JADE
It wasn't me! I didn't do it! Olivia stabbed her own thigh with the knife...

SAMUEL
Do you even believe yourself? Why would Olivia hurt herself so badly? Your jealousy is disgusting!

JADE
(bitterly)
Jealousy? I didn't even know I was adopted. I don't care about being the Garrison heiress. I'm your wife—why can't you believe me?

Samuel put his coat on Olivia.

SAMUEL
I'm tired today. I'll let Mike drive you back home later.

Samuel turns to his closet to pick out some clothes and Olivia's eyes fills with tears.

OLIVIA
Samuel, you always say you are grateful to me and you will give me what I want, but why don't you ever touch me or marry me?

Olivia rushes over and hugs Samuel.

OLIVIA (cont'd)
(pitifully)
Just let me stay here tonight... Samuel...

Samuel takes a deep breath a little impatiently, pulls Olivia's hand away, and turns to look at her.

SAMUEL
(feeling drift apart)
I'm not divorces yet, let's wait a little longer.

OLIVIA
Your mother said I was the future Mrs. Fisher. If you hadn't been so slow in divorcing Jade...

SAMUEL
(regretfully)
Olivia, sometimes I really don't understand what kind of person you are.

Olivia's head snaps up and she looks at Samuel.

OLIVIA
What does that mean?

SAMUEL
When you hire someone to do something for you next time, be more clean. If you still want to be my wife, don't let yourself be gossiped about.

OLIVIA
(murmuring)
You know everything... You know how Jade treated me before. I just want to teach her a lesson.

Samuel looks at Olivia coldly.

SAMUEL
I know you hate Jade and think she takes everything from you. Just think of it as her paying you back for your leg injury.

OLIVIA
(Crying)
What about the Mrs. Fisher's title? When will you give it to me?

SAMUEL
I'm nice to you and tolerate what you do only because you saved my life, that's all.

As Samuel turns and leaves, Olivia breaks down and cries. She grabs a pillow and throws it hard on the ground.

Jade waves her hand.

JADE
Mr. Hill, I can't take it anymore.

Mr. Hill looks as if he understands something and takes out a stack of cash and puts it on the table.

MR. HILL
Is this enough money?

Jade purses her lips, smiles, and takes the bills into her hand.

JADE
Enough.

Jade tilts her head back and takes another drink, and Mr. Hill laughs.

MR. HILL
You guys who come out to sell drinks are straightforward. You can drink to your heart's content for a little money.

Jade looks down and wipes her mouth.

JADE
Mr. Hill, I'm going to be out for a moment.

Samuel...

Samuel frowns.

SAMUEL
(approaching)
Jade, do you really like prostituting yourself that much?

Jade looks at Samuel's eyes, out of breath.

JADE
Let me go... Samuel, you made me come to work here. Why are you so angry now?

Samuel smiles and throws the money against Jade's chest, then takes out a black card and presses it against the money.

JADE (cont'd)
What do you mean…

Samuel takes off his coat and moves even closer to Jade.

SAMUEL
(whispering)
Is it enough to buy you now?

JADE
(lowering her eyes)
Samuel, I, I don't sell my body...

Samuel pulls the corner of his mouth and pinches lift Jade's chin up.

SAMUEL

Jade's tears fall and she clenches her teeth.

Samuel, please, I'm so tired today,
please find someone else...

Samuel and whispers in her ear.

Samuel, you don't wanna touch me, but you went to the club to find that bitch!

SAMUEL
(chuckles)
I've already spent money, so of course I have to enjoy the service before leaving.

Jade gives a bitter smile, crouching and trying to stand.

JADE
Aren’t you worried Olivia will find out you came looking for me?

Samuel steps closer and, instead of answering directly, takes the coat from Jade’s hands, helps her put it on, and tidies her hair.

Samuel takes the coat from Jade's hand and helps her put it on.

SAMUEL
Jade, you still don’t understand the rules here. Guests’ personal affairs are none of your business.

Jade bites her lip and looks up at him, her eyes filled with tears. Samuel smirks and gently touches her face.

SAMUEL (cont'd)
How do you think I was earlier? Should I have done more?

JADE
You’re shameless.

Jade pushes Samuel away and turns to leave.

35 INT. FISHER'S BASEMENT - DAY 35

Jade opens the door to the basement. The once messy basement has been transformed into a simple and clean bedroom. Charlie was sitting on the sofa playing with cars. Jade frowns slightly.

Mom! Mom, you're back. The bad guy said, this is our home from now on.

JADE
(whispering)
Why would he do that?

The basement door was opens, Samuel walks in, and Charlie stands in front of Jade.

SAMUEL
(laughing)
How about it? Is it a surprise?

Jade pulls Charlie away.

JADE
Mr. Fisher, I don't understand what you mean.

Samuel brushes the hair away from Jade's face, and Jade lowers her head nervously.

SAMUEL
(raising an eyebrow)
Remember what I said yesterday? I can do better.

Jade grits her teeth and takes Charlie's hand.

JADE
Thank you for your kindness, Mr. Fisher. I will pay the rent here on time.

SAMUEL
Just pay the rent with your kiss~~body~~.

Jade grips her lip.

Jade, we haven’t been properly introduced.

Jade frowns.

Episode 21

37 INT. NIGHTCLUB DRESSING ROOM - NIGHT 37

Jade smiles and looks at the girls.

JADE
Stella, there are guests waiting for me...

Stella scoffs and shakes her head.

STELLA
What are you showing off for, bitch?

JADE
(frowning)
I don't know how I provoke you.

STELLA
You'd better know that Mr. Fisher loves Olivia, and he just wants a bitch like you for fun!

JADE
(sneering)
In that case, why did Olivia send you here?

Stella's expression changes.

STELLA
(gritting her teeth)
Teach her a lesson!

The Three Girls beat Jade. Jade falls to the ground, gasping for breath. Her clothes are torn, and her body and face become covered with blood.

Stella chuckles and lifts Jade's chin, holding her phone out to her.

STELLA (cont'd)
Oh, so pitiful, I'll give you a chance. Come on, say to the camera, 'Olivia, I'm sorry. I'm a bitch. I'll never seduce Mr. Fisher again', and you can leave.

Jade raises her eyes to looks at the camera, pulls the corners of her mouth and spits in Stella's face.

STELLA (cont'd)
You bitch!

She kicks Jade viciously.

JADE
Stella...if you keep kicking me, I'll die...

Stella gives one last kick.

STELLA
You are a bitch no one loves. And no one will look for you even if you die. Your son will go to hell with you sooner or later!

Jade opens her eyes slowly when she hears this. She stands up shakily, grabs a dagger from her locker, turns around and is about to stab Stella... when a man's voice sounds.

JAMES
Jade!

Jade's head snaps back towards the door, where JAMES (30s) is standing. The knife slips from Jade’s hand, clattering to the floor, as tears stream down her face.

Jim...

STELLA
(Mocking)
Jade, you are really good at seducing men. You have so much energy to act pitiful. It seems that I didn't beat you hard enough.

Stella moves toward Jade, but James blocks her with one strong push.

JAMES
Are you looking for death!

Stella stumbles, stunned. Before she can retaliate, EMMA arrives.

EMMA
Stop!

Emma apologetically bows to James and then examines Jade’s injuries.

EMMA (cont'd)
I’m sorry for the trouble, Mr. James. Next time, drinks are on the house.

JAMES
Jade, I'll take you home.

James leaves with his arm around Jade.

Jade was wearing a maid outfit and carrying breakfast.

Jade, now dressed in a maid uniform, serves breakfast to Samuel, who is seated at the table, adjusting his cuffs. Jade’s hands tremble as she places the plates.

SAMUEL
It's not cold I here. Why are you wearing so many clothes and trembling?

Jade speaks unnaturally as she places breakfast.

JADE
I feel a little cold...

Samuel notices a noticeable bruise on Jade's wrist that was exposed when she was placing breakfast.

Samuel grabs Jade's wrist and rolls up her sleeves, revealing more bruises. He becomes angered.

SAMUEL
(forbearing)
Take off your clothes.

JADE
(forcing a smile)
Mr. Fisher, I still have...

SAMUEL
Take them off!

Jade shudders. She doesn't dare look back at Samuel's expression. She grits her teeth and slowly unbuttons her clothes. Samuel frowns and reaches out his hand and removes her top.

As the shirt fills to the ground, Jade's bruised back stings Samuel's eyes. Samuel grits his teeth and takes off his off jacket and places it gently over her shoulders.

SAMUEL (cont'd)
Tell me who did this.

Tears well up in her eyes. She shakes her head.

JADE
It's over.

SAMUEL
No worries. I'll find out.

JADE
(fearful)
Emma, are Stella and the others really... dead?

EMMA
Well, I heard the four girls were found in the wild yesterday. Dead from excessive blood loss.

JADE
How could this happen?

EMMA
Whatever the case, no one will bully you anymore. Now, get back to work.

JADE
(sighs)
Okay.

JADE (OS) (cont'd)
Samuel, did you do this?

Jade nods reluctantly. She steps into the private room and is surprised to see James, who smiles warmly at her.

JAMES
Jade!

41 INT. NIGHTCLUB BOX - NIGHT 41

James takes a sip of his drink and looks at Jade.

JAMES
(gently)
Are you feeling better?

Jade sighs softly and looks up at James with a smile.

JADE
Everything is fine, don't worry.

James nods and takes another sip of his drink, rubbing his hands together awkwardly.

JAMES
(shy)
Besides the last time, this is my second time to come to this kind of place. What can I do to help you make more money?

JADE
(indifferent)
Order more wine and give a good tip.

James nods seriously and takes out his wallet to get the cash, but Jade holds his hand down.

JADE (cont'd)
(laughing)
Jim, if you give me money, you will be my client tonight.

James' hands freeze, a little bewildered.

JAMES
Then...then I'll order some wine!

Jade smiles and shakes her head.

JADE
This is not the place for you.

JAMES
(awkward)
I'm just worried about you.

Jade pours the wine, handing one to James and holding one in her own hand.

JADE
No matter what, don't waste what you order, just drink it and leave.

Jade touches James's glass with hers and drinks it all. After three rounds of drinking, James is drunk. He holds Jade's hand.

JAMES
Jade, Jade. Don't make me go. I really miss you...

Jade sighs softly and lays the confused James down on the sofa, but is suddenly pulled into his arms.

The door of the box opens and Samuel walks in with a sullen look.

Jade jumps up from James with a start.

Episode 24

42 INT. FISHER'S HOUSE LIVING ROOM - NIGHT

Jade enters the room and Samuel follows. Samuel snorts coldly.

SAMUEL
Who is he? Is your son also born to that bastard?

JADE
I've slept with so many men, how can I know whose child he is?

Samuel's eyes turn scary.

SAMUEL
You finally admitted it!

JADE
(provocatively)
Fortunately, Mr. Fisher is magnanimous and still doesn't want to divorce me.

Samuel sneers.

SAMUEL
Don't try to provoke me, Jade. If he continues to pester you, as your husband, I'm beat the bastard.

Jade panics instantly, unsure where she got the courage to yell at Samuel.

JADE
Don't bother him!
(lowers head and whispers)
It's me, I'm the one who likes and pesters him. It's my fault, it has nothing to do with him.

Samuel's teeth were chattering, he pulls Jade up and bites her ear.

SAMUEL
Then show me how you seduced him.

Jade purses her lips, tears welling up in her eyes, she slowly takes off her coat, put her arms around Samuel's waist and kisses his neck.

Samuel's eyes are fix on Jade, and his Adam's apple rolls up and down.

Jade lowers her head and is about to take a step back when Samuel grabs her around the waist and pulls her close.

SAMUEL (cont'd)
(hushed)
Are you done?

Jade bites her lower lip and says nothing. Samuel kisses Jade's lips, picks her up and puts her on the sofa, pressing his body against hers, and kisses her softly. Jade close her eyes.

(doubtful)
Is his gentleness genuine at this moment?

Mom, I need to tell you a secret about Jade's new job.

Rose looks at Olivia.

Episode 25

44 INT. GARRISON'S LIVING ROOM - NIGHT 44

The glass smashes to the ground, accompanied by Rose's angry roar.

ROSE
Outrageous! She may only be our adopted daughter, but how dare she disgrace the Garrison name by doing such indecent work?

Olivia pretends to comfort Rose, patting her back while suppressing a smile.

OLIVIA
Don't be angry. We gave her enough money to live independently five years ago. It's her own choice to become a stripper.

Rose shakes with anger.

ROSE
(disappointed)
I thought she was just spoiled. I didn’t expect her to resort to making money as a prostitute...

OLIVIA
Mom, don't be too angry. Maybe my sister has some unspeakable secrets. I heard she gave birth to a child. I guess it's hard to raise kid by herself.

Rose gasps.

ROSE
She has a child?!

Olivia covers her mouth, pretends to have misspoken.

OLIVIA
No, no, Jade don't do anything, mom. Ignore what I said.

Rose pats Olivia's shoulder.

ROSE
Olivia, you are so kind. You still care about Jade. Mom really owes you.

Olivia smiles and nods.

OLIVIA (OS)
Jade, you have no other choice this time, you must leave Samael.

45 INT. FISHER'S HOUSE BASEMENT - DAY 45

Jade is cleaning the basement while Charlie sits on the bed playing with the photo album. Charlie's fingers run over the pictures of Zek and Rose's face.

CHARLIE
Mommy, who are these people in the photo?

JADE
They were the people who love your mom the most in the world.

Episode 26

46 INT. NIGHTCLUB BOX - NIGHT 46

Jade finishes preparing drinks, waiting for the customer to arrive. The door opens, and Jade turns around with a professional smile.

JADE
Hello, I've prepared the wine you ordered...

She freezes mid-sentence, staring at Rose, who enters with a disapproving glare.

JADE (cont'd)
(fearful)
Mom...

Jade instinctively pulls at her revealing outfit to cover herself.

JADE (cont'd)
Mom, please, let me explain—

Rose, her face hard as stone, strides forward and slaps Jade hard across the face, sending her stumbling onto the sofa.

~~Rose is so angry that she hits Jade with her bag, while shouting.~~

ROSE
How dare you bring shame to the Garrison family with such disgusting work!

Jade clutches her face, tears falling silently. As Rose angrily raises her bag to strike., Jade grabs it tightly.

JADE
Mom!

Rose struggles to pull her bag free, but Jade collapses onto her knees, hugging Rose and sobbing uncontrollably.

JADE (cont'd)
Mom, please stop hitting me. Let me explain. I work here because I need $5 million dollars...

ROSE
(surprised)
$5 million?

JADE
Only after I pay it will Samuel sign the divorce papers.

Rose's raised hand drops limply, an expression of disbelief on her face.

ROSE
What?

Episode 27

47 INT. NIGHTCLUB BOX - NIGHT 47

Rose takes a sip of water to calm herself, sets it down.

ROSE
So that's how it is. Foolish child, why didn’t you come to us for help when the money was stolen?

Jade smiles bitterly, shaking her head.

JADE
Mom, I’ve already been a burden to you for so many years. How could I come back asking for more?

Rose sighs and takes Jade's hand.

ROSE
At the time, we had no other choice. Reuniting with Olivia was something we owed her. We thought it was best for you to leave for a while. But we never truly severed ties with you.

JADE
(smiling)
It’s okay, Mom. That's all past.

ROSE
(distressed)
But Samuel is such a fool. He doesn't love you, so why does he threaten you with $5 million to keep you from leaving?

Jade shakes her head and Rose pulls a card out of her bag and places it in Jade's hand.

ROSE (cont'd)
Jade, take this money and pay it back as soon as possible.

Jade waves her hand.

JADE
I don't need that, mom.

ROSE
Take it. It is not good for the Garrison family or the Fisher family if you work here. Besides, Olivia wants to Marry Samuel, and it is not appropriate for you to have any contact with him.

Jade looks up at the woman in front of her and gives a wry smile. She stuffs Rose's card back into Rose's bag.

JADE
Mom, don't worry, there is no love between Samuel and I. He just hates me, he's just venting his anger. As for work I will talk to him about this matter, and it won't have a negative impact on you and Olivia.

Rose sighs, clearly still troubled.

ROSE
Jade, your father and I always loved you, but you must understand that we owe Olivia.

JADE
(smiling)
Mom, I'm leaving now.

Jade stands, turns her back to Rose with tears streaming down her face, and leaves box.

SAMUEL
Just say whatever you want to say. Don't be so timid and disgusting.

Jade bites her lip and looks down.

JADE
Last night, my mother came to the club to see me... I mean Mrs. Garrison...

Samuel doesn't look up and continues eating.

SAMUEL
(sneers)
Oh? How is it?

JADE
Samuel, may I change my job?

Samuel puts down the cutlery, wipes his mouth, stands up, and walks towards Jade. Jade's cell phone suddenly RINGS, and Jade takes it out, drops it on the ground in a panic. It shows: James.

Samuel's eyebrows furrow, and Jade immediately hangs up and stands.

SAMUEL
And here I thought your conscience got to you after your mother saw you. Turns out, you’re still shameless. You’re going against me for that man? Can he pay your 5 million?

Jade shake her head furiously.

JADE
No, no, it has nothing to do with Jim…

Samuel kicks the chair.

That's enough! Stop saying his disgusting name in front of me!

JAMES
When you didn’t answer my calls, I was afraid you didn’t want to see me anymore.

James releases her and sits back down. Jade sits beside him, handing him a bottle of water.

JADE
Things have been complicated lately.

James takes two gulps of water.

JAMES
(cautiously)
Is it because of Samuel?

JADE
(not surprised)
You know everything.

JAMES
I'm sorry, I was drunk that day, otherwise I would never let him take you away.

Jade sips her drink.

JADE
Jim, I had to go with him... he is my husband...

JAMES
(growling)
What man would lets his wife do this kind of work in his own club!?

Jade purses her lips and James slaps his mouth in annoyance, grabbing Jade's hand.

JAMES (cont'd)
(affectionately)
Jade, come with me. I can support you and Charlie and give you a home. If you are willing to sue him, I can help you with the divorce lawsuit.

Jade’s eyes show a flicker of hope.

JADE
The Fisher family is very powerful. Can you... win?

JAMES
(laughing)
Who are you looking down on? I am a famous young lawyer and I have never failed.

Samuel kicks the door open.

SAMUEL
(sneering)
I'm afraid I'll disappoint you.

Episode 30

51 INT. NIGHTCLUB BOX - NIGHT 51

Samuel strides in, his eyes fixed on Jade. James steps in front of her protectively.

SAMUEL
(sneering)
Lawyer, divorce, Jade, you've been calculating these with your bastard all day, right?

Jade lowers her eyes and doesn't look at him.

JADE
We are just joking...

JAMES
(interrupting)
No kidding! Samuel, since you have someone else in your heart, why don't you let Jade go?

SAMUEL
(raised eyebrows)
You should ask her why she loved me so much and accepted the arranged marriage?!

SAMUEL (cont'd)
?

Samuel grabs Jade. James tries to stop him but is knocked to the ground by Samuel's punch.

JADE
Jim!

SAMUEL
(coldly)
James, didn’t law school teach you to stay out of married couples’ affairs?

He drags Jade toward the door, but James struggles to his feet and blocks their path again.

Samuel leans close to Jade’s ear.

SAMUEL (cont'd)
My patience is reaching its limit. You know what happened to the four girls.

Jade looks at Samuel in horror, and turns to look at James.

JAMES
(anxious)
Jade, don't be threatened by him. I can definitely help you win the divorce lawsuit!

JADE
Leave, now.

Jade turns her head and kisses Samuel, who's eyes widen... James drops his hands.

Episode 31

52 INT. NIGHTCLUB BOX - NIGHT 52

Jade kissed Samuel in front of James, and finally, she left Samuel's lips and looks at James.

JADE
(coldly)
Jim, I am grateful for your help over the past year, but I have only loved Samuel for these years. You are just someone I used to get through the difficult times.

James shake his head in disbelief.

JAMES
Jade, you don't really mean what you said, you're not that kind of person...

Jade smiles softly.

JADE
Let me put it this way. I work here because I still have a $5 million debt, but Samuel can help. Can you come up with 5 million right away?

James clenches his fists and looks at Jade.

JAMES
(firmly)
I'll borrow it!

Samuel frowns slightly, and Jade raises her hand and slaps James.

JADE
Who would give you $5 million? This slap in the face is to let you see clearly: Stop dreaming!

Jade walks quickly, tears streaming down her face, and Samuel follows behind her.

SAMUEL
(Smirking)
You are really cruel toward this bastard.

Samuel, what I just said is not true. I might have loved you once, but never again! After I pay back the $5 million, we’re done!

Samuel pauses and Jade looks at him bravely.

SAMUEL
(sneer)
Come to work on time tomorrow night. I'm looking forward to it.

Jade clenches her fists.

Episode 32

54 INT. NIGHTCLUB BOX - NIGHT 54

Jade sit in the box, the light dazzles her eyes, the HOSTESS next to her hugs Samuel and hands him a glass of wine. She sighs softly and stands up.

JADE
Mr. Fisher, if I'm not needed, I’ll take my leave.

The door of the box opens and a BURLY MAN walks in with a cigarette in his mouth. Samuel stands with a smile and puts his arm around Jade's shoulders.

SAMUEL
(whispering)
Be patient, your client has just arrived.

The Burly Man holds out his hand to Samuel, and Jade sees his arms are covered in scars.

BROTHER TOM
Mr. Fisher, long time no see.

Samuel shakes his hand.

SAMUEL
(laughing)
Tom.

Brother Tom (30s) walks over to the sofa and sits, puffing out a cigarette, and Samuel pushes Jade over.

SAMUEL (cont'd)
Tom, she's with you today.

JADE
Tom, let's have a drink…

Brother Tom takes out a card and stuffs it into Jade's clothes.

TOM
Pretty girl, drinking is boring. Just go back and sleep with me. I will give you as much as you want.

Jade bounces off Brother Tom and stuffs the card back.

JADE
(laughing)
Tom, I only serve drinks and don't sell my body.

Brother Tom's face changes drastically, he knocks down his wine glass and grabs Jade's hair.

TOM
No girl has ever dared to reject me.
(Laughs)
But I must admit, I’ve always liked the challenge of taming strong horses.

Brother Tom grins and presses Jade’s waist. Jade dodges and looks at Samuel, who puts his glass down.

JADE (O.S.)
Are you just going to stand by and do nothing?

SAMUEL (O.S.)
Beg me now, I'll immediately get you out of trouble.

Samuel gives a soft cough to remind tom.

SAMUEL
Brother Tom, you can't force a square peg into a round hole.

Brother Tom reluctantly releases her and turns back to the wine table with a smile.

BROTHER TOM
Mr. Fisher, you see, I've been so busy with work lately, I've barely seen a woman. Let me take her now.

He grabs Jade's arm and begins dragging her away. Jade shakes her head frantically and looks at Samuel.

JADE
No, no!

Samuel slowly stands and mouths the words "beg me". Jade sheds tears, turns around and walks out with Brother Tom. The box door closes and Mike runs in.

SAMUEL
(angry)
Damn, she would rather sleep with a man than give in!

MIKE
Mr. Fisher, what should we do? Should we follow them?

SAMUEL
(sneering)
Let her go, it's her own choice.

Samuel kicks the table again.

Episode 33

Bitch, I gives you money and you're still not satisfied?
(Shuffles another stack of cash)
Here, take more.

Jade cries, shaking her head and clasping her hands together.

JADE
(begging)
I won't sell myself, no matter how much money you offer. Please let me go.

Jade tries to move forward but Brother Tom stops her with his hand.

BROTHER TOM
Be patient. I'm not looking for women just for sex.

Jade looks at Brother Tom in horror. Tom opens the cabinet, which was full of S&M tools. Tom picks up a whip, and approaches Jade.

You are still playing innocent with me! Did you tell Samuel that Charlie is his son?

Jade shakes her head and grabs Olivia's hand.

JADE
(flustered)
Of course not. Did you do anything to Charlie?

SAMUEL
You should ask me if I'm tired of taking care of him these days and if I'm sleepy after putting him to sleep at night.

CHARLIE
This guy keeps playing games with me and putting me to sleep.

Jade breaths a sigh of relief and smiles. She hugs Charlie, and looks at Samuel timidly.

JADE

Samuel burst out LAUGHING.

SAMUEL
I knew she wasn't who she appeared to be, but I never expected she could be so vicious.

Mike is reluctant to say more.

MIKE
There is one more thing. I took the initiative to check. The group that harmed you all those years ago, which miss Olivia saved you, is the same group of people who went to threaten Jade.

OLIVIA
Jade, you are talking nonsense!

Samuel takes a deep breath and looks at Jade.

SAMUEL
I had no idea you were pregnant, and I swear to God, I didn't allow her to do anything that would harm you. I have also recently dealt with all the people she ordered to hurt you.

SAMUEL
That's enough! Jade, I saved you because I was afraid that if you died, it would ruin the reputation of our family.

Jade is shocked and slaps Samuel hard.

SAMUEL (cont'd)
Also, as for the $5 million, since you have already paid off your son's medical expenses, let me say you have paid them off. ~~since you almost lost your life several times, I will consider it as your payment.~~ Just take this annoying boy and get out of here.(pointing Charlie) We're even from now on!

SAMUEL (OS) (cont'd)
It has come to this point. I cannot be soft-hearted...

Jade walks out of the room with Charlie. Samuel looks at their backs. Jade lowers her head and takes out the name card Frank give to her.

After hesitating for a moment, she takes out her cell phone and dials the number.

SUMMER
Jade, you don't have to thank me…

Jade nods.

SUMMER (cont'd)
Do you still need to go back to Fisher's house?

JADE
I need to go back and get some things. I'll go when Samuel's not around.

Samuel sits in the hospital office as the doctor looks at the film and sighs.

DOCTOR
Mr. Fisher, your tumor has compressed your brain nerves. If it continues to develop, it may cause mood swings. Even amnesia, and finally...

MARY
Amnesia! Are you saying Samuel will forget us?

DOCTOR
It is difficult to rule out this possibility. Although his life is not in danger now, the gradual loss of memory will have a great impact on his life.

MARY
And the chances of success are slim...

The Doctor nods, and Samuel purses his lips and looks at Mary.

SAMUEL
Mom, please allow me to be selfish for once.

(embarrassed)
Samuel, Mike said you weren't home so I came back to get my stuff. I didn't expect you to be in the basement.

Jade turns to leave, but Samuel runs over and grabs her.

SAMUEL
Jade, where are you going?

Jade shakes off Samuel's hand.

JADE
Samuel, we've already divorced. You said you were done with me, so why are you pretending to be reluctant?

Samuel frowns.

SAMUEL
Divorce? How could I divorce you?

Jade is stunned, walks to the bedside, takes out the divorce agreement and presses it on Samuel's chest.

JADE
(angry)
Don't you remember that you signed it with your own hand?

Samuel's head aches as he looks at the name on the divorce agreement, and Jade frowns at the sight of him.

Jade turns around, picks up the photo of her and the Garrison family from the shelf and is about to walk out, but Samuel grabs her.

JADE (cont'd)
Let me go!

SAMUEL
You are not allowed to leave me!

Samuel!

Jade sits on the couch and lowers her eyes.

JADE
So you're saying that Samuel divorced me because he has a brain tumor?

MARY
Yes.

JADE
Why... why did he try to stop me from leaving?

MARY
It's that he has nerve compression now, so his memory is confused and he is moody. He seems to have forgotten about divorcing you.

Jade's tears wells up in her eyes and Mary hold Jade's hand.

MARY (cont'd)
Jade, can you please, before Samuel's memory completely disappears, just treat everything as it is? I will be with him until the last moment when I send him to the operating table. At that time, Samuel will most likely die.

Jade looks at Mary.

JADE
You mean, you want me to watch him forget me little by little?

Mary pulls her hand back and looks down.

MARY
Jade, follow your heart. I don't wanna force you.

Jade purses her lips and stands up.

JADE
From the moment he signed, I had nothing to do with Samuel anymore, so I went back first.

JADE
Samuel, I've made breakfast.

SAMUEL
Why are you here?

JADE
What do you mean? I'm the nanny. I haven't paid back the $5 million yet.

Samuel opens his eyes wide and finally gives a cold smile.

SAMUEL
Jade, I've already divorced you. So why are you still staying at this house?

JADE
I promised to return you $5 million and I have to keep my word.

SAMUEL
I have no interest in you. I feel sick just by looking at you. I don't need you to pay me back. Go back to the Carey's. Don't be an eyesore here!

Jade enters Samuel's bedroom with cleaning tools in hand.

JADE
Your room hasn't been cleaned for a while, and there's a lot of dust on the mirror...

When Jade sees the words written on the mirror, tears instantly well up in her eyes. Samuel realize this and rushes over and smashes the mirror with a punch.

SAMUEL
Get out.

JADE
You said you don't love me, why do you put a reminder in the mirror that you are divorced? Why are you letting me go after you got sick?

SAMUEL
That's enough! I'm doing this for your own good! Do you know that I will forget everyone and everything little by little? Jade, I beg you, just let me slowly forget you. Otherwise I will only bring you pain.

Samuel's tears fall, his voice trembling, Jade throws away the cleaning tools and kisses Samuel, then looks at him lovingly.

JADE
Samuel, who am I?

SAMUEL
Jade.

JADE
Is this the Jade you love in your memory?

SAMUEL
Yes.

JADE
Really?

SAMUEL
Yes.

JADE
That's enough. Don't push me away while you still remember me and haven't forgotten to love me.

Samuel's fists slowly unclench.

SAMUEL
Aren't you afraid that I will forget what happened between us and turn back into my former evil self and hurt you?

JADE
(laughing)
Don't be afraid, we are divorced anyway, I can dump you at any time.

Samuel drops his eyes.

JADE (cont'd)
But the choice is in my hands. It is up to me to decide whether to leave you, not you, understand?

Samuel nods and Jade hugs him.

JADE (OS) (cont'd)
Samuel, please take your time to forget me... Not too fast, OK.

DOCTOR
Yes, Mrs. Fisher, our hospital already has the most advanced equipment. There are no guarantees, but I believe that a gifted person like Samuel will be lucky.

Jade's hands shake as Mary takes the consent form for the surgery.

MARY
It's good that he is alive. That's good enough…

98 INT. HOSPITAL WARD - DAY 98

SAMUEL
Sorry, I...

JADE
I know, I just came by to say hi and then I'll leave.

SAMUEL
Thank you. Could you stay a little longer?

SAMUEL
Why are you so nervous?

Mike avoids the question. Samuel shakes his head helplessly. He looks carefully at the bookshelf in the basement, picking up a photo of Jade and Charlie that has fallen from the corner of the shelf with his hand.

SAMUEL (OS) (cont'd)
This is... the woman who came to visit me in the hospital that day... Why is her and her child's picture in my house? Do we know each other well?

MIKE
Mr. Fisher! Are you OK?

HELEN
Jade, how come you have affairs with every man? Tell me, what tricks did you use to seduce the big lawyer like James?

SAMUEL
It can't be that simple or Mike wouldn't be hesitant.

Samuel, do you really want to know, even if it hurts you...

SAMUEL
I want to know. I clearly feel that I love her now, but I can't remember everything. This makes everything feel more painful.

Mary purses her lips and looks up at Samuel.

MARY
Jade is your ex-wife. She was the adopted daughter of the Garrison family, and was actually the kidnapped lost daughter of the Carey family.

SAMUEL
She used to be my wife? So why is she pretending not to know me?

Mary sighs and glances at Samuel.

MARY
Samuel, we Fishers owe her all these years...

SAMUEL
What do you mean?

MARY
Jade hasn't had a good day since she married you. You and I both think she stole the Garrison family's biological daughter, Olivia's position...
(chokes up)
And humiliate her...

SAMUEL
What... But I can clearly feel it. I love her very much. When I see her, I can't help wanting to get close to her... How could I hurt her like this?

Samuel stares at Mary in panic, and Mary holds his hand.

MARY
Back then, Olivia fooled us all. She kept framing Jade, twisting everything against her. And yet, she had the audacity to pretend she saved your life—making us all believe her lies.

SAMUEL
Who's the kid in that photo...

MARY
It's your son.
(sighs)
Back then, Jade told me she was pregnant.
(MORE)

MARY (CONT'D)
But I did not believe it was yours. And Jade left home in desperation, wandering for five years...

Samuel's eyes widen and he grabs the quilt helplessly.

Five years?!

SAMUEL
Five years?!

MARY
Five years later, she came back with a child. You think the child was born of her and another man. To punish Jade, you made her a maid and nanny during the day and a prostitute in your nightclub at night.

Samuel's eyes widen and covers his head in pain. Mary hugs him in panic.

SAMUEL
How could I do that to her!

MARY
Actually, you and Jade have always loved each other, but you have been torturing each other for too long.

SAMUEL
I tortured her, and she has been suffering all this time...

MARY
Samuel, are you still going to go find her?

SAMUEL
(shaking his head)
No, she already has a new identity and a new life.
(MORE)

SAMUEL (CONT'D)
Since she pretends not to know me, then she wants to deny our past. I won't bother her anymore.

MARY
But... Samuel, this may not be... up to you...

SAMUEL
What do you mean?

MARY
Our company's new fashion project partner invited Jade to design the formal attire... Jade will tailor clothes for you in a couple of days.

The light shines in Samuel's eyes.

SAMUEL (OS)
I can still see her...

Samuel, take off your coat. I'll measure for your clothes and leave.

Samuel says nothing, but takes off his coat. Jade sets out her tool box, takes out a measuring tape, and measures Samuel.

When Jade puts her arm around Samuel's waist to measure it, Samuel can't help but hug her.

SAMUEL
Jade...

JADE
I am no longer the Jade I used to be!

SAMUEL
Okay. I remember all about our past now. You can also feel that I love you. Love does not disappear even if I lose my memory...

JADE
Please don't dwell on the past. Samuel, we'll only hurt each other if we're together. What's more, I already have someone I want to entrust the rest of my life too.

Samuel's eyes turn red, and he puts his hand on Jade's face and kisses her. Jade opens her eyes wide and pushes Samuel away.

JADE (cont'd)
Samuel! Are you crazy?

SAMUEL (ROARING)
Yes, I am crazy. I understand what you said, but I am unwilling to do it! I really love you, and I also wont forget you. I also told myself not to bother, but I can't do it...Jade, I beg you, if you are angry with me, you can punish me however you want, but please don't be with another.

JADE
(trembling)
Samuel, you already have a new partner, and I have started a new life. Since you bullied me so horribly, there is no possibility of us being together again. Do you understand?

Samuel slumps in his chair, holding his head.

SAMUEL
(crying)
You're still blaming me...

Jade puts away her measuring tape.

JADE
I have roughly measured the size, and I will ask someone to deliver your clothes on time.

With that, Jade straightens her clothes, takes the box and leaves. Samuel shouts and sweeps the things off the table.

JADE
James and I have known each other for a few years, and he has taken care of me without asking for anything in return. He is the kindest and most sincere person in the world. I want to give the rest of my life to him.

KEVIN
Would you be so kind?

LILY
(laughing)
Not only am I kind, I also brought a gift for Jade.

Lily waves, and her Assistant runs backstage with the USB.

Trust her and listen to her.

Jade bends down to pick up the microphone and looks at the reporter's cameras.

JADE
I'm sorry to spoil your fantasy. Yes, before I returned to my current identity, I was an adopted daughter and also the ex-wife of the president of Fisher's Group, Samuel.

The guests looks at each other.

JADE (cont'd)
Because I was an adopted daughter, I had to leave the house and suffer humiliation when the biological daughter came back. And I have to pay off the debt I owed to my ex-husband...

SAMUEL
(whispering)
No, you don't owe me, you don't owe me...

JADE
So I went to work at his nightclub to earn money.

GUEST
Isn't that Samuel at the door?

Everyone looks towards the door and Samuel, shaking all over, rushes in and grabbed Lily's arm.

SAMUEL
Are you satisfied? Have you had enough trouble? Stop embarrassing yourself here! Get out of here with all your people!

The Reporters turn their cameras and take pictures of Samuel and Lily.

LILY
Samuel, I'm your fiancée, how dare you say such harsh words to me!

SAMUEL
Not anymore.

LILY
Samuel, do you know what you are talking about?

Samuel turns and looks at Jade.

KEVIN
Hang on, I'll ask someone to check the surveillance camera at the entrance of the magazine office.

Why? It's because you are Samuel's ex-wife, and he only has you in his heart. Because of you, Samuel broke off our engagement, and I will be mocked by the whole world.

Jade sneers.

JADE
It was you who tried to humiliate me at my engagement party. How can you blame me?

Lily stands up suddenly and slaps Jade angrily.

LILY
Shut up! Without you! I would still be a big star. I would still marry the best man in the world. Because of you, I have nothing!
