EPISODE 1

1-1 INT. KATHERINE’S OFFICE - DAY

KATHERINE (caption: KATHERINE LEXON, heiress of the LEXON family) is buried in work, head down.

A line of handsome men bursts into her office, bowing in unison.

HANDSOME MEN
Your heiress!

Emily (caption: EMILY, Katherine’s assistant) awkwardly squeezes her way through the crowd.

EMILY
Ma'am! These are the twelve noble werewolf heirs the LEXON family has selected for you. You must choose one to marry.

Katherine doesn’t pause her work, only lifting her eyes to sharply scan the men—

Emily pleads earnestly.

EMILY (CONT’D)
Time is running out! If you don’t get married, your inner wolf won’t awaken, and you won’t be able to claim the remaining ten percent of the LEXON family’s territory. Without that ten percent, you won’t have the leverage to overpower your stepmother

Katherine slams her pen down on the desk, standing with commanding presence as she strides toward the office door.

KATHERINE
Let’s go!

EMILY
(panicked)
Where to?!

Katherine walks past the men without a glance, randomly pointing at one.

KATHERINE
Him!
(to the man)
(MORE)

KATHERINE (CONT'D)
Let's go sign the papers at the registry.

The man is stunned by his luck.

Katherine marches out decisively. Emily excitedly waves for the man to follow as they exit.

1-2 INT. KATHERINE'S CAR - DAY

Katherine sits in the backseat, sunglasses on, silent.

Emily drives up front, her expression darkening as she notices something wrong with the car behind them.

EMILY
Ma'am! Something's wrong! Your chosen mate has been switched!

Katherine lowers her sunglasses, spotting the switched vehicle in the rearview mirror. She adjusts them and sits back, arms crossed.

KATHERINE
(coldly)
Lose them.

EMILY
(worried)
There's a traitor among them! Alpha… are we still going through with the marriage?

KATHERINE
We're doing it. Get me a different marriage office.

Katherine's luxury car speeds down the road, swerving left and right, shaking off the pursuers.

1-3 EXT. MARRIAGE REGISTRY ENTRANCE - DAY

Katherine's car screeches to a halt in front of the registry. The door swings open as she steps out.

A strikingly handsome young man passes by. Their eyes meet. Katherine detects no werewolf scent from him.

KATHERINE (V.O.)
Gorgeous… too bad he's human.

They walk past each other. After a few steps, Katherine pauses, then turns around at the same time as him.

KATHERINE
What's your name? Are you single? If you are, I'm taking you as my mate!

ARTHUR (caption: ARTHUR FROSTNIGHT, leader of the FROSTNIGHT family) smirks, intrigued.

ARTHUR
Mate? Are you asking me to marry you?

KATHERINE
(haughty)
Actually—
(steps closer)
—I'm not asking you to marry me. I'm marrying you.

ARTHUR
Serious?

KATHERINE
Serious. Marry me, and you'll get ten percent of the LEXON family's land, your pick of mansions and luxury cars, and fifty million dollars annual allowance. Think about it.

ARTHUR (V.O.)
The LEXON heiress?
(studying her))
Shame… her body's poisoned beyond repair.

ARTHUR
Sure!

CUT TO:

Katherine exits the registry, glancing at the marriage certificate in her hand before tossing one copy to ARTHUR.

Without another look at him, she strides straight to her car.

Arthur grins at the certificate—until he realizes Katherine's car is already driving off without him.

ARTHUR (CONT'D)
Wait!

Then he notices something wrong with the vehicle.

ARTHUR (V.O.)
Something's wrong with the car —
damn!

He sprints after it in alarm.

1-4 INT. KATHERINE’S CAR - DAY

Katherine sits in the backseat when the car suddenly jolts, alarms blaring.

Emily frantically checks the car.

EMILY
Ma'am! The car’s damaged! That’s impossible—this thing’s bulletproof!

Katherine turns to see Arthur chasing the car through the window—

Arthur grabs the door handle mid-sprint and yanks.

The car lurches to a forced stop. Katherine grips the seat, stunned, as—

—Arthur rips the door clean off its hinges, hoists it onto his shoulder, and glares at her.

ARTHUR
You think you can just run off after marrying me?

EPISODE 2

2-1 INT. KATHERINE'S CAR - DAY

Arthur reattaches the car door, hops in, and slams it shut.

ARTHUR
Drive!

Katherine stares at him, stunned.

KATHERINE
You just ripped my car door off - and put it back on?! Do you even know how much this car costs?!

ARTHUR
How much?

KATHERINE
This is a custom Rolls-Royce - bulletproof, explosion-resistant, one of a kind in the world. Meaning every single screw and that door you just mangled has no replacement. This car is totaled!

Arthur blinks.

ARTHUR
Oh... Well, too bad! I'm broke!

Katherine studies him seriously.

KATHERINE
Then tell me — how did you manage to rip open a moving car door? That's not strength a human should have. Unless... You're also...?

She leans in to sniff him, their faces close in - until Arthur suddenly pushes her back against the seat, feigning a kiss before pulling away.

ARTHUR
That's... a secret!

Katherine huffs, flustered, straightening up.

KATHERINE
Drive!

EMILY
Yes, ma'am!

2-2 INT. LUXURY APARTMENT, LIVING ROOM - DAY

Katherine leads Arthur inside. He follows, eyes wide as he takes in the lavish surroundings.

ARTHUR
Whoa — this is your house? What are you, a Lexon royal? The pack’s lost princess or something?

KATHERINE
More. Future Alpha.

As Arthur passes a table, he spots a hidden listening device and discreetly pockets it.

ARTHUR (V.O.)
A bug?!

He sidles up to Katherine.

ARTHUR
Killer view from the top floor.

KATHERINE
You like it? It's yours now. From now on, this is your den.

Arthur frowns, locking eyes with her.

ARTHUR
You're not staying with me?

Katherine avoids his gaze.

KATHERINE
I've got other things to take care of.

Arthur waves the marriage certificate.

ARTHUR
Hey, we're legally married. Aren't we supposed to live together?

Katherine's eyes sharpen as she steps into his space.

KATHERINE
Let me remind you one last time. I'm the one who married you, and you're the one who married INTO my family.

Arthur raises his hands in surrender.

ARTHUR
Alright. You're marrying me — I'll take the Lexon name. But know this — wherever you go, I go.

KATHERINE
Until the Council officially announces our marriage, I'll be staying at the Lexon estate — with my father and my stepmother. Are you sure you want to walk into that chaos?

Arthur forces a laugh, quickly waving it off.

ARTHUR
On second thought... I'll pass!

Katherine turns to leave.

Arthur's expression darkens as he prowls the apartment, uncovering hidden surveillance. Soon, he's holding a pile of devices.

ARTHUR (CONT'D)
Over a hundred bugs and sixty hidden cameras - just in the living room.

He mutters under his breath.

ARTHUR (CONT'D)
Just how many enemies does this woman have?

EPISODE 3

3-1 INT. LUXURY APARTMENT, LIVING ROOM - DAY

Arthur twirls a bug between his fingers before chucking it into a duffel bag full of surveillance gear.

ARTHUR
(snaps fingers)
Track these back to their source. Pronto.

FLASH vaults through the window, nearly tripping over the bag of devices.

FLASH
Holy shit, Alpha! This many? Who's gunning for your mate?

Arthur levels him with a look.

ARTHUR
Did you handle what I asked?

FLASH
(scratching head)
Look, boss...you ditch your Alpha pheromones for one trip out, and now you're signing over forty-one territories, a hundred-eight islands, and half our offshore accounts? What's this woman got on you?

Arthur flashes the marriage cert like a winning poker hand.

ARTHUR
My wife! From now on, call me Arthur Lexon!

FLASH
(choking))
Le... Lexon?! You’re the Alpha King of all packs, and you just married yourself off? into a such small family? Like... taking her name and joining her pack?

ARTHUR
(grinning)
She gave me a lot! She handed over a tenth of the Lexon family’s land to me!.

FLASH
(muttering)
Moon's blood, you've lost it...

Arthur boots him back out the window.

ARTHUR
(yelling)
Go count the islands again if you're so worried!

3-2 INT. LEXON MANSION, HALLWAY - NIGHT

Katherine's strides echo as Emily jogs to keep up.

EMILY
(hushed)
Ma’am! Just as you suspected, it was your stepmother who orchestrated the switch. She’s trying to claim that land through your husband.

Katherine doesn't break stride.

KATHERINE
Sure. Do not let anyone know about the marriage yet. Let’s find out who’s the traitor

At the double doors, Katherine kicks them open with a designer shoe—

3-3 INT. LEXON MANSION - NIGHT

—Revealing JOANNA (Subtitle: JOANNA LEXON, Katherine’s stepmother) draped over COLE (Subtitle: COLE LEXON, Katherine’s biological father) like cheap perfume.

COLE
Katherine! You’re back?

Katherine ignores him and turns to leave.

JOANNA
(angrily calling out)
Katherine! Why are you still so rude?

KATHERINE
(dismissive)
Ms. Hardy, do you need something?

JOANNA
(furious)
“Ms. Hardy”? I’m your father’s lawful wife. You should show some respect and call me Mother!

KATHERINE
(cold laugh)
A mistress rising to power — is that something to be proud of?

JOANNA
(losing temper)
You... you didn’t marry within the agreed time. Hand over the ten percent of land immediately!

Joanna grabs Cole’s arm to signal.

COLE
That's right, Katherine. We've picked so many wolf heirs for you, and you rejected every single one. You still can't awaken your inner wolf — you can't protect the Lexon estate. It's time to return your land to the family.

KATHERINE
(sneering)
I hand over the land, and you use it to please your little mistress, right?

Joanna, exasperated and weeping, clutches Cole's sleeve.

Cole snaps, slapping Katherine.

COLE
You brat! I'm your father! How dare you speak to me like that?!

Katherine clenches her fist, glaring fiercely at Cole. Cole, frightened, turns and leaves.

JOANNA
By tradition, if you're not married before the succession ceremony, you must return ten percent of your land. Without that ten percent, I become the largest landholder — I'm the true head of the Lexon family.

KATHERINE
How are you so sure I'm not married?

JOANNA
You didn't marry any wolf heir. Who else could awaken your inner wolf? The result is the same.

KATHERINE
Then we'll see each other at the Council.

4-1 INT. KATHERINE'S BEDROOM — DAY

KATHERINE sits cross-legged in the center of a circle of lit candles. Her expression is serious and solemn.

KATHERINE
(muttering)
Under the full moon, in the name of the First Howl, let the beast inside awake.

Katherine closes her eyes tightly, focusing deeply, feeling for any change from within—but nothing happens. After a moment, she opens her eyes and looks down at her hands, disappointment clear on her face.

KATHERINE (CONT'D)
I'm already married… so why can't I awaken my inner wolf? Could it be because he's just a normal human?

Her phone suddenly rings. She pulls it out and answers.

KATHERINE (CONT'D)
Hello?

ARTHUR (V.O.)
Get back quick, something's wrong!

KATHERINE
What is it? Just say it.

ARTHUR (V.O.)
Ah! It's urgent, I'll explain face-to-face!

Before Katherine can say more, the call disconnects. She ponders for a moment, then rises and heads out.

4-2 INT. LUXURY APARTMENT, DINING ROOM — DAY

Katherine enters her apartment and walks into the dining room, where Arthur is bustling about.

KATHERINE (V.O.)
The husband I married sure is pleasing to the eyes.

Arthur places dishes on the table, then turns happily to see Katherine.

ARTHUR
You're back! Come, have a seat.

Katherine approaches; Arthur pulls out a chair for her. She sits.

KATHERINE
I thought something huge happened, but you just wanted me to eat.

Arthur continues bringing out the rest of the dishes.

ARTHUR
Eating is the most important thing!

He sets a bowl of blood-red soup in front of her.

ARTHUR (CONT'D)
Try some.

Katherine takes a spoonful and sips.

ARTHUR (CONT'D)
Good?

Katherine nods.

KATHERINE
Delicious.

ARTHUR
From now on, no more dinning out. It's not safe.

Katherine looks uneasy.

KATHERINE
You don't have to do this. I didn't marry you to have you cook for me.

ARTHUR
What? You think I'm your pampered little husband?

Katherine hesitates.

KATHERINE
If you're overwhelmed, just tell me.

She pulls out her phone, ready to transfer money.

KATHERINE (CONT'D)
And if you're short on money, I'll send you more.

Arthur presses down gently on her hand, holding it warmly, looking at her seriously.

ARTHUR
Seems like you really like sending me money.

Katherine's heart races, her face flushes. She regains composure.

KATHERINE
Because other than money, I have nothing.

ARTHUR
Funny—I've got everything except money.

Katherine freezes, their eyes lock, an odd feeling rising. She pulls back her hand.

KATHERINE
Let's eat!

Arthur watches contentedly as she eats heartily.

CUT TO:

Katherine puts down her knife and fork.

KATHERINE (CONT'D)
I'm done. Heading back to the office.

She stands and heads for the door; Arthur follows.

ARTHUR
Remember! Don't eat random food outside.

Katherine looks puzzled, glancing back.

KATHERINE
Huh?

Arthur pushes her gently toward the door.

ARTHUR
Just remember it! Aren't you running late? Leave!

4-3 INT. LUXURY APARTMENT, ENTRANCE — DAY

Arthur pushes Katherine's shoulder; suddenly, he kisses her forehead. Then he closes the door behind her.

Katherine's heart races again, her cheeks flush. Her palm glows faintly, the stirrings of her inner wolf.

KATHERINE
(surprised)
So... awakening the inner wolf needs intimate contact?!

She looks back at the door with a sly smile, determined.

KATHERINE (CONT'D)
That's easy! I'll find time to sleep with you!

EPISODE 5

5-1 INT. KATHERINE'S OFFICE — DAY

Emily walks into the office.

EMILY
Ma'am, someone's here to see you.

Katherine keeps her head down, working.

KATHERINE
Tell them to wait.

EMILY
(hesitant)
But it's your husband.

Katherine looks up.

KATHERINE
Let him come in.

Emily nods and turns to welcome Arthur inside.

Arthur walks in holding a takeout box.

Katherine leans back in her chair.

KATHERINE (CONT'D)
What are you doing here?

Arthur puts the takeout on the desk, glances around, then walks away.

Katherine and Emily look at him confused.

Arthur walks around the office and quickly finds a bunch of bugs and pinhole cameras hidden.

He breathes a sigh of relief.

Katherine frowns.

EMILY
(nervous)
Didn't we already check? How did so many get missed…? My mistake...

KATHERINE
They're in really sneaky spots. You can head out now.

Emily nods and leaves.

Katherine looks at Arthur.

KATHERINE (CONT'D)
You…

Arthur smiles and opens the takeout box.

MATHEW
I brought you lunch!

KATHERINE (O.S.)
For someone so skilled, he's just here to bring me food?

Arthur lays out the dishes in front of her one by one.

Katherine glances at him, picks up the utensils, but notices a blood-red sauce.

KATHERINE (CONT'D)
(frowning)
What's this?

ARTHUR
Ketchup!

KATHERINE
(serious)
You think I'm dumb? I'm a werewolf. That smell? Ketchup?

ARTHUR
Alright! It’s blood fern!

Katherine’s eyes widen in shock, and the fork drops from her hand.

KATHERINE
You… you treat rare herbs like food?

ARTHUR
Every dish here has blood fern. It’s the antidote I prepared for you.

KATHERINE
(confused)
Why would I need an antidote?

ARTHUR
Because there’s something wrong with you.

KATHERINE
(speechless)
There’s something wrong with you!

ARTHUR
I’m serious.

Arthur kneels beside her, takes her hand, and kisses the back of it.

Katherine is curious and pleased, but suddenly feels a stabbing pain in her heart. Her legs gradually go numb and lose feeling.

KATHERINE
(panicked)
What’s happening?
(in pain)
I feel like I’m breaking apart...

Arthur looks at her gently.

ARTHUR
Don’t worry, you’ll be fine in ten minutes. Now do you believe that there’s something wrong with you?

KATHERINE
What’s wrong?

ARTHUR
Overwork.

Katherine looks at his mischievous expression helplessly.

ARTHUR (CONT'D)
(teasing)
Just kidding!
(serious)
It's Vermora. A soul-devouring poison.

EPISODE 6

6-1 INT. KATHERINE'S OFFICE - DAY

KATHERINE
(scared)
Vermora?

Arthur stands and leans against the executive desk.

ARTHUR
It's a highly corrosive virus, very hard to detect. It slowly devours your wolf soul. Within a few years, you'll completely lose your wolf power and become an ordinary human... Or even worse.

Katherine lowers her head, distressed.

ARTHUR (CONT'D)
But you've eaten the food I made for you, drunk the soup and coffee I prepared. You'll recover soon.

Katherine looks up at him, skeptical.

ARTHUR (CONT'D)
During this time, don't eat anything else. It may interfere with the cure.

KATHERINE
You're really not joking?

ARTHUR
Of course not.

KATHERINE
Understood.

Arthur looks at her appreciatively.

ARTHUR
You are such a great patient. I'm heading home to prepare dinner for you.

He exits. Katherine watches his back thoughtfully.

KATHERINE (V.O.)
How does a human know the werewolf world so well?

She presses the intercom.

6-2 INT. KATHERINE'S OFFICE - DAY

KATHERINE
Get in touch with the Luna of the MOONMARK family. I want to meet her.

Emily enters.

EMILY
That discreet healer pack? I've heard their Luna has healing powers. Are you feeling unwell?

KATHERINE
(darkly)
Don't let anyone know. Come with me.

Emily nods and exits.

KATHERINE (V.O.)
Is it really Vermora?

6-3 EXT. MOONMARK FAMILY YARD - DAY

Katherine walks through the courtyard. An elegant Luna, MRS. MOONMARK, in a wheelchair rests in the shade. Katherine approaches.

KATHERINE
Mrs. MOONMARK, I need your help. I think I—

Mrs. Moonmark raises a hand to stop her.

MOONMARK
Don’t move.

She lifts her palm. A glowing energy flows from her hand and surrounds Katherine.

Katherine wobbles and weakens. Emily catches her.

Mrs. Moonmark withdraws her hand, her wheelchair turning slightly to face them.

MRS. MOONMARK
(sighs)
It's Vermora. I sit in this chair because of it. It hides for years and then strikes. Once active, it cuts your link to your inner wolf and causes excruciating pain.

Katherine looks horrified.

MRS. MOONMARK (CONT’D)
Even our healer bloodline couldn’t fully cure me. After surviving the soul-pain phase, I lost both my wolf soul and my legs.

KATHERINE
You mean... I have it too?

MRS. MOONMARK
Yes. It’s rare but curable. The problem is the antidote’s catalyst is almost impossible to find.

EMILY
Our Heiress is still young. There's no way she’ll become paralyzed or lose her inner wolf!

MRS. MOONMARK
I’ll prescribe some medicine. It won’t cure you but can delay the poison.

Katherine nods solemnly.

KATHERINE
Thank you, Mrs. Moonmark.

Emily supports Katherine as they leave.

6-4 INT. LUXURY APARTMENT, ENTRANCE - DAY

Katherine returns home with a heavy expression.

KATHERINE (V.O.)
Even Mrs. Moonmark needed healing power to detect it, but Arthur just knew it with a glance. Who is he really?

Inside, a voice calls out.

FLASH (V.O.)
Alpha!

EPISODE 7

7-1. INT. LUXURY APARTMENT - LIVING ROOM - DAY

Katherine enters.

Arthur notices her, quickly kicks Flash away. Flash jumps out the window.

Katherine chases forward, panicked.

KATHERINE
He jumped?! From the 33rd floor?!

Arthur steps in front of her.

ARTHUR
Babe! Why are you back? I was about to bring you dinner.

Katherine shoots him a glare and walks toward the bedroom.

KATHERINE
We need to talk.

7-2. INT. LUXURY APARTMENT, BEDROOM - DAY

Arthur follows, confused.

KATHERINE
You didn’t test my blood. You don’t have wolf powers. How did you know I was poisoned?

ARTHUR
I... I could tell at a glance! Your skin tone is different from a healthy person’s.

KATHERINE
Skin tone?

ARTHUR
(nodding earnestly)
Yes.

KATHERINE
Then can you tell how long I’ve been poisoned?

ARTHUR
Well... I need to examine you carefully. It requires... full body contact.

Katherine throws down her bag and, without a word, begins stripping.

ARTHUR (V.O.)
So... ruthless?

Katherine discards her clothes, steps toward Arthur, kicks off her heels, removes her underwear.

KATHERINE
Done.

Arthur averts her eyes, paralyzed.

KATHERINE (CONT’D)
Didn’t you want to examine me? Get started.

ARTHUR
You sure?

He hesitates. Katherine removes her hair tie and blindfolds him.

KATHERINE
Now you can begin.

Arthur stumbles forward in the dark, trips on a heel, and lands on his knees before her, face near her pelvis.

Katherine looks down at him.

KATHERINE (CONT'D)
I haven't inherited the alpha title yet. No need to kneel.

Arthur springs up.

KATHERINE (CONT'D)
Do it.

Arthur touches her hair, traces her face, lingers at her lips.

Suddenly, he cups the back of her head and kisses her.

Katherine pushes him away, startled, touches her lips.

KATHERINE (CONT'D)
You examine with your mouth?

ARTHUR
No, hands work fine.

KATHERINE
(angrily)
Then why—

Arthur silences her with a finger.

ARTHUR
Shh. The examination begins.

His hands move from her neck to her shoulders, down to her waist.

He crouches, touches her thighs, gives a slight squeeze.

Katherine moans involuntarily.

Arthur smiles, rises, whispers in her ear.

ARTHUR (CONT'D)
Don't hold back. Your husband's here.

Katherine defiantly removes his blindfold. Their eyes lock. She smirks, pushes him down.

She straddles him, tosses back her hair, runs her hands over his chest, peels open his shirt.

She grips his hand, pins him to the bed, fingers interlocked.

Katherine leans down and kisses him.

EPISODE 8

8-1 INT. LUXURY APARTMENT, BEDROOM - DAY

Katherine kisses Arthur, intensely teasing him—

—but Arthur flips her over and pins her to the bed.

Katherine leans into his ear.

KATHERINE
(softly)
If it feels good, don’t hold back.

She leans in for another kiss, but Arthur pulls away. Their noses brush.

ARTHUR
Once your body’s fully recovered, I’ll make it all up to you.

He gets up and starts putting on his clothes.

Katherine lowers her eyes.

KATHERINE
How long have I been poisoned?

ARTHUR
Eleven years. Since you were a child.

Katherine is stunned. She sits on the couch, hugging her knees.

KATHERINE
You said there’s a cure. How long will it take?

Arthur picks up clothes from the floor.

ARTHUR
Hard to say. Well… massage can speed up recovery. But you’d have to be completely unclothed. Interested?

KATHERINE nods firmly.

KATHERINE
Sure.

Arthur drapes a coat over her shoulders.

ARTHUR
Then, for treatment convenience, you'll move in here, starting tomorrow night.

Katherine dresses.

KATHERINE
I just remembered—I was kidnapped as a child. I don't know if that has anything to do with it.?

ARTHUR
Could be. After all, it's easiest to do it while you're in the middle of a mess.

Katherine brushes back her hair.

KATHERINE
I bet it was Joanna. She saw me as a threat since childhood.

ARTHUR
Need me to look into it?

KATHERINE
No. I'll take care of this myself.

She exits decisively.

Arthur watches her go, a subtle smirk on his face.

ARTHUR
Such a fierce woman—it's hard not to fall for her.

8-2 INT. LUXURY APARTMENT, LIVING ROOM - NIGHT

Katherine is busy at the computer.

Arthur brews coffee, pours a cup, and brings it to her.

ARTHUR
Here. Try this.

Katherine peers inside, puzzled.

KATHERINE
What is this? Tastes strange.

9-1 INT. LUXURY APARTMENT, LIVING ROOM - NIGHT

ARTHUR
Moon Root. It’s good for your body.

KATHERINE
That’s a rare herb.

She takes another careful sip, looking at him.

KATHERINE (CONT’D)
You said you’re broke. How’d you get it? Even healer families can’t find Moon Root.

ARTHUR
Well... My family used to be in the Moon Root business. We don’t have much left, but enough.

KATHERINE
(suspicious)
Really? I feel like you’re hiding something.

ARTHUR
Just drink it. A cup a day to detox.

Katherine nods, drinks more.

KATHERINE
Well, thanks anyway.

Arthur takes her hand gently.

ARTHUR
No thanks needed between married couples.

Katherine exits.

Arthur watches her leave, clutching his chest.

Flash jumps in through the window and rushes to him.

FLASH
Alpha! Are you hurt?

ARTHUR
I’m fine.

Flash notices the coffee on the table.

FLASH
You used your own blood and Moon Root to brew this?

ARTHUR
Go back to Shadow Pack. Bring the rest of the Moon Root. She needs it.

FLASH
Alpha, if you don’t care about your own health, fine! But there's only one Moon Tree in the world, and its roots can only be harvested once a century. People would only chew a piece when clinging to life, yet you're giving it to her like instant coffee?!

ARTHUR
She’s my wife. I don’t care.

FLASH
Then... can I eat the leftover roots?

ARTHUR
Disgusting. Get out!

9-2 INT. LUXURY APARTMENT, DINING AREA - MORNING

Katherine walks out in pajamas, stretching.

Arthur places breakfast on the table.

ARTHUR
Just in time. Try this oatmeal.

She takes a bite.

KATHERINE
Mmm... delicious! What’s the secret?

ARTHUR
Herbal infusion. Very special ingredients.

KATHERINE
Another one of those century-old herbs?

He hesitates. She gently stirs the bowl.

KATHERINE (CONT'D)
I'm a light sleeper. I overheard you two last night.

She looks at him, serious.

KATHERINE (CONT'D)
I'll drink all the Moon Root coffee from now on.

He exhales quietly, smiling awkwardly.

She finishes the oatmeal, clearly enjoying it. He watches her, eyes full of affection.

9-3 INT. LUXURY APARTMENT, BEDROOM - NIGHT

Arthur exits the shower, drying his hair, towel around waist.

ARTHUR
Babe...

Katherine stands, slipping off her robe.

KATHERINE
Come.

Arthur watches her in awe.

ARTHUR
You want to...?

Katherine nods.

KATHERINE
For the massage.

He's momentarily disappointed.

ARTHUR
Oh... massage.

Katherine smirks.

Arthur ties a hairband as a blindfold.

ARTHUR (CONT'D)
Let's begin.

Arthur turns after covering his eyes. She rips off the blindfold while Arthur still has his eyes closed.

KATHERINE
No blindfold tonight.

EPISODE 10

10-1 INT. LUXURY APARTMENT - NIGHT

Arthur pulls Katherine closer, gritting his teeth, his breathing deep.

ARTHUR
Babe, I'm a man. If you expect me to massage you while looking at your naked body, I...

Katherine is caught in his arms, looking up at him. She laughs unconsciously.

KATHERINE
Then what do you want?

Arthur unwraps his towel and wraps it around Katherine. He picks her up and places her gently on the bed.

He opens his eyes. His hand slides under the towel, gently pressing her stomach. He looks at Katherine.

ARTHUR
Does it hurt here?

Katherine, slightly nervous and blushing, shakes her head.

KATHERINE
No.

Arthur moves his hand upward. Katherine's heartbeat quickens. She inhales deeply.

Arthur pauses above her stomach, pressing lightly.

ARTHUR
Here?

Katherine shakes her head again

ARTHUR (CONT'D)
Looks like it's better now. I need to move higher. Are you ready?

Katherine nods.

Arthur slowly moves his hand. The towel shows the subtle shift of his touch as he moves upward toward her chest.

Katherine grows more nervous. Her breathing deepens. She closes her eyes.

Arthur lingers around her chest. Katherine lets out a soft moan, her body trembling slightly.

Arthur takes a deep breath, then lifts her up to sit on his lap.

Katherine's towel slips. She gasps, her eyes opening to find herself inches from Arthur.

Arthur leans in to kiss her. Katherine pushes lightly.

KATHERINE
Didn't you say we'd wait until I recover?

Arthur's eyes are glazed with desire.

ARTHUR
I'm the doctor. I make the call.

He kisses her fervently. Katherine responds passionately, pushing Arthur down beneath her.

They tangle intensely.

CUT TO:

After their lovemaking, the bedroom is a mess—pillows ripped, feathers floating, the bed frame nearly collapsed.

Arthur sits up, a feather falling onto his head. He looks around, slightly embarrassed.

ARTHUR (CONT'D)
Babe...

Katherine rises slowly, looking at her hands, blood flowing with energy.

KATHERINE
I feel the energy coursing through me.

Arthur looks at her with concern.

ARTHUR
You don't have to push yourself so hard. You could rely on me.

Katherine’s gaze sharpens.

KATHERINE
No. I’ll earn what’s mine with my own hands.

Arthur looks at her, torn between concern and admiration.

ARTHUR
The look when you pursue your goal... I love it.

He places a robe over her shoulders.

Kathrine grabs his hand and looks up at him.

KATHERINE
Arthur, will you ever betray me?

EPISODE 11

11-1 INT. LUXURY APARTMENT, LIVING ROOM - DAY

Arthur kneels on one knee, his gaze intense but voice tender.

ARTHUR
Babe, if I ever betray you... you have my permission to take my life.

KATHERINE
(stunned)
What?

ARTHUR
(dead serious)
I'm not joking.

Katherine processes this, then stands.

KATHERINE
I’m going to meet with the Council. You're coming with me. Bring the wheelchair.

ARTHUR
Wheelchair? My antidote should've fixed your legs.

KATHERINE
But the poisoner doesn't know yet. Joanna's my prime suspect, but I need proof. They'll slip up when they see me paralyzed.

Arthur nods in sudden understanding.

Katherine smirks and exits.

Arthur watches her go, grinning as he throws up a thumbs-up.

ARTHUR
That's my damn queen!

Katherine flashes a blissful smile over her shoulder.

11-2 INT. LEXON MANSION, LIVING ROOM - DAY

Chaos erupts among the gathered Lexon elders.

The doors swing open. Joanna enters in opulent attire, radiating smugness. Cole rises to greet her.

COLE
Joanna. You're glowing today.

All eyes turn to her.

COLE (CONT'D)
We all know Joanna has sacrificed years for this family. She's the true heir to the Lexon legacy!

ELDERS
(murmuring)
Yay, Yay!

Joanna's lips curl, basking in the attention.

COLE
This council meeting was called for you alone.

Joanna's smile turns predatory.

JOANNA
(dismissive)
Enough. Sit.

The elders comply. Joanna scans the room.

JOANNA (CONT'D)
Where's Katherine?

Uncomfortable silence. Averted gazes.

JOANNA (CONT'D)
(snarling)
Someone drag her down here! A true Alpha wouldn't keeps her pack waiting?

Nervous whispers. Cole clears his throat.

COLE
She's... not at the estate.

JOANNA
What? This is how she respects the council? She's unfit to lead!

ELDERS
(muttering)
True! Quite right!

Katherine rolls in on her wheelchair.

KATHERINE
(icy dominance)
Then which alpha will rise to rule?

EPISODE 12

12-1 INT. LEXON MANSION, LIVING ROOM - DAY

Katherine enters in her wheelchair, pushed by Arthur. All eyes lock onto them.

JOANNA
(mock concern)
So that's why you're late... Did your legs forget how to work?

Cole and Joanna's loyalists barely contain their smirks.

JOANNA (CONT'D)
(derisive laugh)
The Lexon heir in a wheelchair? Now that's a headline.

KATHERINE
(cool, calculating)
How'd you know it was paralysis?
(MORE)

KATHERINE (CONT'D)
Could've been any injury. Who's your source?

JOANNA
(flustered)
I—

KATHERINE (V.O.)
(disappointed)
I overestimated her. Couldn't even wait to expose herself.

COLE
(playing righteous)
An Alpha who can't protect her pack is no Alpha at all!

ELDERS
(murmuring)
Seriously? She can't even awaken her inner wolf, and now she's paralyzed? There's no way she's fit to be Alpha!

KATHERINE
(sharp smile)
At least my legs are the only thing not working - can't say the same for someone' brain.

Her gaze flicks to Joanna, who slams the table.

JOANNA
(enraged)
This is the Council, not a playground for your games.
(composing herself)
You failed to marry by the deadline. That 10% territory? It goes to a vote—today.

COLE
(smug)
Sign the transfer. Or we'll enforce the rule.

Cole tosses a contract and pen onto Katherine's lap.

COLE (CONT'D)
(leaning in)
As your father… I insist.

Cole grabs Katherine's wrist to force the signature—

COLE (CONT'D)
(gritted)
This is for the pack.

—Arthur intercepts, crushing Cole's hand in his grip. Bones creak.

COLE (CONT'D)
(pained gasp)
Ah—!

EPISODE 13

13-1 INT. LEXON MANSION, LIVING ROOM - DAY

ARTHUR
(icy, commanding)
Try it. See what happens.

Joanna glares, her composure cracking.

JOANNA
Katherine! Who let this outsider in here? Call off your dog—

Katherine flicks a glance at Arthur. He releases Cole with a shove.

Cole stumbles back, face purple with rage—

COLE
You little brat-

—Arthur casually claps his hands together, releasing a cloud of white powder.

ARTHUR
(dusting off)
Ugh. Filthy.

Cole wheezes, coughing violently.

COLE
(gagging)
What the hell?!

JOANNA
(seething)
He's your father, Katherine! By refusing to sign, are you daring to challenge the Pack's sacred laws?!

KATHERINE
(raising a brow)
I wasn't done speaking.
(calm, lethal)
Allow me to introduce—

She pauses, savoring the moment.

KATHERINE (CONT'D)
—my husband. Arthur Lexon. Owner of the 10% territory.

Arthur's eyes widen. The word "husband" hits him like a physical blow—pride and warmth flooding his chest.

The council erupt in shocked murmurs.

Katherine tosses a contract onto the table.

KATHERINE (CONT'D)
Transfer's signed. Any objections?

Joanna shoves Cole, who's still red-faced from coughing.

COLE
(spitting)
You—cough—can't just marry anyone! The Alpha bloodline—

KATHERINE
(smirking)
Oh? So now the council need to approve who I fuck?

Dead silence. The council shift uncomfortably.

KATHERINE (CONT'D)
(sweetly venomous)
I know Lexon's old-fashioned, but policing the Alpha's bedroom? Even for you, Joanna… that's desperate.

JOANNA's nails dig into her palms, trembling with fury.

ARTHUR (V.O.)
(amazed)
Wow. She went there.

KATHERINE
(leaning forward)
No challenges? Good. Then we address the wolf who dares bare fangs at her own Alpha — Joanna!

EPISODE 14

14-1 INT. LEXON MANSION, LIVING ROOM - DAY

Katherine’s gaze sharpens like a blade, locking onto Joanna.

KATHERINE
(slow, deliberate)
A home wrecker who stole 30% of Lexon territory - that old debt is finally coming due.

JOANNA
(outraged)
Stolen?! Your father gifted it to me! For over a decade I've held 30% these lands - second only to the Alpha himself. How dare you...

KATHERINE
(leaning forward)
Right. Now My husband and I hold the most lands now. And as Lexon’s new leader…
(soft, deadly)
…you’re shrieking at your Alpha.

Joanna’s composure snaps.

JOANNA
(scornful laugh)
A crippled Alpha? The face of our clan? Wait till the press sees you wheeling onto that stage!

COLE
(wheezing)
She’s right! And you—cough—can’t awaken your inner wolf! A human consort? You’re weak!

JOANNA
(advancing)
Step down. Now. The Lexon won’t bow to a crippled Alhpa.

Cole lurches up, finger jabbing—

COLE
(rasping)
You’ll cough—you’ll surrender—

—Suddenly, foam bubbles from his lips. He collapses, convulsing.

Katherine side-eyes Arthur, who innocently wipes white powder off his hands.

Chaos erupts. Elders back away, murmuring in terror.

ELDER 1
(whispered)
Is Katherine truly the Moon-Chosen Alpha of the Lexon?

ELDER 2
Her own father dared to defy her- and now the Moon's justice is served!

ELDER 3
Joanna may rule well, but she’s no Lexon...

The room sways. Then—

ELDERS
(unison)
We stand with Katherine Lexon!

JOANNA
(horrified)
You'd truly bow to a crippled Alpha? While rival houses sharpen their fangs, what can this broken thing do? Choose wisely!

KATHERINE
(raising a brow)
"Cripple"? Oh Joanna…
(slow smile)
Who’s your informant?

She whips the blanket off her legs—and crosses them with a queen’s grace.

Joanna stands up in shock.

15-1 LEXON MANSION, LIVING ROOM - DAY

Joanna’s face twists with rage, her perfect facade shattered.

JOANNA
(roaring)
You bitch! You played me!

KATHERINE
(cold smirk)
And you fell for it.

Joanna lunges, hand raised to strike—

JOANNA
I’ll end you—!

—Katherine catches her wrist mid-air then slaps her hard across the face.

KATHERINE
(voice like steel)
Strike your Alpha? Brave.

Joanna stumbles back, clutching her cheek, eyes wild.

JOANNA
(shrieking)
You dare?! You ungrateful little—

She leaps again—only for Arthur to intercept, lifting her off her feet like a rag doll.

ARTHUR
Your knuckles are too pretty for trash. Let me handle the dirty work.

Arthur blinks his eye at Katherine

KATHERINE
Fine. You do it, mighty man.

Joanna Screams, thrashing—

—Arthur “accidentally” releases her just as she lunges again.

She files backward, crashing onto the floor with a thud.

The Elders gasp, rushing forward—

ELDERS
(panicked)
Joanna!

KATHERINE
(smug)
Told you. My husband's… mighty.

Silence. The Elders freeze like prey scenting a predator.

ARTHUR
(soft, deadly)
Next one who touches her? I will peel their skin off.

KATHERINE (V.O.)
(wry)
With his strength? Joanna's ribs are probably in powder.

Arthur turns, icy menace melting into a boyish grin.

ARTHUR
(whispering)
Relax, babe. I barely used half my strength - wouldn't want that bitch to start howling lawsuits at you..

Katherine rolls her eyes but can't hide her smile.

ARTHUR (CONT'D)
(grinning)
Good bodyguard, huh?

KATHERINE
(affectionate)
Perfect.

Her gaze sweeps the room, voice dropping to a wolf's growl.

KATHERINE (CONT'D)
Any. More. Objections?

The Elders drop to their knees, submitting to Katherine.

ELDERS
(chanted)
ALPHA!

KATHERINE
(crisp)
The council adjourned.

16-1 INT. KATHERINE'S OFFICE - NIGHT

Arthur kneels before Katherine, massaging her thighs with reverent hands, eyes soft.

ARTHUR
(teasing)
Someone’s in a good mood.

Katherine lips curled in satisfaction.

KATHERINE
Nothing beats slapping a bitch in front of her fan club.

Arthur chuckles, raising a fist.

ARTHUR
Want me to teach you some real moves? In case I’m not around next time.

KATHERINE
(leaning in)
Got anything lethal?

ARTHUR
(grinning)
For you? Yes.

She narrows her eyes, arms crossing.

KATHERINE
Now. About my father’s... Little episode.

Arthur freezes—then scratches his head with exaggerated innocence.

ARTHUR
Uh. What little episode?

Katherine grabs his wrist, inspecting his faintly powdered fingers.

KATHERINE
(dry)
The little episode starring with toxin.

ARTHUR
(defensive)
It’s non-lethal! Only going to... make him puke for 48 hours.

Katherine bursts out laughing, swatting his shoulder.

KATHERINE
You idiot. The council think I cursed him!

ARTHUR
(softer)
No need to thank me.
(leaning closer)
Unless you want to…

His lips hover inches from hers—

Emily clears her throat in the doorway, eyes glued to the ceiling.

EMILY
(mortified)
Alpha....

Arthur springs back, adjusting his tie. Katherine smooths her skirt, all business.

EMILY (CONT'D)
Four of the council members are trading their shares of territory. Tonight.

KATHERINE
(snaps)
Buy it all—
(glances at ARTHUR)
—under his name.

EMILY
(bowing)
Yes ma'am.

Arthur drops back to his knees, mock-greedy.

ARTHUR
More land? Babe, are you trying to make me the richest trophy husband alive?

EPISODE 17

17-1 INT. KATHERINE'S OFFICE - NIGHT

Katherine taps her desk, calculating.

KATHERINE
Ten percent... plus four more.
Exactly as what I predicted.

Arthur frowns at his fingers, struggling to keep up.

KATHERINE (CONT'D)
(to EMILY)
Monitor their movements. Every transaction.

EMILY
(bowing)
Understood.

She exits. Arthur tilts his head.

ARTHUR
How'd you know their moves?

KATHERINE
(scoffs)
Cowards always run when their Alpha bares fangs.

Arthur strokes his chin, then mimics slitting a throat.

ARTHUR
Want me to... accelerate their retirement? Since you've given me so much.

KATHERINE
How?

ARTHUR
Plane crashes often nowadays, not mentioning car accidents. Huh, ships are also not safe.

KATHERINE
(sharp)
No. I'll handle it. Go home.

Arthur pouts but stands, squeezing her shoulders.

ARTHUR
(whispering)
Okay then. I'll be waiting you at home.

KATHERINE
Sure.

17-2 INT. KATHERINE'S OFFICE - DAY

SUBTITLE: THREE DAYS LATER

Emily bursts in, slamming a file on the desk while Katherine is doing some paperworks.

EMILY
Ma’am! We secured the council members' land for 20 billion, but their accounts were emptied before we could freeze them. So that we have lost a total of 40 billion-routed offshore.

KATHERINE
(frowns)
To?

EMILY
The offshore account has no other traces but an initial "A."

KATHERINE
(soft)
Noted. Find them.

EMILY
Yes Ma’am.

17-3 INT. LUXURY APARTMENT, LIVING ROOM - DAY

Arthur meticulously brews coffee. Flash vaults through the window. He tries to speak but pauses.

ARTHUR
Say it.

FLASH
(panting)
Alpha. A large transfer of 40 billion was just credited to your personal account.

ARTHUR
(shrugging)
So?

FLASH
But the money actually came from several Lexon elders—it was originally supposed to go to your wife..

Arthur lifts up his head.

ARTHUR
What?!

EPISODE 18

18-1 INT. LUXURY APARTMENT, LIVING ROOM - NIGHT

FLASH
Let me summarize. You accidentally robbed 40 billion from your wife.

Arthur whacks Flash's head—hard.

ARTHUR
Volume control, idiot! Why wasn't you telling me this earlier?!

Flash rubs his head, scowling.

FLASH
By the time I was notified, the funds were deep in your vaults. What should we do now?

Arthur slumps onto the couch, groaning.

ARTHUR
(panic)
Forget it. I'll figure out a way to pay her back.

Suddenly, he grins, pride cutting through panic.

ARTHUR (CONT'D)
Moon, she's good. Profiting on the deal while reclaiming the lands.

FLASH
(snorting)
Alpha... You're hopeless.

Arthur kicks at him. Flash dodges, already backing toward the exit.

FLASH (CONT'D)
No need! I'll vanish!

ARTHUR
Wait—!
(gravelly)
This never happened.

FLASH
(overly loud)
Yes, Alpha! Your wife will never know you rob her 40 billion!

He leaps out the window just as the front door opens—

Katherine enters, brow furrowed.

Arthur smoothly transitions into a doting husband, though his smile is strained.

ARTHUR
(too cheerful)
Babe! You're home early!

Katherine sinks onto the couch. Arthur freezes at her expression.

ARTHUR (CONT'D)
(soft)
Bad day? Work related?

He starts pouring coffee.

KATHERINE
Everything went smooth until we lost track of 40 billion. No leads.

Coffee overflows, scalding Arthur's hand. He doesn't flinch.

ARTHUR
(hoarse)
That's… a lot.

KATHERINE
If Joanna's behind this…

Arthur fumbles with napkins, avoiding her gaze.

He passes her the coffee with trembling hands.

Katherine glances at the cluttered coffee table, then takes the cup with a hint of suspicion.

KATHERINE (CONT'D)
At least He the council members will stay quiet for once. I might take time off.

Arthur eagerly seizes her hands.

ARTHUR
Honeymoon!

KATHERINE
(blinking)
What?

EPISODE 19

19-1 EXT. RESORT - DAY

Arthur leads Katherine to a private resort.

ARTHUR
This is it!

Katherine scans their surroundings.

KATHERINE
This place is on the outskirts of downtown, yet I've never even heard of it. A private resort?

ARTHUR
(chuckling)
Yep! All yours now. My wife's personal playground.

KATHERINE
(suspicious)
Wait... this is yours? Thought you were broke.

ARTHUR
(scratching neck)
Uh... land-rich, cash-poor? Family inheritance stuff.

KATHERINE
(mocking)
Oh... Playing the dumb rich heir who gifting acres now? Your family's okay with this?

ARTHUR
(flipping hair)
Who cares what they think. It's not like this place is open to the public anyway. What's wrong with letting my wife recover here?!

KATHERINE
(gesturing around)
Not opening to public? With this prime location? Some mild commercial touch-ups could turn this into a top-tier resort

Arthur nods vigorously, thumbs up.

ARTHUR
See, this is why my wife's the business genius! But no—this land's strictly private. The whole point is keeping it quiet and untouched, so my wife can recover in peace.

KATHERINE
(stepping closer)
Why the restriction?

ARTHUR
(shifting feet)
My family's held this land for generations—ownership's... complicated. But babe, anything else you'd want?

Katherine studies him.

KATHERINE
(narrowing eyes)
What's with the sudden gifts? Smells like guilt...

Arthur fidgets with his ear.

ARTHUR
(mumbling)
Flash said "happy wife, happy life"... So? Any desires?

Katherine's eyes gleam.

KATHERINE
(purring)
Now that you mention it...

ARTHUR
(leaning in)
Yeah?

Katherine closes the distance.

KATHERINE
(whispering)
Your buddy.

EPISODE 20

20-1 EXT. RESORT - DAY

Arthur’s eyes light up as he leans close to her ear.

ARTHUR
My body?! Anytime, anywhere at your service.

Katherine pushes him away.

KATHERINE
What are you thinking! I meant your guy! That Flash guy who base-jumps off buildings?

ARTHUR
(disappointed)
Babe, isn't it enough that I'm your personal bodyguard? All Flash can do is jumping off buildings!

KATHERINE
It's different! He can come and go freely from such high floors - imagine what else he could...

Arthur smiles proudly, adjusting his collar stylishly.

ARTHUR
If it's about getting things done, I’m already ahead of you. Flash's sister Frost will be here soon.

KATHERINE looks surprised, then smiles.

KATHERINE
Good! So this... is also a gift for me?

ARTHUR
(affectionately)
Yes, what's mine is yours.
(flirtatiously)
Including myself.

KATHERINE
You...

Arthur leans in to kiss Katherine.

KATHERINE hooks her arms around his neck, happily responding.

Their foreheads press together, sweetly intimate.

ARTHUR
Babe! Care to try the special tonic I've prepared for you?

20-2 INT. HOTEL BATHROOM - NIGHT

The medicinal bathwater appears pink, covered with dense bubbles, steam swirling.

Katherine soaks in the tub, face flushed as she pours water over her shoulders.

20-3 INT. HOTEL BEDROOM - NIGHT

Arthur walks to the bathroom door and knocks.

20-2A INT. HOTEL BATHROOM - NIGHT

KATHERINE turns her head toward the door.

KATHERINE
What is it?

EPISODE 21

21-1 INT. RESORT BATHROOM, OUTSIDE - NIGHT

Arthur leans casually against the frosted glass door.

ARTHUR
Babe, I added some ancient herbs to the bath—don't be in there for too long, or you might doze off.

He grins, waiting for a response.

ARTHUR (CONT'D)
I'll be right outside. Let me know if you need anything.

21-2 INT. RESORT BATHROOM - NIGHT

KATHERINE
Sure.

Katherine gently lifts a handful of herbal water, studying.

KATHERINE (CONT'D)
No wonder it's ancient herbs. I feel like every inch of my skin... unraveled..

21-1A INT. RESORT BATHROOM, OUTSIDE - NIGHT

Arthur paces the room, barely containing a smirk. He's clearly looking forward to something.

21-2A INT. RESORT BATHROOM - NIGHT

Katherine glances toward the door. Through the faint light and blur, she sees Arthur pacing.

KATHERINE (V.O.)
But just who is Arthur? Vast lands, rare antidotes, elite guards... These are the marks of an ancient, noble bloodline. Yet his records are suspiciously clean.

21-1B INT. RESORT BATHROOM, OUTSIDE - NIGHT

Arthur checks his watch, starting to look concerned. He continues pacing.

21-2B INT. RESORT BATHROOM - NIGHT

Katherine pats her cheeks, trying to shake off the drowsiness.

KATHERINE
Forget it. Enough thinking. Time to get out.

She grabs the edge of the tub, starts to rise-but her legs give way, and she slips right back into the water.

21-1C INT. HOTEL BEDROOM, OUTSIDE - NIGHT

A loud SPLASH.

Arthur freezes, and sensing something's wrong, he knocks on the door sharply.

ARTHUR
Hey—what happened?

He doesn't wait for an answer and bursts through the door.

ARTHUR (CONT'D)
Babe?! Are you okay?!

21-2C INT. HOTEL BATHROOM - NIGHT

Katherine emerges from the tub, wrapping a towel around herself. Just as Arthur storms in. He stops dead in his tracks.

Her skin, flushed from the heat, glows against the dim light. Her towel's loose. He's instantly struck.

ARTHUR
(nervous)
Sorry—I thought you'd passed out. I've knocked, and you didn't answer...

Katherine presses her fingers to her forehead, a little dazed.

KATHERINE
I got dizzy. Didn't hear you.

Arthur grabs a bathrobe, swiftly wraps it around her, then pulls her into his arms.

Caught off guard, Katherine stumbles forward, landing against his chest. Their eyes lock in sudden intimacy.

EPISODE 22

22-1 INT. HOTEL BATHROOM - NIGHT

Arthur swallows. His Adam's apple bobs visibly.

ARTHUR
(hoarse)
N-Need any help?

KATHERINE
Maybe I can handle it myself.

Reluctantly, Arthur lets go of her, Katherine stumbles, losing her balance.

Arthur reacts quickly, catching her in his arms. Their noses nearly touch. They lock eyes again.

ARTHUR
(gently amused)
Told you—letting me take care of you once in a while isn't so bad.

He lifts her into a bridal carry.

22-2 INT. RESORT SUITE - NIGHT

Arthur places Katherine gently on the bed.

ARTHUR
(softly)
Let me give you a massage while the bath's heat still lingers—it'll boost the herb's effects.

Katherine nods.

Arthur rolls up his sleeves. His palms move tenderly from her collarbone to her neck, slow and deliberate.

Katherine's breathing deepens. Her eyes close. Her lashes tremble.

KATHERINE (V.O.)
Even knowing it's just treatment—I can't meet his eyes. One glance, and I'll lose it.

Arthur continues massaging her, observant. He notices something in her expression. A smirk plays on his lips.

ARTHUR
(teasing)
Why won't you open your eyes?

Katherine breathes unsteadily.

KATHERINE
To... better experience the massage.

Arthur's hand trails down her arm, fingers gliding as he gently interlaces hers. He suddenly leans in, his breath close.

ARTHUR
Oh? Then open your eyes. I want to see what you are experiencing.

Katherine lets out a soft smile, playfully annoyed. Slowly, she opens her eyes.

KATHERINE
Careful. Once you see through my eyes, you might never want to look away.

The moment her eyes meet his fiery gaze, she's stunned, pulled into the intensity.

They stare into each other.

Arthur kisses her—fierce and burning.

Katherine reaches for his chest, grabs his collar, yanks him downward.

Arthur cups the back of her head and dives in again, kissing her even harder.

EPISODE 23

23-1 INT. RESORT SUITE - NIGHT

Arthur gazes at her, eyes hazy, breathing hotly against her ear.

ARTHUR
Babe, I want you. Massaging you feels like sweet agony every single time.

Their hearts race, blood surging, a collision of passion and hunger.

Katherine hooks her arms around Arthur's neck and kisses him intensely.

Arthur abruptly rises, rips off his shirt like a wild wolf, and lunges at her—

—but Katherine wraps her legs around his waist and with a subtle movement, pulls him down with force.

Arthur is momentarily stunned, then grins, thrilled by her strength.

ARTHUR (CONT'D)
Katherine, you're so powerful!

Katherine is just as shocked by her sudden burst of strength.

KATHERINE
Is that my inner wolf?

ARTHUR (SEDUCTIVELY)
Yes! You're an enchanting wolf!

Katherine smiles sweetly, then flips him over, pinning him beneath her. The bed frame creaks loudly.

They both glance toward the sound and share a knowing smile.

Arthur runs his hand up her waist, gliding toward her side, then pulls her downward in one swift motion—

Katherine tosses her long hair back like a waterfall and presses a fiery kiss to Arthur's lips. One hand grips the bed frame, her body begins to tremble—slowly at first, then with growing intensity.

Katherine moans louder and louder, just before the bed collapses, Arthur scoops her up and swiftly carries her to the floor-to-ceiling window.

Katherine gasps, then wraps one arm around his neck, the other braced on his chest.

Arthur buries his face in her chest, intoxicated by her scent, their bodies surging together.

Katherine is lost in ecstasy. Her inner wolf begins to glow with golden light—the shadow of the wolf on the wall is fierce and beautiful.

Katherine's eyes turn red, her excitement barely contained.

KATHERINE
My inner wolf! I finally see her!

Arthur is equally amazed. He kisses her neck with reverence and longing.

ARTHUR
My beautiful alpha queen, your inner wolf… is absolutely enchanting.

His hand slides down her arm, their fingers interlace tightly, and he lifts both their hands above her head.

They move in wild harmony, red threads of fate twisting and glowing around their wrists.

23-2. INT. RESORT SUITE - DAY

The sun rises.

Clothes are scattered across the bed. Phone rings.

A hand reaches out from under the blanket, fumbling for the phone. Katherine, groggy, pulls the blanket back and answers.

KATHERINE
Hello? ...Alright. I'll head back now.

She throws off the blanket and begins to rise—but Arthur pulls her back into his arms.

ARTHUR
(affectionately)
What is it, babe?

KATHERINE
Something's come up at the company. I have to go back early.

She gets up again. Arthur blinks awake, now alert, and rushes after her.

ARTHUR
Babe!

EPISODE 24

24-1 INT. RESORT SUITE - DAY

Katherine sits at the edge of the bed, getting dressed. Just as she stands, Arthur embraces her from behind.

KATHERINE
Joanna's gone off the grid. The press conference is in two days, and I'm worried she's planning something.

Arthur playfully bites her neck and rubs his cheek against hers with affection, reluctant to let go.

ARTHUR
I don’t care. You sleep with me and then act like you're ready to disappear!

Katherine chuckles softly.

KATHERINE
I’ll try to be back early. Before dinner, I promise.

Arthur sighs in defeat, then grins mischievously.

ARTHUR
I’ve been working on a new kind of massage, and it sharpens all your senses. Better get home early tonight.

Katherine laughs, breaks free from his arms, and taps his forehead.

KATHERINE
You are filthy.

Arthur grabs her finger.

ARTHUR
Go on, then. I’ll be waiting.

Katherine nods and leans in to kiss his cheek. Arthur beams with joy.

24-2 INT./EXT. ROAD, KATHERINE’S CAR - DAY

Katherine’s luxury car speeds down the road.

Katherine sits in the back seat with her eyes closed while Emily drives.

At a turn, two suspicious vehicles appear on either side.

The cars flank Katherine’s, closing in aggressively. Katherine jolts awake.

EMILY (O.S.)
Ma’am, someone’s coming for us.

Katherine looks outside, alert.

To the left, a window rolls down. Bandits inside shout and gesture.

BANDITS
Pull over! Now!

On the right, the backseat window lowers. Cole signals for Katherine to roll hers down.

Katherine meets his eyes—then calmly rolls the window back up.

EMILY
(panicked)
Ma’am, we can’t shake them off. There’s break wall ahead!

KATHERINE
Drive straight off it.

EMILY
Yes, ma’am!

Emily slams the gas.

Suddenly, a sedan swerves into their path and blocks them.

Katherine scans in all directions.

KATHERINE
Reverse.

Emily shifts into reverse and floors it, but another car cuts them off from behind.

Katherine’s car is now fully boxed in—front, back, and both sides.

EMILY
Ma’am! We’re trapped.

EPISODE 25

25-1 INT./EXT. ROAD, KATHERINE’S CAR - DAY

Characters: Katherine, Emily, Cole, Bandits

Bandits step out of their vehicles, banging on Katherine’s window.

BANDITS
Come out! Hurry up!

Cole strolls over, calm and composed.

COLE
Katherine! Your old man wants a word with you. Step outside.

Katherine remains still. She lowers the window, cold and composed.

KATHERINE
You're not breaking into this car. And I'm not getting out.

COLE
Bulletproof, sure. But I've called a tow truck. Doesn't matter if you get out or not—I have my ways. Just cooperate, Katherine. It'll be less painful that way.

KATHERINE
Why would I listen to you?

Cole taps his phone in his palm, smirking.

COLE
Your newlywed husband's still at the resort, isn't he? We've got people there too. One call—boom.

KATHERINE (O.S.)
Arthur...

She glares at him, full of hate.

KATHERINE (CONT'D)
Fine. I'll go.

Cole puts the phone away, chuckling.

COLE
See? That wasn't so hard.

Katherine opens the door and steps out—Bandits move in to seize her.

She glares at Cole, shakes them off.

KATHERINE
I'll walk myself.

Cole smirks and steps aside.

COLE
Be my guest.

Katherine climbs into Cole's vehicle. He follows her in and shuts the door.

25-2 INT./EXT. ROAD, BANDITS' VEHICLE - DAY

COLE
My daughter's really something. Even the bugs we planted in your condo—gone. All of them.

Katherine glances at him.

KATHERINE (V.O.)
There were bugs in my condo? We didn't find any. Who removed them?

FLASHBACK 5-1

ARTHUR moves through the room, quickly gathering hidden bugs and cameras. He exhales, relieved.

END OF FLASHBACK

KATHERINE (V.O.)
Only Arthur could've done that. That man... he's helped me far more than I knew.

EPISODE 26

26-1 INT./EXT. ROAD, BANDITS' VEHICLE - DAY

Katherine eyes her surroundings warily.

KATHERINE
Where are you taking me? We're almost out of the Lexon family's territory.

Cole chuckles, smug.

COLE
Sharp as ever. Yes, we're crossing the border. Inside Lexon territory, you're a queen. But once we're out—this is our turf. Whether you live or die, the Lexons won't be able to step in.

KATHERINE (COLDLY)
You're part of the Lexon family too. Who are you really working for? Joanna?

COLE
No comment.

KATHERINE
Then it has to be her. Kidnapping me now—obviously, to keep me from tomorrow's press conference.

COLE
You are still young, my daughter, and naive.

Cole smirks darkly.

KATHERINE
Joanna did the same thing eleven years ago. No strategy. Just brute force. Nothing new.

COLE
Doesn't need to be new—just effective. The Alpha sitting here proves we're doing the right thing.

26-2 INT. RESORT SUITE - DAY

Arthur calmly flips through a book. Suddenly, Emily bursts in, breathless and panicked.

EMILY
Mr. Lexon! Something's happened. Ma'am has been kidnapped!

Arthur frowns, his gaze sharpening.

ARTHUR
Kidnapped?

EMILY
It's complicated. There are other wolf families lying in ambush nearby. I need to get you out of here, now!

She grabs his hand to pull him up. He calmly waves her off.

Arthur snaps his fingers. Flash suddenly drops in from above. Emily gasps, stunned.

FLASH
Alpha.

EMILY
Who are you?! Where did you even come from?

ARTHUR
(mildly admonishing)
Be more discreet next time.

FLASH
(a little sheepish)
Sorry... I'm used to it. Alpha, the ambush around the hotel has been taken care of.

Arthur nods, his tone shifting to serious.

ARTHUR
Where's my wife? What's her status?

FLASH
Just checked in with Frost. Katherine has left Lexon's territory. Her destination is locked in.

ARTHUR
Is she safe?

FLASH
Safe for now.

Arthur nods slowly, thinking.

ARTHUR
Is it cold over there?

FLASH
About minus 15 degrees... Oh—and Madam Alpha didn't bring a coat.

Arthur rises, opens his wardrobe, and selects a coat. He hands it to Flash.

ARTHUR
Have Frost deliver the coat. She's picky—won't wear anything unless it's designer.

Flash nods, takes the coat, and jumps out the window.

Emily stares, dumbfounded.

EMILY
You... you know where she is?

Arthur, unfazed, returns to his book.

ARTHUR
Yeah.

EPISODE 27

27-1 INT. HOTEL SUITE - DAY

Emily grabs his arm, urgent.

EMILY
Then let’s go save her! Now!

Arthur stops her, calm but firm.

ARTHUR
Don’t rush. If we move now, we’ll alert them. Wait until they reach their destination. Once their intentions are clear, we’ll be able to expose whoever’s pulling the strings.

Emily frowns, trying to keep up.

EMILY
Huh...?

27-2 EXT. WILDERNESS - NIGHT

Katherine is tied up and shoved onto the ground. A group of Bandits stands in front of her.

She stays composed.

KATHERINE
So this is your turf. You went through the trouble of tying me up, yet you haven’t even lay a finger on me. Just spit it out—what do you want?

COLE, still somewhat fearful of her, gathers confidence now that he’s off Lexon land.

COLE
My dear daughter... we're still family. I want to make a deal with you.

KATHERINE
I refuse. I don't do business with idiots.

Cole bristles with rage.

COLE
You—!

He takes a deep breath, shoving the anger down.

COLE (CONT'D)
You're a sharp businesswoman, Katherine. You should know—it's all about profit. You're my flesh and blood, and I wouldn't hurt you...

Cole gestures to the BANDITS behind him.

COLE (CONT'D)
but I can't say the same for them.

Katherine eyes the bandits. Each of them leers at her with disgusting intent.

She lifts her chin defiantly.

KATHERINE
We can talk terms—fine. But first, you'll have to tell me: who are you and Joanna working for?

Cole scoffs, eyes darkening with cruelty.

COLE
So you're not gonna cooperate.

He lunges forward, grabs a fistful of her hair, yanking her up roughly.

Katherine clenches her eyes shut.

Suddenly— a hand grabs Cole by the shoulder and throws him across the clearing.

A fierce, sexy female fighter steps forward, cold and lethal.

Katherine opens her eyes, stunned by what she sees.

EPISODE 28

28-1 EXT. WILDERNESS - NIGHT

The bandits catch Cole.

Cole clutches his injured shoulder, wincing in pain, unable to get up. Shock flashes across the bandits' faces.

BANDITS
Sir!

FROST (Subtitles: Frost, Flash's younger sister) quickly rushes forward to untie Katherine.

FROST
Ma'am, I was sent by Arthur and Flash to stay by your side. My name is Frost.

Katherine sizes her up. Frost also carefully examines Katherine, checking her for injuries.

FROST (CONT'D)
(suddenly remembering something)
Wait a second!

Katherine looks at her, puzzled, following Frost with her eyes as she digs into her bag.

Frost whips out a coat and, with flair, drapes it respectfully over Katherine's shoulders.

FROST (CONT'D)
My boss asked me to bring this. He was afraid you'd be cold. Put it on.

KATHERINE
Thank you.

Cole struggles to his feet, groaning.

COLE
Who the hell is this woman?! How did she get in?! Are all the guards dead?

Frost turns, shielding Katherine behind her. Her gaze is contemptuous.

FROST
You've got what—ten puppets out there sniffing around. Who gave you the nerve to act tough in front of me?

Katherine can't help but laugh.

KATHERINE (O.S.)
That tone! She's definitely one of Arthur's people.

COLE
I don't care who you are! This is my turf! Let me show you who's really in charge!

Cole angrily raises his hand, signaling to the bandits behind him.

COLE (CONT'D)
Tear them apart! I want only one of them breathing!

BANDITS
Yes, sir!

The bandits charge forward with a ferocious roar.

EPISODE 29

29-1 EXT. WILDERNESS - NIGHT

Frost stands still. With just a few swift blows, she effortlessly takes down the nearby bandits.

The bandits groan in pain, collapsed on the ground, unable to get back up.

COLE (PANICKED)
Damn it! Useless trash!

Cole, desperate, clenches his fists and throws a punch at Frost.

Frost easily intercepts it, twists his arm with a sickening pop. Cole screams in agony.

With her other hand, Frost grabs COLE by the neck and effortlessly lifts him off the ground. He gasps, face turning red.

Frost lets go. Cole crashes hard to the ground, eyes rolling back.

The remaining bandits, terrified, scramble to flee.

FROST
What a bunch of garbage.

Just then, Arthur arrives with the shadow guards, cutting through wind and snow, backlit dramatically.

Katherine turns back and sees Arthur. Their eyes meet, glowing with happiness.

Arthur exhales in relief and runs toward her.

29-2 INT. LEXON MANSION, LIVING ROOM - DAY

Inside the LEXON Villa, a large banner reads: “LEXON FAMILY PRESS CONFERENCE.”

The clan elders, house representatives, and reporters sit, focused and waiting.

Joanna strides confidently to the front, greets the crowd smugly, and takes the seat of honor.

Whispers ripple through the crowd. Cameras flash continuously.

JOANNA
Former Alpha Katherine Lexon has relinquished her land ownership. As the Lexon with the most territory, I—Joanna Lexon—should rightfully become the next Alpha!

The crowd erupts in chatter, some nodding in agreement.

JOANNA (V.O.)
Yes, this is how it should be. The Lexon family should’ve been mine long ago!

KATHERINE (O.S.)
Who said I gave up my land rights? Where’s the proof?

Joanna freezes, her face drains of color. She jumps up in shock.

Katherine steps in, wearing a sleek black gown, poised and commanding, with Emily by her side.

EPISODE 30

30-1 INT. LEXON MANSION, LIVING ROOM - DAY

Katherine walks steadily toward Joanna. Joanna freezes, eyes wide with panic. She forces herself to stay composed, legs trembling, and drops into the Alpha's chair.

JOANNA
Katherine… What are you doing here?

KATHERINE
(flatly)
Does Ms. Hardy always speak for others? And by the way — you're in the wrong seat.

Katherine picks up the placard labeled "ALPHA."

KATHERINE (CONT'D)
(emphasizing)
This belongs to me.

JOANNA
(coldly)
How are you even here?!

Katherine leans down, staring her in the eyes.

KATHERINE
This is my press conference. Of course I'm here.

A council member steps forward, visibly upset.

ALLIED FAMILY MEMBER 1
Joanna! You told us the Alpha wouldn't show! What's going on?

ALLIED FAMILY MEMBER 2
Exactly! Alpha, why did Joanna claim you had given up your land rights?

Katherine turns to face the cameras with quiet command.

KATHERINE
I wish I knew. The Lexon territory was handed down to me by my grandfather. Being Alpha is in my blood — I would never renounce our land.

She turns, locking eyes with Joanna.

KATHERINE (CONT'D)
Ms. Hardy, would you care to explain that to the press?

REPORTER
Alpha, are you being targeted? Is there a conflict between you and Joanna over land rights?

KATHERINE
(smiling)
That's a great question. Maybe Ms. Hardy would like to answer it herself?

Everyone turns to look at Joanna. She panics, instinctively reaching for her phone — Katherine grabs her wrist before she can unlock it.

KATHERINE (CONT'D)
(quietly, in her ear)
Who were you about to call?

Joanna forces a nervous smile and stands.

JOANNA
Well, I figured the Alpha's newly married—honeymoon and all. I assumed she might be too busy for this...

KATHERINE
Too busy? Or were you hoping I wouldn't show at all?
(beat)
After all, when you kidnapped me yesterday, you didn't seem too concerned about my honeymoon.

Joanna pales, completely rattled.

EPISODE 31

31-1 INT. LEXON MANSION, LIVING ROOM - DAY

The room explodes with commotion.

ALLIED FAMILY MEMBER 1
Kidnapping?! Joanna, is that true?!

Joanna jumps to her feet.

JOANNA
Of course not! That's a lie! You've got no proof. I would never kidnap anyone!

Flash storms in with several agents. He walks straight up to Joanna.

FLASH
Joanna Lexon? Shadow Bureau. You need to come with us—now.

Gasps ripple through the crowd.

ALLIED FAMILY MEMBER 2
(whisper)
The Shadow Bureau?! Those ghosts never show themselves—unless they want to be seen!

ALLIED FAMILY MEMBER 1
Aren't they part of the Frostnight family?

Joanna struggles against the agents.

JOANNA
I'm not going anywhere! You can't arrest me — I had nothing to do with the kidnapping!

FLASH
Who said anything about kidnapping? This is about large-scale asset fraud. Take her.

Flash motions. The agents drag Joanna toward the exit.

JOANNA
Let me go! I said let me go!

The room buzzes as everyone watches her get taken away.

ALLIED FAMILY MEMBER 2
They actually took her!

Katherine turns and strides toward the Alpha's seat. She calmly adjusts the mic.

The room falls quiet.

KATHERINE
Good afternoon. This is Katherine Lexon, Alpha of the LEXON family. I have two announcements to make.

KATHERINE (CONT'D)
First — The adjustment of LEXON territory holders. Certain individuals are suspected of illegally diverting family assets, and I will investigate every member. The LEXON family does not tolerate such acts.

Some family members shift uncomfortably, side-eyeing each other.

KATHERINE (CONT'D)
Second — During my reign, Joanna Hardy repeatedly defied me, threatened to seize all my territories, and even orchestrated my kidnapping. We are currently gathering evidence—once confirmed, Joanna Hardy will be expelled from the LEXON family.

At that moment, Arthur steps quietly into the room, leaning back casually in the corner, calm and collected.

KATHERINE (CONT'D)
Lastly — no family is perfect. LEXON still has a long way to go. I welcome the oversight of our allied families. Thank you.

Everyone nods, impressed.

ALLIED FAMILY MEMBER 1
The new leader of LEXON just took power and already crushed the internal rebellion—what a ruthless display of force.

In the corner, Arthur gives her a subtle thumbs-up, admiration gleaming in his eyes.

Katherine meets his gaze from across the room, smiles.

32-1 INT. LUXURY APARTMENT, LIVING ROOM - DAY

Katherine wrapped in a blanket sits on the couch. Arthur carries a bowl of blood-red oatmeal, bringing it to her lips.

Katherine pushes his hand away, reaching to take the bowl and spoon herself.

KATHERINE
I'll do it myself. I'm not used to these lovey-dovey stuffs.

Arthur insists.

ARTHUR
You'll get used to it. After such a shock, you need proper care. Don't move—let me handle this!

Katherine sweetly sips the oatmeal.

EMILY (STILL SHAKEN)
Good thing you're okay. I was terrified.

Katherine pushes Arthur's hand away, playing it cool to comfort Emily.

KATHERINE
Just a little day trip in the wilderness, no big deal. So? Did those kidnappers talk yet?

Emily shakes her head.

EMILY
Nothing much. None of them are admitting to anything.

KATHERINE
Either way, there's someone behind Cole and Joanna.

EMILY
Your father and stepmother's the whole point is to seize power? Why would they kidnap you and negotiate business with you?

KATHERINE
Cole and Joanna both seem to be working for someone else. They're using the LEXON family to cover up and reap illegal benefits.
(MORE)

KATHERINE (CONT'D)
Now that my parents have lost power, they won't just walk away.

ARTHUR
They're settling old scores and new. They wanted to eliminate you before the press conference!

EMILY
Then why is Cole still negotiating with the Alpha? Wouldn't it be easier to just push Joanna into power??

ARTHUR
Because Cole knows well Joanna will never have the power of the LEXON bloodline.

ARTHUR (CONT'D)
Their real target isn't the Alpha position. It's Katherine's potential bloodline power.

EPISODE 33

33-1 INT. LUXURY APARTMENT, LIVING ROOM - DAY

KATHERINE
Exactly. Joanna lacks the backing of a noble family—her influence is limited. But me? My veins carry the century-old LEXON Wolf bloodline. The resources and power I can unlock are beyond measure.

EMILY
Damn it! We can only arrest Joanna.

KATHERINE
And, it's only temporary. Whether it's asset transfers or kidnapping—we've got no solid proof. She'll be released in a few days. I'm just using the media to tarnish her reputation, so that she will cause less trouble for me.

EMILY
Disgusting! First she sleeps her way to power. Now she bites the hand that feeds her.

KATHERINE
Alright, you should go back now.

Emily nods and turns to leave.

EMILY
Okay.

Arthur brings down the bowl of blood-red oatmeal, then returns with a cup of moon root coffee and hands it to Katherine.

ARTHUR
Babe, don't be so bitter. Here, this will clear your mind.

Katherine takes the cup, sips carefully, and looks at the coffee appreciatively.

KATHERINE
Too bad we didn't uncover who's behind her this time. Now she's even more dangerous.

ARTHUR
(darkly)
She... can't be left standing.

Katherine places her hand on Arthur's, gently reassuring.

KATHERINE
Thanks for this. Your people delivered—and, those bugs at my place? That was you too, right?

Arthur blushes, fumbling as he takes the coffee cup from Katherine's hand and sets it on the table.

ARTHUR
I actually wanted Flash to investigate the terminal first. I'd tell you once there was a lead. But that person's too slick—we only got some clues, no solid source.

Katherine reaches out to touch Arthur's cheek.

KATHERINE
Looks like I lucked out with quite a husband.

Arthur takes her hand, gently rubbing her palm.

ARTHUR
It’s alright. Just got a few more connections, that’s all. No need to thank me.

Arthur looks at Katherine tenderly.

ARTHUR (CONT’D)
We were supposed to have two days for our honeymoon—now there’s only one day left. And you’re really gonna leave me alone in this empty room?

KATHERINE (AFFECTIONATE)
Alright, alright—once this mess is over, I’ll take a whole week off. Just for you.

Arthur can’t hide his excitement.

ARTHUR
No need to wait that long. You can make it up to me now.

KATHERINE
What?

Arthur smirks mischievously and scoops Katherine up in a princess carry.

KATHERINE (CONT’D)
(caught off guard, teasing)
Arthur!

EPISODE 34

34-1 INT. LUXURY APARTMENT, BEDROOM - DAY

Arthur throws Katherine onto the bed, advancing eagerly, closing the distance between them.

His eyes burning with desire, he leans in to embrace her, about to kiss.

KATHERINE
Wait! It’s daytime!

ARTHUR (SOFTLY LINGERING)
So what?

KATHERINE
I still have to go to the office later.

ARTHUR
The weather’s bad today. Don’t go.

Arthur forcefully pulls the blanket off Katherine’s body.

Katherine turns her head toward the window, sunlight streaming in.

KATHERINE
The sun’s shining so bright outside!

Arthur snaps his fingers.

Katherine hurriedly pulls the blanket back over herself.

KATHERINE (CONT’D)
Are you calling in Flash or Frost? I’m half naked.

Arthur takes her hand, chuckles softly, and plants a gentle kiss on her earlobe.

ARTHUR (TENDERLY)
Just the two of us here.

Just then, thunder crashes and lightning flashes outside the window as heavy rain pours down.

Katherine gasps in surprise.

KATHERINE
When did it start pouring like this?

ARTHUR
I told you, the weather’s bad today.

Unable to resist any longer, Arthur captures Katherine’s lips in a deep kiss. They cling to each other, reluctant to part.

34-2 EXT. LUXURY APARTMENT, ROOFTOP - DAY

The sun blazes overhead. Flash sprays water downward with a water gun while Frost lounges lazily nearby.

Flash glances at Frost and hands her an metal board. Frost shakes it, creating the thunder sound.

FLASH (PUZZLED)
So… why’s Alpha suddenly ordering artificial rain? Doesn’t it already say rain tomorrow?

Frost walked to the rooftop ledge, palm outstretched toward Flash, who tossed her the sprinkler without a word..

FROST
Ah, love... Face it, you're just part of their little game.

Frost shakes the metal board again.

FROST (CONT’D)
I hope the alpha sees how dedicated you are and gives you a raise.

FLASH (CONFUSED)
A raise? Why would I get a raise?

Frost raises a light reflector and suddenly spins it toward the ground, creating a lightning effect.

Seeing Flash’s clueless expression, Frost pats his shoulder.

FROST
Well... you better keep making it rain. I’m going to sleep.

FLASH
Wait, why do I have to keep raining when you’re leaving?!

EPISODE 35

35-1 INT. KATHERINE’S OFFICE - DAY

Emily enters carrying lunch boxes, setting them one by one in front of Katherine.

EMILY
Ma’am, Mr. Lexon is waiting downstairs. Should we let him up?

Katherine awkwardly fixes her hair.

KATHERINE
Oh... did it rain yesterday?

EMILY
No! It was all bright and sunny.

Katherine irritably stabs her food with a fork.

KATHERINE
Good! Arthur! Don’t let him come up all week.

Emily nods quickly, about to leave, but Katherine calls her back.

KATHERINE (CONT’D)
Wait, go check Arthur’s true identity.

EMILY
Mr. Lexon? Didn’t we already check? Nothing unusual.

KATHERINE
Nothing unusual is suspicious. All the info we got was too ordinary. Does he look like an ordinary guy to you?

Emily shakes her head.

EMILY
Definitely not.

KATHERINE
I used to see him as just another asset—who he was never mattered. But now...

Emily’s phone buzzes with a message. She glances at it.

EMILY
Ma’am, the overseas account that swallowed 40 billion has been found. The account holder is local.

KATHERINE (SERIOUS)
Good. Send me the address. We’re heading there this afternoon.

35-2 EXT. MOONMARK FAMILY YARD - DAY

Mrs. Moonmark sits anxiously in a wheelchair, rolling around.

MRS. MOONMARK
Alpha! You have to meet her—she’s a Wolf Clan’s Alpha! My little clinic can’t afford to offend her!

Arthur lounges in a chair, legs crossed, sipping coffee.

ARTHUR
I told you! No meetings!

MRS. MOONMARK
I promised her. She just wants to ask a few questions. She's been here before for Vermora.

ARTHUR
My wife's poison hasn't been cured yet. I'm in a hurry to bring her food. Is what I asked for ready?

Mrs. Moonmark sighs, pulls a box from beside her and places it on the table.

MRS. MOONMARK
Your wife is truly lucky—I suspect she's the only one who can unravel Vermora's curse. Well, I'm quite eager to meet her.

EMILY (O.S.)
Mrs. Moonmark!

Mrs. Moonmark hears shouting outside. She turns and looks seriously at Arthur, trying to persuade him again.

MRS. MOONMARK
The guests are here! Please just help us to talk with them. It won't even take two minutes.

EPISODE 36

36-1 EXT. MOONMARK FAMILY YARD - DAY

Arthur quickly stands up, grabs the box, and starts to leave.

ARTHUR
A female guest? The only woman I care to see is my wife.

Mrs. Moonmark watches his hurried retreat with a helpless look.

Katherine arrives with Emily and walks inside. Arthur slips away down a side path. Katherine turns around but sees no one.

KATHERINE (PUZZLED)
Mrs. Moonmark, who was that? Why did he look so familiar?

MOONMARK
Hah! Just a guest, so painfully average he could be anyone.

Katherine nods and walks down.

KATHERINE
There's something I want to talk to you about.

Mrs. Moonmark gestures to a seat.

Katherine sits in the chair where Arthur had just vacated.

36-2 EXT. MOONMARK FAMILY YARD, GATE - DAY

Katherine leads Emily out of the gate.

EMILY
So it wasn't them after all? Did we... get the location wrong??

Katherine glances back at the yard.

KATHERINE
No rush. This one's smarter than we thought. Keep close watch on that wolf clinic.

Emily nods.

Katherine and Emily leave.

36-3 EXT. REID HOUSE - DAY

LUCAS REID, with one eye covered, casually drinks red wine. Behind him stand several black-clad masked bodyguards.

Joanna, bruised and battered, lies on the ground.

JOANNA
I'm sorry, Mr. Reid. Katherine's too cunning. Otherwise, The Lexon would've been mine by now.

LUCAS
I saved you back then, taught you everything you know.
(MORE)

LUCAS (CONT'D)
All these years I only asked you to do one thing — destroy the LEXON. But you've failed.
(coldly))
You don't deserve to live. Just wait for Vermora to strike. Your wolf soul will shatter.

Lucas snaps his fingers. The masked bodyguards move forward to drag Joanna away.

JOANNA
No, no, no. Mr. Reid, I still have a way. I can seize every inch of LEXON's territory.

Lucas' eyes light up. He signals the bodyguards to stop.

JOANNA (CONT'D)
I've been poisoning Katherine with Vermora for eleven years, and she has no antidote. She's running out of time!

Lucas pulls out a pill and tosses it in front of her.

LUCAS
This pill will trigger Vermora in one minute. You know what to do.

EPISODE 37

37-1 EXT. REID HOUSE - DAY

Joanna catches the pill instantly, cradling it in trembling hands, her face full of fear.

LUCAS
If you fail—

JOANNA
(interrupting)
—There won't be any more failure! Please, trust me!

Lucas stands and walks away. His masked bodyguards follow behind him.

Joanna collapses to the ground, drained.

37-2 INT. LUXURY APARTMENT, LIVING ROOM - DAY

Arthur is toying with a small listening device.

ARTHUR
So you’re saying the signal cut off just as we were closing in on the source?

Flash stands beside him, nodding.

FLASH
Yes. The signal originated from the west. Somewhere in the Atlantic zone.

ARTHUR
The Atlantic... Reid family.

FLASH
(suddenly realizing)
You mean… the fallen Reid family?

ARTHUR
In the Atlantic region, the Reids were the only aristocratic family. Generations of master poisoners. That area’s remote, sparsely populated—no need to worry about collateral damage. But eventually, their toxic reputation caught up with them, and they faded into obscurity.

FLASH
Was there any bad blood between them and aMadam Alpha?

ARTHUR
Not that I recall. Before their fall, the Reid leader Lucas had an only daughter. She went missing… After that, he vanished from public eyes. That was… twenty-three years ago.

FLASH (SHOCKED)
And Madam Alpha is exactly twenty-three this year. That missing daughter… could she be her mother?!

ARTHUR (THINKING ALOUD)
But… I remember my wife’s mother’s surname was Hedrin, not Reid.

FLASH
Alpha, I'll dig deeper into what happened back then.

Arthur nods. Flash turns and leaps out the window.

37-3 INT. LUXURY APARTMENT, LIVING ROOM - NIGHT

Katherine walks in and sees Arthur lost in thought. She approaches with concern.

KATHERINE
What's wrong?

ARTHUR
(snapping out of it)
You're back, babe!

He gets up and soon returns with a bowl of red broth, handing it to her.

ARTHUR (CONT'D)
Most of the poison in your system is already neutralized. This new red tonic will help stabilize the cure.

Katherine takes the bowl with a smile, stirs it gently, and sips it slowly.

ARTHUR (CONT'D)
(hesitant)
Babe… how come you've never told me anything about your mother?

KATHERINE
(caught off guard)
My mom…?

EPISODE 38

38-1 INT. LUXURY APARTMENT, LIVING ROOM - NIGHT

Arthur gazes at Katherine with anticipation.

KATHERINE
My mom passed away early. I barely knew her. All I know is she came from a small town out west.

ARTHUR
Out west?

KATHERINE
Mm-hmm. Just a remote place. When my dad was young, he was a reckless playboy. Grandpa and Grandma exiled him to the wild to learn some discipline. That's where he met my mom. She was a schoolteacher. They fell in love, moved in together, and she got pregnant. He used her pregnancy as an excuse to return home, but… he was still a womanizer. He quickly grew tired of her...

Arthur looks thoughtful.

KATHERINE (CONT'D)
Why are you suddenly asking me all this?

ARTHUR (V.O.)
Her connection to the Reid family isn't clear yet. Better not upset her.

Arthur forces a smile.

ARTHUR
Oh, I just realized... We've been married for a while, but I've never met your mom.

Katherine is taken aback.

ARTHUR (CONT'D)
(pretending to be stern)
Or... are you planning to never let me meet your family?

KATHERINE
(hesitant)
I... honestly never thought about it.

Arthur stands up, emotional.

ARTHUR
Katherine, you're my wife. Don't tell me you're not going to give me proper introduction to your family.

Katherine sets down the bowl and takes Arthur's hand to soothe him.

KATHERINE
Easter is coming up. Let's visit her grave. I'll formally introduce her to her son-in-law.

ARTHUR
(beaming)
Then it's settled!

Arthur sits back down, still holding Katherine's hand, looking deeply into her eyes.

ARTHUR (CONT'D)
Babe... that day at the marriage office. If it hadn't been me standing there, would you have just married whoever?

KATHERINE
(without hesitation)
Yes.

Arthur blinks, stunned—not just surprised, but clearly jealous and hurt.

EPISODE 39

39-1 INT. LUXURY APARTMENT, LIVING ROOM - NIGHT

KATHERINE
I didn't go there to choose a husband. I was looking for a partner. But if it hadn't been you, we would've never seen each other again.

Arthur starts grinning secretly.

KATHERINE (CONT'D)
When I first saw you, I thought, How can a human be this attractive?

Arthur is stunned for a second.

ARTHUR
Hu... human? Babe, actually I—

Katherine nods with a knowing smile.

Arthur melts instantly at her smile. He reaches out, gently touching her face and leaning in close to her ear.

ARTHUR (HUSKY, TEASING) (CONT'D)
So my wife only loves me for my appearance, huh?

Katherine blinks, then casually slips her hand toward ARTHUS's waist and starts tickling him.

But Arthur quickly turns the tables and starts tickling her back. Katherine bursts into uncontrollable laughter.

ARTHUR (CONT'D)
Is it true? Huh? Is it?

KATHERINE (LAUGHING)
Yes! I love your appearance! And when you're old and wrinkly, I'll go find myself another good-looking man...

Arthur grabs her hands, pins them above her head, and playfully pushes her down onto the couch.

ARTHUR
Not a chance! Babe, I am your good-looking man!

Katherine looks into his soft, affectionate eyes and her heart melts.

KATHERINE
Then what about you? If I hadn't dragged you to get married that day... would you have just left with someone else?

ARTHUR (GENTLY BUT FIRMLY)
Never. The moment I saw you, I knew— I was born to be with you.

Katherine nods slightly, trying to wriggle her hands free.

KATHERINE
Okay, I get it... now let me go.

ARTHUR
You don't get it!

He frees one hand, cups the back of her head, and kisses her deeply.

ARTHUR (V.O.)
Katherine... I'm not the human you think I am. I am your one true Alpha King!

EPISODE 40

40-1 INT. LUXURY APARTMENT, LIVING ROOM - DAY

Katherine, aroused and emboldened, flips Arthur beneath her, meeting his fierce kiss with equal passion.

Arthur, unwilling to yield, slides his hand down her shoulder, slipping off her coat as he rolls her back beneath him.

Their bodies entwine in a fevered embrace — breathless, unrelenting, lost in the rhythm of desire.

40-2 INT. LUXURY APARTMENT, LIVING ROOM - DAY

Katherine lies asleep on the couch, wrapped in a blanket, one bare shoulder exposed.

Arthur brings breakfast, setting the tray down with a soft clink.

Katherine stirs awake, her eyes flashing red for a brief moment before returning to normal.

KATHERINE (V.O.)
(murmuring to herself)
Why do I feel... the wolf inside me growing stronger? My human husband shouldn't be able to...

Arthur reappears with another plate of food.

ARTHUR
(cheerful)
Morning, babe! Breakfast is ready!

Katherine notices Arthur, slowly sitting up as she realizes she's half-dressed on the couch.

KATHERINE (V.O.)
(annoyed)
I never should've let him have his way last night. How am I supposed to look at this couch—no, this entire living room—the same way again?!

She grabs a nearby pillow and hurls it at him. Arthur catches it, bewildered.

ARTHUR
(pouting)
What's wrong, babe? Was last night... not good enough for you?

Katherine glares at him, even more irritated.

KATHERINE
(seething)
You—!

Arthur quickly raises his hands, bracing for another pillow attack.

Suddenly, Katherine's phone rings. She answers.

KATHERINE (CONT'D)
(coldly)
What do you want?

40-3 INT. LEXON MANSION - DAY

Cole holds the phone, speaking cautiously with forced warmth.

COLE
Katherine, it's been so long since we've seen each other. After all, we're still father and daughter...

40-2A INT. LUXURY APARTMENT, LIVING ROOM - DAY

KATHERINE
(cutting him off)
Spare me the act. I'm hanging up.

40-3A INT. LEXON MANSION - DAY

COLE
(panicked)
Wait—don't hang up! I know I wronged you. I was fooled by Joanna, but now we're divorcing. We need to reclaim the territories under her control—how to handle it is up to you as the Alpha. And also...

40-2B INT. LUXURY APARTMENT, LIVING ROOM - DAY

Katherine frowns. Arthur looks equally confused.

KATHERINE
(skeptical)
...Go on.

40-3B INT. LEXON MANSION - DAY

COLE
The remaining 5% of the scattered territories have been bought up by a single buyer. They're offering to sell them back—at a high price. You need to come back so that we can talk more about this.

40-2C INT. LUXURY APARTMENT, LIVING ROOM - DAY

KATHERINE
Fine. I'll be there soon.

She hangs up. Katherine gets up, still wrapped in the blanket. Arthur immediately steps forward.

ARTHUR
(concerned)
Where are you going?

KATHERINE
(smirking)
Joanna must be getting impatient if she's using Cole to bait me with that "father-daughter b.s." Let's see what else they've got.

ARTHUR
(insistent)
Let me come with you.

KATHERINE
No. Your presence would only scare them into hiding. I need you to handle something else for me.

ARTHUR
(grinning, saluting)
Understood. You take the outside world, and I'll hold down the fort.

EPISODE 41

41-1 INT. LEXON MANSION, DINING ROOM - DAY

Katherine enters. She sees Cole and Lucas chatting enthusiastically. Lucas is dressed like a businessman.

Both of them notice her. Cole stands up.

COLE
Katherine, this is Mr. Reid, the one I mentioned whose looking to sell some land.

Lucas smiles shrewdly and steps forward, extending his hand.

LUCAS
Pleasure to meet you, Alpha.

Katherine gives his hand a cold glance, unmoved.

Lucas freezes awkwardly, looks at Cole.

Cole chuckles nervously and gestures to the seats.

COLE
Well. Shall we sit?

Lucas returns to his seat, crossing his legs. Katherine places her bag down, subtly adjusting its position, then sits.

KATHERINE
Mr. Reid? So you currently hold 5% of the LEXON lands?

LUCAS
That’s right!

KATHERINE
With 5%, Mr. Reid, you'd qualify to be a council member. May I ask... how you acquired such substantial holdings?

Lucas shifts uncomfortably, lowers his leg.

LUCAS
That’s... a bit nosy, don’t you think? If you’re not buying, someone else will!

He rises, pretending to storm off. Cole quickly pulls him back down.

COLE
Let’s eat first, Mr. Reid. We can talk later.

He gestures to the wineglass in front of Katherine.

COLE (CONT’D)
Katherine, Mr. Reid brought some fine wine. Give it a try.

KAtherine eyes the strong drink.

LUCAS
Heard our new Alpha is bold and sharp. As the saying goes- a deal is a deal. We can still be friends.

He raises his glass, toasts her, and downs it.

KATHERINE
Since Mr. Reid’s so sincere, I’d be rude not to drink.

She smiles faintly, lifts her glass, and drinks.

Lucas claps joyfully.

LUCAS
Brilliant! The Alpha doesn’t disappoint!

Katherine dabs her mouth with the napkin and sets it down.

KATHERINE
So, how much are you asking for your 5% territory?

Lucas smirks, silent.

Suddenly, Katherine’s vision spins. Her eyes blur. She shuts them, pinches her thigh hard.

LUCAS
(smirking)
That territory... Depends if you live long enough to claim it.

42-1 INT. LEXON MANSION, DINING ROOM - DAY

Katherine is barely holding herself up.

KATHERINE
You poisoned me?!

Cole rises.

COLE
Katherine, don't blame me. You've never listened.

Katherine clutches her head, shaking it, trying to stay conscious.

COLE (CONT'D)
My old man spoiled you, made you the Alpha.

Her face goes pale.

COLE (YELLING) (CONT'D)
I'm his son—your father! I should've been Alpha!

She stumbles up, turns to flee—but collapses.

42-2 INT. KATHERINE'S BEDROOM - DAY

Katherine lies unconscious, face pale. JOANNA stands nearby, arms crossed, sneering.

JOANNA
If I'd known Vermora could tame you this easy, I wouldn't have wasted all the efforts!

She laughs scornfully.

JOANNA (CONT'D)
Who'd think the mighty Alpha still craved... fatherly love?

JOANNA (CONT'D)
(manic laugh)
I've won, Katherine. Lexon is mine!

Cole enters, nervous, eyes darting to Katherine.

COLE
Joanna—you promised me. She's just paralyzed, not dead, right?

JOANNA
Does it matter anymore?

COLE
She’s still my blood, the only legitimate Lexon heir!

Joanna pokes his chest.

JOANNA
Spare me the “fatherly concern”! You were first to agree to drug her.

COLE
I only wanted to secure our control—not kill her!

JOANNA
Not my problem. You lured her here. You’re the last person she saw.

COLE (SHOCKED)
What?

JOANNA
Lexon isn’t ours, darling. It’s mine. You don’t even own a square foot.

Cole stumbles back in disbelief.

COLE (TREMBLING)
Joanna, you—

Joanna bursts out laughing and storms off.

EPISODE 43

43-1 INT. LEXON MANSION, HALLWAY - DAY

Joanna struts confidently, on the phone.

JOANNA
Publicly announce that Katherine's health has failed. Out of respect, I'll shoulder her burdens and take control of all Lexon family affairs.

43-2 INT. KATHERINE’S BEDROOM - NIGHT

The room is dark. Katherine stirs awake, groaning in pain.

Suddenly, she notices a man beside her. She grabs a pillow and hurls it at him.

KATHERINE (SCREAMS)
Who are you?! What are you doing in my bed?!

Arthur bolts up, catches the pillow, gently covers her mouth.

ARTHUR
Babe. It’s me. Shh... There are guards outside.

Katherine recognizes him.

KATHERINE (WEAK)
Arthur?! Scare me like that again and you're banned from the bedroom!

Arthur kneels, dramatically bowing on the bed.

ARTHUR
My Queen! You’ve been unconscious for three days! I thought I lost you!

KATHERINE
Three days?!

FLASHBACK 40-1

43-3 INT. LEXON MANSION, DINING ROOM - DAY

Katherine discreetly spits the liquor into her napkin, feigning a casual wipe.

BACK TO SCENE

43-2A INT. KATHERINE’S BEDROOM - NIGHT

KATHERINE
Didn’t I spit most of it out? Just that tiny bit left in my mouth was enough to knock me out for three days?

Arthur rolls a table over with food.

ARTHUR
That little bit was enough to activate all the remaining toxins in your system. I've been here every day since, watching over you, giving you the antidote. And now... Good news: Vermora is completely purged!

KATHERINE
Really? A blessing in disguise!

He holds her hand.

ARTHUR
Your inner wolf is fully awaken now. No one will ever dare use that against you again.

She touches his face.

KATHERINE
Wolf or not—I have you. That's what matters.

Arthur gazes at her.

ARTHUR
I'll make you a true wolf. A perfect and powerful Alpha Queen.

KATHERINE (V.O.)
(quietly))
How does one become a true wolf… with a human?

She smiles, picks up her fork.

KATHERINE
What's the matter outside?

EPISODE 44

44-1 INT. LEXON MANSION, LIVING ROOM - DAY

The room is packed.

Joanna enters with proud.

JOANNA
Esteemed guests, reporters, members of Lexon — thank you for coming. Please, be seated.

Reporters click away. Joanna basks in attention.

JOANNA (V.O.)
Twenty years... I've rightfully claimed this seat!

REPORTER A
Joanna, are your previous involvement in money laundering and the kidnapping of Alpha connected to your alleged attempt to seize power through malicious means??

JOANNA lifts her chin, arms crossed, a look of disdain on her face.

JOANNA
Of course not. Katherine fabricated those accusations.
(beat.))
If I was guilty, then why would the Bureau have cleared me of all charges so quickly?

REPORTER B
Was Katherine's illness your doing?

Joanna sighs, feigning sorrow.

JOANNA
Katherine has been ill since eleven years ago. She's been actively seeking treatment recently, and here is her medical report.

She distributes papers. Whispers ripple through the crowd.

CROWD A (MURMURS)
Paralyzed... It's true. She's been sick for a while...

REPORTER C
As the largest landholder, are you now Lexon's new Alpha?

JOANNA
Yes. I brought you all here today to reassure you.

JOANNA (CONT'D)
(somber)
Katherine is fighting for her life. As her family, I grieve.

JOANNA (CONT'D)
From this moment on, I, Joanna Lexon, assume full authority as the Lexon Alpha!

Mixed reactions—some applaud, others reluctantly follow.

EPISODE 45

45-1 INT. KATHERINE'S BEDROOM - NIGHT

Frost hands Katherine a coffee. She sips it lazily.

FROST
Ma'am, as you instructed, we've created the illusion. Everyone thinks your days are numbered.

Katherine runs her fingers along the rim of the cup, deep in thought.

KATHERINE
Good. Now Joanna thinks she's won. Whoever's behind her should act soon.

FROST
You think she'll reach out to them?

Katherine nods.

KATHERINE
Time to bait the serpent. Frost, watch her. Every call, every move.

FROST (SERIOUS)
Understood.

Frost bolts for the window.

KATHERINE
Wait—that's a window—

Katherine is stunned. She lets out a sigh and leans back against the headboard.

KATHERINE (CONT'D)
These people… Who are they?

45-2 EXT. REID HOUSE - DAY

Joanna clutches a file, scans her surroundings, hurries inside. Frost watches from above.

FROST (COMMS)
Lady Alpha, she's inside. I'm sending the address.

45-3 INT. REID HOUSE - DAY

Lucas sits at the head, one eye bandaged. Two masked guards stand behind him.

Joanna kneels, offering the folder.

JOANNA
Mr. Reid... here it is. The Lexon family... is mine now.

Lucas lifts his chin slightly. The bodyguard behind him immediately steps forward and hands him the file.

Joanna trembles uncontrollably, nervous and afraid.

Lucas flips through the file, then calmly closes it and looks coldly at Joanna.

LUCAS
Is Katherine... dead?

EPISODE 46

46-1 INT. REID HOUSE - DAY

Joanna cautiously approaches Lucas.

JOANNA
Almost there! She's in a deep coma now. I've got my people watching over her.

LUCAS
(demanding)
You sure she won't wake up?

JOANNA
I’m sure! Mr. Reid, I’ve done everything. Can I have the antidote now?

LUCAS
(interrupting)
You will have it when the Lexon family is completely destroyed.

Joanna exhales and nods.

Lucas pulls out a small pill.

LUCAS (CONT’D)
This pill will keep your Vermora from flaring up for a whole year.

Joanna nods eagerly.

Lucas disdainfully tosses the pill on the ground.

Joanna crawls forward quickly, picking it up with both hands.

JOANNA
Thank you, Mr. Reid! Thank you!

MASKED BODYGUARD (O.S.)
Who are you? This is Reid territory! No entry!

KATHERINE (O.S.)
Get lost.

Lucas hears noises outside. His expression freezes. Joanna turns pale, looking back—

Katherine enters, dressed all in black, radiating power. Several SHADOW GUARDS follow her.

Joanna collapses to the floor, eyes wide with disbelief.

JOANNA
Katherine?! That can’t be!

Katherine raises an eyebrow and smiles lightly.

KATHERINE
Ms. Hardy, what a coincidence.

47-1 INT. REID MANSION - DAY

Joanna looks back at Lucas, terrified; her voice trembling and hoarse.

JOANNA
Mr. Reid, this can't be. I've poisoned her! You saw her drink the wine and fall unconscious!

Lucas slowly stands and approaches JOANNA. He slaps her hard.

Katherine looks at Lucas, fearless and determined.

KATHERINE
It's you?! We meet again. This time, you're nothing like before.

FLASHBACK 41-1:

Katherine walks in and sees Lucas dressed like a businessman.

END OF FLASHBACK

Lucas sizes her up, then coldly approaches.

LUCAS
You weren't dead nor poisoned. You kept up that whole act just to meet me here

KATHERINE
Joanna's just a pawn. Of course I want to meet the player?

Lucas smirks coldly, ominous.

KATHERINE (CONT'D)
You are a Reid. Lexon and Reid have no feud. What are you after?

Lucas laughs loudly.

LUCAS
So merciless, and so precise. Quite unlike your mother, I must say.

Katherine is shocked.

KATHERINE
You know my mother?

LUCAS
You'll find out soon enough. We'll meet again.

Lucas smirks, then gestures.

Masked Bodyguards swarm forward.

Shadow Guards defend Katherine.

A fierce fight breaks out.

Joanna screams hysterically.

JOANNA
Mr. Reid! Mr. Reid! You have to believe me—

Among the crowd, Katherine looks up to Lucas standing above.

Lucas overlooks the battlefield.

Katherine tries to pursue but is blocked.

Frost blocks a punch from a Masked Bodyguard and pushes him away.

Katherine looks up again.

Lucas smirks mockingly and walks away.

EPISODE 48

48-1 INT. REID MANSION - DAY

The battle dies down quickly. Lucas's bodyguards and Joanna lie defeated on the ground.

FROST
Ma'am, My fault. They got away through the underground tunnel.

Katherine stares at the place where Lucas vanished.

KATHERINE
It's not your fault. They were prepared. This was just a temporary base for them.

FROST
Yes, ma'am. what about...her?

Frost points at Joanna. She’s collapsed on the floor, dazed and disoriented.

JOANNA
It’s over... It’s all over...

KATHERINE
Looks like they’ve abandoned you.

Joanna lifts her head and glares at Katherine, trembling as she gets to her feet.

JOANNA
Even if I'm abandoned, you'll never lay hands on me! You've got no proof!

KATHERINE
Of course I do.

Katherine takes a pinhole camera out of her bag.

KATHERINE (CONT’D)
I’ve had this camera on me since I entered the mansion. Everything you and Cole did to me. It’s all recorded. Joanna, this time, you’re not getting away.

Joanna stumbles backward in shock.

JOANNA
You... You were planning this since the moment I answered your call?!

KATHERINE
That’s right. I respected your ambition, but in the end, you’re just someone’s lapdog.

JOANNA
(furious)
You think I wanted this? It was Lucas Reid!

JOANNA (CONT’D)
I was just an orphan—until Lucas took me in. He used Vermora to turn me into his puppet!

KATHERINE
(shocked)
So all these years...
(MORE)

KATHERINE (CONT'D)
It was Lucas's plan? Even marrying my father?

JOANNA
(hysterical)
Why else? You think I'd stoop for your pathetic father? Lucas's real plan was always to wipe out the entire Lexon bloodline!
(laughing maniacally)
Hahahahahahaha!

Katherine grabs Joanna by the throat, trembling in disbelief.

KATHERINE
So it was you who killed my mother?! Why? Why would you do that?!

Joanna clutches her throat, gasping for air, her face turning red.

JOANNA
Your mother was killed… by Cole Lexon!

EPISODE 49

49-1 INT. REID MANSION - DAY

Katherine is in complete shock. Her grip loosens. Joanna catches her breath and continues.

JOANNA
He forced your mother to sign divorce papers while she was giving birth.
(Beat)
She died on the delivery table, furious and heartbroken!

Katherine reels from the revelation. Joanna seizes the moment and breaks free, collapsing on the ground with a mocking laugh.

JOANNA (CONT'D)
(sneering)
You thought Cole was just some weak fool, but he's too stupid to be harmless!

Katherine turns away, overcome with grief.

KATHERINE
(coldly)
Lock her up.

Frost and the shadow guards seize Joanna. As they drag her away, she screams after Katherine, her voice shrill and taunting.

JOANNA
Katherine! Your mother wasn't a Hedrin. She was a Reid! A REID!

Katherine closes her eyes. A single tear escapes. She keeps walking forward, resolute.

49-2 INT. LUXURY APARTMENT - NIGHT

Katherine stares blankly out the window. Arthur walks over and wraps his arms around her.

ARTHUR
Frost said you met someone from the Reid family?

Katherine nods slowly, curling up in his embrace.

Arthur pulls out a small bugging device from his coat pocket.

ARTHUR (CONT'D)
We found this bug in your office. It's from the Reid family—a bloodline of poisoners.
(beat)
Once feared, now fading with the modern world's rejection of toxins.

KATHERINE
The one behind Joanna... is Lucas Reid. Alpha of the Reid family.

ARTHUR
Here's something else I uncovered: Lucas's beloved daughter, Leah Reid, has always been indifferent to the family's dirty business. She chose to escape to the countryside to teach children, and eventually broke away from the family for the sake of a man.

KATHERINE (QUIETLY)
She was my mother. She changed her name to Leah Hedrin. Lucas Reid... is my grandfather.

Arthur exhales, holding Katherine tighter, sympathy on his face.

ARTHUR
Lucas Reid... Call him ruthless, yet he dotes on his daughter like she's his whole world. Call him loving, yet he doesn't even spare his own granddaughter. What a stubborn, twisted old man!

Katherine chuckles through her pain, then looks him in the eyes.

KATHERINE
Grandpa used to say I'm bold and ruthless when I need to be—a born Alpha. That's something the Lexons don't have. No clue who I inherited it from, until I met Lucas.

ARTHUR (FIRMLY)
You're nothing like him. This is his fault, not you.

Katherine smiles faintly but her eyes well with tears.

KATHERINE
I just feel sorry for my mother. She was under Lucas's control in her youth and died heartbroken because of a scumbag. Yet, as her own daughter, I never really knew who she was.

Arthur gently takes her hand.

ARTHUR
I'm sure she was truly happy when she chose your father; unfortunately, she made the wrong choice.

Katherine studies his face carefully.

KATHERINE
Then what about me? Did I make a right choice?

EPISODE 50

50-1 INT. LUXURY APARTMENT LIVING ROOM - NIGHT

Arthur immediately raises his hand, swearing.

ARTHUR
Babe! I swear to you! Going back three generations in my family, there's absolutely no history of scumbags!

Katherine is surprised, watching as ARTHUR counts on his fingers.

ARTHUR (CONT'D)
My dad, my grandpa, my great-grandpa... all loyal and loving! We've got good genes!

KATHERINE
You're pledging loyalty now? That's kinda suspicious.

ARTHUR
Honestly, I'm... I'm just worried you're mad at your jerk dad and taking it out on me.

Katherine can't help but smile, watching Arthur pound his chest confidently.

ARTHUR (CONT'D)
I'm legit!

KATHERINE
So far, so good.

ARTHUR
I'll show with every action that your taste in men is just as spot-on as your business sense.

Katherine is touched.

Arthur glances sideways, then leans in close to Katherine, getting all sweet.

ARTHUR (CONT'D)
But... on a serious note, babe, when are we gonna make up for our honeymoon?

KATHERINE
Hmm... maybe you find a place?

Arthur grabs Katherine’s hand excitedly.

ARTHUR
Let’s go skiing!

KATHERINE
Skiing?

Arthur looks up, starts imagining, moving his hands like drawing.

ARTHUR
There’s this hotel up in the mountains. Panoramic window for us to...

Katherine’s expression suddenly changes. She quickly raises her hand to stop him.

KATHERINE
Thank you, but no thanks.

Arthur straightens up.

ARTHUR
What I’m talking about the view!

KATHERINE
You go ski then! I’m gonna take a shower.

Arthur suddenly stands up and blocks her way.

ARTHUR
Then we shower together!
(grinning)
Maybe a little massage too.

Arthur scoops Katherine up in a princess carry. Katherine wraps her arms around his neck, surprised.

KATHERINE
(teasing))
Vermora’s gone! No more massages needed!

ARTHUR
Perfect, then let’s make this a relaxation massage.

EPISODE 51

51-1 INT. LUXURY APARTMENT, DINING ROOM - DAY

Morning light fills the room. Katherine and Arthur sit around the table in their pajamas.

Arthur feeds Katherine a piece of dragon fruit. She eats it, and their eyes meet with warmth.

Suddenly, Katherine clutches her chest in pain, groaning. Her eyes flash red.

ARTHUR
(concerned)
Babe!

KATHERINE
I feel... this energy rising inside me. It’s getting stronger.

ARTHUR
(softly)
Babe, that’s your inner wolf growing. You need to learn to control it.

KATHERINE
(confused)
Inner wolf?
(realizes)
Wait, are you trying to say I cheated? I didn’t!

ARTHUR
(bewildered)
No... Babe, you’ve got it all wrong!

Katherine moves away, glaring fiercely.

KATHERINE
What? A mere human could never awaken such a powerful inner wolf for me! Spit it out. What’s your real purpose? You sly bastard slithered your way into my trust... for what?!

ARTHUR
(defensive)
I swear, babe, I’m not human — I’m...

Suddenly, Katherine's phone rings. The screen shows "EMILY." She quickly answers.

EMILY (V.O.)
(anxious)
Ma'am, something big just happened!

51-2 INT. LEXON MANSION - DAY

Crowds surge inside the mansion. Emily squeezes into a corner, urgently reporting.

EMILY
Lucas Reid just publicly declared he holds the largest share of LEXON territory, and that he's assuming leadership of the family!
(excited)
How in Moon's name did he get that much lands?!

51-1A INT. LUXURY APARTMENT, DINING ROOM - DAY

KATHERINE
It's Joanna. She transferred all her shares. We got played.

Arthur frowns.

51-2A INT. LEXON MANSION - DAY

EMILY
What do we do now? The other families are flooding in, the council has been summoned, and Lucas even brought reporters. The press conference is about to begin!

51-1B INT. LUXURY APARTMENT, DINING ROOM - DAY

KATHERINE
(grim)
Where's the press conference?

51-2B INT. LEXON MANSION - DAY

EMILY
At the Lexon mansion.

51-1C INT. LUXURY APARTMENT, DINING ROOM - DAY

KATHERINE
Got it. Get ready. I'm heading there now.

Katherine hangs up. Arthur looks tense.

ARTHUR
Lucas showed up?

Katherine nods, worried.

KATHERINE
He swept up every external territory overnight. With the 30% Joanna transferred to him, he now controls about 45%—more than I do.
(sighs)
He's closing in.

ARTHUR
Don't worry. I'll go with you, and you'll finally see how strong your inner wolf truly is.

Katherine looks up sharply, touched, and nods.

EPISODE 52

52-1 INT. LEXON MANSION - DAY

Masked bodyguards under Lucas's command hold the Lexon council hostage. Lucas paces coldly in front of them.

LUCAS
Well? Have you made up your minds? Which one of you is willing to spare me 3% of your land. voluntarily, of course.

The Council members tremble, silent and terrified.

Lucas toys with a small pill in his hand.

LUCAS (CONT'D)
So be it. Is territory truly worth dying for?

KATHERINE (O.S.)
(contemptuous)
Mr. Reid, is poisoning the only way you know how to negotiate?

The crowd parts. Katherine strides forward with commanding presence, Arthur following behind.

Lucas eyes her with amusement.

LUCAS
What did I say? We'd be seeing each other again, "Alpha." Oh, but not for much longer.

KATHERINE
(chuckling)
So what should I call you now? Mr. Reid or...
(raises an eyebrow)
Grandpa?

The crowd gasps in shock.

Lucas's expression freezes. He scoffs coldly.

LUCAS
(roaring)
No! I had no such rebellious daughter — and certainly no patricidal granddaughter like you!

KATHERINE
Don't you see? You were one of the people who killed my mother. If you hadn't forced her to inherit the family, she would never have ended up in that village, never met my scumbag father, and never cut ties with you - only to die at his hands!

Lucas reels from the accusation, visibly shaken.

LUCAS
You're lying!She was my daughter — I raised her like a precious jewel. I would never have hurt her!

From the crowd, Cole slowly steps forward, shaken and confused.

COLE
What... what are you talking about? Your mother, Leah Hedrin... wasn't she just some peasant woman?

Cole lifts his trembling finger toward Lucas, turning to Katherine in disbelief.

COLE (CONT'D)
Katherine, did you just say... he's...

KATHERINE
He's Leah's father. Alpha of the Reid family. Am I wrong, Grandpa?

EPISODE 53

53-1 INT. LEXON MANSION - DAY

Lucas is fully ignited.

LUCAS
Everyone of the LEXON family deserves to die!

COLE
You're really Leah's father? Leah's a Reid? That can't be true...

Katherine sighs softly.

COLE (CONT'D)
(realizing)
You... you came to avenge Leah?!

KATHERINE
(sarcastic)
Congratulations. You've finally figured it out.

Cole's legs begin to tremble in fear.

COLE
So you're Leah's father... Then I guess that makes you my father-in-law.. Leah... She die during labor. We didn't mean for it to happen!

Lucas's face darkens, eyes blazing.

COLE (CONT'D)
You can't blame the entire Lexon family for that!

Lucas completely loses it — he flips a table and storms forward, viciously kicking Cole in the chest.

Cole crashes to the ground from the brutal impact.

LUCAS
(furious)
Screw that! I'm nobody's father-in-law!

Cole struggles to get up, but the masked bodyguards restrain him, forcing him to his knees.

COLE
You loved your daughter so much... Why did you let her end up in some remote village?

LUCAS
I didn't want that either! Leah ran off in the night to chase her dream of becoming a teacher. I thought, once she'd suffered enough out there, she'd come back on her own.

LUCAS (CONT'D)
What I never expected was that, within just a few months, she'd meet you! Leah never once argued with me in her entire life—except twice, and both times were because of you! She even cut ties with me just to marry you!

COLE
(stammering)
That... that was her own choice!

Lucas, enraged again, drives another vicious kick into Cole's chest.

Cole collapses to the floor, coughing up blood, unable to rise.

Katherine watches coldly. Arthur protectively steps in front of her.

The masked bodyguards lift Cole up again, forcing him to kneel.

LUCAS
Who do you think you are? I sent Joanna to seduce you, to show Leah what a filthy soul you really have! And yet... Leah remains stubbornly blind.

KATHERINE
(tearing up)
You wanted her to come back obediently, but you killed her instead. Why not go after the real culprit? Why lie in wait for years, plotting against the Lexon family?

EPISODE 54

SCENE 54-1 INT. LEXON MANSION - DAY

Lucas furiously points at Katherine.

LUCAS
You're the one who killed my daughter!

Katherine freezes in shock.

LUCAS (CONT'D)
If it weren't for giving birth to you, a bastard, my daughter wouldn't have died.

KATHERINE (COLDLY)
Looks like Joanna didn't tell you everything.

LUCAS
What do you mean?

KATHERINE
My mother didn't die giving birth to me. She died in the delivery room because of Cole.

LUCAS (SHOCKED)
What?!

Cole panics and shakes his head in denial.

Katherine turns to Lucas, eyes sharp.

KATHERINE
Joanna was just a tool, a weapon. She only took the side to push Cole to divorce my mother. But it was Cole who turned murderous. You, however, are the merciless mastermind!

Lucas, in disbelief, points at Cole, spiraling into rage.

LUCAS
Lies! You killed my daughter! If it weren't for you, I'd never have done what I did!

Lucas signals to the masked guards, yelling with madness.

LUCAS (CONT'D)
Beat him to death!

The bodyguards pounce. Cole screams in agony. Blood splatters. The crowd recoils in horror.

KATHERINE
(with pity)
Enough!

Arthur notices Katherine's pain. He gently steps forward.

ARTHUR
Get him out of here. He's disgusting.

The bodyguards drag the nearly unconscious Cole away.

ARTHUR (CONT'D)
(to LUCAS, firm but calm)
Mr. Reid, you didn't come all this way just to throw punches, did you?

LUCAS
(furious, scoffing)
And who the hell are you? You think you have the right to speak here?

EPISODE 55

55-1 INT. LEXON MANSION - DAY

Arthur straightens his back with a calm pride.

ARTHUR
Well, my birth name was Arthur Frostnight. Now, it's Arthur Lexon.

Laughter ripples through the crowd.

LUCAS (SCOFFING)
Frostnight? Don’t make me laugh. Since when does a live-in son-in-law belong to the ancient and mighty Frostnight clan?

Katherine glances over thoughtfully.

KATHERINE (O.S.)
The ancient Frostnight clan...?

Lucas jabs a finger toward Arthur and sneers at Katherine.

LUCAS
Just like your mother. You fell for a con man pretty boy.

ARTHUR
Hey, I’m no con man!

He starts ticking off on his fingers.

ARTHUR (CONT’D)
I can for real do laundry, cook a perfect steak, and I also happen to be...

He leans in toward Katherine, whispering with a cheeky grin:

ARTHUR (LOW) (CONT’D)
...very good on bed.

Katherine stiffens, shoots him a glare. Arthur clears his throat and tries to look serious again.

Lucas bursts into uproarious laughter.

LUCAS
Katherine, you’ve lost! Your charming little husband offers you nothing.! Hand over the Alpha’s seal!

KATHERINE (COMPOSED)
According to the ancient laws of the Wolf families, the position of Alpha belongs to the one who holds the most territories.
(MORE)

KATHERINE (COMPOSED) (CONT'D)
So tell me, Mr. Reid. How much of the LEXON territory do you actually own?

Lucas smirks, unfazed. He tosses a thick file onto the floor. Sheets flutter everywhere.

LUCAS
All of this—I've secured piece by piece over the years. Now I hold 48% of Lexon territories. Definitely more than you have.

EPISODE 56

56-1 INT. LEXON MANSION - DAY

KATHERINE
(steady)
sThat's right! Listen carefully—all of you. I now control the largest share of Lexon territory. Add to that the power of the REID family... Surely you wouldn't risk offending me over the rest 3%, would you?

The Lexon council exchange uneasy looks, then slowly move to stand behind Lucas.

Lucas sneers at Katherine.

LUCAS
So, how about handing over the Lexon leader's seal now?

KATHERINE
(angry)
A coward who climbs with brute force and fear—such leadership is not worth following.

LUCAS
(mocking)
By the ancient laws, I own the most lands, so I'm the rightful Alpha!

ARTHUR
(calm, stepping forward)
Who said you own the most lands?

Lucas glares at Arthur with contempt.

LUCAS
Useless son-in-law! Who gives you the right to speak here.

KATHERINE
(firm)
He is my husband. We stand as one. If I say he has the right, then he does!

Arthur smiles warmly and holds up a document as he approaches Lucas.

ARTHUR
My Alpha commands 30% of the lands. With the 10% I contributed through marriage, plus the land I've acquired under her name.

Arthur slaps the document down in front of LUCAS.

ARTHUR (CONT'D)
That means the leader also holds exactly 48%.

Katherine looks at crowd in disbelief.

Arthur turns to Katherine with a gentle smile, confident.

The crowd murmurs; the Lexon council exchange glances.

LUCAS
(laughing)
You dare compare yourself to me? A weak human like you. Do you really think you can awaken Katherine's inner wolf? What do you have to protect Lexon? I could simply crush you.

EPISODE 57

57-1 INT. LEXON MANSION - DAY

LUCAS
Though the Reid family has fallen, but my forces are still intact. My reach extends far and wide.

LUCAS (CONT'D)
That so-called Alpha of yours is just a name.
(MORE)

LUCAS (CONT'D)
Her inner wolf remains dormant, while threats circle from within and without. Your family is crumbling under pressure

Katherine stays calm. Arthur appears even more casual and unbothered.

Lucas gestures to himself and the Lexon council around him.

LUCAS (CONT'D)
The internal threat? That's me—with 48% of the shares.

Lucas points broadly at the various wolf clan families in the crowd.

LUCAS (CONT'D)
Externally, rival wolf families closely watch and covet the LEXON, the foremost wolf family.

Lucas looks meaningfully at Arthur and Katherine.

LUCAS (CONT'D)
Don't you understand? I can snatch the Alpha position at any time!

The council sigh and nod helplessly, looking toward Katherine.

COUNCIL MEMBER 1
Alpha, the clan is in turmoil with hearts divided...

COUNCIL MEMBER 2
You're young and inexperienced, and yet you married a powerless human.

COUNCIL MEMBER 3
Indeed, we have no choice. Even if we don't hand the land over to Mr. Reid, you're not guaranteed to win.

KATHERINE
Would you truly accept Lexon being known by the name Reid?

The council lower their heads, disheartened.

COUNCIL MEMBER 1
Without more support from you and your human husband, there's nothing we can do.

KATHERINE
(quietly)
You...

Arthur smirks coldly, expression unreadable. He raises his hand and passes a document to them.

ARTHUR
According to you, if I were a wolf noble who could awaken your Alpha's inner wolf, and if we had enough strength to protect Lexon, you wouldn't sell the land to Mr. Reid—but to Katherine instead?

The council exchange looks and begin nodding.

COUNCIL MEMBER 2
If you are the wolf noble, the destined Alpha wolf of Katherine, we are willing to hand over our territories.

The council nods in agreements.

COUNCIL MEMBER 3
Exactly! We would even hand it over for free.

EPISODE 58

58-1 INT. LEXON MANSION - DAY

Arthur smiles warmly, nodding as he takes out a voice recorder and taps it toward the council.

ARTHUR
I've recorded everything you just said. This will be the proof.

KATHERINE (V.O.)
I know Arthur is unusual, but does he really have ties to the ancient wolf clan?

The council look at him with contempt.

COUNCIL MEMBER 1
You're just a Lexon son-in-law. What could you possibly do?

ARTHUR
Yes, I am a Lexon son-in-law. But you never believed my other identity... like Frosnight...

The crowd laughs.

COUNCIL MEMBER 2
Why are you still pretending?

Lucas glares at Arthur fiercely.

LUCAS
Lier! Saying you're a Frostnight doesn't make us believe you're linked to the ancient wolf clan.

LUCAS (CONT'D)
The Frostnight family's resources span the globe, and they control the entire wolf world's power!
(mocking)
They're the Alpha of the Shadows! How can you even compare?

Arthur is amused rather than angry.

ARTHUR
You actually know quite a lot.

Arthur snaps his fingers and the grand doors swing open. Katherine is startled and looks back.

Flash and Frost enter with a group of shadow guards, imposing and grand.

FLASH & FROST
(in unison, respectfully)
Our apologies for being late, Alpha. We await your judgment and punishment.

Flash holds out a box and opens it, revealing a finely crafted totem ring.

FLASH
Our Alpha is the current head of the ancient wolf clan and the Alpha of the Shadows.

FROST
He is married to Katherine Lexon out of mutual love, regardless of family grudges.

FLASH & FROST
Anyone who harms the Alpha's wife will never see peace from the Frostnight clan

Lucas reacts in disbelief.

LUCAS
This… this can't be possible!

Katherine studies Arthur with suspicion.

KATHERINE
You... really are from the Frostnight clan?

EPISODE 59

59-1 INT. LEXON MANSION - DAY

Arthur looks a bit guilty and worried about making her angry. He moves closer and takes Katherine hand.

ARTHUR
Babe, I never meant to keep anything from you! Bloodfern, Moonroot Coffee, the resort. They're all my clan's businesses. I just never had the time to explain.

Katherine can't resist Arthur's charm and shoots him a playful glare.

KATHERINE
Well, that makes sense. Your skills,
(looking at Flash and Frost)
They're no ordinaries. It's reasonable you're from the mysterious and invincible ancient wolf clan.

Arthur nervously swallows.

Suddenly, a light bulb moment hits Katherine.

KATHERINE (CONT'D)
Wait! My overseas account... the 40 billion that disappeared...

Arthur awkwardly scratches the back of his head, chuckling nervously. Flash's eyes dart anxiously while Frost looks down, trying hard not to laugh.

ARTHUR
It was me. Babe, you're not upset, are you?
(quietly)
Can we talk about it when we're home?

Katherine sighs but can't help laughing.

KATHERINE
No, I'm not. Sooner or later I would have found out. I just didn't expect it to be this way.

Among the council, someone notices the ring on Flash's hand.

COUNCIL MEMBER 1
This totem represents the Frostnight family, a mark unique to their ancient wolf bloodline. No other wolf tribe can replicate it! He really is one of the ancient Frostnight bloodline!

COUNCIL MEMBER 2
The Lexon family's son-in-law is actually the current head of the ancient Frostnight clan?! With LEXON and FROSTNIGHT joining forces, no other families stand a chance.

Lucas scrutinizes Arthur, trying hard to hide his panic.

Arthur raises an eyebrow at the elders behind LUCAS.

ARTHUR
Any objections now? Just moments ago, you swore that if I were of noble wolf blood, you'd transfer your shares without hesitation.
(holds up the voice recorder))
Are you backing out now.

Lucas glares at the elders behind him. They all look guilty, lowering their heads with annoyed expressions.

Lucas turns to Arthur with a vicious smile.

LUCAS
So what if you are an ancient wolf Alpha? Katherine still hasn't awakened her inner wolf. She still lacks the strength to protect the Lexons.

The council nods in agreement.

ARTHUR
Uh, so you're fine going back on your word. You fear Lucas's revenge, but not the wrath of the Fortnight family?

The shadow guards all display a serious and overwhelming aura.

ARTHUR (CONT'D)
I don't take kindly to threats against my wife. If you mess with her, you'd better be ready to face the consequences.

EPISODE 60

60-1 INT. LEXON MANSION - DAY

Lucas lets out a sinister, wild laugh.

LUCAS
So show me what you are really capable of!

Lucas stretches out his arm and sweeps it through the air, summoning a violent whirlwind.

Everyone present is tossed and twisted by the raging wind.

The shadow bodyguards quickly move to shield Katherine and the others, forming a protective wall against the storm.

COUNCIL MEMBER 1
The wind's poisoned. Don't breathe!

Everyone hurriedly covers their faces.

LUCAS
(Sneering)
Ha… For generations, the Reid has studied and crafted poison. It's about time we reclaimed our legacy!

KATHERINE
Mr. Reid, ruling the wolves through force will never earn you their trusts.

LUCAS
What a joke! For us wolves , the law of survival is built on power and struggle. You've lost your inner wolf. You're unfit to lead. Hand over the Alpha seal now!

KATHERINE
Over my dead body!

LUCAS
Then don’t blame me.

Lucas plants his feet wide, drawing circles in the air. Dark clouds gather and the fierce wind howls.

As the windstorm grows stronger, with a roar, he forcefully pushes it toward Katherine.

The shadow guards struggle to resist the storm, but the poisonous wind makes their heads dizzy and foggy.

Frost looks faint and unsteady. Arthur quickly steadies her, while she looks back anxiously at Katherine.

FROST
Alpha, fall back! The poison’s thickening. Get to cover, now!

As soon as she finishes speaking, the black wind spreads and the crowd collapses one after another.

Arthur stands still, his eyes hardening as the storm builds.

Katherine rushes to Arthur’s side and tightly embraces him, shielding him.

Arthur is momentarily stunned, then looks at Katherine with deep affection.

ARTHUR
Darling! In times like this, you can lean on me.

KATHERINE
And I will always protect you!

The whirlwind grows into a raging storm, swallowing them whole. Soon, their figures disappear from sight.

Suddenly, from the center of the storm, a pair of black and white wolves burst out of the eye of the wind, letting out a deafening roar that shatters the whirlwind.

EPISODE 61

61-1 INT. LEXON MANSION - DAY

Dark clouds gradually dissipate. The fallen people begin to regain consciousness. Flash and Frost rise and rush toward the center of the storm.

They see Katherine and Arthur sweetly embracing, becoming the unparalleled wolf couple that attracts all eyes.

COUNCIL MEMBER 1
(Marvels)
What a powerful inner wolf…
Powerful, and gifted with the rare ability to heal her pack.

COUNCIL MEMBER 2
With Lexon and Frostnight protecting our family, peace is surely guaranteed!

Everyone nods in agreement, then kneels before Katherine and Arthur, performing a unified grand salute.

THE COUNCIL
(chants in unison)
Alpha!

Lucas, suffering the backlash of the storm, his clothes disheveled, spits out a mouthful of old blood.

LUCAS
Your inner wolf... how is this possible...
(maniacal laugh)
No wonder, you carry the blood of my daughter!

Katherine watches Lucas weaken with a furrowed brow and sadness.

KATHERINE
I don’t understand. Why are you so determined to destroy the Lexons?

Arthur looks at Katherine with concern.

KATHERINE (CONT'D)
I... also carry your bloodline.

Lucas struggles to lift his head and glares at Katherine.

LUCAS
I can't look at the Lexon name
without thinking of my daughter!
(voice rising)
She died giving birth to you!
(hysterical)
You killed her!

Katherine's eyes redden.

LUCAS (CONT'D)
There's one thing I did misjudge —
you and your mother are alike,
tough and fearless.
(looking at Arthur,
miserable)
I hope your judgment of men is
wiser than hers.

Lucas collapses. The shadow bodyguards quickly move forward and pull him away.

Arthur suddenly changes expression, worried Katherine will overthink, and hastily explains.

ARTHUR
(flustered)
That old fool! How can he compare
me to? I...

Katherine laughs, lightly tugging at the corner of her lips. Arthur gazes at her smile, captivated.

ARTHUR (CONT'D)
Katherine, I love you!

Katherine stands on tiptoe, slowly leans close to Arthur's ear, and gently bites her red lips.

KATHERINE
Arthur, I love you too!

THE END
