1 1.1 EXT. ROOFTOP - DAY 1

Wind whips across the rooftop. **EDMUND** stands at the edge, eyes filled with despair. **ROSE (22)** rushes in, panting.

ROSE
Edmund! Get down!Don’t be silly!

EDMUND
It’s over, Rose. The investors bailed, the bank’s calling in debts... I’ve got nothing left!

ROSE (EXTENDS A TREMBLING HAND)
You still have me! We’ll figure something out, please—just come down, okay?

Edmund stares at her, hopeless.

EDMUND
There’s no way out... nobody can help me.

Rose runs to the corner, grabs her phone, and dials frantically. Edmund lets out a bitter laugh. He steps forward, toes over the edge—then freezes as he looks down. He pulls back, trembling.

EDMUND (VOICE SHAKING) (CONT'D)
It’s so high... I—I don’t wanna die.

2 1.2 INT. STAIRWELL - DAY 2

Rose holds her phone to her ear.

LOCKE (V.O.)
Rose, three years, and this is the first time you’ve called me.

ROSE
I’m sorry, Locke. Please do me a favor, just this once. Use my trust fund, under Blackstone Capital’s name, to invest 200 million in Edmund’s company!

LOCKE (V.O.)(BEAT)
Are you insane? That company’s collapsing. He isn’t worth it.

ROSE (VOICE TREMBLING BUT FIRM)
Please, Uncle! He’s on the rooftop right now—I can’t watch him die! And... I’m pregnant with his baby.

LOCKE (V.O.)(SIGHS)
Fine. But only once.

Rose exhales, relieved.

3 1.3 EXT. ROOFTOP - DAY 3

VIVIAN leans back against the rooftop railing, flicks open a lighter and lights a cigarette. Hearing the sound, Edmund turns around, surprised.

EDMUND
Vivian? What are you doing here?

VIVIAN
Blackstone Capital just invested two hundred million in your company. Come down.

EDMUND (EXCITED)
Blackstone Capital? (confused) Why would they help me?

Vivian lets out a soft laugh, turns away with a mysterious air. When she's far enough, she glances back, winks at him.

VIVIAN
What do you think?

Edmund freezes. He hurries after her.

EDMUND
Was it you?

4 1.4 INT. STAIRWELL - DAY 4

Rose ends the call, leans against the wall, exhausted.

ROSE (V.O.)
Maybe it's time to tell him that I'm the heiress of Blackstone Capital.

She looks toward the sunlight above and runs upstairs.

5 1.5 EXT. ROOFTOP - DAY 5

Edmund rushes after Vivian, only to run into Rose returning. Rose looks shy and a little nervous.

ROSE
Edmund, I want to tell you-

Edmund pulls her into a quick, distracted hug.

EDMUND
Babe, I've got something important. Talk to you later, okay?

ROSE
But—

Edmund kisses her cheek.

EDMUND
Wait for me at home tonight, alright?

He brushes past her, chasing after Vivian. Rose watches him go, thoughtful.

ROSE (V.O.)
I've hidden my identity for so long. He might be angry about it. Tonight I'll tell him everything, and the baby.

A faint, hopeful smile appears on her face.

Suddenly, the door bursts open — Rose stumbles in, clearly drunk. Locke startles, grabbing a towel and wrapping it around his waist.

LOCKE
Rose?

Rose throws her arms around his neck, eyes red.

ROSE
Locke, I love you!

LOCKE (SHOCKED)
Do you understand what you're saying?

He tries to pry her hands off, but she clings to him.

ROSE
I’m not a kid anymore. I know what I feel! I love you, like a woman loves a man!

LOCKE (UNSTEADY)
I’m your uncle, Rose! Do you understand? There can’t be love between us!

He forces her off him, putting space between them.

ROSE
Why not? We’re not blood-related!

LOCKE
Your grandfather entrusted you to me so I could protect you — not to have feelings for you!

Rose stands frozen, her expression shattered.

END FLASHBACK

LOCKE
I can't accept your love... I promised your grandfather I’d take care of you.

Locke grabs his phone again.

LOCKE (CONT'D)
Prepare the jet. I’m going back.

Edmund sits on a lounge sofa, looking at Vivian, thrilled.

EDMUND
The Blackstone Capital actually invested my comopany! Vivian, wait— are you... The heiress of Blackstone Capital?

Vivian hesitates, then decides to play along.

VIVIAN (AMUSED)
Didn’t expect you to figure it out. That's impressive.

My father's news comes at just a right time. It's useful to be Locke's aide.

EDMUND
Vivian, why would you help me? You—

Vivian places a finger on his lips, teasingly.

VIVIAN (FLIRTATIOUS)
Don't you already know what I want?

EDMUND
Whatever it is... I'll give it to you.

Vivian strokes his cheek slowly.

VIVIAN
I heard you're getting a little too close to the girl at the company — Rose, right? Your girlfriend?

EDMUND
Rose? She's nothing. Just a way to… blow off steam. You're the only one I love.

VIVIAN
Then prove it. I want you to propose to me — publicly. I want a grand engagement that the whole world can see.

Edmund's surprised, then light up with excitement.

EDMUND
I'll give you that. I promise.

VIVIAN (V.O.)
Once you marry me, it won't matter if I'm really the heiress or not. I'll still become one of the elite...

Edmund! You’re back!

The door opens. Standing there—Locke. Rose freezes, her smile fading.

ROSE (CONT'D)
Locke? What are you doing here?

Locke’s expression darkens. He grabs her wrist.

LOCKE (FURIOUS)
Come with me!

ROSE (STRUGGLING)
Let go of me! What are you doing? I’m not leaving! Edmund’s coming back—I’m gonna propose to him! Let me go!

Rose yanks her arm free, stepping back defensively. Locke slams his fist into the wall in anger.

ROSE (STARTLED) (CONT'D)
Ah—!

LOCKE (SEETHING)
Propose? Do you even know who he spent the night with? He’s proposing to someone else!

Rose stares at him, stunned.

ROSE
What?

Locke softens, pulls out his phone, shows her a video.

19 3.5 INT. EDMUND'S VILLA - FRONT DOOR - NIGHT 19

Rose stares at the phone, devastated.

ROSE
No... this can't be real...

LOCKE (BITTER)
That's the man you chose. You gave him your trust, your money, your child—and he's proposing to someone else.

ROSE (SHAKING HER HEAD)
He promised me... he said once we have a child, he'd marry me.

Locke sighs, gently wiping her tears.

LOCKE (SOFTLY)
Don't cry. He's not worth it. I'll take you home.

Rose's eyes harden. She shakes her head.

ROSE (COLDLY)
No. I'm going to that restaurant.

LOCKE (ANGRY)
You're going to humiliate yourself for him?

ROSE (DETERMINED)
There are things I need to hear from him... with my own ears. Take me there, please.

Locke lets out a low, bitter laugh.

LOCKE
No way.

ROSE
Then I'll go myself.

She turns to leave.

LOCKE
Wait!

He grabs her hand. She turns back. Locke exhales.

LOCKE (RESIGNED) (CONT'D)
So stubborn... fine, I'll take you.

20 3.6 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 20

A grand staircase is covered in red carpet. Roses line the railings. Guests gather below, clapping and whispering. At the top stand Edmund and Vivian.

EDMUND
Vivian, thank you for convincing Mr. Harris to invest my company.

VIVIAN (SMILING)
Locke's always adored me. Getting the funds? Easy-peasy.

Edmund takes her hand, kissing it tenderly.

EDMUND
Thank you, my love. You're the heiress of Blackstone Capital, yet you're still willing to help me... I'm truly moved.

21 3.3 EXT. MICHELIN RESTAURANT - FRONT DOOR - DAY 21

A sleek black car pulls up outside. Locke is about to open the door. Rose stops him with a hand.

ROSE
Let me go. Please, just wait here for me.

LOCKE (FIRM)
No way. I'm not gonna let you face that bastard alone.

ROSE (STEADY)
I can't live under your protection forever. Let me handle this, please.

LOCKE (SIGHS)
You always have a reaoson, don't you? (softer, touching her head) Just remember—no matter what, I'll always protect you.

Rose nods, opens the door, and steps out.

EPISODE 4

Edmund half kneels, holding out a ring.

EDMUND
Vivian, will you marry me?

Vivian gasps, covering her mouth, extending her hand.

VIVIAN (SMILES)
Of course I will!

ROSE (O.S.)
Wait!

The doors burst open. All eyes turn toward the entrance. Edmund, Vivian freeze in shock. Rose stands there, sweat dampening the strands of hair stuck to her cheeks. Her gaze cuts through the crowd, locking straight on Edmund. Edmund rises slowly, his face dark.

EDMUND (ANNOYED)
Rose? What the hell are you doing here?

Rose steps toward the stairs, her face calm but filled with despair.

ROSE
Edmund, I've been waiting for you all night!

Vivian frowns, tugging at Edmund’s sleeve.

VIVIAN
Is your sex mate making a scene?

Rose freezes, staring at them in disbelief.

EDMUND (COLDLY)
Just ignore her.

Vivian chuckles, mocking. She puts her arm around Edmund's. Rose lets out a sharp laugh, disbelief flashing across her tear-streaked face.

ROSE
Sex mate? Then what about your promise to marry me?

EDMUND (SHRUGS)
It's just pillow talk. You didn’t actually believe it, did you?

Laughter ripples through the guests. Vivian hides a smirk behind her hand, pretending to pity Rose.

VIVIAN
Edmund marry you? Please. Look at yourself—those cheap clothes, that pathetic look. You’re a bargain-bin girl at best.

She pinches her nose, stepping back dramatically.

EDMUND
Rose, you’re nothing! Don’t you dare compare yourself to Vivian; she’s Miss Winston, the only heiress of Blackstone Capital!

Rose freezes. Her thoughts race.

ROSE (V.O.)
So... she impersonated me?

Edmund pulls a checkbook from his pocket, scribbles.

EDMUND
Here. Fifty thousand. You’ve done your job these past three years. Consider it a tip—now take it and get out!

Vivian laughs, face full of disdain. Rose wipes away her tears, snatches the check, and tears it into pieces in front of them. Edmund and Vivian stare, stunned.

ROSE
I gave you 200 million without blinking. You think I care about your lousy fifty grand?

She throws the shredded pieces in their faces.

ROSE (RAISING HER VOICE) (CONT'D)
Oh, and since we’re all here—allow me to introduce myself. (pauses, eyes scanning the crowd) I am the real Miss Winston!

Gasps echo through the room. Everyone stares in shock.

EPISODE 5

23 5.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 23

EDMUND (MOCKING)
Cut the crap, Rose. You think you’re Miss Winston? That's hilarious. If you’re the heiress, then I’m the next president—no, hell, I’m Louis the Sixteenth! I’ll chop my own head off and make you a footstool! Hahaha!

The crowd bursts into laughter.

VIVIAN (SCOFFING)
A subway-riding slum whore calling herself an heiress? What a joke.

ROSE (COLDLY)
I’m not wasting my breath on a lying thief like you.

Vivian, furious, slaps Rose hard across the face.

VIVIAN (SHOUTING)
You bitch! How dare you talk back to me?!

Rose freezes for a second, then rolls up her sleeve and slaps Vivian right back.

VIVIAN (SCREAMING) (CONT'D)
Ah! You slut! I'll kill you! Edmund! How come you just stand there and watch her slaping my face?

Edmund rushes over, glaring at Rose.

EDMUND (ANGRILY)
Rose! How dare you be so rude to Miss Winston! Apologize to her right now, that's an order!

ROSE
Get out of my way!

Edmund grabs her wrist, leaning close, voice low.

EDMUND (SMIRKING)
If you apologize, we can still keep... what we had. I could let you stay on—as my mistress.

Rose looks at him, shocked. Edmund mistakes her silence for hesitation, his grin widening.

EDMUND (WHISPERING) (CONT'D)
Just keep quiet about it. She never has to know.

He squeezes her wrist suggestively, eyes gleaming. Rose jerks her arm free and slaps him across the face—hard.

ROSE (COLDLY)
Edmund, you're such an idiot. You can't even tell who the real Miss Winston is. I'll make sure Blackstone Capital pulls every cent out of your company.

Edmund stiffens, uneasy. Vivian clenches her fists.

VIVIAN (TENSE)
You're not gonna believe this slut's lie, are you?

Edmund glances between them.

EDMUND (V.O.)
Who's the real Miss Winston? I need to find out.

He gently takes Vivian's hand.

EDMUND
Vivian, I’m not doubting you. But our engagement is of utmost importance, we should invite Mr. Harris. Can you give him a call?

VIVIAN (V.O.)
Damn it... he’s suspicious. Stupid corporate bastard!

VIVIAN
Locke never shows his face in public. You really think you can meet him as will?

EDMUND
Then you’d better prove it, right?

VIVIAN
Locke’s chief aide, Tom, handles all his affairs. If I can get Tom to vouch for me, would that be enough?

Edmund frowns, thinking, then nods.

EDMUND
Of course. Tom speaks for Mr. Harris — we all know that.

Other guests murmur in agreement.

GUEST
That’s true. No one’s seen Mr. Harris for years. It’s always his assistant Tom speaking on his behalf.

Vivian dials her phone, putting it on speaker. The screen shows a contact: “TOM.”

VIVIAN (V.O.)
Good thing Tom is my dad ... hope he doesn’t screw this up.

VIVIAN
Tom.

ROSE (V.O.)
She really have Tom’s number?

24 5.2 INT. BLACKSTONE CAPITAL - SECRETARIAL OFFICE - DAY 24

TOM (CHUCKLING)
My dear little princess, what’s the matter?

25 5.3 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 25

EDMUND (V.O., EXCITED)
That settles it! Vivian really is Miss Winston—Locke's assistant just called her "princess"!

EPISODE 6

26 6.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 26

Edmund hurries over to Vivian, eager to please.

EDMUND
Are you really Mr. Harris's chief assistant? I've heard so much about you—

VIVIAN (INTERRUPTING)
Edmund, Tom and I have business to discuss. I'll introduce you to Mr. Harris later. For now, could you wait here?

Edmund freezes, then nods. Vivian moves toward the window. She turns off speaker mode and lowers her voice.

VIVIAN (CONT'D)
Where's Mr. Harris right now?

TOM (ON PHONE)
Why are you asking about Mr. Harris again? Trying to impersonate the heiress now?

VIVIAN
Please, Dad, I'm desperate. I don't have any other way.

TOM (SIGHING)
Mr. Harris is in Deer Town. He won't be back for at least three months. As for the heiress—she vanished three years ago.

VIVIAN (EXCITED)
Perfect! Dad, I need you to back me up on this — just once.

TOM
This is the last time.

Vivian exhales in relief, runs back to the center of the crowd, and switches her phone to speaker mode.

TOM (ON SPEAKER) (CONT'D)
Vivian is indeed the heiress of Blackstone Capital. She insisted on traveling alone, so please take good care of her. Blackstone will show our gratitude.

The crowd exchanges excited glances.

EDMUND
Of course. We'll take good care of the young lady. Please tell Mr. Harris not to worry.

VIVIAN
Alright, Tom. You can go now.

TOM
Yes, Miss.

Vivian ends the call and turns to the crowd.

VIVIAN
Well? Does anyone still doubt my identity?

EDMUND (FORCED SMILE)
Of course not. I always believe you, darling.

Vivian lets out a cold snort and fixes her eyes on Rose.

VIVIAN (SMIRKING)
And you? You pathetic impostor — what else do you have to say?

ROSE (CALM)
How ridiculous. You and Tom seem a little too familiar, maybe there's something going on between you two?

Vivian's stunned.

EDMUND (SNAPPING)
Enough, Rose! Stop embarrassing yourself. You were pretending to be Miss Winston, trying to force me into marriage— stop dreaming. You liar!

ROSE (LOUDLY)
No, I came to tell you... I'm pregnant with your child.

EDMUND (STUNNED)
What?

Rose pulls a pregnancy test and throws it in his face. Edmund and Vivian stare, speechless.

EPISODE 7

27 7.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 27

Edmund stares at the pregnancy test in disbelief.

EDMUND (CANT HIDE HIS JOY)
You’re pregnant... I’m going to be a father...

VIVIAN (PANICKED, V.O.)
That bitch is pregnant with Edmund’s child...

Vivian's furious and hooks her arm through Edmund’s.

VIVIAN (COLD) (CONT'D)
Edmund, don’t forget, I saved your company.

Edmund snaps back to reality and turns to Vivian.

EDMUND (DEFIANT)
Of course I remember.

VIVIAN (MEAN)
Then choose. Me—or her and that mystery bastard she’s carrying.

Rose laughs softly.

ROSE (SCORNING)
Choose? Edmund, remember — I was the one who dumped your ass. You don’t deserve me. And the baby is mine alone. You have nothing to do with it.

Edmund’s face flushes red.

EDMUND
You—

ROSE (TO VIVIAN, ICY)
Go on, cuddle your corporate trash. No one’s stealing this from you.

Vivian clamps down on her anger, then turns to Edmund with a smile that’s all poison.

VIVIAN (SWEET BUT VICIOUS)
Edmund, I don’t care how you feel—she can’t have that baby. If she keeps it, there’s no future for us. Do it now.

Rose freezes, horrified. She looks at Edmund, his expression dark.

ROSE (SCARED)
Edmund, what are you thinking... This is the child you wanted—don’t you remember?

Edmund’s eyes drop to Rose’s belly, torn.

Edmund and Rose arrange the nursery together.

ROSE
We’re not even married and you’re already setting up a nursery—why rush?

Edmund places a stroller in the room, sits on the floor, gentle and earnest.

EDMUND (TENDER)
Rose, my family line has to continue. My parents want grandchildren. I’ve never found the right woman—until you.

Rose is moved. Edmund pulls her close.

EDMUND (CONT'D)
I want to have kids with you—one boy, one girl. Siblings. Then we’ll get married.

VIVIAN (SNEERING)
What’s that look? You gonna keep this baby?

Edmund snaps back to focus on Rose’s belly.

EDMUND (HESITANT)
I...

Vivian slaps Edmund across the face.

VIVIAN (FURIOUS)
If you don't get rid of the child, you get nothing—don’t forget, that two hundred million comes from me!

Edmund’s fists clench. The last of his hesitation hardens into cold resolve.

EDMUND (GRITTING HIS TEETH)
I will only have kids with you, Vivian. And this bitch... we will hear about her miscarriage tomorrow morning.

Rose recoils, stunned and horrified.

ROSE (DESPERATE)
Edmund—no matter what happens between us, that child is yours. It's your blood!

Edmund walks toward her. Rose stumbles, tries to run.

Locke nods solemnly, gripping Rose's hand like a promise. Little Rose looks up, trusting.

END FLASHBACK

32 7.6 INT. MICHELIN RESTAURANT - DAY 32

Rose starts down the stairs but Edmund grabs her arm.

EDMUND
Don't run!

ROSE (FRIGHTENED)
That's your child, Edmund! Are you really going to kill your own baby just to protect a lie?

33 7.7 EXT. MICHELIN RESTAURANT - FRONT DOOR - NIGHT 33

Locke looks back at the restaurant, resolve hardening.

LOCKE (V.O.)
I swore I'd keep Rose safe—no one will hurt her. Even if it costs me my life.

EPISODE 8

34 8.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 34

EDMUND (CRUELLY)
Don’t twist things. You’re nothing but a cheap slut—who knows whose kid that is?

Rose stares at him, shocked.

ROSE (HURT)
What did you just say? You know you’re the only man I’ve ever been with! You’ll do anything to climb higher, won’t you?

Edmund smirks coldly.

EDMUND
If you love me so much, then do me one last favor. Once that baby’s gone, I’ll finally be one of the elite.

Rose slaps him hard.

ROSE (FURIOUS)
You idiot! I’m the real Blackstone heiress! You’ll regret this—Blackstone Capital won’t let you off!

Edmund rubs his cheek, sneering.

EDMUND (DISGUSTED)
Still pretending? You could never compare to the real heiress—stop humiliating yourself.

Vivian descends the staircase in her heels, standing beside Edmund, gazing down at Rose with contempt. Her eyes flick toward the long staircase behind Rose—then back to Edmund, a sinister smile forming.

VIVIAN (COLDLY)
Edmund, do it. Don’t let her ruin our engagement. I’m still waiting for you to put that ring on my finger.

ROSE (DEFYING)
If you dare touch me, Edmund, I swear I’ll make your life a living hell.

Rose fumbles through her purse, pulling out her phone to call Locke. Edmund’s eyes harden—pain replaced by resolve. He suddenly shoves her with all his strength.

EDMUND (SHOUTING)
Die!

Rose’s eyes widen. She screams as she tumbles backward down the stairs, phone flying and shattering.

ROSE (SCREAMING)
Ah—no! My baby!

Her body bounces down the steps. Fragments of memory flash through her mind—

— Rose holding a pregnancy test, smiling.

— Rose pacing the nursery, touching her belly.

— Rose’s voice, soft and hopeful.

ROSE (V.O.)
Baby, don’t worry. We’ll wait for Daddy together. He’ll be so happy when he knows you exist...

The montage fades.

Rose lies at the foot of the stairs. Blood spreads beneath her. Guests gasp. Rose curls up in pain, tears and blood mingling down her face. Above, Vivian and Edmund stand on the stairs, cold and victorious.

VIVIAN (CRUELLY)
Rose, this is for your own good. Your child would’ve been born in some filthy clinic, grown up a servant like you. I did you a favor, and you should be grateful I ended your suffering.

Rose clutches her abdomen, whispering weakly. Her eyes flutter. A single tear slides down her cheek.

ROSE
My... baby... I’m sorry... I couldn’t protect you...

35 8.2 EXT. MICHELIN RESTAURANT - FRONT DOOR - DAY 35

Locke sits in his car, smoking anxiously. A waiter rushes out of the restaurant, panicked.

WAITER (URGENT)
Mr. Harris, Miss Winston's in trouble!

Locke’s eyes widen. He throws open the car door and runs toward the entrance.

LOCKE (ALARMED)
Rose!

From the cars behind, several men in black suits get out and follow. Leading them is a tall, grim man—**ERIC**, Locke’s head of security.

EPISODE 9

36 9.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 36

Vivian lifts a glass of red wine from the champagne tower, standing proudly at the top of the stairs.

VIVIAN (SMIRKING)
Rose, do you like the ending I prepared for you? Fits your kind perfectly.

She picks up another glass and hands it to Edmund. He takes it silently and downs it in one go.

VIVIAN (SATISFIED) (CONT'D)
Nice work.

Rose lies in a pool of blood, struggling to open her eyes. Through the blur she sees them toasting, her fingers twitching as she whispers for help.

ROSE (WEAK)
Help... please... call 911...

Bystanders exchange uneasy looks but hesitate to move— only one woman, **LUCY**, rushes forward.

LUCY (FRANTIC)
Don’t worry, I’m calling right now!

Rose relaxes. Lucy dials 911; the phone starts ringing. Vivian scoffs, walking down the stairs with her wine glass. Edmund follows. Vivian kneels beside Rose and pours the wine over her face. Rose twists away in pain.

ROSE (CRYING OUT)
Ah—!

Lucy grabs Vivian’s wrist.

LUCY (ANGRY)
What the hell are you doing?! Stop it!

VIVIAN (CHILLINGLY)
You going to stand against me?

LUCY (SHAKING, DEFIANT)
You can’t just assault someone in public! That’s a crime!

VIVIAN (SMIRKING)
Do you even know who I am? I’m the sole heiress of Blackstone Capital.

The emergency line connects.

NURSE (V.O.)
Hello, this is emergency services-

Vivian leans close, voice dripping with threat.

VIVIAN (LOW)
Say a word, and I'll make sure you and your family never see another sunrise.

Rose groans. Lucy looks between them, trembling.

LUCY (QUIETLY, INTO PHONE)
Sorry... wrong number.

Rose shakes her head weakly, hope draining from her eyes. Lucy hangs up, guilt brimming. Vivian smirks.

VIVIAN (COLDLY)
Game's not over yet. Edmund—hit her. I want her to never carry a child again.

Edmund's eyes darken. He rolls up his sleeves and steps forward. Rose starts crawling toward the exit, leaving a trail of blood. Edmund stomps down on her leg.

EDMUND (SNARLING)
Think you can run?

ROSE (TERRIFIED)
Please... don't...

ROSE (SCREAMING)
Ah—!

EDMUND (TO HIS MEN)
All of you! Do it! Crush her belly!

A wave of bodyguards rushes forward, kicking and punching mercilessly. Rose curls up, screaming.

ROSE (V.O.)
Baby... I'm sorry... this world... it's so cruel...

As the blows rain down, she hears— a baby's laugh, soft and clear. Her eyes widen. Through the blur, she "sees" a barefoot baby crawling toward her, smiling.

She reaches out, whispering. But Edmund's boot slams into her again. The vision shatters. Only cold marble remains. Rose sobs.

ROSE (FEEBLE)
Baby... My baby...

Lucy can't stand it any longer—she steps in again.

LUCY (PLEADING)
Stop! You can't just kill her—no matter who you are!

Edmund hesitates. Vivian sneers, grabs a candle holder, shoves it into Edmund's hand.

VIVIAN (ICILY)
End it. Give her a clean death.

Edmund swallows hard, lifts the candle holder.

EDMUND (QUIETLY)
I'm sorry...

Rose looks up, barely conscious, her hand trembling as she grasps his pant leg.

ROSE (WHISPERING)
Please... don't... I'm begging you...

Edmund shuts his eyes and swings down.

ROSE (SOFTLY) (CONT'D)
Don't be afraid, baby... Mommy will stay with you... always...

Before the blow lands—a thunderous crash. Black-clad men smash through the restaurant's glass walls. Glass shatters, lights flicker, chaos erupts. The gunmen storm in, surrounding everyone. Guests scream in terror. The main doors fly open. Locke steps inside, eyes blazing.

LOCKE (COLDLY)
Touch her again, and none of you will live to regret it.

He gestures sharply—his men cock their weapons in unison. Edmund, Vivian, and their guards freeze in fear.

EPISODE 10

39 10.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 39

Edmund freezes, the candlestick still raised. Vivian's kick halts too. Both stare at Locke in shock. The hired thugs who'd been helping them stop instantly, unsure what to do. Rose forces her eyes open, searching toward Locke. Locke rushes to her, kneeling beside her. His hands tremble as he brushes the blood from her face.

ROSE (WEAK)
Locke… the baby… save my baby…

Locke’s eyes burn red as he sees the blood and pain on Rose's face. He gently cups her face, then pulls her into his arms.

LOCKE (SOFTLY)
I’m sorry… I’m too late.

Rose sobs, clutching at his tie with trembling fingers.

ROSE (PLEADING)
Locke… they hurt me…

Locke wipes her tears with his thumb.

LOCKE
I'm here. No one will ever hurt you again.

He helps her into a chair, then straightens, turning to face the room. His expression hardens — cold, lethal.

LOCKE (CONT'D)
No one touches the heiress of Blackstone Capital. Whoever laid a hand on her — step forward. Now. My patience is thin.

People stumbles backward, pointing at Edmund and Vivian.

GUEST
It was them! We had nothing to do with it!

EDMUND (HORRIFIED)
What—no! That's impossiboe... Rose… Rose is the real heiress?

Locke strides forward, grabs Edmund by the collar, and punches him hard, slamming him against the wall. Edmund collapses, crying out in pain.

EDMUND (CONT'D)
I’m sorry! Mr. Harris, please—I’m sorry!

Locke plants a boot on Edmund’s hand.

LOCKE
Who else laid a hand on her? (turns to Vivian) You?

Vivian stumbles back, swallowing hard. Tom’s voice echoes in her mind.

TOM (V.O.)
Mr. Harris is in Deer Town. He won’t be back for at least three months. As for the heiress—she vanished three years ago.

VIVIAN
No! You’re not Locke!

LOCKE (COLD)
What did you just say?

VIVIAN (TRIUMPHANT)
Locke’s in Deer Town on business. He wouldn’t be here! You’re a fake!

EDMUND (HESITANT)
Wait… really?

VIVIAN (SMIRKING)
Of course! Tom will come to deal with this fraud. I’ll call him right now.

Vivian pulls out her phone, dials, and puts it on speaker. Before Tom can speak, she cuts in.

VIVIAN (INTO PHONE) (CONT'D)
Tom, Mr. Harris's still in Deer Town, right? He’s not coming back anytime soon?

TOM (ON PHONE, PAUSING THEN ADJUSTING)
Of course. Mr. Harris won’t return for another three months.

VIVIAN (CHUCKLING)
Funny thing, there’s someone here claiming to be him.

TOM (ON PHONE)
Impossible!

VIVIAN (GLOATING)
Exactly. You’d better come quickly before this impostor ruins Mr. Harris’s name.

TOM (ON PHONE, SHARP)
Outrageous. I’m on my way. Whoever’s pretending to be Mr. Harris is a dead man!

She hangs up, smiling smugly at the stunned crowd.

VIVIAN
Well? You all heard him. The man standing here isn’t Locke at all!

EPISODE 11

40 11.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 40

VIVIAN
A nobody like you dares to impersonate Mr. Harris? You've got a death wish!

She suddenly slaps Locke hard across the face.

VIVIAN (CONT'D)
I'm the heiress of Blackstone Capital. And I've never seen you before!

The crowd gasps, frozen. Eric rushes forward and shoves Vivian back. Locke's face darkens. He touches the side of his cheek, then lets out a cold laugh.

LOCKE
You've got some nerve.

VIVIAN
No, you do. You're just some actor Rose hired, aren't you? You'd better confess now—when Tom gets here, he won't be as merciful as I am.

On the floor, Edmund lifts his head, smirking.

EDMUND
So, you're a fraud, huh? Then let me go already!

Locke glares down at him, brows tightening in annoyance, then kicks him squarely in the chest.

LOCKE
Shut up. Enough talking. Eric, handle them!

He signals to the bodyguards. They move in. Vivian spots Rose nearby. She grabs a shard of broken glass from the floor and lunges forward, seizing Rose from behind.

VIVIAN
Don't move!

Locke freezes. Rose winces as Vivian presses the glass to her throat.

VIVIAN (CONT'D)
Try anything, and she dies!

LOCKE
Let her go!

VIVIAN
She means the world to you, doesn't she? But Edmund, he means nothing to me! Want to see who's willing to go further?

Locke’s jaw tightens. Vivian presses harder — a thin line of blood trickles down Rose’s neck.

LOCKE (ALARMED)
Stop! What do you want?

VIVIAN (SMIRKING)
Let Edmund go. Tell your men to leave. Now.

Rose shakes her head. Locke looks at her bleeding throat. He releases Edmund and gestures to his men.

LOCKE
Out.

Eric leads the guards out. The doors close, leaving only the four of them. Edmund scrambles to Vivian’s side.

LOCKE (CONT'D)
Now let her go.

VIVIAN (COLDLY)
Did you really think I’d just forgive you?

EDMUND
Yeah, Vivian’s the heiress of Blackstone, and I’m her fiancé. After what you did to me, you think this ends so easily?

LOCKE
What do you want?

VIVIAN
I want you to kneel.

ROSE (HORRIFIED)
No! Locke, don’t!

Vivian jerks the glass tighter; Rose gasps in pain.

LOCKE
Rose!

VIVIAN (SNAPPING)
Shut up! (to Locke) You heard me. Get on your knees—or she bleed out before you can blink.

Tears stream down Rose’s face as she shakes her head.

ROSE
Locke, don’t! Don’t listen to them! Don’t kneel—

Vivian sneers and drags the glass sharply across Rose’s neck. Blood spurts instantly.

LOCKE (SHOUTING)
Stop! I’ll do it!

He drops to one knee with a heavy thud, then the other. His body trembles, but his back remains straight. Vivian smiles and halts her hand. Rose breaks down, sobbing.

ROSE
Locke!

Locke’s eyes burn with rage as he stares up at Edmund.

LOCKE
Now... let her go.

ROSE (V.O., SOBBING)
He... he knelt down for me...

EPISODE 12

41 12.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 41

LOCKE
Now... let her go.

Edmund bursts into wild laughter and stomps on Locke’s knee. Locke groans in pain.

EDMUND
Let her go? Not even close!

He snatches the fallen candlestick from the floor and swings it down hard onto Locke’s head. Blood splatters. Locke staggers, blood dripping down his face.

EDMUND (TAUNTING) (CONT'D)
What happened to all that confidence? Didn’t you want to show me your strength? Where is it now, huh?

ROSE (DESPERATE)
Locke! Stop it! Please, stop!

Vivian sneers and tightens her grip on Rose’s throat.

VIVIAN
You two—one pretending to be me, one pretending to be my uncle. Edmund, teach this fake a lesson he’ll never forget.

EDMUND
Gladly. I’ll make sure he remembers this forever.

He slams the candlestick down again. It cracks against Locke’s skull — Locke collapses backward, blood spreading across his face, his expression in pain.

ROSE (CRYING)
Locke!

LOCKE (WEAKLY, SMILING)
I’m fine…

Rose breaks down, sobbing harder.

ROSE
Stop it! He’s the real Locke! You’ll regret this!

Edmund hesitates and glances at Vivian.

EDMUND
Vivian…

VIVIAN
Still won’t admit it? Fine. I’ll make you confess.

EDMUND
Oh? You have proof?

Vivian’s lips curl into a cold smile.

VIVIAN
You don’t know, do you? Locke’s just one of my bodyguards.

VIVIAN (V.O.)
Good thing Dad told me so many details about him...

The crowd murmurs, shocked.

VIVIAN
Twenty years ago, Locke took a knife for me — nearly lost his arm. The scar’s still there.

Rose’s eyes fill with tears. She looks at Locke. He meets her gaze, and mouths the words: Don’t be afraid.

VIVIAN (SMIRKING) (CONT'D)
You claim to be Locke? Then prove it.Do you have that scar?

EDMUND
Yeah, if you’re so sure you’re Locke, show us your arm!

ROSE
If he does… will you let him go? Will you stop?

VIVIAN (SCOFFING)
Of course. If he really has that scar, I’ll get on my knees and beg for forgiveness.

EDMUND (LAUGHING)
Yeah, if he’s got it, I’ll chop my own head off and hand it to him as a stool! Hahaha!

Locke pushes himself up from the ground, half-kneeling, one hand bracing his weight. He scans the room, nods.

LOCKE
Since you all want to see...

He starts to rise, but Edmund stomps his knee again.

EDMUND
Stay down! Take off your shirt!

Locke glares up at him, his eyes sharp enough to cut. Edmund flinches, but forces a shaky sneer.

EDMUND (CONT'D)
What are you looking at?

Locke rolls up his sleeve. The crowd leans in. Bit by bit, the fabric slides upward—until a deep, jagged scar is revealed across his arm. Everyone stares in shock.

VIVIAN (V.O.)
No... it can’t be… he really is Locke...

Locke’s expression remains cold, unreadable. He looks straight at Vivian.

LOCKE
Now… can you let Rose go?

The crowd, stunned, begins to murmur.

GUEST
He really has the scar...

Edmund whirls toward Vivian, panic setting in.

EDMUND
He—he really has the scar. He’s the real Mr. Locke… then we—

Vivian swallows hard, face paling.

VIVIAN
No! Impossible! You must’ve overheard something. You planned this, didn’t you?

LOCKE (ICILY)
Enough. You’ve crossed the line too many times.Let her go. Now!

Edmund hesitates. Vivian shakes her head violently.

VIVIAN (V.O.)
No, it can’t be… Wait—Dad said Locke once took a bullet for the heiress. A gunshot wound, right in the chest. Only a handful of people know that… yes, that’s it!

VIVIAN (LOUDLY)
Impossible! Locke took a bullet for me five years ago — left a gunshot scar on his chest. There’s no way you’d know that!

EDMUND
Yeah! If you’ve got that scar too, then I’ll believe you!

LOCKE (SMIRKING)
Is that so?

He gives a cold laugh, unbuttoning his suit jacket.

LOCKE (CONT'D)
Seems you know quite a lot about me.

He starts undoing his shirt buttons. Vivian swallows nervously. Rose weeps silently, watching him.

LOCKE
Gunshot wound.

Edmund stumbles back, pale and trembling.

EDMUND
You… you really are Locke!

Vivian's face twists in terror.

VIVIAN
No… that's impossible… you're— you're really Locke…

EPISODE 14

47 14.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 47

EDMUND
You… you're really Locke!

Vivian stares in horror as Locke slowly rises from the ground, step by step, like a predator closing in.

LOCKE
Now it's your turn to pay the price.

Vivian trembles, her entire body shaking.

LOCKE (CONT'D)
Let Rose go.

Vivian's breathing quickens. She shakes her head, eyes wide with fear.

VIVIAN (HYSTERICAL)
No! You can't be Locke! Locke's in Deer Town! You're not him!

LOCKE (COLD)
Didn’t you already prove who I am? My patience is running out—don’t test me again.

Vivian shakes her head. The shard in her hand presses harder against Rose’s neck, blood starting to drip.

VIVIAN
Stay back! Don’t come any closer! Tom’s coming. When he gets here, you're finished!

LOCKE (SMIRKING)
Tom? Then let him come. I’d love to see how I die.

Terrified, Vivian dials furiously.

VIVIAN (INTO PHONE)
Tom! Where are you? This man pretending to be Locke is out of control!

TOM (ON PHONE)
Calm down. I’m already downstairs. Whoever’s impersonating Mr. Harris, he’s dead!

48 14.2 EXT. MICHELIN RESTAURANT - FRONT DOOR - DAY 48

He leads his men toward the entrance.

Vivian hangs up, regaining a bit of her smugness.

VIVIAN
Almost had me fooled. You hear that? Locke’s chief aide, Tom, is on his way. Let’s see how long you can keep pretending.

VIVIAN (CONT'D)
Rose, tell your little actor to kneel and beg us for mercy.

LOCKE (CALM)
Sure. Let’s see who's gonna kneels — me, or Tom.

The main doors swing open.

TOM (O.S.)
Who’s got such a big mouth they expect me to kneel?

Everyone turns. Tom enters with his bodyguards. Edmund immediately runs to him, sycophantic smile on his face.

VIVIAN
Tom!

She points straight at Locke. (Staging note: Vivian holds Rose at knifepoint, facing the door. Locke stands between them and the entrance, shirtless, his back to the door.)

VIVIAN (CONT'D)
It’s him! He’s pretending to be Locke! He even said you’d have to kneel to him—and he hurt me!

TOM (SNARLING)
Insolent bastard! I’ll make sure he pays for this insult!

EDMUND (EAGERLY)
As Mr. Harris’s chief aide, Tom, you must teach this scum a lesson!

Tom strides toward Locke, expression cold. Locke doesn’t move, his gaze dark and steady.

TOM
Don’t worry. He dared to impersonate Mr. Harris, he won’t live to regret it.

He grabs Locke’s shoulder roughly.

TOM (CONT'D)
Let’s see which fool’s pretending to be—

Tom stops mid-sentence as Locke turns his head. Tom freezes, face draining of color. His hand jerks back as he stumbles, collapsing to the floor.

TOM (TERRIFIED) (CONT'D)
M-Mr. Harris!

The room falls dead silent. Everyone stares in shock.

EPISODE 15

50 15.1 INT. MICHELIN RESTAURANT - PARTY HALL - DAY 50

TOM (PANICKED)
M-Mr. Harris!

Edmund blinks, stunned.

EDMUND
Tom? This is the guy impersonating Mr. Harris!

VIVIAN (FURIOUS)
Yes—teach him a lesson! Rip him apart and toss him down the sewer!

EDMUND (SMOKING WITH RAGE)
No—killing him outright would be too easy. Make him suffer. Make his life a living hell!

Locke rises slowly, stretching, eyes cold as he stares at Tom. Tom breaks out in a cold sweat—then, in a desperate panic, slaps Edmund across the face.

TOM (SNAPPING)
Shut your goddamn mouth!

Edmund stands there, stunned, mouth hanging open.

VIVIAN
Tom—what are you—

Tom smacks Vivian hard, too.

TOM (HARD)
You shut up, too!

Vivian clutches her cheek, shocked and confused. Tom drops to his knees before Locke, pleading.

TOM (BEGGING) (CONT'D)
Mr. Harris, it was my fault. I was deceived—I thought someone was impersonating you!

Edmund and Vivian stare, incredulous.

EDMUND
What? He’s really Mr. Harris?

Edmund’s face collapses. Vivian trembles, the shard of glass she’d held falling from her hand.

VIVIAN (SHAKEN)
No... that can’t be. It he's real—then... Rose was real too?

Locke moves to Rose and helps her up, concerned.

LOCKE (CALMLY)
Are you okay?

Rose nods weakly. Tom’s eyes never leave Locke. Terrified, he slaps his own face again and again.

TOM (DESPERATE)
Sir—please—punish me. Any punishment. Please!

Locke's gaze finally lands on Tom. He snorts and kicks Tom's knee hard. Tom collapses to the floor, kneeling.

LOCKE (COLD)
Don't show your face at the company again.

Tom panics, shaking his head violently.

TOM (PLEADING)
No—please, Mr. Harris! I'm begging you—don't fire me!

Locke flicks his fingers. Eric steps forward and drags Tom away by the arm. Edmund and Vivian watch, terrified.

VIVIAN (V.O.)
Dad!

Edmund swallows hard, eyes darting to Vivian.

EDMUND (PANICKED)
Mr. Harris—this is all her! It's her fault! That bitch set me up! It's not my doing!

Locke turns to Edmund.

LOCKE (COLDLY)
You used your right hand, didn't you?

EDMUND (TERRIFIED)
No—no, I didn't! Mr. Harris, please, I swear I didn't!

Locke's gaze shifts to Vivian.

LOCKE (ICILY)
And you.

VIVIAN (SHAKING)
I-I didn't do anything...

Eric enters, a gun in his hand. Locke smirks and extends his hand. Eric passes him the weapon. Locke raises the gun, then fires two shots. One hits Edmund's right hand. The other slams into Vivian's shoulder.

EDMUND (SCREAMING)
Ah—!

VIVIAN (WAILING)
Ah—!

LOCKE
Clean them up.

Eric steps forward and kicks Edmund hard in the chest, then plants his boot on Vivian and pulls out a knife.

VIVIAN (PLEADING)
Please... don’t...!

Eric raises the blade and slashes downward.

VIVIAN (SCREAMING) (CONT'D)
Ah—!

Locke turns away, walking toward Rose. He bends and lifts her gently into his arms. Rose clings weakly to his neck, eyes dazed and frightened.

LOCKE (SOFTLY)
Let’s go. I’m taking you home.

LOCKE
Rose?

Rose throws her arms around his neck, eyes red.

ROSE
Locke, I love you!

LOCKE (SHOCKED)
Do you understand what you’re saying?

He tries to pry her hands off, but she clings to him.

ROSE
I’m not a kid anymore. I know what I feel! I love you, like a woman loves a man!

LOCKE (UNSTEADY)
I’m your uncle, Rose! Do you understand? There can’t be love between us!

He forces her off him, putting space between them.

ROSE
Why not? We’re not blood-related!

LOCKE
Your grandfather entrusted you to me so I could protect you — not to have feelings for you!

Rose stands frozen, her expression shattered.

54 16.4 INT. HOSPITAL ROOM - DAY 54

Rose blinks, focusing on Locke sitting beside her.

ROSE (PANICKED)
Mm... my baby—what about my baby? Is it... still with me?

Locke falters, avoiding her gaze.

LOCKE (ASHAMED)
Sorry. I failed to keep you safe.

Tears pour down Rose’s face.

ROSE (BREAKING)
You protected me so many times... That bastard Edmund... If I'd never met him... if I didn't...

LOCKE (V.O., GUILTY)

56 17.2 INT. EDMUND’S VILLA - DAY 56

Edmund grabs Vivian by the hair and slaps her hard.

EDMUND (FURIOUS)
It’s all your fault, you bitch! If it weren’t for you, I wouldn’t have missed the real heiress!

Vivian tumbles onto the couch but springs up and slaps him back.

VIVIAN (SNAPPING)
You’re such an idiot. You think you could land the Blackstone's heiress without me?

They come to blows.

EDMUND (ANGRY)
She’s pregnant with my kid—this is all because of you,you slut!

VIVIAN (COLD)
Wake up. She doesn’t want you. She wants her uncle, Locke. You’re just a placeholder she used for fun.

Edmund freezes.

EDMUND
What did you say?

VIVIAN (SCORNFUL)
Three years ago Rose ran away because she confessed to Locke and he rejected her. She never had feelings for you.

Edmund punches the wall in fury.

EDMUND (SPITTING)
Jesus! That filthy liar! Pretending to be pure while screwing her uncle!

VIVIAN (SMIRKING)
Now are you awake? Good. Listen. She got me into this situation. Of course I’m taking everything from her!

At that moment, **SARAH** (Vivian’s mother) enters. Vivian takes Sarah’s hand and steers her forward.

VIVIAN (PROUD) (CONT'D)
This is my mother. My father was fired, she still works at Winston Manor. She’ll help us.

Sarah nods quietly.

ROSE (V.O.)
Looks like Locke got revenge for me.

ROSE
Where’s Locke?

MAUREEN (CAUTIOUS)
Mr. Harris only went to bed at three this morning, miss. He’s probably still asleep.

ROSE (SURPRISED)
Three? He used to sleep early.

MAUREEN (LOW)
Ever since you left three years ago, he’s had trouble sleeping.

Rose freezes, the spoon pausing in her hand.

Rose quietly pushes open the door and tiptoes inside. She stands beside the bed, gazing down at the sleeping Locke. Unable to resist, she reaches out to touch him. Suddenly, Locke frowns and murmurs in his sleep.

LOCKE (MURMURING)
Rose...

Rose’s hand stills.

ROSE (V.O.)
Locke... you dream about me? Does that mean you...?

She starts to step away, but Locke’s hand catches hers.

LOCKE (HALF ASLEEP)
Don’t go... Rose...

Rose turns back just as Locke opens his eyes. He looks at her —then at his hand holding hers, quickly lets go.

LOCKE (FROWNING) (CONT'D)
What are you doing here?

Rose lowers her gaze.

ROSE (SOFTLY)
If you could go back, would you still turn me away?

Locke meets her eyes, his face hard.

LOCKE (STEADY)
Yes. But this time, I wouldn't let you cross paths with Edmund.

Rose lets out a faint, bitter laugh.

ROSE (SADLY)
I see... I guess it was just wishful thinking on my part.

LOCKE
Rose, I—

ROSE (CUTTING HIM OFF)
You don't have to comfort me.

She bows her head, wiping away a tear.

ROSE (CALMLY) (CONT'D)
It's been a long time.I'm fine. I just came to tell you I'm moving to the West Hill villa.

Rose lies on an operating table, the white light blinding her. She slowly wakes, squinting against the brightness.

ROSE (V.O.)
Where am I... my head... so dizzy...

A conversation echoes in her ears.

DOCTOR
Miss Vivian, are you sure you want to have your face changed to look like Rose's? You’ve seen the surgical risks disclosure, right?

VIVIAN (IMPATIENTLY)
Of course! Start the procedure!

DOCTOR
This is a liability waiver. You're solely responsible for any complications that may arise during the procedure, and the hospital bears no responsibility.

VIVIAN (WITHOUT HESITATION)
Give me the pen!

Rose’s eyes snap open, her vision blurry, but she sees the glint of surgical instruments. Her body stiffens.

ROSE
I... I don’t consent!

The doctor and Vivian turn toward her.

ROSE (CONT'D)
Doctor, I was kidnapped by her!

The doctor frowns and steps toward Rose.

ROSE (CONT'D)
Doctor, I don’t consent. The surgery can’t happen!

The doctor scoffs, his expression hardening.

DOCTOR
Woke up so soon? (He turns to the door) Jack, where’s the anesthetist? Get him in here!

Rose’s pupils contract in fear. Her body goes cold.

ROSE
You... you’re all in this together!

Vivian smirks as she walks closer.

VIVIAN (SNEERING)
Of course. This place is for special clients. They only care about money, not people.

Rose trembles, her wrists bound tightly by cold restraints, leaving deep red marks. Vivian leans down, her breath warm on Rose’s ear, her hair, scented with perfume, brushing against Rose’s cheek. Vivian’s fingers glide slowly, tracing Rose’s cheek, brow and nose...

VIVIAN (WHISPERING, OBSESSIVE) (CONT'D)
Stop struggling, sweetheart. Just give me your pretty face.

Rose’s face turns deathly pale.

Sir, something’s wrong!

Locke, getting dressed, opens the door.

LOCKE (CALMLY)
What’s going on?

THOMAS
The West Hill villa called—Miss Rose hasn’t arrived! She left two hours ago, and normally, this drive takes only half an hour!

Locke’s expression shifts to concern.

LOCKE
Gather everyone immediately! We need to find Rose—Eric!

Eric, the bodyguard, enters promptly.

ERIC
Yes, sir!

Rose's eyes track Vivian's fingers; each touch sends a shudder through her. She swallows hard, terrified.

ROSE (PLEADING)
I'll pay you—double, triple, ten times what she paid! Just let me go!

Vivian's face hardens. She straightens and slaps Rose across the face.

VIVIAN (SNARLING)
Don't even think about it!

She turns to the doctor, voice low and threatening.

VIVIAN (TO DOCTOR) (CONT'D)
They signed the contract and paid a deposit. Backing out now would ruin your business!

DOCTOR (CLINICAL)
Miss Vivian is our client. We honor our commitments.

The anesthetist wheels in a cart and makes a noise as he sets it down.

DOCTOR (CONT'D)
Give her another dose—make sure she won't move.

The anesthetist nods. He snaps the neck off an ampoule and draws the liquid into a syringe. Rose's fear spikes; she writhes on the table,straps cutting into her wrists.

ROSE (TERROR)
Vivian, stop! Aren't you afraid of Locke? He'll come and find me!

Vivian laughs, stepping in close.

VIVIAN (TRIUMPHANT)
Locke? By the time he gets here it'll be too late. With your face, I'll take your life—your rights, your status, your men. Edmund, Locke, they'll be mine!

She leans so close their noses nearly touch.

VIVIAN (WHISPERING, OBSESSIVE) (CONT'D)
And you? I'll make you a filthy slut — so you know what it's like to be fallen, Miss Winston.

Rose's jaw tightens.

ROSE (DEFIANT)
Even if you take my face, Locke will still know that's you. You can't fool him.

Vivian smirks, slapping Rose's cheek lightly.

VIVIAN (CRUEL)
Don't worry about that. (her fingernail drags across Rose's tear duct) Don't puff up your eyes—if you cry and ruin the operation, I'll be angry.

She steps back, pleased.

VIVIAN (TO DOCTOR) (CONT'D)
Proceed.

The anesthetist rubs Rose's arm with alcohol and plunges the needle in.

ROSE (WEAK, SOBBING)
No... please... don't...

As the anesthesia enters her veins, Rose feels her eyelids grow heavy. Her body weakens. She bites her tongue hard—pain jolting her mind awake for just a moment. But her body won't obey her anymore.

ANESTHETIST (COLDLY)
The drug's fast-acting. She'll be fully under in seconds. You can begin.

VIVIAN (EXCITED, RUBBING HER HANDS)
Doctor, make it perfect—no flaws! I want her face flawless!

DOCTOR (PUTTING ON GLOVES)
Relax. My work is exact. She'll look identical when I'm done.

He takes a thick marker and draws incision lines across Rose's face. The chill of the ink prickles her skin; she clenches her teeth, eyelids twitching, fighting to stay awake. But her body refuses to move.

ROSE (V.O.)
No... I can't fall asleep... they can't take my face...

Her fingers tremble, clutching the bedsheet weakly. The doctor steps back, satisfied.

DOCTOR
Alright. We'll start from the hairline—clean cut, full lift.

ROSE (V.O.)
Locke... can you find me?

The doctor sets down the pen and picks up a scalpel. The cold metal touches her cheek, making her shiver. He steadies his wrist—then the blade pierces her skin.

DOCTOR
Good... hold that depth. We can peel cleanly from here.

He lifts the scalpel again, adjusting his angle for the next incision—when suddenly—BOOM! The heavy steel door explodes inward, shards of metal and wood scattering across the room. The floor trembles.

LOCKE (ROARING)
Touch her—and you die!

Everyone turns, terrified. Locke stands in the doorway, his coat whipping in the blast's wind. Behind him, a wall of armed men storm in. The doctor's scalpel clatters to the floor. Vivian's face drains of color.

What the hell are you doing? If you mess up the surgery, can you take responsibility?

EDMUND (BREATHLESS)

ERIC (RUSHING IN)
Sir, this isn't the right hospital!

Locke slams his foot into a surgical cart, sending it crashing across the floor.

Gentlemen, tonight's a special treat.
Feast your eyes!

He yanks off the red cloth. Inside the cage—Rose. She's on her knees, wrists and ankles shackled, hair disheveled, eyes filled with fear and humiliation.

OWNER (LOUDLY) (CONT'D)
Used to be a rich little princess.
None of you could've touched her
before—but tonight, she's all yours!

THUG #1
Cut the crap—how much?

OWNER (CHUCKLING)
Money's boring. Let's make it
interesting—each man earns his
chance.

Rose completely exposed in the cage. Then, the owner slips quietly out the back door. The men cheer and surge forward. Rose scrambles to her feet, trying to flee—but the chains are bolted to the floor. She stumbles, yanking helplessly at the restraints.

THUG #1
Come here!

He pulls hard on the chain; Rose is dragged across the stage, her skin scraping against the floor. Another thug grabs the opposite chain—they fight over her like an object. Rose is tossed between them, gasping in pain. She collapses in the center of the stage, trembling. Then—The club doors burst open. Bright light floods the smoky room. Rose looks up, squinting toward the doorway. Locke storms in, fury blazing. Sarah limps after him.

LOCKE (ROARING)
Rose!

ROSE (STUNNED, TEARFUL)
L-Locke... you're finally here!

She throws herself into his arms, sobbing. Eric rushes forward, unfastening the chains. Locke strips off his coat and wraps it around her, shielding her from view. He lifts her into his arms and turns toward the door.

LOCKE (COLDLY)
No survivors.

ERIC
Yes, sir.

Rose clings to Locke’s neck, her tears replaced by a faint, twisted smile. It's Vivian with Rose's face. She looks past his shoulder—at Sarah—and Sarah answers with a knowing, sinister grin.

She glances at her watch, panic flickering in her eyes.

VIVIAN (SNAPPING) (CONT'D)
No time for a full surgery. Make me a mask!

DOCTOR (HESITANT)
And her?

Vivian snatches the scalpel from the doctor’s hand. She smirks—then slashes it across Rose’s face, hard. Deep red cuts bloom across Rose’s once flawless skin.

VIVIAN (COLDLY)
Let’s see if anyone recognizes her now.

She tosses the scalpel aside and dusts off her hands.

VIVIAN (DISMISSIVE) (CONT'D)
Too bad there’s no time to sell her to the red-light district. Edmund—make her mute, and lock her in a mental hospital.

80 24.3 INT. MENTAL ASYLUM - DAY 80

Edmund pushes a meal cart down the hall. From behind steel bars, deranged patients howl and claw at the rails as he passes. He stops at one door and peers through the small barred window. Inside—Rose. Her hair is tangled, her hospital gown loose and wrinkled. She sits in the corner, silent, her eyes dull but still flickering with thought. A spoon bangs against the iron bars. Rose looks up and sees Edmund’s face. Her eyes widen in shock; she rushes forward, grabbing the bars and shaking them violently. She gestures desperately, her throat rasping with broken, voiceless cries.

ROSE (V.O.)
Edmund! Let me out! I’m not insane!

Stop struggling. You’re not leaving.

He holds up a piece of bread, smirking.

EDMUND (LOUDLY) (CONT'D)
Three of you, one loaf. Whoever grabs it—keeps it!

He tosses the bread into the room. The two other patients pounce, fighting viciously. Rose glares at Edmund, hate burning in her eyes.

EDMUND (TAUNTING) (CONT'D)
Still think you’re the noble heiress? (laughs) Get on your knees and beg, and maybe I’ll give you another piece.

Rose snatches off her shoe and hurls it at the door. It hits the bars with a metallic clang.

ROSE (V.O., RAGING)
Get out!

The staff exits. Vivian (Rose's face) picks up the call.

VIVIAN (ROSE'S FACE)
Hello?

VIVIAN (ROSE'S FACE) (SWEETLY)
Of course.

She opens the door. Locke steps inside, offering her a small gift box, his eyes scanning her face with concern.

LOCKE
How are you feeling? Any pain?

VIVIAN (ROSE'S FACE) (NERVOUSLY)
I’m okay... just... afraid of the dark. Locke, could you stay with me for a while?

LOCKE (SOFTLY, INDULGENT)
Alright. I’ll stay here until you fall asleep.

VIVIAN (ROSE'S FACE) (FAKING SHYNESS)
Okay...

Vivian (Rose's face) slips under the covers. Locke switches off the main lights, leaving only a warm bedside lamp.

Go to sleep. Get some rest. Tomorrow, we'll go to dinner.

Vivian (Rose's face) smiles, pretending to relax.

LOCKE
I ordered your favorites in advance. Would you like to add anything?

Vivian (Rose's face) takes the menu, smiling nervously.

VIVIAN (ROSE'S FACE)
Maybe... some foie gras?

Locke freezes, staring at her.

LOCKE (CONFUSED)
Foie gras? You hate animal organs. You’ve never eaten foie gras in your life.

Vivian (Rose's face)’s expression stiffens, panic flashing.

Vivian (Rose's face)’s expression falters, panic flickering in her eyes. Locke studies her, suspicion rising.

VIVIAN (ROSE'S FACE) (STAMMERING)
I— (then brightens suddenly) When I was kidnapped by Vivian, remember? They starved me for weeks... I ate whatever I could to survive. Guess now I can handle anything.

Locke’s face softens. He takes her hand.

LOCKE (SOFTLY)
It’s my fault. I should've protected you, and none of this would’ve happened.

VIVIAN (ROSE'S FACE) (FORCING A SMILE)
It’s okay, Locke. You saved me so many times... There were moments I thought I wouldn’t make it.

Locke’s guilt deepens.

LOCKE
Let me make it up to you somehow.

Vivian (Rose's face) raises a brow, pretending to think.

VIVIAN (ROSE'S FACE) (PLAYFUL)
Then... I want to max out your credit card!

Locke laughs, pulls out a sleek black card, and presses it into her palm.

LOCKE
As you wish. Password’s your birthday.

Vivian (Rose's face)’s fingers close around the card. She smiles.

VIVIAN (ROSE'S FACE) (V.O.)
Finally... I've got the money.

90 27.2 INT. MENTAL ASYLUM - NIGHT 90

Edmund strolls down the corridor, a bottle of red wine swinging in his hand. He stops at Rose’s cell, grinning. Rose turns her head away in disgust. Edmund slumps to the floor, takes a swig straight from the bottle.

EDMUND (TAUNTING)
Good news, princess. Locke just gave Vivian a credit card with a ten-billion-dollar limit.
(MORE)

EDMUND (TAUNTING) (CONT'D)
She’s officially the heiress of Blackstone Capital now. (laughs) Guess your fairy-tale’s over.

Rose’s brows knit tightly.

ROSE (V.O.)
I have to escape... I can’t wait any longer.

Edmund keeps drinking, tossing his jacket aside.

EDMUND (SLURRING)
You used to look down on me ‘cause I was broke... But now I’m the one with money! Me!

He gulps more wine, his words slurring. Finally, he collapses against the bars, half-asleep, eyes glazed. Rose’s eyes snap open. She scans the room—her cellmates are snoring loudly. Edmund’s passed out. Moving silently, she slips to the door, reaching through the bars. Her fingers brush against his jacket pocket... find the keyring... She pulls the keys free—but as she retracts her hand, the metal grazes the door with a sharp *clink.* Edmund’s eyes snap open. Rose freezes.

Edmund and John run to the gallery and look around.

DR. JOHN
She’s not here. Fan out—check the surrounding streets!

They split up, disappearing into the night in different directions. Moments later, the lid of a trash bin near the gallery creaks open. Rose climbs out, trembling, her gown smeared with grime. She limps, one hand gripping the wall for balance, her face tight with pain.

ROSE (V.O.)
If I keep running, they'll find me again. I need to hide...

She looks around, spots a slightly open window on the side of the gallery. Her eyes light up. She limps over, pushes it wider, and crawls inside. Rose drops quietly to the floor. She slumps into a shadowed corner, clutching her bleeding knee, breathing heavily. Her eyelids flutter, exhaustion taking over.

ROSE (V.O.) (CONT'D)
Just... for a minute...

Her head droops, and she slips into uneasy sleep.

Vivian (Rose's face) descends the staircase and takes her seat. Locke places a glass of milk in front of her.

LOCKE
Do you remember what day it is?

Vivian (Rose's face) freezes, caught off guard.

VIVIAN (ROSE'S FACE) (TENSE)
What... day?

LOCKE (CALMLY)
It's Ike's comeback day. His new collection's being unveiled at Vershi Gallery. Finish breakfast— I'll take you there.

Vivian (Rose's face)'s grip tightens, her knuckles whitening.

VIVIAN (ROSE'S FACE)
Ike...? Who's that?

LOCKE (CURIOUS)
What? He's your favorite artist, your idol. You don't remember?

VIVIAN (ROSE'S FACE) (NERVOUS)
I… uh—

LOCKE
How could you not know who he is?

LOCKE (CONCERNED) (CONT'D)
You sure you’re alright?

He moves closer, gently patting her back. Vivian (Rose's face) shakes her head, pressing a hand to her forehead.

VIVIAN (ROSE'S FACE) (FAINTLY)
I’m fine... maybe just didn’t sleep well. Feels like I’m running a little fever.

LOCKE
Then rest. You don’t look well.

Vivian (Rose's face) forces a sickly smile.

VIVIAN (ROSE'S FACE)
Locke, could you... bring back one of Ike’s paintings for me? I really want to see it, but I just can’t go out right now.

LOCKE (SOFTLY)
Alright. You stay here and rest—I’ll bring you the one you love most.

96 29.2 INT. VERSHI GALLERY - DAY 96

The gallery door opens. **SOPHIA**, a young employee, walks in carrying cleaning supplies. On the floor behind a display, Rose stirs, shielding her eyes from the bright daylight streaming in. Sophia gasps, grabbing the broom.

SOPHIA (STARTLED)
Who are you?! What are you doing here?

Rose stumbles up, one hand braced against the wall, gesturing frantically.

ROSE (V.O.)
I’m sorry—I’ll leave right now!

She hurries out, limping and disoriented.

Locke nods, folding his newspaper.

98 29.4 INT. VERSHI GALLERY - DAY 98

Outside the entrance, Edmund and John meet again.

EDMUND
Any news?

JOHN (SHAKING HIS HEAD)
No trace. Where could a lunatic like her even go?

Rose exits the gallery. Edmund and John turn at her.

EDMUND (POINTING)
There she is!

Rose's eyes widen. She bolts.

EDMUND / JOHN (CONT'D)
Stop! Don't run!

They chase her down the street. At that same moment, Locke's car pulls up to the curb outside the gallery. The driver steps out, opens the rear door. Locke gets out—and just as he straightens, Rose runs straight into him, collapsing against his chest.

ROSE (V.O., OVERWHELMED)
Locke!

Who are you?

LOCKE
Stand down!

Eric hesitates, then lowers the gun slightly, still watching her with suspicion. Rose gestures frantically, trying to form words with her damaged voice—her lips trembling as she forces out a muffled sound.

ROSE (V.O.)
It’s me! I’m Rose!

Locke studies her features.

LOCKE (SOFTLY)
Rose...?

She nods furiously, tears welling.

ROSE (V.O.)
Yes, it’s me! It’s me!

Across the crowd, Edmund stiffens, eyes narrowing. John approaches and grabs Rose. John takes out an ID card.

JOHN
I’m sorry, sir. She’s one of our patients from the asylum. She must’ve escaped.

Rose panics, shaking her head violently.

ROSE (V.O.)
No! Don’t let him take me back!

Locke watches her, torn—then suddenly steps forward and grips her shoulder firmly.

LOCKE (COMMANDING)
Wait! She is my woman!

Eric points his gun at John. John pales, hands up.

JOHN
A-alright, I understand.

He backs away. Eric lowers the gun. At the edge of the crowd, Edmund watches, panic twisting across his face.

EDMUND (V.O.)
Damn it… if Locke figures out who she really is, we’re finished.

Locke turns to Rose and lays a hand on her shoulder.

LOCKE
You’re safe now. Don’t be afraid.

100 30.2 INT. HAVEN HOSPITAL ROOM - DAY 100

Rose lies in a clean white bed, her hands and legs wrapped in gauze. Her face is bruised, but peaceful in sleep. The SURGEON finishes checking her vitals.

SURGEON
Her wounds are treated. But the vocal cords aren't congenital damage —looks like severe burn trauma. Someone must've done this to her.

Locke's jaw tightens. He reaches out, almost touching her cheek—then stops himself, withdrawing his hand.

LOCKE
Do whatever it takes. I want her voice back.

SURGEON
We'll try our best.

Locke sits by Vivian (Rose's face)'s bedside, placing a hand on her forehead.

LOCKE
How's the fever? What did the family doctor say?

VIVIAN (ROSE'S FACE) (SOFTLY)
I’m fine, just a little tired. How was the art exhibit? Did you bring back the painting?

Locke blinks, realizing. He shakes his head slightly.

LOCKE
Not yet. I’ll get it next time. I ran into someone there. She looked exactly like you.

Vivian (Rose's face)’s pupils constrict—her expression freezes.

VIVIAN (ROSE'S FACE) (V.O.)
Did Rose escape?

LOCKE
If it weren’t for a few scars on her face, I would’ve sworn she was you.

Vivian (Rose's face) clenches the bedsheet, forcing a nervous smile.

VIVIAN (ROSE'S FACE)
Really? Who was she?

LOCKE
She couldn’t speak. I have no idea who she is.

Vivian (Rose's face) exhales in relief, then suddenly widens her eyes, pretending to panic. She grabs Locke’s hand, trembling.

VIVIAN (ROSE'S FACE) (FRANTIC)
Locke... did she—did she have three scars? Across her cheek?

LOCKE
How do you know that?

Vivian (Rose's face) shrinks back, playing up the fear.

VIVIAN (ROSE'S FACE)
Because I know who she is... She’s Vivian!

LOCKE (CONFUSED)
What?

Vivian (Rose's face) curls into herself, shaking violently, her voice breaking as if reliving a nightmare.

VIVIAN (ROSE'S FACE)
She kidnapped me! She tried to kill me, take my face—pretend to be me! And when I fought back... ah—don’t touch me!

Locke rushes forward, pulling her into his arms.

LOCKE
Easy... you're safe now. Tell me—
what happened after?

Vivian (Rose's face) buries her face in his chest, trembling.

VIVIAN (ROSE'S FACE) (SHAKY)
I cut her face to get away. I barely
escaped alive... I almost never saw
you again.

Locke strokes her hair.

LOCKE (FURIOUS)
She dared to hurt you like that...

Vivian (Rose's face) looks up, eyes glistening with tears.

VIVIAN (ROSE'S FACE) (PLEADING)
Locke, please... Don't let me see
her again. I can't... I'm too
scared.

Locke gently wipes the tears from her cheeks.

LOCKE (SOFTLY, PROMISING)
I won't let her come near you again.
And I'll make her pay!

He pulls her close again. Vivian (Rose's face)'s chin rests on his shoulder with a smirk.

Rose bolts upright in bed, panicked.

ROSE (V.O.)
Locke!

She looks around—the room is empty. She wipes the sweat, eyes landing on the gauze wrapping her wrist.

ROSE (V.O.) (CONT'D)
Locke brought me here. Where is he
now? Did he recognize me?

Suddenly—The hospital door bursts open, slamming hard against the wall. Locke strides in, face dark with fury. Rose's eyes light up in relief. She gestures hurriedly.

ROSE (V.O.) (CONT'D)
Locke—you came!

Locke storms up to her bed—his hand shoots out, clamping around her throat.

LOCKE (COLDLY)
You had surgery to look like Rose, didn't you? You think you can fool me?

Rose's eyes widen in horror. She shakes her head.

ROSE (V.O.)
No… I'm the real Rose… it's me…

Her lips move, but no voice comes—only choked gasps. Her face reddens as she struggles to breathe.

LOCKE (SNARLING)
Don't pretend. I know who you really are—Vivian. For what you did to Rose, I'll make you pay! Your face disgust me! You think you deserve to look like her?

ROSE (V.O., GESTURING)
I am Rose! I'm the real one!

Locke pulls a pen from his chest pocket, flicks the cap open. The motion is slow, deliberate.

LOCKE
I don't ever want to see Rose's face —on someone like you.

Rose's terrified, gesturing.

ROSE (V.O.)
Locke, it's me! Please—look at me! It's me, Rose!

Locke raises the pen toward her cheek.

ROSE (V.O., SCREAMING)
No! Please, no! How—how do I make him remember me…

Locke pins Rose's head with one hand. With the other he lifts the pen, makes a slicing motion across her cheek.

LOCKE
You say you're Rose. Prove it.

Rose's eyes dart nervously, thoughts racing.

ROSE (V.O.)
Proof… I have to prove it…

Locke watches her freeze, then lets out a cold laugh.

LOCKE
Guess you can't.

He raises the pen, ready to slash. Rose's trembling hand rises. She extends her pinky finger toward him.

ROSE (V.O., SOFTLY)
It's me…

Locke freezes.

YOUNG LOCKE

Little Rose holds out her pinky.

YOUNG ROSE
Then promise me. Pinky swear.

Locke hooks his pinky around hers, smiling.

What? He’s your favorite artist, your idol. You don't remember?

VIVIAN (ROSE'S FACE) (NERVOUS)
I… uh—

LOCKE
How could you not know who he is?

END FLASHBACK

LOCKE (QUIETLY) (CONT'D)
Keep guards posted. Protect her.

BODYGUARD
Yes, sir.

Locke stands, turning toward the door.

LOCKE
And… get a copy of Ike's work.

He glances back at Rose.

LOCKE (V.O.)
If she’s truly Rose… she’ll know a fake from the real one.

The door opens. Locke steps in. Vivian (Rose's face) startles, acting mid-nightmare.

VIVIAN (ROSE'S FACE) (PANICKED)
No! Don't kill me! Please... no...!

Locke freezes, glances at the painting, sits on the bed.

LOCKE
Rose?

Vivian (Rose's face) jolts up and throws herself into his arms.

VIVIAN (ROSE'S FACE) (SHAKING)
Locke, help me!

Locke gently pats her back.

LOCKE (SOFT)
I'm here. You're safe. I'm calling the doctor.

Vivian (Rose's face) grabs his arm.

VIVIAN (ROSE'S FACE) (HURRIED)
No, don't. I already took medicine. I just... had a nightmare. About Vivian...

Locke frowns, suspicious.

VIVIAN (ROSE'S FACE)
How is she? What are you going to do with her?

LOCKE
She's not going anywhere for now. Give it a few days — I'll make sure she pays for what she did to you.

Vivian (Rose's face)'s eyes flicker, uneasy.

VIVIAN (ROSE'S FACE) (V.O.)
He's starting to doubt me.

Locke unfolds the painting and shows it to her.

LOCKE
Forget her. I bought Ike's painting back for you. Look — do you like it?

Vivian (Rose's face) looks at the canvas; Locke studies her face.

VIVIAN (ROSE'S FACE) (V.O.)
What am I supposed to say...

LOCKE (PRESSING)
You don't like it?

VIVIAN (ROSE'S FACE) (QUICKLY)
No, that's not it. I... I love it. Really.

Locke's expression shifts, unreadable.

VIVIAN (ROSE'S FACE)
But... something feels off. It doesn’t look like Ike’s work.

Locke’s face hardens again.

LOCKE
Is that so?

He throws the painting into the trash can, pretending to be furious.

LOCKE (CONT'D)
Selling me a fake? That bastard’s got a death wish!

VIVIAN (ROSE'S FACE)
It’s fine. Maybe your people made a mistake.

Locke nods, stands up.

LOCKE
I’ll find the real one for you. Get some rest.

Vivian (Rose's face) nods obediently, watching him leave — her gentle smile fades in an instant.

VIVIAN (ROSE'S FACE)
What? …I see. Don’t worry about it.

Vivian (Rose's face) gets out of bed, retrieves the painting from the trash, and brushes off the dust.

EDMUND (ON PHONE)
The bodyguards are gone!

Vivian (Rose's face)’s lips curl into a cold smile.

VIVIAN (ROSE'S FACE)
Got it. Keep an eye on her. I can’t leave now, but I’ll come in person tomorrow morning. I need to see her die!

117 35.4 INT. WINSTON MANOR HALL - DAY 117

Servants bustle about, preparing for the memorial prayer. Vivian (Rose's face) rushes out of her room and hurries down the stairs. Maureen follows anxiously behind.

MAUREEN
Miss, you shouldn’t go out today!

VIVIAN (ROSE'S FACE)
Stay out of my way!

Vivian (Rose's face) reaches the hall, Thomas stops her.

THOMAS
Miss, it’s not time yet. Please wait a little longer.

VIVIAN (ROSE'S FACE)
I have plans with a friend. Tell Locke I'll skip breakfast.

Thomas looks stunned.

THOMAS
Miss, you're not cooking yourself today?

VIVIAN (ROSE'S FACE)
Cooking? Me? Do I look like someone who needs to cook myself? Thomas, you're losing it, aren't you?

Thomas freezes.

THOMAS
But today is the late master's—

VIVIAN (ROSE'S FACE)
Enough! Since when does a servant question their mistress? Who do you think you are?

Maureen steps forward, panicked.

MAUREEN
Miss, today isn't like any other day —

Vivian (Rose's face) slaps Maureen hard across the face.

VIVIAN (ROSE'S FACE)
That's enough!

Maureen stares in shock, clutching her cheek. Thomas frowns deeply. The other servants stop what they're doing, all turning to watch in disbelief.

VIVIAN (ROSE'S FACE) (CONT'D)
What's wrong with you two today? Move!

Vivian (Rose's face) pushes past them and storms out of the hall. Just then, Locke comes downstairs, neatly dressed. He looks at the frozen staff and walks over.

LOCKE
What happened?

Everyone turns to him. Thomas steps forward, flustered.

THOMAS
Sir, Miss Winston just ran out. She said she's not cooking today!

LOCKE (SURPRISED)
What?

MAUREEN
Yes, sir. She said she had plans with a friend and told us not to stop her. But she’s never gone out on this day before. Do you think something’s wrong?

Locke’s expression darkens. One servant whispers quietly.

SERVANT
She didn’t look troubled... more like she forgot what day it was...

Locke shoots the servant a sharp look.

THOMAS (ANGRILY)
Silence! Miss would never forget the old master’s memorial! Even if she forgot everything else, she’d never forget this day!

LOCKE (V.O.)
That’s right... Rose would never forget her grandfather’s memorial. Unless... she isn’t Rose.

Locke freezes, realization dawning.

ERIC (CONT'D)
We found her. The one at the hospital—she's the real miss.

LOCKE
Prepare a car. Now. I'm going to Haven Hospital.

119 36.2 INT. HAVEN HOSPITAL ROOM - DAY 119

Rose stares out at a distant chapel, pen in hand, writing.

ROSE (V.O.)
Grandpa, today is your memorial. Forgive me for not cooking your favorite pasta. I'm facing problems I don't know how to solve. How can I make Locke believe I'm Rose? What should I do...

The door is kicked open. Rose startles and spins around. Vivian (Rose's face) and Edmund rush in; Vivian bears Rose's face.

VIVIAN (ROSE'S FACE)
Rose, I finally found you!

Rose scrambles to her feet, terrified.

ROSE (V.O.)
W-what are you doing? This is a hospital!

VIVIAN (ROSE'S FACE)
As long as you're alive, my claim as Blackstone Capital's heiress won't stand.

Rose gulps and looks for a way out.

VIVIAN (ROSE'S FACE) (CONT'D)
So we're here- to kill you!

ROSE (V.O., FRIGHTENED)
Is anyone there? Help! Somebody—
(Her voice cracks, breaking into hoarse, muffled sounds.)

EDMUND
No need to shout. No one will come today.

EPISODE 37

EDMUND
No one will come today.

Rose clenches her fists and bolts for the door. Edmund grabs her and kicks her leg, sending her crashing to the floor. Rose screams in pain. Edmund shuts the door. Vivian (Rose's face) chuckles coldly, walks to the window, and sits at the small table where Rose had been writing.

VIVIAN (ROSE'S FACE)
You won't be going anywhere today. You have to die here.

ROSE (V.O., GUESTURING)
Aren't you afraid Locke will find out the truth?

VIVIAN (ROSE'S FACE) (SMUG)
Once you're dead, there'll only be one Rose left. Locke will never know.

Rose glares at Edmund, fists trembling.

ROSE (V.O., GUESTURING)
You're helping her too?

Edmund shrugs.

EDMUND
What else am I supposed to do? If the real heiress doesn't want me, I'll pick someone who does.

Rose's eyes fill with tears.

ROSE (V.O., GUESTURING)
You won't get away with this!

Vivian (Rose's face) crosses her legs, taps the floor with her high heel.

VIVIAN (ROSE'S FACE)
Enough talk, Edmund. Get on with it. Make it quick and gentle — after all, she's your former flame.

Edmund nods, scans the room, and grabs a towel from the bed. He approaches Rose. Rose scrambles to her feet and reaches for the door handle. Edmund lunges forward, shoves the towel over Rose's head, and clamps it down, strangling her.

ROSE
Ah—

Edmund tightens his grip. Rose claws and kicks, her face flushing as she struggles for air.

ROSE (V.O., GUESTURING) (CONT'D)
Help… somebody…

Vivian (Rose's face) watches, laughing triumphantly. She leans back and accidentally knocks a sheet of paper and a pen to the floor. She picks up the paper, at first disdainful — then her eyes lock on the line: "Grandpa, today is your memorial." Vivian (Rose's face)'s face goes pale.

VIVIAN(ROSE'S FACE) (WHISPERING)
So today’s Grandpa’s memorial. I—I exposed myself. And Locke... he must know!

Vivian(Rose's face) shoots up, panicked.

VIVIAN(ROSE'S FACE)
Edmund!

Edmund releases Rose and turns toward her.

EDMUND
What?

VIVIAN(ROSE'S FACE) (FRANTIC)
I’m exposed!

EDMUND
What?!

VIVIAN(ROSE'S FACE)
Today’s her grandfather’s memorial. Every year, Rose cooks for him. This morning Thomas asked me about it—and I yelled at him! I forced my way out!

Edmund’s face drains of color.

EDMUND
Then they must know!

Vivian(Rose's face) clutches his arm, trembling.

VIVIAN(ROSE'S FACE)
What do we do? Locke’s coming. He knows I’m not Rose— and he knows what we did to her! We’re dead, Edmund, we’re dead!

Edmund leans against the wall, thinking. He lifts his head.

EDMUND
If it's come to this, finish it. If Rose dies, there'll be no proof left.

VIVIAN(ROSE'S FACE) (EAGER)
Right. Once she's dead, I'm the only Rose. And make sure it's unrecognizable—no one can identify her.

They rush for the door.

127 39.3 INT. HAVEN HOSPITAL HALLWAY - DAY 127

They catch sight of Rose heading for the elevator.

VIVIAN(ROSE'S FACE)
After her!

Edmund and Vivian(Rose's face) sprint down the corridor. Rose weakly presses the elevator button, but the lift is stuck at the tenth floor and doesn't come. Footsteps thunder behind her.

She glances back — Vivian(Rose's face) and Edmund closing in. She scans her options and darts for the stairwell.

128 39.4 INT. HAVEN HOSPITAL - STAIRWELL - DAY 128

The elevator finally arrives. A NURSE pushes a supply cart out. Vivian(Rose's face)'s eyes lock on a bottle of sulfuric acid sitting on the cart. She stops cold, grabs the bottle.

NURSE
Hey—

Vivian(Rose's face) pulls a wad of cash from her bag and presses it into the nurse's hand.

VIVIAN(ROSE'S FACE)
Will this ruin a face completely? No one would be able to recognize them?

NURSE (TREMBLING)
I-it will... it will.

She watches Vivian(Rose's face) bolt toward the stairwell with the acid.

130 39.6 INT. HAVEN HOSPITAL - STAIRWELL - DAY 130

The stairwell lights flicker with each pounding step, making the place feel even scarier. Rose is gasping for breath but won't stop. Her eyes lock on the path ahead.

ROSE (V.O.)
If I can just get somewhere crowded... once there are people, they won't dare.

EDMUND (SHOUTING, O.S.)
Stop!

Rose glances back, terrified — Edmund is close.

ROSE (V.O.)
Faster, faster...

VIVIAN(ROSE'S FACE) (O.S.)
Edmund! Grab her! I know a way to make sure no one can identify her after...

Rose panics and pushes through a fire door, sprinting out.

133 40.2 EXT. ROOFTOP PLATFORM - DAY 133

The door opens onto a rooftop platform. Rose swallows hard, trying to hide. Edmund bursts through the door, scans the empty space, and sneers.

EDMUND (COLD)
Run, then. Try running one more lap and see what happens.

He lunges and yanks Rose by the hair. She fights back with everything she has.

ROSE (V.O., PLEADING)
Let go!

Edmund slaps her hard.

EDMUND
Behave yourself!

Vivian(Rose's face) catches up, smirking.

VIVIAN(ROSE'S FACE)
Look at you — digging your own grave, Rose.

134 40.3 INT. HAVEN HOSPITAL ROOM - DAY 134

Locke throws the door open.

LOCKE
Rose!

The room is empty and trashed, signs of a struggle everywhere.

LOCKE (CONT'D)
Damn.

LOCKE (CONT'D)
Pull the hospital footage now!

135 41.1 EXT. ROOFTOP PLATFORM - DAY 135

Vivian(Rose's face) locks the metal gate behind her. She shakes the bottle of acid in her hand, stepping closer to Rose.

VIVIAN(ROSE'S FACE)
You know what this is? Ninety-eight percent pure sulfuric acid.

She twists the cap open, grabs Rose by the chin, and sneers down at her face.

VIVIAN(ROSE'S FACE) (CONT'D)
One little pour, and that pretty face of yours is gone forever. Even if your body ends up at Locke’s feet, he’ll never recognize you!

She bursts into laughter. Rose’s eyes widen in terror.

ROSE (V.O., FRANTIC GESTURES)
You’re insane!

VIVIAN(ROSE'S FACE)
Hold her still—let’s finish this.

She nods to Edmund. He grabs Rose by the neck with one hand and forces her head steady with the other. Vivian(Rose's face) lifts the bottle above Rose’s face, slowly tilting it.

Locke stands at the desk, clutching Rose’s letter, guilt flooding his eyes.

LOCKE (V.O.)
It’s my fault. I should see it sooner…

Locke jolts, drops the letter, and bolts out of the room.

137 41.3 EXT. ROOFTOP PLATFORM - DAY 137

Rose’s pupils contract in sheer panic. Suddenly, she kicks Vivian(Rose's face) hard in the stomach.

VIVIAN(ROSE'S FACE)
Ah—!

Vivian(Rose's face) stumbles back, the acid splashing onto her hand.

EDMUND
Vivian!

Rose bites down on Edmund’s hand. He yells in pain and releases her. Rose breaks free and runs. Vivian(Rose's face) and Edmund exchange a quick look, then chase after her.

EDMUND (CONT'D)
Stop!

Rose backs away and reaches the edge of the rooftop.

ROSE (V.O., DESPERATE GESTURES)
Don’t come any closer!

Vivian(Rose's face) slows, smirking as she eyes the drop behind Rose.

VIVIAN(ROSE'S FACE)
Looks like you’ve already chosen how you're going to die.

EPISODE 42

Locke leads the charge up the stairs, Eric and several guards close behind.

139 42.2 EXT. ROOFTOP PLATFORM - DAY 139

VIVIAN(ROSE'S FACE)
Looks like you’ve already chosen how you're going to die.

Rose glances back — the edge of the roof is terrifyingly close. Vivian(Rose's face) advances, step by step, forcing Rose to retreat. Vivian(Rose's face) grabs Rose by the shoulder.

VIVIAN(ROSE'S FACE) (CONT'D)
All it takes is one little push, and you’re done.

ROSE (V.O., FRANTIC GESTURES)
There are people down there— witnesses! If you push me, you’ll go down too!

Vivian(Rose's face) looks over the edge. Sure enough, a crowd has gathered below, watching. She smirks.

VIVIAN(ROSE'S FACE)
You forget—you’re “mentally unstable.” You tried to jump. We just couldn’t save you in time.

EDMUND
Yeah, we’re your dear friends.
Couldn’t stop you—we’re heartbroken.

ROSE (V.O., FURIOUS GESTURES)
You can't do that!

Vivian(Rose's face)’s hand slides from Rose’s shoulder up to her face.

VIVIAN(ROSE'S FACE) (LAUGHING)
The great Miss Winston—the heiress
of Blackstone Capital. Always
looking down on us. Never thought
you’d end up here, did you?

Suddenly, Locke bursts through the stairwell gate and freezes when he sees Rose at the edge. Without hesitation, he raises his gun and fires. Edmund drops, clutching his leg, blood gushing. Vivian(Rose's face) gasps and spins around—then freezes when she sees Locke.

VIVIAN(ROSE'S FACE)
Locke...

Locke ignores her, eyes fixed on Rose.

LOCKE
Rose! Don’t be afraid—I’m here!

Rose breaks down in tears of relief.

ROSE (V.O.)
Locke!

Vivian(Rose's face) swallows hard, trembling.

VIVIAN(ROSE'S FACE) (WHISPERING)
It’s over… he’s here…

Locke aims again but hesitates—Vivian(Rose's face) keeps Rose too close. One wrong move, and he’ll hit her. He lowers the gun and kicks the metal gate open.

LOCKE
Vivian, let her go! I’ll spare you
if you do!

Vivian(Rose's face) glares at Rose, jealousy twisting her face.

VIVIAN(ROSE'S FACE)
You think I’ll believe that?

She looks straight at Rose.

VIVIAN(ROSE'S FACE) (CONT'D)
If I can’t live, neither will you!

ROSE (V.O., HORRIFIED GESTURES)
What are you doing?

VIVIAN(ROSE'S FACE) (SMIRKING)
If I’m doomed anyway, I might as well take you down with me!

Rose’s eyes widen in shock.

ROSE (V.O.)
You’re insane!

VIVIAN(ROSE'S FACE) (SCREAMING)
Yes, I am! Let’s die together!

Eric slams through the gate behind Locke. Locke charges forward. Rose’s face lights up for an instant—then Vivian(Rose's face) lunges. Rose’s eyes go wide as she’s shoved backward off the roof. Locke dives forward, reaching for her—but she’s already falling.

LOCKE (SCREAMING)
ROSE!

ERIC
Yes, sir.

LOCKE
Her face and her voice… can they be healed?

DOCTOR
Yes, but it’ll take time — a long recovery.

LOCKE
Whatever it takes. Do it.

DOCTOR
Understood. I’ll draft a treatment plan.

The doctor exits. Eric closes the door and stands guard outside. Locke’s hand trembles as he gently touches Rose’s face, love flickering in his eyes.

LOCKE
Why didn’t I recognize you sooner?

He takes her hand, voice breaking.

LOCKE (CONT'D)

ROSE
I’m not a kid anymore. I know what I feel! I love you, like a woman loves a man!

LOCKE (UNSTEADY)
I’m your uncle, Rose! Do you understand? There can’t be love between us!

He forces her off him, putting space between them.

ROSE
Why not? We’re not blood-related!

LOCKE
Your grandfather entrusted you to me so I could protect you — not to have feelings for you!

Thurgood sits across from Locke, holding a will in his hand.

THURGOOD
Mr. Harris, I hope you still remember Rose's grandfather's will.

LOCKE
Of course. I won't be with her. In one month, Rose will turn twenty-five. I'll tell her then — and find someone suitable for her to marry.

146 44.2 INT. HAVEN HOSPITAL ROOM - DAY 146

SUPER: ONE MONTH LATER

The doctor slowly unwraps the bandages from Rose’s face. With the final layer undone—CONFETTI bursts in the air. Applause fills the room.

LOCKE (SMILING)
Congratulations, Rose, you’ve been fully recovered.

Rose hesitates, then picks up a mirror. Seeing her reflection, she exhales in relief. A knock sounds on the door. Attorney **THURGOOD** enters, holding a folder.

ROSE (CURIOUS)
Locke, who’s this?

Locke’s smile fades. He takes a slow breath.

LOCKE
It's Thurgood, the Winston family attorney. Before your grandfather passed, he left instructions for us to meet with you today.

Thurgood steps forward, extending a polite hand.

THURGOOD
Miss Rose, it’s an honor.

ROSE
Nice to meet you.

Thurgood opens the folder, glancing at both of them.

THURGOOD
I’m here on behalf of the late Mr. Alfred Winston to present the contents of his will.

Rose looks uneasily at Locke. Locke gives her a nod.

THURGOOD (CONT'D)
According to Mr. Winston’s will, Mr. Harris has been serving as your temporary guardian and acting chairman of Blackstone Capital. Upon your twenty-fifth birthday — once you are married — full ownership of the company will transfer to you.

ROSE (SHOCKED)
Married?

LOCKE
Yes. That was your grandfather’s final wish. Tomorrow is your birthday banquet.
(MORE)

LOCKE (CONT'D)
I've invited some of the most eligible young men from prominent families. You'll have the chance to meet them… and see who you might like.

Rose stares at him, disbelief and heartbreak in her eyes.

EPISODE 45

147 45.1 INT. HAVEN HOSPITAL ROOM - DAY 147

Thurgood closes the folder and hands it to Rose.

THURGOOD
Miss Rose, I hope to hear good news from you soon. Take care.

He turns and exits. Rose keeps her gaze fixed on Locke.

ROSE
After everything we've been through… I thought things between us would be different.

Locke avoids her eyes. He turns and leaves. Rose watches his back disappear, her chest tightening. Tears stream down her face. Locke's expression is resolute—but as he walks away, a single tear slips down his cheek.

148 45.2 INT. WINSTON MANOR - BALLROOM - DAY 148

Rose descends the grand staircase, radiant in her gown but expressionless, Maureen supporting her arm. A group of young men hurry forward, eager and smiling.

YOUNG MAN 1
Miss Rose, you look absolutely stunning tonight!

YOUNG MAN 2
It's been too long, Miss Rose!

Rose's eyes wander, searching through the crowd. Then—Locke appears. Her heart lifts, and she takes a step forward—then freezes. At Locke's side stands a beautiful woman, her arm linked tightly through his. Locke walks toward Rose, composed and formal.

ROSE
Who is she?

LOCKE
This is Lisa — my girlfriend. And soon, she'll be your aunt.

Lisa leans close against him and offers a small box.

LISA
Hi, Rose. It's so nice to finally meet you. I brought you a gift.

Rose doesn't take it. She just looks at Locke.

ROSE
I don't believe you.

LOCKE
Why not? Once you're married, Lisa and I will get married too.

He turns, brushing a strand of hair from Lisa's face. Rose's eyes redden, shimmering.

EPISODE 46

149 46.1 INT. WINSTON MANOR - BALLROOM - DAY 149

Lisa blushes. Locke turns back to Rose, forcing a smile.

LOCKE
There are so many guests today. Anyone catch your eye?

Rose takes a deep breath, then smiles.

ROSE
Thanks to you, Mr. Harris, I'm quite pleased with your choices tonight.

She looks around, then stops on a man about Locke's age.

ROSE (V.O.)
Ethan Wright… Locke's old rival.

Rose strides toward him and loops her arm through his.

ROSE
I like him.

Gasps ripple through the room. Ethan looks surprised.

LOCKE (FROWNING)
Rose! Marriage isn't a game. Don't be childish.

ROSE
I'm not joking! I really like him — love at first sight!

LOCKE (TO ETHAN)
She's being impulsive. I'm sure you understand, Mr. Wright.

Ethan smirks, clearly enjoying Locke's irritation. He leans closer, speaking under his breath.

ETHAN (LOW, TAUNTING)
A beautiful woman and the chance to see you lose your cool? You know me, Locke — I can’t resist.

LOCKE (WARNING)
Don’t push it, Ethan.

Ethan lifts Rose’s hand and kisses it with grace.

ETHAN
Truth is, I’ve admired Miss Rose for quite some time. If I could marry her, I’d be honored.

ROSE
That’s perfect then, Mr. Wright.

She rises on tiptoe and kisses his cheek. Ethan grins. Locke freezes in place, stunned. Rose interlocks her fingers with Ethan’s and turns back to Locke.

ROSE (CONT'D)
Mr. Harris, let’s set the wedding for one month from now. You’ll walk me down the aisle, won’t you?

LOCKE (SNAPS)
Rose!

Rose glances at Ethan, her eyes soft and affectionate.

ROSE
Come on, let’s go. I want some time alone — just the two of us.

She tugs Ethan’s hand and rushes out.

LOCKE (YELLING)
Rose!

But she doesn’t stop.

150 46.2 INT. WINSTON MANOR - STUDY - DAY 150

Locke sits behind his desk, cigarette burning between his fingers, fury etched across his face. Lisa peeks in.

LISA
Mr. Harris, this isn’t on me. So… about the payment?

Locke opens a drawer, pulls out a wad of cash, and slams it on the desk.

LOCKE
Take it. And get out.

Lisa snatches the money eagerly, counting it.

LISA
Perfect, perfect. I’m gone.

She turns to leave, then hesitates, muttering just loud enough for him to hear.

LISA (CONT'D)
Guess even rich men like to torture themselves — pretending not to love the one they can’t stop thinking about.

Locke’s expression flickers — her words hit a nerve.

EPISODE 47

151 55.1 INT. WINSTON MANOR - LIVING ROOM - NIGHT 151

Locke sits on the sofa, smoking. The clock tickes closer to 2 a.m.. Locke stays seated, the room dim. After a long time, the front door opens. Locke immediately stubs out his cigarette. Rose stumbles in, drunk, and plops down beside him, kicking off her heels and shrugging out of her coat. Her hair falls loose around her face, the faint scent of her perfume drifting toward him. Locke lowers his eyes, forcing himself to look away, his jaw tight.

LOCKE
Where were you?

Rose leans back on the sofa, voice lazy and teasing.

ROSE
Out with my fiancé, of course. We had dinner by candlelight… then went to a bar.

Locke’s brow furrows slightly. Rose tilts her head toward him, sarcasm curling her smile. She leans closer, whispering near his ear.

ROSE (CONT'D)
We drank a lot. Then he took me to a hotel…

Locke’s face darkens, his voice low and strained.

LOCKE
That’s enough.

ROSE
The bed was huge, the tub even bigger. He started undressing me—

LOCKE (SNAPPING, FURIOUS)
I said that’s enough!

Rose laughs bitterly, stands, and faces him. She tugs at her collar, exposing the red marks on her neck.

ROSE
What's wrong, Mr. Harris? Want to hear the rest?

Locke grabs her wrist, forcing her collar back into place.

LOCKE (THROUGH CLENCHED TEETH)
From now on, you're home before ten. No exceptions.

Rose lets out a laugh.

ROSE
You pushed me away, Locke. You're a coward — that's all you'll ever be.

Locke's fists clench. His lashes tremble.

EPISODE 48

152 48.1 INT. WINSTON MANOR - LIVING ROOM - NIGHT 152

ROSE
You pushed me away, Locke. You're a coward!

LOCKE
It's late. Go to bed.

He turns and walks upstairs. Rose stares after him, eyes burning with frustration.

ROSE
I'm doing my wedding photos tomorrow —right here at home. Don't forget to show up, Uncle, since you're the elder.

Locke pauses on the steps, then nods slightly.

LOCKE
All right.

He disappears around the corner. Rose's eyes redden. She slumps onto the sofa, grabs Locke's cigarette pack and lighter, and lights one. She coughs violently, tears spilling down her cheeks as the smoke drifts around her.

153 48.2 INT. WINSTON MANOR - STAIRCASE LANDING - NIGHT 153

Locke stands at the corner, unable to take another step. He leans his head against the wall, listening to the sounds from below — Rose coughing, sniffling — his face tight with emotion. His eyes glisten.

154 48.3 INT. COMPANY OFFICE - DAY 154

Locke steps into the office and sinks into his chair. Eric glances at him, hesitant.

ERIC
Sir, Miss Rose invited me to her wedding. Can I… go?

Locke glances up, voice flat.

LOCKE
Of course. From now on, your only job is to protect Rose. You don’t need to follow me anymore.

Eric freezes, eyes wide.

ERIC
Sir, I—

LOCKE
Go. Guard their happily ever after.

He tosses the invitation at Eric. Eric catches it awkwardly, sighs, and turns for the door.

ERIC (MUTTERING)
Man, getting punished just because the boss is jealous… I’m just the bodyguard.

155 48.4 INT. HALLWAY OUTSIDE OFFICE - DAY 155

Eric shuts the door behind him, checks that no one’s around, and immediately pulls out his phone.

ERIC
Miss, it’s done — just like you said!

ROSE (ON PHONE)
And? How did he react?

ERIC
Miss, I swear — he’s jealous. No doubt about it!

Rose smiles confidently.

ROSE (ON PHONE)
Good.

156 48.5 INT. COMPANY OFFICE - DAY 156

Locke stands by the window, expression distant. A knock breaks the silence. Thurgood enters, laptop in hand.

THURGOOD
Mr. Harris.

Locke doesn't turn around. He gestures at the document on the desk.

LOCKE
I won't attend the wedding. Please deliver this document to her afterward.

Thurgood opens the folder, brows furrowing at the title — "Asset Transfer."

THURGOOD
Where are you going, sir?

LOCKE
Leaving. She's grown up now… she doesn't need me anymore.

EPISODE 49

157 49.1 INT. MANSION HALL - DAY 157

Rose rushes to the Thomas, whispering anxiously.

ROSE
Where's Locke?

THOMAS(FLUSTERED)
He left, Miss. If he doesn't come to stop the wedding… what do we do?

ROSE (FIRM)
He will.

Locke takes her hand, voice breaking.

LOCKE
Rose… all these years, I've never dared to respond to your love. I'm sorry.(beat) How could I not feel something for you?

END FLASHBACK

ROSE (DETERMINED)
He's not cold — just scared. Then I'll push him past that fear.

159 49.3 INT. LOCKE'S CAR - DAY 159

The car radio plays a live broadcast of Rose’s wedding.

HOST (V.O.)
Any wishes for the bride and groom?

GUEST (V.O.)
We wish Rose and Ethan a lifetime of happiness!

Locke listens in silence. Eric sneaks a look at Locke, who’s staring out the window.

ERIC
Sir… are you really leaving before the ceremony’s over?

Locke snaps out of his thoughts, his voice low and calm.

LOCKE
Turn it off. Drive. Now!

160 49.4 EXT. WINSTON MANOR - WEDDING CEREMONY - DAY 160

Rose glances at her phone, anxiety creeping in.

ETHAN
Still no sign of Locke? What if he really doesn’t show? Because if he doesn’t, we might have to make this wedding real — and my girlfriend’s gonna kill me.

THOMAS
Attention, everyone. The ceremony is starting. Positions, please.

The crowd stirs into motion. Rose takes Thomas's arm, and begins walking down the aisle. At the far end, Ethan waits. The camera pans to Rose. Her pace slow and hesitant.

ROSE (V.O.)
Locke… you’ll come. Right?

EPISODE 50

161 50.1 INT. LOCKE'S CAR - DAY 161

Eric sighs and turns the wheel.

ERIC
All right, sir.

But almost immediately, traffic grinds to a halt— a crowd blocks the street ahead.

ERIC (PRETENDING SURPRISE) (CONT'D)
Sir, looks like someone’s running away from a wedding!

Locke glances out the window. Through the glass, a bride in a white gown sprints down the street, hand in hand with a man in a leather jacket. Eric sneaks a look at Locke’s face.

ERIC (CONT'D)
Takes guts to love like that.

LOCKE (COLDLY)
So much talk, Eric.

162 50.2 EXT. WINSTON MANOR - GARDEN - WEDDING CEREMONY - DAY 162

Rose reaches Ethan. He takes her hand, whispering.

ETHAN (HUSHED, PANICKED)
You’ve gotta be kidding me — he’s still not here? My girlfriend’s in the crowd, glaring holes through me!

The **PRIEST** clears his throat sharply.

PRIEST
Quiet, please.

Ethan freezes, lips pressed tight.

PRIEST (CONT'D)
Do you, Rose Winston, take Ethan Wright to be your lawful husband? To love, honor, and stand by him, for richer or poorer, for better or worse, in sickness and in health, until death do you part?

Rose inhales slowly. Her eyes sweep the crowd, scanning every face. No Locke. Her shoulders fall. A single tear slips down her cheek.

ROSE (V.O.)
So that’s it… I lost.

ROSE (SOFTLY, LOOKING AT HIM)
I—

A voice cuts through the air.

LOCKE (O.S.)
Wait!

Rose freezes, then breaks into a radiant smile. She spins toward the sound. Locke bursts through the crowd, running straight for her. He grabs her hand, breathless.

LOCKE (CONT'D)
I’m sorry. I’m late.

ROSE (TEARFUL SMILE)
You’re not late. You never are.

Locke exhales, smiling — then grips her hand tightly.

LOCKE
Let’s go.

He starts to pull her away— suddenly, rose petals rain down from above. The crowd erupts into cheers and applause. Locke's stunned, looking around. Rose laughs through tears, gazing up at the falling petals before turning back to him. Guests swarm closer, clapping and shouting. Ethan steps forward, holding out the ring box.

ETHAN
Thank God! We were running out of time.

Locke blinks, realizing what’s happening. Ethan claps him on the shoulder, grinning.

ETHAN (CONT'D)
You owe me, man. The groom’s spot is yours.

Locke smiles, understanding. He takes the ring and slides it onto Rose’s finger. The cheers grow louder.

ETHAN (CONT'D)
Kiss her already!

The crowd joins in.

GUESTS
Kiss! Kiss! Kiss!

Locke lifts Rose's veil and kisses her.
