handles of the wheelchair, trapping Miranda.

MIRANDA
Don't you dare slander me. How could I not care about our country's honor? This video is a fake that you made! I'm warning you, this is illegal! Let me go!

Phoenix slaps Miranda hard. Blood trickles from Miranda's lip.

MIRANDA (CONT'D)
How dare you hit me?

Phoenix raises her hand again.

PHOENIX
This slap is for you ruining the pigments that my grandpa poured his heart into.

Phoenix slaps Miranda with her other hand.

PHOENIX (CONT'D)
This slap is for you almost ruining America's reputation in the international art scene! And this last slap is for you faking your disability and causing me and my unborn child so much pain!

Miranda stops Phoenix's hand.

MIRANDA
You've gone too far!

PHOENIX
What's wrong? Can't you keep up the act anymore?

Miranda stands up from her wheelchair. Adam and Quinn enter from the doorway. Miranda sees Adam and immediately pretends to be in pain and falls to the ground.

MIRANDA
Ah!!

Adam rushes over to check on Miranda.

ADAM
Miranda!

EPISODE 67

Adam runs to her side. Miranda pretends to cry.

MIRANDA
Adam, Quinn, help me. Phoenix is working with Issac Knight to frame me! She said I tampered with her pigments.

ADAM
Miranda is crippled and needs constant care. How can you be suspicious of her? And you brought her to a place like this. What if something happens to her? What about Jake? He's so young. Do you want him to lose his mother?

PHOENIX
Fine. I'll let you see how the first love you've been protecting, the benefactor you're so grateful for, and the mother of your son got up and ruined my pigments!

Phoenix shoves her phone in Adam's face. Adam takes the phone and watches the video of Miranda standing in Phoenix's lounge, squeezing out all of Phoenix's paints and mixing them together.

ADAM
How is that possible? How can Miranda stand up? Dr. Lee’s diagnosis clearly stated she was permanently crippled.

Quinn takes the phone from Adam and watches the video.

QUINN
How is this possible? Miranda is such a kind person. How could she lie to us?!

MIRANDA
They made that video. They're trying to frame me! You know that my legs are permanently disabled! I can never stand again!

QUINN
That's right, Adam. Don't let this sly woman turn you against us!
(MORE)

QUINN (CONT'D)
Miranda almost died for your company's funding back then!

ADAM
I don't believe it.

PHOENIX
Good! Then today, I'll make sure you see her true colors.

Phoenix takes a step toward Miranda. Miranda uses her arms to push herself back.

MIRANDA
Don't come closer. Adam, Quinn, help me. Don't come closer!

Phoenix suddenly lifts her foot and stomps hard on Miranda's foot. Miranda screams and pulls her foot back in pain.

MIRANDA (CONT'D)
Ahhh!!

Adam and Quinn are shocked.

EPISODE 68

QUINN
Miranda! Your leg… it can feel? What's going on?!

ADAM
Your legs are fine?

PHOENIX
Not only are her legs fine, but she was never even in a car accident! She never raised funds for your company.

QUINN
What do you mean? I saw her go into the operating room myself!

PHOENIX
The head surgeon, Dr. Lee, and Miranda have a very close relationship.

Phoenix holds out her hand to Issac. Issac hands her a stack of photos. Phoenix hands the photos to Adam.

PHOENIX (CONT'D)
Look closely. See how many lies she's told and how many good things she's done behind your back!

Miranda crawls over and snatches the photos from Adam's hands.

MIRANDA
It's not like that. It's not like that.

Adam's phone rings. He answers it, and a male voice speaks.

MALE VOICE (VO)
Sir, Jake's medical report is out. But strangely, his blood type doesn't match yours. He's likely not your son.

Adam's phone slips from his hand.

ADAM
Jake isn't my son?

QUINN
What? How is that possible? Miranda was pregnant with Jake when she was in a car accident while raising funds for you. She was a wandering amnesiac for eight years. How could Jake not be your son?

ISSAC
We've already investigated. When your company was on the verge of bankruptcy, Miranda didn't raise any funds for you. She abandoned you and ran off abroad. Jake is the child she had while she was the mistress of a foreign tycoon.

PHOENIX
When she found out you were back on your feet and even richer than the tycoon she was with, she came back with Jake. She made up a tragic story to earn your sympathy.

QUINN
What? You poisonous woman! You've been playing us for fools?!

Quinn rushes to Miranda and grabs her by the neck.

QUINN (CONT'D)
Because of you, we've offended the richest family in the world! The Dawson Group is about to go bankrupt! Are you trying to drag us down with you?! I'm going to strangle you!

Miranda can't breathe.

MIRANDA
No. No.

QUINN
And here I thought I was so good to you!

Adam pulls Quinn away.

ADAM
There must be some misunderstanding.

Phoenix, who now has a miscarriage diagnosis in her hand, hands it to Adam. Adam takes it with trembling hands.

ADAM (CONT'D)
What is this?

PHOENIX
Our child.

EPISODE 69

PHOENIX
Do you remember when Miranda and I fell down the stairs? You carried her away. And I… I watched our twins die!

FLASHBACK: Phoenix lies on the ground, bleeding after falling down the stairs. PHOENIX (VO): After five years of marriage, you still don't trust me. Adam carries Miranda away.

Adam grabs Phoenix's arms, his eyes red.

ADAM
You're lying to me, aren't you? We had a child?

PHOENIX
Perhaps their death was God's will. Because you don't deserve to be my children's father!

Adam is filled with regret and cries bitterly, shaking his head.

ADAM
Phoenix, please… I really didn't know.

Adam suddenly kneels. Adam cries.

ADAM (CONT'D)
I'm sorry, Phoenix. It was my fault. Please forgive me. Let me make it up to you! We can still have our children!

Phoenix slaps Adam.

PHOENIX
There is no "after." From now on, I only want to live for myself. Besides, the person I am now is far beyond your reach.

Phoenix leaves, with the light behind her. Miranda crawls to Adam's feet, holding his hand and begging for mercy.

MIRANDA
Adam, please, forgive me. Jake is so young. I just wanted him to have a good life. Please, let me go!

Adam forcefully pushes Miranda's hand away.

ADAM
Phoenix was never a threat to you. You were just too greedy. From today on, you and Jake get out of the Dawson family!

MIRANDA
Adam!!!

INT. MUSE COMPETITION - STAGE - DAY

The host announces on the stage.

HOST
Now, let's present the Muse Gold Award.

EPISODE 70

Moreau proudly walks onto the stage.

HOST (CONT'D)
The winner is Phoenix Blunt.

Moreau is stunned. Phoenix gracefully walks onto the stage and turns to face the audience.

MOREAU
Impossible! Absolutely impossible! How could a newcomer win against me?! This is a fix! It has to be a fix!

HOST
Then I'll show you the painting Miss Blunt made with the mud-like gray-black pigments! So you can admit defeat willingly!

The host signals to the stagehands. Two women in white blouses and black skirts, with their hair neatly tied up, walk to the center of the stage, holding a painting covered with a black cloth.

MOREAU
Fine! When everyone sees the painting, let's see how you'll try to justify this!

PHOENIX
I don’t need to.

Phoenix turns and pulls the black cloth off the painting. It is a painting with only black, white, and gray colors. It shows a majestic snow-capped mountain standing firm against a thunderstorm. Moreau is shocked when he sees it.

MOREAU
Impossible! How could you?!

PHOENIX
The American art scene has plenty of talent. You are just arrogant and shortsighted, so you can't see our true strength.

HOST
The judges' decision is fair and just. There's no cheating.

Miranda suddenly breaks into the competition venue.

MIRANDA
I object!

EPISODE 71

MIRANDA
Phoenix Blunt's painting is a complete copy! I'm Angel's number one fan! I can tell that her technique is an exact imitation of Angel's. She’s just using her status as the Blunt family heiress to plagiarize Angel and impersonate her! The champion should be Moreau!

SPECTATOR 2
Even if they're the richest family in the world, they can't use their power to get their daughter into the Muse competition!

All the spectators raise their fists and shout in unison.

ALL SPECTATORS
We want fairness! We want justice! We want fairness! We want justice!

Some spectators excitedly stand up. Miranda smiles triumphantly. Logan stands up and walks to the front.

LOGAN
My daughter was the winner of the Muse Award five years ago.

SPECTATOR 1
What's going on? Does Mr. Blunt mean that Phoenix Blunt was Angel five years ago?

PHOENIX
You’ve been calling me your idol for so long. How is it that you don't even know what I look like?

MIRANDA
Impossible! My idol is Angel, how could it be you?! You have no evidence, you're all just talking nonsense. A lowly woman like Phoenix can't possibly be my idol.

ISSAC (OS)
I can prove it!

Issac enters with six bodyguards in black suits and sunglasses.

EPISODE 72

ISSAC
Five years ago, Angel won the Muse Award Gold Medal, and I was her defeated opponent that year. I have been serving as the president of the National Artists Alliance for five years in her place.

MIRANDA
Angel's whereabouts have always been a mystery. Even if you were her defeated opponent, it doesn't prove anything!

ISSAC
That's because Phoenix is low-key! If her face had been shown at the award ceremony, she would have had countless suitors. Dawson wouldn't have stood a chance!

MIRANDA
How can this be?! How can she be Angel?! You're all lying to me! You're all liars!

Issac signals to the bodyguards. Two bodyguards drag Miranda away. Issac signals to Phoenix.

ISSAC
Please, champion, come up to the stage to receive your award.

On stage, Phoenix holds the trophy, surrounded by reporters, as confetti falls from above.

PHOENIX
In the future, I will lead the art world to create even more outstanding works!

**THE END**
