Zane closes his eyes.

ZANE (V.O.)
Leia had a scar on her wrist, so I gave her a bracelet to cover the scar that year. It's got the letter E engraved on it, I would have been able to recognize her if I had seen the bracelet, but...

ZANE
(sighs deeply)
Raise the reward another 600 grand.
Keep searching.

Mark pauses, his expression shifting as he looks at Zane.

Understood, sir.

4 EMPLOYEES rush out and line up in two rows. The elevator doors open. Zane strides into the office.

EMPLOYEES

ZANE
Who the hell let her in here?!

Zane turns to shout at the employees by the door.

Who let her in without my permission?

Vivian gives Jasmine a look, Jasmine steps forward nervously.

JASMINE
M-Mr. Sterling, it was me. I knew she was starting work today, so I...

LEMON
It wasn't her, it was Vi...

Vivian freezes, stepping forward and pushing Lemon aside.

VIVIAN
Nonsense!

Vivian turns to pull Zane.

VIVIAN (cont'd)
Everyone knows the rules! No one should enter your office without permission, let alone touch your violin!

Vivian points at Lemon.

VIVIAN (cont'd)
How dare you!

ZANE
Enough!

Zane shoves her hand off him.

ZANE (cont'd)
It's not the first time you've let people in. Who else would dare do that?

VIVIAN
I—

Zane raises his hand to silence her.

ZANE
If it happens again, I'll suspend you for a month to reflect.

Vivian stomps her foot, displeased.

VIVIAN
I'm sorry, but she's your wife... and you've been away. I thought you'd want to see her, so...

Zane looks down as he pulls out a handkerchief to clean the violin.

ZANE
Wife? She doesn't deserve that.

Lemon looks up at him, stunned.

I'm your legitimate wife. Are you really so eager to disparage me?

Episode 8

20 INT. STERLING GROUP ZANE'S OFFICE - DAY

ZANE
Lemon, if it weren't for the 15% stake in the Chase Group, I'd never marry you, or let you step into my company.

(coldly, fists clenched)
So it's all about the stake. No wonder you agreed so quickly.

Vivian raises an eyebrow, smiling smugly. The employees near the door whisper among themselves.

EMPLOYEE 1
(mocking)
Is she really the Chase family’s daughter? She’s a deaf girl.

EMPLOYEE 2
(arms crossed, smug)
Touching Mr. Sterling’s violin, which has been treasured for many years - on her first day? She’s already pushing her luck. Who knows what else she’ll do?

LEMON
(gritting her teeth)
I didn’t do anything wrong! What gives you the right to say that?!

ZANE
(frowning, impatient)
Shut your mouth!

The employees fall silent, looking down.

ZANE (cont'd)
(furious, to Lemon)
Let me make this clear. No one can touch this violin without my permission. If you do this again, you can pack your things and get out!

VIVIAN (cont'd)
Hey, dummy, you touched the violin. Apologize! Now!

LEMON
Sorry. It won’t happen again.

Just leave!

The employees at the door disperse. Lemon turns to leave.

When we grow up, I’ll get you a real one, okay?

LEIA
(smiling sweetly)
Great! When I grow up, I’ll make lots of money and protect you.

JASMINE
(nervously)
What? B-But Mr. Sterling said not to touch anything in his office!

VIVIAN
Oh, come on. She's his wife, isn't she? They haven't even had their wedding yet. Just tell her it's the wedding ring. I bet she'll wear it.

JASMINE
(hesitant, nods)
Okay...

JASMINE (V.O.)
I hate being bossed around. If it wasn't for the fact that you're close to Mr. Sterling, I wouldn't bother with you.

The wedding ring, Mr. Sterling prepared for you. He asked me to give you. Just wear it now.

LEMON
But he was so angry earlier... I can’t take this.

Lemon returns the ring to Jasmine. Jasmine changes her tone, convincing.

JASMINE
Well, Mr. Sterling treats everyone equally, but let’s be real—you’re the only Mrs. Sterling.

Jasmine presses the ring back into Lemon’s hand.

JASMINE (cont'd)
No wedding, no ring? That doesn’t seem right, does it?

Lemon hesitates for a moment, then puts the ring on her finger, smiling.

LEMON(V.O.)
Maybe... this really is his way of showing he cares.

Jasmine watches her with a mocking smile.

Special shot: Her hand curls in pain.

LEMON
(confused, in pain)
They said you'd prepared this wedding ring for me... I thought...

ZANE
(coldly, sneering)
Wedding ring? For you? Even if it is, you don't deserve it!

LEMON
(frowning, hurt)
Our marriage is just a business arrangement, but do you have to be so cruel? It's just a ring...

Zane pushes Lemon back into the wall with force.

ZANE
How dare you! Say that again!

Lemon struggles, gasping for air.

LEMON
What are you doing? Let go of me!

Lemon breaks free from his grip.

ZANE
(coldly)
Just a ring, huh? How dare you.

Who said you could touch the ring?! You never learn!

Vivian raises her hand to slap, but Lemon grabs her wrist.

LEMON
(cold smile)
You again.

VIVIAN
(struggling)
I don’t know what you’re talking about. Let go of me!

Vivian turns to Zane, looking wronged.

VIVIAN (cont'd)
Zane, she’s framing me! She’s just pretending in front of you and trying to blame me!

Zane pulls Vivian behind him, protecting her. Lemon looks disappointed and sneers.

LEMON
If you want me to leave, just say it. Why make such a scene?

Vivian charges and slaps Lemon, who falls to the ground.

VIVIAN
Stop pretending! This is all your fault.

Lemon shakes her head, a ringing sound in her ears, and struggles to sit up, staring at Vivian. Lemon is disappointed, looking at Zane.

LEMON
I’m still your wife. How dare she treat to me like this...

ZANE
(interrupting)
Wife? You don’t deserve that title! I have someone else in my heart.

VIVIAN (V.O.)
Oh, That must be me.

Lemon deep breaths and bitter smiles.

LEMON
Fine, since you look down on me so much, let’s get divorced.

ZANE
Divorce? You have no say in this marriage?

Zane takes a document from the desk and slaps it on her.

ZANE (cont'd)
This agreement, your father signed with me. He was ready to trade you for two hundred million and give away 15% of Chase Group’s shares.

Lemon is shocked, flipping through the document.

LEMON
(choked up)
No... no, this can’t be true!

Zane squats in front of Lemon, holding her chin and coldly smirking.

ZANE
(mocking smile)
To him, you're just a trophy doll. He only sees you as someone to marry off.

Lemon pushes him away, choking.

LEMON
No, you’re lying!

Zane looks down at her, wiping his hands with a handkerchief.

ZANE
How pitiful, Lemon. You have nowhere to go but my place.

I— I didn't mean to! Let me explain! It's not what you think!

Zane pulls his arm free.

ZANE
Get out of my way!

(angrily)
How dare you mistreat a colleague in my company? I won't stand for this. Mark!

MARK
(steps forward)
Right here, Mr. Sterling.

ZANE
Take these three out of here and teach them a lesson. Make them scrub the restroom spotless. Film it. Post it online. Then fire them and blacklist them from the industry. Trash like this has no place in society.

MARK
Understood.

Lily and Jasmine start begging.

LILY/JASMINE
Please, Mr. Sterling. We were wrong! We really were! I have a family to support. Please don't fire me...

We apologize for any inconvenience caused.

Too late, Zane. I hated you for never believing me. But I hated myself more… for not letting go sooner.

She loosens her grip, smiling softly.

LEMON (cont'd)
This time, I’ll let go for real. Let’s not meet in our next life, okay?
