The door swings open. A man's boot lands. LIAM SUMMERS (23), still in full racing gear, steps out, shuts the door, and leans back on the car like he owns the road.

JASPER
Not bad.

Jasper returns to the chart — like nothing happened.

MARCUS
Jasper, I swear sometimes I think you’re asexual. I’ve never seen you interested in anyone.

Jasper calmly writes notes. Marcus suddenly clocks a thought and instinctively covers his crotch.

MARCUS (CONT'D)

MARCUS (CONT'D)
Hey— what the hell?!

12 INT. HOSPITAL CORRIDOR - DAY 12

Liam’s face tightens. He mutters to himself, embarrassed.

LIAM
Okay. This… isn't ideal.

JASPER
My patient's about to arrive, so you'd better—

He stops cold. Liam turns back at the sound.Their eyes meet.

SLOW MOTION: JASPER'S GAZE TRAVELS OVER LIAM. SUNLIGHT CATCHES HIS HAIR, EVERY STRAND LIFTING, TEASING JASPER.

MARCUS
Liam Summers? Nightfall from F1?No way— it's REALLY you!!

Marcus lunges forward with open arms to hug Liam. Jasper snaps a hand out — grips Marcus and blocks him.

LIAM
…I can't… get hard.

Jasper doesn't blink. He slips on professional medical gloves, looming as he points his chin toward the exam table.

JASPER
Okay. Take off your pants and lie down for me.

Liam looks up at him, shocked.

14 INT. UROLOGY EXAM ROOM - DAY 14

On the exam table, Liam has stripped out of his racing suit. Now wearing only a tank top,he takes a deep breath and lies back. Liam clenches his jaw, eyes squeezed shut — humiliation flooding his face.

LIAM (V.O.)
This is just part of the treatment.

Jasper focuses on examining Liam's lower body.Liam keeps his eyes shut tight.Jasper looks up at Liam.

JASPER
Are you sexually active?

Liam exhales sharply.

LIAM
No.

JASPER
Alright. Preliminary assessment is done, everything looks fine. When did you first notice the problem — trouble getting hard?

Without warning, Jasper reaches between Liam's legs.Liam lets out a sharp gasp, bites down hard on his lip.Jasper remains expressionless. He gives Liam a light pat.

JASPER (CONT'D)
Relax. This is a standard examination.

Liam releases a long breath, mortified, covering his forehead and eyes.

LIAM (V.O.)
Oh my god…

LIAM
Lately when I watch porn, I go soft really fast.Last night… there was no reaction at all.

Jasper glances at Liam while continuing the exam, then refocuses on his lower body.

JASPER
Your condition isn't as bad as you described.

Jasper leans in closer, his touch deliberate but unyielding as he continues the examination. Liam’s brow furrows. His throat tightens.Suddenly — his eyes squeeze shut. Ejaculate spurts onto Jasper’s forearm.

Jasper simply looks at him, calm and observant. Liam lifts his head slightly, staring down at himself in disbelief.

JASPER (CONT'D)
That was… fast.

Liam jerks upright, mortified.Jasper calmly pulls tissues, wiping his arm.

LIAM
I’m sorry. I’m so sorry.

JASPER
The examination isn’t finished.

Liam stares at Jasper, shocked.

JASPER (CONT'D)
Turn over for me. Face down.

LIAM (V.O.)
He’s not seriously using the exam as an excuse to do something else… right?

JASPER
I need to perform a digital exam to determine whether your prostate function is normal.

Liam turns over.Jasper’s hand resumes pressing and examining Liam’s lower body. Liam grips the edge of the table tightly.

LIAM (V.O.)
This position is way too humiliating.

Jasper frowns slightly, puzzled. He gives Liam a light tap.

JASPER
I can’t get my finger in. Try to relax.

Liam lets out a strained sound.

LIAM
How am I supposed to relax?

JASPER
My current assessment is that this may be caused by prolonged high-intensity racing training.

LIAM
What? That's impossible!

Jasper applies pressure again. Liam moans louder.

JASPER
However … it's also possible that your sexual orientation has shifted.You could try watching gay porn. Or try being with a man.

Jasper looks at Liam seriously, unwavering. Liam freezes, confusion crossing his face as he processes the words. Jasper removes his gloves, takes off his mask, and steps back. Liam sits up on the exam table as well.

JASPER (CONT'D)
The examination is over. We are no longer in a doctor-patient relationship.

LIAM
What?

Jasper suddenly leans in close — less than a few inches between them. Their eyes lock.

JASPER
Maybe… you'd like to try with me?

LIAM
Hi—

They lock eyes. Both freeze in shock.

JASPER (V.O.)
…It’s him.

Jasper steps closer.

LIAM
Why are you here? You’re the one I matched with?

Liam shoves his phone screen toward Jasper. Jasper glances at the glowing screen, raises an eyebrow coldly.

JASPER
Your match is in Room 6.This is Room 9.

He notices the crooked room number, gently nudges it.

JASPER (CONT'D)
Huh. Loose plate.

Liam nods, turns to leave.Suddenly —Jasper grabs his arm.

LIAM
What the hell are you doing?!

Jasper yanks him inside, slams the door shut.

LIAM
Wait.

Jasper brushes a soft kiss against Liam's nose. Their foreheads rest together.

JASPER
Wait for what?

He moves closer, breath warm against Liam's face — voice low, teasing.

JASPER (CONT'D)
You rejected me…but you hooked up with someone else?

LIAM
No— I just needed to make sure…

Jasper pushes forward again, sliding one leg between Liam's. His thigh lifts, pressing up.

JASPER
You're already hard for me —and you still can't tell what you're into?

LIAM
I have performance issues.That doesn't mean this thing stopped working.And the way you're teasing —anyone would get hard.

Liam shoves Jasper away.Jasper releases him, smiling knowingly.

LIAM (CONT'D)
Dr. Cole…I respect everyone's freedom to love who they want.But my career — and my family —won't allow me to be with a man. I just came tonight to…figure things out… and to fix whatever's going on as soon as possible.

Jasper folds his arms, studying Liam with an amused gaze.

LIAM (CONT'D)
If you’re just looking for a hookup,Grindr’s full of options.

JASPER
I don’t sleep with people casually.

Liam turns to leave, grips the door handle, about to twist it.Jasper steps in, grabs Liam’s hand, stopping him.

JASPER (CONT'D)
Give me three months.

LIAM
What?

JASPER
Three months.I’ll cure you.No one in that hospital is better at this than me.

LIAM
Dr. Cole, you’re an excellent doctor.But your orientation—

JASPER
You’re worried I’ll use treatment as an excuse to sexually harass you?

As he speaks, Jasper moves in again — pinning Liam once more.

JASPER (CONT'D)
Relax.I follow professional ethics.I would never do anything beyond the standard during working hours.

Jasper steps away, sits down on the sofa.He turns his head back toward Liam — provocative, challenging.

JASPER (CONT'D)
Are you afraid you might fall for me?

LIAM
Don't be ridiculous!That’s impossible.

Brushing past doubt, Liam strides to the sofa. One thigh plants. He presses a hand to Jasper’s shoulder, leans in. They get closer — noses brushing, skin almost touching. Jasper lifts his lips, about to kiss—Liam pulls back at the last second, smug.

JASPER
What?You still want to go? Aren’t you worried he’ll record you having sex with him and post it online? Imagine your fans —mass unfollowing overnight.

LIAM
Of course not.I’m leaving.

Liam pulls away, grabs his phone, and exits. Jasper watches. He slips a hand into his bathrobe, leans back on the sofa — finishing himself off in the warmth Liam left behind.

Julian stares at the disconnected call in disbelief.He angrily throws his phone aside.

JULIAN

The car tears through the track. Liam blasts past the timing line. Brakes SCREECH to a stop. Liam steps out, pulls off his helmet, frowns at the timing screen.

LIAM
The second corner should've been faster.

VIOLET THORNE (22), a journalist, camera slung around her neck, jogs over. Liam instinctively takes a half-step back.

I—I'm not thinking about relationships for the next few months. Maybe we can talk about racing instead?

VIOLET
Oh…

Jasper enters with Marcus.

MARCUS
Liam's here!

Jasper follows Marcus's gaze.His expression darkens.

35 INT. RESTAURANT - DAY 35

Jasper and Marcus stand at the restaurant entrance.

MARCUS
Hey— that one across from him.That’s gotta be his arranged match, right?

Marcus nudges Jasper with his shoulder, gossip lighting up his face. His arm drapes over Jasper’s shoulder.

MARCUS (CONT'D)
By the way— why was he in urology last time?…Don’t tell me he’s impotent?

JASPER
It was just a routine urological check. Mind your own business.

Annoyed, Jasper brushes Marcus’s arm away. His gaze returns. Liam laughs with Violet. A Flicker of jealousy crosses Jasper’s face.

JASPER (CONT'D)
I’ve got something to do.Eat without me.

Before Marcus can respond, Jasper heads toward Liam.

MARCUS
Hey— you—

Jasper stops at Liam’s table. Liam looks up, surprised.

LIAM
What are you doing here?

Jasper smiles politely and extends a hand toward Violet.

JASPER
Hello. I’m Liam’s friend.

Violet blinks, then stands to shake his hand.

VIOLET
Oh— hi.

She looks back at Liam, amused.

VIOLET (CONT'D)
Since when did you have such a handsome friend?

Liam glances at Jasper.

LIAM
We just met. Wouldn't say we're close.

Violet's eyes drift between the two men, confused.

JASPER
Looks like there aren't any other seats.Mind if I join?

VIOLET
Of course.Sit here.

She scoots closer to Liam. Jasper sits directly across, wearing a composed smile. When their eyes meet — Jasper flashes a smile, both seductive and dangerous.

UNDER THE TABLE — Jasper lifts his polished shoe, brushing it against the center of Liam's shorts.

LIAM
Ah!

Liam stiffens, fingers clenching around his wine glass.He glances down— then snaps his gaze up at Jasper, stunned.

VIOLET
What's wrong?

LIAM
N—nothing.I bumped my leg on the table.

JASPER
Gotta be careful. Wouldn't want you hurting your third leg.

Violet bursts out laughing. Liam and Jasper lock eyes. Jasper's hand circles the stem of his wine glass — deliberately.UNDER THE TABLE — Jasper's shoe presses harder, rubbing in a slow, steady rhythm against Liam's hard cock.

Liam swallows. His hand trembles around the water glass. Jasper's fingers draw slow circles around the stem. The shoe traces small circles over the bulge in Liam's shorts. Liam grabs Jasper's ankle. Sweat beads his forehead. Jasper watches with a wicked grin.

VIOLET
It's not that hot in here.Why are you sweating so much? You look like you're about to climax…

LIAM
N—no, I’m fine.Really.

A SERVER passing by trips. A tray of glasses crashes onto the carpet — wine splashing everywhere. Liam lets out a muffled groan. His body trembles. Under the table, cum soaks the center of his shorts and drips down his leg.

SERVER
I’m so sorry— I’ll clean this up right away!

VIOLET
It’s okay! I’ll help.

As Violet and the server bend down to pick up the glasses, Liam clamps his legs around Jasper’s foot, trying to hide it.

VIOLET
Is it really that urgent…?

37 INT. RESTROOM - DAY 37

Liam enters a stall, closing the door. Jasper plants a hand against it. Through the gap, their eyes meet. Jasper pushes in, shuts the door, and pins Liam. He flicks a finger lightly against the front of Liam’s shorts.

JASPER
So?Was it stimulating enough back there?

He smiles, his hand sliding over Liam’s crotch. Liam snaps — slams Jasper back against the door, gripping his collar.

LIAM
Don’t tell me you were “treating” me just now.

Jasper laughs softly.His right hand glides over Liam’s abdomen, sliding upward, then around his waist.

JASPER
I just wanted to see if a little more physical and emotional stimulation might improve your condition…

Suddenly, Jasper thrusts his hips forward, pressing in close.

JASPER (CONT'D)
If this doesn’t work, then we’ll have to consider medication.

LIAM
Who are you kidding?!Nobody treats a patient like this!

Liam tightens his grip on Jasper’s collar.Jasper forcefully pries Liam’s hand away. Buttons rip open — Jasper’s shirt parts, revealing a glimpse of his chest.Jasper’s other hand slides down, gripping Liam’s ass firmly.

JASPER
You’re right.No one does.But you're different.

He leans in, brushes his lips across Liam’s mouth, then looks up into his eyes. One hand yanks Liam’s waistband loose, tugging it down just enough to expose his underwear.Jasper’s index finger slips naturally behind the fabric, pressing in.

Liam lets out a sharp moan. Liam grabs Jasper’s wrist, raising their hands between them, while his other hand shoves Jasper back against the door.

LIAM
Behave yourself.

Jasper glances at their interlocked fingers, smiling.His thumb strokes over Liam’s hand.

JASPER
Your condition isn’t serious.It won’t even take three months to cure it.Come see me at the hospital tomorrow.I’ll prescribe something.

Liam looks down at their joined hands — realization hits.Embarrassed, he jerks away, creating distance. Jasper offers a handkerchief.

JASPER (CONT'D)
Wipe yourself off.

LIAM
Don’t peek.

Liam turns and slips off his underwear. Jasper smiles,then turns away. Marcus enters the restroom, undoing his belt. He sees the stall door shaking — his eyes light up. Suddenly, it swings open.

Liam frowns and strides away.Marcus slides up to Jasper and makes a crude gesture — one hand clenched into a fist, the other finger thrusting in and out.

MARCUS

JASPER
Shut up.

Jasper heads for the exit.Marcus follows, buzzing with excitement.

MARCUS
Hey—were you the top or the bottom?…Wait, maybe that’s not how it works. Were you the inside one or the outside one?

39 INT. UROLOGY EXAM ROOM - DAY 39

Jasper places a bottle of medication on the desk in front of Liam. Liam sits opposite him, head down, scrolling on his phone — clearly disengaged.

JASPER
One pill in the morning.One at night. Don’t overdo it.

LIAM
You sure this is the right prescription?

Jasper stands. He slips it into Liam’s pocket.

JASPER
I repackaged it. Too many people at the club.If you want to keep your condition quiet,you need to be careful.

LIAM
Thanks, bro.

Liam stands and gives Jasper’s chest a friendly punch.

JASPER
“Bro”?

Jasper advances step by step. Liam backs up until he’s forced to sit against the edge of the desk.Jasper plants both hands on the tabletop, leans in, eyes glued to Liam’s face.

JASPER (CONT'D)
Your sensitive spots—

He moves closer to Liam’s ear, his breath brushing the lobe.

JASPER (CONT'D)
Here.

Liam instinctively tucks his neck.Jasper’s finger lands on Liam’s Adam’s apple, index finger brushing lightly.

JASPER (CONT'D)
Here.

Liam swallows hard.His breathing grows heavier.Jasper’s hand slides over Liam’s chest, teasing a nipple.

JASPER (CONT'D)
Here.

Liam lets out a soft moan.Jasper’s hand moves lower, gripping Liam through his pants, giving a slow squeeze.

JASPER (CONT'D)
And here.

LIAM
Hey!Hands off —or I’ll chop them off!

Liam clamps his legs together and shoves Jasper away.

JASPER
Stimulating these areas regularly can help with your treatment.

JASPER (CONT'D)
Do you have WhatsApp? It’ll be easier to stay in touch, and discuss your treatment plan.

Jasper pulls out his phone. Liam scans the code and adds him.

JASPER (CONT'D)
Weekly follow-ups. And avoid high-intensity training during treatment.

Liam walks out without looking back.Jasper’s gaze lingers.A friend request pops up on his phone.The name reads: “Liam.” Jasper raises an eyebrow.He edits his own display name to: “Liam-sub.”He screenshots it and sends it to Liam. A voice message comes in immediately.

What the hell?! Are you insane?!

Satisfied, Jasper smiles as he locks his phone.

Liam swallows them.Blaze leans in.

BLAZE
Vitamins? I'll take one too.

Liam dodges him, shoving the bottle back into his pocket.

LIAM
Buy your own.

BLAZE
Since when did you get so stingy?

Liam sits, scrolling on his phone.His breathing grows heavier.He feels dizzy. His face flushes red.

His hands grip the edge of the couch. His breathing turns heavy and rapid. Liam looks down. The bulge in his pants is unmistakable.

LIAM (CONT'D)
What the hell? What kind of crap did Jasper give me?

He struggles as he pulls his pants and underwear down. Liam leans back against the couch. His hands move frantically. His breathing turns ragged. He lets out a strained groan, then stops.

LIAM (CONT'D)

What's happening to me…?I—

JASPER
You took too much.You'll be fine if you just get yourself off.

LIAM
Bullshit! I tried! Touch it — it's still hard!

Liam grabs Jasper's hand and forces it down onto his fully rigid cock.

JASPER
I know.Just— don’t panic.

Jasper lifts Liam and lays him on the bed, then turns toward the bathroom.

JASPER (CONT'D)
I’ll run you a cold shower.

Liam grabs his hand.Jasper loses balance and falls forward onto the bed, landing on top of him. Liam hooks an arm around Jasper’s neck, pulling him down.Eyes half-lidded, his nose brushes against Jasper’s.

LIAM
I don’t want a cold shower.I want—

Liam leans in, kissing Jasper clumsily.Jasper responds. Liam pushes his tongue forward, the kiss growing deeper, messier. Liam reaches for Jasper’s belt—Jasper grabs his wrist, stopping him. Liam looks up, confused.

JASPER
Are you sure you want to do this?

Liam bucks his hips, grinding hard against Jasper.

LIAM
Stop talking.

Jasper smiles. He pushes up, yanks down Liam’s underwear. With practiced hands, he strokes Liam firmly — then lowers his head between Liam’s legs. His head moves rhythmically.

Liam moans, breathing ragged, fingers tangling in Jasper’s hair. Jasper suddenly speeds up. Liam cries out. Jasper rises to his knees on the bed. He wipes a finger along the corner of his mouth, tastes it.

Then he pulls off his shirt completely, revealing solid muscle.He looks at Liam, pulls him close, rolls them over. Liam’s pants are tossed aside casually.Jasper’s gaze locks onto Liam’s raised ass — desire burning hotter.

JASPER
My turn.

Jasper leans down, kissing Liam’s neck and shoulders. With his other hand, he strips off his own underwear. His tanned back and tight ass are exposed. Jasper thrusts downward.

Liam clenches the sheets, brow furrowing as a low cry escapes him.

Jasper grunts, pushing in harder, hips moving in a steady rhythm.The room fills with moans and the sound of bodies colliding.Behind the curtains, shadows rise and fall.

Liam! Why are you standing here holding your clothes?

Jasper hides in the narrow space between the door and the wall. Blaze senses movement behind the door and leans forward, trying to peek. Liam blocks the door with his left arm, right hand pressed against Blaze's chest, pushing him back.

LIAM
Hey— move. It's early. Stop acting like it's an emergency.

VIOLET
Liam, did you forget? You've got an interview and a fan meet today. It's already eleven.

Liam and Jasper finally relax. Liam dresses as he speaks.

LIAM
There’s a fan meet in a bit. Wait until we leave before you head out.

Jasper sits down on the small sofa, teasing.

JASPER
What a shame. Gave my first time to an ungrateful kid.

Liam strides over and bends, grabbing Jasper by the neck.

LIAM
You literally wrecked my ass! Don’t get all smug about it!

JASPER
Yes, yes. All my fault.

Jasper raises both hands in surrender, smiling. Liam releases him and turns to put on his socks.

JASPER (CONT'D)
If it hurts too much, I can have someone prepare a cushion for you.

Midway through putting on his shoes, Liam freezes. He loses his balance slightly, face burning red.

LIAM
My ass is basically indestructible! You— you’re tiny! Didn’t affect me at all!

JASPER
Tiny?

Jasper yanks Liam to his feet, then turns and sits on the bed. Liam is forced to sit between Jasper’s legs. A sharp pain shoots through him.

Liam cries out — dangerously close to a moan. Jasper looks at him with playful menace. One hand slides to Liam’s ass, half his palm slipping inside Liam’s pants.

JASPER (CONT'D)
Looks like you really weren't very clear-headed last night.

Liam panics and shoves Jasper backward onto the bed.

LIAM
What the hell! Are you not done yet?!

64 INT. PIT GARAGE - INTERVIEW ROOM - DAY 64

VIOLET
Liam. Besides racing, is there anything else in your life that matters just as much?

LIAM
No… Violet, how many questions left?

VIOLET
Five more.

She notices something's off — concern flickering in her eyes.

VIOLET (CONT'D)
Are you feeling okay?

Liam shakes his head slightly. Blaze steps closer, holding out a cushion.

BLAZE
Liam.

LIAM
Whoa! You’re surprisingly thoughtful.

BLAZE
Wasn’t my idea.

Blaze gestures behind him. Jasper appears — calm, elegant. He raises his phone toward Liam, giving it a small shake. Liam avoids his gaze. Jasper smiles faintly, then walks away.

BLAZE (CONT'D)
Liam. Who was that guy?

LIAM
A friend.

BLAZE
A friend?

Violet looks at Liam. Liam’s expression tightens. He avoids her eyes. Liam’s phone on the table BUZZES. He checks it. ON SCREEN: a message from Jasper — a medicated ointment, with instructions. Liam’s face flushes — embarrassed and furious.

BLAZE (CONT'D)
What is it?

Blaze leans in. Liam jolts, immediately blocking the screen.

LIAM
If you’ve got time to be nosy,maybe spend it running a few more laps on the track.

BLAZE
No. Something’s definitely wrong with you.

VIOLET
You and Jasper—

Before she can finish, Blaze’s phone RINGS.The ringtone BLASTS:“If you’re ratchet and you know it, clap your ass—” Liam’s face burns red.

LIAM
Blaze! Change that damn ringtone right now!

EP 14

65 INT. PIT GARAGE - INTERVIEW ROOM - DAY 65

Blaze scrolls on his phone, half-listening.

BLAZE
Yeah, yeah, fine. I'll change it. You used to love it, remember?

Blaze answers a call.

BLAZE (CONT'D)
Hello?

Liam turns to Violet, forcing a polite smile.

LIAM
Let's keep going.

Violet nods, looks down at her notebook.

VIOLET
Before every race, do you have any personal rituals? What do they mean to you?

LIAM
I might—

BLAZE
Liam, they're calling for you. You gotta go.

VIOLET
But I still have a few questions left.

LIAM
Send them to me. I'll answer when I have time.

VIOLET
Okay.

Liam presses a hand to his ass, limping slightly as he stands. Blaze follows him out.

66 INT. BALLROOM - DAY 66

A massive “NIGHTFALL” promotional poster dominates the stage. FANS crowd the venue, waving glow sticks and light boards, chanting loudly.

FANS
ALL SPEED. NIGHTFALL!NO FEAR.
NIGHTFALL!

Julian stands off to the side, staring at his phone, refreshing the burner account he used to hook up with Liam.

JULIAN (V.O.)
Damn. Too bad he deleted the
account.

Julian taps Liam’s profile picture. A high-definition photo fills the screen — sculpted abs. Julian nods approvingly.

JULIAN
Still… that body. Honestly rivals
Nightfall himself.

Julian screenshots the image, then swipes to a photo of Liam. Suddenly, his expression changes. He switches between the two images, zooming in. On both photos — the same mole near the collarbone. Julian freezes, murmuring to himself.

JULIAN (CONT'D)
Weird… They both have a mole right
here. Wait—

Realization hits. Julian’s eyes widen in shock.

JULIAN (CONT'D)
It’s Nightfall. It’s him. The guy I
matched with last night.

EP 15

67 INT. BALLROOM - DAY 67

Julian frowns, quickly searching online for Liam’s sexual orientation. Nothing relevant comes up.

FANS
Ahhhhh!

Julian looks up. Liam steps into the venue wearing sunglasses, effortlessly cool.

FANS (CONT'D)
Nightfall! Nightfall! Nightfall!

Liam takes his seat and flashes a heart gesture to the crowd. Julian is instantly captivated, admiration on his face.

JULIAN
God, he’s unreal. Guess truly attractive people even have matching moles.

Julian glances from Liam back to the screenshot on his phone.

JULIAN (CONT'D)
Still… Nightfall’s body wins.

HOST
And now— Liam’s fan meeting has officially begun!

FANS
ALL SPEED. NIGHTFALL! NO FEAR. NIGHTFALL!

Julian excitedly lifts his own fan sign. FAN#1 steps up, handing Liam a photo.

FAN#1
Nightfall! Can you do a heart with me?

Liam smiles and forms a heart. Fan#1 screams. Liam signs the photo. FAN#2 steps forward with a light board. Liam signs it.Fan#2 then holds out a cute pair of bunny ears.

FAN#2
This is for you! Can you put them on?

Liam obliges. FAN#3 steps up with another photo.

FAN#3
Nightfall, could you sign right here?

More fans step forward, calling his name. “Nightfall” echoes in his head. Liam removes his sunglasses and looks at the crowd. A wave of dizziness hits.

JULIAN
Nightfall…can I call you Liam?

Liam forces a smile and nods.

JULIAN (CONT'D)
Liam,can we take a photo together?

Liam nods again. Julian rushes to the photo area. Liam joins him. Julian raises his phone. Liam poses. The dizziness surges back — ringing fills his ears. Liam sways, collapsing sideways. Blaze reacts instantly, catching him.

BLAZE
Liam!

EP 16

68 INT. HOSPITAL ROOM - DAY 68

Liam lies face down on the bed, IV in his arm. Blaze sits beside him, scrolling on his phone, then glances at Liam.

BLAZE
You spiked a high fever and didn’t tell anyone.You scared all of us.

LIAM
Probably just caught a chill last night.

Blaze leans closer, eyes drifting downward.

BLAZE
Liam… you’ve been fidgeting all day. Do you have hemorrhoids or something?

Liam glares at him.

BLAZE (CONT'D)
Relax, man. Everyone gets ass problems in our line of work. I know a killer colorectal surgeon…

Liam grabs an apple from the nightstand and tosses it. Blaze catches it.

LIAM
My ass is fine, okay?

Blaze bites into the apple.

BLAZE
Damn, that’s sweet.

LIAM
I’m starving. Go get some food, will ya?

Blaze eats the apple and leaves. The door closes behind him.

LIAM (CONT'D)
Damn it… everything today… all about my ass.

Liam buries his face in the pillow. Jasper enters, smiling, walking over to the bed. He hooks a finger into Liam’s waistband and reaches inside. Liam jumps, covering his ass.

LIAM (CONT'D)
Whoa! Who’s there—?!

JASPER
Who else do you think it is?

LIAM
What the hell are you doing here?

Jasper sighs, pulling Preparation H ointment from his lab coat.

JASPER
I’m gonna put this on you. Helps it heal faster.

Liam freezes, embarrassed, then tries to pull away.

LIAM
I-I-I can do it myself!

JASPER
Shy? Come on… you showed me last night.

LIAM
Hell NO!

JASPER
You cant’t see it.

LIAM
None of your business, I said NO!

Jasper grabs Liam’s pants. Liam struggles but Jasper pins him down with one hand and works his other hand into the waistband.

LIAM (CONT'D)
Damn it… Jasper!

JULIAN & FANS (O.S.)
Nightfall! Nightfall! Nightfall!!

Julian rushes in, followed by TWO FEMALE FANS, phones in hand. They all freeze, shocked.

EP 17

69 INT. HOSPITAL ROOM - DAY 69

Fans and Julian all raise their phones and shout together.

FANS & JULIAN
Nightfall! Nightfall!

Jasper immediately lets go of Liam, tucks the ointment into his pocket. Liam straightens his clothes, pretending to be calm.

LIAM
Hey… I know you. You're my fan.

JULIAN
My Liam! You remember me!!

JASPER (V.O.)
My Liam…?

Jasper raises an unimpressed eyebrow at Liam. Liam notices, sheepish.

FAN #1
Liam, you're training way too hard. Take care of yourself, okay?

FAN #2
You're burning up, and they still made you work? That's insane!

JULIAN
Yeah… if they're pushing you…

Jasper steps in between the three and Liam.

JASPER
If you're visiting a patient, keep it down. And… fans? You gotta give your idol some space.

Jasper's serious glare freezes Julian, who shyly stammers.

JULIAN
Can I…get your contact?

FAN #2
Who even are you? You're not on Liam's team!

CLOSE-UP : JASPER'S BADGE — JASPER COLE, ATTENDING UROLOGIST.

FAN #1
Wait… you're a urology doctor? So… Liam's here for that kinda thing?

FAN #2
I mean… I've heard racers sometimes… but Liam…

JULIAN
Liam… is it true what they're saying?

All three look at Liam, tense. Liam panics.

LIAM
I… uh…

EP 18

70 INT. HOSPITAL ROOM - DAY 70

Liam looks flustered, stammering.

LIAM
I… I…

JASPER
We're just friends. I heard Liam was unwell, so I thought I'd check in while doing rounds.

Liam glances at Jasper's back, a small smile sneaks onto his face.

FAN #2
See? Liam's totally fine.

Blaze enters carrying food. He spots the fans.

BLAZE
What the hell? How did you guys get in here? Security!

TWO SECURITY GUARDS rush in. Blaze sets the food down.

BLAZE (CONT'D)
This is a hospital room! How did you even get past reception?

Blaze and the guards gently usher the fans out. The two female fans struggle.

FAN #1 & FAN #2
Liam, you belong to all of us! Don’t hook up with anyone else!

JASPER
Your fans… they always this intense?
Some of them… most are reasonable.

Liam glances at Jasper, shyly lowers his head, muttering softly.

LIAM
Thanks…

JASPER
What was that?

LIAM
Thank you. Thanks for keeping my privacy.

Jasper chuckles softly, pulls out the ointment.

JASPER
Ready to continue?

LIAM
Close the door.

Jasper shuts the door. Liam lies back on the bed, burying his face in the pillow. Jasper sits on the edge of the bed.

JASPER
Forget the pills. We’ll do it differently.Come see me in my office tonight.

Jasper twists open the ointment cap, pulls down Liam’s pants, and applies the medicine. Liam grips the bedsheet, gasping.

JASPER (CONT'D)
Still a bit warm… feverish.

Jasper touches him, and Liam lifts himself, glancing down at himself, then back at Jasper, cheeks flushed.

LIAM
Jasper… fuck!

Jasper presses a little harder. Liam moans, powerless.

EP 19

71 INT. HOSPITAL CORRIDOR- DAY 71

Jasper exits the room, holding a patient chart. Julian suddenly pops out from around the corner, blocking his way.

JULIAN
Dr. Cole… can I get your number? I was thinking… maybe dinner? And, um… you know, something else.

Julian reaches toward Jasper's chest. Jasper coolly sidesteps.

JASPER
Aren't you into Liam Summers?

JULIAN
Who says you can only like one guy… huh?

Jasper stares ahead, avoiding Julian's flirtatious gaze.

JULIAN (CONT'D)
But if that's a problem… I could just like you.

Julian leans in again. Jasper takes a step back, evading him.

JASPER
I already have someone. You'd better find someone else.

Jasper walks off, expression cold.

JASPER (CONT'D)
Interesting.

Julian takes out his phone and dials.

JULIAN
Check Zephyr Summer Group private hospital… figure out Dr. Jasper Cole's preferences. Send me flowers… and the battle uniform.

Julian hangs up, a determined grin spreading across his face.

JULIAN (CONT'D)
Tonight… he’s mine!

72 INT UROLOGY EXAM ROOM- NIGHT 72

Liam, in a hospital gown and mask, quietly pushes the door open and slips inside. He gently shuts it behind him. Jasper stands with arms crossed, a playful smile on his face.

JASPER
Sneaking around like you’re having an affair?

Liam jumps, then quickly removes his mask.

LIAM
Ugh, don’t be ridiculous. I’m just… don’t want anyone seeing me in urology.

Liam chuckles lightly. Jasper suddenly steps closer. They lock eyes. Liam instinctively steps back, panicking.

LIAM (CONT'D)
Don’t come any closer!

Liam backs into the desk, stopping, hands pressing against it. Jasper reaches up, gently feeling Liam’s forehead.

JASPER
Not bad… no fever anymore.

Liam relaxes a bit. But Jasper suddenly leans in. Liam watches his profile, holding his breath. Jasper reaches into a box, pulls out gloves, and puts them on. Liam flinches, covering his lower body.

LIAM
Y-you… why the gloves?

EP 20

73 INT UROLOGY EXAM ROOM- NIGHT 73

Jasper smirks, he steps closer.

JASPER
Afraid I’m gonna do something to you? Better cover your ass, huh?

Liam jolts, hands snapping to cover his backside—and front.

JASPER (CONT'D)
Okay, no teasing. We're skipping the pills this time. We'll do urethral treatment instead.

Jasper gestures toward the exam table with his eyes.

JASPER (CONT'D)
Take your pants off. Sit down.

LIAM
Urethral…?

JASPER
Once a week, that's it. No pills needed.

Jasper leans closer, eyes locking on Liam. Liam stiffens, sliding back against the table.

LIAM
Yeah, right!

Liam squeezes through the little gap Jasper left, heading for the exam table. Jasper calmly pulls the curtain closed.

74 INT. HOSPITAL CORRIDOR - NIGHT 74

Julian, decked out in flashy red, clutches a bouquet. He stuffs an oversized condom into the flowers from his pocket.

JULIAN
Tonight, you're mine.

Julian smirks, determined, striding toward Jasper's office.

75 INT. UROLOGY EXAM ROOM- NIGHT 75

Liam grips the exam table, pants halfway down, front fully exposed. Jasper holds a slim, rod-style syringe filled with medication. He crouches to Liam's level, locking eyes, speaking carefully.

JASPER
You might feel a little sore.

LIAM
Mm… hurry up.

Jasper leans under Liam, inserting the tube. Liam yelps, gripping the table hard, moaning low, and instinctively tugs at Jasper's hair.

JASPER
First one to grab my hair during treatment… yeah, that's all yours.

Jasper looks up at Liam, tone soft, almost indulgent. Liam pants, tense.

LIAM
Shut up!

From behind the curtain, their moans mingle. Suddenly, the clinic door swings open—Julian bursts in.

JULIAN
Dr. Cole…

He scans the room. Seeing the curtain fully closed, he freezes.

LIAM (O.S.)
Are you done yet? Please, Hurry!

JASPER (O.S.)
Just a second.

Julian stiffens, stepping forward. He yanks the curtain open.

JULIAN'S POV: LIAM IS TURNED AWAY. JASPER BENDS LOW, FOCUSED UNDER LIAM, DOING… SOMETHING.

JULIAN
What the hell are you guys doing?!

Jasper lifts his head. Liam glances back instinctively.

EP 21

76 INT. UROLOGY EXAM ROOM - NIGHT 76

Julian holding a bouquet, trying to see who's on the bed. Jasper quickly pulls off one glove and cups Liam's face with his bare hand.

JASPER
Don't turn around.

Liam locks eyes with Jasper. His heartbeat quickens. Jasper calmly straightens up, stepping into Julian's line of sight. He tosses the syringe and gloves aside.

JULIAN
So… he's the one you like?

Jasper walks to Julian and drags him out of the room.

77 INT. HOSPITAL CORRIDOR - NIGHT 77

Jasper grips Julian’s arm.

JULIAN
What’s with all the secrecy? Is he that embarrassing?

Julian struggles, but Jasper slams the exam room door shut.

JASPER
It’s treatment time. I have every right to protect a patient’s privacy.

Jasper pulls off one glove and cups Liam’s face.

79 INT. HOSPITAL CORRIDOR - NIGHT - CONTINUOUS 79

Julian peers past Jasper, suspicious.

JULIAN
So he’s just a patient?

JASPER
I don’t need to answer to you.

Jasper glances at the flowers in Julian’s hand and the condoms hidden inside. He lets out a cold chuckle.

JASPER (CONT'D)
Animals in heat will rub up against anything. Maybe try somewhere else.

Jasper turns and walks back into the exam room, leaving Julian seething behind. Julian angrily tosses the bouquet into the trash.

JULIAN
Asshole!

80 INT. UROLOGY EXAM ROOM - NIGHT 80

Liam tilts his head, arms crossed, leaning against the wall.

LIAM
Flowers and all, and you’re still this cold? What kind of doctor are you?

Jasper mirrors his posture, leaning against the door, watching him with a smile.

JASPER
Were you listening in?

LIAM
You never said I couldn’t.

Jasper’s gaze turns intense, almost burning. Liam gets flustered and looks away.

LIAM (CONT'D)
But still… thanks. For earlier.

JASPER
That’s it? Just a “thanks”?

Jasper steps closer and bends down, tightening the drawstring on Liam’s hospital pants.

JASPER (CONT'D)
If you really want to say thank you…

He gives the string a sharp pull. Liam stumbles forward, crashing into Jasper’s chest. Liam stares at Jasper’s lips, swallowing instinctively. Jasper smiles and leans in close to his ear.

JASPER (CONT'D)
Say yes to a date.

EP 22

81 INT. UROLOGY EXAM ROOM - NIGHT 81

Jasper wraps an arm around Liam’s waist.

LIAM
A… a date…? Where?

JASPER
So that’s a yes?

LIAM
Yeah. Don’t overthink it. You said it yourself—just a thank-you.

Liam pulls his waistband back, turns to leave. Jasper grabs him and picks up a mask nearby and gently puts it on Liam.

JASPER
Go back and get some rest. I'll pick you up tomorrow. We'll go have some fun.

Liam nods half-heartedly, then panics and bolts out the door.

82 INT. HOSPITAL ROOM - NIGHT 82

Liam bursts in. Blaze is passed out on the couch, dead asleep. Liam looks at him, thinking.

84 INT. HOSPITAL ROOM - NIGHT - CONTINUOUS 84

Liam snaps back to reality. He plants both hands on either side of Blaze's face, staring at him seriously.

LIAM
Nothing? Seriously? Nothing at all? Is it because we're not touching?

Blaze's eyes flutter open—he sees Liam's dead-serious face and the hand coming at him.

BLAZE
Holy—!

Blaze shoves Liam away, curls up with a pillow.

BLAZE (CONT'D)
Liam, are you trying to murder me?

LIAM
Go to sleep!

Liam turns and climbs into bed. Liam tosses and turns, wide awake.

LIAM (CONT'D)
Maybe I'm not gay but I just like Jasper?

85 INT. HOSPITAL ROOM - DAY 85

Liam gets up with heavy dark circles, exhausted. He slumps on the couch, scrolling on his phone—then freezes, staring at the search results. Blaze walks in.

BLAZE
Liam, can I get your insurance card? I'll go handle the discharge paperwork.

LIAM
Oh. Yeah.

Liam sets his phone down on the couch and rummages through his bag on the bed. Blaze leans closer to help. Neither of them notices— Jasper has already walked in. Jasper's eyes flick to the phone screen. He picks it up.

On the screen, bottom to top: "Heart racing when a same-sex friend gets close. Something wrong with my body?"; "Signs you might be gay"; "How do you know if you like someone?"

EP 23

86 INT. HOSPITAL ROOM - DAY 86

Jasper looks genuinely surprised as he glances at Liam rummaging through his bag. He casually sits down on the couch, scrolling on his phone. Liam hands his card to Blaze.

BLAZE
Got it.

Blaze heads out. Liam turns—and freezes when he sees Jasper.

LIAM
Jesus Christ!

Liam lunges to grab his phone. Jasper pulls him straight into his arms.

JASPER
AI couldn't give you the answer.

Jasper taps Liam lightly on the chest.

JASPER (CONT'D)
You should ask your heart.

LIAM
I was just messing around, okay? And don't forget—I'm straight.

Liam shoves Jasper away and storms out.

87 INT. HOT SPRING HOTEL - LOBBY - DAY 87

Liam and Jasper stand side by side at the entrance. Liam looks up at the hotel name.

LIAM
So this is your "date"? A hotel? Wow. You're really plotting something, huh?

JASPER
What else would it be?

LIAM
What?

LIAM (V.O.)
He just admitted it? Just like that?

LIAM
If this is how you expect me to thank you— Forget it.

Liam turns to leave. Jasper grabs his wrist.

JASPER
Where do you think you're going?

JASPER (CONT'D)
This is a hot spring resort. Private herbal baths. It's therapy—technically.

Jasper pulls Liam toward THE FRONT DESK, hands over his ID.

JASPER (CONT'D)
I booked two rooms.

FRONT DESK
Of course, sir. One moment, please.

Behind them—Violet walks into the hotel. She spots them and excitedly removes her sunglasses.

VIOLET
Liam! Didn't expect to see you here.

Her smile stiffens on noticing Jasper holding Liam's wrist.

VIOLET (CONT'D)
And he is?

EP 24

88 INT. HOT SPRING HOTEL - LOBBY - DAY 88

Liam instantly shakes Jasper's hand off. Jasper glances down at his now-empty hand. The smile on his face slowly fades.

LIAM
I'm here to relax with a friend. Dr. Cole. You met him last time.

VIOLET
Huh. It's only been a few days, and you guys are already this close?

JASPER
That's how chemistry works. Has nothing to do with how long you've known someone.

Violet's smile stiffens. She hooks her arm around Liam's.

VIOLET
Your race is over. It's about time we had dinner together and talked about the wedding.

Jasper's expression darkens. Liam glances at Jasper.

LIAM
I told you, these next few months—

FRONT DESK
Sir.

Jasper takes the room key cards. He slips one arm around Liam's neck and gently pulls him back. Violet's hand is forced off Liam's arm.

JASPER
We're checked in. We'll be heading up.

Jasper keeps his arm around Liam as they walk away. A faint, provocative smile on his face. Violet frowns, watching their backs. Her hand tightens around her sunglasses.

89 INT. HOT SPRING HOTEL - ROOM - DAY 89

Liam's about to step into the bath when he hears a KNOCK. Liam opens the door. Jasper stands outside in a bathrobe.

LIAM
Why are you here?

Jasper steps in.

JASPER
Your room's herbal bath is good for men. Figured I could use some… recovery.

LIAM
Recovery? You're already built like a tank.

Liam shuts the door. He turns—Jasper is casually taking off his robe. Defined abs. Sharp V-lines. A perfect side booty.

LIAM (CONT'D)
Last time I was too out of it to really look at you… How does a guy who practically lives at the hospital get a body like this?

JASPER
What are you staring at?

LIAM
N—nothing.

A knock comes from the door.

LIAM (CONT'D)
What, is there some kind of sex symbol living in this room?

Annoyed, Liam opens the door. Violet stands outside. Silk robe. Completely open. A silk slip underneath.

VIOLET
Liam, I chose a mug wort herbal bath. It boosts circulation, and helps with muscle soreness. Want to try it together?

Jasper drapes an arm over Liam's shoulder.

JASPER
A man and a woman bathing together — doesn't seem appropriate.

Jasper calmly puts his robe back on. Violet stiffens, pulling her robe closed.

VIOLET
Oh. Dr. Cole is here too.

JASPER
Miss Thorne, care to bathe with us?

Liam stares at Jasper in shock.

VIOLET
…No.

Violet turns, storms off. She kicks the wall in frustration.

90 INT. HOT SPRING HOTEL - HALLWAY - DAY 90

Violet dials her phone.

VIOLET (ON PHONE)
Hello? Uncle Summers…

EP 25

91 INT. HOT SPRING HOTEL - ROOM - DAY 91

Liam slams the door shut and immediately punches Jasper in the chest.

LIAM
What the hell is wrong with you? She was just asking.

JASPER
What—were you planning to join her?

LIAM
Of course not.

JASPER
If you were, I'd be coming with you.

Jasper turns around, casually slips off his underwear, then tosses his briefs onto Liam’s chest. He steps into the bath at ease, leaning back against the edge.

LIAM
You seriously have no boundaries.

Liam takes off his shirt and slowly steps into the water. Jasper watches him closely. Liam is distracted. His foot slips—He falls straight into Jasper’s arms. Jasper lets out a low grunt from the impact.

LIAM (CONT'D)
Are you okay?

Liam reaches down into the water, trying to push himself up—His hand accidentally lands between Jasper’s legs.Jasper frowns, a muffled groan slipping out with his breath. Liam jerks his hand back.

LIAM (CONT'D)
I—I didn’t mean to!

Jasper lets out a soft chuckle. He suddenly pulls Liam’s waist tight—Water splashes everywhere. Liam is pressed beneath him. Jasper takes Liam’s hand and slowly guides it downward. Under the warm lighting, their eyes lock.

JASPER
Liam… just checking if the treatment’s working? You have to actually feel it.

Under the water, Jasper places Liam’s hand against his hard dick, guiding the movement. A satisfied breath escapes Jasper.

LIAM
You—you… you’re already like this?

Jasper’s other hand slides along Liam’s neck, up to his ear. He lightly rubs the earlobe, whispering.

JASPER
The way you panic like this… it’s actually kind of cute.

Jasper leans in to kiss him—suddenly, a phone rings on the table. Liam pushes Jasper away. Jasper leans back against the pool edge, watching Liam with frustration as he answers the call. Liam picks up the phone. The screen reads: DAD.

LIAM
Hello? Dad.

VICTOR (ON PHONE)
Violet said you two ran into each other while you were away. You should spend more time with her.

LIAM
Dad, Violet and I—

Liam curls inward, a sharp breath slipping out. Jasper has wrapped an arm around him from behind. One hand slips off Liam's underwear, touching his butt. The other hand moves to Liam's nipple, teasing. Liam can't stop the soft gasp that escapes him.

VICTOR (ON PHONE)
Liam? What are you doing!

EP 26

92 INT. HOT SPRING HOTEL - ROOM - DAY 92

Jasper keeps running his hands over Liam's body. He suddenly kisses the back of Liam's neck, then trails down his back. Liam lets out a soft moan.

LIAM (ON PHONE)
No… it's nothing. I just don't feel great.

Liam clears his throat lightly. Jasper smirks. He suddenly bends down and sucks hard on Liam's exposed bubble butt under the water. Liam can't help letting out a few breathy sounds. Jasper only sucks harder. Liam quickly covers the phone's microphone and turns back.

LIAM (CONT'D)
What the hell, Jasper! Stop it!

Jasper straightens up, leans in close to Liam's ear. His lips brush against Liam's earlobe as he speaks.

JASPER
Feel the treatment working yet?

He opens his mouth and lightly bites Liam's earlobe.

LIAM
Stop… don't!

VICTOR (ON PHONE)
Should I ask Violet to bring you some medicine?

Under the water, Jasper tightens his arms around Liam, pressing his hips, grinding against Liam's bubble butt from behind.

LIAM (ON PHONE)
N—no. No need.

Liam reaches back, trying to stop him—Jasper thrusts again. Liam gasps and pokes Jasper in the side. Jasper flinches—he's ticklish—loosening his grip. Liam seizes the moment, pushes Jasper to the other side of the pool, and straddles his legs, one hand braced on his shoulder, shooting a warning look. Jasper leans against the edge, hands on Liam's waist, watching with an amused smile.

LIAM (CONT'D)
Dad, I'll call you back later.

Liam hangs up quickly, tosses the phone aside. He grabs Jasper by the neck, furious.

LIAM (CONT'D)
What the hell do you want?!

JASPER
Suck my dick.

LIAM
You suck my dick!

JASPER
Beg me.

LIAM
Fuck off!

Liam tries to stand up and leave. Jasper grabs him and pulls him right back.

JASPER
I don't like hearing you talk about Violet. I got jealous.

LIAM
You… what?

Jasper suddenly kisses him. Liam's eyes go wide. He freezes.

JASPER
Does that bother you?

Liam thinks for a moment, then shakes his head.

JASPER (CONT'D)
Then does that mean you like this?
Do you have feelings for me?

EP 27

93 INT. HOT SPRING HOTEL - ROOM - DAY 93

Jasper wraps one arm around Liam's back, sliding his hand under the waistband of Liam's pants. His other hand rests on the back of Liam's neck as he kisses Liam's mouth.

JASPER
No rush. Take your time.

Jasper's lips trail from Liam's jaw, to his throat—down the side of his neck. He pauses briefly at the small mole on Liam's collarbone, then continues downward. Liam's hand rests on Jasper's shoulder. He lets out a soft breath, his fingers slowly tightening— then suddenly his hand moves lower.

JASPER (CONT'D)
That eager? Let me help.

Liam's expression shifts. He slaps Jasper's hand away and starts scratching his neck and arms.

LIAM
Why does this feel so itchy?
What's in the water?

JASPER
Mint. Tea tree oil—

LIAM
I'm allergic to mint.

Jasper notices the red rash on Liam's arm.He lifts Liam out of the water. One arm supports Liam's hips, the other grabs a towel from nearby and wraps him up tightly. Jasper carries him toward the bathroom. Liam stares at him, stunned. All he can hear is his own pounding heartbeat.

94 INT. HOT SPRING HOTEL - BATHROOM - DAY 94

Jasper sets Liam down, turns on the shower. Water pours down.

JASPER
Rinse it off.

LIAM
I can do it myself. You should go.

JASPER
Hey, I—

Liam pushes Jasper out and shuts the door. He exhales deeply.

JASPER (O.S.) (CONT'D)
Do you need to go to the hospital?

LIAM
No. I'll just take some meds.

JASPER (O.S.)
I'll wait outside.

Liam glances down—his erection obvious. He looks at the door.

LIAM
No, it's fine. I'm hungry. Go order first. I'll be downstairs later.

JASPER (O.S.)
I'll leave the medicine at the door. Take it once you're out.

The sound of the door closing drifts in from outside. Liam presses a hand to his chest, feeling his racing heart.

LIAM (V.O.)
I think…I really do like him.

95 INT. HOT SPRING HOTEL - RESTAURANT - DAY 95

Jasper, now changed, sits at a table after placing an order. Julian enters the restaurant, an arm wrapped around his male companion. The two walk in close, intimate. Julian spots Jasper and stops. He looks Jasper up and down.

JULIAN
Huh. What a coincidence.

EP 28

96 INT. HOT SPRING HOTEL - RESTAURANT - DAY 96

Julian extends his hand to his male companion.

JULIAN
Give me what you brought.

The companion places a small packet of pills into Julian’s hand, then leans in affectionately. Julian pushes him away without hesitation.

JULIAN (CONT'D)
You can go now.

The companion freezes, stunned. Julian walks toward Jasper. Passing a waiter, he takes two glasses of wine from the tray. He drops a pill into one glass. Jasper sits at the table, checking his phone.

LIAM (O.S.)
Almost there. My face is swollen. I’ll wear a mask.

JASPER
Such a public image to maintain.

Jasper smiles at the screen. Julian approaches, sets one glass in front of Jasper, and takes the seat across from him.

JULIAN
Dr. Cole. Fancy seeing you again.

Jasper’s smile fades instantly.

JASPER
Looks like you didn’t really take in what I said yesterday.

JULIAN
I crossed a line yesterday. This one's on me — friends?

Julian clinks his own glass against the one on the table, then drinks first. His eyes never leave Jasper’s glass.

JULIAN (CONT'D)
Dr. Cole?

Jasper notices. He picks up the glass, brings it to his nose, and smells it. Julian tenses. Jasper gently swirls the wine, looks up at Julian, and smiles.

JASPER
A new friend? You didn’t put anything in it, did you?

JULIAN
Looks like Dr. Cole enjoys surprises.

Jasper curls his lips slightly and drinks the entire glass. Julian's expression turns smug.

JULIAN (V.O.)
There isn't a man I can't get.

97 INT. HOT SPRING HOTEL - HALLWAY - NIGHT 97

Julian supports Jasper, who appears disoriented, guiding him toward the rooms. From the opposite direction, Liam approaches, wearing a mask and sunglasses. Jasper catches sight of him. Suddenly, he turns his head and smiles at Julian.

JASPER
Thanks.

Julian frowns, confused.

JULIAN
For what?

Without warning, Jasper shoves Julian hard. Julian slams into the wall, stumbling forward. In Julian's shocked gaze, Jasper bolts—and throws himself straight into Liam's arms.

JASPER
Help!

EP 29

98 INT. HOT SPRING HOTEL - HALLWAY - NIGHT 98

Liam instinctively catches Jasper. He looks confused.

LIAM
What's going on?

JASPER
He drugged me. Help…!

LIAM
Drugged you? Are you ok?

Julian hears Jasper's cry for help. Panicked, he turns and leaves. After a few steps, he suddenly stops, as something clicks in his mind.

99 INT. HOT SPRING HOTEL - HALLWAY - FLASHBACK TO EP 28 SC 97 99

Jasper spots Julian, tilts his head, and smiles faintly.

JASPER
Thanks.

100 INT. HOT SPRING HOTEL - HALLWAY - CONTINUOUS 100

Julian clenches his fist and slams it against the wall.

JULIAN
Damn it. I got played.

He can’t help but glance back again.

JULIAN (CONT'D)
Wait… Why does that guy feel kind of familiar?

101 INT. HOT SPRING HOTEL - BATHROOM - NIGHT 101

Liam helps Jasper into the bathroom and turns on the shower. Water pours down. Wet hair clings to Jasper’s face, his soaked clothes sticking to his body— intimate, distracting.

LIAM
Do you feel any better?

Jasper leans into Liam’s hand, nuzzling his cheek against it, then shakes his head.

LIAM (CONT'D)
Should I just take you to the hospital?

Jasper pants, bracing himself against the wall.

JASPER
No…I’ll be fine…

He tilts his head back, breathing hard, fingers tugging at his collar.

JASPER (CONT'D)
Damn…I overdid it. Didn’t expect the drug to hit this hard.

LIAM
What?

Jasper’s body weakens, sliding downward. Liam steps in, hands gripping under Jasper’s arms to support him. Jasper’s lips brush past the corner of Liam’s mouth. Liam’s lips part slightly. His Adam’s apple bobs.

LIAM (CONT'D)
Let me help you.

JASPER
No…You should go…

LIAM
Why? You helped me before. I can do it too!

JASPER
I don’t want you doing this because you feel like you owe me. I want you to do it because you want to.

Liam smiles softly. He leans in—and kisses Jasper. Jasper’s eyes fly open, shock and disbelief filling his gaze.

EP 30

102 INT. HOT SPRING HOTEL - BATHROOM - NIGHT 102

He cups Jasper’s face, kisses him again. Jasper’s eyes light up. Liam kisses him once more. Liam looks straight into Jasper’s eyes, serious.

LIAM
I like you.

Jasper stares at him, then breaks into a goofy smile.

LIAM (CONT'D)
So…let me take care of you.

Jasper tilts his head, kissing the fingers still holding his face. Liam turns Jasper’s face back, kissing him again while awkwardly working at his belt. It doesn't come undone.

LIAM (CONT'D)
Why won’t this thing come off?

Jasper leans against the wall, amused, then catches Liam’s hands, helping him undo the belt. He leans in and gives Liam a quick peck.

JASPER
Easy. Don’t get mad.

Liam kisses him again, his lips sliding from the corner of Jasper’s mouth down to his throat.

Liam’s hands trace along Jasper’s abs, around his waist, fingers slipping into the back of his waistband. Jasper’s eyes snap open. He grabs Liam’s wrist, lifts his chin with a teasing smile.

JASPER (CONT'D)
Trying to be a TOP?

LIAM
Why not? Last time you—

Jasper tightens his grip. In the next instant, Liam is pressed against the wall, shirt pulled off. Jasper kisses Liam’s shoulder, then leans in, lips brushing Liam’s ear.

JASPER
Let me handle it.

Jasper pulls down Liam’s pants, his hand guiding him forward. Liam gasps, bracing his palm against the wall. Jasper places his own hand over Liam’s, interlacing their fingers.

LIAM
That’s not fair. Last time you were on top. How come it’s you again?

Liam complains between breathy sounds. Jasper chuckles, then gently bites Liam’s earlobe.

JASPER
Then later, you can be on top. I’ll be bottom.

The glass bathroom door fogs over, the overlapping silhouettes of their bodies barely visible through the steam.

EP 31

103 INT. HOT SPRING HOTEL - BEDROOM - NIGHT 103

Both are in pajamas, lying on the bed. Liam rests with his back against Jasper’s chest, wrapped tightly in his arms. Liam is half-asleep.

LIAM
Hey—don’t hold me so tight. You’re crushing me.

Jasper chuckles softly. Instead of letting go, he takes Liam’s hand—and slips a ring onto his finger. Liam’s eyes open. He stares at the ring, stunned. Jasper leans in and kisses him just below the ear.

JASPER
Just marking my territory.

Smiling, Jasper pulls Liam closer with the same hand— a ring visible on his own finger—and closes his eyes.

LIAM
You already had the ring. So you knew?

Liam turns and straddles him. Jasper follows the movement naturally, hands settling on Liam's waist, eyes soft.

JASPER
You like being on top?

Jasper's hand slides toward Liam's hand. Liam slaps it away.

LIAM
Don't. Talk to me. Did you plan this? I mean all of it?

JASPER
I… If I hadn't been drugged… would you still want me?

LIAM
Of course I would.

Jasper instinctively sits up, pulling Liam into an embrace. Liam plants both hands on his chest and pushes him back down onto the bed.

JASPER
I bought the ring the second day we met. I've had it on me ever since. I've carried it with me ever since. And yeah—I drank the spiked wine on purpose. Does that scare you?

LIAM
You think that's all this is about?

Jasper looks at him—genuinely nervous.

EP 32

104 INT. HOT SPRING HOTEL - BEDROOM - NIGHT 104

Liam looks at Jasper, worried.

LIAM
Do you have any idea how dangerous it is to take random drugs? What if there are side effects?

JASPER
So… you were worried about me.

Jasper chuckles. Liam grabs Jasper by the collar of his pajama top.

LIAM
What are you laughing at? If this messes you up and you can’t perform anymore, I’m dumping you.

Jasper watches him with an amused smile. Liam suddenly glances down at where he’s sitting—then bolts upright. He hurriedly scoots away, one hand protectively guarding his ass while grumbling.

LIAM (CONT'D)
Do you ever run out of energy? You went all night and you’re still not done?

Liam crawls toward the edge of the bed. Jasper pulls him back, pinning him underneath. Jasper leans down and kisses him once, then looks at him with a playful smile. Liam swallows nervously.

LIAM (CONT'D)
I’m warning you— if we’re not really clicking sexually. We’re done.

Jasper laughs, when the sound of an electronic lock unlocking comes from outside the room.

JASPER
Someone’s coming in.

At the bedroom door, Violet quietly opens it with a key card and sneaks inside.She takes a deep breath and softly tests the air.

VIOLET
Liam… are you asleep?

LIAM
Where did she get a room key? Get up—now!

Liam pushes Jasper. Jasper doesn’t move.

JASPER
I’m not leaving. Why're you so scared of her?

Liam pushes harder. Violet steps closer to the bed—and freezes.

EP 33

105 INT. HOT SPRING HOTEL - BEDROOM - NIGHT 105

Liam kicks Jasper off the bed with one swift move. Jasper lets out a muffled groan, rolling onto the carpet beside the bed. He’s about to get up, but Liam shoots him a sharp look. Jasper obediently ducks down beside the bed, staying hidden. Liam turns—and Violet freezes for half a second, then forces an awkward smile and gives a small wave.

VIOLET
You’re still up this late?

LIAM
Where did you get that key card?

VIOLET
Well…The hotel staff said you ordered food but they couldn’t reach you. So I—uh—asked for the key card…just to check on you.

Liam glances at the nightstand—the phone line Jasper unplugged is still dangling.

LIAM
I’ll contact them myself. Just give me the card.

Liam holds out his hand. Violet presses her lips together, her fingers tightening around her silk robe.

VIOLET (V.O.)
Screw it.

Violet reaches out with the key card, she suddenly tosses it aside—and lets her hand land directly on Liam’s. She leaning in, trying to sit in his lap.

VIOLET
Liam…

Liam immediately shakes off her hand, shifts sideways toward the edge of the bed— right where Jasper is hiding. Violet drops onto the bed with a thud.

LIAM
Violet…What are you doing?

Jasper tilts his head, listening. Violet snaps to her feet, furious.

VIOLET
Liam, are you stupid?! Can't you tell I'm flirting with you?

LIAM
Yeah. I know but...

VIOLET
And you feel nothing for me? I'm all in now—I'm staying over tonight, whether you like it or not!

She yanks off her outer robe in one motion and lunges straight at Liam.

LIAM
Hey—calm down!

Panicking, Liam twists aside. Violet crashes onto the bed, momentum sending her upper body off the edge—Her face ends up inches from Jasper's. They lock eyes. Jasper smiles politely.

JASPER
Hi.

VIOLET
Jasper?! Why are you still here?!

EP 34

106 INT. HOT SPRING HOTEL - BEDROOM - NIGHT 106

Liam and Jasper sit cross-legged side by side on the bed. Violet is already dressed in her robe, standing on the floor with her hands on her hips.

VIOLET
What are you doing in here?!

LIAM
Uh… his room had a water leak, so—

VIOLET
A leak? Why didn’t you just call the front desk and change rooms? Don’t play dumb.

JASPER
And you were completely innocent?

Violet points at Jasper, her finger trembling with rage.

VIOLET
Admit it. You did have other intentions!

She pulls out her phone, breaking into tears.

VIOLET (CONT'D)
Uncle Summers! Liam‘s been dating other people!

108 INT. LIAM’S MANSION - LIVING ROOM - DAY 108

Liam and Jasper sit properly on one side of the sofa. Behind them, four bodyguards stand guard. Liam casually covers the hand wearing the ring, quietly slips it off, and clenches it in his palm.

VICTOR
This is the “someone else” you were talking about? A man?!

VIOLET
Yes! Him! He’s been hanging with Liam nonstop! They even soaked in the hot springs together! He’s just some damn fuckboy!

As Violet speaks, the butler steps forward and hands Jasper’s file to Victor. Victor lowers his head and starts reading.

LIAM
Violet, stop making things up.

VIOLET
I’m not making anything up.

JASPER
Miss Thorne, two men soaking in a hot spring isn’t that strange. Unless you've been reading too many same-sex romance novels and let your imagination run wild.

VIOLET
I— Uncle Summers!

Victor’s expression darkens the more he reads. After Violet calls him, he looks up, throws the file onto the coffee table.

LIAM (V.O.)
Oh crap. Is my dad about to chop Jasper up and toss him into the ocean to feed the fish?

EP 35

108 INT. LIAM’S MANSION - LIVING ROOM - DAY 108

Victor shoots Liam a stern look, then turns to Jasper. Violet stands with her hands on her hips, watching Jasper smugly.

VICTOR
Dr. Cole is truly impressive. So young, yet already a pillar of the urology department.

Violet snaps her head toward Victor, shocked.

VIOLET
Uncle Summers?

VICTOR
Violet, don’t worry. Liam’s always been watching porn...

Liam’s whole body tenses. He hurriedly shoots Victor a warning look. Victor clears his throat.

VICTOR (CONT'D)
He’s been straight his whole life. He’s not into men.

Liam and Jasper exchange a quick glance, then immediately look away. Liam awkwardly rubs the side of his nose.

LIAM (V.O.)
Yeah… not so sure about that.

VIOLET
I know, but he—

Violet points directly at Jasper.

VICTOR
That's enough. I'm already aware of Dr. Cole's situation. I'll have it handled. I'll have someone take you home to rest.

BUTLER
Miss Thorne, this way please.

Violet shoots Jasper an unwilling glance.

VIOLET
Fine then.

She follows the butler out. Victor flicks his fingers. The bodyguards silently exit the living room as well.

LIAM (V.O.)
Clearing the room?

LIAM
Old man, why are you being so polite to Jasper?

Victor's face darkens instantly.

VICTOR
You still trying to hide it from me? Do you really think I can't get access to your medical records?

EP 36

109 INT. LIAM'S MANSION - LIVING ROOM-DAY 109

Liam glances at the documents on the table, then picks them up—only to realize they're his medical records. He gives an awkward smile.

LIAM
So… you already know?

Jasper adjusts his collar, forcing himself to look calm.

LIAM (V.O.)
Thank God. The medical records distracted him. Jasper is safe … for now.

Victor slams his hand down hard on the armrest.

VICTOR
If I hadn’t had someone look into it, I’d never have known—you’re refusing to marry Violet because of you’re erectile dysfunction?!

Liam looks up, startled—then quickly puts on a clever, exaggerated grin.

LIAM
I… yeah, yeah, yeah! You really shouldn’t make me marry Violet. Wouldn’t wanna drag the girl down with me.

Jasper can’t help but chuckle under his breath. Victor slams the armrest again.

VICTOR
Bullshit! If I’d known, I would’ve stopped you back when you were Googling all that crap online.

Liam freezes and shoots a nervous glance at Jasper.

LIAM
Hey—Dad! Why are you bringing that up?! Besides, who hasn’t watched stuff like that when they were young?

Jasper, seated nearby, curves his lips slightly and clears his throat.

JASPER
Mr. Summers, actually… Your son’s condition is related to his rac—

Liam bumps Jasper’s leg hard with his knee.

JASPER (CONT'D)
(correcting himself smoothly)
—his condition isn’t serious. It can be treated.

Victor’s face softens with relief.

VICTOR
So you’re saying he can still carry on the family bloodline?

JASPER
Well… that part—

EP 37

110 INT. LIAM'S MANSION - LIVING ROOM - DAY 110

Jasper and Liam exchange a look, then turn to Victor.

JASPER
Liam's condition isn't serious. It can be treated.

VICTOR
So the Summers bloodline… can continue?

JASPER
I can fix his illness. But having children…I'm afraid I can't.

Liam's eyes go wide. He pinches Jasper hard at the waist. Jasper flinches.

VICTOR
What's wrong?

JASPER
Just a headache. Didn't sleep well last night.

VICTOR
If you don't have other plans, just stay the night.

Liam shoots Victor a look, about to stop him.

VICTOR (CONT'D)
I'll arrange a banquet. Once Liam's cured, there will be a generous reward.

LIAM
Dad, it's really not necessary. Jasper's busy.

JASPER
I'm available.

Liam stares at him, shocked.

JASPER (CONT'D)
Thank you, Mr. Summers.

VICTOR
Good. The butler will show you to the guest room.

LIAM
I'll show him myself.

VICTOR
Alright.

Liam stands, walks to the door, looks back.

LIAM
Jasper. Come with me.

111 INT. LIAM'S MANSION - BEDROOM - DAY 111

Liam pulls Jasper inside, hand in hand. They sit on the bed.

LIAM
That was close. Why did you agree to stay?

JASPER
We're official now. I figured it's time my father-in-law got to know his son's husband.

Liam instantly covers Jasper's mouth.

LIAM
Husband? Why can't it be you being my wife?

Jasper pulls his hand away, kisses him teasingly.

JASPER
A wife who can pin her husband down? Sounds tempting.

LIAM
Next time, I'll be on top...

Jasper stands, looks around the room. His gaze stops at a framed photo of Liam and Violet. Liam lowers his head, avoids his eyes. Awkward. Tense.

JASPER
Fiancées really get special treatment. Front and center. Not like me. I just get kicked out of bed.

EP 38

112 INT. LIAM'S MANSION - BEDROOM - DAY 112

Liam rushes to explain.

LIAM
I wasn't trying to kick you out. It was just… the position was way too embarrassing.

Liam grabs the photo and puts it back.

LIAM (CONT'D)
Victor put that photo up. I usually stay at the club and barely come home.

Jasper gives him a sideways look. Suspicious. Liam takes Jasper's hand, pulls him back to sit on the bed.

LIAM (CONT'D)
How about a story? There once was a little bunny, lying on the ground, refusing to get up. The other animals laughed at him. "Planning to stay down there forever?" The bunny got mad and said—"I'm sorry."

Liam leans in, watching Jasper's reaction. Jasper stays serious.

LIAM (CONT'D)
Alright, I'm sorry. Next time I won't kick you out. Worst case, I'll roll off myself.

JASPER
Where'd you learn that? Practicing on girls?

LIAM
Did it work on you?

JASPER
Not bad.

Jasper kisses him. In one smooth move, Jasper pushes Liam down onto the bed, pressing in close. Liam panics, struggling. He shoves Jasper away.

LIAM
Enough. If Victor finds out you turned his son gay, he'll tear you apart. I— I'm gonna use the bathroom.

JASPER
You heartless little bunny.

Liam bolts toward the bathroom. Jasper watches him go, smiling. From inside—

LIAM (O.S.)
Jasper, you old pervert! Why does it hurt so much when I pee?!

Jasper pulls a tube of ointment from his jacket pocket and walks toward the bathroom. The bathroom door closes.

LIAM (O.S.) (CONT'D)
Hey! What are you doing? Get out!

113 INT. LIAM'S MANSION - BEDROOM - NIGHT 113

Liam lies in bed. Jasper slips in behind him, wraps an arm around his waist. Liam turns and sees Jasper's face.

LIAM
You're not worried Victor will notice you're not in your room?

JASPER
He's not going to barge in.

LIAM
Yeah… But honestly, every time I'm with you, I tense up a bit.

The bedroom door suddenly swings open. Liam and Jasper shoot upright.

VICTOR (O.S.)
Liam!

LIAM
Oh shit.

Victor stands in the doorway, face cold and stern.

114 INT. LIAM'S MANSION - BEDROOM - NIGHT 114

The butler wheels Victor into the bedroom. Victor looks surprised.

VICTOR
Why are you here? Where's Liam?

VICTOR (V.O.)
Could Violet be telling the truth?

JASPER
I have some sleep issues, so Liam gave me his room. He's in the guest room.

VICTOR
Really?

JASPER
Of course.

VICTOR
Alright. Take me to the guest room.

Under the bed—Liam sits up, locks eyes with Jasper. He slips out through the window.

115 INT. LIAM'S MANSION - GUEST ROOM - NIGHT 115

Liam climbs through the window into the guest room, then lies on the bed, pretending to sleep. The butler wheels Victor inside. Victor spots Liam and exhales in relief.

BUTLER
Sir, Should I wake him up?

VICTOR
No. Let's go.

The butler and Victor leave. Hearing the door close, Liam looks toward the doorway, tense. Once he's sure Victor is gone, he lets out a long breath.

116 INT. LIAM'S MANSION - BEDROOM - NIGHT 116

Liam climbs back in through the window. He jumps onto the bed, wrapping Jasper in a tight hug.

LIAM
That was way too close.

JASPER
Watch where you’re pushing.

Liam’s hands slide over him.

LIAM
Come on. Let me touch your body.

JASPER
Funny. You didn’t sound so brave when you were running away.

LIAM
Honey…help me out first… I’ll return the favor later.

Jasper pulls off his glasses, tosses them aside. They slip under the covers. The blanket shifts.

LIAM (CONT'D)
Hey— hey— Hands only. Hey… don’t.

117 INT. CAFÉ - DAY 117

Julian scrolls through Instagram. He stops on a selfie of Liam.

JULIAN
Seriously… nothing’s going right lately— Wait, This photo—

Julian zooms in. Then flips back to an old hookup screenshot. The same mole, right near the collarbone. Julian’s expression turns sharp.

JULIAN (CONT'D)
Same mole. Wait—could the man who asked me out… be Liam? That means… he likes me!

EP 40

118 EXT. SMALL PLAZA - DAY 118

Liam walks across the plaza. Julian suddenly steps in front of him, blocking the way. Liam looks him up and down.

119 INT. HOTEL HALLWAY - DAY - FLASHBACK TO EP 29 - SC 98 119

After Liam takes Jasper into his arms, Julian slips away.

120 EXT. SMALL PLAZA - DAY - CONTINUOUS 120

Liam stares at Julian, serious.

LIAM
It’s you…

JULIAN
Liam… I knew it was you—

Julian reaches for Liam’s hand. Liam dodges him.

LIAM
Don’t come any closer. Keep your distance.

JULIAN
Liam, You’re protecting me. You're afraid your fans will find out…that you actually like me.

LIAM
You’re crazy. What are you talking about?

Julian lowers his voice, leans in. Liam tilts his head, listening.

JULIAN
We matched before. Marriott Hotel.

Julian lifts his phone, shows the old chat history.

JULIAN (CONT'D)
Do you remember?

LIAM
That was you? What a damn coincidence.

JULIAN
Yeah. I just figured it out too. Guess you’ve been into me for a long time.

Julian steps closer, reaches for Liam’s arm—Jasper appears, pulls Liam into his arms. Liam turns his head, looks at Jasper.

JASPER
Don’t get any ideas.

Julian stares at them, frowning.

JULIAN
You two...

121 INT. HOTEL HALLWAY - DAY - FLASHBACK - EP28 - SC 97 121

From the other end of the hallway, Liam walks over, his face hidden behind sunglasses and a mask.

122 EXT. SMALL PLAZA - DAY - CONTINUOUS 122

Julian looks stunned.

JULIAN
So it was you? Was I just part of some little game of yours? Fine. Just wait. I'll expose you. Once people find out a top racing star is gay, it'll blow up.

Julian raises his phone.

LIAM
You!

Liam lunges for the phone. Jasper stops him. Two police officers grab Julian from behind. Julian turns, shocked.

JULIAN
Who the hell are you?! Let go of me!

THE POLICE show their badges.

POLICE OFFICER
Julian, you're under investigation for trafficking and using banned substances.

They escort Julian away. Liam looks at Jasper. Their fingers intertwine.

JASPER
It's okay. He won't get the chance to say anything.

BLAZE (O.S.)
Liam!

Hearing Blaze's voice, Liam quickly pulls his hand away. Jasper looks at him.

123 EXT. SMALL PLAZA - DAY 123

Blaze jogs over from a distance, heading for Liam and Jasper.

BLAZE
Liam!

Liam and Jasper exchange an awkward look. Blaze waves at Jasper.

BLAZE (CONT'D)
Oh— Jasper. Didn't expect to see you here.

JASPER
I'll head out now and pick you up tomorrow.

BLAZE
Liam—

JASPER
Hm?

Blaze leans in, lowers his voice, smiling.

BLAZE
You know… you look like you just got laid.

LIAM
You got a death wish?

Liam kicks Blaze. They start roughhousing.

124 INT. RESTAURANT - DAY 124

A quiet corner. Liam and Jasper sit across from each other.

JASPER
You should stick to a light diet for a while.

Liam nods seriously. Jasper slides over a neatly cut steak.

LIAM
You should eat lighter too. And eat more pineapple.

Liam pushes the pineapple plate toward Jasper. Jasper places his hand over Liam's. Not far away, a FEMALE SERVER watches them, smiling.

FEMALE SERVER
They’re so shippable.

MALE SERVER
Who are you shipping now?

THE MALE SERVER follows her gaze—sees Liam and Jasper.

MALE SERVER (CONT'D)
Wait—that’s Nightfall?!

JASPER
Why pineapple?

Liam flips his hand, intertwines his fingers with Jasper’s.

FEMALE SERVER
Is that really Nightfall? Who’s the guy with him?

LIAM
Because—

FEMALE SERVER (O.S.)
Nightfall!

LIAM
Go. Now.

Liam and Jasper rush off. The two servers hurry after them.

EP 42

125 EXT. STREET - DAY 125

Liam and Jasper run hand in hand. Fans chase after them.

FANS
Nightfall! Nightfall! Nightfall!

126 EXT. STREET CORNER - DAY 126

Liam and Jasper duck around a corner. The fans rush past without noticing. Liam and Jasper catch their breath.

LIAM
We’ve switched places so many times. How do they keep finding us?

Jasper steps closer, cups Liam’s face. Liam smiles.

JASPER
Maybe it's because my boyfriend happens to be a top racing star.You still haven't told me— why the pineapple?

Liam leans in, whispers in Jasper's ear.

LIAM
I heard that pineapple makes your fluids taste sweeter.

JASPER
Is there any scientific basis for that?

LIAM
No idea—but we can try and see.

JASPER
Sounds like an invitation.

LIAM
It is.

Jasper pins Liam against the wall. They kiss—hard. Blaze walks by, freezes, the bags in his hands drop to the ground.

BLAZE
Holy shit…

EP 43

127 EXT. STREET CORNER - DAY 127

The bags Blaze was holding scatter across the ground. Jasper and Liam pull apart, both tense and awkward. Blaze paces in front of them, pointing back and forth.

BLAZE
I knew it! Every time you go out with Jasper, you look like you'd been SEXED.

Jasper reaches out and takes Liam's hand. Liam looks at him.

JASPER
There's no way to hide it now.

LIAM
This isn't the way back to the club. Why are you here?

Blaze's smug face suddenly collapses into misery.

BLAZE
I just needed some time alone. My girlfriend keeps saying I don't last long enough. It's brutal. I'm emotionally devastated.

Blaze steps forward and hugs Liam tightly.

BLAZE (CONT'D)
Liam! Three minutes—is that really so short?

Liam pats Blaze on the back, trying to comfort him. Jasper, visibly jealous, pulls them apart. Blaze immediately turns and clings to Jasper, sobbing. Jasper looks at Liam, speechless, resistant.

BLAZE (CONT'D)
Jasper! Is three minutes really that short? Is something wrong with me? Do I need to see a doctor?

Jasper awkwardly pats Blaze's back. An elderly CLEANING LADY walks by, takes one look at Blaze, and sighs.

CLEANING LADY
Young man… that's really not good.

Blaze cries even harder.

BLAZE
Ugh! Getting mocked again.

LIAM
Ma'am, please. You're not helping.

The cleaning lady shakes her head, walks off.

JASPER
Honestly…three minutes isn't that terrible. And you can't judge whether it's a medical condition based on that.

LIAM
Yeah. Jasper doesn't even last as long as you.

BLAZE
Really?

Blaze suddenly stops crying. He looks at Jasper. Jasper freezes, confused, points at himself, looks at Liam.

JASPER
Me?

EP 44

128 EXT. STREET CORNER - DAY 128

Liam nods, smiling.

JASPER
Me? Less than three minutes?

LIAM
Yeah. Blaze isn't a stranger. No need to be shy.

Liam leans in, whispers in Jasper's ear.

LIAM (CONT'D)
Look at him—he's crying his eyes out. Go comfort him for me.

Jasper looks at the miserable Blaze, speechless.

JASPER
…Yeah. He's right.

BLAZE
Then why don't you get yourself some meds?

Jasper's disbelief turns into anger. Liam quickly clamps a hand over Blaze's mouth, glares at Blaze.

LIAM
Shut up! You want to get yourself killed?

Liam hooks an arm around Blaze, smiles, turns to Jasper.

LIAM (CONT'D)
Let's head back first, okay?

Liam tries to slip away—Jasper grabs him and yanks him back.

JASPER
Liam. The date's not over yet. Trying to run away?

Jasper swats Liam on the butt, then scoops him up bridal-style.

LIAM
Fine. I'm yours—whatever you say.

Jasper carries Liam off. Blaze, devastated, crouches down to pick up his things.

BLAZE
I should probably just go to the hospital…

129 INT. LIAM'S MANSION - BEDROOM - DAY 129

Liam sprawls across Jasper's chest. Jasper holds him close.

LIAM
I'm never saying that again. A man's pride is terrifying.

JASPER
I wouldn't mind if it were like this every day.

LIAM
No way. Keep going like this and my legs will break—no butt could survive that. Dream on.

Liam's phone rings. He answers. Jasper notices the shift, sits up. Liam covers Jasper's mouth, whispers—

LIAM (CONT'D)
My dad.

EP 45

130 INT. LIAM'S MANSION - BEDROOM - DAY 130

Liam answers the call.

LIAM
Hey, Dad.

VICTOR (O.S.)
Make some time to come home.

Liam glances at Jasper.

LIAM
No. I'm training.

VICTOR (O.S.)
You have to. Unless you want me to freeze all your cards.

LIAM
That's my money. I earned it.

LIAM (V.O.)
One day, I'll flip the script—and see how it feels to be on top.

VICTOR (O.S.)
Your annual income isn't even close to the company's monthly cut. If you come back and take over the company...

LIAM
Alright, alright. I'll come back.

Liam hangs up, deflated.

LIAM (CONT'D)
Man… being under someone's thumb sucks.

Liam tries to sit up, but the pain in his ass twists his expression. He rolls over and ends up face-down on the bed. Jasper leans in, starts rubbing Liam's backside.

JASPER
Would it still suck… if you're under my thumb?

Jasper gives Liam a firm smack. Liam pushes himself up, looks up at Jasper.

LIAM
Don't be smug.

131 INT. LIAM'S MANSION - DINING ROOM - DAY 131

Victor sits at the table with Violet and Violet's parents.

VICTOR
It's time to settle Liam and Violet's marriage.

VIOLET'S MOTHER & FATHER
Yes.

Liam enters the dining room and freezes when he sees Violet's parents. He then walks slowly to the table.

LIAM
Good afternoon, Mr. And Mrs. Thorne.

Violet jumps up happily, loops her arm through Liam's. Liam pulls away. Violet's smile fades. They all take their seats.

VICTOR
Perfect timing. We were just talking about your wedding with Violet.

LIAM
I thought we agreed to put that on hold.

VICTOR
You’re both at the right age. Sooner or later, it has to happen.

VIOLET’S MOTHER
Then let’s settle on a good date today. One month should be more than enough.

LIAM
Mrs. Thorne!

Violet’s mother and Violet both look at Liam.

LIAM (CONT'D)
I don’t want to marry Violet because—

Victor and Violet’s father stare at him.

LIAM (CONT'D)
I have a sexual dysfunction.

Violet’s mother clutches her chest, sinking back into her chair. Violet’s father looks stunned.

EP 46

132 INT. LIAM’S MANSION - DINING ROOM - DAY 132

Liam lowers his gaze, speaks slowly.

LIAM
Yes, you heard me I said that I have a sexual dysfunction.

Violet freezes. Her fork slips from her hand, clattering onto the plate. Victor’s face hardens, anger rises.

VICTOR
Do you even realize what you’re saying?!

LIAM
I’m fully aware. We had an agreement. After I win the Grand Slam, every decision about my future is mine—Including my marriage.

Victor looks at Liam, helpless and furious. Liam picks up a glass of red wine, stands, turns to Violet’s parents.

LIAM (CONT'D)
Mr. And Mrs. Thorne. I’ve been a terrible host today. I’ll make it up to you another time.

Liam downs the wine in one go. Violet watches him—hurt, heartbroken. Liam sets the empty glass on the table, turns, and walks away. Violet rushes after him.

VIOLET
Liam!

Violet’s mother slumps back in her chair, furious. Violet’s father pounds the table lightly.

VICTOR
That little bastard!

Victor slams his fist down as well.

133 EXT. LIAM’S MANSION - OUTSIDE - DAY 133

Rain pours. Liam walks away under an umbrella. Violet runs after him.

VIOLET
Liam! Liam!

Liam stops, turns. They face each other in the rain.

VIOLET (CONT'D)
If I said… I’m willing to accept your condition—Would you marry me?

Liam shakes his head.

LIAM
No.

Violet’s eyes fill with tears.

VIOLET
So you really don’t like me… Did I do something wrong?

LIAM
No. You didn’t do anything wrong. I already have feelings for someone else.

Liam pulls out the ring necklace, smiling softly.

LIAM (CONT'D)
Jasper. He’s my boyfriend.

Violet stares at the ring. Shocked.

EP 47

134 EXT. LIAM’S MANSION - OUTSIDE - DAY 134

Liam and Violet stand facing each other in the rain.

VIOLET
I assumed it was just him pursuing you. So… I never had a chance at all?

LIAM
Even without him, I still wouldn’t marry you.

Violet lowers her head, hurt.

LIAM (CONT'D)
I’ve always seen you as a little sister. Are you sure you really love me? Or am I just someone you rely on, like an older brother?

VIOLET
…Maybe.

Violet wipes the tears from her eyes.

VIOLET (CONT'D)
Why are you telling me all this— aren’t you afraid I’ll go complain to Victor?

LIAM
Then Jasper and I will have to run away together. So please spare me, Miss Thorne.

Liam smiles and gives her a playful bow. Violet laughs despite herself, turns a little smug.

VIOLET
Alright. I'll keep your secret.But you two… you're the—

Violet points downward.

VIOLET (CONT'D)
—bottom one, right?

Liam stiffens, flustered.

LIAM
Is it that obvious?

VIOLET
So I guessed right?

LIAM
No! I'm the top one!

Liam lowers his umbrella and steps into Violet's. He gently cups her face. Violet looks at him, eyes still wet.

LIAM (CONT'D)
You should go back. Don't want to worry your parents.

In the distance, Jasper stands under an umbrella, watching. Jealous. Liam smiles, lowers his hand, steps back under his own umbrella, then walks away. Violet watches his back, thinking. Violet turns and leaves. Liam walks a few steps—then stops. Ahead, Jasper stands there, face dark. They lock eyes.

EP 48

135 INT. JASPER'S LUXURY CAR - DAY 135

Jasper shoves Liam into the back seat and pins him down, kissing him hard. The sound of the radio fills the car.

CAR RADIO (O.S.)
In recent days, representatives of the Summers and Thorne families met to negotiate a marriage alliance between their heirs.

Jasper's mood darkens. He kisses Liam even harder, fingers interlocking as he pins Liam's hand above his head. Liam pushes lightly with his free hand.

LIAM
Jasper—listen to me!

Jasper yanks off his tie and binds Liam's wrists. Liam can't move. Jasper presses Liam's hands down with one hand, stripping off his clothes with the other.

LIAM (CONT'D)
It's not what you think!

JASPER
I don't want to interfere with your decisions—I just want to be inside you.

Jasper presses his full weight down.

JASPER (CONT'D)
Even if it's the last time.

The car rocks. Liam's voice turns hoarse.

LIAM
That news came from my dad! I didn't know about it!

Jasper suddenly pulls back. He rips off his glasses and throws them to the floor. Veins stand out on his neck.

JASPER
I don't believe you! I saw you touching her head!

LIAM
That was just comfort!

JASPER
I don't buy it. You're trying that one-man-one-wife thing.

Jasper restrains Liam's hands again, buries his face at Liam's neck.

LIAM
No— I rejected her! Wait!

Liam’s cry snaps Jasper back. Jasper looks down at him.

LIAM (CONT'D)
The engagement is off.

Jasper freezes.

JASPER
Off?

LIAM
I told the Thorne family the truth. And I told Violet about us.

Jasper loosens the tie and frees Liam’s hands.

LIAM (CONT'D)
So you really misunderstood me.

JASPER
I’m sorry… I—

Jasper wraps Liam in his coat, pulls him into his arms. Liam’s voice trembles, eyes wet.

JASPER (CONT'D)
I thought you were leaving me. I should’ve asked first. This is all my fault.

LIAM
Before you lose control, maybe close the doors first. A racing star and his boyfriend out in the middle of nowhere—imagine if that got out.

Liam deliberately looks away. Jasper, breathing hard, can’t take his eyes off Liam.

JASPER
Fine. Next time, I’ll pick a better place.

Jasper pulls him close, gently kissing Liam’s cheek and forehead.

136 INT. FORMULA 1 CIRCUIT - RESTROOM - DAY 136

Liam, in his racing suit, and Jasper, sharp in a tailored suit, are squeezed inside a bathroom stall. Jasper grabs Liam by the waist, pulling him close.

JASPER
Are you insane? You're about to race. Why did you bring me here?

LIAM
Came to get a little boost.

Liam and Jasper kiss. Jasper's hand slides down instinctively. Liam pushes him back, raises his arms.

LIAM (CONT'D)
See anything?

Jasper scans Liam's racing suit, smiles.

JASPER
Yeah. I'm getting hard.

LIAM
Seriously? Look—carefully!

Jasper focuses—then notices the letters "J C" printed on Liam's chest. He freezes. Liam grins, taps the letters.

LIAM (CONT'D)
See it? I'm taking you onto the track with me.

Jasper looks at Liam, moved.

JASPER
Go for it!

Seeing Jasper suddenly shy and sincere, Liam's smile turns playful, hands slide from Jasper's waist to his crotch. At the sound of the zipper, Jasper's eyes fly open.

JASPER (CONT'D)
Liam—what are you doing?

LIAM
You didn't lie to me. It's really hard… But it feels—kind of like—

JASPER
Like what?

Liam smirks. Suddenly, he yanks Jasper around, spinning him 180 degrees. One arm wraps around Jasper's waist, the other grips his genitals tightly.

LIAM
Hard—just like my gear shifter.

JASPER
Liam! I'm warning you—I'm the one on top.

LIAM
I never said you weren't. But you did say "go for it".

Liam twists Jasper's genitals hard. Jasper sucks in a sharp breath, pain and pleasure mixing on his face.

JASPER
Liam…

LIAM
That was first gear. Better buckle up, Mr. Cole.

Jasper squeezes his eyes shut, gripping the hand around his waist. Liam twists again.

LIAM (CONT'D)
Second gear. Feel the acceleration yet?

JASPER
Not enough… I want more. Faster—

Liam's grin deepens as his hand moves harder, faster.

LIAM
No problem. Hold tight—I'll take you straight onto the highway.

Liam's hand works rapidly. Jasper's grip on Liam's arm tightens and tightens—until he ejaculated against the stall wall. His body goes limp, collapsing forward against Liam's shoulder. Liam pats his back lightly.

LIAM (CONT'D)
Looks like the switch plan won't be long now.

JASPER
Not a chance.

Jasper tries to lean in for kiss. Liam pushes him away.

LIAM
Enough. Race time.

Jasper smiles at him, indulgent and fond.

137 INT. FORMULA 1 CIRCUIT - RESTROOM ENTRANCE - DAY 137

Liam and Jasper step out of the restroom. As they leave, Julian—wearing a black cap—slips out from another stall.

JULIAN
Onto the highway, huh? You two really think I'd stay locked up that long? Just wait. I've got a big surprise for you.

EP 50

Liam's car rockets down the track. He presses the clutch, upshifts. Hands steady on the wheel. The car drifts the corner—clean, controlled. Liam crosses the finish line first.

ANNOUNCER (O.S.)
That’s strange—Nightfall’s already in the braking zone. Why isn’t he slowing down?

143 EXT. FORMULA 1 CIRCUIT - GRANDSTANDS - DAY 143

Jasper’s smile vanishes. He grips the railing, knuckles.

144 EXT. FORMULA 1 CIRCUIT - RACE CAR - DAY 144

LIAM (V.O.)
Brakes are gone.

Jasper, Violet, the fans—All frozen in shock.

148 EXT. FORMULA 1 CIRCUIT - BRAKING ZONE - DAY 148

Jasper breaks into a run.

JASPER
No— no, no! Liam! Liam!

Jasper stops short. The wrecked car smokes heavily. Jasper stares—terrified, stunned.

EP 51

149 INT. HOSPITAL ROOM - DAY 149

Blaze bursts into the room. On the bed lies a patient completely wrapped in bandages. Blaze lets out a wail.

BLAZE
Liam! Liam!

Blaze bends down, crying, reaching for the bandaged patient. A NURSE pulls back the curtain—revealing Liam in the next bed, hands behind his head, totally chill.

NURSE
Wrong bed. He’s over here. If not for the bruise on his backside, he’d be in perfect condition.

Blaze freezes, then awkwardly shuffles to Liam’s bed.

BLAZE
The car was totaled. How are you not even hurt? You should look like that guy.

The fully wrapped patient flips Blaze off.

BLAZE (CONT'D)
Seriously, how do you feel? You sure you don’t want more tests?

NURSE
Everything that could be checked has been checked by Jasper.

Liam smiles—soft, happy.

NURSE (CONT'D)
We’re short on rooms, so you’ll be sharing.

LIAM
Did they figure out why the brakes failed? And where’s Jasper?

BLAZE
Still investigating that. Probably will take a few days. Jasper went to get food.

Blaze grabs an apple, takes a bite, smirking.

BLAZE (CONT'D)
You should've seen him. Legs shaking. Eyes red. Completely out of it.

LIAM
You writing a novel now?

BLAZE
I'm just saying—you better comfort him. If the doctor had said "no chance," he'd have followed you straight to the grave.

LIAM
You're exaggerating.

Blaze looks at Liam's shy expression and grins wider. Jasper walks in. Relief on his face. He sits down, cups Liam's face, checking him carefully.

JASPER
You're awake? Are you Dizzy? Nauseous? Any pain?

LIAM
Hey— stop. I'm fine. The only bruise I have is the one you just made.

BLAZE
Oh my god. Nurse! Can you run another scan on Liam? He definitely hit his head!

Jasper and Liam exchange a look—then laugh. Liam calls after Blaze.

LIAM
You're the one with brain damage!

EP 52

150 INT. HOSPITAL ROOM - DAY 150

Jasper stands by the bed, watching Liam with clear concern.

JASPER
You're okay. That's all that matters.

LIAM
Blaze said you cried.

JASPER
That’s bullshit. Come on, eat.

Liam smiles knowingly. Jasper arranges the food and watches as Liam starts eating.

JASPER (CONT'D)
That was too close.

LIAM
Yeah. The trophy nearly flew right outta my hands.

JASPER
Seriously? The trophy’s all you care about?

LIAM
I care about the prize money too.It’s enough to buy a villa.

JASPER
Liam!!

Liam puts down his cutlery, reaches for Jasper’s hand, softening.

LIAM
Hey… I know you were worried.But seriously, I’m totally fine.

Jasper pulls Liam into his arms. Liam leans naturally against his shoulder.

JASPER
But I wasn't. If anything happened to you… I don’t know what I’d do.

LIAM
I’m sorry. But that’s racing… things change in a split second. It’s part of being a professional.

JASPER
But—

LIAM
Racing is what I love.It’s my choice. My commitment.

Liam lifts his head, looks at Jasper seriously, one arm around his shoulder. There’s a knock at the door.

LIAM (CONT'D)
Can you get that, Jasper?

JASPER
I—

The door bursts open. SEVERAL BODYGUARDS rush in and line up. Jasper immediately stands. The Butler wheels Victor into the room. Liam locks eyes with Victor. The air turns tense.

EP 53

151 INT. HOSPITAL ROOM - DAY 151

Victor’s expression is ice-cold.

VICTOR
Take him home.

LIAM
I almost won the Grand Slam—just one more race! You trying to break our deal now?

VICTOR
What about next time? Don’t count on getting lucky again.

Victor slams his hand down hard.

VICTOR (CONT'D)
I’ll let you call off the engagement.But quitting racing? No Discussion.Take him. Now.

Jasper steps in front of the bodyguards.

JASPER
Mr. Summers!

Liam and Victor both look up at him, stunned.

JASPER (CONT'D)
Even if you’re his father, you don’t have the right to control his freedom.

VICTOR
Dr. Cole… this is our family business. None of yours.

JASPER
I—

Liam grabs Jasper's arm, stopping him.

LIAM
Jasper, I know you're trying to protect me.But this is on me.
(to Victor)
I'll go with you.

Jasper's world drops out beneath him.

152 INT. HOSPITAL CORRIDOR - DAY 152

Liam is escorted away by the bodyguards. Julian steps out of the room, watching.

JULIAN
What a shame. The first surprise didn't quite land.

Victor, being wheeled down the corridor, notices Julian from behind. He signals to the butler. The butler leans in.

VICTOR
Get him here.

EP 54

153 INT.UROLOGY EXAM ROOM - DAY 153

Jasper pours himself a drink. There's barely any left in the bottle. He downs it in one go, flushed, and dials his phone.

PHONE (O.S.)
Sorry, the number you've dialed is unavailable.

Jasper hangs up. Marcus strides in, hands on hips.

MARCUS
I just left for a bit…and you turned Liam gay? You old bastard!

JASPER
"Old bastard"…Yeah. That's what he calls me too.

Jasper grins stupidly, drunk.

MARCUS
What the hell are you talking about? You... really have no shame.

JASPER
So what? I couldn't protect him on the track. I couldn't stop his father.And now I can't even reach him.

Jasper drains another glass.

MARCUS
Man, you're so head over heels you've completely lost it.You wanna see him? Don't do it the right way. Sneak in.Climb a wall, pick a lock, break a window — whatever it takes.

Jasper processes this.Suddenly, his eyes snap up.

JASPER
You're right.

He staggers to his feet, pulls off his white coat, grabs his suit jacket.

MARCUS
Hey— where are you going?

JASPER
To See him. To Sneak in.

Marcus freezes.

MARCUS
Wait… that's not what I meant! Hey!

154 INT. LIAM'S MANSION - BEDROOM - NIGHT 154

Liam steps out of the bathroom in a bathrobe, fresh from a shower. He freezes. Jasper climbs in from the balcony. Sheer white curtains flutter softly in the night breeze. The two men lock eyes.

EP 55

155 INT. LIAM'S MANSION - BEDROOM - NIGHT 155

Liam is shocked, staring at Jasper right across from him.

LIAM
This… is the third floor! How did you get up here?

Jasper steps forward, grabs Liam, and kisses him passionately. Liam responds eagerly. They press against the window, the curtains fluttering, clinging to each other. Suddenly, Liam pushes him away.

LIAM (CONT'D)
Drunk, huh?

Jasper keeps kissing him, hands roaming. He parts Liam's legs, tossing him onto the bed, ripping open his bathrobe. Suddenly, Jasper freezes, looking toward the door.

LIAM (CONT'D)
Keep going. I locked the door.

Jasper loosens his tie, unbuckles his belt, sliding between Liam's legs. Liam gasps, surrendering. A tear falls onto Liam's neck.

JASPER
I missed you so much.

LIAM
Are you gonna cry?

Liam grabs Jasper's head, yanking the necklace off his neck.

LIAM (CONT'D)
Don't tell me you're done already?

Jasper intensifies the kiss. Hands clasped, bodies entangled, the lamp on the desk shaking wildly. Afterward, Liam cradles Jasper, planting a soft kiss on his hair.

LIAM (CONT'D)
You're crazy… this is the third floor. If it were me, my legs would be shaking just standing here.

JASPER
I'm not afraid of heights.

LIAM
Maybe not, but you're insane!

JASPER
I know. But my boyfriend's here… I'm not scared.

Liam smirks.

156 INT. LIAM'S MANSION - BEDROOM - NIGHT 156

Jasper is cradled in Liam's arms.

JASPER
I won't stop you from racing… but promise me, no matter what, you won't leave me.

LIAM
Hey! What's going on with you today?

Jasper suddenly bites Liam's collarbone.

LIAM (CONT'D)
…Ow! Stop biting me!

JASPER
Promise me!

LIAM
Okay, okay! I promise!

JASPER
Why didn't you pick up my calls?

LIAM
My dad took my phone… how was I supposed to answer?

JASPER
Ah… so you weren't mad at me.

Jasper kisses the bite mark.

LIAM
Jasper…

JASPER
Hmm?

LIAM
How did I never notice… my boyfriend is so childish, petty… and clingy!

JASPER
Now you realize… it's too late. Don't you dare regret it.

Liam holds Jasper tighter, glancing at the window.

LIAM
It’s almost morning.You should go.

JASPER
Mm… promise you won’t leave me?

LIAM
Jasper… there’s something I’ve never told you.

JASPER
What?

Liam looks him dead in the eyes.

LIAM
I love you.

JASPER
I love you too!

They kiss again. Liam gently pushes him away.

LIAM
Mmm… you really should go.

Jasper leaves. Liam sits up, watching him go.

157 EXT. LIAM’S MANSION - YARD - NIGHT 157

Jasper climbs down, dusts off his clothes, looking satisfied toward Liam’s window, then walks away.

158 INT. LIAM’S MANSION - VICTOR’S ROOM - NIGHT 158

Victor and the butler watch Jasper’s through the window.

BUTLER
Mr.Summers… why didn’t you stop him?

VICTOR
Just let this be their goodbye. Liam’s still a kid. As his father, I’ve gotta look out for him.

159 INT. HOSPITAL - CORRIDOR OUTSIDE CLINIC - NIGHT 159

Jasper walks back to the hospital, mood lifted. TWO NURSES whisper nearby.

NURSE #1
Is that him?

NURSE #2
No way… he's that good-looking?
And… he's kinda creepy in private?

Nurse #1 notices Jasper looking at them, drags Nurse #2 away.

NURSE #1
Shh… come on, move!

Jasper heads toward urology. Suddenly, two patients in hospital gowns approach him.

MALE PATIENT #1
That's him! That's him!

Jasper turns, shocked. Patient #2 points at him.

MALE PATIENT #2
That's him! He totally messed with me during my exam!

MALE PATIENT #1
Yeah… I knew something was off, didn't expect him to be gay.

Jasper frowns. Suddenly, a crowd of REPORTERS surrounds him, microphones shoved toward his face.

REPORTER #1
Dr. Cole! People are saying you're gay… is that true?

REPORTER #2
Is it true you molested a patient?

REPORTER #3
You became a urologist… just to mess with patients?

REPORTER #1
You're always checking out other guys… their privates. Don't you feel weird about that? Or are you just taking advantage?

Julian emerges from the next room, phone aimed at Jasper.

JULIAN
Dr. Cole… here's your second gift.
No need to thank me.

160 INT. LIAM'S MANSION - BEDROOM - NIGHT 160

Liam pounds on the locked door, frustrated.

LIAM
You won't let me out? I'm gonna
starve to death!

Liam drifts around the room, totally down. He opens his phone, sees a video of Jasper being ambushed by reporters.

LIAM (CONT'D)
What the hell?! Julian's out there
too?!

EP 58

161 INT. LIAM'S MANSION - BEDROOM - NIGHT 161

Liam yanks the door open and rushes out. TWO BODYGUARDS grab him by the arms and legs, lifting him off the ground.

LIAM
Let go of me!!

The guards carry him back inside and DROP HIM ON THE BED. Liam winces, rubbing his butt.

LIAM (CONT'D)
Wow. Zero respect.

The Bulter wheels Victor in. Victor's face is stone-cold.

LIAM (CONT'D)
Dad, let me out!

VICTOR
Sure. Retire. Right now.

LIAM
That's not happening!

LIAM (CONT'D)
Give me two hours. Just two. I'll
be right back.

VICTOR
Forget it. He’s already done. That sexual assault scandal buried him. You can’t save him.

LIAM
You did this! You got Julian bailed out. Why did you do it?!

BUTLER
Liam… Mr. Summers already knows about you and Jasper.

LIAM
So you sent Julian to the hospital just to out Jasper?! What the hell is wrong with you, you sick old bastard!

VICTOR
He should’ve known this day would come the moment he started sweet-talking you.

Victor slams his fist hard onto his own leg.

VICTOR (CONT'D)
This is the price he has to pay!

LIAM
What fucking price? Did it ever occur to you that your son forced him?

VICTOR
Still covering for him, huh?

LIAM
I have nothing to hide. I’m the heir to the Summers Group. That hospital is ours. He’s just a doctor working there. I went in as a patient, took a liking to him — so I used a few tricks. I forced him to love me.

He leans in, provocative.

LIAM (CONT'D)
So what ? Your son is gay. Does that break your heart?

Victor points at him, his finger shaking.

VICTOR
You… you little bastard!

How did I end up with a jerk like you?!

LIAM
Well… there's nothing left to feel bad about. Better an extra son than one less. Now let me out.

VICTOR
I don't want to make things harder for you… But tonight, you only get one. The doctor… or racing.

LIAM
Stubborn old man… Screw you. I'm taking both.

Suddenly, Liam bolts toward the OPEN WINDOW.

BUTLER
Sir!!

VICTOR
Just let him go.

He's scared of heights. A heavy THUD echoes from outside. Victor's confidence shatters. He cranes his neck, panicked.

VICTOR (CONT'D)
Liam!

He flips Victor off, then takes off running.

VICTOR
…So he's really into him.

167 INT. HOSPITAL CORRIDOR - NIGHT 167

Jasper is still trapped outside the exam room, surrounded by patients and reporters. A few FANS push in.

FAN #1
Isn't that Nightfall's friend? What's going on?

Julian lets out a cold laugh, steps forward, lifts his phone.

JULIAN
He didn't just molest patients. He molested Liam Summers too.

CLOSE-UP : PHONE SCREEN - A VIDEO OF JASPER TENDING LIAM'S INJURIES.

REPORTER #1
What?! Is that real?

REPORTER #2
How could he do something like that?!

Jasper tries to speak, but the noise swallows him.

FAN #1
I knew something felt off that day… My Liam went through so much.

FAN #2
You freak! Get the hell out of this hospital!

FANS & PATIENTS
Get out! Get out!

Julian watches smugly.

JULIAN (V.O.)
Liam? He’s never gonna step in and clear your name.

A plastic water bottle flies through the air. Before it hits, LIAM YANKS JASPER ASIDE. Jasper stares at him, stunned.

JASPER
What are you doing here?

Liam grips Jasper’s hand tightly. Their fingers interlock. He raises their joined hands.

LIAM
He didn’t harass anyone. He’s my boyfriend.

Gasps explode around them.

EP 60

168 INT. HOSPITAL HALLWAY - NIGHT 168

Jasper is frozen.

JASPER
Why are you here?

LIAM
What, impressed? Pretty manly of me, huh?

JASPER
More like… stupidly brave...

Liam lowers his eyes, embarrassed but secretly proud. Fans whisper frantically.

FAN #1
Nightfall likes men? I thought he was a victim…

FAN #2
I don’t know…

JULIAN
No way… Liam Summers just came out in front of everyone?!

Reporters surge forward again.

REPORTER #3
So you’re saying Jasper is innocent?

LIAM
Of course. He’s way too handsome. Gotta watch out, someone else-
(glances at Julian)
—might try to grope him.

Julian glares.

REPORTER #2
Just cause he didn’t harass you... doesn’t mean he didn’t go after someone else. You really gonna put your rep on the line for that?

Liam opens his mouth, about to answer—then Jasper steps forward.

JASPER
Stop trying to trap him. I don’t need anyone to vouch for me for something I never did.

REPORTER #3
Then how do you prove it?

JASPER
I don’t have to. They do. They’re the ones who need to bring the evidence.

All microphones swing toward the two male patients. They lower their heads.

JULIAN
Idiots!!

JASPER
If there’s no evidence, then you’re looking at charges.

The reporters fall silent at Julian's signal. A POLICE OFFICER steps forward, flashing his badge.

POLICE OFFICER
Julian Chase. You're under arrest for tampering with Liam Summers' brakes. Evidence shows intent. Attempted murder. You're coming with us.

LIAM
What? The brakes? He messed with those too?!

EP 61

169 INT. HOSPITAL HALLWAY - NIGHT 169

Julian tries to run out, but FAN #2 blocks his path.

FAN #2
Hey! You! Murderer, you think you can just run?

JULIAN
I warn you, hitting people is illegal.

FAN #2
Sorry, I'm still a minor. Everyone, come on, hit him!

The crowd swarms around Julian, pounding him with their fists. Jasper and Liam watch the. The police are about to step in, but Liam points at the two male patients.

LIAM
Sir, those two are trying to run.

FAN #1 steps forward, blocking the escape route.

FAN #1
Don't let those two slanderers get away either!

The crowd closes in around the two patients.

FAN#2
Don't let him get away!

Julian glares at Liam as the police finally step in, handcuffing him. Liam suddenly turns to Jasper.

LIAM
I’m sorry... it’s my dad...

JASPER
No need to apologize, it was me who went after you first. What your father did makes sense.

Liam looks down, deep in thought. Jasper touches his face.

JASPER (CONT'D)
Being claimed by the famous Nightfall? Feels pretty damn good.

They can’t help but kiss.

JASPER (CONT'D)
If you wanna make it up to me, though... let’s do it a different way.

Jasper looks at Liam’s crotch, but Liam shakes his head in resignation.

LIAM
Won’t last three seconds.

Suddenly, Liam’s phone vibrates. He picks it up.

LIAM(ON PHONE) (CONT'D)
Hello?

BUTLER(ON PHONE)
Sir, Mr. Summers has collapsed.

Liam’s eyes widen in shock at Jasper. They rush off.

EP 62

170 INT. HOSPITAL CORRIDOR - DAY 170

Liam pulls Jasper along, running down the hall. They see a body covered with a white sheet being wheeled out of a room. Liam collapses to his knees in front of the stretcher.

LIAM
Dad! Dad!

VICTOR(O.S.)
You idiot! I’m not dead yet!

Victor’s voice comes from inside the room. Liam lifts the sheet, revealing an empty stretcher.

171 INT. HOSPITAL ROOM - DAY 171

Liam bursts into the room, followed by Jasper. Victor lies in bed.

LIAM
Dad!

Liam pulls Victor into a hug. Victor pats him on the back, annoyed.

VICTOR
I’m fine, kid. Relax.

BUTLER
Mr. Summers is fine. They gave him some experimental treatment. Doc says with the new plan, he’ll be back to 100% in six months.

Liam wipes his tears, relieved.

LIAM
That’s great news.

Liam suddenly has a realization. He crosses his arms and looks sternly at his father.

LIAM (CONT'D)
Well, now that you’re fine... we need to talk.

VICTOR
Talk about what?

LIAM
Is Julian Chase your illegitimate son?

VICTOR
What nonsense is that? I only have you!

LIAM
Then why did you help him sabotage me?

Victor looks away, avoiding the question. Liam presses on.

LIAM (CONT'D)
Is it because you think I’m not good enough as your son? You wanted a replacement?

VICTOR
Okay, maybe I missed something with the brakes. I let him tamper with them. But I made sure the police...

LIAM
I almost died because of that!

VICTOR
Alright, alright. If you win that Grand Slam like we agreed, I won't interfere with your life anymore.

Liam's face softens as he smiles in satisfaction.

LIAM
Really?

EP 63

172 INT. HOSPITAL ROOM - DAY 172

Victor lies in a hospital bed. Liam and Jasper stand by him.

VICTOR
The whole world knows my son has a new husband now. What exactly am I supposed to interfere with?

Jasper tries not to laugh. Liam lifts his chin, smug.

LIAM
Wife! He is the wife!

Victor shoots him a sideways look, unimpressed.

VICTOR
Aren't you the bottom one?

Liam freezes. Eyes wide. He turns slowly toward Jasper, gritting his teeth.

LIAM
You told him?!

JASPER
Wasn't me.

LIAM
Whatever.

Liam reaches out and grabs Jasper's hand. Victor looks at them—visibly uncomfortable.

LIAM (CONT'D)
Call him Dad.

JASPER
Dad.

Victor squeezes his eyes shut. His face twists in pain. After a long beat, he nods—hard.

VICTOR
…Mm.

The Butler steps forward, hands Jasper a black card.

BUTLER
This is a welcome gift from Mr. Summers.

Jasper hesitates. Liam looks at him.

LIAM
Take it. He’s just embarrassed.

Jasper looks back at Victor. Victor waves them off.

VICTOR
Go, go, go. Stop bothering me. Take your husband and leave.

Liam takes the black card.

LIAM
What, you shy now? Fine—I’ll come by again in a couple of days.

Victor sighs. Liam smiles, holding Jasper’s hand. Jasper nods to Victor. They leave the room. Victor stares at the door.

VICTOR
Bad temper… wonder who he got it from.

The butler hands Victor a mirror.

BUTLER
Sir, perhaps you’d like to take a look.

Victor grabs the mirror.

VICTOR
Get out.

The butler laughs and exits. Victor studies his reflection.

VICTOR (CONT'D)
…Does he really take after me?

Victor exhales. A small, relieved smile appears.

EP 64

173 INT. HOT SPRING HOTEL - BANQUET HALL - DAY 173

In the elegant banquet hall, two well-dressed women clink champagne glasses. A table is filled with carefully arranged pastries and a towering pyramid of red wine glasses. Behind the desserts looms a massive poster of Liam.

174 INT. HOT SPRING HOTEL - BANQUET HALL BAR - DAY 174

Liam leans against the bar, scrolling on his phone. He lifts a glass of red wine, takes a sip. Blaze walks over.

BLAZE
Liam. This is your Grand Slam gift.

Blaze hands Liam a present. Liam smiles and takes it.

LIAM
Thanks.

BLAZE
You’re not going over there? It's your Grand Slam celebration. The winner can’t just disappear.

LIAM
I’m waiting for someone.

BLAZE
Got it.

Blaze walks away. Liam keeps scrolling through comments on his phone, sipping wine. Jasper comes up from behind and wraps his arms around Liam.

JASPER
What are you looking at?

LIAM
The fans. They’re talking about us. Debating who’s top and who’s bottom.

Liam lowers his phone, turns around, hooks his arms around Jasper’s neck. They kiss, holding each other’s gaze.

LIAM (CONT'D)
Finally, we don’t have to keep this a secret anymore.

JASPER
First time I’ve seen you in a suit.

Jasper lifts Liam’s chin with his fingers.

JASPER (CONT'D)
I don’t want you going back out there.

Liam catches Jasper’s hand, kisses the back of it.

LIAM
Then I won’t.

Jasper leans in and kisses him again. They hold each other. From a distance, a familiar voice cuts in.

VICTOR (O.S.)
Liam!

Liam and Jasper turn. Victor—now walking with a cane—is scanning the room, looking for them. With their backs to Victor, Liam and Jasper whisper.

LIAM
Ever since his leg got better, he’s been wandering everywhere.

JASPER
Then… Maybe we could go somewhere else.

EP 65

175 INT. HOT SPRING HOTEL - ROOM - DAY 175

Liam lies naked, face down on a massage table. Jasper is shirtless, a towel wrapped low around his waist.

LIAM
So… for tonight’s celebration— what gift did you prepare for me?

Jasper picks up a bottle of massage oil and pours it slowly onto Liam’s back. Liam closes his eyes, lets out a soft sound. Jasper places both hands on Liam’s back, spreading the oil inch by inch.

LIAM (CONT'D)
Dr. Cole, huh? Pretty skilled hands. Who did you practice on before me?

Jasper's hands slide down to Liam's waist, then hand reaches for Liam's crotch. Liam groans.

JASPER
Funny. Sounds like you're saying another guy was worse than me. So—who was he?

Liam rolls over, sits up, looks up at Jasper.

LIAM
You—asshole!

Jasper looks down at Liam. Then takes Liam's hand and places it on the knot of his towel.

JASPER
Go on. Open your present.

Liam loosens the towel, pulling it down slightly. He freezes. Black lettering—just visible on Jasper's lower abdomen. Liam pulls the towel down further. Revealing a tattoo: LIAM SUMMERS. Liam looks up, stunned. Jasper smiles, tender. Liam reaches out, fingers tracing the tattoo.

LIAM
That's… my name.

JASPER
Do you like it?

Liam bends down and kisses the tattoo—again, and again. Jasper's breath catches. Liam lifts his head.

LIAM
I love it.

Jasper lifts Liam's chin and kisses him. Jasper presses Liam back down, eyes dark, intent. He scoops Liam up and carries him toward the bathroom. Liam's arms loop around Jasper's waist. As they move, the towel slips free—Jasper bare.

176 INT. HOT SPRING HOTEL - BATHROOM - DAY 176

Steam rises from the bath. Jasper steps into the water and lowers Liam in with him.

JASPER
I adjusted the medicinal soak. Mr. Summers, care to test the effects?

Liam straddles him, leans down, kisses him. Deep. Heated.

LIAM
So this is why you held the celebration here. You animal!

Jasper grins, smug. They kiss again as the steam thickens.
