TEDDY
Mom, you're finally back!

SARAH
Son, it's been so long. I've missed you so much.

TEDDY
I thought you'd be so buried in * work that you'd forget to resurface * for your son's wedding! Dad has a conference in Europe and won't be here until tomorrow. If you didn't come either, I would be devastated.

SARAH
Work is nothing compared to my precious son. As soon as I heard about your wedding, I rushed back home. But you little rascal, you scheduled it on the same day as your grandfather's company anniversary!

TEDDY
It's the perfect opportunity for our whole family to reunite. And Grandpa built BOX with his own two hands.

It's Teddy!

Sarah shouts, but is muffled by the bridesmaids grabbing her hair.

close-up:Lucinda looks coldly at Sarah. *

TEDDY (V.O.)
What was that noise just now?

LUCINDA
Nothing, just some stray chicken squawking!

TEDDY
How could there be a chicken in your dressing room? Anyway, just go to the wedding venue in the garden and meet my mom.

Sarah struggles, muffled, as Lucinda hangs up the phone, glaring viciously at her.

LUCINDA
Drag this bitch to the wedding, and bring her things too. My mother-in-law is the CEO of BOX Group! She oversees all the group's overseas business, truly a formidable woman!

This island is famous. It's worth at least hundreds of millions!

LUCINDA
What?

close-up:Lucinda snatches the certificate. *

LUCINDA (CONT'D)
Well, well. I never thought you'd scam Teddy out of a private island!

SARAH
(weakly)
I didn't.

LUCINDA
I heard Teddy wanted to buy one. Never thought it was for you!

LAUREN
Lucinda, you're not married to Teddy yet, so you can't control what property he gives to his mistress. But if we tear up this certificate, she won't get the island!

LUCINDA
Right, you shameless woman. Don't even think about moving in!

BRIDESMAID 2
Mr. Banning must have given her this too! We thought he was generous with Lucinda, but look how lavish he is with this whore!

LAUREN
Teddy's still young after all, he must have been completely bewitched by this woman. Buying her an island and a priceless pink diamond! Daughter, smash this necklace! It's wasted on her!

LUCINDA
Are you crazy? What are you smiling about? Yes, I smashed the necklace and tore up the deed! What can you do about it?

Lucinda laughs loudly, joined by the guests pointing at Sarah. Lauren and George laugh too.

SARAH (V.O.)
(looking at everyone)
I always thought Lucinda was a kind, sensible girl. I never expected her to be so cruel and vicious. And these friends and family of hers are no better - they're greedy and ignorant, destroying what they can't have. How could Teddy be deceived by such a woman?

LUCINDA
Everyone, take a good look! This is what happens when you try to steal my man!

FEMALE GUEST 1
Exactly! Look at her - what right does she have to compete with Lucinda for a husband?

MALE GUEST 1
Serves her right!

CASSIE
(pointing at the ground)
Lucinda, there's still a photo!

A photo peeks out from the dumped bag contents. Lucinda bends to pick it up while Sarah desperately tries to stop her but is held back by the bridesmaids.

Lucinda grabs the photo showing Sarah with ANOTHER, OLDER MAN. Sarah struggles frantically to get it back.

LUCINDA
You harlot, I can’t believe you not only seduced Teddy, but other men too. If Teddy knew about this, he'd never forgive you!

SARAH
Lucinda, this is the only photo I have with my late father!

Sarah lunges for it but Bridesmaid 2 pulls her back by her hair.

FEMALE GUEST 2
This man’s way too young to be her father. Look how desperate she is - he must be her sugar daddy!

Lucinda, if you give me back this photo now, I can forgive everything that happened today.

Lauren, the guests, and bridesmaids look horrified.

GUESTS & BRIDESMAIDS
Dead...?

GEORGE
Don't panic!

George kneels down to check Sarah's breathing.

GEORGE (CONT'D)
Not dead, just unconscious.

Bridesmaid 1, Cassie, Lucinda, and Lauren all sigh in relief.

LAUREN
Don't be scared, Lucinda. Whatever happens, when Teddy and your mother-in-law arrive, they'll handle everything!

Lucinda touches her chest, calming herself.

LUCINDA
You're right, they'll definitely protect me!

LAUREN
Exactly.
(to Male Guests 1 and 2)
You two, drag her out of here. We don't want Teddy and his mother to see this mess!

Male Guests 1 and 2 drag Sarah away.

Lucinda nervously fixes her hair and clothes.

LUCINDA
Mom, my mother-in-law will be here soon. It's our first meeting - I can't look like a mess. I need to make a good impression. Plus, Teddy said she's bringing me an expensive gift!

LAUREN & GEORGE
Son-in-law, you're here!

BRIDESMAID 1
Lucinda, Mr. Banning is here. Aren't you going to say hello?

LUCINDA
No! Why should I, after the horrible thing he did?

Teddy looks uncomfortable but tries to appease Lucinda.

TEDDY
Lucinda, has my mother arrived yet?

LUCINDA
You said she'd be here at one, but she still hasn't shown up!

TEDDY
(patiently coaxing)
What's with this attitude?

LUCINDA
You know what you did!

Teddy looks confused.

GEORGE
Teddy, once you marry Lucinda, we'll be family!

Teddy nods in agreement.

GEORGE (CONT'D)
It wasn't easy raising Lucinda. You better not mistreat her!

LAUREN
That's right, Teddy. Look how sweet and smart our Lucinda is, completely devoted to you. How could that woman you're fooling around with compare to her?

TEDDY
(confused)
What... are you talking about?

LUCINDA
Teddy, are you going to make me say these shameful things out loud? Everyone knows about your mistress!

TEDDY
What mistress? I'll tell you again - I've never had a mistress! Lucinda, we flew back from abroad specially for this wedding, canceling all our business. My mother single-handedly ran my family's BOX Group while raising me. Anyone who causes trouble today crosses my bottom line!

LUCINDA
Don't use your mother as a shield! Listen, I caught your mistress! When your mother arrives, I'll definitely demand justice!

TEDDY
(shocked)
Caught her? Who did you catch?

Mr. Teddy, you've just made a mistake all men make. Just end things with that woman now. No need to hide it!

FEMALE GUEST 1
Exactly! It's all that tramp's fault. Just apologize to Lucinda - she's generous, she'll forgive you!

TEDDY
I've done nothing wrong. Why should I apologize? Didn't you say you have evidence? Let me have a look!

LUCINDA
Fine, you want to see evidence? I'll show you!

Lucinda pushes away Lauren's restraining hand, looks around, picks up the shattered pink diamond necklace, and throws it at Teddy.

LUCINDA (CONT'D)
Look for yourself - isn't this the pink diamond necklace you gave that tramp?

TEDDY
What nonsense! When did I ever buy a pink diamond necklace?

LUCINDA
You won't admit it? I-!

Lucinda picks up pieces of the deed from the ground and hands them to Teddy.

LUCINDA (CONT'D)
And this is the deed to your island. You have to admit to this! I heard you talking about buying a private island. I thought it was for me, but it was for that tramp!

TEDDY
When did I ever say I wanted to buy a private island?

TEDDY'S ASSISTANT
Mr. Banning, you had me research private islands before. Could Miss Lucinda have misunderstood that?

LUCINDA
Misunderstood? What's there to misunderstand?

TEDDY
I researched private islands because my mother wanted to buy one. I never thought about buying one myself.

LUCINDA
That's impossible! How can that be?

TEDDY
This Sri Lankan pink diamond, a deed to an island...
(expression changing from confusion to anger)
Where did you get these things?

Episode 12

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

LUCINDA
We found them on that tramp! Teddy, are you even a man? Can't you be honest? Why won't you admit it even now?

TEDDY
Enough, Lucinda. Stop this nonsense.

Teddy checks his watch.

TEDDY (CONT'D)
(to his assistant)
Why isn't my mother here yet?

LUCINDA
Yes, I'm eager for mother-in-law to arrive and help me get justice!

TEDDY
What justice? You've invented a mistress out of thin air. You don't want to get married today, do you?

GEORGE
(panicking)
Mr. Banning, please calm down. Look how many of our friends are here - this wedding must go on. Lucinda is only angry because she loves you so much!

LAUREN
Exactly! Lucinda, stop this!

Lauren pulls Lucinda aside. Lucinda looks hurt.

LAUREN (CONT'D)
(whispering to Lucinda)
Get married first, and deal with the mistress later. Don't throw away such a good husband over some woman!

FEMALE GUEST 1
Mr. Banning, it's fine if you won't admit it, but that mistress is no good!

FEMALE GUEST 2
Right! She's not just seducing you - she has other sugar daddies too!

MALE GUEST 1
The world of the rich is so messy, everyone cheating on each other!

TEDDY
How dare you all! Spreading rumors, accusing me of having a mistress! You've even made up a whole identity for her!

FEMALE GUEST 1
We're not spreading rumors. We're telling the truth. That mistress has other sugar daddies - she admitted it herself!

FEMALE GUEST 2
Yes, look - there's still a photo of her with her sugar daddy on the ground! This is her!

On the ground, photo pieces show Sarah's face torn in half, leaning against her father's shoulder.

Teddy looks down, shocked.

Episode 13

EXT. HOTEL GARDEN - DAY

Teddy picks up the torn pieces of Sarah's photo. Tears fill his eyes, his hands trembling as he holds up the photo.

TEDDY
The woman in this photo... where is she?

LUCINDA
Teddy, now you see what kind of woman she really is?

TEDDY
Where are you hiding her? Hand her over!

LUCINDA
I know you want to tear her apart right now, but no need - that loose woman, I've already taught her a lesson for you!

Teddy angrily grabs Lucinda's shoulders.

TEDDY
I'll ask you one last time - where is she?

Lucinda looks terrified.

SARAH (O.S.)
(weakly)
Teddy...

Hearing her voice, Teddy pushes Lucinda aside and follows the sound. He stops at a door, tears in his eyes.

Inside the doorway, Sarah lies on the ground, weak and tortured, struggling to move.

SARAH (CONT'D)
(weakly)
Teddy...

Outside the door, each of Teddy's steps is labored. He pushes open the door, his expression shocked.

Sarah lies on the ground, countless bruises on her legs, bleeding from her head, her face contorted in pain. She struggles to lift her head but falls back heavily.

TEDDY
(anguished)
Mother!

In the garden, Lucinda, Cassie, Lauren, and George wear shocked expressions.

Episode 14

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

GEORGE
She's Teddy's mother?

LAUREN
This... how can it be?

Lauren and George jump in agitation.

CASSIE
This is impossible - she's so young! How could she have a child Teddy's age?

Lucinda collapses to the ground in fear.

LUCINDA
(trembling)
She... she's really my mother-in-law!

Teddy helps Sarah up.

SARAH
Teddy, you finally came!

Sarah cries as Teddy grows sad and angry.

TEDDY
Get a doctor here! I want my mother to get a full checkup!

TEDDY'S ASSISTANT
Yes, sir!

The assistant and Teddy support Sarah from both sides. The assistant helps Sarah leave while Teddy turns toward the crowd.

Lucinda panics, Cassie panics, the crowd whispers in disbelief.

Teddy stands before the crowd, angrily loosening his tie.

TEDDY
Who did this?!

The bridesmaids lower their heads, trembling.

TEDDY (CONT'D)
I'm asking who did this! Who tore my mother's clothes?
(MORE)

TEDDY (CONT'D)
Who ripped up the only photo of my mother with my grandfather? Who assaulted her?!

Lucinda trembles on the ground.

TEDDY (CONT'D)
(to Male and Female Guest 1)
Was it you?

MALE & FEMALE GUEST 1
(waving hands, frightened)
No, no...

TEDDY
(to the bridesmaids)
Then was it you?

BRIDESMAIDS
No, not us...

Teddy looks at Lauren and George.

LAUREN & GEORGE
(scared)
Not us, not us.

Lucinda shakily stands up and grabs Teddy's hand. Teddy violently shakes her off and slaps her. As Lucinda reels from the blow, Teddy grabs her throat.

TEDDY
Then it must have been you!

Lucinda struggles to breathe as Teddy rages.

Episode 15 *

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

TEDDY
Lucinda, that's my mother! She gave birth to me, raised me! Why did you hit her? How many times did you hit her?

Teddy pushes Lucinda away and starts slapping her repeatedly.

TEDDY (CONT'D)
Once?! Twice?! Three times?!

Teddy counts as he strikes Lucinda, who covers her face and backs away.

TEDDY (CONT'D)
Or did you hit her so many times you lost count?!

Teddy grabs Lucinda's throat. Lucinda pulls at his hands.

LUCINDA
(crying)
Teddy, I'm sorry! I didn't know she was your mother-in-law. I only thought she was your mistress because of your Instagram post! You said she was the woman you loved most in the world!

TEDDY
She's my mother! Of course she's the woman I love most! Is that your excuse for bullying her? Lucinda, are you delusional? If she were really my mistress, would I post about her on Instagram for you to see? You blame me for not having any brains?!

GEORGE
Mr. Banning, please calm down. This is all a misunderstanding!

LAUREN
That's right!

Teddy shoves Lucinda away.

TEDDY
Misunderstanding? This isn't a misunderstanding - it's a crime! You'd better pray nothing's wrong with my mother. If anything happens to her, I'll make all of you pay!

Lauren, George, Cassie, and others show expressions of terror.

Teddy grabs Lucinda's throat again as she cries and shakes her head.

TEDDY (CONT'D)
Lucinda, if you wanted money or precious things, I could give them to you. But you should never, ever have laid a hand on my mother!

SARAH (O.S.)
Son, stop!

The door opens and Sarah, wearing an violet expensive new dress, stands in the doorway. Under everyone's gaze, she walks in with authority. *

Episode 16

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

SARAH
There's no need to dirty your hands with someone like this.

TEDDY
Mom, are you okay?

SARAH
I'm fine. My injuries have been treated.

TEDDY
Get the security footage. I want to see how these people bullied my mother!

TEDDY'S ASSISTANT
Yes, sir!

Lucinda crawls to Sarah's feet, crying and grabbing her dress, begging for forgiveness.

Sarah stands with her arms crossed, expression cold.

LUCINDA
Mother-in-law, I truly didn't know who you were. I misunderstood because of Teddy's Instagram post. Teddy always told me how you managed your family's BOX Group while raising him alone. I've always respected my mother-in-law deeply, my parents can vouch for me!

Lauren nods anxiously.

Sarah looks down at Lucinda coldly.

LUCINDA (CONT'D)
If I had known you were his mother, I would never have done these things, Mother-in-law!

Sarah stands proudly.

Episode 17

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

LAUREN
Yes, Mrs. Banning. Lucinda has always respected you. She even sees you as her role model!

Sarah smirks coldly.

LUCINDA
Mother-in-law, I'm grovelling at your feet. Please show us mercy, forgive us!

Lucinda grabs Sarah's hand to hit herself.

LUCINDA (CONT'D)
If you're still angry, hit me, hit me, hit me!

Sarah yanks her hand away.

SARAH
Don't call me mother-in-law. I couldn't possibly be your mother-in-law, Lucinda. I told you who I was right from the start - I'm not some mistress, I'm Teddy's mother. Not only did you not believe me, you made things worse! Oh, and that deed you tore up, that necklace you broke? They were meant to be gifts for you. What a shame you destroyed them with your own hands!

LUCINDA
(shocked)
What!

Episode 18

EXT. HOTEL GARDEN - DAY

Lucinda frantically picks up the torn pieces of documents from the ground, holding them in her palms.

LUCINDA
(crying)
These were meant for me!

Lucinda throws the pieces at Lauren.

LUCINDA (CONT'D)
This is all your fault! You told me to tear up the island deed, to smash the necklace - otherwise these would have been mine!

LAUREN
What? You're blaming me? You ungrateful snake! You didn't even check who she was before dragging her here, beating her, calling her a mistress. I'm your mother - of course I had to stand up for you!

Lucinda kneels and begs Sarah.

LUCINDA
Mother-in-law, I didn't mean to destroy your gifts. It was all because of my mother. If it weren't for her, I would never have done this! Mother-in-law, please... could I maybe have another gift...

SARAH
(smirking)
What? You think there's a replacement policy? You naïve, shameless girl! I thought you were gentle and well-behaved, that's why I prepared gifts. But today I've seen your true, ugly colors, and I won't be giving you anything else. These things were mine, and you destroyed them - you should compensate me! The private island is worth 200 million. The diamond is priceless, but I'll say 300 million for that. And all the previous wedding gifts Teddy arranged? Those luxury goods, cars, properties - I'm taking them all back!

Lucinda collapses to the ground in despair.

SARAH (CONT'D)
Teddy, how much were those wedding gifts?

TEDDY
100 million.

SARAH
Good, so that's about 600 million total. Which means, Lucinda, you're facing a 600 million debt!

LUCINDA
(wailing in despair)
600 million!

Episode 19

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

LUCINDA
600 million? I don't have that kind of money! Even if you sold me off, I wouldn't be worth that much!

Lucinda looks up at Teddy, crawls to his feet, and grabs his hand.

LUCINDA (CONT'D)
Teddy, Teddy, help me! I'm your fiancée!

TEDDY
Fiancée? After hurting my mother like this? You dare call yourself my fiancée? The wedding is cancelled. We're breaking up right now!

LUCINDA
Break up? We can't break up! We've been together for three years - I gave you three years of my youth! You can't be so heartless! Besides, I know you love me, right?

Teddy shakes off Lucinda, who falls to the ground.

LAUREN
Yes, Mrs. Banning, please talk some sense into Teddy!
(MORE)

LAUREN (CONT'D)
We really didn't mean it! You can't let Teddy cancel the wedding because of you!

SARAH
Of course, I can't let my son not get married because of me!

Lauren's face breaks into a smile.

SARAH (CONT'D)
But my son is so outstanding - even without Lucinda, there'll still be Mary, Lisa... Your daughter will never set foot in our house again!

Sarah takes Teddy's hand and walks away. Lauren stumbles back in shock.

Sarah and Teddy walk to the center.

SARAH (CONT'D)
I declare this wedding cancelled!

Lauren is shocked. Everyone is shocked.

Lucinda is shocked and angry.

LUCINDA
No!

Lucinda stands up.

LUCINDA (CONT'D)
The engagement can't be cancelled. You can't do this to me! I'm pregnant!

Lucinda puts her hand over her stomach.

LUCINDA (CONT'D)
It's Teddy's child!

Sarah's expression shows shock. Teddy's expression shows shock.

Episode 20

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

George claps happily, Lauren laughs.

LAUREN
Mrs. Banning, the child in her womb is innocent. You can't reject your own grandchild!

Sarah and Teddy stare at them in surprise.

GEORGE
That's right! That's Teddy's child she's carrying!

TEDDY
Impossible! How could you be pregnant with my child? I always used protection!

LUCINDA
What? Are you denying your own child now? Are condoms 100% bulletproof? * *

MALE GUEST 1
(whispering)
Is Teddy really denying his own child?

FEMALE GUEST 1
(whispering)
Lucinda was a virgin when they got together, and now he wants to break up when she's pregnant!

FEMALE GUEST 2
What will happen to Lucinda now that she's lost her virginity?

MALE GUEST 2
Rich people are truly awful. I'm going to expose their evil deeds online!

TEDDY
Enough! If you were pregnant before, why are you only telling me now?

LUCINDA
I was planning to surprise you and my mother-in-law after the wedding. How could I know you'd want to break up with me!

Lucinda walks to Teddy's side and takes his hand.

LUCINDA (CONT'D)
Teddy, for the sake of our child, for our three years together, please don't break up with me, okay?

Teddy's expression shows hesitation.

Lucinda grabs Sarah's hand.

LUCINDA (CONT'D)
Mrs. Banning, you're the child's grandmother. I know I was wrong today, I'm sorry. I could be your maid from now on if that's what it takes. I beg you, please convince Teddy not to break up with me!

Sarah pulls her hand away, but Lucinda immediately grabs it again.

LUCINDA (CONT'D)
Mother-in-law, I know my ignorance and jealousy hurt you. I'm not a good daughter-in-law, but I'll work hard to be a good wife and mother. Please give me one more chance.

SARAH
Teddy, since Lucinda's carrying your child, let's forget about today.

Lucinda reveals an evil smile.

Episode 21

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

TEDDY
Mom, after how she assaulted you today, we can't just let this go.

SARAH
But calling off the wedding now isn't good for you or the child.

TEDDY
Don't let her words scare you. She's only claiming to be pregnant - I'll call a doctor now to examine her. We'll decide after we see the results.

Teddy takes out his phone. Lucinda frantically grabs it away.

LUCINDA
No! Don't call a doctor!

TEDDY
What's wrong? Feeling guilty?
You’re lying about being pregnant?

LUCINDA
No, I really am pregnant! I have the pregnancy report - there's no need for another examination!

Lucinda takes out her phone, showing the pregnancy report.

LUCINDA (CONT’D)
Look, it shows I'm four weeks pregnant. Teddy, I'm not lying to you. How could I lie about pregnancy?

TEDDY
You’re capable of hurting my mother, I’m putting nothing past you!

LUCINDA
I really didn't know she was your mother then!

TEDDY
So it's okay to trample on other women?

LUCINDA
So you don't believe this pregnancy report?

TEDDY
No!

Teddy reaches for his phone.

TEDDY (CONT’D)
Give me back my phone. Give it back! Don't make me say it a third time, or face the consequences!

Lucinda reluctantly hands the phone to Teddy. Teddy calls the doctor.

TEDDY (CONT'D)
Hello, Dr. Winter. Please come over.

MALE GUEST 1
(pointing and whispering)
How heartless!

FEMALE GUEST 1
Exactly!

FEMALE GUEST 2
She showed him a medical report and he still doesn't believe it. He's got it coming!

TEDDY'S ASSISTANT (O.S.)
Mr. Teddy, the doctor has arrived!

The doctor walks toward Lucinda.

Lucinda looks panicked, holding her stomach, at a loss.

Episode 22

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

LUCINDA
(to herself)
It's over. The doctor's here. What could he find out?

DOCTOR
Mr. Teddy, Ms. Sarah.

SARAH
Doctor, please check if Lucinda is really pregnant.

DOCTOR
Of course! Miss Lucinda, please cooperate.

The doctor takes out his stethoscope to place on Lucinda's stomach [Using a stethoscope on a pregnant woman's belly can confirm pregnancy if the fetal heartbeat is heard].

FEMALE GUEST 1
She showed him the pregnancy report, yet he still called a doctor. Is he going to force her to get an abortion?

Lucinda steps back, resisting the examination.

LUCINDA
Teddy, the child is innocent. Don't force me to get an abortion!

TEDDY
Don't worry. I may be angry, but I'm still human. If the doctor confirms you're pregnant, I'll take responsibility!

Lauren and George smile.

LUCINDA
Really?

TEDDY
Yes.

DOCTOR
Miss Lucinda, please cooperate. *

The doctor smashed Lucinda's finger, took a drop of blood, and put it into an instrument. Sarah and Teddy look at each other nervously. * *

DOCTOR (CONT'D)
Mr. Banning, Mrs. Banning, Miss Harding is indeed pregnant.

Sarah and Teddy are shocked. Lucinda smiles triumphantly.

Episode 23

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

LAUREN & GEORGE
(laughing, clapping)
She's pregnant, she's pregnant!

LAUREN
Mrs. Banning, you heard that! Lucinda is really pregnant!

GEORGE
Yes, and this is the doctor you called yourselves! We couldn't have possibly faked this! Now you must believe us!

LAUREN
Yes, haha!

LUCINDA
Teddy, I told you I wouldn't lie to you about pregnancy!

MALE GUEST 1
Congratulations, Mr. Banning! Not only are you marrying someone as beautiful as Lucinda, but you're about to become a father!

MALE GUEST 2
Mr. Banning, we all heard you say you'd take responsibility if pregnancy was confirmed. So will the wedding proceed as planned?

TEDDY
I said I'd take responsibility for Lucinda and the child, but I never said I'd marry her. I'll compensate Lucinda and her child - they won't be short of anything.

LUCINDA
So you're going to fight me for the child? I made one mistake - can't you forgive me just this once?

TEDDY
What you did is unforgivable!

LUCINDA
Yes, you think I bullied your mother and you feel for her, but I'm carrying our child - aren't you now bullying our child's mother?

TEDDY
But...

Seeing Teddy's hesitation, Lucinda's eyes dart as she forms a plan. She kneels at Sarah's feet and repeatedly slaps herself.

LUCINDA
Mother-in-law, I shouldn't have bullied you. I'll punish myself - please forgive me!

SARAH (V.O.)
Something's not right. Lucinda was so worried before - why has she suddenly changed?

Sarah thinks, then turns to the doctor.

SARAH
Doctor, can we do a paternity test now for Lucinda's child?

Lucinda's expression shows shock and panic.

Episode 24

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

Lucinda gets up from the ground, angry.

LUCINDA
Mrs. Banning, what do you mean? Are you suggesting this child isn't Teddy's?

SARAH
I'm just being cautious.

LAUREN
Sarah, if you and Teddy don't want to take responsibility for my daughter and her child, fine, but you can't slander her!

FEMALE GUEST 2
Exactly! We've watched Lucinda grow up since she was little. We know her character! She's not that kind of woman!

FEMALE GUEST 1
I see there's not a decent person in your family. Lucinda was truly unlucky to get involved with you people!

TEDDY
Doctor, can we do a DNA test for Lucinda's child now?

DOCTOR
Not yet. It’s too early in the pregnancy. We'll need to wait at least a month for DNA testing.

TEDDY
Fine, doctor. You may leave.

MALE GUEST 2
One month... what about the wedding?

LAUREN
Teddy, I guarantee the child is yours. There's no need for DNA testing.

GEORGE
Yes, the DNA test needs a month, but the wedding is already prepared. Why not have the wedding first?

TEDDY
No. We'll wait one month!

Episode 25

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

TEDDY
After one month, we'll do a DNA test!

Sarah smiles. Lucinda looks terrified.

Lucinda grabs Teddy's hand.

LUCINDA
(feigning distress)
I've heard the mother's mood can greatly affect the baby. With you distrusting me like this, the baby might not even make it to next month - I might miscarry.

Sarah looks worried. Teddy looks angry.

TEDDY
Are you threatening me?

LUCINDA
I'm just a woman with no money or power. How could I threaten you? I'm just saying it's possible. This is my child too - I'm afraid of him getting hurt!

Sarah rolls her eyes. Teddy is furious.

TEDDY'S ASSISTANT (O.S.)
Mr. Banning!

The assistant runs to Teddy with a phone, holding it out to him.

TEDDY'S ASSISTANT (CONT'D)
Mr. Banning, we found the security footage of them bullying your mother.

Teddy watches the phone, his expression furious.

Episode 26

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

TEDDY'S ASSISTANT
This is the footage from outside the hotel room. After Lucinda and her three bridesmaids beat Mrs. Banning, they dragged her into her hotel room and abused her, then dragged her out here to bully her. According to the audio and video, Lucinda even recorded the process of assaulting Ms. Sarah in the hotel room.

Sarah looks pained.

The guests are shocked, pointing at Lucinda.

TEDDY
(furious)
I knew they hurt my mother, but I didn't know it was this bad! Where's the recording?!

Lucinda looks scared. Bridesmaids 1, 2, and Cassie look terrified, hastily backing away.

CASSIE
(panicked and scared)
We don't know about any recording! There isn't one!

TEDDY
Won't admit it? Fine! Arrest these three and call the police! Kidnapping and battery - that's seven, eight years in prison! *

Security guards grab Bridesmaids 1, 2, and Cassie. The three struggle.

CASSIE
Let us go! Let us go! We don't know anything!

The three struggle and are pushed to the ground.

CASSIE (CONT'D)
Alright, I'll talk!
(angrily pointing at Lucinda)
The video's with Lucinda. She started all of this - it has nothing to do with us! She told us to strip Mrs. Banning, told us to beat her. She even took nude videos of Mrs. Banning and posted them online! This has nothing to do with me - I don't want to go to jail!

Lucinda angrily lunges at her.

LUCINDA
Shut up! If you hadn't said Teddy was with other women, I wouldn't have misunderstood! It was you! You misled me!

CASSIE
I did not!

TEDDY
(furious)
Cassie, so you're the one who said I was keeping mistresses? Seems you're the most guilty. Guards, arrest them!

CASSIE
No, no, no! It wasn't me! It wasn't me!

Security guards move to grab Cassie. She struggles.

CASSIE (CONT'D)
Mr. Banning, I know Lucinda's secret! I can tell you Lucinda's secret!

TEDDY
Lucinda's secret?

Lucinda looks terrified.

Episode 27

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

LUCINDA
No, I don't have a secret!

CASSIE
Mr. Banning, I'm not the mastermind. If you drop the charges against me, I can tell you Lucinda's secret!

TEDDY
Dropping charges won't do, but if your secret is valuable, I could reduce your sentence.

LUCINDA
Cassie, shut up!

CASSIE
You were the one who said they were together! You were the one who tore Mrs. Banning's clothes! You were the one who hit her! Why should we go to jail? You accused me of planning all this, Lucinda - you betrayed me first! Don't think you can get away with all this just because you're pregnant!

LUCINDA
Keep talking nonsense and I'll rip you a new piehole! * *

Lucinda lunges forward, wrestling with Cassie.

Teddy signals to the security guards, who step forward to separate them.

TEDDY
Continue, Cassie.

CASSIE
Mr. Banning, the whole time Lucinda was with you, she was two-timing. She's been seeing her college classmate all along. She just couldn't let go of your money!

Teddy's expression turns angry; Lucinda looks terrified.

Episode 28

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

Lucinda shoves Cassie.

CASSIE
Mr. Banning, you don't need to wait another month. The baby in Lucinda's belly isn't yours - it's her college friend's! *

The guests whisper and discuss among themselves.

CASSIE (CONT'D)
They were planning to kill you after the baby was born, so their child could inherit your family business.

The guests look shocked. Lucinda cries, terrified.

SARAH
You even planned to harm my son!

Lucinda fearfully shakes her head. Teddy walks up and slaps Lucinda, knocking her to the ground.

TEDDY
You evil woman! Thank goodness I saw your true nature early!

Lucinda crawls to Teddy's side, sobbing and grabbing his hand.

LUCINDA
It's not like that, Teddy! She's jealous of me, jealous that I'm with you and having your baby! That's why she's slandering me!

CASSIE
No, I'm not!

Cassie frantically searches through her bag.

CASSIE (CONT'D)
Teddy, I have proof! Everything I said is true!

Cassie pulls out a phone. Lucinda tries to grab it but Cassie pushes her away, causing her to fall.

Cassie taps on the phone and holds it up, about to play recorded evidence.

Episode 29

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

From the recording:

LUCINDA (V.O.)
If I miscarry, it'll be hard to get pregnant again, so I must keep this baby!

CASSIE (V.O.)
What does the father say?

LUCINDA (V.O.)
He couldn't be happier. His child will be heir to BOX Group, one of America's top three companies. He even said if something happened to Teddy, BOX Group would be ours!

The recording ends.

Teddy looks angry and heartbroken.

Sarah walks up to Lucinda and slaps her hard.

SARAH
Lucinda, you're disgusting! But you were right about one thing - I hate vain, fickle women the most, and that's exactly what you are!

Sarah slaps Lucinda again. Teddy looks at Lucinda with disgust.

Lucinda gets up, kneels, and grabs Teddy's hand.

LUCINDA
No! No, Mother! This wretched woman is jealous of me and trying to slander me! That recording is fake - she fabricated it!

CASSIE
No! The recording is real! Every word was spoken by Lucinda herself, I swear! Mr. Teddy, believe me!

Teddy coldly shakes off Lucinda's hand. She falls to the ground.

Lucinda lunges at Cassie.

LUCINDA
Why should he believe you? I'm his fiancée! He should believe me!

TEDDY
One of you says the evidence is real, the other says it's fake. Fine then - I'll find that man and bring him here. And when I do, prison will be the least of your worries. I'll drive everyone who's been lying to me, and their whole families, out of LA!

Episode 30

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

FEMALE GUEST 1
What do their actions have to do with us?

FEMALE GUEST 2
How can he do this? They say punishment shouldn't extend to family, but now relatives are being implicated!

MALE GUEST 2
He has enough power to make it impossible for us to survive in LA? I don’t believe it!

TEDDY
If any of you want to be driven out of LA right now, I’d be happy to try. See if I can really do it.
(To his assistant)
Peter.

TEDDY'S ASSISTANT
Yes, President.

Assistant takes out his phone.

TEDDY'S ASSISTANT (CONT'D)
President's orders: Freeze all the accounts of Lucinda Harding and her family!

Male Guest 2 receives a phone call.

MALE GUEST 2
(panicked)
What... what have you people done?

Male Guest 2 answers the call.

MALE GUEST 2 (CONT'D)
Honey, what did you say? My company's bankrupt, and you've been fired? No company in LA will hire you? Even our son has been expelled from school?!

Male Guest 2 collapses in fear.

MALE GUEST 2 (CONT'D)
It's over. It's all over.

Lucinda looks terrified.

Episode 31

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

Male Guest 2 crawls on his knees to Teddy.

MALE GUEST 2
President, I was wrong. I'll never dare again. Please don't drive me out of LA. Getting involved with Lucinda's family was the worst mistake of my life! Mr. Banning, please spare me. I'll cut all ties with the Hardings immediately!

TEDDY
Everyone, I'll give you one chance. Anyone who wants to cut ties with Lucinda can leave now! But if the child in Lucinda's belly turns out to be mine, you won't see a single benefit.

Guests hurriedly run away.

GEORGE
Don't leave! My daughter’s child is definitely Teddy's!

LAUREN
Yes, what are we supposed to do now?!

Lucinda watches the departing guests, crying.

TEDDY
Lucinda, it seems your friends and relatives don't have much faith in your character.

Episode 32

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

LUCINDA
It’s not that they don’t disbelieve me, they're just afraid of your power. Teddy, you must believe me. There's no other man - you're the only one in my heart!

TEDDY
Is that so? What do you say, Cassie? If this man doesn't exist, the ones leaving LA will be you and your family!

CASSIE
I know where he is! I can tell you!

TEDDY
Bring this man here!

Lucinda panics, takes out her phone to send a message. Cassie quickly lunges forward and knocks the phone from Lucinda's hand.

CASSIE
She's trying to warn him!

Teddy steps forward and grabs Lucinda's throat.

TEDDY
Even now, you're still scheming!

Lucinda grabs Teddy's hands, struggling to breathe.

Teddy's assistant runs up to Teddy's side.

TEDDY'S ASSISTANT
(softly)
President, that man has escaped.

Teddy is shocked. Lucinda breaks into maniacal laughter.

LUCINDA
Teddy, I told you I only love you. Now there's no evidence - what can you do to me?

Lucinda stands up, arrogantly spinning in circles.

LUCINDA (CONT'D)
Whatever I've done, you have to take responsibility for me!

Teddy looks helpless. George and Lauren laugh loudly.

LAUREN
That's right! My daughter's sticking with you for life!

Sarah shows a worried expression.

TOM (O.S.)
Let's see who dares to bully my wife and son. The man Cassie mentioned has been brought here!

TOM BANNING (45s) walks in, his security guards holding LUCINDA'S LOVER behind him.

TEDDY
Dad? Why are you here?

TOM
I rushed back as soon as I finished in Europe. When I heard at the airport that something happened to your mother, I came straight here!

Tom walks to Sarah's side, holds her in his arms, and kisses her forehead.

TOM (CONT'D)
Sarah, you've suffered. I'll make those who hurt you wish they were dead!

Tom looks toward Lucinda and her lover!

Episode 33

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

CASSIE
Yes, that's him! He's Lucinda's college classmate!

LUCINDA
No! Don't listen to her nonsense. I don't know him at all!

Teddy grips Lucinda's face, turning to the lover.

TEDDY
Do you know her?

LUCINDA'S LOVER
Of course I know her. This is Lucinda, my college classmate. I even tried to date her, but she's cold as ice, she said no.

TEDDY
Sure she said no, then why is she carrying your child?

LUCINDA'S LOVER
What? My child? I haven't seen her in years. How could she be carrying my child? Bro, you must have gotten her pregnant yourself and you're trying to pin it on me.

CASSIE
Stop lying! The three of us had dinner together just last week! Mr. Banning, don't believe him. He's full of lies! I remember he said he has videos with Lucinda on his phone!

Teddy's face is furious.

CASSIE (CONT'D)
President Banning, you should make them show you the videos on their phones!

SARAH
Lucinda, you're utterly disgusting!

TEDDY
Peter, search him!

Teddy’s assistant and security guards search the lover's body.

LUCINDA’S LOVER
This is a violation of privacy! It's illegal!

An assistant pulls a phone from the lover's pocket and hands it to Teddy.

Lucinda looks terrified as Teddy watches the video, his face a mix of anger and pain.

Episode 35

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

Teddy slaps Lucinda hard, knocking her to the ground.

TEDDY
Lucinda, I was blind to fall for you!

LUCINDA
Teddy, I was wrong. I'll get rid of the baby. Let’s start over, okay? I had a moment of confusion and was deceived by this man. I truly love you. I can't live without you!

The lover kneels and crawls to Teddy's feet.

LUCINDA’S LOVER
President Banning, I was wrong. I shouldn't have slept with this woman! She seduced me!

LAUREN
How did I give birth to such a lowly girl!

GEORGE
Look at yourself! How did you raise our daughter? She's utterly despicable! Teddy, please give her one more chance.

Teddy closes his eyes, irritated and furious.

TEDDY
It's too noisy. Take them away! Call the police!

Episode 35

EXT. HOTEL, GARDEN - DAY - CONTINUOUS

Lucinda is escorted away by security guards. Lauren and George are in a panic.

TOM
Are you going to walk out on your own, or should I have my people escort you? Just so you know, I've hired the best lawyer in the country—you'll be spending the rest of your lives behind bars.

Lucinda's bridesmaids and parents scream in fear.

TEDDY
Mom, I'm so sorry. Today was supposed to be the company's anniversary celebration. You flew all this way, only to face all this.

SARAH
Son, none of this is your fault. If it weren't for all this, we wouldn't have seen Lucinda's family's true colors. Better now than after you're married.

TEDDY
Don't worry, Mom. I'll find you a thoughtful daughter-in-law someday.

SARAH
Son, I've never meddled in your relationships, nor looked down on anyone. I don't care if your future wife is pretty or plain, thin or heavy, rich or poor. I only care about her character and if she's fit to be a part of our family. And remember, if you ever dare to fool around or live a playboy life, I'll be the first to break your legs!

Sarah gives Teddy a gentle nudge.

TOM
Exactly. Just like I am—faithful and devoted to your mom!

TEDDY
Dad, Mom, I really envy your love for each other.

Sarah leans happily on Tom's shoulder.

SARAH
It's just a shame this beautiful celebration was ruined.

TEDDY
Mom, today is the anniversary of our family business. What matters most is that we're all together.

Teddy hugs Tom and Sarah. Tom, however, sneaks a pinch on a passing waitress's bottom. The waitress turns, winks at him, and he winks back.

Sarah rests her head on Tom's shoulder.

SARAH
(smiling)
Yes, we'll always be together!

Episode 36

INT. SARAH'S HOUSE, KITCHEN - DAY

SUPER: 25th Wedding Anniversary.

Sarah happily prepares lunch, plating everything carefully. She picks up her phone to send a message to Tom.

SARAH
Honey, what time are you coming home? I miss you.

On the bookshelf in the living room, there's a photo of Sarah and Tom's wedding day.

INT. SUMMER'S HOUSE, BEDROOM - DAY

SUMMER STONE (26) is leaning over Tom, kissing his neck as they both breathe heavily. Tom's phone buzzes repeatedly with incoming messages. He checks his phone and sees it's a message from Sarah.

SUMMER
Who keeps messaging you?!

Summer tries to grab Tom’s phone, but he quickly hides it under the pillow.

TOM
Just a coworker, just a coworker. Don’t get paranoid—I swear, you’re the only woman for me!

Tom flips over, pinning Summer beneath him, and they continue their passionate embrace.

Later, Tom holds a sleeping Summer in his arms. Suddenly, Summer opens her eyes, reaches under the pillow, grabs Tom’s phone, and begins scrolling through his messages with Sarah.

SUMMER (V.O.)
So, you do have another woman. Did you think I wouldn’t find out? Once I track down this homewrecker, I’ll knock out her teeth and break her legs! She’ll be humiliated in front of everyone; everyone will spit on her!

Summer glares at the sleeping Tom, then slips out of bed and heads to the kitchen. She opens a drawer, revealing a sharp knife. Summer raises it in fury.

SUMMER (V.O.)
Stealing my man... being a mistress, a mistress, a mistress... You’re dead!

INT. SARAH'S HOUSE, STUDY - DAY

Sarah is discussing work with two assistants, one male and one female.

SUMMER (O.S.)
Homewrecker, get out here!

Sarah and the assistants look at each other, confused.

EXT. STREET OUTSIDE SARAH’S HOUSE - DAY

Summer, holding up her phone to livestream, leads a group of over ten women, each carrying one of four large banners reading “Down with Homewreckers” and “Homewreckers Must Die.” They march angrily down the street, with someone in front filming the entire scene with a video camera. Among these women are WHITNEY WHITE and COCO CALLAWAY.

SUMMER
Down with homewreckers!
Homewreckers must die!

INT. SARAH'S HOUSE, STUDY - DAY

FEMALE ASSISTANT
What's that noise?

Sarah clicks on her computer to switch to the security footage, where she sees Summer yelling "Down with homewreckers" at the top of her lungs.

SUMMER
My dear viewers, everyone watching this live, I'm not streaming for myself today. I'm here to warn all those homewreckers! You're scum, trash, rats in the sewer! You deserve the harshest punishment. I will not let a single homewrecker off the hook!

SARAH
Isn't that Summer, my husband's new assistant?

Episode 37

INT. SARAH'S HOUSE, STUDY - DAY *

Sarah calls Tom on the phone.

SARAH
Honey, that new assistant you hired, Summer—has she been showing up to work lately?

TOM (V.O.)
She took some time off. Why? What's going on?

SARAH
Haven't you seen her live stream? She's…

TOM (V.O.)
A client just arrived. I'll call you back in a bit.

Sarah looks at their wedding photo.

SARAH (V.O.)
What am I thinking? My husband loves me too much to ever cheat.

MALE ASSISTANT
Do you hear that? The noise is getting closer.

From the living room window, Sarah and her assistants see Summer leading her group as they push open the gate to Sarah's property.

MALE ASSISTANT (CONT'D)
They seem to be heading this way!

Summer's group moves closer to the living room.

WOMEN IN SUMMER'S GROUP
Down with homewreckers! Down with homewreckers!

Summer walks at the front, wielding a metal rod, as she pushes open the gate. Sarah, with her two assistants, heads downstairs.

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Summer and her group enter, and Sarah stares at them in confusion.

SARAH
What are you doing? Forcing your way into my house?

Without hesitation, Summer swings the metal rod, striking Sarah's head. Sarah falls backward, collapsing onto the floor.

Episode 38

INT. SARAH'S HOUSE, LIVING ROOM - DAY - CONTINUOUS

SARAH
Who let you in here? This is my home—leave now!

Blood drips down Sarah's face. She stands weakly, supported by her two assistants, a man and a woman.

Summer steps forward, angrily slapping Sarah three times. Each slap is accompanied by a furious accusation, knocking Sarah to the ground.

SUMMER
Who let me in? Your home? Get out!

SARAH
What are you doing?!

SUMMER
Everything you have is from my boyfriend! I'm going to kill you!

Summer aggressively shoves Sarah, knocking her over, then grabs a wine bottle from the table and smashes it over Sarah's head. Sarah winces in pain.

WHITNEY
They say mistresses these days love to pretend to be wealthy women. Looks like it's true—such a luxurious house! No wonder you cling to rich men. Girls, get her!

Whitney and the women in Summer's group start throwing milk and eggs at Sarah. Nearby, a woman records everything with a video camera.

WHITNEY (CONT'D)
Afraid of being seen, are you? Let me tell you, we're live-streaming this! Thousands of people are watching!

The screen on Summer's phone shows the viewer count in her livestream increasing steadily.

Sarah, weakened, struggles to her feet.

SARAH
You must have the wrong person!

Summer slaps Sarah again.

SUMMER
The wrong person? Do you think I wouldn't recognize the woman seducing my boyfriend? You shameless woman, living this good life on his money!

SARAH
What are you talking about?

WHITNEY
Look at you, acting all dignified, yet you're nothing but a homewrecker.

COCO
So young and already living in a mansion like this—thanks to a man, no doubt! *

SARAH
Your name is Summer, right? You really have the wrong person! I'm married, and I don't know your boyfriend. Since you're clearly a victim of some misunderstanding, take your people and leave, and I won't press charges.

SUMMER
You're bold enough to be a mistress but too cowardly to admit it?

Summer slaps Sarah once more, then pulls out her phone, displaying Sarah and Tom's message history.

SUMMER (CONT'D)
Here—these are all your chats with my boyfriend. Proof of your affair!

Sarah hurriedly leans in to look at the phone.

SARAH
This can't be… Tom?

Episode 39

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Sarah clutches Summer's phone, scrolling through the chat history in disbelief.

SARAH (V.O.)
These messages were copied from Tom's phone? He saved my name as "worthless"?

SARAH
These messages are fake!

SUMMER
Still denying it? You’re shameless enough to be a homewrecker, but too cowardly to admit it?

Summer pulls a photo from her bag, showing Sarah and Tom embracing.

SUMMER (CONT’D)
Then how do you explain this?

SARAH (V.O.)
So… the "mistress" Summer is talking about is me—his wife. And her “boyfriend” is my husband. *

Summer shakes the photo furiously in Sarah’s face.

SARAH
Summer, I suggest you ask Tom who I really am to him.

SUMMER
Ask? I hate homewreckers more than anything!

Summer slaps Sarah hard, knocking her to the ground.

SUMMER (CONT’D)
All homewreckers deserve to die!

Summer crouches down, tearing Sarah’s clothes and ripping a piece of fabric.

SARAH
What are you doing?

SUMMER
You love throwing yourself at men, don’t you? Let everyone see just how desperate you are!

Three women from Summer’s group approach and begin pulling at Sarah’s clothes.

SARAH
(struggling)
No! Stop! Please, no!

Summer slaps Sarah again.

SUMMER
Now you say “no”? Why didn’t you say that when you were seducing men?

Episode 40

INT. SARAH'S HOUSE, LIVING ROOM - DAY

SARAH
Summer Stone, you’re finished!

SUMMER
Finished? You’re nothing but trash. I don’t care if I hit you!

Summer grabs Sarah by the throat, squeezing hard, slapping her face back and forth.

SUMMER (CONT’D)
You dare to seduce my man? You still want him, huh? Well, do you?!

SARAH
You’d better find out who’s really involved with whom!

Summer signals to the woman holding a phone, who aims it at Sarah’s face. Summer grabs Sarah’s hair, forcing her in front of the camera.

SUMMER
Look into the camera! You can do it, but you won’t admit it?

SARAH
This is your last warning—take these people and leave, or I’ll call the police!

Summer laughs maniacally.

SUMMER
You, threatening me? Living off my man’s money, and now you’re trying to act bold?

Summer slams Sarah’s head to the ground, then stands up, looking around.

SUMMER (CONT’D)
Looks like you’re living well—too bad I caught you!

Summer picks up a perfume bottle from the table, sneering as she unscrews the cap and smells it.

SARAH
Stop! That's a rare perfume I brought back from France!

SUMMER
Smells nice… but a homewrecker like you doesn't deserve it!

Summer throws the perfume into the trash, then grabs an expensive bottle of wine.

SARAH
Put that down! That's from the Lafite vineyard—it's worth millions!

SUMMER
Something that good, and I've never had it? You little… living off someone else's money to indulge yourself!

Summer lifts the bottle high and smashes it on the floor, red wine splattering everywhere.

SARAH
You've gone too far!

SUMMER
Too far? When you stole my man, when you played around behind my back—did you think about how far you were going?

Summer grabs Sarah by the collar, forcing her to kneel.

SUMMER (CONT'D)
Why couldn't you just live decently? Had to be a mistress? Since no one taught you, I'll teach you!

Summer throws Sarah to the ground again. Sarah, covered in blood, shows a pained expression.

SUMMER (CONT'D)
This is the price you pay for your immorality, for stealing someone else's boyfriend!

Sarah looks at her blood-stained hands.

SARAH
You'll pay for this!

SUMMER
Payback? I am your payback!
Restrain her!

Two people grab Sarah's arms as Summer pulls something from her pocket.

Episode 41

INT. SARAH'S HOUSE, LIVING ROOM - DAY

SARAH
What are you planning to do?

SUMMER
I'm going to make you feel the consequences of being a homewrecker!

Summer pulls out a pen and writes "worthless" on Sarah's face.

SUMMER (CONT'D)
I'll peel off that layer of shame from you! Get the camera closer!

The people with the phone and camera move in, capturing every detail as Summer begins tearing at Sarah's clothes.

SARAH
You're all insane! This is a crime!

White holds Sarah down by her neck, slamming her head repeatedly against the floor.

WHITNEY
Bow down to the real girlfriend!

SARAH
You're all insane! This is illegal!

SUMMER
And you, a mistress, think you can lecture me?

Sarah breaks free from Whitney and Coco, collapsing in exhaustion on the floor.

SARAH (V.O.)
Tom was just a poor kid from a remote town trying to make it in LA. If it weren't for marrying me, he'd never have become a general manager. And with his poor management, the branch company is nearly bankrupt. I never imagined he'd secretly be keeping a mistress, acting so innocent and gentle in front of me.

Sarah wipes tears from her face.

SARAH
I hope you've enjoyed destroying my home, because you'll pay dearly for it.

SUMMER
(laughing hysterically)
You think you can make me pay? Do you even know how powerful my boyfriend is?

SARAH
I'd love to see just how "powerful" he really is.

Episode 42

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Summer picks up her bag from the floor and takes out her phone, calling Tom.

SUMMER
Baby, I trashed some woman's house today. She's demanding I pay for the damages. You're not worried, are you?

INT. TOM'S OFFICE - DAY

Tom is on the phone in his office.

TOM
Do whatever makes you happy. That amount of money means nothing to me!

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Suddenly, Sarah lunges forward, shouting into the phone.

SARAH
You'd better get home and tell her who the real mistress is!

But Summer has already hung up. She slaps Sarah hard, knocking her to the floor.

SUMMER
Trying to worm your way in? I won't give you another chance!

Episode 43

INT. SARAH'S HOUSE, LIVING ROOM - DAY

One of the women in Summer's group sneers.

WOMAN *
Did you really think I'd care about these fake luxuries? *

Summer lets out an enraged scream and slaps Sarah hard, then crouches down, jabbing her finger into Sarah's chest and shoulder.

SUMMER
Besides, all these things were bought with my boyfriend's money!

WHITNEY
Are you enjoying this, viewers? This gold-digging mistress who sold her body for wealth dares to act like she's rich, hoarding all this wine and antiques!

SUMMER
Money-hungry parasite! Living off others—you're the kind of person society needs to purge!

SARAH
I swear, you'll all regret this!

SUMMER
Looking at this house disgusts me. I'm going to destroy everything here!

SARAH
What are you planning?

SUMMER
Plan? If God won't punish you, I will—for being a mistress!

INT. SARAH'S HOUSE, BEDROOM - DAY

Summer leads her group into Sarah's bedroom, searching around. She opens the closet and angrily throws Sarah's luxurious clothes to the floor, stomping on them. Coco tears up Sarah's bedsheets. White rummages through the drawers, throwing items everywhere, until she finds a box with a pearl necklace and quickly pulls it out.

Summer notices the jewelry box, seething with anger.

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Summer walks back to Sarah, holding up the jewelry box and shaking it in her face.

SARAH
Don't touch that!

SUMMER
What's wrong? Not feeling so bold now? Finally afraid?

SARAH
You can do whatever you want, but don't touch my most important things. That's my line!

Sarah lunges at Summer, trying to grab the jewelry box back.

SARAH (CONT'D)
Give it back to me!

Summer dodges, and Sarah falls to the floor.

Episode 44

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Summer opens the box and pulls out the pearl necklace.

WOMAN IN SUMMER'S GROUP
It's just a pearl necklace. Nothing special.

SARAH
That was my mother’s keepsake. Give it back!

Sarah lunges at Summer, but Coco and White grab her arms, holding her back as she struggles. Summer laughs maniacally, clutching the pearl necklace. With a cruel smile, she pulls on it forcefully, snapping it apart. The pearls scatter across the floor.

Sarah drops to her knees, crying as she desperately picks up each pearl, one by one. She drifts into a memory.

FLASHBACK

INT. HOSPITAL, ROOM - DAY (FLASHBACK)

Sarah’s mother, in a hospital gown, gently fastens the pearl necklace around Sarah’s neck. The steady beeping of the heart monitor echoes softly in the room. Suddenly, the monitor flatlines, and Sarah’s mother takes her last breath. Sarah, overwhelmed, clutches her mother’s hand, sobbing.

SARAH
Mom! Mom! Mom!

END FLASHBACK

Episode 45

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Sarah, lying on the floor, sobs as she carefully picks up each pearl from her mother’s broken necklace. Summer laughs wickedly.

WOMAN IN SUMMER'S GROUP
Everyone, look! She’s actually crying! Hahaha!

COCO
Didn’t think about this day when you shamelessly became a mistress, did you? Now get down and apologize to Summer!

Cut to the livestream screen, where countless viewers flood the chat with insults and hateful comments: (“This homewrecker deserves it!” “Watching this scum get beaten up feels so good!” “I hope Summer teaches her a lesson she’ll never forget!”)

Coco strikes a proud pose for the livestream audience, pointing at Sarah.

COCO (CONT'D)
See this, everyone? This is what happens to homewreckers. With Summer's Alliance, there's no mistress we can't punish!

Summer laughs, stomping on the scattered pearls from Sarah's mother's necklace.

SARAH
Try stepping on them one more time!

SUMMER
Oh, I'll do more than that! I'll crush your pride into the ground, too. What are you gonna do about it?

Sarah stands up and slaps Summer hard across the face. She swiftly grabs her phone from the coffee table and dials.

SARAH
There are intruders in my home, destroying personal property worth millions. I want them arrested and thrown in jail for good!

Episode 46

INT. SARAH'S HOUSE, LIVING ROOM - DAY

The butler enters with several household staff members.

BUTLER
What on earth are you all doing?

SUMMER
What are we doing? We're punishing a homewrecker, cleaning up society! *

BUTLER
Did you all skip school? Inciting a mob, do you realize the severity of your offense? *

SARAH
Many of the items you've damaged here are family heirlooms, passed down for generations.
(MORE)

SARAH (CONT'D)
I can't estimate the exact value, but it's at least tens of millions of dollars. Butler, call my lawyer and bring in a financial assessor. I want every cent compensated—and these people jailed!

BUTLER
Yes, ma'am!

SUMMER
You don't scare me. These are my boyfriend's things; I'll smash whatever I like!

COCO
Exactly. These are all Summer's boyfriend's belongings. We're just helping her clear out the trash!

SARAH
Oh? And do you have any proof that these are your boyfriend's belongings?

SUMMER
Proof? Our love is proof! He loves me! And I'll have him come here right now!

Summer dials Tom's number, but the automated response says his phone is off. Summer's face twists in confusion.

SARAH
Can't reach him?

Sarah raises her own phone to her ear, speaking coldly.

SARAH (CONT'D)
Get back here! Someone trashed the house, and the damage is in the millions!

Episode 47

INT. SARAH'S HOUSE, LIVING ROOM - DAY

SUMMER
Oh, so you still know how to call for backup?

BUTLER
Enough, all of you!

SUMMER
Calling for help won’t change anything. You’re all trash!

COCO
No matter who you call, you’re still just a lowly homewrecker!

WHITE
With thousands watching your disgrace, do you really think anyone will save you?

COCO
We’re being generous by not stripping you and throwing you out into the street!

SARAH
So, you all believe you’re the righteous ones here?

SUMMER
Of course!

SARAH
How long have you been with him?

SUMMER
Five years, three months, and nine days!

SARAH
That long? He must really love you, then?

SUMMER
Of course! He told me himself he’d marry me. He said you were just a fling! If I wanted to, I could break you, and he’d just stand by my side, cheering me on!

MONTAGE:

a. Tom steps out of a luxury car, standing at the entrance to Sarah’s grand estate, closing the car door.

b. Tom adjusts his suit jacket.

c. Tom walks through the estate’s front yard, heading towards the living room.

Episode 48

INT. SARAH'S HOUSE, LIVING ROOM - DAY

SARAH (V.O.)
What are you planning to do now?

SUMMER (V.O.)
Teach you, this worthless woman, a lesson!

Summer flips over the coffee table.

TOM (O.S.)
Let’s see who’s bold enough to trash my home!

Tom enters, his expression shifting instantly to tension and fear. Sarah stares at him, her eyes filled with angry tears.

TOM (CONT’D)
(to Summer)
What did you do?

SUMMER
What did I do? I gave this mistress a good punishment! If I didn’t have my sources, I’d never have known you kept a whole other house for her!

TOM
You did all this?

SUMMER
What’s wrong? My followers saw everything. This mistress is arrogant, shameless, and she dared to treat me poorly! You’d better stand up for me today, or I’ll never forgive you!

Summer throws herself into Tom’s arms, clinging to him and whining, while Tom trembles, fearfully glancing at Sarah.

SARAH
Tom, my “perfect” husband. If it weren’t for today, I’d never have realized that our decades of marriage have been nothing but a joke.

Summer stares at Sarah, stunned.

SARAH (CONT'D)
So, you're Miss Summer's boyfriend?

Episode 49

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Summer clings to Tom's hand, acting coy.

SUMMER
That's right, now you see. This is my boyfriend.

Tom's lips tremble in shock.

SUMMER (CONT'D)
(pushing Tom playfully)
Say something! Don't tell me you're still going to defend this bitch!

SARAH
(tearfully)
Speak!

TOM
(trembling, frightened)
What's going on?

SUMMER
What do you mean, what's going on? I found your chat history with this slut on your phone!

TOM
These are all your fans?

SUMMER
That's right!

Sarah can no longer hold back her tears. They fall as she slips into a memory.

FLASHBACK

INT. BOX GROUP, MAIN OFFICE - DAY (FLASHBACK)

A younger Sarah and Tom stand in the company's common office area, waiting to start their jobs. Both hold documents as they walk, one behind the other.

SARAH (V.O.)
Dad's company is just like him - extremely old-fashioned. There's nothing here!

TOM (V.O.)
Sarah’s the heiress of BOX Group, the best company in the country. She's always so low-key at school, never showing up for anything besides classes. I can't believe I've run into her here! I must seize this opportunity!

Tom deliberately slows his pace. Sarah bumps into Tom's back.

TOM
I'm sorry, I'm sorry.

SARAH
It's okay. I wasn't paying attention and bumped into you.

A SERIES OF SHOTS...

INT. BOX GROUP, MAIN OFFICE - DAY/NIGHT (FLASHBACK, MONTAGE)

A) Sarah is working at her desk. Tom places a bag of bread on her desk. Sarah looks up, confused.

TOM
An apology for bumping into you this morning.

Tom pretends to be shy as he returns to his own workstation (diagonally across from Sarah's). Sarah opens the bag to find beautifully packaged bread. She looks up to see Tom chewing on a cheap piece of bread. Sarah smiles.

B) Sarah stretches. The office around her is dark, with only her desk lamp still on. Sarah notices all her colleagues have left, except for Tom, who's still diligently working across from her. She smiles appreciatively. * *

Episode 50 *

INT. BAR - NIGHT (FLASHBACK)

Sarah, drunk, slumps over the coffee table.

SARAH
My parents insist on sending me to Europe. I don't want to go! Why, from childhood until now, does my life have to be according to their plan? Can't I have a life of my own?

She reaches for her drink to continue, but Tom gently takes the glass away.

TOM
Sarah, stop drinking. That's enough.

Sarah reaches to grab her glass back, but in her drunken state, she accidentally spills a bit on Tom.

SARAH
I'm so sorry.

Sarah quickly grabs a napkin and starts to wipe the stain off Tom's shirt.

TOM
It's okay. I'll take care of it.

INT. BAR, HALLWAY - NIGHT (FLASHBACK)

Tom hands a wad of cash to three thugs, who take the money and glance in Sarah's direction with sinister smiles.

INT. BAR - NIGHT (FLASHBACK)

Sarah, now lying on the sofa, is still intoxicated. The thugs approach her, one of them reaching out to touch her face. She stirs, waking up and curling up in fear.

SARAH
What do you want?

THUG LEADER
Hey, gorgeous. Drinking alone? How about some company?

The thugs laugh as the leader leans in, attempting to pull at Sarah's clothes. Just then, Tom appears and grabs the thug's hand, shoving him away. He kicks the thug to the ground and then fights off the other two, knocking them both down.

TOM
Get out of here!

The thugs scramble away in fear. Tom stands, showing his “heroic” side, pretending to look at Sarah with deep concern. Sarah gazes at him, grateful.

Tom rushes to Sarah’s side, taking her hand tenderly.

TOM (CONT’D)
It’s okay now. I’m here.

Sarah, overcome with emotion, breaks down and falls into Tom’s arms, crying. *

INT. SARAH'S HOUSE, LIVING ROOM - DAY *

Sarah stands by the sofa, tears streaming down her face.

SARAH
Twenty-five years of marriage, twenty-five years of trust. Tom, I waited for you for twenty-five years, only to be repaid with your betrayal and this endless humiliation from her?

Tom’s lips tremble with fear, his gaze fixed on the floor. He starts to kneel to apologize, but Summer grabs his arm, stopping him.

SUMMER
What are you doing? Why aren’t you punishing this worthless woman? Aren’t you afraid she’ll ruin our family? Or do you think that just because I love you, I’ll forgive you no matter what you do?

Episode 51 *

INT. SARAH'S HOUSE, LIVING ROOM - DAY

SARAH
Didn’t you hear me? Tell her why I’m supposedly the mistress. Go on, say it!

SUMMER
Yeah, tell me!

TOM
(to Summer)
Take your fans outside. I’ll handle this.

Reluctantly, Summer leads her followers outside. Once Tom is certain she's gone, he quickly moves to sit on the sofa across from Sarah.

SARAH
Twenty-five years of marriage. I supported you at work, helped build your career, and now, somehow, I'm just a mistress?

TOM
No, no, honey. You're my only wife.

SARAH
Then what's this whole thing with Summer?

TOM
Well… she… this whole situation is actually part of a promotional campaign, something to raise our branch's profile. Summer's a bit… erratic, and I've been so busy I didn't get to review the plan, so this misunderstanding happened.

SARAH
(tears up but laughs bitterly at the lie)
A promotional campaign? You're telling me these people stormed into my home, assaulted me, and destroyed my belongings, and it's all part of a campaign?

TOM
It really is! It's my fault for not reviewing it in time. They thought it was approved, and that's why you ended up being hurt. I'm so sorry you went through this, honey.

Episode 52 *

INT. SARAH'S HOUSE, LIVING ROOM - DAY - CONTINUOUS *

TOM
It's all that crazy Summer's fault! But, honey, please… for my sake, for the sake of my career that's just taking off, can we keep this quiet?

SARAH
And what do you plan to do about Summer?

TOM
I'll handle her myself. I'll make sure she gets what she deserves. Just trust me this one time, please.

SARAH
Of course, I trust you.

SARAH (V.O.)
Is this really as simple as Tom having an affair with Summer? Something about all this still feels off…

TOM
Good, good. Now, can you use your connections to suppress the negative news going around?

SARAH
(shocked)
I was assaulted, and you want me to take care of the fallout myself?

Episode 53 *

INT. SARAH'S HOUSE, LIVING ROOM - DAY - CONTINUOUS

TOM
We're husband and wife, a team. You're a understanding woman—helping me means helping yourself!

SARAH
Something's gone wrong, and you want me, the victim to handle it?

TOM
Honey, please. Do it for me! My career is just taking off, and you don't want our branch to go bankrupt, do you?

SARAH
Your branch? If it went under, I could still open ten, a hundred more. But the damage these people did to me is something I can never undo.

Tom pretends to cry. He clutches Sarah's hand and humbly kisses it.

TOM
Honey, you're the only one I love. I'm begging you—I can't lose my career!

SARAH
(sighs)
I'll handle the press. You take care of Summer.

Sarah picks up her phone and places it to her ear.

SARAH (CONT'D)
Tell the media to kill the story.

TOM
Thank you, honey! I knew you'd see the bigger picture.

SARAH (V.O.)
The bigger picture? I once thought loyalty was the reward for my devotion. Now, I just want to tear off that mask of yours.

Suddenly, Summer bursts in from outside, furious.

SUMMER
You shameless tramp! Don't think you can rope my husband into your mess or play the victim!

TOM
(turning to Sarah)
Don't worry, honey. I'll handle it.

Tom pats Sarah's hand reassuringly, then hurries to Summer, pulling her out of the room.

INT. SARAH'S HOUSE, HALLWAY - DAY

SUMMER
What the hell? I'm going to kill that mistress!

Tom drops to his knees in front of her.

SUMMER (CONT'D)
(confused)
What are you doing? Why are you on your knees?

Sarah watches Tom from the other end of the hallway, spying on him secretly.

Episode 54 *

INT. SARAH'S HOUSE, HALLWAY - DAY - CONTINUOUS

Tom stands in the hallway, distressed.

TOM
This whole thing is my fault, but you didn't have to make such a scene today!

SUMMER
You know exactly how much I love you! I even had an abortion for you. When we got together, I was still a virgin! I gave you the best of everything I had!

TOM
Just don't make this any worse, and I'll do whatever you want!

SUMMER
No way. I'm not going to let that woman get away with destroying someone else's family!

Summer starts to storm off toward Sarah to confront her. Tom drops to his knees, clutching Summer's hand with one hand while slapping himself with the other.

TOM
It's my fault. It's all my fault. I was shameless!

Summer pulls her hand away, ready to leave, but Tom grabs a decorative golden box from the hallway and smashes it against his own head, crying out in pain.

SUMMER
What are you doing? Stop hitting yourself!

Summer's anger softens as she gently touches Tom's face, concerned.

TOM
Everything I've done, I did it so I could be worthy of you.
(MORE)

TOM (CONT'D)
You're a popular influencer with so many fans chasing after you online. No gift I give you could ever compare to all those admirers. Our company just landed a big project, but we're still in the trial phase. If anything goes wrong now, I'm finished!

Sarah, hiding just behind the doorway, peeks out, glaring at Tom and Summer with fury.

SARAH (V.O.)
So, this is how you solve your problems? A wife at home, a mistress on the side. Back when I loved you, I did whatever you said. Now that I don't, you're nothing to me!

TOM
(to Summer)
Please, just let it go. She's just a regular employee in my office who wouldn't stop seducing me. I lost control just once. I swear I'll get rid of her as soon as possible!

Sarah leans against the wall in the hallway, anger written all over her face.

SARAH (V.O.)
"Wouldn't stop seducing?" Tom, remember this: that woman who supposedly chased after you will be the one to drag you straight into hell!

TOM
Forgive me this one time. I swear, you're the only one I love!

SUMMER
Fine. But remember, I'm not forgiving you for you—I'm only doing it to protect you from getting hurt.

TOM
Then let me take you with me to apologize to her.

SUMMER
Apologize? You actually want me to apologize to that tramp?!

INT. SARAH'S HOUSE, LIVING ROOM - DAY

Sarah sits on the sofa as Tom enters with Summer. Tom gives Summer a look, signaling her to apologize.

SUMMER
(reluctantly)
I’m sorry.
(lowers her voice)
But this isn’t over...

Tom stares at Summer in shock.

SARAH
This is your idea of an apology?

TOM
She’s just a young girl. She made a mistake; it wasn’t intentional. Let’s just call it even—this was all just a misunderstanding. There’s no need to make a big deal out of it.

Sarah laughs coldly, rising from the sofa. She casually walks to the coffee table, then suddenly raises her hand and slaps Summer hard.

SARAH
Now that’s an apology!

Sarah strikes Summer again, knocking her to the floor as Summer cries out in pain. Tom closes his eyes, visibly distressed.

SARAH (CONT’D)
That’s an apology!

Sarah picks up a bottle of red wine from the table and smashes it over Summer’s head, making her scream in pain.

SARAH (CONT’D)
That’s an apology!

Pointing at Summer, Sarah seethes.

SARAH (CONT’D)
I want you to pay for every piece of this mess on the floor.

SARAH (V.O.)
You think an apology will satisfy me? I won’t accept it. You’re going to repay me a hundred times over. I’ll show you the wrath of a betrayed wife!

Tom steps forward, supporting Sarah and trying to stop her from hitting Summer further.

TOM
Alright, alright, Sarah. That's enough. Let it go.

Sarah sits back down on the sofa with a triumphant air, as Tom helps Summer to her feet and leads her out.

Episode 56 *

INT. SUMMER'S HOUSE, BEDROOM - NIGHT *

Summer lies in bed, wearing a revealing nightgown. Tom tries to get close, but Summer pushes him away.

TOM
Honey, come on. Let me kiss you.

SUMMER
No! What's so great about that old woman that you had to cheat?

TOM
I swear, it was just a mistake. It won't happen again! Don't you know you're the only one I truly love?

Tom pulls Summer close, pinning her beneath him.

SUMMER
Alright, I'll forgive you this time. But if it happens again, you'll pay for it!

Summer's hand slides up Tom's shoulder as the camera pans down to show clothes falling to the floor, indicating the passage of time.

Later, Tom lies asleep, holding Summer. Summer suddenly opens her eyes, carefully reaches over Tom to grab her phone, and checks it. She finds a message from Sarah on Tom's phone: "Tomorrow I'm going to the high school reunion. The address is XXX."

SUMMER (V.O.)
So she went to that high school too... Tomorrow, I'll make sure that woman gets what's coming to her!

Episode 57 *

INT. HOTEL, LOBBY - DAY

In the center of the lobby, a large banner reads “High School Reunion of XX”. The table is loaded with various foods. Two classmates, FEMALE CLASSMATE 1 and MALE CLASSMATE 1, stand shoulder-to-shoulder with champagne glasses in hand, while FEMALE CLASSMATE 2 stands across from them.[Women wear expensive dresses, men wear suits.] *

FEMALE CLASSMATE 1
Did you guys see that livestream yesterday? The wife caught the mistress!

FEMALE CLASSMATE 2
Oh, I saw it! But can you believe that guy? He even bought the mistress a luxury house! A top-tier villa!

FEMALE CLASSMATE 1
No wonder the wife hates the mistress so much. Imagine living off someone else’s husband and still acting all high and mighty! At least my husband’s loyal. He’d never go for some random woman.

As music plays, Sarah(Gorgeous, dazzling gowns.) enters the lobby in an elegant evening gown, drawing everyone’s attention and admiration. *

FEMALE CLASSMATE 1 and FEMALE CLASSMATE 2 rush over to greet her.

FEMALE CLASSMATE 1 (CONT’D)
Sarah! You never come to these reunions. What brings you here this time?

FEMALE CLASSMATE 2
Right? We usually only see your vacation posts on Instagram. The hotels you stay in are so luxurious—must be where the ultra-wealthy go, right?

Sarah smiles politely.

FEMALE CLASSMATE 1
Come, sit with us, Sarah!

FEMALE CLASSMATE 2 quickly grabs a chair for Sarah, pulling it out for her.

FEMALE CLASSMATE 1 (CONT'D)
You know, weren't you kind of struggling back in high school? You'd disappear right after class and rarely had new clothes.

FEMALE CLASSMATE 2
Yeah, but look at you now—all polished and successful. Did you marry into wealth?

SARAH
(awkward)
Actually, my family was always well-off. I built my company after graduating.

FEMALE CLASSMATE 2
(turning cold)
Oh, I see. So you're a CEO now? Good for you—us women should be self-made!

FEMALE CLASSMATE 1
Exactly, a woman in charge! Let me pour you a drink. We'll be counting on you for future projects!

FEMALE CLASSMATE 1 pours a drink for Sarah, and they all raise their glasses.

SUMMER (O.S.)
Being a rich man's mistress really does get you special treatment, huh?

Everyone turns to see Summer, dressed to the nines, approaching Sarah with hostility.

Episode 58 *

INT. HOTEL, LOBBY - DAY

The crowd murmurs, pointing at Sarah, who remains calm and composed in her seat.

FEMALE CLASSMATE 1
You're saying Sarah is the mistress?

FEMALE CLASSMATE 2
No way!

Summer strides to the table and sits down confidently.

SUMMER
Well, well, if it isn't my nemesis. Fancy running into you here.

FEMALE CLASSMATE 1
Are you seriously saying Sarah is a mistress? That's ridiculous!

FEMALE CLASSMATE 2
Exactly! Look at Sarah's outfit, her grace—clearly, she's upper class socialite.

SUMMER
"upper class" is overrated. These days, there are so many socialites-in-training willing to spend big on courses, all to climb the social ladder by landing a wealthy man. Isn't that right, Sarah?

FEMALE CLASSMATE 1
You shouldn't throw accusations around. A woman's reputation is everything!

FEMALE CLASSMATE 2
Exactly. We're all married here, so don't make baseless accusations!

SUMMER
Oh, I'm not making this up—I have proof! (to Sarah) You think deleting the video online means it's gone forever? There's so many path you could chose, you chose to come here. Let's see if you can keep pretending to be a "socialite" after this! *

Summer pulls out her phone and plays the video showing Sarah being assaulted.

SUMMER (CONT'D)
Here's the proof that she's the mistress!

Episode 59 *

INT. HOTEL, LOBBY - DAY

FEMALE CLASSMATE 1 and FEMALE CLASSMATE 2 look at Sarah with disgust.

FEMALE CLASSMATE 1
Sarah, I never expected this from you! And to think we were just drinking together—how revolting!

FEMALE CLASSMATE 2
No wonder you're so wealthy, decked out in designer clothes. Guess it's all thanks to Summer's husband's money.

SARAH
You believe everything she says?

FEMALE CLASSMATE 2
The evidence is right in front of us! Why wouldn't we believe it? It's one thing to admire power, but selling yourself for money? That's disgraceful.

FEMALE CLASSMATE 1
Exactly! We thought you were self-made, but you're just a... a prostitute! Don't sit with us. It's disgusting!

SARAH
Have you even considered that I'm the rightful wife, and that she—(points at Summer)—is the mistress?

Summer bursts into laughter, mocking Sarah.

SUMMER
Me? A mistress? How could I be a mistress? My husband loves me—he's rich and young! Sarah, my husband is your sugar daddy Maybe you should call me "Mommy" instead?

SARAH
Since you keep bragging about how rich and adored you are, then you must have plenty of money, right? How about you pay for this meal?

INT. HOTEL, LOBBY - DAY

FEMALE CLASSMATE 1
Yes, yes! Since Summer is so wealthy, let's see what the high life is really like!

FEMALE CLASSMATE 2
This place is the most luxurious hotel around. Normally, I'd never splurge on a single bite here. But with Summer, the rich wife, footing the bill, I'll make sure to eat my fill!

Summer looks uncomfortable, clearly at a loss.

SARAH
What's the matter? Having second thoughts? Never been to a place like this? Guess it means either your husband is broke or he doesn't care enough to bring you here!

SUMMER
What are you talking about? I'll pay for this meal!

FEMALE CLASSMATE 1
Wow, Summer, you're so generous! Not like Sarah, who's just a lowly mistress.

Sarah remains unfazed, quietly observing the scene. A WAITER arrives with a menu and hands it to Summer. Summer opens it, her eyes widening in shock at the French menu.

SARAH
What's wrong? Can't read French? Don't know how to order?

SUMMER
Who says I can't?

Summer randomly points to items on the menu.

SUMMER (CONT'D)
I'll have this, this, and that!

SARAH
(laughs, covering her mouth)
Those are all sauces! Do you want us to eat sauce?

SUMMER
I have servants to handle these things. I don't usually need to order for myself!

FEMALE CLASSMATE 1 & FEMALE CLASSMATE 2
Of course!

SUMMER
You order it yourself, then!

Sarah'S FATHER'S ASSISTANT steps in, tapping a few items on the menu.

ASSISTANT
Please bring a full set of these dishes for each guest here.

Sarah looks at Summer with a satisfied smile as Summer grows increasingly nervous.

Episode 61 *

INT. HOTEL, LOBBY - DAY

SUMMER
What did you just order?!

FEMALE CLASSMATE 1
Did I hear right? Summer, you're so generous, ordering a full set for each of us!

FEMALE CLASSMATE 2
Yes! Eating here is a rare treat for me.

SARAH
No problem. We're lucky to have a wealthy lady like Summer, right?

Summer is visibly scared but puts on a brave face, trying to act composed. She takes a sip from her wine glass but quickly grimaces in disgust.

SUMMER
(disgusted)
Ugh, this wine tastes awful.

SARAH
Oh? You find such a fine wine unpleasant?

SUMMER
Yes, it's terrible! So what?

Summer empties her wine onto the floor, glaring defiantly at Sarah.

SARAH
(clapping)
Ah, what luxury! To throw away a million-dollar bottle without a second thought!

SUMMER
(shocked)
A... a million? Why would you order something so expensive?!

SARAH
You told me to order, didn't you, my dear "lady of luxury"?

Summer looks distraught and fearful.

SUMMER
What else did you order?

SARAH
Oh, nothing much. Just some Australian lobster, top-tier caviar, and black truffles. These are merely the basics—certainly not fitting of your status, right? Don't you all agree?

FEMALE CLASSMATE 1 & FEMALE CLASSMATE 2
Absolutely!

SARAH
What's wrong, Summer? Don't tell me you can't pay?

SUMMER
Nonsense! Of course, I can pay!

A WAITER hands over the bill.

WAITER
Your total comes to 8.5 million.

Summer is stunned.

INT. HOTEL, LOBBY - DAY

SUMMER
Eight and a half million?! There must be some mistake!

WAITER
No mistake, ma'am. All prices are clearly listed.

SUMMER
(crying)
How can it be this expensive? What's on here that costs so much?

WAITER
Miss, you're not trying to dine and dash, are you?

SARAH
Summer, are you unable to pay?

FEMALE CLASSMATE 1
Yes, Summer, don't tell me you don't have the money?

SUMMER
(to Sarah)
This is all your fault! If you hadn't ordered so extravagantly, it wouldn't cost this much!

SARAH
(to WAITER)
At Starlight Hotel, what happens if someone refuses to pay?

WAITER
Our CEO has strong ties with LA's underworld. Anyone daring to dine and dash here would regret it for life.

SUMMER
(crying)
How dare you! I'll call my husband; he'll get me the money!

SARAH (V.O.)
Oh, I'd love to see where Tom is planning to get the money for you... without my help.

INT. HOTEL, HALLWAY - DAY

Summer makes a call.

SUMMER
Hello, honey? I'm at the Starlight Hotel. Can you send me a bit of money?

INTERCUT WITH:

INT. BOX GROUP, TOM'S OFFICE - DAY

TOM
How much?

SUMMER
Eight and a half million.

TOM
What?! What did you do to need that much?

SUMMER
Just treating some high school classmates to a meal!

TOM
I don't have that kind of cash right now! You're asking for too much all at once.

SUMMER
Honey, aren't you rich? I promise I'll do whatever you want if you help me out this time!

TOM
I'll try to figure something out.

INT. HOTEL, LOBBY - DAY

Summer sits back down confidently.

SUMMER
Eat, drink, enjoy yourselves! My husband said he'll transfer the money soon!

FEMALE CLASSMATE 1
Wow, Summer, you're so generous! Don't mind anything we said earlier.

Sarah's phone rings with Tom's name displayed on the screen. She stands and steps away.

FEMALE CLASSMATE 2
Is Sarah trying to escape?

SUMMER
Of course, she can't afford this kind of meal. She's definitely trying to run away! I'll cover everyone's tab, except for that mistress's!

Episode 64 *

INT. HOTEL, HALLWAY - DAY

Sarah answers the call.

INTERCUT WITH:

INT. BOX GROUP, TOM'S OFFICE - DAY

TOM
Hey, honey, where are you?

SARAH
What do you need, Tom?

TOM
The company just got a huge order, but we're short on cash flow. Could you transfer me some money for now?

SARAH
How much?

TOM
Eight and a half million.

SARAH (V.O.)
Oh, how calculated. Trying to scam money from me to cover Summer's bill?

SARAH
Sure, just wait. I'll send it soon. Oh, and by the way, Jackson scheduled a business meeting with me, but I'm tied up. Why don't you come to meet him here at Starlight Hotel?

Sarah hangs up, a shrewd look in her eyes.

SARAH (V.O.)
So now you expect me to clean up Summer's mess? Let's see how this unfolds.

INT. HOTEL, LOBBY - DAY

Sarah returns to her seat.

SUMMER
I thought you were running away.

SARAH
Why would I? But you… if you don't leave soon, it might be too late.

Episode 65 *

INT. HOTEL, LOBBY - DAY

Summer stands confidently, sneering at Sarah.

SUMMER
What are you saying? A few million is nothing—my husband can make that in his sleep! He'll transfer it to me within ten minutes, guaranteed!

SARAH
Oh, really? But what if he doesn't?

SUMMER
That's impossible! I'm his wife. Let's make a bet. If he transfers the money, you'll kneel down, slap yourself, and admit you shouldn't have been a mistress!

SARAH
And if he doesn't?

SUMMER
He won't fail to send it!

SARAH
I said, if he doesn't?

Summer hesitates, unsure.

SARAH (CONT'D)
If he doesn't transfer the money, then you'll strip down and crawl on the floor barking like a dog.

SUMMER
Fine!

Sarah takes out her phone and starts a ten-minute countdown. As the timer hits the last second, she smirks.

SARAH
Time's up. You lost.

SUMMER
The money must be in my account by now.

Summer hands her card to the WAITER.

SUMMER (CONT'D)
Charge it!

Episode 66 *

INT. HOTEL, LOBBY - DAY

The waiter swipes the card and frowns.

WAITER
I'm sorry, Ms. Summer. There's only thirty dollars on this card.

SUMMER
That's impossible!

Frantically, Summer calls Tom.

SUMMER (CONT'D)
Honey, where's the transfer? Why isn't the money in my account yet?

TOM
Stop rushing me—it's coming soon!

SUMMER
Just wait. My husband will transfer it any minute!

FEMALE CLASSMATE 1
Wow, Summer's husband really is loaded. Eight million, just like that.

FEMALE CLASSMATE 2
Yeah, and so devoted to her, too.

Summer beams, but then Sarah's phone rings with Tom's name. She declines the call with a small smile.

SARAH
Where's that transfer? Why hasn't your husband come through yet?

Summer tries to call Tom back, but it goes straight to voicemail.

SUMMER
(frustrated)
How could he turn off his phone at a time like this?

SARAH
Could it be that you can't pay? Looks like you'll have to kneel down and apologize, just as we agreed.

SUMMER
No way!

SARAH
Oh? Trying to back out?

SUMMER
You haven't paid either! Why don't you cover it? (to WAITER) She hasn't paid yet!

FEMALE CLASSMATE 1
She's right. Sarah looks even less likely to afford it.

WAITER
Ms. Sarah, please settle the bill.

SARAH
You don't recognize me?

The waiter shakes his head.

SUMMER
Who do you think you are? Why would anyone know who you are?

Sarah calmly takes a black card from her purse.

SARAH
You may not know me, but surely you recognize this card.

WAITER
This doesn't look like any membership card we issue here at Starlight Hotel.

Episode 67 *

INT. HOTEL, LOBBY - DAY

SUMMER
You fool! Don't you know Starlight Hotel has no discounts or memberships? It's LA's most exclusive hotel!

SARAH
Are you sure you don't recognize this card?

WAITER
No, ma'am. I don't.

Just then, the entrance doors swing open, and MANAGER JERRY strides in.

JERRY
What's going on here?

Sarah stands to meet him.

SARAH
Manager! This woman is trying to dine and dash. You should have her thrown out.

JERRY approaches Sarah with a hard gaze, motioning to the SECURITY GUARDS to escort her out. Suddenly, his eyes fall on the black card on the table.

JERRY
Wait!

JERRY picks up the black card, examining it carefully.

SUMMER
Manager, what are you waiting for? This woman is nothing but a lowly mistress—she's tainting your establishment just by being here!

Without warning, JERRY slaps Summer across the face.

JERRY
I will not allow anyone to insult the owner of this card!

Summer clutches her face, stunned, and collapses to the floor.

SUMMER
How can this be? I thought Starlight Hotel didn't have any membership cards.

JERRY
That's correct—no one has one. Except for one person: Steven, the wealthiest man in the city.

FEMALE CLASSMATE 1
Could it be that Sarah has connections to the richest man?

FEMALE CLASSMATE 2
Sarah, why didn't you say so sooner? We wouldn't have doubted you.

Sarah glares at them, letting out a cold laugh.

SARAH
Now I understand why my father always taught me to stay low-key. If I hadn't hidden my identity, I'd never have seen your true colors today.

SUMMER
There's no way. I don't believe it! How could you have any connection with Steven? You're probably just his mistress!

Episode 68 *

INT. HOTEL, LOBBY - DAY

Jerry slaps Summer again.

JERRY
I told you, no one insults the owner of this card. As I understand it, you lost the bet. You need to kneel down and apologize.

FEMALE CLASSMATE 1
That’s right. You made the bet yourself. Now get down on your knees.

SUMMER
No way. I won’t kneel!

JERRY
Then would you rather we help you?

Tears streaming down her face, Summer reluctantly kneels. FEMALE CLASSMATE 1 and FEMALE CLASSMATE 2 grab nearby cake and wine, splashing it over Summer.

FEMALE CLASSMATE 1
Look, everyone! There’s a filthy mistress crawling on the floor!

FEMALE CLASSMATE 2
Disgusting! Trashy mistress!

Sarah stands up from her chair and walks over to Summer.

SARAH
You don’t even deserve the right to apologize to me.

With a graceful turn, Sarah strides toward the door, pausing before she leaves.

SARAH (CONT’D)
Are you wondering why your husband didn’t answer at such a critical moment? He’s actually right next door, busy with a business meeting.

FLASHBACK

INT. HOTEL, HALLWAY - DAY

SARAH
(to Tom)
Honey, why don’t you handle the business talk with Jackson for me? It’s here at Starlight Hotel.

Sarah’s eyes gleam with satisfaction.

END FLASHBACK

SUMMER
No... that's impossible. My husband would never do this to me.

Sarah smirks confidently and walks off toward the crowd, leaving Summer seething with frustration.

Summer tries to stand, but SECURITY GUARDS forcefully hold her down. They press her hand onto a contract form, securing her signature.

JERRY
You have one week to settle this bill of eight million. If you fail, you'll spend the rest of your life in prison.

Episode 69 *

INT. HOTEL, LOUNGE - DAY

Summer storms toward the private room next to the reunion hall, crying and causing a scene. SECURITY GUARDS stops her.

SECURITY GUARD
You can't go in there!

SUMMER
Let me in! Tom, I know you're in there! You liar—you tricked me!

Summer pounds on the door. Finally, Tom opens it and yanks her inside, slamming the door shut.

TOM
What are you doing?

SUMMER
Why didn't you send me the money? Do you have any idea how horribly I've been humiliated?!

TOM
Eight million? Where do you expect me to get that kind of money on such short notice? I've been making calls nonstop!

SUMMER
Who are you calling?

TOM
Never mind that. Was the reunion you went to a high school reunion?

SUMMER
Yes! And I ran into that mistress. If she hadn’t started everything, none of this would have happened to me!

Tom’s hand clenches around a decorative object on the table, his anger barely contained.

SUMMER (CONT’D)
Why are you so angry? I didn’t expose her as a mistress—I just wanted to humiliate her a bit. Is that so wrong?

Unable to hold back, Tom grabs Summer by the throat.

TOM
Do you have any idea how stupid you are? And now you’re asking me for money? Eight million—you're not worth a penny of that, you stupid—

Summer struggles, gasping for air.

TOM (CONT’D)
(suddenly releasing her)
Sorry, I just... lost my temper. Look, if you do what I say and keep the higher-ups happy, we’ll secure this deal, and I’ll buy you whatever you want.

SUMMER
You were so harsh just now!

TOM
I’m sorry. I’ll never treat you like that again—if you just cooperate.

SUMMER
You’d better not, especially since I’m carrying your child.

Tom stares at her in shock.

SARAH (O.S.)
What a performance!

Sarah enters, followed by several people with cameras and phones, streaming the scene live. Tom panics, shoving Summer to the ground.

SARAH (CONT’D)
A fine husband you are!

Episode 70 *

INT. HOTEL, LOUNGE - DAY - CONTINUOUS

Tom collapses to his knees, crawling toward Sarah.

SARAH'S FATHER'S ASSISTANT
Tom, our marriage was nothing but a scheme for you to get your hands on her money.

Sarah'S ASSISTANT aims the camera at Tom and Summer, capturing every detail.

SARAH'S ASSISTANT
Look, everyone! This adulterous pair had the audacity to sneak around under the wife's nose—and she's even carrying his child!

TOM
No, it's not me!
(points at Summer)
It's all her fault—she forced me into this! I swear, honey, I'd never do this to you.

Sarah'S BUTLER steps forward, slapping Tom across the face several times.

BUTLER
You despicable man! Every car you drive, every penny you spend—it's all from Ms. Sarah's money! And you even used her wealth to support this shameless woman!

Summer sits on the floor, stunned.

SUMMER
I'm the mistress? I'm the shameless mistress?

Summer cradles her head, trembling with disbelief. Sarah sits back in a chair, Tom kneeling at her feet.

SARAH
Twenty years of marriage. I gave you everything, supported you completely. And it was all a lie? You staged that night in the bar, pretending to save me so you could win my trust.
(MORE)

SARAH (CONT'D)
Everyone warned me not to marry you, but I insisted. And this is how you repay my love?

Sarah pulls out a document and tosses it on the table.

SARAH (CONT'D)
Here's the divorce agreement. Sign it. Per our prenuptial, whoever cheats leaves with nothing.

TOM
I won't sign. I'm not leaving you.

Episode 71 *

INT. HOTEL, LOUNGE - DAY - CONTINUOUS

Sarah throws a thick stack of documents at Tom's face.

SARAH
I figured you'd try to drag this out. I'm well-prepared. These are records of all the funds you embezzled from the branch over the years. Refuse to sign, and I'll have you jailed for life.

Tom's face fills with fear.

TOM
I thought you were so kind and naive. I didn't expect you to be this cunning. You evil woman!

SARAH
(smiling coldly)
Learned it from you.

Summer suddenly grabs Tom's shirt, desperate.

SUMMER
You told me you weren't married! You said everything you did was for me. So why are you calling that woman your wife now? Why am I the mistress? Why am I the disgrace?

Tom angrily pushes Summer away.

TOM
Get off me! Don't you see? You ruined my life, you fool!

SARAH
I've already called the police. The destruction you caused, the money you stole from the company—it's enough to keep you both in prison for a lifetime.

POLICE OFFICERS enter, arresting both Summer and Tom. As they're led away, Sarah watches with a satisfied smile.

Coco Callaway, the friend of Summer from earlier episodes, rushes in and slaps her hard across the face.

Episode 72 *

INT. HOTEL, LOUNGE - DAY

COCO
You were the mistress all along? You had us rallying against mistresses, saying we should rid the world of them—and you're one of them! And now I've been sued by Sarah to pay for all the damages and valuables you destroyed. Why should I have to pay for what you did?

Summer, devastated, looks up at Sarah, who is walking past her. In a burst of anger, Summer spits at her.

SUMMER
It's all your fault! You wretched woman! I don't believe you're really rich. Even if your father is a billionaire, you're still just a woman. You'll never inherit a fortune!

Summer tries to lunge at Sarah, but the Police restrain her as Sarah catches her arm.

SARAH
Face reality. Hitting me will only get you a longer prison sentence.

SARAH'S FEMALE ASSISTANT
You're disgusting. You're a woman too, yet you're filled with contempt for your own gender!

Summer collapses, defeated.

SUMMER
Why? Why is everything I believed a lie? Tom always said he loved me. He'd get up early to make me breakfast, even come through the rain to pick me up.

SARAH
He did all that for me too, and he's likely done it for others. Wake up. A woman can only depend on herself.

The Police escort Summer away. Sarah puts on her sunglasses and strides forward with confidence.
