They kiss fiercely, hungry for each other.

LYDIA (V.O.)
My husband and I have been married for 7 years. Who would've thought, he would throw me in his brother's bed for a stupid joke I made.

FLASHBACK:

LYDIA (O.S.)
(narrating)
I was the youngest Grand Slam champion in the history of LPGA. At the peak of my career, I retired. I married Vincent and became his agent and his coach. For seven years, I helped him boost his career while taking care of him at home as a housewife. A month ago, he finally won his championship. He promised we'd have a real wedding. But two days before the ceremony… somebody shoved me down the stairs in our hotel.

CUT TO:

INT. HOTEL ROOM - DAY

Lydia lies in bed, a white bandage wrapped around her forehead. Her eyes flutter open.

Surrounding her: Vincent. Sebastian. ZOE ADAMS (25), wearing a glamorous long dress. DOCTOR.

All of them look tense. Worried.

Vincent immediately pulls Lydia into his arms.

VINCENT
You're awake. Thank God. You scared me to death.

Lydia's gaze drifts to Sebastian.

LYDIA (V.O.)
(confused)
Sebastian…Wasn't he the one who hated me the most? Why would he drop everything at the company just to come to my wedding?

VINCENT
(panicked)
Lydia?

Seeing his anxious expression, Lydia lowers her head, stifling a smile. Then she looks up, suddenly alert. She pushes him away.

LYDIA
Who are you?

Everyone freezes. Vincent stiffens, then grabs the doctor in a panic.

VINCENT
What’s going on?

DOCTOR
She suffered severe head trauma.
Memory loss is… possible.

Lydia presses her lips together, holding back laughter.

LYDIA
Why do you care so much about me?
Who are you?

Vincent’s eyes dart. Thinking fast. He suddenly pulls Sebastian forward.

VINCENT
I’m your brother-in-law. And this
is your husband.

The smile vanishes from Lydia’s face. Zoe snaps her head toward Vincent, stunned. Sebastian turns sharply, staring at Vincent in disbelief— then slowly looks back at Lydia, his brow furrowing.

Episode 2

INT. HOTEL ROOM - DAY

Vincent hugs Zoe in his arms.

VINCENT
It's my wedding with your best
friend Zoe tomorrow. You are here
for our wedding.

Sebastian frowns at Vincent, and looks at Lydia, worried.

Lydia holds back her tears by forcem, her lips shaking.

Zoe's eyes widen, her jaw drops upon hearing Vicent's words. She braces Vincent and looks at Lydia while pressing down her excitement.

ZOE
(delightful)
That's right. You heard him.

LYDIA (V.O.)
(desperate)
So you've been cheating on me all
this time, with my best friend!
(MORE)

LYDIA (V.O.) (CONT'D)
Vincent Hawthorne, I gave up my career at my peak for you, yet you cheated on me!

Lydia takes a deep breath, holding herself together, and lifts the blanket.

LYDIA
But why am I in wedding dress.

Vincent stays silent. Zoe lunges at Lydia and rips off the veil from her head. Sebastian frowns and steps forward.

ZOE
(condescending)
You never had a proper wedding with Sebastian and you are jealous of me. So I let you borrowed them to feel what it's like to be the bride.

Zoe reaches for Lydia's wedding ring.

ZOE (CONT'D)
And my ring, my gown. Give them back.

Sebastian grabs her wrist and pulls her hand away from Lydia.

SEBASTIAN
(cold)
Get off her.

Zoe falls back in Vincent's arms, as if she was bullied. Sebastian picks up Lydia's hand and inspects it, worried.

Lydia is confused.

Lydia's hands clinch in fists. Her eyes are pink, body shaking from pressing down her anger. She lifts her hand.

LYDIA
Come get it yourself.

Zoe lets out a triumphant laugh.

Vincent steps forward and takes off the ring without hesitation.

SLOW-MOTION: VINCENT TAKES OFF THE RING.

FLASHBACK:

INT. LYDIA'S HOUSE - DAY

Vincent puts on the ring for Lydia, who is drowning in joyful tears.

VINCENT
(tender, swearing)
Lydia, I swear on my life, I will never betray you.

BACK TO:

INT. HOTEL ROOM - DAY

The ring is taken off, Lydia's eyes lingering on it while Vincent puts it on for Zoe, who then flashes it in the air, triumphant.

LYDIA (V.O.)
Vincent, you broke your promise.

ZOE
(taunting)
And the dress?

LYDIA
(forcing calm)
I will go change in the bathroom now.

Sebastian frowns upon watching Lydia getting out of bed and walking into the bathroom.

He turns and gazes at Zoe, cold and furious.

SEBASTIAN
(to Lydia)
You, out.

Zoe frightened under Sebastian's gaze, she looks at Vincent, seeking refuge.

Vincent waves his hand, gestures for her to leave.

Zoe leaves the room, unwillingly.

SEBASTIAN (CONT'D)
(irritated)
If you want a divorce, just get one. What the fuck was that all about?

INT. HOTEL ROOM - BATHROOM - DAY

Lydia eavesdrops on the conversation behind the door. Her effort to press down anger is explicit.

Episode 3

INT. HOTEL ROOM - DAY

VINCENT
No, I don't want a divorce. It's just that, we've been together for 7 years. Honestly, it gets boring and I just want to have some fun. Come on bro, help me with this. Just play along.

Sebastian looks at the bathroom door, and takes a seat with grace.

SEBASTIAN
And you are not afraid that we might become a real thing?

VINCENT
Nah, get out of here. You are my brother and she's your sister-in-law. And don't you have a grudge against her since always?

Sebastian smiles, unreadable.

SEBASTIAN
Fine, I will help you.

VINCENT
(excited)
Thanks Seb, I knew I could count on you!

INT. BATHROOM - DAY

Lydia leans at the door, weeping quietly, her whole body is shaking.

LYDIA (V.O.)
Seven years of my devotion and sacrifice, and this is what I get in return. If you want to play, then let's play.

LYDIA
(shouting)
Babe, come help me with this zip.

INT. HOTEL ROOM - DAY

SEBASTIAN/VINCENT
(simultaneously)
Coming!

Sebastian and Vincent looks at each other in shock and then turn to the bathroom door.

Episode 4

INT. HOTEL ROOM - DAY

Vincent steps up spontaneously, but Sebastian stops him with one hand.

SEBASTIAN
(lowering voice)
I am her husband now, remember?
(tender, to Lydia)
Coming, babe.

Sebastian walks toward the bathroom.

VINCENT
(Shocked)
He's already in character now...

INT. HOTEL ROOM - BATHROOM - DAY

Sebastian enters the bathroom, approaches Lydia from behind.

Lydia stands in front of a mirror. She is struggling to reach the zip on her back, palm up. She watches Sebastian approaching from behind in the mirror, her breath intensifies.

Sebastian slides his hand over Lydia's hand, and unzips her dress slowly, revealing her bare back. Lydia catches the falling dress, clutching it to her chest.

Sebastian raises his eyes, locking with Lydia's in the mirror. His breath accelerates. His hand is spontaneously drawn to Lydia's bare back by temptation.

Lydia leans back, meeting his hand with her back. Her body swings slightly, as if she's feeling his hand with her back.

LYDIA
Help me undress, babe.

Sebastian's body jerks, as if hit by a bolt. He slowly slides his one hand into the the dress, and pulls the dress down with the other hand.

Lydia braces her arms around her breast, covering it. She breathes nervously.

Sebastian steps closer and brings his chest at her back. He picks up the strap dress from the sink table.

SEBASTIAN
Want me to put it on for you?

LYDIA
Mh-hm, put me through it.

Sebastian's lips crack from surprise, his eye meets with Lydia's in the mirror, seducing him.

Episode 5

INT. HOTEL ROOM - BATHROOM - DAY

Sebastian squats beside Lydia. He snatches her ankle, lifting her one foot.

Lydia loses balance. She tilts forward and bends over toward the mirror, supporting herself with one arm on the sink.

SEBASTIAN
Do you want me to fuck you right here in front of the mirror? Want to see yourself getting fucked in the mirror?

LYDIA
(blushing, cute)
Hey! That's not what I meant!

SEBASTIAN
Shhh-

Sebastian puts Lydia's legs through the dress. His hands slide up on her lap, slowly approaching between her legs, all covered under the dress. Sebastian reads Lydia's reaction in the mirror.

Lydia is losing it, moaning. Just as she is enjoying it the most, Sebastian suddenly stops.

He takes his hands out from the dress and slides them up, putting the dress all the way on for her.

Disappointment flickers on Lydia's face.

LYDIA (V.O.)
He really hates me. Should've guessed it. I'm almost naked, but he's not turned on at all.

FLASHBACK:

INT. HAWTHORNE MANOR - GARDEN - DAY

Sebastian plays minigolf dressed in polo shirt. Behind his back, stands four men in black. Vincent stands before sebastian with Lydia behind him, holding hands.

Sebastian frowns as he sees them holding hands.

LYDIA (V.O.)
So this is the CEO of T.K. Sports. The legends are true, he is a rigid man.

SEBASTIAN
(unwillingly, firm)
I don't approve this marriage.

BACK TO:

INT. HOTEL ROOM - BATHROOM - DAY

Lydia turns around forcing calm.

LYDIA
Thanks babe, let's go.

Sebastian suddenly lunges and lifts her up, and put her on sink table. One sleek move, he opens her legs.

Lydia panicks, she flinches back.

Sebastian puts his arms behind her, locking her in.

SEBASTIAN
We are not done yet.

INT. HOTEL ROOM - DAY

Vincent leans at the door, eavesdropping. Lydia's moaning passes on off scene.

VINCENT
(triggered)
What's taking so long!

Episode 6

INT. HOTEL ROOM - BATHROOM - HOTEL

Sebastian rests his head on Lydia's shoulder, his eyes gazing at Lydia's bare back in the mirror. He whispers into Lydia's ear.

SEBASTIAN
If I let you out like this, all the guys can't take their eyes off you. And I will have to gauge their eyes out.

Lydia turns her head, looking in the mirror. She grabs the lace of her dress and put it in Sebastian's hands.

Sebastian's eyes narrows, he takes a deep breath, calming himself from excitement.

LYDIA
Tie it up hard for me then.

Lydia splits her hair and combs it forward. She put her arms around Sebastian's neck and rest her head on his chest.

Sebastian looks down, Lydia's head moves along with his chest, with every breath he takes.

LYDIA (CONT'D)
I want a bow knot. Thanks babe.

Sebastian suddenly pulls the lace hard. The momentum brings Lydia's head ramming at Sebastian's chest, her lips kissed with his chest.

LYDIA (CONT'D)
(moaning)
Agh-

Sebastian locks his hands at Sebastian's back, stopping her from backing out. He gently bites Lydia's ear.

SEBASTIAN
You know I'm good at tying things up, not just dresses.

INT. HOTEL ROOM - DAY

Vincent smacks at the bathroom door.

VINCENT
(worried)
Hey, what are you guys doing in there?!

Vincent takes a few steps back, about to lunge and ram through the door.

Just before Vincent lunges, the door swings open. Lydia and Sebastian are standing side by side.

Vincent stares at them, checking.

VINCENT (CONT'D)
(anxious)
Did you guys... do anything in there?

LYDIA
(smiling)
What is it to you? It's none of your business. We are a married couple.

Sebastian lowers his head and locks eyes with Lydia. Vincent is triggered but unable to justify his anger.

Zoe walks in and cuddles Vincent.

ZOE
(delightful)
Babe, our party is about to start. Let's go.
(poking fun)
Give your brother and his wife some privacy.

Zoe drags Vincent out.

LYDIA
(to sebastian)
Let's join the party.

BACK TO:

INT. VIP LOUNGE - NIGHT

LYDIA (V.O.)
I thought he would only do those things with me. Turns out he's just fooling around.

Sebastian steps forward and protects Lydia from the view.

SEBASTIAN
You are not fully recovered yet. I think some rest will do you good. Come, let's get you to bed.

LYDIA
No!

LYDIA (V.O.)
The losers run, not me. I don't run away - from every game and every crisis since I was a kid. And I will not run from Vincent and his little games.

Lydia smiles and raises his head, suddenly grabs Sebastian's tie and pulls him close. Her gaze lingers on his lips, seductive.

LYDIA
(seductive)
No, I'm fine, babe.

Lydia chuckles, her hand wanders on Sebastian's chest. She picks up a wine glass and drinks it while remaining her eyes locked with Sebastian's. Sebastian's throat bobs.

Lydia swirls the glass and brings her lip closer to Sebastian.

LYDIA (CONT'D)
This wine is quite something.
Seriously.

Sebastian lowers his eyes, breathes intensely. As he watches Lydia taking another sip, he can't help but to kiss Lydia wildly. He holds Lydia's head with his hand from behind, sliding down to her neck and ear.

Sebastian sucks wine from Lydia's mouth, some of which leaks and drips down from her mouth. He wipes it with his thumb, then puts his thumb in Lydia's mouth.

SEBASTIAN
Clean it up for me.

Lydia sucks Sebastian's finger while gazing at him.

SEBASTIAN (CONT'D)
What does it taste like?

Lydia releases Sebastian's finger. She dips some wine with her index finger and brings it to Sebastian's mouth.

LYDIA
See for yourself.

Sebastian catches and sucks her finger.

SEBASTIAN
Not so bad. Quite sweet actually.

LYDIA
(smiling)
The wine or the girl?

SEBASTIAN
You, of course.

They resume kissing, more devoted and fierce this time, French.

Vincent is distracted from his kiss with Zoe by the crowd cheering for Sebastian and Lydia. He opens his eyes and sees them kissing. Shocked and irritated, he shoves away Zoe.

Episode 8

INT. VIP LOUNGE - NIGHT

Vincent lunges at Sebastian and Lydia, but Zoe stops him.

ZOE
(upset)
Hey, you are my husband now. Stick to your role.

Vincent clenches his fists, shuts his eyes by force, struggling in pain.

Gossiping ripples through the crowd.

GUEST A
Karma is a bitch. Vincent totally brought this upon himself. Now his wife is making out with his brother.

Vincent loses control. He brushes off Zoe's arms and lunges at Lydia, separates Sebastian and her.

LYDIA
(innocent, confused)
What are you doing?

Vincent takes a deep breath and barely contains his jealousy with force. His eyes are locked with Sebastian, a deadly gaze.

VINCENT
(teeth gritting)
A word, Seb. Outside, now!

Lydia looks at Sebastian.

Sebastian smiles and nods.

LYDIA
No, I will go fix my make-up and leave you gents to the matter.

Lydia turns away, a victorious smile on her face. She walks out the scene.

Vincent steps closer to Sebastian, anger and jealousy errupting.

VINCENT
(furious)
Lydia, is, my wife. Don't forget that, Seb. You are crossing the line.

SEBASTIAN
(cold)
I'm surprised you still remember that. Didn't seem to bother you when you stick your tongue in her best friend's mouth. What happens when she recovers her memory and wants a divorce?

VINCENT
(confident)
No she wouldn't. She gave up her career and married me, and hid that from the media for me for 7 years. I am the love of her life. She will always come back to me like a dog when I whistle. She, is, mine!

Sebastian's face remains cold and dark.

INT. HOTEL - HALLWAY - NIGHT

Lydia leans back against the wall. She is disgusted by Vincent.

LYDIA (V.O.)
Whatever makes you think that I can't live without you. You are so wrong. I will divorce you and you will suffer in remorse for the rest of your life.

Sebastian enters the hallway and steps toward Lydia.

Lydia opens her mouth about to talk, but Sebastian pins her against the wall.

SEBASTIAN
Let's pick up where we left at. I can't wait to fuck your brains out.

Sebastian kisses her fiercely, Lydia pushes him at his chest with her hands. Instead of stopping her, Sebastian grabs her hand and leads it down to his privates.

Sebastian withdraws from the kiss, while still holding her tight in his arms. Their breath becomes one.

CLOSE ON: THEIR FACES ARE INCHES AWAY, BREATH MINGLED.

LYDIA (V.O.)
Hasn't he always hated me? Why does it feel like he enjoys being intimate with me.

Lydia notices Sebastian's tie clip.

CLOSE ON: SEBASTIAN'S TIE CLIP.

LYDIA (V.O.) (CONT'D)
Why does that tie clip looks so familiar. Have I seen it somewhere?

Sebastian cups Lydia's face with his hand.

SEBASTIAN
Now how should I punish you for zoning out while we kiss.

Sebastian reaches for another kiss, but Lydia rapidly covers his mouth with her hand.

LYDIA (V.O.)
Since he's been so cooperative so far. Maybe he can help me with my plan to get divorced and get it back to Vincent.

LYDIA
(smiling)
Let's get a wedding, too. You still owe me one.

Sebastian's eyes widen. Something ignited in his eyes as he removes Lydia's hand from his face.

SEBASTIAN
Are you sure about this? Once we hold the wedding, our marriage will be public. There'll be no going back.

LYDIA (V.O.)
That's exactly what I need.

Lydia brushes her hand over Sebastian's chest and shoulder.

LYDIA
I want our wedding to be on the same day and at the same venue as theirs. Can you arrange that?

Sebastian smiles in confidence, tightening his grasp of Lydia.

SEBASTIAN
As you wish.

INT. LAWN - LYDIA'S WEDDING SITE - DAY

CLOSE ON: LYDIA'S FACE SURPRISED. EYES AND MOUTH WIDE OPEN.

Zooming out-

Wide angle: the wedding site is well established, the flower arch, the carpet, and well decorated aisle. Extinguished guests entering and taking seats.

LYDIA (V.O.)
He had all this arranged, just overnight? And all these celebrities he invited. Is there anything this man isn't capable of?

A man dressed up as a priest joins Lydia by her side, careful and discreet.

FALSE PRIEST
I'm disguised as the priest for Vincent's wedding. Now what.

Lydia pulls out a stack cash and a document from her purse, passing them to him.

LYDIA
Find a way to make him sign this.

FALSE PRIEST
Consider it done.

Lydia smiles victoriously.

Suddenly Sebastian enters the scene and pulls Lydia into his arms from behind. Lydia's body shakes and turns to see Sebastian lowers his head by her ear.

SEBASTIAN
(whisper)
How do you like it?

LYDIA
I'm loving it.

Lydia turns around and brushes off Sebastian's hand gently.

LYDIA (CONT'D)
I will go put on the dress. See you at the wedding.

Lydia leaves scene. Sebastian is joined by several distinguished GUESTs.

GUEST A
Mr. Hawthorne, I never thought you would get married out of a sudden. This is astounding news.

GUEST B
Correct me if I'm wrong but is your brother also getting married here? But we only received the invitation to your wedding. Everything alright?

SEBASTIAN
It's fine. This is his dream comes true if anything.

EXT. LAWN - VINCENT'S WEDDING SITE - DAY

The wedding venue for Vincent and Zoe is poorly arranged, shabby setup, almost no decorations. On altar stands Vincent and Zoe, face to face. The false priest stands in between them. Zoe cannot mover her eyes away from the luxurious wedding of Lydia and Sebastian.

VINCENT
(confused, to himself)
Who's this maniac that has to get married right in front of me.

FALSE PRIEST
Before we get started, I would need the groom to sign our testimony of love. This is a special custom of our resort.

VINCENT
(skeptical)
How come I've never heard of this.

False priest smiles politely, handing over the document.

Vincent takes the document, still in doubts, but still picking up a pen and about to sign. Suddenly, he stops and turns the page-

Bang.

False Priest slaps his hand down on the document, stopping Vincent from turning page.

VINCENT (CONT'D)
(alarmed)
Why are you stopping me from reading it?

Episode 11

EXT. LAWN - VINCENT'S WEDDING SITE - DAY

False priest smiles awkwardly and waves his hands.

FALSE PRIEST
No, I thought I saw a fly landing on it. Nothing special to read sir.
(MORE)

FALSE PRIEST (CONT'D)
Everyone is waiting. Don't you want to get married to the woman you love already?

ZOE
(upset)
Don't tell me you want to back up from the marriage and get back with Lydia.

VINCENT
What are you talking about, babe. You are all I want.

VINCENT (CONT'D)
Relax babe. I just want Lydia and Seb to watch us getting married. Wouldn't that be exciting? Look, I will sign the paper now.

Vincent signs the paper. Zoe and False Priest both relieved.

FALSE PRIEST
In the sight of God and these witnesses, I now pronounce you husband and wife! You may now kiss!

Vincent grabs Zoe's shoulder, about to kiss. Then-

Mendelssohn's Wedding March, plays aloud from the other side of the lawn.

Vincent opens his eyes and look for the source of the music.

EXT. LAWN - LYDIA'S WEDDING SITE - DAY

Lydia turns to Vincent with a perfectly polite, radiant smile.

LYDIA
Vincent. Is your ceremony finished already?
(bright, welcoming)
Perfect timing—come join ours.

Vincent steps forward, chest heaving. He spins, taking in the opulent venue, the guests, the altar. His disbelief boils over.

VINCENT
You’re getting a wedding, why?!

LYDIA
Didn’t Zoe already explain it?
(deliberately emphasized)
I’m *very jealous* of your wedding.
(light, casual)
So I decided to have one too.
Besides… it might help jog my memory.

Vincent’s restraint snaps.

VINCENT
I don’t approve!

A wave of murmurs ripples through the crowd.

Lydia’s smile disappears. Her gaze turns ice-cold.

LYDIA
Excuse me, why do we need your approval on this? And what have I ever done to you to make you want to insult me on my wedding?

Vincent opens his mouth. Stops.

VINCENT
No...It's just... I...

Frustrated and cornered, Vincent grabs Sebastian’s arm and pulls him aside.

Sebastian jerks free immediately, irritated. He calmly straightens his suit jacket—elegant, composed.

VINCENT (CONT'D)
(low, furious)
Are you nuts? You’re marrying my wife in front of every elite family in the city? Stop this madness. Now!

SEBASTIAN
(cold)
Lydia wanted a wedding. So I gave her one.
And besides— you’re the one who started this madness.

Vincent stares at him, unraveling.

VINCENT
Oh shut up. You've always hated her. Just tell me why are you doing this.

Sebastian doesn’t flinch.

SEBASTIAN
I'm just trying to be a good husband for her.

VINCENT
You—

Before he can finish, Lydia steps in sharply, shoving Vincent aside. She slips her arm through Sebastian’s, claiming her place.

LYDIA
Vincent. I don’t care what resentment you have toward me, but if you don't stop and ruin my wedding. I will get you kicked out.

Vincent’s voice cracks.

VINCENT
Lydia… I—

The guests begin whispering openly now.

GUEST A
Two brothers marrying on the same day, and the younger one sabotaging the elder’s wedding?

What kind of mess is this?

GUEST B
Look at how desperate he is around the bride. He’s trying to steal her. Disgusting!

His jaw tightens as rage and humiliation collide. Finally, he snaps. He spins around and shouts—

VINCENT
She’s not my brother’s wife. She’s my wi—

Wait— I know you! You’re that golfer who just won the league championship, right?!

Vincent freezes. Color drains from his face. He whips around toward the guest. Another GUEST stands excitedly.

GUEST D
Yeah! That's him! Sebastian's younger brother is a professional golfer! Get this on camera!

Phones shoot up. Cameras roll. Flashbulbs explode. The murmurs swell into a roar.

Vincent's eyes dart in panic. He turns his back to the crowd instinctively, shoulders hunched—

Lydia watches him with a cool, contemptuous half-smile.

Sebastian steps forward calmly. He places a hand on Vincent's shoulder gently.

SEBASTIAN
(low, measured)
Sure you want to expose your relationship to the media now. Think twice, it could be the end of your career.

Vincent glares at Sebastian, barely containing his fury.

VINCENT
You knew they'd be here. You invited them on purpose. You're humiliating me on purpose.

SEBASTIAN
(calm)
As her husband, I make sure my wife get what she wants

Vincent leans closer, voice shaking with rage.

VINCENT
(low, furious)
Don't get carried away with this act. Don't forget, she's *my* wife.

Sebastian's expression hardens instantly.

SEBASTIAN
(cold)
I know exactly who Lydia is. You're the one who's confused. Your wife is standing behind you.

Sebastian's gaze shifts. A voice cuts in from behind.

ZOE (O.S.)
Vincent!

Vincent turns. Zoe enters in wedding dress. Crowd judging and gossiping.

Lydia lets out a vengeful smile.

ZOE

Vincent! Come back with me. Our wedding isn’t done yet!

Guests gossip.

GUEST A
Wait, the brothers are *both* getting married today?!

GUEST B
This is huge. A top golfer pretending to be single, secretly married using his brother’s wedding as cover?That’s front-page news.

Phones rise higher. Cameras zoom in.

Vincent’s face goes white. He violently shakes Zoe off, then turns to the crowd, arms spread wide, forcing a smile.

VINCENT
Everyone, relax. It was a joke. Truth or dare, and I chose dare.

Zoe stares at him, stunned.

ZOE
(disbelief)
What… did you just say?

Vincent shoots her a warning glare.

VINCENT
(threatening)
Keep your mouth shut.

Zoe bites her lip, humiliated. Vincent turns back to the guests, smile rigid. Lydia watches quietly— the corner of her mouth curling into a barely visible, icy smile.

Vincent’s jaw tightens. Suddenly, he spins toward Sebastian, closing the distance.

VINCENT (CONT'D)
(low, vicious)
Listen carefully. This wedding is just a show. Remember your place, and don’t touch my wife.

Sebastian doesn’t move or blink.

SEBASTIAN
(calm, icy)
You are the one who should your place. Step down. Find a seat, and cheer for our wedding. Or get lost.

Vincent’s fists clench. Veins bulge. Before he can respond. Lydia steps forward. She naturally loops her arm through Sebastian’s, calm and unshaken.

LYDIA
(cool, final)
Game over. Please leave us.

Zoe yanks Vincent’s arm hard. He glares at the couple one last time, eyes bloodshot with rage. He turns abruptly, nearly dragging Zoe away with him. They disappear into the crowd. A beat.

The priest clears his throat.

PRIEST
You may now kiss each other.

Sebastian lowers his head. Lydia tilts her chin up. They kiss, soft, deliberate.

They separate, smiling faintly. In the distance, Vincent stops. The camera sharpens on his face - hatred, humiliation. Beside him, Zoe’s eyes burn with jealousy and resentment.

EPISODE 15

INT. SUITE BATHROOM - NIGHT

Lydia stands before the mirror, wrapped in a white bathrobe.

Water beads slide from the ends of her damp hair. She hesitates. Slowly loosens the belt, revealing a black, backless silk slip beneath. She exhales, conflicted. Ties the robe back on. Studies her reflection.

LYDIA
Should I end this now...

Suddenly, from the adjacent room: Zoe’s muffled moan. A man’s heavy breathing.

Lydia’s eyes harden.

INT. VINCENT’S BEDROOM - NIGHT

Vincent and Zoe stumble onto the bed, kissing, hands everywhere.

ZOE
(suspicious)
You’re not going to disappear tonight, are you? Not because you’re scared Lydia and Sebastian might actually...you know.

Vincent smirks, confidence oozing.

VINCENT
She won’t. Her mind may forgets but her body belongs to me. It always has. It always will.

They kiss again.

INT. SUITE BATHROOM - NIGHT

Lydia’s pupils constrict. Her hands clench— knuckles whitening. She breathes through the anger. A cold smile emerges on her face.

LYDIA (V.O.)
(icy)
Vincent… Tonight, I’ll show you exactly how fragile your ego really is.

She straightens. Unties the robe, letting it fall away. The black silk lingerie reveals her bare back, elegant and dangerous.

She opens a small box on the vanity.

Inside: a red silk ribbon.

Lydia lifts it, turns, and walks out with deliberate, hypnotic grace.

INT. SUITE BEDROOM - NIGHT

Sebastian, still in his dress shirt, sets a tray by the bed—simple dinner, candles, soft lighting.

LYDIA
(soft)
Hey there handsome~

Sebastian turns. Freezes.

Lydia stands there, the red ribbon coiled loosely around her fingers.

Sebastian's gaze travels.

SEBASTIAN
(dazed)
Woo, I— I noticed you barely ate tonight. So I had them prepare, something light. And the candles… they're supposed to help you sleep.

Lydia blinks, caught off guard.

LYDIA (V.O.)
Vincent never cared about me like this. Never once.

She steps closer, heels clicking. Lifts the ribbon, rests it lightly around her neck. Gives it a gentle pull. She puts the longer end of the ribbon in Sebastian's hand. Sebastian takes a deep breath.

Episode 16

INT. SUITE BATHROOM - NIGHT

Sebastian leads Lydia into the bathroom with the ribbon. He turns on the shower. They are both soaking wet. Sebastian grabs the ribbon, pulling Lydia close to him, tip-toeing.

SEBASTIAN
I will clean you up, every inch of you.

Lydia looks up at Sebastian. She takes off her clothes, with only underwears left. She puts her hands together and rest them on Sebastian's chest.

LYDIA
Tie me up.

Sebastian breathes roughly. He snatches Lydia's hands and ties them up with red ribbon. He pins her tied hands against the glass with one hand and chokes her with the other hand. His hand remains on her neck and he spins her chin with his thumb, brings her lips toward him. He kisses down. His other hand traces down all, rovers all over her body.

SEBASTIAN
Stand steady. I will fuck you so hard you can't close your legs. And I won't stop, even if you beg me.

LYDIA
Yes, daddy please.

Sebastian stuffs the rest of the ribbon into her mouth.

SEBASTIAN
If you scream loud enough, Vincent might hear you too.

INT. ADJACENT SUITE BEDROOM - NIGHT

Vincent and Zoe are tangled beneath the sheets. Suddenly. Vincent freezes. He lifts his head, listening.

From the other side of the wall— Lydia’s voice, soft, unmistakable.

Vincent’s face drains of color. The desire in his eyes evaporates—replaced by rage.

VINCENT
Lydia!

Vincent shoves her away, already off the bed.

ZOE
Vincent!

INT. SUITE BEDROOM - NIGHT

The door SLAMS open— kicked in with brute force. It crashes against the wall.

Vincent storms in, half-dressed, eyes blazing.

VINCENT
(roaring)
What the hell are you doing?!

INT. SUITE BEDROOM - NIGHT

On the bed, Lydia rests against Sebastian’s bare chest, the two of them wrapped tightly in each other’s arms. The blanket is pulled up to their shoulders. The door BURSTS OPEN.

Sebastian reacts instantly, pulling the covers higher around Lydia, his body shielding hers.

SEBASTIAN
(rough, threatening)
Get the fuck out.

Lydia slowly turns her head toward the doorway. Her cheeks are flushed. Her gaze is cold—almost merciful, like a victor looking down on a loser.

Vincent stands frozen, his whole body trembling.

VINCENT
(through clenched teeth)
You… you actually did it…
How could you?!

Behind him, Zoe rushes in, wrapped in a bedsheet. She freezes at the sight—eyes wide, mouth hanging open.

LYDIA
(icy, dismissive)
Vincent, we are a married couple. What exactly is the problem? You’re just my brother-in-law. That doesn't mean the permission to break into our bedroom. Get out.

Vincent’s fists clench as he forces himself to look away from Lydia, locking eyes with Sebastian instead.

VINCENT
(low, seething)
Sebastian. Come outside. Now.

Vincent storms out.

Sebastian leans down, presses a gentle kiss to Lydia’s forehead.

SEBASTIAN
(soft)
Get some rest.

Lydia nods. Sebastian turns to leave.

Zoe lingers for a moment, looking Lydia up and down with a mocking smirk, then scoffs and follows Vincent out.

INT. HOTEL CORRIDOR - NIGHT

Vincent strides ahead, fury barely contained. Sebastian follows, unhurried.

Vincent spins around and throws a punch.

Sebastian catches his fist mid-air without effort.

Vincent struggles, but can’t pull free.

Sebastian’s expression hardens. He releases Vincent with a sharp shove.

Vincent stumbles back, slamming into the wall with a grunt.

Sebastian straightens his tie calmly, hands slipping into his pockets. He looks down at Vincent, cold, superior.

VINCENT
(humiliated)
Sebastian! You took advantage of her. You slept with my wife, and now you are gonna hit me?

SEBASTIAN
(calm)
Take advantage? I won’t deny it. But you let me, didn't you.

Vincent freezes. The words land hard. His face drains of color.

Episode 18

INT. HOTEL CORRIDOR - NIGHT

Vincent’s eyes are bloodshot. His jaw clenches so hard it trembles.

VINCENT
That whole “I hate her” act of yours. It was fake from the start. Wow, I never knew you could stoop so low.

Sebastian lets out a quiet, humorless laugh.

SEBASTIAN (COLD)
I never said I hated her. I said she shouldn't marry *you*. Turns out, I was right.

Vincent's chest heaves violently.

VINCENT
(roaring)
I'll tell her the truth! I'll expose everything and put things back where they belong!

He turns sharply, ready to storm off.

In a flash, Sebastian steps forward, blocking his path. His gaze drops, dark and lethal.

SEBASTIAN
Vincent, the moment you dragged her into that disgusting wife-swapping game, you lost her forever.

Vincent staggers back like he's been struck. He shakes his head wildly, refusing to accept it.

VINCENT
(desperate, delusional)
She slept with you too! That makes her just as guilty, so we're even!

SEBASTIAN
(Mocking)
Even?

You shoved her straight into my arms. When Lydia learns the truth, she won't hate herself. she'll hate *you*.

VINCENT
No! She loves me. She gave up everything for me! She will forgive me. She always does!

Sebastian's tone drops into a warning.

SEBASTIAN
Be careful with what you are about to do Vincent. You will regret it.

Vincent shoots him a vicious glare, then spins around and charges back toward the open suite.

INT. SUITE BEDROOM - NIGHT

The bedroom door FLIES open. Sebastian rushes after him, but he's too late.

Vincent storms inside, veins bulging, voice tearing from his throat as he shouts into the room—

VINCENT
(screaming)
Lydia! I'm actually your husband!

Episode 19

INT. SUITE BEDROOM - NIGHT

The bedroom is empty. Sebastian exhales in relief.

Vincent scans the room, irritation tightening his face.

VINCENT
Where did she go?

INT. HOTEL - SPIRAL STAIRCASE - NIGHT

The grand, spiral staircase glows under soft ambient lighting. Lydia and Zoe, both in silk sleepwear move through the space, searching.

ZOE
Seriously, where did they disappear to? It's our wedding night.

Zoe pauses halfway up the stairs, leaning over the railing to look down.

Lydia continues descending, step by step, until she reaches the carpeted floor at the bottom. She looks around no one. She turns, lifting her head to look at Zoe standing at the top of the staircase. Suddenly, A SEARING PAIN rips through Lydia's head.

FLASHBACK(EP1):

A blurred figure in a red dress stands at the top of the stairs, it shoves Lydia down the stairs.

BACK TO:

The image sharpens. The red figure comes into focus. It's ZOE. She's smiling victoriously.

Lydia grips the stair railing, knuckles white. Her eyes widen. Her breathing turns sharp and uneven.

She stares at Zoe—now wearing a red silk nightdress.

LYDIA (V.O.)
(shaking with rage)
Zoe. So it was you. My 'best friend'… You didn’t just want my husband. You wanted me dead.

Lydia starts climbing the stairs. One step at a time. Each step heavy with suppressed fury. She stops in front of Zoe.

Zoe folds her arms, confused and defensive.

ZOE
Why are you looking at me like that?

Lydia suddenly reaches out— grabs Zoe’s wrist hard, yanking her closer. Their eyes lock.

Zoe’s face drains of color.

LYDIA
(through clenched teeth)
You pushed me down the stairs.

Zoe sucks in a sharp breath. Her body stiffens, terror flooding her eyes.

ZOE
(screaming)
You, you remember?!

SEBASTIAN(O.S.)
What?!

Zoe and Lydia both turn.

Sebastian and Vincent rush toward them, shock written across their faces.

Episode 20

INT. HOTEL GRAND STAIRCASE - NIGHT

VINCENT
(confused)
What do you mean She remembers?

ZOE
She—

Suddenly, Lydia clutches her head, swaying.

Sebastian reacts instantly, stepping in and catching her.

SEBASTIAN
(alarmed)
Lydia!

Vincent reaches out, but he’s a second too late. He freezes, watching Lydia pressed tightly against Sebastian’s chest. Jealousy flashes across his face as his hands curl into fists.

Lydia lifts her head weakly.

LYDIA
(disoriented)
I had a dejavuh. A woman in red, pushing me down the stairs. When I saw your up there just now, I must’ve mistaken it for her. I'm sorry, Zoe. You’re not upset, are you?

Zoe exhales in relief, forcing a smile.

ZOE
Of course not.

Vincent quickly steps closer to Lydia.

VINCENT
(urgent)
Lydia, actually, I’m you-

Lydia looks at him calmly. Too calmly.

LYDIA
If you don't step aside, I will not listen to a single word you say.

Vincent freezes.

LYDIA (CONT'D)
Seb, let's go.

Lydia leans into Sebastian, drained.

Sebastian lifts her into his arms and walks away.

Vincent watches them go, his fists clenched so tightly his knuckles turn white.

LYDIA (V.O.)
Vincent. Zoe. Everything you put me through, I'll return it tenfold.

Vincent stares after them, eyes burning.

VINCENT
Tomorrow, I'll expose the truth and bring Lydia back to me.

Zoe's gaze darkens.

ZOE (V.O.)
I won't let things go back to the way they were. No matter what it takes. Vincent is mine.

Sebastian throws them a brief, indifferent glance, then turns and disappears down the corridor.

The camera lingers on Vincent's face, resentful, furious, and utterly unwilling to let go.

Episode 21

INT. HOTEL INDOOR POOL - DAY

The indoor pool glows under soft daylight filtering through glass panels. Lydia enters in a sleek, seductive swimsuit. She scans the area, then spots Sebastian swimming laps in the water. A slow smile curves her lips. She sits at the pool's edge, watching.

Sebastian reaches the wall, plants his hands, and rises from the water. He stands.

Water streams down the hard lines of his shoulders, chest, and abdomen.

Lydia stands mesmerized, unable to take her eyes off him.

LYDIA (V.O.)
OMG... He's so hot.

Sebastian steps closer.

SEBASTIAN
Why aren't you getting in?

Lydia snaps back to herself, swallowing.

LYDIA
I… I don’t know how to swim.

Sebastian smiles.

SEBASTIAN
I’ll teach you.

Before she can react, Sebastian lifts her, one arm braced securely beneath her thighs, and steps into the pool.

Lydia yelps, startled, clinging to his neck.

LYDIA
(panicked)
Hey, not so fast!

Sebastian laughs softly.

SEBASTIAN
You didn’t say that last night.

Lydia chokes on her breath, flustered. She lightly swats his shoulder.

Sebastian chuckles and loosens his hold.

Lydia instinctively wraps her legs around his waist under the water, arms tight around his neck. Her cheek brushes close.

Sebastian stills. His breath catches for half a second.

LYDIA
Don’t let go. I’m scared!

Vincent and Zoe enter the pool area in swimwear. They stop short.

VINCENT’S POV: LYDIA CLINGING TO SEBASTIAN IN THE WATER.

Vincent’s jaw tightens. Veins stand out as his fists clench. Zoe senses the tension immediately and grips his arm.

SEBASTIAN
(gentle, low)
It’s okay. Trust me.

Slowly, Lydia loosens her arms… then her legs.

Sebastian keeps a firm hand at her waist, steadying her. He turns her around, positioning himself behind her. He takes her wrists, guiding her arms into a breaststroke motion. His chest presses lightly against her back.

Lydia stiffens, then gradually relaxes.

Sebastian leans down, voice close to her ear.

SEBASTIAN (CONT'D)
(soft)
Like this. Push the water around you.

From Vincent’s angle, he sees faint nail marks on Sebastian’s back. A kiss mark at the side of Lydia’s neck. Something inside him snaps.

VINCENT
I can’t take this anymore. I’m telling the truth—right now!

He yanks his arm free from Zoe’s grip and storms forward.

Zoe’s eyes widen as she hurries after him.

Episode 22

INT. HOTEL INDOOR POOL - DAY

Zoe lunges forward and grabs Vincent’s arm, stopping him.

ZOE
(low, urgent)
Stop making a fool of yourself.

Vincent’s jaw tightens, fury barely contained.

VINCENT
Sebastian did this on purpose. He wants me to watch. He's not gonna get what he wants.

Across the pool, Lydia catches Vincent’s reflection in the glass wall behind Sebastian. She smiles faintly. Then, she deliberately loses her footing, gasping as if about to fall. Water splashes violently.

Sebastian reacts instantly, wrapping an arm around her waist and pulling her into his chest.

SEBASTIAN
(alarmed)
What’s wrong?

Lydia leans into him, voice soft and teasing.

LYDIA
That’s what happens when you wear me out all night. I barely have the strength to stand today.

Sebastian’s lips curve into an intimate smile. He lowers his head, murmuring near her ear.

SEBASTIAN
That's on me… But you’re not innoncent either.
(low, hoarse)
If you weren't so irresistable.

He nips gently at her earlobe. Vincent’s breath hitches. His fists tremble, knuckles whitening as his eyes burn red with rage.

Lydia turns in Sebastian’s arms. One arm loops lazily around his neck.

Her other hand lifts, a single finger tracing slowly down Sebastian’s chest.

LYDIA
Then tonight, you’ll have to make it up to me properly.

Sebastian’s gaze darkens.

SEBASTIAN
It's gonna be one you won't forget

He leans down. Lydia tilts her chin up. Their lips are a breath apart—

VINCENT
Lydia!

The moment shatters. Sebastian and Lydia turn, irritation clear on their faces.

Vincent steps closer, eyes fixed on Lydia, voice trembling with desperate hope.

VINCENT (CONT'D)
Do you remember? Our first date was at a swimming pool. You said you couldn’t swim, but you still got in the water with a float, just to keep me company.

Lydia frowns. She lifts a hand to her temple, forcing herself to recall.

Sebastian’s expression tightens, unease flashing through his eyes.

Zoe also panics.

Episode 23

INT. HOTEL INDOOR POOL - DAY

VINCENT
(eager)
You remembered something, didn’t you?!

Sebastian’s expression tightens. He immediately pulls Lydia into his arms.

SEBASTIAN
Lydia, what’s wrong?

Lydia shakes her head hard, as if trying to dispel the thought.

LYDIA
It’s cold here. My head hurts. Let’s go to the sauna.

Sebastian exhales quietly, relief flickering across his face.

Vincent’s smile freezes.

SEBASTIAN
(smile in relief)
As you wish, M'lady.

Sebastian lifts Lydia out of the pool, steps onto the deck, then scoops her up effortlessly bridal-style.

LYDIA
(flustered)
Hey, I can walk on my own.

SEBASTIAN
(soft)
The floor’s cold. Let me carry you.

Lydia looks at him, surprised.

LYDIA (V.O.)
Does he really hate me? Then why does his tenderness feel… almost excessive?

Vincent steps forward, blocking their path, barely holding himself together.

VINCENT
Lydia, you really don't remember anything at all?

Lydia's gaze turns distant, icy.

LYDIA
I don't know what you're talking about. My head hurts. Leave me along.

Vincent clenches his fist, fighting the urge to explode.

Zoe quickly drags him aside as Sebastian carries Lydia away.

ZOE
(low, insistent)
Look at her, she's all over your brother. She's forgotten you completely. You should stop clinging to her. There are other women who love you. I—

VINCENT
(obsessive)
No. She loved me too much to forget. She'll remember. I won't give up.

He shoves Zoe aside and storms after them.

Zoe stamps her foot in fury, eyes darkening.

INT. HOTEL SAUNA - DAY

Steam rolls thick through the room.

Sebastian carries Lydia inside and locks the door. He steps into the hot water and sits down.

Lydia tries to rise, shifting to sit elsewhere—

Sebastian hooks an arm around her waist and pulls her back into his lap. Lydia lets out a soft gasp. She stiffens for half a second… then relaxes, settling against him.

Sebastian rests his chin on her shoulder, lips close to her ear.

SEBASTIAN
(low, magnetic)
Stay right here. Let me take care of you.

They exchange a knowing smile.

Outside, Vincent rushes up and stops short. Through the fogged glass, he sees Sebastian holding Lydia intimately in his arms.

Vincent’s hand tightens around the door handle. His knuckles turn white. Something inside him is cracking.

Episode 24

INT. HOTEL SAUNA - DAY

Steam hangs thick in the air.

Sebastian cups a palmful of hot water and lets it spill slowly over Lydia’s collarbone. The rivulet traces a lazy path downward. He leans in, eyes fixed on her damp lashes and parted lips, fingers brushing just below her collarbone.

SEBASTIAN
Feels better?

Lydia nods, eyes half-lidded.

LYDIA
Mm… much better.
(teasing)
Though if this "cuddle bear" were a little softer, it’d be perfect.

Sebastian’s breath deepens. He tucks a strand of her wet hair behind her ear, gaze dark with focus.

INT. SAUNA DOOR - DAY

Vincent twists the handle, locked. Rage floods his face. He slams his fist against the door, helpless.

VINCENT
(shouting)
You bastard, let go of my wife!

INT. HOTEL SAUNA - DAY

The steam swallows all sound from outside.

Lydia flicks a glance toward the door, catching a faint shadow beyond the glass. A small, cold smile curves her lips.

LYDIA (V.O.)
Watching your wife slip away. Does it hurt? Good. I want you to feel it twice over.

She tilts her head and presses a soft kiss at Sebastian's throat. His jaw tightens. He pulls her closer, anchoring her against him, lips tracing along her shoulder and the line of her neck. His hand steadies at her waist as he lifts her chin.

Their mouths meet, slow at first, then hungry.

Lydia's fingers slide into his hair as she leans into the kiss, breath catching.

INT. SAUNA DOOR - DAY

Vincent pounds the door again, wild-eyed.

Through the fogged glass, he makes out their silhouettes. Something inside him snaps.

He grabs a nearby fire extinguisher, hoists it with shaking arms.

VINCENT
(roaring)
Lydia! I'm your husband!

He smashes the fire extinguisher against the doornob, pouring all his strength.

Episode 25

INT. SAUNA DOOR - DAY

Zoe rushes up and grabs Vincent's arm, panicked.

ZOE
Vincent! Have you lost your mind?! Forget that shameless whore. Can't we just be real husband and wife?

Vincent whirls around and slaps her hard.

SMACK.

ZOE (CONT'D)
Ah!

VINCENT
(raging)
Shut up, you dumb bitch! Lydia is my wife. She’s mine and she’ll always be mine!

Zoe clutches her cheek, stunned and humiliated.

Vincent turns back, completely unhinged, smashing the door handle again and again.

Through the fogged glass, he sees, Lydia has turned to face Sebastian, straddling him now, her arms looped around his neck. They kiss. Sebastian’s hands grip her hips, pulling her closer.

Vincent’s eyes burn red with fury.

INT. HOTEL SAUNA - DAY

The door bursts open. Vincent storms in and hurls the fire extinguisher on the ground.

Sebastian and Lydia break apart, startled, faces flushed, breath uneven.

Vincent charges forward, yanks Lydia away from Sebastian, fingers digging painfully into her shoulders.

VINCENT
(screaming)
How could you let him touch you like that?! I’m your husband!

He lunges in, trying to force a kiss.

Lydia twists away, terrified.

LYDIA
No! Let go of me!

In an instant, Sebastian surges forward, shoving Vincent back and pulling Lydia into his arms. He throws a clean, brutal punch. Vincent crashes to the ground. Zoe screams and rushes to him.

ZOE
Vincent! Are you okay?!
(turning on Sebastian, furious)
Sebastian, how could you hit him?!

Sebastian steps forward, eyes ice-cold.

SEBASTIAN
Enough. This doesn’t concern you, not anymore.

He shields Lydia behind him, body firm and unyielding. Vincent lies on the floor, stunned, hatred and obsession churning in his eyes.

Episode 26

INT. HOTEL SAUNA - DAY

Sebastian turns sharply toward Zoe, eyes razor-cold.

SEBASTIAN
Enough. This isn’t your place to speak.

Zoe flinches, instantly silenced.

Vincent staggers to his feet.

Lydia, still shaken, wraps her arms around herself. Sebastian immediately grabs a towel from the rack and drapes it around her shoulders.

SEBASTIAN (CONT'D)
(gently)
Hey… it’s okay. I’ve got you.

He turns back to Vincent, fury tightly leashed.

SEBASTIAN (CONT'D)
(low, threatening)
Touch my wife again, and next time, it won't be just a punch.

Lydia looks up at him, surprised. Something soft flickers in her eyes.

LYDIA (V.O.)
Does he really care about me? Or is he just playing his part so well.

Vincent’s bloodshot eyes bore into Lydia—then snap to Sebastian. His chest heaves with rage as he forces himself upright.

VINCENT
(hoarse, desperate)
Your wife? She's my wife!

Sebastian steps forward and grabs Vincent by the collar.

SEBASTIAN
(snapping)
I said enough. Get out of my sight.
Now.

Vincent suddenly laughs—a warped, obsessive grin.

VINCENT
You’re scared, aren't you?
(leaning in)
Good. Because, I already sent someone to get the documents proving our marriage.

Sebastian stiffens. His grip loosens.

Vincent seizes the moment and tries to move toward Lydia. Sebastian blocks him with a firm palm to the chest.

VINCENT (CONT'D)
(pleading, fixated)
Lydia, once you see the papers, you’ll know I’m telling the truth.
You’re my wife.

SEBASTIAN
(decisive)
There’s no need to—

LYDIA
(calm)
Fine, let's see them.

Sebastian freezes, turns to her.

SEBASTIAN
(uneasy)
Lydia—

LYDIA
Let me see them.
(quiet but firm)
(MORE)

LYDIA (CONT'D)
And when I’m done, you will disappear from our lives, and never disturb us again.

Hope ignites instantly in Vincent’s eyes.

VINCENT
You’ll see. Once you do… you’ll come back to me. I know it.

Sebastian watches Lydia closely—unease creeping into his expression.

Zoe frowns deeply, a knot of dread forming.

Lydia remains perfectly composed.

Episode 27

INT. HOTEL SUITE - DAY

All four are dressed, seated on the sofa. Sebastian has an arm around Lydia, but his attention is clearly elsewhere.

Vincent’s phone rings. He answers immediately. He hangs up and jumps to his feet, energized.

VINCENT
(excited)
The documents are here. In the lobby.

He rushes out.

Zoe hesitates, visibly anxious, then follows him.

Lydia stands and takes a step. Suddenly, Sebastian rises and pulls her tightly into his arms from behind. She pauses, surprised.

LYDIA
What’s wrong?

Sebastian doesn’t answer at first. His grip tightens slightly as he stares ahead, conflicted.

SEBASTIAN
(low)
Nothing. I just… feel like this honeymoon...it’s been too short.

Lydia is taken aback for a moment. Then she smiles softly. She reaches up, rests her hand over his arm, and turns to face him—steady, sincere.

LYDIA
That's okay. We have plenty of time.

Sebastian studies her face, unreadable. Lydia takes his hand. They leave together.

INT. HOTEL LOBBY - DAY

A MAN IN A SUIT stands in the middle of the lobby, holding a document envelope.

Vincent rushes over, snatches it from him, and rips it open. His fingers tremble as he pulls out the papers.

Lydia and Sebastian approach.

Sebastian grips Lydia's hand tightly, barely breathing.

Vincent takes a deep breath, straightens his arm, and holds the documents out toward Lydia.

VINCENT
Lydia… look carefully.

Zoe and Sebastian stare, stunned.

Lydia remains calm. Her eyes lower to the papers. She reads. No reaction.

Episode 28

INT. HOTEL LOBBY - DAY

Vincent stares at Lydia, breathless with anticipation.

VINCENT
(agitated)
You see it now, don't you? You're my wife!

Lydia looks up from the documents, clearly irritated.

LYDIA
(cold, final)
How much longer are you planning to embarrass yourself? I am so tired of this.

Zoe freezes.

ZOE
(shocked)
What?

Vincent turns to Zoe, registering her confusion. Then he looks back at Lydia—her open disgust. Then Sebastian - who exhales in visible relief.

Vincent snatches the papers back and flips them toward himself. His face drains of color.

CLOSE ON: DOCUMENT - MARITAL STATUS: NO REGISTERED MARRIAGE ON RECORD

Vincent’s mouth falls open. His pupils constrict. He shakes his head violently.

VINCENT
No… That’s impossible.
This has to be fake.

LYDIA
You’re the one who had it delivered. If it’s forged, that’s on you.

Vincent lunges at the man in the suit, grabbing him by the collar.

VINCENT
(shouting)
Who paid you to forge this? Was it Sebastian?! Was it him?

MAN IN SUIT
Sir, this document is authentic.

VINCENT
No! You’ve made a mistake! You see, we are a married couple.

Lydia steps forward, her patience completely gone.

LYDIA
(controled)
Vincent, if not for your brother’s sake, I wouldn’t have tolerated you this long. This is your last warning, stay out of my sight.

Sebastian moves beside her, placing an arm firmly around her shoulders.

SEBASTIAN
(cold)
This is your final warning. Stay away from my wife. Brother or not, if you cross the line again. You are dead.

Sebastian guides Lydia away.

Vincent stands frozen, staring at the document in his hands, utterly lost.

Zoe watches them leave, her face tight with resentment.

She turns back to Vincent.

ZOE
Vincent… just let it go.

VINCENT
(muttering)
No. I don’t believe it. I don’t believe any of this.

He pulls out his phone, fury overtaking reason.

VINCENT (CONT'D)
(into phone, shouting)
Get everyone on it. Dig up everything, every record, every loophole. I want the truth about my marriage *now*!

Zoe clenches her jaw, eyes dark with unwilling acceptance.

Episode 29

INT. HOTEL ROOM - NIGHT

A laptop sits open on the desk.

Search result after search result flashes across the screen.

CLOSE ON: LINES ON SCREEN - NO REGISTERED MARRIAGE FOUNDNO LEGAL SPOUSAL RECORD. STATUS: SINGLE

Vincent slams the laptop shut.

He collapses onto the edge of the bed, liquor bottle in hand, already half-empty.

Empty bottles litter the floor.

VINCENT
(muttering)
How can there be nothing… How can we not be married… This makes no sense…

The door opens. Zoe walks in quietly and sits beside him. She studies him for a moment before speaking softly.

ZOE
(low, gentle)
Look at me. I've been here the whole time.

Vincent lifts his head, eyes glassy. In his drunken haze, Zoe blurs.

For a moment, she looks like Lydia. He suddenly pulls her into his arms.

VINCENT
(broken)
Lydia… Please don't leave me.

Zoe's smile freezes. Her jaw tightens.

Vincent cups her face and kisses her, pushing her back onto the bed.

VINCENT (CONT'D)
(desperate)
You're mine, Lydia. You've always been mine.

Zoe stares up at the ceiling, her expression twisted with resentment as she endures it.

ZOE (V.O.)
Once I'm carrying your child…You'll never be able to go back to her.

INT. HOTEL ROOM - DAY

Vincent jolts awake. He looks down. Zoe is in his arms. His expression darkens instantly. He pulls away and jumps out of bed, grabbing his clothes in a panic.

Zoe stirs, groggy but alert. She watches him dress, then speaks quickly.

ZOE
I want to be your real wife.

Vincent doesn’t even look at her.

He pulls a thick stack of cash from his wallet and tosses it onto the bed.

Bills scatter across her lap.

VINCENT
(cold)
Take the money. And keep your mouth shut.

Zoe freezes.

Vincent buttons his shirt, his voice flat and merciless.

VINCENT (CONT'D)
I don’t want Lydia hearing a single word about last night.
(turns, eyes hard)
My wife has always been Lydia. And she always will be.

Episode 30

(flustered)
Lydia, wait. Listen to me, it’s not what you think!

He reaches for Lydia. Sebastian steps in instantly, shoving Vincent back and pulling Lydia into his arms.

LYDIA
(calm)
Vincent, I’m Sebastian’s wife. You can sleep with whoever you want. It's none of my business.
(turns to Sebastian)
Let’s go.

Sebastian nods and guides her away.

Vincent freezes, then snaps out of it and chases after them.

VINCENT
Lydia!

INT. HOTEL LOBBY - DAY

Vincent runs into the lobby, stopped by a line of BLACK-SUITED BODYGUARDS.

VINCENT
(shouting)
Lydia! I am your husband!

Vincent watches Sebatian and Lydia entering the limo and kissing on the back seat. Bodygaurds dismissed as the limo leaves. Vincent chases out in vain.

EXT. STREET - NIGHT

Vincent sprints down the street, breath ragged, voice breaking.

VINCENT
(screaming)
Lydia! I really am your husband!

He stumbles to a stop.

The car disappears into traffic.

Vincent drops to his knees, chest heaving.

VINCENT (CONT'D)
(desperate, shattered)
Lydia—!!

Episode 31

EXT. STREET - NIGHT

Vincent stands frozen, staring at the car disappearing into the distance.

His face is hollow. Ruined.

Zoe runs up behind him, breathless.

ZOE
Vincent! Just let it go! Lydia doesn’t remember you anymore! What’s so great about her anyway? Don't waste your life on a hoe!

Vincent snaps.

He spins around and SLAMS his hand around Zoe’s throat, pinning her back.

VINCENT
(furious)
This is all because of you!

Zoe claws at his wrist, struggling to breathe.

ZOE
Your big game is next week. You need to focus on training. Lydia is only gonna distract you.

Vincent stops. His eyes narrow as the idea takes hold.

VINCENT (V.O.)
That’s right… If I win another championship, maybe it’ll trigger her memory. Maybe she’ll remember me.

He turns back and grips Zoe’s hand.

VINCENT
(earnest)
Fine, help me train. Be my coach, for now. I need you.

Zoe freezes for half a second, then smiles brightly and throws her arms around him.

ZOE
(happy)
Of course I will.

Her smile lingers just a little too long.

INT. GOLF TOURNAMENT VENUE - DAY

Spectators fill the stands.

Sebastian leads Lydia to their seats, his hand wrapped tightly around hers.

They sit.

Sebastian steals a glance at Lydia—
her calm face, her focused eyes, watching the course.

Unease creeps in.

SEBASTIAN (V.O.)
Why did Lydia want to come watch the tournament? Is it possible… that her memory is starting to come back?

Episode 32

INT. GOLF TOURNAMENT VENUE - DAY

Lydia sits in the stands, eyes fixed on the course.

Her gaze is distant—nostalgic.

LYDIA (V.O.)
Damn, I really miss the field.

Suddenly, a wave of BOOS ripples through the crowd.

A fan angrily throws his hat to the ground.

FAN
What’s wrong with Vincent today? This is embarrassing!

Sebastian and Lydia look toward the course.

Vincent stands on the fairway. His posture is stiff. Unsteady. He takes a deep breath.

In the coach's section, Zoe watches him anxiously, fingers clenched.

Vincent swings. The ball rolls, and stops just one step short of the hole.

The crowd erupts again—this time in louder jeers.

Lydia frowns, shaking her head slightly.

REFEREE
That stroke counts. This hole is confirmed. This group's match is complete.
(beat)
And the champion of today's tournament is— Asher Langford, finishing at minus five, defeating Vincent Hawthorne by a twenty-stroke margin. Congratulations to Asher Langford!

Half the crowd CHEERS. The other half curses Vincent openly.

Vincent walks off the course, face dark, humiliated. As he passes the sidelines, he shoots a furious glare at Zoe.

VINCENT
Didn't you say you could train me to win?! Is this your idea of coaching?!

His voice lowers—cutting.

VINCENT (CONT'D)
You don't even come close to Lydia.

Zoe freezes, mortified.

ZOE
I… I—

Vincent grabs his bag and storms off without another word.

Zoe hesitates—then rushes after him.

Lydia watches the scene unfold, disappointment flickering across her face.

LYDIA (V.O.)
A complete and crushing defeat. I wasted seven of my best years teaching talentless mediocrity like him.

A beat.

LYDIA (V.O.) (CONT'D)
What a waste of time.

INT. GOLF COURSE - NIGHT

The course is empty now, silent. Under the floodlights, Lydia stands alone on the grass.She swings.

THWACK. A perfect strike. The ball arcs cleanly—

HOLE IN ONE.

Lydia doesn't even look toward the hole.No smile. No satisfaction. She exhales slowly, already lining up another ball.

Another swing.

Sebastian approaches from behind, hesitant.He stops a few steps away, watching her back, tense, controlled, devastatingly familiar with the course. His unease deepens.

SEBASTIAN
Lydia… Did today's match bring anything back for you?

Lydia pauses.

She lowers the club and turns. She studies Sebastian. Only now does she notice, the worry in his eyes.

Episode 33

INT. GOLF COURSE - NIGHT

LYDIA (V.O.)
Is he afraid I'll recover my memory? Why? Does he simply enjoys the game too much. Or did he start to have feelings for me.

SEBASTIAN
Lydia?

Lydia snaps out of her thoughts.

LYDIA
No, still nothing. I just learned that I coached Vincent for seven years, and he still turned out like that. Feels like a complete waste of my time and energy.

Sebastian exhales quietly, relieved. He steps closer. His hand slides from her upper arm down to her wrist, gently enclosing her hand around the club. He leans in, voice low by her ear.

SEBASTIAN
(soft, teasing)
I'm a fast learner, *Coach*. Try me. I won't let you down.

Lydia lifts her eyes, a knowing smile playing at her lips. The air between them thickens.

Sebastian doesn't let go. Using her grip as an anchor, he circles behind her, his other hand joining hers on the club.

SEBASTIAN (CONT'D)
Like this?

Lydia lets out a soft laugh.

She slips her hands free and turns, deliberately pushing him back a step.

Sebastian blinks—caught off guard.

LYDIA
Wrong.

She moves behind him.

Her palm presses firmly against his waist, pushing him forward.

LYDIA (CONT'D)
Upper body, lean forward about thirty degrees.

Sebastian's mouth curves into a slow smile as he adjusts.

Lydia's hand glides up his back, stopping between his shoulder blades.

LYDIA (CONT'D)
Back straight.

Her fingers continue upward to his shoulder. Then, with her foot, she nudges his stance wider.

Sebastian’s feet shift apart. Lydia leans in close, her breath brushing his ear.

LYDIA (CONT'D)
(low)
Feet shoulder-width apart.

Sebastian’s breathing deepens. He slowly turns his head. Lydia’s lips are inches away.

Episode 34

INT. GOLF COURSE - NIGHT

Sebastian slowly leans in, bringing his mouth to Lydia's lips. Just before their mouths meet, Lydia blows a quick breath against his lips.

Sebastian freezes, then lets out a helpless laugh.

LYDIA
(mock serious)
Focus.

She steps back decisively, withdrawing her hands and feet.

Sebastian closes his eyes for a brief second, reining himself in. Then, he smiles. He swings. The club slices cleanly through the air.

Sebastian lifts a brow, looking to Lydia. She looks a the perfect form of the ball.

LYDIA (CONT'D)
(surprised)
So you *can* play. You lied to me?

Sebastian pulls her into his arms. Lydia pretends to be annoyed, tilting her head up to glare at him.

SEBASTIAN
Nah, it's because you are a great coach.

Lydia’s expression softens. She lowers her gaze, a flicker of loss crossing her face.

LYDIA
(quiet)
I was never a good coach. And I never wanted to be a coach.

Sebastian releases her. He bends slightly, gripping her shoulders so she has to look at him. His eyes are steady, certain.

SEBASTIAN
Lydia, get back to playing. It is where you belong. Not the sidelines or staying home.

Something ignites in Lydia's eyes. She looks around, slowly turning in place. She inhales deeply.

LYDIA
(with fire)
You're right. This *is* my battlefield.
(turning to him)
I will take back everything I lost in those seven years.

Sebastian pulls her into a tight embrace.

SEBASTIAN
I believe in you. You got this.

Lydia hugs him back.

Suddenly, Sebastian lifts her off the ground. Lydia laughs, wrapping her arms around his neck.

SEBASTIAN (CONT'D)
(low, playful)
Oh it's dark already. Almost bedtime. Then it's my turn to teach.
(smiling)
Think you're ready for a long night?

LYDIA
(grinning)
Yes *Professor*.

INT. VINCENT'S HOUSE - DAY

The TV blares nonstop coverage.Phones buzz.

CLOSE ON: HEADLINES DOMINATE EVERY SCREEN: “ROTQ: FORMER YOUNGEST GRAND SLAM CHAMPION, GOLF PRODIGY LYDIA ROWAN JOINS THIS YEAR'S LPGA TOUR.”

Vincent stares at his phone. His breath catches. He jumps up from the couch, eyes burning with excitement.

VINCENT
(grinning wildly)
Lydia must’ve gotten her memory back. I’m going to the game. I *have* to see her.

Episode 35

INT. GOLF COURSE - DAY

Vincent walks into the spectator stands, clutching a large bouquet of flowers. He takes his seat, eyes shining as he looks down at Lydia on the green.

SPECTATOR #1
Lydia's ball is at a tough spot. What a shame. She was *this* close to winning.

SPECTATOR #2
Looks like Victoria’s about to break Lydia Rowan’s record as the youngest Grand Slam champion!

The camera cuts to Lydia’s ball. Lydia grips her club. She closes her eyes. She takes a deep breath and re-opens her eyes. She putts. The ball rolls. At first, it drifts away from the hole. Murmurs ripple through the crowd—disappointment, regret.

Then the ball suddenly changes direction. Curves back and drops in.

Three seconds of stunned silence. Then, the stadium EXPLODES. Thunderous applause. Screams. Cheers.

Victoria exhales sharply, closes her eyes in defeat.

REFEREE
The shot is valid. Final score confirmed.
(raising his voice)
With a four-round total of minus twenty. The winner of this tournament is LYDIA ROWAN!

The crowd goes wild. Even louder than before.

Lydia laughs, tears shimmering in her eyes. She looks up toward the stands. Vincent meets her gaze. His face lights up with disbelief and joy.

VINCENT
(to himself)
She looked at me…
(smiling)
Lydia remembered me.

Clutching the bouquet, Vincent stands and starts toward the aisle. Suddenly, Sebastian moving faster, more confident.

Vincent freezes, his smile collapses. He watches as Sebastian, holding the trophy and another bouquet, strides down toward the stage.

Sebastian steps up, smiling broadly. He hands Lydia the trophy, then the flowers. He pulls her into a deep, triumphant hug.

SEBASTIAN
(beaming)
Congratulations. I knew you'd do it.

Vincent's face drains of color.

VINCENT
(stunned)
How… how is it *him*?

The referee steps forward again.

REFEREE
We would like to thank the sole sponsor of today's tournament, TK Sports Group.
(turning)
And its president, Mr. Hawthorne, for presenting the award. Lydia Rowan, please say a few words.

Lydia steps up to the microphone, emotions barely contained.

LYDIA
Thank you to everyone who has supported me.
(to the crowd)
To all the fans who never stopped believing in me.
(softening)
(MORE)

LYDIA (CONT'D)
And to my husband
(turning to Sebastian)
Thank you for always believing in m3, even when I didn’t believe in myself.

Vincent’s eyes light up again. Hope surges through him. He steps forward. Then, right before he reaches the stage, Lydia leans in.

She kisses Sebastian. The world stops.

Vincent goes rigid. His eyes redden instantly. His fists clench so tightly his knuckles turn white.

SPECTATOR #1
Oh my god, the genius athlete and the young CEO… That’s *a fairy tale*.

SPECTATOR #2
They’re perfect together!

Amid roaring applause and cheers, Vincent shakes his head violently.

VINCENT
(screaming)
No—!

His voice cracks.

VINCENT (CONT'D)
Lydia is my wife!!

The celebration swallows his words. The crowd cheers.

Lydia smiles. And Vincent is left standing. Flowers crushed in his hands.

PAYWALL 2

Episode 36

INT. GOLF COURSE - DAY

Vincent lunges toward the stage, only to be stopped by security. He struggles violently, trying to break free, shouting over the roaring crowd.

VINCENT
Lydia! Have you forgotten the seven years we fought side by side?!
(MORE)

VINCENT (CONT'D)
You gave up *everything* for me. I was the one you loved the most!

Sebastian's arm tightens instinctively around Lydia's shoulders. He studies her expression, unease flickering in his eyes, then shoots Vincent a cold, warning glare.

Lydia frowns, irritation clear and unmasked. The crowd erupts into confused murmurs. Phones come out. Cameras start rolling.

SPECTATOR #1
Wait, isn't that Vincent? The guy who won once, then lost three tournaments in a row?

SPECTATOR #2
Yeah, that's him! The only time he ever won was when Lydia was his coach *and* manager!

SPECTATOR #3
So what—are they saying they were secretly married? Then why did Lydia just call Hawthorne her husband? That's not scandal, that's *bigamy*.

Lydia steps forward, her voice sharp, unmistakably disgusted.

LYDIA
Vincent, you replaced your coach. Your performance tanked. I understand you're frustrated—but spreading lies and smearing my reputation just to force me back into coaching you? That's beneath you.

The crowd reacts instantly.

SPECTATOR #1
Oh my god—you're right! He dumped his coach the second he won, and now that she's back and winning championships, he's trying to drag her down?That's vicious.

SPECTATOR #2
Ungrateful *and* desperate. Trying to destroy her name because he can't stand her success? That's disgusting.

Vincent’s face drains of all color. The noise crashes over him like a tidal wave.

VINCENT
(trembling, almost begging)
No… no, that’s not true! I’m telling the truth. Lydia *is* my wife!

He looks up at her. At her distant, impassive gaze. Despair fills his eyes.

VINCENT (CONT'D)
The club in your hands. I gave it to you as our wedding gift. You said you’d never let it go. You said you’d stand by me forever!

Sebastian’s expression hardens. He steps forward, and punches Vincent squarely in the face. Vincent crashes to the ground.

SEBASTIAN
Enough of this madness.
(to security)
Get him out of here.

Security immediately restrains Vincent, dragging him backward.

He thrashes wildly, completely unhinged.

VINCENT
(screaming)
I won’t give up! I’ll make you remember me. I swear I will!

Lydia watches him being hauled away. Her face remains cold.

LYDIA (V.O.)
Vincent, seven years of marriage, you hid our relationship from the public. And now, when you’re desperate to prove it, no one believes you. You did this to yourself. Pathetic.

INT. SEBASTIAN'S VILLA - LIVING ROOM - NIGHT

Lydia stands before a golf club rack by the window. Her fingers slowly trace along one particular club.

FLASHBACK:

EXT. LAWN - DAY

Vincent hands Lydia a custom-made golf club.

VINCENT
Lydia, this is a custom piece, my gift to you for our first wedding anniversary. From now on, you and golf are the two most important things in my life.

Lydia throws her arms around him, holding him tightly.

LYDIA
(teary-eyed)
I'll carry this club with me forever. I'll stay by your side, always.

BACK TO:

INT. SEBASTIAN'S VILLA - LIVING ROOM - NIGHT

Lydia exhales softly. Her gaze steadies.

LYDIA (V.O.)
I'd completely forgotten about this. Looks like this game has already helped me let him go…So why am I still reluctant to end it?

Across the room, Sebastian stands half-hidden in the shadows. A trace of fear and possessiveness flickers across his face. He walks over and wraps his arms around Lydia from behind.

SEBASTIAN
(low, careful)
You… don't believe what he said, do you?

Lydia pauses for a beat, then relaxes. She reaches back, placing her hand over his.

LYDIA
No. I'll never believe him.

Sebastian tightens slightly.

SEBASTIAN
But what if… what if he was telling the truth?

Lydia turns to face him, tilting her head up.

LYDIA
If it were true, I'd hate him even more. Because he was the one who pushed me into your arms.
(soft, assured)
Don't worry. Right now, you're the only one in my heart.

Sebastian freezes. His lips part slightly, stunned.

SEBASTIAN
Say that again.

Lydia lifts her arms, resting them on his shoulders, fingers interlacing behind his neck.

She rises onto her toes, close enough that only a breath separates them.

LYDIA
(whispering, intimate)
I love you.

Sebastian's eyes redden. He pulls her sharply against him and kisses her deeply, fiercely, as if afraid she might disappear.

LYDIA (V.O.)
Let me be selfish—just this once. Let this game… last a little longer.

Episode 38

EXT. VILLA - NIGHT

Vincent stands beside his car. From a distance, through the villa's floor-to-ceiling windows he watches.

Lydia and Sebastian locked in a fierce, intimate kiss. Vincent's hands clench at his sides, knuckles turning white.

Zoe runs up behind him, breathless.

Vincent dials his phone.

VINCENT
George, your grandson, Sebastian, is taking advantage of my wife's amnesia. He's deceived her and stolen her from me.
(voice tight with fury)
You need to come back and stop him.

He hangs up without waiting for a response. Vincent turns sharply, gets into the car, and drives off, leaving Zoe standing there, completely ignored.

ZOE
(furious)
Vincent!

Zoe watches the car disappear, her expression shifting as thoughts race.

ZOE (V.O.)
As long as someone can still prove that marriage ever existed, Vincent will never let go.

If I want him to be free of Lydia forever, I'll have to cut off his obsession at the root.

INT. SEBASTIAN'S VILLA - LIVING ROOM - NIGHT

Sebastian cups the side of Lydia's face and neck with one hand, kissing her deeply.

With the other, he loosens his tie and tosses it aside, fingers moving to unbutton his shirt as he kisses her again. He backs her up step by step, until Lydia's back meets the glass window. She shifts her shoulders.

Sebastian pauses, their foreheads touching, breath mingling. He reaches for the curtains, Lydia catches his arm.

LYDIA
Don't close them.

Sebastian arches a brow.

SEBASTIAN
You sure?

Lydia smiles—slow, provocative.

LYDIA
Quick and decisive. No one will see.

Sebastian lifts her legs effortlessly, settling them around his hips.

Lydia gasps and instinctively wraps her arms around his neck.

SEBASTIAN
(chuckling)
That’s one request I can’t promise to fulfill.

He kisses her again. The camera slowly pulls back.

INT. VILLA BEDROOM - DAY

Morning light spills into the room.

Sebastian lies shirtless in bed, one arm wrapped protectively around Lydia. Her bare shoulder peeks out from beneath the covers as she sleeps against his chest. Suddenly, BANG! The bedroom door is kicked open. Both Sebastian and Lydia jolt awake.

Standing in the doorway, GEORGE HAWTHORNE (MALE, 80s), impeccably dressed in suit, leaning on a cane, his presence imposing and icy. Beside him, Vincent, fists clenched, eyes blazing with rage.

VINCENT
(voice shaking)
Sebastian!

Episode 39

INT. VILLA BEDROOM - DAY

Vincent lunges forward and swings at Sebastian.

Sebastian catches the punch mid-air and throws Vincent aside.

Vincent crashes into a desk, knocking it over—but he scrambles back to his feet and charges again.

Before he can land another blow, Lydia steps forward and slaps Vincent hard across the face.

The sound echoes. Vincent’s head snaps to the side. He freezes, clutching his cheek, staring at her in disbelief.

LYDIA
(cold, furious)
Enough. I’m sick of you.

VINCENT
(stunned)
You, you hit me for him?

LYDIA
You broke into my home and tried to assault my husband.
A slap is me being generous.
(voice sharp)
This is your final warning. Stay away from me.

VINCENT
(shouting)
Lydia!

George strikes the floor with his cane. The room falls silent.

GEORGE
(authoritative)
Enough. This ends now.

Vincent spins around and grabs George’s sleeve.

VINCENT
(shouting)
George! You know the truth!
Tell her, tell Lydia whose wife she really is!

All eyes snap to George.

George stands tall, leaning on his cane. A long pause. Then—

GEORGE
(calm, absolute)
Lydia is Sebastian’s wife.

Lydia freezes. Vincent’s face drains of color.

Sebastian remains perfectly composed.

Episode 40

INT. VILLA BEDROOM - DAY

Vincent locks his gaze on George, barely holding himself together.

VINCENT
(breaking down)
George! Why are you lying to her?
You know the truth—

GEORGE
(cutting him off, icy)
Both of you—get dressed.
(points his cane at Vincent)
You. Come with me.

George turns and walks out.

Vincent shoots a look at Sebastian and Lydia—resentful, unwilling, humiliated, then follows George. Lydia stands frozen.

LYDIA (V.O.)
Why would George lie for me?

Sebastian notices her furrowed brow.
He pulls her into his arms, patting her back gently.

SEBASTIAN
(soft, confident)
Don't be afraid.
George believes in fairness.

Lydia exhales, still unsettled.

LYDIA (V.O.)
Or… was this Sebastian's doing?

INT. VILLA LIVING ROOM - DAY

Vincent follows George into the living room, barely able to contain himself.

VINCENT
George, you—

SMACK.

George slaps Vincent hard across the face, cutting him off.

Vincent's head snaps to the side. He stares at George in shock.

GEORGE
(enraged)
You disgrace. Sebastian already told me everything.
(MORE)

GEORGE (CONT'D)
You cheated on your wife with her best friend, and had the nerve to play sick games like wife-swapping? You've dragged this family's name through the mud!

Vincent lowers his head, fists clenched, jaw tight.

VINCENT
(gritted teeth)
I knew it. Sebastian again.

GEORGE
Lydia gave up her career for you. Her future. Her dignity. From your home to your work, she took care of every detail of your life—
(voice hard)
You didn't cherish her. So don't blame someone else for cherishing her now.

Vincent snaps his head up, eyes burning.

VINCENT
(low, threatening)
No. Lydia is my wife. If Sebastian doesn't give her back. I'll expose the truth. I'll destroy him. Let him fall with me.

George stares at Vincent in cold silence.

EPISODE 41

INT. VILLA LIVING ROOM - DAY

Vincent turns sharply and heads for the door.

George slams his cane hard against the floor.

GEORGE
(booming with rage)
You dare?

Vincent freezes. He turns back, eyes wild.

VINCENT
(losing control)
Sebastian stole my wife—
and now he wants to erase my marriage to Lydia forever! He's trying to drive me insane!
(MORE)

VINCENT (CONT'D)
(bitter laugh)
At this point, what *wouldn't* I dare?

GEORGE
Then what about your child? Are you abandoning that too?

Vincent freezes.

VINCENT
(stunned)
What child?

George turns his head slightly toward the doorway.

GEORGE
Bring her in.

The butler nods and opens the door.

Zoe appears. She rushes in, beaming, clutching a pregnancy test report. She throws herself into Vincent's arms.

ZOE
(excited, breathless)
Vincent! I'm pregnant—with your baby! Look!

She grabs Vincent's hand and presses it to her belly. Vincent looks down at her stomach, then at the pregnancy report in her hand—

His entire body stiffens.

VINCENT
(trembling)
That's impossible…

A cold voice cuts through the room.

LYDIA (O.S.)
Congratulations. You're going to be a father.

Vincent snaps his head up.

At the top of the staircase stand Sebastian and Lydia, fully dressed, arms linked. They look down at Vincent, detatched and superior.

Vincent's face drains of color.

Sebastian’s expression is calm and dominant. Zoe lifts her chin, her eyes flashing with provocation.

Episode 42

INT. VILLA LIVING ROOM - DAY

Vincent shoves Zoe’s hand away and rushes to the foot of the staircase, looking up at Lydia in panic.

VINCENT
(frantic)
Lydia, listen to me!
That night—I was drunk.
I don’t even know how that child happened! Lydia… You’re the only one in my heart. The only child I want is the one *you* give me—

Sebastian steps forward sharply.

SEBASTIAN
(cold, commanding)
Enough. Lydia is my wife. Watch your place.

Vincent glares at Sebastian with naked hatred.

Lydia tightens her hold on Sebastian’s arm. She looks at Vincent gently, then speaks.

LYDIA
(soft, calm)
If I ever have a child,
it will only be Sebastian’s.

Her gaze turns icy as it shifts to Vincent.

LYDIA (CONT'D)
(cold)
Not yours.
You’re a stranger to me.

She links her arm more firmly with Sebastian. She brushes past Vincent without even sparing him a glance.

Vincent turns, reaching out instinctively.

VINCENT
(broken)
Lydia!

Zoe grabs his arm, stopping him.

ZOE
(pleading, humble)
Vincent… The baby and I both need you. Please don’t leave us.

Vincent watches Lydia disappear. His raised hand slowly drops — utterly powerless.

Zoe rests a hand on her stomach and turns toward George, fragile on the surface.

ZOE (CONT'D)
(soft, calculated)
George… I’d like to live here with Vincent.

That way the baby can grow peacefully.

George nods.

GEORGE
Butler. Prepare a room.

BUTLER
Yes, sir.

George looks at Vincent with finality.

GEORGE
Vincent. It’s over. Accept reality. From this moment on, you and Lydia have no future whatsoever.

Vincent clenches his fist, eyes squeezed shut. After a beat, his grip loosens.

Tears well as he stares in the direction Lydia left.

ZOE (V.O.)
(triumphant)
I’ve finally moved into this villa as its mistress. From now on, I am Vincent’s rightful wife. No one will ever take that away from me.

Episode 43

INT. VILLA STUDY - NIGHT

George sits behind his desk.

Sebastian stands in front of him.

GEORGE
(serious)
Are you sincere about Lydia?

SEBASTIAN
(without hesitation)
Yes.

George studies him.

GEORGE
Since Vincent's so-called marriage to her doesn't exist, then you'd better treat her properly. Lydia is a good girl. Vincent hurt her. I don't want you to do the same.

SEBASTIAN
(firm, solemn)
I never will. I'll protect Lydia for the rest of my life until death.

George nods, satisfied. A beat.

SEBASTIAN (CONT'D)
George… Vincent is far too obsessed with Lydia.
Let them move out.

George smiles faintly.

GEORGE
Only when Vincent sees with his own eyes how deeply in love you two are will he truly give up.

That's why you must live together.

Sebastian frowns, conflicted.

SEBASTIAN
But Lydia will be upset.

GEORGE
(chuckling softly)
Why don't you ask Lydia yourself? I don't think she's as fragile as you imagine.

EXT. VILLA BEDROOM BALCONY - NIGHT

Lydia stands on the balcony in a silk camisole.

Her arms rest on the glass railing as she lets the night breeze wash over her.

Sebastian approaches quietly, draping a blanket over her shoulders. He wraps his arms around her from behind, resting his chin against her hair.

Lydia tilts her head, smiling.

SEBASTIAN
(gentle)
Is living with Vincent and Zoe making you unhappy?
Do you want me to kick them out?

LYDIA
(calm, resolute)
If they take one step forward and we retreat, they'll only push harder. Whoever moves out first loses. I don't intend to lose.

Sebastian kisses the top of her head.

SEBASTIAN
I know. You'll win.

He lowers his head, kissing her neck.

Lydia laughs softly, ticklish.

LYDIA
Stop…

On the adjacent balcony, Vincent steps out impatiently, pulling out a cigarette. He looks up and sees Sebastian holding Lydia from behind, kissing her bare shoulder and neck.

Vincent's expression twists. He clenches the cigarette, snaps it in half. The crushed tobacco falls from his fingers.

Episode 44

EXT. VILLA BEDROOM BALCONY - NIGHT

Sebastian stands behind Lydia, kissing along her cheek, her neck, her shoulder.

Lydia's shoulders lift slightly as she closes her eyes, breathing unevenly.

Sebastian gently hooks two fingers under her chin, turning her face toward him.

SEBASTIAN
(low, teasing)
Do you still have the strength…
for another round?

Lydia inhales sharply.

LYDIA
(Softly)
No—

Before she can finish, Sebastian captures her lips.

He turns her body toward him, the kiss deepening.

Lydia’s hands slide up around his neck, responding instinctively.

SEBASTIAN
(murmuring against her lips)
Your body disagrees with your mouth.

He lifts her slightly, holding her close.

Sebastian reaches into his pocket— Lydia catches his wrist.

Their lips part, foreheads touching, breath tangled.

LYDIA
(quiet, resolute)
We don’t need that anymore. I want a child. A child that belongs to us.

Sebastian freezes. Pure, unguarded joy flashes through his eyes. He lets go of the item in his hand without a second thought. It arcs through the air, landing on the adjacent balcony.

Vincent stands there, frozen. His bloodshot eyes drop to the ground. Then slowly lift, locking onto Sebastian and Lydia.

VINCENT
(breathless, breaking)
No…

Sebastian adjusts Lydia in his arms, kisses her deeply, laughing softly as he turns and carries her back inside.

VINCENT (CONT'D)
(roaring)
STOP!

Sebastian doesn’t look back. The balcony doors close. Vincent slams his fist against the railing, shaking with rage. He spins, storms back inside.

INT. VILLA HALLWAY - NIGHT

Vincent charges down the corridor. He stops abruptly in front of a closed bedroom door. His hand reaches out, then grips the doorknob tightly. His chest heaves.

Episode 45

INT. VILLA HALLWAY - NIGHT

Vincent’s hand is locked on the doorknob. Before he can turn it, a cane strikes down sharply, pinning his wrist.

George steps forward, eyes cold.

GEORGE
(low, commanding)
Go back to your room. Take care of *your* wife and *your* child. Stop disturbing your brother and his wife.

Vincent jerks his hand back, fury blazing.

VINCENT
(gritted teeth)
His wife?! Fine. Then I’ll let the reporters decide. I’ll tell the world exactly whose wife Lydia really is.

He yanks out his phone, about to dial, George snatches it from his hand and slams it onto the marble floor. The screen shatters.

George lifts his cane, pointing it straight at Vincent.

GEORGE
(final warning)
This is the last time I warn you.
(MORE)

GEORGE (CONT'D)
If this scandal reaches the public and damages our family's reputation —every share of the company under your name will be taken back. All of it.

Vincent freezes. The threat lands.

VINCENT
(shaken, unwilling)
…On what grounds?

Sebastian stole my wife. He owes me.

GEORGE
(cold, absolute)
No one owes you anything. This situation is the result of *your own choices*. And the consequence you must bear is letting Lydia go.

Zoe rushes in, wrapping her arms around Vincent, forcing a smile toward George.

ZOE
(overly cheerful)
Don't worry, sir. I'll keep an eye on him. I won't let him act recklessly.

George gives her a frosty glance, then turns and walks away. Silence falls. Zoe tightens her grip on Vincent, lowering her voice.

ZOE (CONT'D)
(reasoning, coaxing)
Vincent, think about the money. And think about the baby. Throwing away everything you have for Lydia, it's not worth it.

Vincent stares at Sebastian's closed bedroom door. His eyes burn red. He suddenly slams his fist into the wall, a dull thud echoes down the hallway.

Zoe flinches.

VINCENT
(hoarse, breaking)
Lydia… Am I really supposed to just stand by and watch you be taken from me?

His jaw tightens, eyes filling with rage and despair.

VINCENT (CONT'D)
(low, venomous)
I won’t accept this. I won’t.

Episode 46

INT. VILLA RECREATION ROOM - DAY

Sebastian leans over at the pool table, hits in a ball, his shirt unbuttoned down to his abs.

Lydia leans against the wall behind him, wearing a bikini, checking out the shape of Sebastian. She bites her lip.

LYDIA
I didn’t know you were also a master pool player.

Sebastian turns around, checking Lydia out. He yanks Lydia into his arms. Lydia puts her hands on Sebastian's chest. Sebastian holds the cue with one hand while the other hand traces up between Lydia's legs.

SEBASTIAN
Want to learn? Say the word.

Sebastian pins Lydia under him on the pool table.

Lydia looks up at Sebastian, doe-eyed, her throat bobs as Sebastian's lips are inches away from her.

LYDIA
Teach me...

Before she finishes, Sebastian flips and pins her down again, pressing her face-down at the pool table with one hand.

Vincent and Zoe enters and sees them. Vincent's eyes turn red, his hand holding a wine glass trembles.

SEBASTIAN
(whispering)
Don’t tense your wrist. Billiards doesn’t respond well to force.

LYDIA
(low, teasing)
Then what does it respond to?

A faint smile curves Sebastian’s lips.

SEBASTIAN
Guidance.

He leans closer. His chest brushes lightly against her back. His breath lingers just behind her ear.

LYDIA
(soft, absorbed)
And then?

SEBASTIAN
Now!

Lydia strikes. The cue ball rolls smoothly, hits the red ball cleanly. Straight into the pocket.

Lydia breaks into a smile, turning her head toward him.

LYDIA
I did it!

The wine glass in Vincent's hand shatters from his tight grip.

Episode 47

INT. VILLA RECREATION ROOM - DAY

VINCENT
Sebastian, I'm not giving Lydia to you. You will get what's coming for you.

Vincent leaves in fury.

ZOE
(Jealous)
Lydia, I'm tired with the world with you in it.

EXT. VILLA POOL - DAY

Lydia lounges on a sun chair by the pool. Bikini. Sunglasses. Relaxed. Radiant.

Zoe storms over and deliberately blocks the sunlight. Lydia frowns and opens her eyes.

ZOE
Enjoying two men fighting over you? Feeling proud of yourself?

Chasing after married men, that’s low, even for you.

Lydia sits up. Slowly removes her sunglasses. Stands. She looks Zoe straight in the eye, calm but cutting.

LYDIA
I’ll give that speech right back to you, Zoe.

You earned every consequence coming your way. She steps past Zoe, brushing her shoulder as she moves to leave. Zoe snaps.

She grabs Lydia’s arm.

ZOE
You don’t walk away from me, say it clearly!

They struggle. Hands push. Feet slip. Suddenly, Zoe shoves hard. Lydia loses her balance, falls into the pool with a splash. Zoe staggers backward, slips, and tumbles in after her. At that exact moment, Sebastian and Vincent rush out from opposite sides. Both freeze for half a second, then shout at the same time.

SEBASTIAN / VINCENT
Lydia!

They leap into the pool, one after the other. Water explodes upward.

Episode 48

EXT. VILLA POOL - DAY

Sebastian and Vincent plunge through the water toward Lydia.

Sebastian reaches her first. He wraps his arms around her and pulls her to the surface, hauling her onto the pool deck.

Vincent climbs out right behind him.

Sebastian immediately begins CPR, pressing down and giving rescue breaths.

Vincent stands frozen nearby, fists clenched. His face twists with worry—and jealousy he forces himself to swallow.

Zoe struggles in the water, ignored by Vincent.

ZOE
(screaming)
Vincent! Help me! Please, help me!

Lydia suddenly coughs violently, choking up water.

Sebastian exhales in relief. Vincent's shoulders drop. Then Lydia's eyes flutter and she goes limp again. Sebastian's breath catches. His entire body tenses as he scoops her into his arms.

SEBASTIAN
(panicked, hoarse)
Lydia!

He picks up Lydia and runs out, carrying her in his arms.

Vincent follows right behind.

Zoe climbs out of the pool, watching Vincent out, abandoning her.

ZOE
Vincent!

In the distance, George stands with the butler, watching Zoe unravel. Cold. Calculating.

GEORGE
(rigid)
After all that, is the baby still fine? Check on her pregnancy.

Have her pregnancy checked again. Thoroughly.

The butler bows slightly.

BUTLER
Yes, sir.

George turns away as Zoe's cries echo across the pool.

INT. HOSPITAL ROOM - DAY

Sebastian sits at Lydia's bedside, gripping her hand tightly.

Vincent stands a few steps away, anxious, eyes never leaving her face.

Lydia's lashes flutter. She slowly opens her eyes. Both men exhale at the same time.

SEBASTIAN
(relieved, emotional)
Lydia… You're awake. You scared me to death.

Lydia gives him a faint smile. Then her gaze shifts to Vincent. Her expression cools instantly.

She turns back to Sebastian, voice steady and unmistakably clear.

LYDIA
Zoe pushed me into the pool. I want to press charges.

The air in the room freezes. Sebastian's eyes darken in an instant. Vincent stiffens, stunned.

SEBASTIAN
(low, controlled)
Anyone who lays a hand on you…will pay for it.

INT. HOSPITAL HALLWAY - DAY

After a while, Zoe is dragged in by two men in black suits. She thrashes, shaking her head wildly.

ZOE
No! It wasn't me! She's framing me!

Sebastian steps forward calmly. He pulls out his phone, taps the screen, security footage plays. Clear. Unmistakable.

Sebastian stops in front of Zoe. He slaps. Zoe freezes. She stares at the phone in his hand, face draining of color.

SEBASTIAN
(ice-cold)
Lying to my face? You've got a death wish.

Vincent surges forward, furious.

VINCENT
How could you hurt Lydia?!

ZOE
Vincent! Please, help me! I did it because I love you! And I'm carrying your child! I'm pregnant!

A calm, authoritative voice cuts through the chaos.

GEORGE (O.S.)
But you are not. Never was.

INT. HOSPITAL ROOM - DAY

George stands tall, eyes sharp. He signals the butler, who steps forward holding a neatly folded lab report.

Vincent freezes, shock washing over his face.

Zoe’s eyes dart nervously.

Vincent grabs her by the throat, trembling with rage.

VINCENT
(furious)
You've been lying to me?!

He slaps her hard. Zoe collapses to her knees, clutching her face.

Vincent points at her, furious.

VINCENT (CONT'D)
It’s because of your lies, your deceit, that I lost Lydia! You deserve to die.

He rips the ring off Zoe’s finger—Lydia’s engagement ring—clenches it in his fist.

VINCENT (CONT'D)
You have no right to wear what I gave Lydia! Drag her out!

The black-suited men move in. Zoe struggles, screams, but they cover her mouth and drag her out.

GEORGE
(to Vincent, Sebastian, Lydia)
Sort this out, the three of you. No more loose ends.

George and the butler exit. Vincent stands there, clutching the ring, eyes locked on Lydia.

Sebastian instinctively steps in front of her, protective. Vincent gazes at Lydia, pleading.

VINCENT
Lydia… I love you. And I don’t have a child with Chloe. We can start over.

Lydia takes the ring and stares at it for a few seconds. Vincent's eyes ignited in hope, while sebastian's darkens, worried.

Lydia smirks, cold. She drops the ring on the ground. Vincent is left in shock.

Lydia laughs coldly, venom in every word.

LYDIA
Love? Seven years of marriage, all my sacrifices… and you? You slept with Zoe, abandoned me while I was vulnerable, married her in my place, and now you want to take me back? You are incapable of love. You only love yourself.

Sebastian and Vincent both freeze at the words: *“seven years of marriage”*. Their eyes widen in shock.

VINCENT
(stammering, horrified)
Lydia… you… you remember everything?

LYDIA
(calm, unflinching)
I never forgot. I never lost my memory.

Both Sebastian and Vincent stand stunned, their emotions frozen in disbelief.

Episode 50

INT. HOSPITAL ROOM - DAY

Vincent stands frozen, disbelief written all over his face. His voice shakes with desperation.

VINCENT
(voice breaking)
No… this can’t be. You’re lying to me!

Lydia fixes her gaze on him. A faint, almost playful smile curls her lips.

LYDIA
(smiling coldly)
Yes… I lied. But not just now.
(MORE)

LYDIA (CONT'D)
since the very beginning, I’ve been lying to you.

Vincent’s eyes widen. He steps back, stunned.

VINCENT
(whispers)
…Why?

LYDIA
Because I couldn't understand why you would push me into your brother’s arms. Why I had to watch my own husband and my best friend get close right in front of me. Why you would do this to me after all I have done for you!

Vincent kneels, voice trembling, desperate, almost broken.

VINCENT
(humble, pleading)
Lydia… I was wrong… I know I was wrong. I'm so sorry. I swear… I’ll give you the biggest wedding the world has ever seen. I’ll make our love known to everyone… I'll make it up to you.

He reaches out, trembling, for her hand. Lydia steps back coolly. Vincent’s hand freezes midair. Tears spill down his cheeks.

VINCENT (CONT'D)
(voice cracking, desperate)
I’ll step aside, be your assistant, stay by your side… I swear I’ll never betray you again… Please… come back to me…

Lydia’s eyes are icy. Her tone is sharp, final.

LYDIA
(cold, unyielding)
Too late. Vincent… you destroyed us with your own hands. If you want me to remember even the tiniest bit of what we had, let me go. That’s the only happiness you can give me now.

Vincent’s shoulders slump. He lowers his head, letting the tears fall onto the floor. He closes his eyes, takes a deep breath, wipes them away, and slowly rises.

VINCENT
(sorrowful, broken)
I'm sorry, Lydia… I was a fool… to lose the most beautiful, loving person in the world. I promised you happiness… if leaving is the happiness you want, then… I'll give it to you.

He bends to pick up the wedding ring from the floor. He glances back at Lydia one last time, eyes filled with regret. Then he walks away, utterly defeated.

Lydia exhales slowly, turns to face Sebastian, who watches her anxiously. They lock eyes.

LYDIA
(tired, soft)
Sebastian… The game is over. We both need to return to our rightful places.

Sebastian grabs her shoulders, lowering his head to meet her eyes.

SEBASTIAN
(earnest)
I never treated this time with you like a game.

Episode 51

INT. HOSPITAL ROOM - DAY

LYDIA
(dismissive, guarded)
Stop joking. I know you played along for thrills, helping your brother…

Sebastian takes her hand, placing it over his chest.

SEBASTIAN
(heartfelt)
Lydia… I love you. I've always loved you. From the first time I saw you on the course at ten… my heart has belonged only to you.

Lydia freezes. Sebastian reaches into his suit, removing a tie clip, and hands it to her.

SEBASTIAN (CONT'D)
When you won your first championship, I was just a fan shaking your hand… and you dropped this hairpin. I picked it up… and I've never let it go.

Lydia's eyes widen with realization.

LYDIA
(soft, astonished)
It was you… You liked me all along? I always thought you hated me…

Sebastian steps closer, his expression tender and unwavering.

SEBASTIAN
I've always liked you. When I learned my brother was going to marry you, it hurt me… I tried to let go, but I couldn't. I thought hope was gone… then your… "memory loss" gave me a chance.

Lydia's eyes glisten, emotions breaking through.

SEBASTIAN (CONT'D)
I know you've been hurt… it's hard to trust love again. But I'll show you with my actions… please, give me a chance. Let me prove my love.

Lydia looks down at the hairpin, a small smile touching her lips. She clenches it gently in her hand, then lifts her gaze to him.

LYDIA
I thought I'd never believe in love again… but you've made my heart beat anew. I'll give it another shot, with you...

Sebastian's tense expression melts into pure joy. He pulls Lydia into a tight embrace.

SEBASTIAN
(grateful, relieved)
Thank you, Lydia. I promise… I won't let you down. I will make you the happiest woman in this world.

Lydia hugs him back, smiling, content. The camera pulls back, capturing the couple in a perfect, tender frame of reunited love.
