KATHERINE, in a wedding dress, looks at the bouquet in her hands. *

ERIC (O.S.)
(a little excited and a little gritted his teeth) *
Katherine!

Katherine turns to find Eric approaching with a deadpan expression. He casually picks a flower from her bouquet, smells it, and then offers it to her. Just as Katherine leans in to inhale its fragrance, Eric pulls the flower away, tosses it to the ground, and kisses her. *

CUT TO:

2a INT. ERIC'S MANSION - LIVING ROOM - NIGHT 2a *

Katherine's eyes snap open as the DOOR to the house UNLOCKS-- she had been napping on the couch; what we saw was a dream. *

Eric walks in. This Eric is harsh, cold, and inconsiderate. *

He strides over, pulls her up, and gives her a rough kiss. She struggles, and he lets her go-- *

Only to pin her against the wall. His breath grazes her neck, making her squirm. He kisses her neck, drawing a moan that curls his lips into a faint smirk. *

He unpins her and picks her up, wrapping her legs around his waist, then, puts her on a TABLE. *

He unpins her, lifting her as she instinctively wraps her legs around his waist, placing her on the table. *

The kissing intensifies, their bodies pressed together, his sheer white shirt clinging to the sculpted lines of his chest, the top three buttons undone. *

Katherine's hands find his chest... *

He suddenly pauses, his gaze lock onto hers, a magnetic pull between them. *

ERIC
(whispers)
Say you love me, and that you and your brother are not playing me like a fool.

Katherine slaps Eric across the face. She turns away, wiping away her tears.

ERIC
(sneers)
Oh, I forgot you’re mute.

2 INT. ERIC’S MANSION - BEDROOM - NIGHT 2

Eric pushes Katherine down on bed, pinning her wrists above her head with a forceful urgency. Katherine stops struggling and turns her head away. He trails kisses along her neck and collarbone, his touch lingering.

KATHERINE (V.O.)
You know I can’t talk, but you just love rubbing it in. You’re cruel, Eric.

Eric tugs at her nightgown, slipping it off her shoulder. His lips follow, pressing fervent kisses against her exposed skin.

Tears stream down Katherine's face.

Episode 2

3 INT. ERIC'S HOUSE - BEDROOM - DAY 3

The phone rings, jolting Eric awake. Katherine rolls over, feigning sleep. Eric fumbles for the phone and answers without opening his eyes.

ERIC
(impatient)
What.

RILEY (V.O.)
(pouting)
Eric, where are you! I really need you! Are you with that mute again!? Who is more important to you, me or her?

Riley’s voice is loud enough for Katherine to hear.

CLOSE UP on Katherine-- She lies on her side, back to Eric, and opens her eyes just a sliver. Without moving, her gaze shifts ever so slightly, quietly anticipating Eric's reaction.

ERIC
(cold; into phone)
None of your business.

Eric hangs up and heads to the bathroom.

GUESTS (O.S.)
(excited)
Kiss! Kiss! Kiss!

Eric nods to the chanting GUESTS before leaning close to Katherine. His voice drops to a whisper:

ERIC
You and your brother roped me into this marriage. Trust me, your whole family's gonna pay for it, Mrs. Sanchez.

Katherine, dressed in a stunning bridal gown, forces a smile while tears quietly roll down her cheeks.

5 INT. ERIC'S HOUSE - DINING ROOM - DAY 5

Katherine and Eric sit across from each other, eating breakfast in silence. Eric shoots a detached glance at Katherine.

ERIC
The sleep aid candle from last time was pretty good.

Katherine uses sign language to say: *

KATHERINE (V.O.)
(excitedly) *
Do you need more? Should I add *
extra ingredients? I can make more *
for you to take to the office. It's *
not just for sleep; it also has a *
calming effect. *

ERIC
(nonchalantly)
Ok. *

Katherine's face lights up with a genuine smile. *

Episode 3

6 INT. OFFICE - DAY 6

Eric sits at a large desk, fully absorbed in reviewing *
documents. Katherine lights a SCENTED CANDLE nearby, gently *
waving her hand to draw the rising fragrance toward her. *

KATHERINE (V.O.)
This scent is perfect! *

Katherine quietly makes her way to the sofa near Eric's desk, *
careful not to disturb him, and eases herself down. *

The door flies open and Riley storms in. She stands in front *
of Eric's desk, arms crossed. *

Eric glances at her, frowning slightly. *

RILEY
So you really are with this mute *
girl!? *

Eric's eyes flash toward Katherine, irritated. *

ERIC *
Leave, right now. *

As Katherine stands to leave, Riley shoves past, slamming her *
shoulder. Katherine stumbles, pauses to collect herself, and *
walks out.

Once the door closes, Eric turns his attention back to Riley. *

ERIC
What do you want? *

RILEY
(pouting)
You didn’t answer my calls or texts. I couldn't find you anywhere. And just thinking about you with that mute girl? Ugh.

Riley pulls out disinfecting wipes, scrubbing the desk and sofa where Katherine had touched.

ERIC
(impatient)
What the hell are you doing?

RILEY
I don't want to share anything with her!

Eric shoots her a cold look. Riley slides onto the armrest of his office chair, playfully swinging his arm, trying to soften him.

RILEY
(flirtatious)
Come on, are you still mad at me? I've waited two years for you. I won't bring up the divorce again, I promise.

Eric looks at her, his anger cooling, but he stays firm.

ERIC
Riley, I've told you before- that’s not something you need to worry about. As long as you’re with me, I’ll always take care of you.

Riley widens her eyes, looking hurt yet innocent-

RILEY
But you were mine first...

Eric, clearly impatient, turns his head away. Riley adjusts her approach, trying another angle:

RILEY
Then make it up to me.

ERIC
(sighs)
Fine. What do you want?

RILEY
The Birkin from the auction. You know the one.

ERIC
Fine.

RILEY
(pushing further)
And two weeks with me. No mute girl.

ERIC
(unbothered)
Whatever.

Riley beams, resting her head on Eric's shoulder. Eric sits cold and detached, unmoved by her affection.

From the doorway, Katherine peeks in, her face falling before she quietly walks away.

SCOTT
What the hell do you think you're doing, huh? I set you up in this marriage with Eric to save my company! You can't just sit here and do nothing. Get me the money!

Katherine struggles to pull away from Scott's grip, but in the chaos, she loses her footing and tumbles down the stairs.

As she hits the ground, blood starts pooling beneath her skirt. Panic washes over Scott's face. Without another word, he bolts.

ANDREW watches the deep-in-thought Katherine from nearby, concerned. He steps closer and gently snaps Katherine out of her memory. *

ANDREW
(softly) *
Kat, You okay? Didn't you take the new candle to the hubby? Did he like it? *

Katherine blinks, wiping her tears and forcing a smile as she signs to Andrew. *

KATHERINE (V.O.)
Yes, but Riley showed up, so I left. *

ANDREW
(frowning) *
Riley's always hanging all over YOUR husband. You sure you're okay with that? *

KATHERINE (V.O.)
(signing)
I'm fine, really. *

ANDREW
(gently) *
It's been 2 years, Kat. You still want to keep up this whole contract marriage thing? It's not healthy. *

Katherine signs to Andrew, a hint of resolve in her eyes. *

KATHERINE(V.O.)
As long as Eric is happy.

ANDREW
How about you?

Katherine forces another smile, signing that she's fine. Andrew pulls her in for a hug. * *

ANDREW *
You've been picking on her because she can't talk back, and now you dare to lay your hands on her? Who do you think you are? Side chick! *

RILEY *
(mocking) *
Me? I'm the side chick? She stole MY man when I was studying abroad. I came back and he's magically married for god knows what reason! Eric loves me, not her- if anyone's wrecking a relationship, it's her! *

Katherine, visibly anxious, signs quickly, trying to explain—

KATHERINE(V.O.)
I didn't follow you.

Riley swats Katherine’s hands away.

RILEY
Stop flapping your hand. I don’t know what you’re trying to say, but let me tell you this- you're just a temporary distraction. Once Eric’s done with you, he’ll drop you like you never mattered.

Andrew, enraged, grabs a full glass from the counter and throws it in Riley's face, while pulling Katherine behind him.

Riley screams, frantically wiping the alcohol off her hair and face, now a complete mess.

RILEY
This isn't over!

Eric, noticing the commotion from afar, shouts

ERIC
What the hell is going on?

The second Riley sees Eric, her expression shifts, and she instantly puts on an innocent act.

RILEY
They followed us here, and now they’re humiliating me. I couldn’t just stand there and take it! Look what she did to me!

ANDREW
That's not true! She hit Katherine!

Katherine steps forward, catching Eric’s eye and shaking her head before signing.

KATHERINE(V.O.)
(signing)
I didn't follow you. I came here with my friend.

Riley shoots Katherine a sharp glare, then slides closer to Eric, pressing herself against him and nudging Katherine aside.

RILEY
Eric, I just can't stand her trying to take you away from me constantly!

Eric, clearly impatient, pulls back, creating some space between himself and Riley. His gaze shifts to Katherine, and when he spots her slightly revealing outfit, his anger sharpens.

ANDREW
Watch your mouth, bitch!

Riley tries to pull Katherine away from Eric.

RILEY
Am I wrong? Katherine, you need to apologize to Eric right now.

ANDREW
Let go of her!

Andrew pushes Riley away, causing her to stumble and fall to the ground.

RILEY
See, Eric? This is how they’re treating me!

I'm fine, just exhausted.

ERIC
You need to stay away from Andrew. He’s only going to get you in trouble.

Katherine shakes her head frantically.

KATHERINE(V.O.)

I’ve done what you asked of me. I don’t associate with any friends any more, except Andrew. He’s the only friend I have. Please.

ERIC *
You texted me to come back, so you *

Divorce? Get the hell out of my house!

The lawyer leaves.

ERIC
Why? Why do you want a divorce?

KATHERINE (V.O.)
(signing, determined)
Our two-year contract is up. I believe I've paid off my family's debt to yours. I've honored the agreement with your grandmother by becoming your wife. I'm exhausted. I don't love you anymore. I don't think you love me either. So please, just let me go.

ERIC
What? You don't like this song anymore?

Katherine looks up at Eric, her expression ice-cold as she signs angrily.

KATHERINE (V.O.)
No, I don't like these anymore!

ERIC
(mumbling)
It doesn't matter. You promised to stay with me forever. I won't let go.

He drops his head onto Katherine's shoulder, swaying slowly to the music again, pulling her with him.

Katherine hesitates, her body stiff, feeling the weight of him against her, her resistance fading into passive compliance.

She tries to shake him off, hoping he'd lift his head and give her space. But instead, he presses even closer, his face nuzzling deeper into her neck. His hand slips lower from her waist, tracing the curve of her back.

ERIC
(softly)
Don't move. This is nice...

(eagerly)
Take a look at this one. Elegant and refined, totally your style.

RILEY
I don't like it. I want the ones she’s presenting.

ANDREW
Lily, what’s going on?

LILY
This is our VIP customer slash influencer, also Eric Sanchez's girlfriend.

Riley smirks down at Katherine and Andrew.

ANDREW
(sarcastically)
Oh, so she's the girlfriend, but what about Ms. Sanchez, hm? His wife?

RILEY
What about her?!

ANDREW
Isn’t it obvious? You’re just a gold-digger, chasing after Eric’s money by trying to wreck his marriage! Face it, honey, you’ll never measure up!

Katherine stands up and pulls on Andrew's sleeve.

KATHERINE(V.O.)
(signing)
Let’s just go.

ANDREW
Why? You are not the one to leave. *

LILY
I have a suggestion- why don't we * let our head makeup artist work * with both of you using the same * products? That way, we can see who * looks most compatible with the new * line, yeah? *

Suddenly, the door bursts open, and Eric storms in.

LILY
(smiling)
Eric, how can I help you?

Eric ignores her, his glare fixated on Katherine.

ERIC
I told you not to wear any makeup. Take it off!

ANDREW
Are you serious?

Katherine freezes, lowering her head as she tries to conceal her upset.

Eric angrily snatches some MAKEUP REMOVAL WIPES from the nearby vanity, glaring at Katherine, who remains still. He hands the wipes to her.

ERIC
Wipe it off!

Katherine takes the wipes, her heart heavy, and starts to remove her makeup.

Riley watches with a smug satisfaction.

ANDREW
Katherine, this needs to stop. Either he breaks up with this woman, or you should divorce him.

Andrew takes her hand.

ANDREW
(softly)

Katherine, heartbroken, shakes her head vigorously, unable to meet Andrew’s gaze.

KATHERINE (V.O.)

We don't love each other. So, keep wasting each other's time like this is pointless.

Eric tries to contain his anger.

ERIC
Katherine, I...

Katherine had made up her mind.

KATHERINE (V.O.)
(signs)
I don't want to continue like this. I want a normal relationship.

ERIC
(knocks the wheel)

(bluntly)
The company anniversary event is coming up. Katherine, with your condition, don't embarrass yourself by showing up. Just stay home.

Katherine nods slightly in compliance.

Eric, impatient, focuses on the wounds.

LOUISE
(assertive)
Eric, Riley will be your date at the event.

Eric looks up, visibly irritated. He glances at Katherine for a moment, then turns to face Louise, his expression blank.

ERIC
Fine.

Louise, satisfied with his answer, leaves the room.

Eric turns to Katherine.

ERIC
Why do you want this divorce so badly? I want the real reason.

KATHERINE (V.O.)
(signing)
You can buy the entire magazine for Riley, yet you didn't care that it would ruin my chance to be the face of the makeup line. I'm not the one you love. So why not just let us both move on?

ERIC
You know why. I can't marry you.

RILEY
Do you even like me?

ERIC
What do you think?

RILEY
Fine. But you're still not allowed to spend her birthday with her.

KATHERINE(V.O.)
(signing)
Why? I'm just a joke to everyone else.

ERIC
I shouldn't let you hang out with Andrew and his crowd. You're getting more defiant every day.

KATHERINE(V.O.)
(signing)
It has nothing to do with them. They respect me.

ERIC
This is all Andrew’s doing. If he wasn’t putting ideas into your head, you wouldn’t be acting this way. I can barely recognize you anymore.

KATHERINE(V.O.)
(signing)
You’re the one who’s changed.

Eric jumps to his feet, turning to head for the door.

KATHERINE (V.O.)
Even my baby can't get away from you.

Uncomfortable? Do you need me to take you to the hospital?

Katherine continues to hang her head low without saying a word.

Eric looks at Katherine with patient sympathy, gently stroking her hair in a comforting gesture.

ERIC
Katherine, be good.

Eric leans in to kiss Katherine's ear, then gently pushes her down onto the bed.

Her phone dings.

ON PHONE SCREEN: A text from William.

WILLIAM (O.S.)
I was too busy yesterday and missed your call. Are you okay?

KATHERINE (V.O.)
I'm sorry I've screwed things up for you.

WILLIAM (O.S.)
It's not your fault. Take care of yourself and the baby. I'll contact you again after this matter settles down.

Katherine deletes all the text messages.

KATHERINE (V.O.)
(to her own belly)
Baby, I'm so scared. I just can't let Daddy know about your existence.

Katherine sits across from the doctor, worried.

DOCTOR
You need to rest in bed as much as possible until the baby is born. No strenuous exercise or sexual activity. If there's any heavy bleeding again, it could lead to a miscarriage.

Eric, your mom has Mrs. Katherine.

90 INT. LOUISE’S HOUSE - LIVING ROOM - DAY 90

Louise sits on the sofa with an evil grin, one of her subordinates standing at attention across from her. She has just received some important information.

LOUISE (O.S.)
Letting Eric acquire the stocks would only strengthen his control over the company. I can’t allow that to happen. If I can’t have it, I’ll make sure to destroy it.

Katherine is brought in. She stands timidly in front of Louise, who looks displeased.

LOUISE
Sit. Next week marks two years since you married Eric. And it's time to end this charade. Sigh the divorce agreement. *

Louise stares at Katherine, eyes cold and formidable. *

Episode 35 *

91 INT. LOUISE'S HOUSE - LIVING ROOM - DAY 91

Katherine doesn't sit.

LOUISE
You've caused quite a mess. We took you in, raised you, and this is how you treat us? What next? Are you going to give me a mute successor? * *

KATHERINE(V.O.)
(signing)
The doctor said it's not genetic. There's a good chance the baby will be healthy.

LOUISE
There's always a chance. But we can't take that risk. The sooner you get the divorce finalized, the better it will be for you and Eric. *

Eric's voice interrupts from afar.

ERIC (O.S.)
Who said I'm getting a divorce? *

Eric approaches them, forcing a smile.

ERIC
Mom, you should keep me in the loop on these things. I don't know if you've noticed. Katherine can't speak. * * *

LOUISE
(with a fake smile)
But we were just chatting. Don't worry. *

ERIC
What's there to worry about?

LOUISE
Since we're all here, let's eat. Shall we?

92 INT. LOUISE'S HOUSE - DINING ROOM - DAY 92

Katherine, Eric, and Louise sit at the dining table. Louise sits at the head. Katherine and Eric sit side by side. *

Katherine suddenly gags on her food. She tries to conceal it, but Louise notices.

LOUISE
I heard from security that you went to the hospital. What was that about?

KATHERINE (V.O.)
(signing)
My stomach was feeling a bit off.

ERIC
Are you okay? Why didn't you tell me? *

KATHERINE (V.O.)
(signing)
I know you're busy with work. I didn't want to bother you- it wasn't a big deal. * *

ERIC
It it doesn't get better by tomorrow, let me know. I'll take you straight back to the hospital. * *

LOUISE
Katherine, are you sure it's just a stomach issue? What if you're pregnant? * *

KATHERINE(V.O.)
(signing urgently) *
No, it's not.

Eric scrutinizes Katherine, his gaze moving from her head down to her belly. * *

LOUISE
Well, that's a relief. Pregnancy would be troublesome to deal with.

Katherine hides her sadness.

KATHERINE (V.O.)
Nobody wants us, baby. I will protect you. No one will know about you.

Episode 36

93 INT. LOUISE'S HOUSE - BEDROOM - NIGHT 93

Eric enters, checks outside, and then closes the door before turning to Katherine, who is sitting on the couch.

ERIC
(concerned)
You sure you're not pregnant?

KATHERINE (V.O.)
(signing)
No, you know I've been taking the pills. To not get pregnant. They're very effective.

Eric's soft concern turns menacing.

ERIC
Don't lie to me, or...

Eric looks at Katherine, who is smiling at him, but he doesn't finish his sentence. He takes Katherine's hand and prepares to leave.

ERIC
Let's go home.

[Katherine's Flashback]

DOCTOR (V.O.)
No strenuous exercise or sexual activity. If there's any heavy bleeding again, it could lead to a miscarriage.

[End Katherine's Flashback]

KATHERINE (V.O.)
(signing)
I want to stay here for a few days.

ERIC
Why?

KATHERINE (V.O.)
(signing)
A change of scenery might be nice, you know? It's more lively here with so many people here.

ERIC
Are you sure?

Katherine nods.

ERIC
Fine, but if anything comes up, call me. Wait for me to come pick you up in a few days.

Eric, waiting for someone is too painful. I don't want to wait anymore.

94 INT. BAR - DAY 94

William and Eric are in a heated discussion.

WILLIAM
We've been partners for over twenty years.

ERIC
You and your brother are both crazy.

WILLIAM
(teasing)
Thanks for hiring the lawyers for Andrew. Even though we're struggling, we don't need Katherine to bend over backwards for us. We've been good to Katherine because we've seen what you've done to her. You're the crazy one.

Eric scoffs. William's pauses, his boldness turning into sadness.

WILLIAM
Is it true what they say? Did you set up Andrew's accident to get back at him for your Riley?

ERIC
What do you think?

WILLIAM
Before, I wouldn’t have believed it was you, but now...

Eric turns away from William.

WILLIAM
Forget it, it doesn't matter anymore.

William exits, leaving Eric alone, holding an empty glass.

Katherine sits on the couch and receives a text.

TEXT MESSAGE: *

WILLIAM (O.S.)
Can we meet? I'm done with work.

KATHERINE (V.O.)
Very convenient. I'm at the mansion.

WILLIAM (O.S.)
Okay, I'll come to pick you up.

Katherine puts down her phone just as Louise storms in. Katherine stands.

KATHERINE (V.O.)
(signing)
Louise, is something wrong? *

Louise ignores Katherine's confusion, raising her hand and striking her hard, sending Katherine sprawling to the ground. * *

LOUISE
You keep something this big to yourself? Why didn't you tell me about the 10% of the company Grandma left you?

Louise doesn't wait for Katherine's response.

LOUISE
You're divorcing Eric next week. Eric won't let you walk away with that. Sign this stock transfer agreement right now.

LOUISE (V.O.)
The 10% can not fall into Eric's hands. I won't let him get out of my control.

As Katherine retreats, shaking her head, Louise sinks back into the sofa. Two BODYGUARDS enter as Louise gestures for them to come closer.

LOUISE
Get her to sign. Do whatever you have to do.

The bodyguards seize Katherine by the arms, dragging her to the coffee table. They thrust a pen into her hand, forcing her to sign.

ERIC (O.S.)
Let her go!

Eric storms in, sweeps Katherine up in his arms, and strides out, leaving Louise seething on the sofa.

Episode 38

97 EXT. LOUISE'S HOUSE - DAY 97

Eric and Katherine stand face to face, Katherine visibly agitated.

KATHERINE (V.O.)

Is that true? Did you marry me just for the stake your grandmother gave me?

ERIC
That's not for you to worry.

KATHERINE (V.O.)
(signing)
You never really loved me, did you? *

Eric looks down, sighing.

ERIC
Katherine, can't you just look the *
other way on some things? *

Katherine lowers her head, tears streaming down her face.

Eric reaches out and lifts her chin, forcing her to look at him.

ERIC
Don't listen to what others say.
Aren't we happy together? At least *
sometimes? *

Katherine pushes Eric's hand away, wipes her tears, and looks at Eric with determination.

KATHERINE (V.O.)
(signing)
Eric, what am I to you? Answer me *
for real this time. Please. *

ERIC
You are very special to me. We'll
always be together!

KATHERINE (V.O.)
(signing; shaking her *
head) *
No. I’m not. And no, we’re not. Let *
me go, please.

Eric tries to hold back his anger.

ERIC
After all these years, haven't I
done enough to you? Are you really *
that unhappy with me?! *

KATHERINE (V.O.)
(signing)
I want a divorce.

ERIC
Are you serious? *

KATHERINE (V.O.)
(signing)
Please, I'm so tired. Let me go.

Eric’s eyes blaze with anger as he grabs Katherine’s chin roughly. *

Katherine leans towards William.

Noticing this, Eric blows a gasket.

ERIC
Fine! I'll have my lawyer send you the divorce papers!

Eric exerts all his strength to say these words, then suddenly turns calm.

ERIC
I can’t wait to see how you survive without me! *

Eric glares at William before turning and walking away.

Katherine watches Eric leave, exhaling deeply. William quickly reaches out to support her as she leans into him.

99 INT. WILLIAM'S HOUSE - LIVING ROOM - DAY 99

100 INT. OFFICE - DAY 100

Eric sits at his desk, flipping through documents with irritation.

Riley approaches, cheerfully wrapping her arms around his chair and grabbing his arm.

RILEY
Eric, I heard you're actually getting a divorce! It’s because you’re ready to take my hand, right? Right?

Eric stares at Riley, takes her arms off him roughly.

RILEY
Aw, you hurt me.

ERIC
(doesn’t care)
Who told you I'm getting a divorce?

RILEY
I just know.

Eric studies Riley for a moment.

ERIC
Riley, you get along well with my mom, don’t you?

RILEY
Everyone knows I'm your girlfriend. I have to get along well with your mom, don’t I?

ERIC
Everyone?

RILEY
Yeah! You said so yourself.

ERIC
Then tell everyone. You’re no longer. Now get the hell out of my office. I have work to do.

Eric doesn't even look at her any more. She pouts and leaves. After she's gone, Eric stares at the documents a bit longer, then, he knocks them off his desk in a fit of anger.

Episode 40

102 INT. ANNIVERSARY CELEBRATION VENUE - DAY 102

The room buzzes with excitement as Louise stands confidently at the podium.. Eric and Riley sit in the audience.

LOUISE
From this day forward, I'm holding 30% of the company's shares, making me the largest shareholder and giving me the majority control over the company.

Eric stands up, a chuckle escaping him.

ERIC
I'm pretty sure that's not true, Mom.

An ASSISTANT rushes over to hand him a folder. He strides confidently to the podium.

ERIC
Actually, the largest shareholder is me, with 45%.

LOUISE
Wait, how is that even possible?!

Eric produces a document, displaying it as he speaks.

ERIC
This is Grandma's secret will. After two years of marriage, I'm entitled to 20% nominee shares she controlled. Plus the shares me and my wife Katherine already own...
(MORE)

ERIC (CONT'D)
25% as a couple. 20 plus 25 equals 45. I couldn't have possibly done such a simple math problem wrong, could I?

Louise is dumbfounded, and Riley tries to maintain composure.

LOUISE
I don't believe you, show me!

She tries to snatch the document, but Eric hands it to the lawyer standing next to him.

LAWYER
Ma'am, he's absolutely right.

The crowd GASPS.

Louise's face goes pale, and she stumbles, losing her balance.

Riley quickly rushes to her side, supporting her as she helps her back to her seat. Eric watches the two of them.

ERIC
You've been trying to control me all my life, mother. You dress it up as "family," but let's be real- you don't value family. To you, I'm just a number, a calculation of how much my shares are worth.

LOUISE
Of course I loved you as a son-

ERIC
No. You never did! I grew up watching you and father tear each other apart for control, for money. Katherine, the neighbor's daughter, a mute girl younger than me looked after me more than you ever did!

LOUISE
Eric, stop this nonsense-

ERIC
I won't, because it's the truth. You only started pretending to love me when you realized neither father nor grandmother would give you a cent, and I'd be the heir. You tried manipulating Katherine, failed, and then clung to Riley.
(MORE)

ERIC (CONT'D)
You'd do anything for control of the company.

Louise's face twists in fury.

LOUISE
You knew all along, didn't you? You've been playing me for a fool! You despicable little boy, you're just like your father! You don't deserve the company, or the wealth- I do!

You don't deserve the company, or the wealth—I do!

RILEY
Yes, ma'am.

LOUISE
(smiles sweetly)

At that moment, several police officers walk in. Louise glares at Eric as the officers move to escort her out.

RILEY *
No... No! Louise! Louise! *

Riley calls out to her as Louise is taken away, her voice filled with desperation. *

Riley gazes at Katherine's belly. Katherine, with one hand on her stomach and the other supporting herself on the ground, frantically shakes her head, tears welling in her eyes.

Riley impatiently checks the time before looking back at Katherine.

RILEY
Eric is on his way. Today, you’ll be gone from both of our lives forever!

Riley yanks Katherine up from the ground. Dizzy and disoriented, Katherine tries to steady herself.

Eric bursts in and freezes at the sight of Riley holding Katherine.

ERIC
Riley, what are you doing?

RILEY
What am I doing?! This is what it takes to get you to come see me!

Riley shoves Katherine against the railing. Startled, Eric steps forward. Seeing him move, Riley yells.

RILEY
Anything? Now you want to give me whatever I want? I want your love! And I want half of your shares. * * *

Eric, without hesitation, agrees.

ERIC
Fine! Done! The shares are yours! *

Riley, skeptical, eyes Eric.

RILEY *
What about the other part... *

Eric's silent. Riley laughs at herself. *

RILEY *
Right... That's never even on the table, is it. Fine. Prove that you'll give me your shares then. Have Leo bring the papers now. * * * *

Eric takes out his phone and dials.

ERIC
(into phone) *
Leo, Bring the share transfer template to the second floor of the abandoned factory on 5th street. No, don't ask me questions. Just do it. Now. * * * * *

Eric hangs up and slips his phone back into his pocket, his eyes never leaving Riley. * *

ERIC
Riley, calm down. Leo will be here in ten minutes. Let Katherine go first. *

Eric takes a few steps closer, reaching out to Katherine. But suddenly, Riley shoves her hard, sending Katherine over the railing. Laughing maniacally, Riley mocks Eric.

RILEY
Since you just proved you actually care about this pathetic mute... sadly, I can't let her live now.

Eric looks up, shocked.

Episode 45 *

115 INT. HOSPITAL - HALLWAY - DAY 115 *

ANDREW
It’s all Scott’s fault. He blew *
through the family’s money, and *

Eric chuckles, almost amazed at his situation too. *

ERIC
You were right. I caused her so much pain... but guess, in the end, her heart's with me even if her brain's not.

A long beat.

William sighs.

WILLIAM
As much as I hate to admit it, but, yeah... no matter how hard I try, she'll wake up the next day and forget me. You're the only one she remembers. Not by name. Not entirely. But, she *remembers* you.

Eric looks at William solemnly.

ERIC
William, I'm begging you, let her stay. I'm willing to do anything.

WILLIAM
Anything? What if I tell you to give me your company?

Eric smiles.

ERIC
Take it.

WILLIAM
Do you really mean it?

ERIC
Katherine is the most important thing to me. It took losing her for me to realize it.
